INSURANCE COMMISSIONER

**April 10, 2023**

**Dear Members of Fiscal Research,**

Pursuant to HB 103 per Session Law 2022-74 Fire/Rescue/EMS Grants are Directed Grants and are required to have mandatory reporting requirements administered by the NC Department of Insurance/Office of State Fire Marshal. This report is provided for your review.

The General Assembly has my gratitude for its continued commitment to supporting the volunteer fire departments throughout our state. The equipment and capital improvements purchased through this Directed Grant are vital to enabling fire departments to protect their communities and better equip these departments to respond quickly and effectively when the need arises.

I thank you for allowing the Office of State Fire Marshal (OSFM) to administer such a vital and important program.

With Kindest Regards,

Mike Causey  
Insurance Commissioner  
State Fire Marshal
