The executive order declares that a state of emergency exists in North Carolina due to the approach of Tropical Storm Hermine. The potential impacts expected from the tropical storm are heavy rains, possible flooding and gusty winds presents serious potential for treacherous conditions adversely affecting travel on our roads and potential loss of electrical and other utility services.

Pursuant to NCGS 58-3-228, as revised by Session Law 2012-12, Section 2 (k), this bulletin pertains to all health benefit plans as defined in G.S. 58-3-167, the State Health Plan for Teachers and State Employees, and any optional plans or programs operating under Part 2 of Article 3 of Chapter 135 of the General Statutes, and other stand-alone prescription medication plans issued by entities that are licensed by the Department.

This bulletin is to remind health benefit plans of compliance requirements for operations under a state of emergency for purposes of obtaining extra prescriptions during a state of emergency or disaster.

This authorization of extra prescriptions during this state of emergency in the affected counties of North Carolina is valid for prescription medication requests made within 29 days of issuance of this bulletin, unless extended by an order issued by the Commissioner.
