- (e) Termination by Death or Serious Illness After the Occupancy Date. If the Resident dies after the Occupancy Date or the Resident is precluded from living in the CCRC under the terms of the Residency and Care Agreement as a result of serious illness, injury, or incapacity and the serious illness, injury or incapacity that is not otherwise addressed by the provision of the Residency and Care Agreement, then the Residency and Care Agreement shall terminate. In the event, the Resident or the estate of the Resident shall pay for any Optional Services rendered to the Resident through the date of

termination and shall continue to be liable for the Monthly Service Fee until the later of the date that all of the Resident's personal belongings are removed from the Apartment and the Apartment can be made ready for re-occupancy. The foregoing notwithstanding, if there is more than one Resident, the Residency and Care Agreement will continue to be binding on the surviving or eligible Resident until the Residency and Care Agreement is terminated as to or by the surviving Resident as provided for in the Residency and Care Agreement.

Termination by the Company

- (f) Termination by the Company Prior to the Occupancy Date. If, in the Company's sole discretion, the Resident does not satisfy the criteria for occupancy in the CCRC, the Residency and Care Agreement shall terminate upon the Company's notification to the Resident of non-approval. In such event, all amounts paid to the Company shall be refunded to the Resident within thirty (30) days after the Company provides the Resident notice of non-approval.
- (g) Termination by the Company after the Occupancy Date. The Company may terminate the Residency and Care Agreement upon thirty (30) days' written notice to the Resident in the event of the following:
  - (1) The Resident fails to make payments to the Company of any amounts when due and such failure is not cured within fifteen (15) days after notice is given to the Resident;
  - (2) The Resident fails to comply with any term of the Residency and Care Agreement not involving the payment of money or any provisions of the Rules and Regulations and the Resident fails to cure such non-compliance within seven (7) days after written notice from the Company; or
  - (3) The Resident, or the Resident's authorized representative makes a material misrepresentation or omission in the information provided to the Company for its consideration of the Resident for residency in the CCRC.
- (h) Immediate Termination. If the Company determines in its sole and absolute discretion that a Resident's behavior interferes with or threatens to interfere with the safety of the Resident or the quiet enjoyment or safety of other Residents, visitors and/or staff of the CCRC, or if the Resident's behavior is a detriment to other residents, visitors, and/or staff of the CCRC, the Company may immediately

terminate the Residency and Care Agreement and the Resident shall promptly vacate the Apartment. In such event, the Resident shall pay the Company for all Optional Services rendered by the Company through the date of termination and shall continue to be liable for the Monthly Service Fee until all of the Resident's personal belongings are removed from the Apartment.

- (i) Effect of Termination by the Company after the Occupancy Date. In the event the Company terminates the Residency and Care Agreement after the Occupancy Date pursuant to the applicable subsections of the Residency and Care Agreement, the Resident shall promptly vacate the Apartment, but shall pay the Company for all Optional Services rendered by the Company through the date of termination and shall continue to be liable for the Monthly Service Fee until the date that all of the Resident's personal belongings are removed from the Apartment.

### **VIII. Fees.**

The following are a list of the fees and charges expected to be charged to the Residents of the CCRC:

- A. Priority Deposit. Upon the execution of the Priority Partner Agreement, the prospective resident shall submit to the Company a payment of One-Thousand Dollars (\$1,000.00) (the "Priority Deposit"). The Priority Deposit is fully refundable should the prospective resident choose not to proceed with the reservation process and not enter into a Residency and Care Agreement for any reason. The Priority Deposit will be fully applied toward the Security Deposit should the prospective resident proceed with the reservation process and execute a Residency and Care Agreement.
- B. Apartment Selection Fee. Upon the execution of the Apartment Selection Agreement, the Resident shall submit to the Company a fee equal to the Monthly Service Fee payment (the "Apartment Selection Fee"). The Apartment Selection Fee is a non-refundable fee (except as defined in the Residency and Care Agreement) and shall be fully applied toward the first month's Monthly Service Fee.
- C. Community Fee. Upon the execution of the Apartment Selection Agreement, the Resident shall submit to the Company a fee equal to one Monthly Service Fee payment (the "Community Fee"). The Community Fee is a one-time, non-refundable fee (except as outlined in the Residency and Care Agreement) which entitles the Resident priority access to all services and amenities of the Community. The Community Fee will not be charged to Residents upon any renewal of the Residency and Care Agreement.

- D. Security Deposit. Upon the execution of the Residency and Care Agreement, the Resident shall make a Security Deposit payment to the Company equal to one Monthly Service Fee payment (the "Security Deposit"), which shall be deposited in accordance with statute, law or regulation of the federal, state, and local Government. If the Resident has complied with all terms of the Residency and Care Agreement and returns the Apartment in the same or materially similar condition as when the Resident moved into the Apartment, the Company will return the Security Deposit to the Resident within thirty (30) days after the Resident's move-out date. The Security Deposit shall be credited to the Resident as the last Monthly Service Fee payment in the event of the Resident's death. In the event that the Resident breaches or otherwise violates the Residency and Care Agreement before the end of the last month of occupancy by the Resident, then the Security Deposit shall be forfeited to the Company. The Resident is additionally responsible for any expense incurred by the Company resulting from damages to the Apartment that are in excess of the Security Deposit. In the event that the Resident has entered into a Priority Partner Agreement and paid a refundable deposit to the Company, the Priority Deposit shall be applied to the amount due as the Security Deposit.
- E. Monthly Service Fee. Throughout the Term, the Resident shall pay to the Company a Monthly Service Fee (the "Monthly Service Fee") as described in Exhibit A attached to the Residency and Care Agreement. The Monthly Service Fee shall be paid by the Resident on or before the fifth (5th) day of each month for Basic Services to be rendered that month with the first payment due on or before the Occupancy Date. The Monthly Service Fee shall be due regardless of whether or not the Apartment is actually occupied by the Resident on the scheduled Occupancy Date and such Monthly Service Fee will not be adjusted if the Resident is voluntarily absent from the CCRC at any time after such date. If the Resident obtains possession of the Apartment prior to the first of a month, the Resident shall pay the Company the first Monthly Service Fee on a pro-rata basis based on the actual number of days contained in the month. If the Residency and Care Agreement does not terminate at the expiration of the initial Term or a renewal Term, the Monthly Service Fee may continue to be payable beyond the date of termination as set forth in the Residency and Care Agreement.
- F. Adjustments to Monthly Service Fees. The Company reserves the right to change the amount of the Monthly Service Fee upon thirty (30) days' written notice prior to any renewal of the Residency and Care Agreement. Adjustments to the Monthly Service Fee will be made as may be reasonably necessary according to the economic requirements and conditions of the CCRC and the level and quality of services provided to the Residents of the CCRC and consistent with operating on a sound financial basis. See Exhibit F for five years of historical average dollar amount of increases in fees.
- G. Fees for Optional Services. The Resident shall receive a monthly statement from the Company showing the total amount of fees and other charges owed by the Resident, which shall be paid by the fifth (5<sup>th</sup>) day of each month. A list of fees for

recurring Optional Services the Resident has elected to purchase as of the date of the Residency and Care Agreement shall be attached to the Residency and Care Agreement as Exhibit A.

- H. Healthcare Center Fees and Charges. The Healthcare Center will consist of accommodations, equipment and staffing necessary for assisted living, assisted housing with services, skilled nursing care and memory care services on a temporary or permanent basis. The Company shall establish and publish per diem rates for accommodations and services at the Healthcare Center. Each calendar year, the Resident shall receive a ten percent (10%) discount on fees the Resident accrues during its first thirty (30) days of residency in the Healthcare Center (each day being a “Discounted Fee Day”). The Resident may not carry any unused Discounted Fee Days over to the following calendar year. Fees for residency in the Healthcare Center shall otherwise be payable in accordance with the Residency and Care Agreement and in accordance with the then published Healthcare Center per diem charge.
- I. Refund of Fees. If the Resident cancels during the Rescission Period as defined in the Residency and Care Agreement, the Priority Deposit, Apartment Selection Fee, Community Fee, and Security Deposit (and any other fees paid by Resident) in accordance with the Residency and Care Agreement will be refunded to the Resident, without interest, less a service charge of One-Thousand Dollars (\$1,000.00) and less any charges specifically incurred by the Company at the Resident’s request and set forth in Exhibit A of the Residency and Care Agreement, or in writing in a separate addendum to the Residency and Care Agreement, signed by the Resident and the Company. Any refund shall be paid within thirty (30) days after the Company’s receipt of the Resident’s written notice of rescission. The Apartment Selection Fee and the Community Fee become non-refundable after the Rescission Period. The Security Deposit is refundable and will be returned to the Resident within thirty (30) days after the Resident’s move-out date if the Resident has complied with all terms of the Residency and Care Agreement and returns the Apartment in the same or materially similar condition as when Resident moved into the Apartment. If the Resident breaches or otherwise violates the Residency and Care Agreement before the end of the last month of occupancy by the Resident, then the Security Deposit shall be forfeited to the Company.
- J. Late Charges. The Company will charge a one percent (1%) late payment charge per month on any Monthly Service Fees and extra charges that have not been paid within five (5) days after their due date.

## **IX. Financial Information**

- A. Audited Financial Statements. Audited financial statements of the Company as of and for the year ended December 31, 2022 are included as Exhibit A.

- D. Five-Year Prospective Financial Statements. Financial projections for each of the five years ending December 31, 2027 for the Company as compiled by an independent public accountant are included as Exhibit D.
- E. Reserves, Escrow and Trusts. North Carolina law requires continuing care retirement communities such as the Community to maintain operating reserves equal to fifty percent (50%) of the total operating costs in a given year, or twenty-five percent (25%) of such total operating costs if occupancy as of a certain date exceeds ninety percent (90%) of the Community's capacity (such reserve amount is referred to herein as the "Statutory Reserve"). This law provides security to the Residents that the Company will be able to meet its contractual obligations to provide continuing care. The Company's Statutory Reserve will be maintained through a letter of credit issued by a financial institution approved by the North Carolina Department of Insurance (the "Letter of Credit"). The Letter of Credit will name the North Carolina Department of Insurance as the beneficiary and be in an amount sufficient to satisfy the Statutory Reserve requirement.

## Report of Independent Auditor

To the Members  
Carolina Bay at Autumn Hall  
Wilmington, North Carolina

### Opinion

We have audited the accompanying combined financial statements of Carolina Bay at Autumn Hall (the “Company”), a group of entities under common control, which comprise the combined balance sheet as of December 31, 2022, and the related combined statement of operations and comprehensive income, changes in equity, and cash flows for the year then ended, and the related notes to the combined financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Combined Financial Statements* section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Change in Accounting Principle

As discussed in Note 2 to the combined financial statements, the Company changed its method of accounting for leases as of January 1, 2022, due to the adoption of Accounting Standards Update 2016-02, *Leases (Topic 842)*, as amended. Our opinion is not modified for this matter.

### Responsibilities of Management for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of the combined financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern within one year after the date that the combined financial statements are available to be issued.

### Auditor’s Responsibilities for the Audit of the Combined Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the combined financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The supplemental schedules are presented for the purpose of additional analysis and are not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the combined financial statements taken as a whole.

## NOTES TO THE COMBINED FINANCIAL STATEMENTS

DECEMBER 31, 2022

---

### Note 2—Summary of significant accounting policies (continued)

*Debt Issuance Costs* – Financing costs associated with the notes payable have been deferred and are being amortized over the term of the related debt using the straight-line method, which approximates the effective interest method. Amortization of debt issuance costs is recognized as interest expense in the combined statement of operations and comprehensive income. Unamortized debt issuance costs are included as a reduction related to debt liabilities.

*Revenue Recognition* – The Company follows the guidance provided by Accounting Standards Codification (“ASC”) 606, *Revenue from Contracts with Customers* and uses a five-step model to apply to revenue recognition, consisting of: (1) determination of whether a contract, an agreement between two or more parties that creates legally enforceable rights and obligations, exists; (2) identification of the performance obligations in the contract; (3) determination of the transaction price; (4) allocation of the transaction price to the performance obligations in the contract; and (5) recognition of revenue when (or as) the performance obligation is satisfied.

*Resident Revenue* – Resident fee revenue is reported at the amount that reflects the consideration the Company expects to receive in exchange for the services period. These amounts are due from residents or third party payors and include variable consideration for retroactive adjustments, if any, under reimbursement programs. Performance obligations are determined based on the nature of the services provided. Resident fee revenue is recognized as performance obligations are satisfied.

Under the Company’s skilled nursing and assisted living senior living residency agreements, the Company provides senior living services to residents for a stated daily or monthly fee. The Company recognizes revenue for room, assistance with activities of daily living, inpatient therapy, healthcare, and personalized health services provided under assisted living and skilled nursing residency agreements in accordance with the provisions of U.S. GAAP. The senior living services included under the daily or monthly fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation which is satisfied over time and recognized ratably over the contractual term, typically daily.

The Company also collects a one-time upfront nonrefundable community fee. The community fee is a one-time fee equivalent to one monthly service fee and becomes non-refundable 30 days after the resident signs the Residency and Care Agreement (the “Rescission Period”). The community fee is initially recorded as deferred revenue, then recognized as revenue at the end of the Rescission Period.

The Company has a performance obligation related to the series of distinct goods and services and another performance obligation related to access residents have for discounted fee days. Management has determined it is appropriate to allocate an equal amount of revenue to this material right each month.

The Company receives revenue for services under various third party payor programs which include Medicare, Medicaid, and other third party payors. Settlements with third party payors for retroactive adjustments due to audits, reviews, or investigations are included in the determination of the estimated transaction price for providing services. The Company estimates the transaction price based on terms of the contract with the payor, correspondence with the payor, and historical payment trends, and retroactive adjustments are recognized in future periods as final settlements are determined.

The Company receives revenue from independent living residents containing a lease component that would fall under the guidance of ASC 842, *Leases*. The amount of revenue recorded under this guidance was approximately \$9,800,000 and there would be no difference in how the revenue would be recognized under ASC 606 or ASC 842.

*Disaggregated Revenue* – The Company has determined that the senior living services included under the daily or monthly fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation which is satisfied over time.

### Note 2—Summary of significant accounting policies (continued)

*Contract Balances* – Timing differences among revenue recognition may result in contract assets or liabilities. Contract liabilities on the accompanying combined balance sheet related to the nonrefundable community fee and prepaid resident revenue totaled \$4,573 and \$85,064, respectively, as of December 31, 2022 and is recorded as deferred revenue on the combined balance sheet. There were no contract assets as of December 31, 2022.

*Resident Accounts Receivable, Net* – Receivables from residents, insurance companies, and third party contractual agencies are recorded at regular resident service rates, net of estimated contractual adjustments. Contractual adjustments are estimated based on the terms of third party insured contracts and arrangements. Adequate allowances are provided for doubtful accounts and other uncertainties. Credit losses have historically been within management's expectations. Accounts receivable is stated in the amount management expects to collect from outstanding balances.

*Income Taxes* – The Company, with the consent of its members, has elected under the Internal Revenue Code to be taxed essentially as a partnership. In lieu of corporation federal income taxes, the members of a limited liability company are taxed on their proportionate share of the Company's taxable income. Management has evaluated the effect of the guidance provided by U.S. GAAP for Uncertainty in Income Taxes. Management has evaluated all other tax positions that could have a significant effect on the combined financial statements and determined the Company had no uncertain income tax positions at December 31, 2022.

*Intangible Assets* – In accordance with U.S. GAAP, goodwill and intangible assets that have indefinite useful lives are not amortized but rather are tested at least annually for impairment. For the Company, this asset includes a CON and the goodwill represents the excess of the purchase price as a result of ownership restructuring in 2018. Intangible assets with indefinite useful lives are reviewed for impairment in accordance with ASC 350, *Intangibles – Goodwill and Other*, which requires the Company to evaluate the recoverability of long-lived assets annually and whenever events or changes in circumstances indicate that its carrying amount may not be recoverable. The Company continually evaluates whether events and circumstances have occurred that indicate the remaining estimated useful life of its CON may warrant revision or that the remaining carrying value may not be recoverable. Accordingly, the Company's goodwill is not subject to amortization but is tested for impairment annually. As permitted by ASC 350, the Company performed a qualitative assessment of impairment to determine whether the value of the CON and goodwill was impaired. Based on the results of this qualitative assessment, the CON and goodwill was not impaired as of December 31, 2022.

*Impairment of Long-Lived Assets* – The Company reviews the carrying value of its long-lived assets such as property and equipment, whether held for use or disposal when events and circumstances indicate that the carrying amount of an asset may not be recoverable based on expected undiscounted cash flows attributable to that asset. The amount of any impairment is measured as the difference between the carrying value and the fair value of the impaired asset. Based on results of this review, property and equipment was not impaired as of December 31, 2022.

*Interest Rate Derivative* – The Company's long-term debt bears interest at variable rates. In order to manage interest rate risks, the Company has entered into an interest rate cap agreement under which the Company will be reimbursed for any required interest payments in excess of the interest rate per the debt agreement. The fair value of the rate cap as of December 31, 2022 is included within net asset from interest rate derivatives on the combined balance sheet.

*Operating Reserves* – Continuing care retirement communities located in North Carolina are licensed and monitored by the North Carolina Department of Insurance ("NC DOI") under Article 64 of Chapter 58 of the North Carolina General Statutes. The Commissioner of Insurance has the authority to revoke or restrict the license of or impose additional requirements on any continuing care facility under certain circumstances specified in North Carolina General Statute 58-64-10.

**CAROLINA BAY AT AUTUMN HALL**  
**NOTES TO THE COMBINED FINANCIAL STATEMENTS**

DECEMBER 31, 2022

**Note 2—Summary of significant accounting policies (continued)**

North Carolina General Statute 58-64-33 requires that continuing care retirement communities with occupancy levels in excess of 90% maintain an operating reserve equal to 25% of total operating costs projected for the 12-month period following the most recent annual statement filed with the NC DOI, upon approval of the Commissioner of Insurance. Continuing care retirement communities with less than 90% occupancy are required to maintain an operating reserve equal to 50% of projected total operating costs. Total operating costs shall include budgeted operating expenses plus debt service less depreciation and amortization expense and revenue associated with non-contractual expenses.

In order to meet the North Carolina General Statute operating reserve requirement for 2022, the Company maintained an irrevocable standby letter of credit throughout the year. At December 31, 2022, the amount of the letter of credit was \$4,207,000.

*Credit Concentrations* – The Company places its cash and cash equivalents on deposit with financial institutions in the United States. The Federal Deposit Insurance Corporation covers \$250,000 for substantially all depository accounts. During the year ended December 31, 2022, the Company from time to time may have had amounts on deposit in excess of the insured limits.

The Company grants credit without collateral to its patients and residents, most of whom are insured by third party payors. The mix of receivables from patients and third party payors at December 31, 2022 are as follows:

Medicare	85%
Commercial insurance/private pay/other	15%
	<u>100%</u>

The Company's mix of revenue sources for the year ended December 31, 2022 are as follows:

Medicare	17%
Commercial insurance/private pay/other	83%
	<u>100%</u>

*Advertising Costs* – Advertising costs are expensed in the year incurred and totaled \$328,602 for the year ended December 31, 2022.

*Deferred Marketing Costs* – Management has implemented ASU No.2014-09 “Revenue from Contracts with Customers” and adopted the treatment of deferred marketing costs. Under the standard, the Company capitalizes marketing sales commissions associated with securing new Residency and Care Agreements as an asset and amortizes these commissions over five (5) years, the estimated term of the respective Residency and Care Agreements. The net amount of deferred marketing costs as of December 31, 2022 are included within other assets, net on the combined balance sheet.

*Residence and Care Agreement* –

*Services* – The Residency and Care Agreement (“Residency Agreement”) is a rental contract under which the Company is obligated, upon payment by the resident of a community fee and ongoing payments of the monthly fee to the Company, to provide certain services to the resident. While the resident occupies an independent living unit, services provided include: one meal per day; all utilities, except telephone; for apartment and garden flat residents, housekeeping services; maintenance of both the unit and the grounds and equipment; scheduled local transportation; use of the wellness center; planned social, recreational, and cultural activities; and use of the community area and other common activity facilities.

### Note 2—Summary of significant accounting policies (continued)

*Admittance Standards* – To be accepted for admission to the independent living units at the CCRC, each prospective resident must be at least 62 years of age at the time residency is established, with the exception of an underage spouse, who must be at least 50 years of age, have financial assets adequate to pay the admission fee, and have sufficient income to meet the anticipated monthly fee and other personal expenses not provided under the Residency Agreement. A reservation requires a signed Residency Agreement and the payment of a one-time community fee equal to one month's monthly resident fee. The community fee is refundable within the first 30 days of the execution of the Residency Agreement.

*Terms of Residency* – For residents living in an apartment, the initial agreement shall be for a term of 13 months. After the initial term, the Residency Agreement will automatically renew for an additional 13-month period, unless terminated as set forth in the Residency Agreement applicable to the apartments.

*Termination by the Resident Prior to Occupancy* – The resident may terminate the Residency Agreement prior to moving into the CCRC for any reason at any time by giving written notice. The community fee will be refundable at termination, except for costs or other charges that the resident and Carolina Bay Wilmington agree in advance are non-refundable.

*Termination by the Resident After Occupancy* – The resident may terminate the Residency Agreement after moving into the CCRC by giving a 30-day prior written notice of termination, which shall be effective and irrevocable upon delivery. If the resident terminates the Residency Agreement prior to the expiration of the initial term or renewal term, then the resident will be obligated to pay the monthly fee throughout the remainder of the term until the later of (i) removal of possessions from the apartment and key return to administration or (ii) re-occupancy of the apartment by a new resident.

The Residency Agreement will automatically terminate upon death of the resident (unless there is a surviving joint resident) and a personal representative will have 30 days from the day of death to remove personal property from the apartment. The resident's estate will be obligated to pay the monthly fee until the removal of possessions from the apartment and key return to administration.

*Termination by the Company* – The CCRC may terminate the Residency Agreement for just cause. Just cause includes (i) breach of agreement; (ii) misrepresenting information in admission process; (iii) failure to pay any charges; (iv) resident becomes infected with dangerous or contagious disease; and (v) a major change in physical or medical condition that cannot be cared for or is beyond the limits of the CCRC's license.

*Healthcare Benefit* – The CCRC provides the residents temporary or permanent skilled nursing services in Carolina Bay Healthcare, within the limits of Carolina Bay Healthcare's licensure.

*Change in Accounting Principle* – In February 2016, the Financial Accounting Standards Board ("FASB") issued ASU 2016-02, *Leases* ("Topic 842"), which supersedes existing guidance for accounting for leases under Topic 840, *Leases*. FASB also subsequently issued additional ASUs which amend and clarify Topic 842.

The Company adopted these ASUs effective January 1, 2022 using the modified retrospective approach. The Company elected the three transition practical expedients that permit an entity to (a) not reassess whether expired or existing contracts contain leases, (b) not reassess lease classification for existing or expired leases, and (c) not consider whether previously capitalized initial direct costs would be appropriate under the new standard. Adoption of the new standard did not have a material impact on the Company's combined balance sheet or combined statement of operations and comprehensive income.

**Note 2—Summary of significant accounting policies (continued)**

*New Accounting Pronouncement* – In June 2016, FASB issued ASU 2016-13 *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, which requires certain financial assets to be measured at amortized cost net of an allowance for estimated credit losses, such that the net receivable represents the present value of expected cash collection. The new rules also require certain financial assets be measured at amortized cost reflecting an allowance for estimated credit losses that are expected to occur over the life of the assets. This estimate must be based on all relevant information, such as historical information, current conditions, and reasonable and supportable forecasts that could impact the collectability of the amounts. The standard is effective for the Company for the year ending December 31, 2023. The Company is currently in the process of evaluating the impact of adoption of this ASU on the combined financial statements.

### Note 5—Long-term debt (continued)

Future amortization of debt issuance costs at December 31, 2022 is as follows:

<u>Years Ending December 31,</u>	
2023	\$ 48,842

Thereafter	25,511
	<u>\$ 258,890</u>

Certain loan agreements contain customary affirmative and negative covenants. Management is not aware of any violations of its covenants at December 31, 2022.

The note payable requires funds be held in escrow for property taxes and replacement reserve. The Company held approximately \$104,500 in escrow for property taxes and replacement reserve as of December 31, 2022.

### Note 6—Derivative instrument

Carolina Bay Properties entered into a Master Rate Swap Agreement with SMBC Capital Markets, Inc. dated December 19, 2022 that effectively fixes the interest rate on the outstanding principal of the term note. The interest rate cap has a notional amount of \$51,950,000 at a fixed interest rate of 3.55%. The agreement expires on January 1, 2024. The swap contract is adjusted to current market values through other comprehensive income. The fair value of the interest rate swap was recorded as an asset totaling approximately \$719,000 as of December 31, 2022. Changes in the fair value of the interest rate swap resulted in losses of approximately \$52,000 for the year ended December 31, 2022, which has been reported within other comprehensive income.

### Note 7—Related party transactions

Other entities owned by Liberty Healthcare provide other benefits to the Company. These transactions are also considered related party transactions and are settled through related party cash accounts and payments to the other entities. As of December 31, 2022, total receivables and payables to related parties were \$1,650,428 and \$2,583,239, respectively.

Carolina Bay Wilmington and Carolina Bay Healthcare have entered into management agreements with a fee of 5% of total revenue derived from independent living units and 6% of total revenue derived from assisted living units, memory care units, and skilled nursing units paid to Carolina Bay Management of Wilmington and Carolina Bay Healthcare Center Management, LLC, respectively. These fees totaled \$1,185,361 for the year ended December 31, 2022.

### Note 8—Leases

Carolina Bay Properties leases real estate which includes office space, nursing homes, and long-term care centers to Carolina Bay Wilmington and Carolina Bay Healthcare (the "Lessees") under the terms of the Operating Lease Agreements (the "Operating Leases") effective August 30, 2018. The Operating Leases expire on August 31, 2033, and the Lessees have the option to renew for two additional terms of five years each.

**CAROLINA BAY AT AUTUMN HALL**

**Note 8—Leases (continued)**

Carolina Bay Properties III leases real estate which includes office space, nursing homes, and long-term care centers to Carolina Bay Wilmington (the “Lessee”) under the terms of the Operating Lease Agreement (the “Operating Lease”) effective December 15, 2020. The Operating Lease expires on November 15, 2035, and the Lessee does not have the option to renew.

Renewal and termination clauses are factored into the determination of the lease term if it is reasonably certain that these options would be exercised by the Lessees.

Carolina Bay Properties and Carolina Bay Properties III (the “Lessors”) determines whether a contract contains a lease at inception by determining if the contract conveys the right to control the use of identified property and equipment for a period of time in exchange for consideration. The Lessors have elected to apply the practical expedient to account for lease and non-lease components as a single component, and all components qualify for this practical expedient as the timing and pattern of transfer of the lease and non-lease component are the same, and the lease would be classified as an operating lease if it were accounted for separately. The Lessors have determined that the leases are predominant in these contracts and are accounting for the combined leases as operating leases under ASC 842.

The presentation is dependent on lease classification. However, the Lessors only have operating leases from a lessor perspective. Assets leased by the Company under operating leases are presented as property and equipment in the Company’s combined balance sheet and depreciated over their estimated useful life.

The cost basis of land, buildings and improvements, and office furniture and equipment held under the terms of the lease agreements was \$81,009,273 and related accumulated depreciation was \$9,001,940 at December 31, 2022.

The Lessors receive rent payments directly from the lessees. For the year ended December 31, 2022, the monthly payments were \$176,125 and \$137,500 for Carolina Bay Wilmington and Carolina Bay Healthcare, respectively. According to the terms of certain leasing arrangements, the annual rent to be paid by the lessees will be increased according to the agreed upon payment schedules included as part of the lease agreements.

Total rent receivables from intercompany related parties on a straight-line basis as of December 31, 2022 was approximately \$647,500 and has been eliminated in the combined financial statements.

Total rental income for the year ended December 31, 2022 was approximately \$7,029,000 for Carolina Bay Properties and Carolina Bay Properties III and has been eliminated in the combined financial statements.

Minimum future cash rentals due on a straight-line basis to Carolina Bay Properties and Carolina Bay Properties III under the terms of the operating lease agreements are as follows:

## NOTES TO THE COMBINED FINANCIAL STATEMENTS

DECEMBER 31, 2022

---

### **Note 8—Leases (continued)**

Total rent expense incurred by Carolina Bay Wilmington and Carolina Bay Healthcare to the lessors was approximately \$4,175,000 and \$2,854,000, respectively, for the year ended December 31, 2022, including amortization of the right-of-use asset of approximately \$1,184,000 and \$644,000, respectively. These amounts have been eliminated in the combined financial statements.

### **Note 9—Contingencies**

The Company is subject to legal proceedings and claims which arise in the course of providing healthcare services. The Company maintains malpractice insurance coverage (\$1,000,000 per claim, \$3,000,000 aggregate) for claims made during the policy year. In management's opinion, adequate provision has been made for amounts expected to be paid under the policy's deductible limits for unasserted claims not covered by the policy and any other uninsured liability.

The healthcare industry is subject to numerous laws and regulations of federal, state, and local governments. These laws and regulations include, but are not necessarily limited to, matters such as licensure, accreditation, government-healthcare program participation requirements, reimbursement for patient services, and Medicare and Medicaid fraud and abuse. Recently, government activity has increased with respect to investigations and allegations concerning possible violations of fraud and abuse statutes and regulations by healthcare providers. Violations of these laws and regulations could result in expulsion from government healthcare programs together with the imposition of significant fines and penalties, as well as significant repayments for patient services previously billed.

### **Note 10—Pension plan**

The Company offers a defined contribution plan (the "Plan") to eligible employees as defined by the Plan. The Company will match employee contributions at the discretion of management. The Company contributed \$61,494 to the Plan for the year ended December 31, 2022.

### **Note 11—Litigation**

Litigation is subject to uncertainties and the outcome of individual litigated matters is not predictable with assurance. Various legal actions, claims, or proceedings are pending against the Company having arisen in the ordinary course of business. When appropriate, the Company establishes loss provisions for matters in which losses are probable and can be reasonably estimated.

### **Note 12—Subsequent events**

The Company has evaluated subsequent events through May 24, 2023, in connection with the preparation of these combined financial statements, which is the date the combined financial statements were available to be issued. The Company is unaware of any subsequent events that should be recognized or disclosed in the combined financial statements.

For purposes of comparison, Carolina Bay of Wilmington, LLC and Carolina Bay Management of Wilmington, LLC (collectively the "Company") used the following financial reports as of and for the year ended (actual)/ending (projected) December 31, 2022:

Audited - Obtained from the Supplemental Schedules of the audited financial statements of the Carolina Bay at Autumn Hall as of and for the year ended December 31, 2022.

Projected - Obtained from the forecasted financial statements of Carolina Bay of Wilmington, LLC with the Independent Accountants' Compilation Report dated May 27, 2022, which was included in the Carolina Bay at Autumn Hall Disclosure Statement dated May 31, 2022.

See the summary Balance Sheets, Statements of Operations and Statements of Cash Flows behind this narrative for amounts and percentages.

For purposes of this narrative, "material" differences are considered to be variances of \$1,000,000 and 10% on line item amounts.

## Balance Sheets:

1. Intercompany Receivable/Payable - Carolina Bay - There are transactions throughout the year between other companies related under the Carolina Bay at Autumn Hall economic entity. Below is a summary of the net balances due to and from these companies at December 31, 2022:

In Thousands	Forecasted			Actual		
	<u>Due From</u>	<u>Due To</u>	<u>Net Rec/(Pay)</u>	<u>Due From</u>	<u>Due To</u>	<u>Net Rec/(Pay)</u>
Carolina Bay Properties of Wilmington, LLC				\$ 369	\$ (19)	\$ 350
Carolina Bay Properties of Wilmington II, LLC				14	(570)	(556)
Carolina Bay Properties of Wilmington III, LLC				-	(11)	(11)
Carolina Bay Healthcare Center of Wilmington, LLC				896	(1,118)	(222)
Carolina Bay Healthcare Center Management of Wilmington, LLC				371	(865)	(494)
Total receivable/(payable)	\$ 5,734	\$ (3,654)	\$ 2,080	\$ 1,650	\$ (2,583)	\$ (933)
						\$ (3,013)
						-145%

The net amount due from the five companies related under the Carolina Bay at Autumn Hall economic entity was less than forecasted by approximately \$3,000,000 (145%), providing less cash from companies within the economic entity than forecasted. b. The intercompany transactions for the five companies related under Carolina Bay at Autumn Hall are management fees between Carolina Bay Wilmington and Carolina Bay Healthcare (5% for independent living and 6% for healthcare). The forecasted balance of these accounts reflects amounts due between these entities at year end. These balances were less than expected at year end due to the clearing of the balance quicker than expected (i.e. check writes between the entities were processed more quickly).

2. Member's Equity - Member's equity ended the year approximately \$3,700,000 less than projected. Net income was approximately \$1,000,000 less than projected. Additionally, there was \$2,700,000 in members' distributions during the year (see note #4 below).

## Statements of Operations and Changes in Members' Equity:

3. Net Income - Net income was approximately \$959,000 (42%) less than the projection. There were several departments that were over costs due to unanticipated price increases for supplies and agency staffing for open positions. This resulted in costs about \$310,000 over the forecasted amount. Additionally, interest expense was \$555,000 over the forecasted amount. This is because the mortgage is based on a floating interest rate. As interest rates rose, expense increased over the forecasted amount.

4. Members' Distributions - Member's distributions were approximately \$2,701,000 (100%) over the forecasted amount. Carolina Bay of Wilmington had \$101,000 in distributions. Carolina Bay Healthcare Center had \$100,000 in distributions. Carolina Bay Properties had \$2,500,000 in distributions.

#### **Statements of Cash Flows:**

5. Changes in operating assets and liabilities, net - The net change in operating assets and liabilities was approximately \$2,629,000 (61%) over the forecasted amount. This is largely due to the change in intercompany balances from note #1 above, the members' distributions in note #4 above and the net income variance from note #3 above.
6. Net cash flows from financing activities - The net change in cash flows from financing activities was approximately \$2,781,000 (1,818%) over the forecasted amount. This is largely due to the members' distribution of \$2,701,000

## Residency and Care Agreement

Services – The residency agreement (“Residency and Care Agreement”) is a rental contract under which the Company is obligated, upon payment by the resident (the “Resident” or “Residents”) of a Security Deposit, Community Fee, Apartment Selection Fee, and ongoing payment of the Monthly Fee, to provide certain services to the Resident. While the Resident occupies an Independent Living Unit, services provided include:

- Utilities, except telephone and internet service;
- Declining balance meal plan;
- Weekly housekeeping services;
- Interior unit and appliance maintenance;
- Maintenance of common areas and grounds;
- Use of common areas and wellness center;
- Uncovered parking;
- Scheduled transportation; and
- 24-hour emergency response system.

Optional services, including covered parking, personal laundry, additional transportation, additional dining, and additional housekeeping services, are available for an extra charge.

Admittance Standards – Prior to taking occupancy of a selected Independent Living Unit, the Resident shall execute a Residency and Care Agreement. The terms of the Residency and Care Agreement require the Company to accept persons at least 62 years of age at the time of occupancy, who demonstrate the ability to live independently, and meet the financial obligations as a Resident. A reservation requires a signed Residency and Care Agreement and the payment of a Security Deposit, a non-refundable Apartment Selection Fee, and a one-time, non-refundable Community Fee. Upon occupancy, Residents are expected to pay an ongoing Monthly Fee.

Healthcare Benefit – The Company provides Residents temporary or permanent assisted living, memory care, and skilled nursing services in the Healthcare Center, within the limits of Carolina Bay Healthcare’s licensure. Residents receive an annual, non-cumulative discount of 10 percent from the then current direct admission rate, during the first 30 days of residency in the Healthcare Center.

Terms of Residency – The initial Residency and Care Agreement shall be for a term of 13 months. After the initial term, the Resident has the option, each year, of executing another Residency and Care Agreement for 13 months. If another 13-month Residency and Care Agreement is not executed, the Residency and Care Agreement shall expire at the end of the term.

**See Independent Accountants’ Compilation Report**

Termination by the Resident Prior to Occupancy – The Resident may cancel at any time and for any reason during the 30-day rescission period as defined in the Residency and Care Agreement (the “Rescission Period”) and shall receive a refund of any fees paid less a service charge. After the Rescission Period, the Resident may terminate the Residency and Care Agreement prior to moving into the Community by giving 30 days’ prior written notice. Under this circumstance, the Apartment Selection Fee and Community Fee become non-refundable after the Rescission Period.

Termination by the Resident After Occupancy – The Resident may terminate the Residency and Care Agreement after moving into the Community by giving 30 days’ prior written notice of termination, which shall be effective and irrevocable upon delivery. If the Resident terminates the Residency and Care Agreement prior to the expiration of the initial term or renewal term, then the Resident shall be liable for the Monthly Fee until the date that all of the Resident’s personal belongings are removed from the Independent Living Unit. In addition, the Resident shall be responsible for payment of liquidated damages of one month’s rental charge.

The Residency and Care Agreement shall automatically terminate upon death of the Resident (unless there is a surviving joint Resident) and a personal representative shall have 30 days from date of death to remove personal property from the Independent Living Unit. The Resident’s estate is obligated to pay the Monthly Fee until the removal of possessions from the Independent Living Unit and key return to administration.

Termination by the Company – The Company may terminate the Residency and Care Agreement for just cause to include: (i) breach of agreement; (ii) misrepresenting information in the admission process; (iii) failure to pay any charges; (iv) Resident becomes infected with dangerous or contagious disease; or (v) violation of any reasonable procedures at the Community.

## Summary of Significant Accounting Policies

Basis of Accounting and Presentation – The Company is assumed to maintain its accounting and financial records according to the accrual basis of accounting.

Cash and Cash Equivalents – Cash and cash equivalents include cash on hand and cash on deposit held by one financial institution.

Restricted Cash – Restricted cash includes refundable priority deposits received from future residents (the “Priority Deposit”) and Security Deposits received from Residents upon execution of a Residency and Care Agreement, which are held in accordance with statute, law, or regulation of the federal, state, and local Government. The Priority Deposit shall be applied to the Security Deposit paid by the Resident upon execution of a Residency and Care Agreement.

Related-Party Transactions – The principal members of the Company and other entities which they own or with which they are associated are considered related parties. Management monitors cash flow at each related party entity and transfers cash on an as-needed basis. The cash flows between non-Company related parties are classified as non-current receivables/payables.

Statutory Operating Reserve – North Carolina General Statute section 58-64-33, requires licensed CCRCs to maintain an operating reserve equal to 50 percent (50%) of the total projected operating costs (adjusted for non-cash items) in a given year. If a CCRC maintains a combined independent and assisted living occupancy in excess of 90 percent (90%), the operating reserve amount required equals 25 percent (25%) of projected operating expenses (adjusted for non-cash items). The reserve may be funded by cash, invested cash, or investment grade securities. In order to meet the North Carolina General Statutes operating reserve requirements, the Company maintains an irrevocable standby letter of credit from a financial institution. At December 31, 2022, the amount of the letter of credit was \$4,207,000. Management is to fund a \$500,000 operating reserve, at its discretion, to provide additional liquidity for Community’s operations.

Deferred Revenue – Prior to January 1, 2023, the Company amortized non-refundable Community Fees into income over five (5) years, the estimated average length of stay of a Resident in an Independent Living Unit. Beginning in fiscal year 2023, the Company records Community Fees as other income after a 30 day rescission period.

Lease Accounting – The Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) No. 2016-02, Lease Accounting Standard in February 2016. ASU 2016-02 requires all leases with lease terms over twelve months to be capitalized as a right-of-use asset and lease liability on the balance sheet at the date of lease commencement. Leases are to be classified as either finance or operating. This distinction shall be relevant for the pattern of expense recognition in the statement of operations. Upon the combining of the Company’s financial statements, all material lease transactions occurring during the projection period were recognized as internal lease transfers and eliminated from the financial presentation.

**See Independent Accountants’ Compilation Report**

Property and Equipment – Property and equipment are recorded at cost. Depreciation is calculated on the straight-line method over the estimated useful lives of depreciable assets or the term of the depreciable assets. The cost of maintenance and repairs is charged to operations as incurred, whereas significant renewals and betterments are capitalized.

Deferred Marketing Costs – Management has implemented ASU No. 2014-09 “Revenue from Contracts with Customers” and adopted the treatment of deferred marketing costs. Under the standard, the Company capitalizes marketing sales commissions associated with securing new Residency and Care Agreements as an asset and amortizes these commissions over five (5) years, the estimated term of the respective Residency and Care Agreements.

Intangible Assets – In accordance with U.S. GAAP, goodwill and intangible assets that have indefinite useful lives are not amortized but rather are tested at least annually for impairment. For the Company, this asset includes a CON. Intangible assets with indefinite useful lives are reviewed for impairment in accordance with ASC 350, Intangibles – Goodwill and Other, which requires the Company to evaluate the recoverability of long-lived assets annually and whenever events or changes in circumstances indicate that its carrying amount may not be recoverable. The Company continually evaluates whether events and circumstances have occurred that indicate the remaining estimated useful life of its CON may warrant revision or that the remaining carrying value may not be recoverable. As permitted by ASC 350, the Company performs qualitative assessments of impairment to determine whether the value of the CON was impaired. Goodwill represents the excess of the purchase price as a result of ownership restructuring in 2018. The Company’s goodwill is not subject to amortization but is tested for impairment annually. Management assumes no impairment of the intangible assets to occur during the projection period.

Debt Financing Cost – Cost associated with the issuance of debt is capitalized and is being amortized over the term of the related debt using the straight-line method, which approximates the effective interest method. Debt issuance costs are netted against the related debt on the combined balance sheet and the amortization is included on the combined statement of operations and changes in members’ equity.

Income Taxes – The Company has elected to be treated as a partnership for income tax purposes. The Company’s taxable income, its losses, and other pass-through items is reported on the members’ tax returns. Accordingly, no provision for income taxes has been included in the projection.

- c. Apartment Selection Agreement. At the time of selecting an Apartment, the Resident completed an Apartment Selection Agreement and submitted it to the Company along with an Apartment Selection Fee and Community Fee, as defined in Sections 7.a. and 7.b., respectively, of this Agreement. In the event of any conflict between the provisions of the Apartment Selection Agreement and this Agreement, the provisions of this Agreement shall control.
- d. Disclosure Statement. Upon execution of this Agreement, the Company will provide the Resident a copy of the CCRC’s Disclosure Statement (the “Disclosure Statement”) which fully describes the organization, facilities, policies, services, fees, financial condition, projections, and the vital information related to the CCRC. Included in the Disclosure Statement is a copy of this Agreement.
- e. Application. Within thirty (30) days of execution of the Apartment Selection Agreement, the Resident will complete a Preliminary Health Screen and a confidential financial statement, all on the forms provided by the Company, and deliver the same (all such documents collectively referred to herein as, the “Application Forms”) to the Company.

The Company must be satisfied that the Resident has the financial income and assets to pay the Monthly Service Fee (as defined in Section 7.d. of this Agreement), extra meal charges, charges for additional services, personal living expenses, and the future adjustments of these charges during the term of this Agreement. Immediately prior to the Occupancy Date (as defined in Section 1.n. of this Agreement), the Resident will affirm to the Company that the Resident’s financial situation does not differ materially or adversely from the financial situation as presented in the Application Forms (substantially in the form attached to the Apartment Selection Agreement). If the Resident’s then personal financial situation differs materially and adversely from the Resident’s prior financial situation, the Company may terminate this Agreement. After the Occupancy Date, the Company may require updated financial information. The Company will accept or deny an application based on the criteria and policies it has established, as the same may be amended from time to time. The Company will notify the Resident in writing of its decision on the application.
- j. Physician's Report. Thirty (30) days prior to the Occupancy Date (as defined in Section 1.o. of this Agreement), the Resident is required to submit to the Company an updated Preliminary Health Screen. The Company will respect the privacy of the Resident's personal health information and is committed to maintaining the Resident's confidentiality.

Prior to the expiration of the initial Term or any renewal Term, the Company reserves the right to present the Resident with a new version of the Company Residency and Care Agreement for signature by the Company and the Resident.
- b. Nature and Extent of Rights. The Resident’s right to occupy the Apartment shall exist and continue unless terminated as provided in this Agreement. Nothing contained herein shall be construed or is intended to require that the Company care for the Resident after expiration or termination of this Agreement.
- c. Terms of Occupancy. Signing of this Agreement does not deliver title to real or personal property, and this Agreement may not be assigned, transferred, inherited or devised. Any rights, privileges, benefits, or interests created by or under this Agreement shall be subordinated to any mortgage, deed of trust, or other security interest created on any of the premises or interests in the real estate comprising the CCRC and to all amendments, modifications, replacements or refunding thereof. resident shall enter into a Residency and Care Agreement. If the second occupant does not meet the requirements for residency, or does not execute a Residency and Care Agreement, he or she shall not be permitted to occupy the Apartment.

- g. Transfers. Should the Resident desire to transfer to another Apartment, the Resident must notify the Company in writing. Following receipt of this request, and subject to availability, the Company may grant the Resident an option to move to the next available Apartment of the size requested. Upon transfer to a new residence, the Monthly Service Fee for the month in which the move takes place shall be prorated to reflect the percentage of the month that the Resident spends in each type of residence. With all transfers, there will be an up-fitting charge for the vacated residence based on the current rate established by the CCRC at the time of the transfer. The Resident will move all furnishings and belongings to the new residence within ten (10) days of the established occupancy date for the new residence. Any moving expense will be the responsibility of the Resident.
- h. Death or Transfer of One Resident. If one of the Residents named herein dies, moves out or is permanently transferred to the Healthcare Center or any other nursing center, the remaining Resident will continue to be bound by the terms of this Agreement except that the Monthly Service Fee will be reduced to the single occupancy rate then in effect.

The Resident and its guests and invitees shall comply in all respects with the CCRC's operating rules and regulations (the "Rules and Regulations") established by the Company from time to time. The Company may revise or amend such Rules and Regulations at any time in its sole discretion. A copy of the Rules and Regulations will be made available to the Resident.

Pets are prohibited in the dining spaces, the Wellness Center, the multipurpose room, the chapel, and the art space and activity rooms. The Resident understands and agrees that the pet must be removed from the Apartment, upon fourteen (14) days' prior written notice from the Company, if the pet becomes a nuisance to other residents of the CCRC, as determined by the Company in its sole and absolute discretion. The Resident agrees that if the Resident has been approved to have a pet living in the Apartment, and elects to do so, the Resident shall pay a non-refundable pet fee in the amount posted at the time the pet is registered.

The CCRC will provide the Resident temporary or permanent assisted living services, assisted housing with services, and skilled nursing services (the "Healthcare Services") in the healthcare center adjacent to the CCRC (the "Healthcare Center"). A number of the beds in the Healthcare Center have been designated as "closed beds" under state laws and/or regulations and, as such, are reserved for Residents (the "Closed Beds"). In the event that these Closed Beds are fully occupied, the Resident will be given priority access to the available unreserved beds (the "Open Beds"). Service in the Healthcare Center shall be provided within the limits of the Company's license.

If the appropriate level of Healthcare Services based upon the needs of the Resident may not be obtained or are not provided within the Healthcare Center, such level of care must be obtained from another provider of healthcare services, including, but not necessarily limited to, a hospital, and the costs of those services shall be the sole responsibility of the Resident. The Resident (i) acknowledges and agrees that the Company will not be responsible for any claims, damages or expenses resulting from injury or death suffered by the Resident that is caused by, attributable to or in any way connected with the negligence or intentional acts or omissions of the physicians, employees or agents of any such other provider of healthcare services and (ii) releases the Company from liability for any such claims, damages or expenses.

6. Transfers of Resident

- a. Direct Transfer to the Healthcare Center. If after the execution of this Agreement and prior to the Occupancy Date, the Resident's health or mental condition is such that, in the sole discretion of the Company, the Resident no longer meets the qualifications to live independently in the CCRC, and this Agreement is not otherwise terminated, the Resident may be transferred directly to the Healthcare Center. All fees and other charges due must be paid prior to any direct transfer. In the event there is more than one Resident occupying the Apartment, and one Resident is transferred directly to the Healthcare Center, the other Resident shall continue to be obligated under this Agreement and pay the required Monthly Service Fee applicable to a single resident.

In the event the Healthcare Center is not yet completed and licensed to operate and the Resident's health or mental condition is such that, in the sole discretion of the Company, the Resident is precluded from living independently in the CCRC (the "Healthcare Transfers"), the Company will enter into a Transfer Agreement with a skilled nursing facility in reasonable proximity to the Company (the "Transfer Facility") pursuant to which the Transfer Facility shall agree to accept appropriate Healthcare Transfers from the Company. The Company will provide transportation

to the Healthcare Transfers to the Transfer Facility until such time as the Healthcare Center is available; provided however, the cost of the care at such Transfer Facility will be the responsibility of the Healthcare Transfer.

- b. Transfers to the Healthcare Center. The Resident agrees that the Company shall have the right to determine whether the Resident should be temporarily or permanently transferred from the Apartment to the Healthcare Center or from one level of care at the Healthcare Center to another level of care at the Healthcare Center. Such determination shall be in the Company's sole discretion and based on the professional opinion of the medical director of the Healthcare Center and the executive director of the CCRC that the Resident is no longer able to live independently or that living in the Apartment will endanger the Resident or the health and/or safety of others. Should the Resident fail to cooperate with a transfer of the Resident requested by the Company, the Company shall have the right to terminate this Agreement and the Resident shall no longer be permitted to live in the CCRC.
- c. Transfer Outside the CCRC. If, in the opinion of the Company, the physical or mental condition of the Resident requires services beyond that which can be provided by the facilities or personnel in the CCRC and the Healthcare Center or is beyond the scope of the services provided for in this Agreement, the Company may require that the Resident be temporarily or permanently transferred to a hospital, center, institution or other care environment equipped to give such care; provided however, the cost of the care at any such outside facility will be the responsibility of the Resident.
- d. Relinquishment of Apartment upon Permanent Transfer to the Healthcare Center or Outside Facility. If, in the sole discretion of the Company, the Resident's transfer to the Healthcare Center or to an outside facility is considered permanent, the Resident shall relinquish the Apartment and this Agreement shall terminate, unless there is a second Resident currently occupying the Apartment or unless otherwise approved by the Company.

7. Fees and Charges.

The following is a list of the fees and charges expected to be charged to the Residents of the CCRC.

- a. Apartment Selection Fee. Upon the execution of the Apartment Selection Agreement, the Resident paid an Apartment Selection Fee (the "Apartment Selection Fee") as identified in Exhibit A attached hereto. The Apartment Selection Fee is a nonrefundable fee (except as defined in Section 7.i. of this Agreement) and shall be applied to the first month's Monthly Service Fee.
- b. Community Fee. Upon the execution of the Apartment Selection Agreement, the Resident paid a Community Fee (the "Community Fee") as identified in Exhibit A attached hereto. The Community Fee is a one-time, nonrefundable fee (except as

defined in Section 7.i. of this Agreement) which entitles Residents priority access to all services and amenities of the Community. A Community Fee will not be charged to Residents upon any renewal of this Agreement.

- c. Security Deposit Fee. Upon the execution of this Agreement, the Resident shall make a Security Deposit payment to the Company equal to one Monthly Service Fee payment (the "Security Deposit"), which shall be deposited in accordance with statute, law or regulation of the federal, state, and local Government. If the Resident has complied with all terms of the Agreement and returns the Apartment in the same or materially similar condition as when the Resident moved into the Apartment, the Company will return the Security Deposit to the Resident within thirty (30) days after the Resident's move-out date. The Security Deposit shall be credited to the Resident as the last Monthly Service Fee payment in the event of the Resident's death. In the event that the Resident breaches or otherwise violates the Agreement before the end of the last month of occupancy by the Resident, then the Security Deposit shall be forfeited to the Company. The Resident is additionally responsible for any expense incurred by the Company resulting from damages to the Apartment that are in excess of the Security Deposit. In the event that the Resident has entered into a Priority Partner Agreement (the "Priority Partner Agreement") and paid a refundable deposit to the Company (the "Priority Deposit"), the Priority Deposit shall be applied to the amount due as the Security Deposit.
  
- d. Monthly Service Fees. Throughout the Term, the Resident shall pay to the Company a Monthly Service Fee (the "Monthly Service Fee") in the amount of \$ \_\_\_\_\_, as described on Exhibit A attached hereto, for a single Resident. If the Apartment will be occupied by two Residents pursuant to this Agreement, an additional monthly amount of \$ \_\_\_\_\_ shall be paid by the second Resident. The Monthly Service Fee shall be paid by the Resident on or before the fifth (5<sup>th</sup>) day of each month for Basic Services to be rendered that month with the first payment due on or before the Occupancy Date. The Monthly Service Fee shall be due regardless of whether or not the Apartment is actually occupied by the Resident on the scheduled Occupancy Date and such Monthly Service Fee will not be adjusted if the Resident is voluntarily absent from the CCRC at any time after such date. If the Resident obtains possession of the Apartment prior to the first of a month, the Resident shall pay the Company the first Monthly Service Fee on a pro-rata basis based on the actual number of days contained in the month. If this Agreement does not terminate at the expiration of the initial Term or a renewal Term, the Monthly Service Fee may continue to be payable beyond the date of termination as set forth in Section 7 below.
  
- e. Adjustments to Monthly Service Fees. The Company reserves the right to change the amount of the Monthly Service Fee upon thirty (30) days' written notice prior to any renewal of this Agreement. Adjustments to the Monthly Service Fee will be made as may be reasonably necessary according to the economic requirements and conditions of the CCRC, the level and quality of services provided to the residents of the CCRC and consistent with operating on a sound financial basis.

- f. Fees for Optional Services. The Resident shall receive a monthly statement from the Company showing the total amount of fees and other charges owed by the Resident, which shall be paid by the fifth (5th) day of each month. A list of fees for recurring optional services (“Optional Services”) the Resident has elected to purchase as of the date of this Agreement is attached hereto as Exhibit A.
- g. Healthcare Center Fees and Charges. The Healthcare Center will consist of accommodations, equipment and staffing necessary for assisted living, assisted housing with services, skilled nursing care and memory care services on a temporary or permanent basis. The Company shall establish and publish per diem rates for accommodations and services at the Healthcare Center. Each calendar year, the Resident shall receive a ten percent (10%) discount on fees the Resident accrues during its first thirty (30) days of residency in the Healthcare Center (each day being a “Discounted Fee Day”). The Resident may not carry any unused Discounted Fee Days over to the following calendar year. Fees for residency in the Healthcare Center shall otherwise be payable in accordance with the Residency and Care Agreement and in accordance with the then published Healthcare Center per diem charge.
- h. Fees for Occupancy in the Healthcare Center. In the event the Resident is transferred to the Healthcare Center, as determined in the sole discretion of the Company, the Resident shall pay the then published Healthcare Center per diem charge plus charges for other services not included in the Healthcare Center per diem charge, subject to available Discounted Fee Days. In addition, the Resident shall continue to be responsible for the Monthly Service Fee and other charges payable under this Agreement.
- i. Refund of Fees. If the Resident cancels during the Rescission Period (as defined in Section 8.a.i of this Agreement), the Priority Deposit, Apartment Selection Fee, Community Fee and Security Deposit (and any other fees paid by Resident) in accordance with this Residency and Care Agreement will be refunded to the Resident, without interest, less a service charge of One Thousand Dollars (\$1,000.00) and less any charges specifically incurred by the Company at Resident’s request and set forth in Exhibit A of this Agreement or in writing in a separate addendum to the Agreement, signed by the Resident and the Company. Any refund shall be paid within thirty (30) days after the Company’s receipt of the Resident’s written notice of rescission. The Apartment Selection Fee and the Community Fee become non-refundable after the Rescission Period. The Security Deposit Fee is refundable and will be returned to the Resident within thirty (30) days after the Resident’s move-out date if the Resident has complied with all terms of the Agreement and returns the Apartment in the same or materially similar condition as when Resident moved into the Apartment. If the Resident breaches or otherwise violates the Agreement before the end of the last month of occupancy by the Resident, then the Security Deposit Fee shall be forfeited to the Company.

- j. Late Charges. The Company will charge a one percent (1%) late payment charge per month on any Monthly Fees and extra charges that have not been paid within five (5) days after their due date.

8. Termination.

- a. Termination by Resident. Upon the termination of this Agreement, the Resident shall have no further right to reside in the CCRC. The Agreement may be terminated or cancelled by the Resident under the following terms and conditions:
  - i. Rescission During First Thirty (30) Days. The Resident may terminate this Agreement for any reason within thirty (30) days following the later of the execution of this Agreement or receipt by the Resident of the Disclosure Statement (the "Rescission Period"), and the Resident is not required to move into the facility before expiration of the Rescission Period. The Resident's termination of this Agreement during the Rescission Period is without penalty, and all payments made by the Resident before such termination, less a service charge of One Thousand Dollars (\$1,000.00) and less any charges specifically incurred by the Company at the Resident's request and set forth in Exhibit A of this Agreement or in writing in a separate addendum to the Agreement signed by the Resident and the Company. Any refund shall be paid within thirty (30) days after the Company receives written notice of the Resident's election to terminate this Agreement.
  - ii. Termination After Rescission Period but Prior to the Occupancy Date. For Residents electing to reside in an Apartment, the Resident may terminate the Residency and Care Agreement for any reason after the Rescission Period but prior to the Occupancy Date upon written notice to the Company. In the event of such termination, the Resident shall be entitled to a refund of all monies paid to the Company, except, as the case may be, the Community Fee, the Apartment Selection Fee, and any costs or other charges that the Resident and the Company agree in advance are non-refundable.
  - iii. General Termination Right. The Resident may terminate this Agreement at any time for any reason by giving the Company thirty (30) days' written notice signed by the Resident (or both of them if there are two Residents). In the event of termination by the Resident for reasons other than those permitted in this Agreement, the Resident shall pay the Company for all Optional Services rendered by the Company to the Resident through the date of termination and shall continue to be liable for the Monthly Service Fee until the date that all of the Resident's personal belongings are removed from the Apartment. In addition, the Resident shall be responsible for payment of liquidated damage of one month's rental charge, calculated at the existing market rate.

b. Termination by Death or Serious Illness

- i. Termination by Death or Serious Illness Prior to the Occupancy Date. If, prior to the Occupancy Date, the Resident dies or is precluded from living in the CCRC under the terms of this Agreement as a result of serious illness, injury, non-qualification or incapacity, this Agreement will automatically terminate. In the event this Agreement is terminated as provided for in this subsection, the Resident or the Resident's estate shall be entitled to a refund of any amounts paid to the Company, except, as the case may be, a service charge of One Thousand Dollars (\$1,000.00) and for costs or other charges that the Resident and the Company agree in advance are non-refundable. Such refund shall be paid by the Company within thirty (30) days after this Agreement is terminated pursuant to this subsection. The foregoing notwithstanding, if there is more than one Resident, this Agreement will continue to be binding on the surviving or eligible Resident until this Agreement is terminated as to or by the surviving Resident as provided for herein.
- ii. Termination by Death or Serious Illness After the Occupancy Date. If the Resident dies after the Occupancy Date or the Resident is precluded from living in the CCRC under the terms of this Agreement as a result of serious illness, injury, or incapacity and the serious illness, injury or incapacity is not otherwise addressed by the provisions of Section 6, then this Agreement shall terminate. In such event, the Resident or the estate of the Resident shall pay for any Optional Services rendered to the Resident through the date of termination and shall continue to be liable for the Monthly Service Fee until the date that all of the Resident's personal belongings are removed from the Apartment and the Apartment can be made ready for re-occupancy. The foregoing notwithstanding, if there is more than one Resident, this Agreement will continue to be binding on the surviving or eligible Resident until this Agreement is terminated as to or by the surviving Resident as provided for herein.

- i. Termination by the Company Prior to the Occupancy Date. If, in the Company's sole discretion, the Resident does not satisfy the criteria for occupancy in the CCRC, this Agreement shall terminate upon the Company's notification to the Resident of non-approval. In such event, all amounts paid to the Company shall be refunded to the Resident within thirty (30) days after the Company provides the Resident notice of non-approval.
- ii. Termination by the Company after the Occupancy Date. The Company may terminate this Agreement upon thirty (30) days written notice to the Resident in the event of the following:

- (1) The Resident fails to make payments to the Company of any amounts when due and such failure is not cured within fifteen (15) days after notice is given to the Resident;

- (3) The Resident or the Resident's authorized representative makes a material misrepresentation or omission in the information provided to the Company for its consideration of the Resident for residency in the CCRC.

- iii. Immediate Termination. If the Company determines in its sole and absolute discretion that the Resident's behavior interferes with or threatens to interfere with the safety of the Resident or the quiet enjoyment or safety of other residents, visitors and/or staff of the CCRC, or if the Resident's behavior is a detriment to other residents, visitors, and/or staff of the CCRC, the Company may immediately terminate this Agreement and the Resident shall promptly vacate the Apartment. In such event, the Resident shall pay the Company for all Optional Services rendered by the Company through the date of termination and shall continue to be liable for the Monthly Service Fee until all of the Resident's personal belongings are removed from the Apartment.
- iv. Effect of Termination by the Company after the Occupancy Date. In the event the Company terminates this Agreement after the Occupancy Date pursuant to subsection c.ii or c.iii above, the Resident shall promptly vacate the Apartment, but shall pay the Company for all Optional Services rendered by the Company through the date of termination and shall continue to be liable for the Monthly Service Fee until the date that all of the Resident's personal belongings are removed from the Apartment.
