Subject: Data Call on Dwelling Fire (Commercial/Residential) Policies
Due Date: February 19, 2018

Pursuant to North Carolina General Statutes §58-2-190, the Commissioner may require special reports. "The Commissioner may also address to any authorized insurer, statistical organization, joint underwriting or joint reinsurance organization, or the North Carolina Rate Bureau or Motor Vehicle Reinsurance Facility, or its officers any inquiry in relation to its transactions or condition or any matter connected therewith. Every corporation or person so addressed shall reply in writing to the inquiry promptly and truthfully, and the reply shall be verified, if required by the Commissioner, by such individual, or by such officer or officers of a corporation, as he shall designate."

The purpose of this call is to ascertain whether Dwelling Fire exposures in North Carolina are written as Commercial policies, rather than as Residential policies using NCRB forms and rates and how the dwelling exposures written as commercial are being reported

Please save the excel file DataCall_DwellingFire_XXXXX in your local drive. Input the info/data only in **the green highlighted areas**. After completing, save the excel file and replace "XXXXX" with your company NAIC code, then email the completed excel file to DataCall@ncdoi.gov

If you have any question or concern, please let us know.

We greatly appreciate your co-operation in this matter.
