

Annual Report for State Agency Licensing Boards

Fiscal Year 2021-2022

July 1, 2021 – June 30, 2022

Pursuant to N.C. Gen. Stat. § 93B-2(e) the NC Department of Insurance Bail Bond Regulatory Division has compiled data in compliance with the reporting requirements below:

No later than October 31 of each year, each State agency licensing board shall file electronically with the Secretary of State, the Attorney General, and the Joint Legislative Administrative Procedure Oversight Committee an annual report containing all of the following information:

- (1) The number of applicants for a license and, of that number, the number granted a license.*
- (2) The number of applicants with a conviction record and, of that number, the number (1) granted a license, (2) denied a license for any reason, and (3) denied a license because of a conviction.*
- (3) The number of applicants with military training and, of that, the number (1) granted a license and (2) the number denied a license, and (3) a summary of the reasons for denial.*
- (4) The number of applicants who are military spouses and, of that, the number (1) granted a license, (2) denied a license for any reason, and (3) a summary of the reasons for denial.*

The following table summarizes the required information from the Bail Bond Regulatory Division for State Fiscal Year 2021-2022.

Note:

The Bail Bond Regulatory Division obtained the data for this report from Pearson Vue, a third-party vendor operating the electronic filing database, Pearson Credential Manager “PCM” System. PCM processed all applications during this reporting period. Applications that are pending or applicants who failed examination for licensure are not included in this report.

*This number reflects completed applications in which the division reviewed for licensing. 345 applications were submitted to PCM during this reporting period; however, 51 applications were withdrawn or deemed incomplete.

**This number reflects those applications that were denied solely because of prior convictions.
