Should the Principal's permit to conduct business as a collection agency be suspended or revoked, all past, present and existing obligations and liabilities of the Principal incurred during the permit period shall remain in effect until satisfied and shall be covered by this surety bond.

In the event that the Commissioner makes claim upon the Surety under this surety bond, the Surety shall remit payment under the terms of this surety bond to the Commissioner as required by North Carolina law, but in no event later than thirty (30) days after written demand by the Commissioner.
