Health insurance coverage is guaranteed available in North Carolina. An insurer may not refuse to issue coverage to a small group or charge a small group more premiums because of claims experience. Note that participation and contribution requirements may apply. Some small employers may qualify for the federal Small Business Health Care Tax Credit if they purchase coverage through the federal Small Business Health Option Program (SHOP) Marketplace. See the note below for more information.

Please visit <https://www.healthcare.gov/> or contact the insurer directly or your agent/broker for more information.
