| N | Automatic Exemption from Disclosure Requirements of ASU 2015-09 | The Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2015-09, which applies to all insurance entities that issue short-duration contracts as defined in Topic 944, Financial Services – Insurance. The NCDOI recognizes these disclosure requirements require additional expenses and resources of NC licensed captive insurers while users of captive insurer financial statements are limited. A NC captive insurer is automatically exempted from this disclosure requirement by adopting a modified GAAP approach and including a disclosure of this GAAP departure in the annual report (item 3 of the Questionnaire) and audited financial statement. |
