## II. COMMUNITY INTRODUCTION AND INFORMATION

Friends Homes owns and operates a continuing care retirement community (CCRC) located on two campuses in Greensboro, North Carolina. Both the Guilford and West campus offer a continuum of care. This means that residents are able to have access to three different levels of care within the community, but the monthly rate changes with a change in level of care. Entering at the independent living level, a resident pays an entry fee, the size of which is determined by the size of the apartment or cottage. Each resident will pay monthly fees for basic services and may purchase additional services as desired. Services included and available are listed in the services section on page 9.

The Guilford campus is located at 925 New Garden Road. This campus has a total of 202 independent living units, 52 private and semi-private rooms for assisted living and 69 private and semi-private rooms for nursing care.

The West campus is about one-half mile to the west of the Guilford campus and is located at 6100 W. Friendly Avenue. This campus has a total of 243 independent living units, 40 private assisted living rooms and 40 private rooms for nursing care.

The nursing centers at the Guilford campus accepts Medicare and Medicaid as a payer source.

As of December 31, 2024, Friends Homes had 741 residents.

### III. POLICIES

**Admissions** - The admission requirements for residence at Friends Homes are nondiscriminatory except as to age, and Friends Homes is open to both married and single men and women of all races and religions and without regard to place of former residence. Admission is restricted to persons sixty-two (62) years of age or older, except that in the case of a married couple or roommates, one spouse/roommate must have attained the age of at least sixty-two (62) years old and the other spouse/roommate must have attained the age of at least fifty-five (55) years old.

**Health Criteria** - In order to be admitted to independent living, an individual must demonstrate the ability to perform all the routine tasks of daily living without assistance. This is determined through personal interviews and from a Health History form completed by the individual's personal physician.

**Financial and Insurance Criteria** - An individual wishing to reserve an independent living unit must, through a disclosure of income and assets, prove adequate monthly income to cover the cost of independent living and sufficient assets and/or Long Term Care Insurance to fund future health care expenses. Friends Homes requires that residents maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage.

**Moves** - If a resident is no longer able to live safely in independent living he/she agrees that Friends Homes shall have the authority to determine whether the Resident should be transferred from the Resident's living accommodation to the Health Center or from one level of care to another level of care within the Health Center. Such determination shall be based on the professional opinion of Friends Homes' Medical Director and the Executive Director of Friends Homes and shall be made only after consultation to the extent practical with the Resident, a representative of the Resident's family or the sponsor of the Resident, and Resident's attending physician. After a resident has completed the move, vacated the independent living unit and turned in the keys, the rent for the independent living unit ceases and credit is given for any unused monthly fees.

If it is determined by the attending physician that the Resident needs care beyond that which can be provided by the community and personnel of Friends Homes, the Resident may be transferred to a hospital, center or institution equipped to give such care, which care will be at the expense of the Resident. Such transfer of the Resident will be made upon orders from Friends Homes' Medical Director after consultation to the extent possible with the Resident, a representative of the Resident's family or the sponsor of the Resident and the Resident's attending physician.

If a determination is made by Friends Homes that any transfer described above is permanent, the Resident agrees to surrender the living accommodation or the accommodation in the Health Center occupied by the Resident upon thirty (30) days prior written notice from Friends Homes to Resident. If Friends Homes subsequently determines upon the opinion of the Medical Director and the Executive Director that the Resident can resume occupancy in accommodations comparable to those occupied by the Resident prior to such transfer, the Resident shall have priority to such accommodations as soon as they become available.

**Transfers within Independent Living** - Moves from one independent living unit to another are not frequent but are sometimes requested. Friends Homes will evaluate and consider a Resident's request to move within independent living. The determination to allow a Resident to move is within the sole discretion of Friends Homes and will be administered under the guidelines of Friends Homes' transfer policy in effect at the time of the Resident's request to move.

Resident acknowledges and agrees that any transfer between one independent living unit and another or from

one level of care to another within Friends Homes (including without limitation a transfer from Resident's current Living Unit to assisted or skilled nursing) shall not be deemed a termination of this Agreement nor entitle Resident to a refund or partial refund of their Entrance Fee.

**Rescission of Residence and Care Agreement** - Resident may rescind the Residence and Care Agreement within thirty (30) days after the later of the execution of the contract or receipt of a disclosure statement, in which event any money or property transferred to the community will be returned in full, less any standard customary charges made by the community to the Resident prior to rescission, which charges shall be applicable only for the period a living accommodation was actually occupied by the Resident. A Resident is not required to move into an accommodation before the expiration of the aforesaid thirty-day period. If the Resident moves into an accommodation during the thirty (30) day period and rescinds the contract during the thirty (30) day period the Resident will receive a refund of any money paid to the Corporation less a service charge not to exceed the greater of one thousand dollars (\$1,000) or two percent (2%) of the entrance fee. Any refund due shall be paid within sixty (60) days.

**Termination of Residence and Care Agreement** - The Residence and Care Agreement may be terminated by Resident at any time for any reason after the rescission period and prior to the sixty-first (61) day of occupancy by giving written notice to Friends Homes. In the event of such termination, Resident shall receive a refund of the Entrance Fee paid less an administrative fee of 4% of the total Entrance Fee. However, if the Resident or the Resident's spouse or roommate dies prior to occupancy, or if on account of illness, injury, incapacity, or financial reversal is precluded from occupying the living accommodation, the contract is automatically terminated. Additionally, Friends Homes shall have the right to terminate the Residence and Care Agreement during the first sixty (60) days of occupancy based on Friends Homes determination that Resident's physical or mental condition or emotional adjustment will not permit adaptation to the living environment at Friends Homes. In the event of such terminations the full amount of the Entrance Fee paid will be refunded. Any refund due shall be paid within sixty (60) days of termination of this agreement.

At any time after the expiration of the first sixty (60) days of residence at Friends Homes, the Resident may terminate the Agreement by giving Friends Homes thirty (30) days prior written notice of such termination. Residents electing Woolman/Fox Entrance Fee Option are not entitled to an Entrance Fee refund under this section.

Residents electing the Standard Entrance Fee Option may be entitled to receive a partial refund of their entrance fee. Any partial refund shall be determined and paid as follows: Resident shall receive a refund in an amount equal to the Entrance Fee paid to Friends Homes less an amortization percentage of 1.6% per month for each full calendar month or portion thereof which has elapsed from Resident's Admission Date to the effective date of termination and less four percent (4%) of the total Entrance Fee, which is the nonrefundable portion of the Entrance Fee. For avoidance of doubt, all Entrance Fee refunds are calculated assuming and based upon full calendar months. Any portion of a calendar month (whether relating to the month of Resident's Admission Date or the month of Resident's termination date of this Agreement) shall be deemed to be full and separate calendar months for purposes of calculating any Entrance Fee refund. Any refund due the Resident will be made at such time as such Resident's living accommodation shall have been reserved by a prospective Resident and such prospective Resident shall have paid to Friends Homes such prospective Resident's Entrance Fee. No interest shall be due or payable on any amount refunded.

Friends Homes may terminate the Residence and Care Agreement at any time if there has been a material misrepresentation or omission made by the Resident in the Resident's Application for Admission, Personal Health History or Confidential Financial Statement; if a material change in the Resident's health takes place before occupancy (Admission Date); if the Resident fails to make payment to Friends Homes of any fees or charges due Friends Homes within sixty (60) days of the date when due; if the Resident does not abide by the

rules and regulations adopted by Friends Homes as determined by Friends Homes; or Resident breaches any of the terms and conditions of this Agreement. In the event of termination for any of such causes the Resident may be entitled to a partial refund of the Entrance Fee paid by the Resident determined in accordance and paid in the same manner as provided in the preceding paragraph.

**Marriages/New Second Occupant** - If a Resident, while occupying a living accommodation, marries another Resident or elects to share a living accommodation with a person who is also a Resident, the two Residents may occupy the living accommodation of either Resident and shall surrender the living accommodation not to be occupied by them. No refund will be payable with respect to the living accommodation surrendered. Such Residents will pay the Monthly Charge for double occupancy associated with the living accommodation occupied by them.

In the event that a Resident shall marry or elect to share a living accommodation with a person who is not a Resident of Friends Homes, the non-resident spouse/cohabitant may become a Resident if such spouse/cohabitant meets all of the then current requirements for admission to Friends Homes, enters into a then current version of the Residence and Care Agreement with Friends Homes and pays an Entrance Fee in an amount determined by Friends Homes in its discretion but in any event no more than two-thirds (2/3) of the then current Entrance Fee associated with the type of living accommodation to be occupied by the Resident and non-resident spouse/cohabitant.

**Inability to Pay** - Each prospective resident is screened to determine ability to pay at the time of admission. The resident contract will not be terminated solely because of the Resident's financial inability to continue to pay the financial obligations to Friends Homes by reasons of circumstances beyond the Resident's control. In the event that a Resident presents facts which in the sole opinion of Friends Homes justify special financial consideration, Friends Homes will give careful consideration to subsidizing in whole or in part the Monthly Charge and other charges payable by the Resident hereunder so long as such subsidy can be made without impairing the ability of Friends Homes to attain its objectives while operating on a sound financial basis. Any grant of financial assistance shall be within the sole discretion of Friends Homes as set forth under a separate written agreement between Friends Homes and the Resident regarding such financial assistance. Friends Homes may request Resident to apply for Medicaid, public assistance, or any other reasonably available public benefit program to offset Resident's Monthly Charge or other charges payable hereunder.

#### **IV. SERVICES**

Friends Homes provides services that Resident can pay for on a fee-for-service basis. These optional services offered by Friends Homes may be increased or reduced at Friends Homes' discretion, and the related fees are based on the then current published fees. Fees for such services will be included on Resident's monthly statement.

Friends Homes provides a service allowance of \$230 per month per individual Resident. This allowance is already a part of the monthly charge. If Resident exceeds the service allowance in any given month, the additional costs above the allowance will be added to Resident's next monthly statement. Resident is allowed to carry over any unused service allowance to the following month. The cumulative monthly carryover shall not exceed \$230. The service allowance may be utilized for the following items:

The fee is the same for a single person or a couple. The application fee is waived for all active members of the Society of Friends.

**Entrance Fee** - An entrance fee is a payment that assures a Resident a place in a community for a term of years or for life. To reserve a living accommodation a qualified applicant executes a Residence and Care Agreement (“Agreement”) with Friends Homes and places a deposit of 10% of the entrance fee for that living accommodation. The balance of the entrance fee is due and payable on the date of occupancy, but in no event later than ninety (90) days after the execution of the Agreement.

If Resident is prevented from occupying the living accommodation within ninety (90) days after execution of the Agreement, due to reasons beyond his/her control, an additional deposit representing 15% of the required entrance fee shall be paid. Resident further understands that Friends Homes reserves exclusive rights in determining the legitimacy of Resident request for an extension and that; in any event, the living accommodation must be occupied within one hundred eighty (180) days of the date of this Agreement. Furthermore, Resident understands that after the first 90-day period and prior to occupancy during the second 90-day period, Friends Homes will charge and

Resident will pay the Monthly Charge for the living accommodation, less a monthly meal credit determined by Friends Homes.

If Resident elects not to occupy the apartment within ninety (90) days, or one hundred eighty (180) days in the event an additional deposit is made, Resident shall be relieved of the obligation to pay the balance of the entrance fee. Friends Homes shall receive 50% of the deposited funds, and the remainder shall be refunded to Resident. If each Resident is prevented from occupying the apartment by reason of death or disability, Resident shall be relieved of the obligation to pay the balance of the entrance fee, and the deposited funds shall be refunded in full.

**INDEPENDENT AUDITORS' REPORT**

To the Board of Trustees  
Friends Homes, Inc.  
Greensboro, North Carolina

**Opinion**

We have audited the financial statements of Friends Homes, Inc. (a nonprofit organization), which comprise the statements of financial position as of September 30, 2024 and 2023, and the related statements of activities and changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Friends Homes, Inc. as of September 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Friends Homes, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Friends Homes, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

### **Auditors' Responsibilities for the Audit of the Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Friends Homes, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Friends Homes, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**NOTES TO FINANCIAL STATEMENTS**  
**As of and for the Years Ended September 30, 2024 and 2023**

**Note 1 - Description of Organization and Summary of Significant Accounting Policies:**

Organization - Friends Homes, Inc. is a nonprofit corporation that provides housing, health care, and other related services to residents through the operation of two continuing care retirement communities containing 14 cottages, 28 townhomes, 350 apartments, 54 villa apartments, 100 assisted care beds, and 109 nursing beds located in Greensboro, North Carolina.

Significant Accounting Policies - The financial statements of Friends Homes, Inc. (the Organization) have been prepared in accordance with accounting principles generally accepted in the United States of America. The more significant of these principles used are described below:

**Basis of Accounting** - The Organization uses the accrual basis of accounting for financial reporting purposes.

**Financial Presentation** - The Organization maintains the following two divisions for accounting and managerial purposes:

Guilford Community  
West Community

At year-end, these divisions are combined in order for the Organization to present its financial statements in accordance with accounting principles generally accepted in the United States of America applicable to continuing care retirement communities. Interdivisional transactions have been eliminated.

The Organization records resources for accounting and reporting purposes into two net asset categories: net assets without donor restrictions and net assets with donor restrictions, based on the existence or absence of donor-imposed restrictions.

*Net assets without donor restrictions* - Net assets without donor restrictions are available for any purpose consistent with the Organization's mission. From time-to-time, the Organization's Board of Trustees may designate a portion of these assets for specific purposes which makes them unavailable for use at management's discretion.

*Net assets with donor restrictions* - Net assets subject to specific, donor-imposed restrictions that must be met by actions of the Organization and/or passage of time. When a restriction expires, the net assets are reclassified to net assets without donor restrictions and are reported in the statements of activities as net assets released from restrictions. Restricted contributions received in the same year in which the restrictions are met are recorded as an increase to net assets without donor restrictions. Some net assets may include donor-imposed restrictions that the assets be held in perpetuity, while permitting the Organization to expend the income generated by those assets.

**Cash and Cash Equivalents** - The Organization's cash and cash equivalents, as stated for purposes of the statements of cash flows, consists of interest and noninterest-bearing cash accounts, petty cash, and money market mutual funds. The Organization has no other assets that are considered cash equivalents.

**Accounts Receivable** - The Organization carries its accounts receivable at the net realizable value consisting of the carrying amount less the allowance for credit losses, as needed.

The Organization initially adopted ASC 326, *Financial Instruments - Credit Losses*, effective October 1, 2023. ASC 326 generally provides that an allowance for credit losses, which includes all expected losses during the life of the financial asset, should be reflected upon initial recognition of the financial asset and the allowance should be revalued at each reporting period based on historical, current, and future facts and circumstances. Certain financial assets held by the Organization, including patients and residents accounts receivable fall within the scope of ASC 326. The adoption of ASC 326 did not have a material effect on the Organization's financial statements as both historical write-offs and expected future credit losses are minimal based on the nature of these financial assets and the parties from whom those amounts are due.

**Inventories and Prepaid Expenses** - consists of items for the residents' store, stated at the lower of cost or net realizable value with cost determined by use of the first-in, first-out method, prepaid insurance and maintenance agreements.

**Investments** - Investments, which consist of corporate stocks, bonds, and US Government Issues, are measured at fair value in the balance sheets. Investment income (including realized gains and losses on investments, interest, and dividends) is included in operating income unless the income (loss) is restricted by donor or law. Unrealized gains and losses on investments, if any, are excluded from operating income.

**Property, Equipment, and Depreciation** - Purchased property and equipment are stated at cost, and contributed property is stated at estimated fair value on the date of receipt. It is the Organization's policy to capitalize expenditures for these items in excess of \$3,000.

Depreciation is computed by use of the straight-line method over the estimated useful lives as follows:

Buildings and residences	40 to 50 Years
Furniture and equipment	5 to 10 Years
Vehicles	3 to 5 Years
Land improvements	10 to 20 Years

**Contributions** - The Organization accounts for contributions in accordance with *Accounting for Contributions Received and Contributions Made*. Contributions, including unconditional promises to give, are recognized as revenues in the period received. Contributions received are recorded as an increase in either net assets with donor restrictions or net assets without donor restrictions, depending on the existence and/or nature of any donor restrictions. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

### NOTES TO FINANCIAL STATEMENTS

#### **Note 1 - Description of Organization and Summary of Significant Accounting Policies (Continued):**

##### Significant Accounting Policies (Continued)

**Contributions (Continued)** - Gifts of property and equipment (or other long-lived assets) are reported as net assets without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as net assets with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

**Donated Assets** - Donated securities and equipment are valued at fair market value on the date of the gift.

**Deferred Revenue on Entrance Fees** - Deferred revenue arises from entrance fees paid by residents for admission under the residency agreement. The Organization currently offers two Entrance Fee plans. The non-refundable plan relates to units in the Woolman and Fox building of the Guilford campus. The refundable plan offered relates to all other independent living units and the entry fee paid is subject to a sixty-month straight-line declining refund.

Deferred revenue is shown as refundable and non-refundable and is initially recorded as refundable and moved to non-refundable as the refund expires under the particular financial agreement.

Residents who make a non-refundable payment under a rent reduction arrangement are entitled to a monthly reduced rent based on the type of unit occupied. These resources were accounted for as deferred revenue at the present value of the rent reduction over the expected life of the resident. Any unamortized amounts upon relinquishing occupancy of the apartment are transferred to revenue. Contracts are no longer made under this arrangement.

Revenue from entrance fees is recognized on an annual actuarial computation based on a joint and last survivor basis for these residents. Entrance fees are amortized over the projected joint and last survivor life expectancy of the residents under each financial arrangement on a straight-line basis and are recomputed annually. The full amount of the entrance fees is amortized since the contracts with the residents do not provide for any refund after the refund period.

**Bond Issue Costs** - Bond issue costs (consisting of legal, feasibility, and consulting fees) incurred with the 2019 Bonds and 2020 Bonds are amortized over the life of the bond issue using the effective interest method.

**Bond Premium** - Bond premium is being amortized to interest expense on the statements of operations over the term of the loan.

**Sales Tax** - The Organization collects sales tax. The amount received is credited to a liability account and as payments are made, this account is charged. At any point in time, this account represents the net amount owed to the taxing authority for amounts collected but not yet remitted.

**Revenue Recognition** - In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customer: (Topic 606)* which provides a five-step analysis of contracts to determine when and how revenue is recognized and replaces most existing revenue recognition guidance in accounting principles generally accepted in the United States of America. The core principle of the new guidance is that an entity should recognize revenue to reflect the transfer of goods and services to customers in an amount equal to the consideration.

The majority of the Resident Services revenue for the Organization consists of Entrance Fees, Health Care Services (Medicare/Medicaid payments and insurance providers), and Monthly Service Fees. Revenues are recognized when control of the promised services are transferred to the Organization's residents in an amount that reflects the consideration the Organization expects to be entitled to in exchange for those services.

NOTES TO FINANCIAL STATEMENTS

**Note 1 - Description of Organization and Summary of Significant Accounting Policies (Continued):**

Significant Accounting Policies (Continued)

**Revenue Recognition (Continued) -**

Entrance Fees:

The nonrefundable entrance fees are recognized as deferred revenue upon receipt of the payment under the life care contract and are included in liabilities in the statements of financial position until the performance obligations are satisfied over time. These deferred amounts are then amortized over the projected joint and last survivor life expectancy of the residents under each financial arrangement on a straight-line basis and are recomputed annually as the performance obligation is associated with access to future services.

The refundable portion of an entrance fee is not considered part of the transaction price and as such is recorded as a liability in the statements of financial position.

Health Care Services:

The Organization also provides assisted and nursing care to residents who are covered by government and commercial payers. The Organization is paid fixed rates from government and commercial payers. These fixed rates are billed in arrears monthly when the service is provided. The monthly fees represent the most likely amount to be received from the third-party payors. Health Care Service Revenues are recognized at a point in time when the performance obligation of providing the requested service is rendered to the resident.

The Organization has agreements with third-party payors that provide for payments to the Organization at amounts different from their established rates. Payment arrangements include prospectively determined per diem payments. Revenue under third-party payor agreements are subject to audit and retroactive adjustment. Provisions for estimated third-party payor settlements are provided in the period the related services are rendered. Differences between the estimated amounts accrued and interim and final settlements are reported in operations in the year of settlement.

Monthly Service Fees:

The life care contracts that residents select require an advance fee and monthly fee based upon the type of space they are applying for. Resident fee revenue for recurring and routine monthly services is generally billed monthly in advance. Payment terms are usually due within thirty days. The services provided encompass social, recreational, dining, along with assisted living and nursing care and these performance obligations are satisfied at a point in time each month. Resident fee revenue for non-routine or additional services are billed monthly in arrears and recognized when the service is provided.

Disaggregation of Revenue

In the following table, resident services revenue is disaggregated by satisfaction of performance obligations for the years ended September 30, 2024 and 2023.

	<u>2024</u>	<u>2023</u>
Performance obligations satisfied at a point in time	\$ 38,429,782	\$ 34,544,467
Performance obligations satisfied over time	5,941,918	4,323,087
	<u>\$ 44,371,700</u>	<u>\$ 38,867,554</u>

**Obligation to Provide Future Services** - The Organization annually calculates the present value of the net cost of future services and use of facilities to be provided to current residents, and compares that amount with the balance of deferred revenue from entrance fees. If the present value of the net cost of future services and use of facilities exceeds the deferred revenue from entrance fees, a liability is recorded (obligation to provide future services and use of facilities) with the corresponding charge to income. At September 30, 2024 and 2023, deferred revenue from entrance fees exceeded the present value of the net cost of future services and use of facilities, thus no obligation is recorded.

**NOTES TO FINANCIAL STATEMENTS**

**Note 1 - Description of Organization and Summary of Significant Accounting Policies (Continued):**

Significant Accounting Policies (Continued)

**Property Tax Exemption** - During 2001, the state of North Carolina passed legislation which provided a property tax exemption for continuing care retirement communities (CCRCs) that expend 5% or more of their operating revenues on benevolent assistance and community service or CCRCs that have financed their facilities with tax-exempt bond financing. Partial exemptions are available for CCRCs which provide some benevolent assistance and community service and CCRCs that have facilities which are partially financed with tax-exempt bond financing. The property tax exemption must be requested each year. Based on benevolent assistance and community service provided, management believes that it will qualify for a full property tax exemption.

**Benevolent Assistance** - The Organization provides care to residents who meet certain criteria under its benevolent assistance policy without charge or at amounts less than its established rates.

**Use of Estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and notes. Actual results could differ from those estimates.

**Note 2 - Concentration of Credit Risk:**

The Organization grants credit for services to its residents for generally no more than one month of service.

The Organization places its cash and cash equivalents on deposit with financial institutions insured by the Federal Deposit Insurance Corporation (FDIC). Deposits held in noninterest-bearing transaction accounts are aggregated with any interest-bearing deposits the owner may hold in the same ownership category, and the combined total is insured up to at least \$250,000. During the years, the Organization from time to time may have had amounts on deposit in excess of the insured limit. As of September 30, 2024, the Organization's cash balances exceeded the FDIC insured amount by \$8,803,698.

**Note 3 - Cash, Cash Equivalents, and Restricted Cash:**

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported within the balance sheets that sum to the total of the same such amounts shown in the statements of cash flows as of September 30, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Cash and cash equivalents	\$ 7,390,290	\$ 20,748,320

Restricted cash	623	2,749
	<u>\$ 9,308,029</u>	<u>\$ 22,333,157</u>

Amounts included in assets limited as to use, required for current liabilities represent cash required for debt service payments within the next year. Amounts included in restricted cash represent cash that is held in trust for resident's personal needs.

**Note 6 - Fair Value Information:**

Accounting guidance for fair value measurements established a fair value hierarchy to prioritize the inputs of valuation techniques used to measure fair value. Outlined below is the application of the fair value hierarchy established by the accounting guidance for fair value measurements to Friends Homes, Inc.'s assets and liabilities that are carried at fair value:

Level 1 - Inputs to the valuation methodology are quoted prices for identical assets in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset; inputs that are derived principally from or corroborated by observable market data by correlation or other means. The market approach is the valuation technique used to determine Level 2 fair value measurements.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**Note 10 - Endowments:**

The Organization has two endowments for a variety of purposes. The endowments are donor-restricted funds. As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Trustees has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulation to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The portion of the donor-restricted endowment fund that is above the original gift amount is appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

**FRIENDS HOMES, INC.**

**NOTES TO FINANCIAL STATEMENTS**

**Note 10 - Endowments (Continued):**

*Investment return objectives, risk parameters, and strategies* - The Organization has adopted investment policies, approved by the Board of Trustees, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds, while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return.

Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

*Spending policy* - The maximum allowable spending rate for the Board restricted Residents Assistance Fund shall be reviewed and set periodically by the Finance and Investment Committee. In setting the spending rate, the Finance and Investment Committee shall take into consideration general economic conditions, the possible effects of inflation or deflation, the expected total return from income and the appreciation of investments and the Investment Policy. Friends Homes, Inc. has a policy of appropriating for distribution 4.0% of its invested funds based on the average market value of the trailing twelve quarters at June 30 each year. (The policy for distribution was 3% of its invested funds prior to September 2024). The intent of using a twelve-quarter average is to minimize the likelihood of the principal of the fund being invaded. Any unspent distributable amounts remaining at the end of the fiscal year, which have not been granted or distributed, will be available for expenditure in the following fiscal year. However, in no year should more than 6% be distributed without Board approval. Invested funds include Board restricted Residents Assistance Funds.

Endowment net assets are composed of donor-restricted endowment funds whose original gift amounts are required to be maintained in perpetuity by the donors.

Changes in endowment net assets as of September 30, 2024 and 2023 are as follows:

	<u>2024</u>	<u>2023</u>
Endowment net assets, beginning	\$ 540,666	\$ 522,634
Contributions	206,662	18,032

Appropriated	( 21,691)	( 2,508)
Endowment net assets, ending	<u>\$ 747,446</u>	<u>\$ 540,666</u>

**Note 11 - Classification of Expenses:**

Classification of expenses for the years ended September 30, 2024 and 2023 are as follows:

	<u>2024</u>		
	<u>Total</u>	<u>Program Services</u>	<u>General and Administrative</u>
Expenses:

## FRIENDS HOMES, INC.

### **SUMMARY OF SIGNIFICANT FORECAST ASSUMPTIONS** **As of and for the Years Ending September 30, 2025, 2026, 2027, 2028, and 2029**

This financial forecast presents, to the best of management's knowledge and belief, the financial position, results of operations, and cash flows for the forecast period. The forecast reflects management's judgment as of February 19, 2025, the date of the forecast. The preparation of prospective financial information requires management to make assumptions about the future. Those assumptions considered by management to be significant to the forecast are presented below. There will usually be differences between the forecasted and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

#### **Statutory Requirements:**

North Carolina General Statutes Chapter 58, Article 64 requires Friends Homes, Inc. (the Organization) to maintain an operating reserve equal to 25% of the total operating costs projected for the twelve-month operating period of the first year of the financial forecast. The operating reserve of 25% assumes an occupancy level of 90%. The forecast assumes an occupancy rate exceeding 90% occupancy in the forecast period. Years 2025 through 2029 were developed using management's understanding of markets and circumstances as of the forecast date.

#### **Resident Mix:**

Resident mix is assumed to be constant for revenue forecasting.

#### **Inflation Rate Assumptions:**

- Residential Service Fee, Nursing, and Assisted Living revenues are expected to increase 4.50% annually.
- Expenses, including salaries and wages, are expected to increase at approximately 4%.

#### **Revenues:**

##### Entrance Fees

Deferred revenue historically results from the receipt of entrance fees which are realized through straight-line amortization into income over the resident's life expectancy adjusted annually.

Through December 2017, contracts were for each level of care, and entrance fees subject to refund started with 75% in the first year and declined in percent refundable through the eighth year of residency to zero.

After December 2017, all contracts applied to all levels of care and for those containing a refund provision, it will be amortized straight-line over sixty months. Refunds under the new contracts are refundable only upon leaving Friends Homes.

### SUMMARY OF SIGNIFICANT FORECAST ASSUMPTIONS

#### **Revenues (Continued):**

##### Entrance Fees (Continued)

Entrance fees for West and the Hobbs apartments at Guilford are expected to be:

One bedroom	\$132,000
Two bedrooms	\$192,000 - \$206,000

Entrance fees for Fox and Woolman on the Guilford Campus are non-refundable:

One bedroom	\$ 29,000 - \$ 90,000
Two bedrooms	\$104,000

Entrance fees for townhomes on the Guilford and West Campus: \$330,000 - \$378,000

Entrance fees for the expansion cottages and villa apartments on the West Campus:

Cottage	\$441,000
Villa Apartments	\$356,000 - \$464,000

##### Service Fees

In all levels of care, Service fees are recognized as services provided on a monthly basis.

##### Investment Income

Investment income is assumed to be earned at a rate of 4.0% per year throughout the forecast period.

##### Medicare and Medicaid

Medicare and Medicaid reimbursements received by Friends Homes, Inc. consist of two components:

Part A Medicare payments are an all-inclusive per diem rate and must be spent on patient related costs.

The forecast assumes that Medicaid pays a flat rate for Skilled Care with the current rate at \$262. This Medicaid rate is not expected to increase over the forecast period. Management's forecast assumes the Medicaid beds to stay constant; however, there is the possibility that due to rising fees more residents will qualify for Medicaid in the future.

Note, only the skilled nursing beds at Guilford are certified to participate in the Medicare and Medicaid program.

##### Management Fees

In May of 2016, Friends Homes, Inc. entered into a management contract with Presbyterian Management Services. In December 2022, the management contract was renewed until December 2030. There is an out clause for no cause for Friends Homes or Presbyterian Management Services after December 2028. The fee is calculated as 5% of Resident revenue less entrance fee amortization.

- (b) **Service Plan.** FHI provides services that Resident can pay for on a fee-for-service basis. FHI provides a service allowance of \$\_\_\_\_\_ per month per individual Resident. This allowance is already a part of the monthly charge set forth in paragraph 2.(b) below. If Resident exceeds the service allowance in any given month, the additional costs above the allowance will be added to Resident's next monthly statement. - Personal maintenance service requests beyond the normal scope of services offered by FHI

Residents in cottages and town homes will be responsible for the cost of heating, air conditioning, water and sewer. Trash removal will be provided by FHI. The Resident is responsible for all television, telephone, and internet installation charges and all related monthly service charges (collectively "Communication Services"). If any Communication Services are provided by FHI on behalf of Resident, Resident agrees to pay FHI's standard monthly service charges applicable for such services which Resident agrees are subject to adjustment from time to time. Any Communication Services not included within FHI's standard package shall be the sole responsibility of Resident.

- (d) **Furnishings.** FHI will provide, in the Living Unit, standard flooring, emergency signal equipment and other fixtures and appliances as described in the literature published by FHI. All other furniture and furnishings for the Living Unit shall be provided by the Resident.

- (f) **Laundry.** FHI will provide free access to laundry facilities within the Resident's Living Unit or within the Resident's apartment building.

- (g) **Maintenance and Repairs.** FHI will maintain and keep in repair the improvements, furnishings and equipment owned by FHI. The Resident will be responsible for the cost of repairing any damage to property of FHI caused by the negligence or other act of the Resident or any guest or invitee of the Resident, ordinary wear and tear excepted. Any structural or physical change or redecoration of any kind to the Living Unit will require the written approval of FHI.

The cost of any change, including any subsequent cost to return the Living Unit to its original condition in the event of such change, or cost of redecoration, will be paid by the Resident upon ten (10) days written notice. Any such improvement or change will be owned by FHI and will not be considered in determining the amount of any refund to the Resident upon termination of this Agreement.

- (h) **Groundskeeping.** FHI will furnish basic groundskeeping service for the grounds of its two campuses, including lawn, tree, and shrubbery care. Subject to approval by FHI, Resident may plant and maintain certain areas designated by FHI for such purpose.

- (l) **Activities.** Subject to medical or other restrictions, Resident may participate in social, recreational, spiritual, educational, and cultural activities which are planned and offered by FHI for its residents generally.
- (m) **Nursing and Health Care.** FHI will provide nursing and health care for each Resident as follows:
  - (i) A Health Center will be provided for the benefit of FHI residents. The Health Center will consist of accommodations, equipment, and staffing necessary for assisted living and skilled nursing care. FHI will use its best efforts to provide private accommodations when the Resident requires assisted living care. Depending on availability, private or semi-private accommodations will be provided when Resident requires skilled nursing care. Notwithstanding the foregoing, FHI reserves the right from time to time to temporarily place Resident in reasonably comparable healthcare facilities outside of FHI in the event either assisted living or skilled nursing accommodations are not currently available due to demand.

- (ii) A twenty-four (24) hour nursing staff will be maintained in the Health Center. The Health Center is staffed to provide general duty nursing care, which means that nurses and other staff must attend to multiple residents with various needs. The nursing care is not intended to provide exclusive individual attention to any one specific resident on a regular basis or for prolonged periods of time. Resident, subject to approval of FHI, is responsible for acquiring (hiring, termination, and compensation) the assistance of private duty sitters or nurses if the Resident requires or prefers individual and/or full-time care and assistance. Private duty sitters, nurses, or other third parties hired by Resident must abide by all rules and regulations of FHI and FHI reserves the right to bar any such parties from FHI's facilities at any time.

- (v) FHI has open staff privileges and a Resident may select a duly licensed physician of his choice; however, a Medical Director is provided by the community for those wishing to use such services. Resident is responsible for all charges for services provided by the Medical Director or any other physicians.
- (vi) Resident has the right by law (N.C. Gen. Stat. § 90-21.16(6)) to elect the officially recognized "Do Not Resuscitate Order" as certified by the Resident's attending physician.

**2. FINANCIAL ARRANGEMENTS**

- (a) **Entrance Fee Options.** Resident agrees to pay FHI an Entrance Fee as a condition of becoming a Resident at FHI. Resident shall choose one of the following options, amounts, and amortization schedules as to the Entrance Fee to be paid:

Entrance Fee Option	Amount of Entrance Fee	Amortization Schedule
1. Standard	\$ _____	1.6% per month for 60 months less a 4% non-refundable fee
2. Woolman / Fox	\$ _____	Nonrefundable

Resident agrees to pay Corporation an Entrance Fee deposit of \$ \_\_\_\_\_ which shall be ten percent (10%) of the required Entrance Fee as designated above. The Entrance Fee deposit will be due and payable upon signing of this Agreement. The balance of the Entrance Fee will be due and payable no later than ten (10) days prior to Residents projected Admission Date. Residents projected Admission Date is \_\_\_\_\_, 20\_\_\_\_. Resident must take occupancy of the Living Accommodation no later than **thirty (30)** days after the projected Admission Date.

- (b) **Monthly Charge.** During the term of this Agreement, in addition to the Entrance Fee and any other charges provided for herein, Resident agrees to pay a monthly charge ("Monthly Charge"), which shall be payable in advance by the 10<sup>th</sup> day of each month. As of the date of this Agreement, FHI projects that the Monthly Charge associated with the Living Unit will be approximately \$ \_\_\_\_\_ per month, and an additional \$ \_\_\_\_\_ per month if a second Resident occupies the Living Unit. The Monthly Charge may be adjusted by FHI prior to occupancy of the Living Unit by the Resident if changes in the projected costs of providing the services at FHI so require. The Monthly Charge is also subject to change during the term of this Agreement as described in Paragraph 2(c) below.
- (c) **Adjustments in the Monthly Charge.** The Monthly Charge is assessed to provide the Living Units, facilities, meals, programs and services described in this Agreement and is intended to meet the cost of insurance, maintenance, administration, *ad valorem* taxes and bed taxes, if any, health care facilities and operation, staffing, and other expenses including debt service associated with the operation and management of FHI. FHI shall have the right to adjust the Monthly Charge from time to time during the term of this Agreement as FHI in its discretion deems necessary in order to reflect changes in the costs of providing the facilities, programs and services described herein consistent with operating on a sound financial basis and maintaining the quality of services called for herein. FHI shall have the right to adjust the Monthly Charge pursuant to this Agreement notwithstanding Resident's voluntary or involuntary absence from the community. In the event that it should be determined that FHI is required to pay *ad valorem* taxes upon its property, the Monthly Charge may be adjusted to reflect the amount of such taxes. Any increase in the Monthly Charge may be made by FHI upon thirty (30) days written notice to the Resident.
- (d) **Monthly Statement.** FHI will furnish the Resident with a monthly statement on or about the fifth business day of each month showing the total amount of fees and other charges owed by the Resident, and which shall be paid by the 10<sup>th</sup> day of the month. FHI may charge interest at the rate of 1½% per month (18 % APR) or the maximum annual rate as allowed by law on any unpaid balance owed by the Resident thirty (30) days after the monthly statement is furnished.
- (e) **Health Center Fees and Charges**
  - (i) FHI shall establish and publish per diem rates for accommodations and services in the Health Center, such rates will take into account rates being charged in other

comparable nursing centers and the costs of operation of FHI.

- (ii) If a Resident is transferred to the Health Center for assisted living or nursing care, Resident shall continue to pay the Monthly Charge associated with the type of Living Unit described in Paragraph 1(a) of this Agreement. In addition, Resident will pay the published per diem rate for assisted living or nursing care accommodation occupied by the Resident, plus charges for other services not included in such per diem rate. Resident shall have the option of surrendering the Living Unit described in Paragraph 1(a), in which case the Monthly Charge terminates once the Living Unit is vacated of the Resident's possessions.

If the Living Unit is not surrendered, the Resident shall be responsible for both the Living Unit Monthly Charge and the applicable per diem rate for the assisted living or nursing care accommodations. The Resident shall have no right to occupy the Living Unit more than ninety (90) days after admission into the health center without the approval of FHI. Resident agrees to surrender the Living Unit to FHI upon request on or after such ninety (90) day period unless otherwise approved by FHI. If required to vacate the Living Unit, as determined in the sole discretion of FHI, Resident agrees to fully cooperate in relocating his/her personal property and effects from such residence. Should FHI subsequently determine upon the opinion of the Medical Director and the Executive Director of FHI that Resident can resume occupancy in a residential Living Unit; the Resident will have priority to a comparable accommodation, as determined by FHI, as soon as it becomes available. When one of two Residents occupying the same Living Unit is transferred to the Health Center, the Resident remaining in the Living Unit shall continue to pay the Monthly Charge in effect associated with such Living Unit based on single occupancy.

- (f) **Non-Refundable Pet Fee.** Resident agrees to abide by Friends Homes guidelines concerning pets as amended or adopted from time to time. Resident agrees that if Resident is entitled to have a pet in their Living Accommodation and elects to do so, Resident agrees to pay FHI a \$500.00 non-refundable pet fee ("Pet Fee"). The Pet Fee shall be due and payable at the time Resident is required to pay the balance of their Entrance Fee. FHI may require the Resident to maintain a policy of liability insurance which covers Resident's liability for damages or injury caused by Resident's pet.

### 3. **ADMISSIONS REQUIREMENTS**

Resident will become qualified for admission to FHI upon satisfaction of the following provisions:

- (a) **Age.** The admission requirements for residence at FHI are nondiscriminatory except as to age, and FHI is open to both married and single men and women of all races and religions and without regard to place of former residence. Admission is restricted to persons sixty-two (62) years of age or older, except that in the case of a married couple or roommates, one spouse/roommate must have attained the age of at least sixty-two

(62) years old and the other spouse/roommate must have attained the age of at least fifty-five (55) years old.

- (b) **Personal Interview.** Resident agrees to interview with representatives of FHI prior to consideration for residency at FHI. Upon review of all information required to be furnished under this Agreement, additional personal interviews may be requested by FHI and Resident agrees to fully cooperate with FHI's representatives and employees during such process.
- (c) **Application, Health History, and Financial Statement.** Resident shall submit within 30 days of the execution of this Agreement for review by the Admissions Committee appointed by FHI, an Application for Admission, a Personal Health History, and a Confidential Financial Statement, all on forms furnished by FHI. During the term of this Agreement, FHI reserves the right to require Resident and Resident agrees to provide FHI with an updated Confidential Financial Statement within 60 days upon written request, provided however, FHI will not require Resident to provide an updated Confidential Financial Statement more than once in any 12-month period.
- (d) **Notification.** FHI shall review the Application for Admission, the Personal Health History, the Confidential Financial Statement, and the results of the personal interviews and will notify Resident whether Resident meets the admission requirements as determined in FHI's sole discretion. If Resident does not meet FHI's admissions requirements, this Agreement shall be null and void and Resident shall receive a refund of any Entrance Fee deposit previously paid.
- (e) **Health Requirements.** Prior to admission for residency at FHI, Resident shall submit a report of a physical examination of the Resident made by a physician selected by the Resident within sixty (60) days of the projected occupancy date. Such report shall include a statement by such physician that the Resident is in good health and is able to take care of himself or herself in normal living activities. FHI may require the Resident to have another physical examination by the Medical Director or by another physician approved by FHI. The Resident shall be responsible for the costs of such additional physical examination. If the health of Resident as disclosed by such physical examination differs materially from that disclosed in any Resident's Application for Admission or Personal Health History, FHI shall have the right to decline admission of the Resident and/or to terminate this Agreement, or at the discretion of FHI, permit Resident to take occupancy at FHI in suitable accommodations to the needs of Resident.
- (f) **Financial Requirements.** The Resident must have assets and income which will be sufficient under foreseeable circumstances to pay the financial obligations of the Resident under this Agreement and to meet ordinary living expenses of the Resident. FHI may require the Resident to furnish current financial information at any time prior to occupancy.
- (g) **Representations.** The Resident affirms that the representations made in the Application for Admission, Personal Health History and Confidential Financial

Statement are true, correct, and complete and will be relied upon by FHI as a basis for entering into this Agreement.

#### 4. TERMS OF RESIDENCY

- (a) **Rights of Resident.** The Resident has the right to occupy and enjoy the Living Unit described in Paragraph 1(a) of this Agreement subject to Resident's transfer to the Health Center pursuant to Paragraphs 2(e) and 5(a), or the termination provisions of this Agreement, or any other term or condition of this Agreement. It is understood that this Agreement does not transfer or grant any interest in the real or personal property owned by FHI other than the right to use or occupy the Living Unit in accordance with the terms hereof. The Resident agrees that the rights of the Resident under this Agreement are subject to and subordinate to the rights of a lender under any mortgage or deed of trust now or hereafter executed by FHI or its affiliates creating a lien on any property of FHI.
- (b) **Rules and Regulations.** Resident acknowledges the receipt of a copy of the Resident's Handbook. The Resident will abide by FHI's rules and regulations and such reasonable amendments, modifications, and changes of the rules and regulations as may hereafter be adopted by FHI in the exercise of its sole discretion. In the event of changes or amendments to the rules and regulations, receipt of such changes or amendments by any one of the persons listed as Resident in this Agreement shall be deemed receipt by the other listed Resident. Resident acknowledges that FHI has a "Tobacco Free Campus Policy" which prohibits the use of tobacco products anywhere on FHI's campuses including Resident's Living Unit.
- (c) **Changes in Living Units.** FHI has the right to change the Living Unit to meet the requirements of any applicable statutes, laws, rules or regulations. The Living Unit may not be used in any manner in violation of any zoning ordinances or other governmental law or regulation.
- (d) **Visitors.** Except for short term visitors or guests, no person other than the Resident may reside in the Living Unit without the written approval of FHI.
- (e) **Loss of Property.** FHI shall not be responsible for the loss of any property belonging to the Resident due to theft, mysterious disappearance, fire or any other cause. It is understood that the Resident will have the responsibility of providing any desired insurance protection covering any such loss.
- (f) **Occupancy by Two Residents.** In the event that two Residents occupy a Living Unit under the terms of this Agreement, upon the permanent transfer to the Health Center or the death of one such Resident, or in the event of the termination of this Agreement with respect to one of such Resident, the Agreement shall continue in effect as to the remaining or surviving Resident. The remaining Resident may request a transfer to another type of Living Unit, subject to availability, pursuant to Paragraph 5(e) of this Agreement. The remaining or surviving Resident will thereafter pay the Monthly

Charge for one Resident associated with the independent Living Unit occupied by the Resident.

- (g) **Medical Insurance.** The Resident shall maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to FHI with evidence of such coverage to be provided to FHI upon execution of this Agreement and thereafter from time to time upon request.
- (h) **Marriage During Occupancy.** If a Resident while occupying a Living Unit marries another Resident or elects to share a Living Unit with a person who is also a Resident, the two Residents may occupy the Living Unit of either Resident and shall surrender the Living Unit not to be occupied by them. No refund will be payable with respect to the Living Unit surrendered. Such Residents will pay the Monthly Charge for double occupancy associated with the Living Unit occupied by them. In the event that a Resident shall marry or elect to share a Living Unit with a person who is not a Resident of FHI, the non-resident spouse/cohabitant may become a Resident if such spouse/cohabitant meets all of the then current requirements for admission to FHI, enters into a then current version of the Residence and Care Agreement with FHI and pays an Entrance Fee in an amount determined by FHI in its discretion but in any event no more than two-thirds (2/3) of the then current Entrance Fee associated with the type of Living Unit to be occupied by the Resident and non-resident spouse/cohabitant. If the Resident's spouse/cohabitant shall not meet the requirements of FHI for admission as a Resident, the current Resident may terminate this Agreement pursuant to Paragraph 7.
- (i) **Right of Entry.** Resident hereby authorizes FHI, including its employees and agents of FHI, to enter the Living Unit for purposes of housekeeping, repairs, maintenance, inspection, and in the event of an emergency.

## 5. TRANSFER OR CHANGES IN LEVELS OF CARE

- (a) **Transfer to Health Center.** The Resident agrees that FHI shall have the authority to determine whether the Resident should be transferred from the Resident's Living Unit to the Health Center or from one level of care to another level of care within the Health Center. Such determination shall be based on the professional opinion of FHI's Medical Director and the Executive Director of FHI and shall be made only after consultation to the extent practical with the Resident, a representative of the Resident's family or the sponsor of the Resident, and Resident's attending physician.
- (b) **Transfer to Hospital or Other Facility.** If it is determined that the Resident needs care beyond that which can be provided by the community and personnel of FHI, the Resident may be transferred to a hospital, center or institution equipped to give such care, which care will be at the expense of the Resident. Such transfer of the Resident will be made upon orders from FHI's Medical Director after consultation to the extent possible with the Resident, a representative of the Resident's family or the sponsor of

the Resident and the Resident's attending physician.

- (c) **Surrender of Living Unit.** If a determination is made by FHI that any transfer described in Paragraph 5(a) or 5(b) is permanent, the Resident agrees to surrender the Living Unit or the accommodation in the Health Center occupied by the Resident upon thirty (30) days prior written notice from FHI to Resident. If FHI subsequently determines upon the opinion of the Medical Director and the Executive Director that the Resident can resume occupancy in accommodations comparable to those occupied by the Resident prior to such transfer, the Resident shall have priority to such accommodations as soon as they become available.
- (d) **No Refund for Changes in Levels of Care.** Resident acknowledges and agrees that any transfer from one level of care to another within FHI (including without limitation a transfer from Resident's current Living Unit to assisted or skilled nursing) shall not be deemed a termination of this Agreement nor entitle Resident to a refund or partial refund of their Entrance Fee.
- (e) **Requests for Moves Within Independent Living.** FHI will evaluate and consider a Resident's request to move from one Living Unit to another within Independent Living. The determination to allow a Resident to move is within the sole discretion of FHI and will be administered under the guidelines of FHI's transfer policy in effect at the time of the Resident's request to move.

## 6. RIGHT OF RESCISSION

- (a) **First Thirty Days.** Notwithstanding anything herein to the contrary, Resident may rescind this Agreement within thirty (30) days following the execution of this Agreement (the "Rescission Period"), in which event Resident shall receive a refund of any money paid to FHI except for any such other nonstandard charges the Resident and FHI agree in advance shall be nonrefundable. Resident acknowledges that he/she has received, prior to execution of this Agreement, a copy of FHI's current Disclosure Statement that meets the requirements of Section 58-64-20, et seq. of the North Carolina General Statutes. Resident is not required to move into the Living Unit before the expiration of the Rescission Period. If Resident moves into the Living Unit during the Rescission Period and rescinds this Agreement during such thirty (30) day period, Resident will receive a refund of any money paid to FHI less a service charge as follows:
  - (i) **Entrance Fee.** Resident shall receive a refund of the Entrance Fee paid to FHI less a service charge as determined by FHI not to exceed the greater of one thousand dollars (\$1,000) or two percent (2%) of the Entrance Fee.
  - (ii) **Monthly Charge.** Resident's refund shall be further reduced by the prorated Monthly Charge applicable for the period Resident occupied his/her Living Unit.

- (iii) **Nonstandard Costs.** Resident's refund shall be further reduced by any nonstandard costs, if any, specifically incurred by FHI at the request of Resident consistent with terms and conditions of this Agreement.

Any refund due under this paragraph 6(a), shall be paid within sixty (60) days of termination of this agreement.

## 7. **TERMINATION AND REFUND PROVISIONS**

- (a) **Termination After Rescission Period, Prior to Occupancy.** This Agreement may be terminated by Resident at any time for any reason prior to Resident taking occupancy at FHI and after the Rescission Period as set forth in Paragraph 6 by Resident giving written notice to FHI. This Agreement may be terminated by FHI at any time prior to the date that the Resident takes occupancy if FHI determines that the Resident does not meet the physical, mental, or financial requirements for admission. In the event of such termination, Resident shall receive a refund of the Entrance Fee paid less an administrative fee of 4% of the total Entrance Fee. However, if the Resident or the Resident's spouse or roommate dies prior to occupancy, or if on account of illness, injury, incapacity, or financial reversal is precluded from occupying the Living Unit, the contract is automatically terminated. In the event of such termination the full amount of the Entrance Fee paid will be refunded. Any refund due under this paragraph 7(a), shall be paid within sixty (60) days of termination of this Agreement.
- (b) **Termination During Residency Trial Period.** The first sixty (60) days of residency at FHI will be considered to be on a trial basis. During such sixty (60) day period, the Resident will have the right to terminate this Agreement by giving FHI written notice of such termination and Resident shall receive a refund of the Entrance Fee paid less an administrative fee of 4% of the total Entrance Fee. During such sixty (60) day period, FHI shall have the right to terminate this Agreement based on FHI's determination that Resident's physical or mental condition or emotional adjustment will not permit adaptation to the living environment at FHI. In the event of such termination by FHI as previously described, FHI will refund the full Entrance Fee paid to FHI within sixty (60) days after the Living Unit has been vacated.
- (c) **Termination After Trial Period.** At any time after the expiration of the first sixty (60) days of residence at FHI, the Resident may terminate the Agreement by giving FHI thirty (30) days prior written notice of such termination. In the event of such termination, Residents electing the Standard Entrance Fee Option may be entitled to receive a partial refund.

Any partial refund shall be determined and paid as follows: Resident shall receive a refund in an amount equal to the Entrance Fee paid to FHI less the applicable Amortization percentage set forth in Paragraph 2(a) for the Standard Entrance Fee Option selected by Resident thereof for each full calendar month or portion thereof

which has elapsed from Resident's Admission Date to the effective date of termination and less four percent (4%) of the total Entrance Fee, which is the nonrefundable portion of the Entrance Fee. For avoidance of doubt, all Entrance Fee refunds are calculated assuming and based upon full calendar months. Any portion of a calendar month (whether relating to the month of Resident's Admission Date or the month of Resident's termination date of this Agreement) shall be deemed to be a full calendar month for purposes of calculating any Entrance Fee refund.

Residents electing Woolman/Fox Entrance Fee Option are not entitled to an Entrance Fee refund under this section.

The refund shall be made in accordance with the terms set forth in Paragraph 7(f) below.

- (d) **Termination Upon Death.** This Agreement shall automatically terminate upon the death of the Resident, provided, however, in the event that two Residents occupy a Living Unit under the terms of this Agreement, the Agreement shall continue in effect as to the remaining or surviving Resident. A refund, if applicable, shall be determined in accordance with Paragraph 7(c) above and shall be paid to the Estate of the Resident in accordance with Paragraph 7(f) below.
- (e) **Termination By FHI.** FHI may terminate this Agreement at any time if there has been a material misrepresentation or omission made by the Resident in the Resident's Application for Admission, Personal Health History or Confidential Financial Statement; if a material change in the Resident's health takes place before occupancy (Admission Date); if the Resident fails to make payment to FHI of any fees or charges due FHI within sixty (60) days of the date when due; if the Resident does not abide by the rules and regulations adopted by FHI as determined by FHI; or Resident breaches any of the terms and conditions of this Agreement. In the event of termination for any of such causes the Resident may be entitled to a partial refund of the Entrance Fee paid by the Resident determined in accordance and paid in the same manner as provided in Paragraph 7(c) above.
- (f) **Refund After Living Unit Reserved.** Any refund due the Resident under Paragraphs 7(c), 7(d), or 7(e) above will be made at such time as such Resident's Living Unit shall have been reserved by a prospective Resident and such prospective Resident shall have paid to FHI such prospective Resident's Entrance Fee. No interest shall be due or payable on any amount refunded pursuant to this Paragraph 7.
- (g) **Monthly Charge & Nonstandard Costs.** Resident's refund under Paragraphs 7(a) through 7(e) shall be reduced and offset by the amount of all unpaid Monthly Charges and other amounts due and owing FHI applicable for the period Resident occupied his/her Living Unit. Resident's refund shall also be reduced by any nonstandard costs, if any, specifically incurred by FHI at the request of Resident consistent with terms and conditions of this Agreement. Notwithstanding the termination of this Agreement, Resident (including a deceased Resident) shall be deemed to occupy his Living Unit so

long as Resident's possessions remain in his Living Unit and Resident's Monthly Charge shall continue to accrue as normal. Resident's family or sponsor shall remove Resident's possessions from the Living Unit within sixty (60) days of the date of Resident's death.

- (h) **Condition of Accommodation.** At the effective date of termination of this Agreement, the Resident shall vacate the Living Unit and shall leave it in good condition, normal wear and tear excepted. The Resident shall be liable to FHI for any cost incurred in restoring the Living Unit to good condition, except for normal wear and tear, and such cost may at the election of FHI be offset against any refund due, if any.
- (i) **Additions and/or Renovations to Community; Community Closing.** From time to time, FHI may require additions and/or renovations to the FHI community. FHI will use reasonable efforts to minimize the disturbance to its residents, provided however, Resident agrees to cooperate with FHI in such efforts and if necessary relocate to substantially comparable Living Units under the terms and conditions of this Agreement. In addition, if it shall become necessary to close or otherwise cease ordinary operations at the FHI community, as determined in the sole discretion of FHI's Board of Trustees, Resident agrees to allow FHI to relocate Resident to substantially comparable communities managed by FHI within the same general locality and Resident agrees that this Agreement shall remain in full force and effect with respect to such continuing care retirement facility. Resident agrees that any transfer of residency under this paragraph 7(i) shall not cause a termination of this Agreement nor entitle Resident to a full or partial refund of their Entrance Fee.

## 8. FINANCIAL ASSISTANCE

- (a) **Policy.** FHI declares that it is the current policy, but not a guarantee, of FHI that this Agreement will not be terminated solely because of the Resident's financial inability to continue to pay the Monthly Charge or other charges payable hereunder by reasons of circumstances beyond the Resident's control, provided, however, this declaration shall not be construed as qualifying the right of FHI to terminate this Agreement in accordance with the terms hereof. In the event that a Resident presents facts which in the sole opinion of FHI justify special financial consideration, FHI will give careful consideration to subsidizing in whole or in part the Monthly Charge and other charges payable by the Resident hereunder so long as such subsidy can be made without impairing the ability of FHI to attain its objectives while operating on a sound financial basis. Any grant of financial assistance shall be within the sole discretion of FHI as set forth under a separate written agreement between FHI and the Resident regarding such financial assistance. If FHI requests, Resident agrees to apply for Medicaid, public assistance, or any other reasonably available public benefit program to offset Resident's Monthly Charge or other charges payable hereunder.

Comprehensive Actuarial Study  
As of September 30, 2018

Report Date: OCTOBER 11, 2019

***YOUR ACTUARIES FOR THE LONG-TERM!***

## SECTION I - EXECUTIVE SUMMARY

---

Continuing Care Actuaries was retained by the management of Friends Homes, to conduct a Comprehensive Actuarial Study for their community Friends Homes (“Friends Homes”) located in Greensboro, North Carolina. The purpose of the actuarial analysis was to:

- Review the resident demographic experience,
- Provide a population projection of current and prospective residents,
- Calculate Friends Homes’ cash flow projection and Actuarial Balance Sheet, and
- Conduct an Actuarial Pricing Analysis of the current residential lifecare contract.

Friends Homes is a Continuing Care Retirement Community consisting of 355 independent living units, 92 assisted living units and 109 skilled nursing beds of September, 30 2018. A planned expansion will add 93 independent living units. The basic cost of residents at Friends Homes consists of the initial Entrance Fee and Monthly Service Fee. Residents requiring permanent or temporary health care are able to transfer to the needed level of care as determined appropriate by Friends Homes medical and management staff in conjunction with residents and their physicians and family. Collectively, Monthly Service Fees and Entrance Fees are intended to cover the cost of constructing and operating the community and providing health care and other services to contract residents, as well as a portion of all other costs related to the operation of the community. Entrance Fees held by Friends Homes are subject to refund requirements.

The scope of our study consisted of: (1) an evaluation of the actual resident demographic movements observed at Friends Homes from September 1993 to September 30, 2018; (2) development of population projections based on the current demographic characteristics of the resident population and the assumptions used in the financial model for Friends Homes; (3) development of projected statements of cash flows and actuarial balance sheet; and (4) preparation of an actuarial pricing analysis. This comprehensive actuarial study and review was performed under the guidelines contained in the American Academy of Actuaries’ Actuarial Standard of Practice No. 3, “Practices Relating to Continuing Care Retirement Communities.”

In order to perform the actuarial analysis, we projected first generation residents and subsequent residents through various levels of care until move-out or death. The rates using permanent and temporary nursing transfers, deaths and withdrawals were developed Continuing Care Actuaries’ demographic database for CCRC residents. This database comprises over 500,000 CCRC residential life-years of demographic experience. The database assumptions used in this analysis reflect experience of communities similar to Friends Homes. The population projections were combined with expense and revenue assumptions to develop projected cash flows and contingent assets and liabilities. A by-product of these cash flow projections is the Actuarial Pricing Analysis that examines the financial adequacy of the fiscal year 2023 residential fee structures and the Actuarial Balance Sheet which is used as an indicator of the adequacy of historical residential fee structures as of September 30, 2022.

Section II presents the key assumptions used in this study.

Section III presents the summary of the current residential contracts including the financial requirements of residents. This section also includes a summary of the configuration of the community.

Section IV presents a summary of the open group population projection and an analysis of the historical information at Friends Homes. This section includes an analysis of the expected demographic distribution and demographic characteristics of new entrants.

Section V presents a summary of the financial assumptions incorporated in the analysis and the cash flow projection.

Section VI presents the results of the Actuarial Balance Sheet as of September 30, 2022, the Actuarial Pricing Analysis of the residential contracts, and the Cash Flow statements.

### **Summary of Findings and Notes**

- 1) The data and assumptions used for the population and financial projections in this report form a reasonable basis for the projections. The methods used to produce the projections are consistent with sound actuarial principles and practices as prescribed by the Society of Actuaries and the American Academy of Actuaries.

2) Below is the projected occupancy of the Assisted Living Units, by Life Care residents, with the 95% confidence interval.

3) Below is the projected occupancy of the Skilled Nursing Beds with the 95% confidence interval.

- 4) The projected occupancy of the Assisted Living Units and Skilled Nursing Beds with the 95% confidence interval is detailed below.

- 5) The financial projection indicates that Friends Homes will generate positive annual cash flow throughout the projection, with the exception of 2021 when half of the construction expense is realized; 2022 when the remaining construction occurs; and 2023, when the short term debt is repaid.
- 6) Based on the result of the Actuarial Balance Sheet as of September 30, 2022, our analysis concluded that Friends Homes has current and future assets of \$335,489,000 with current and future liabilities of \$199,378,000. Based on these projected assets and liabilities, Friends Homes’ funded status is 168.3%, which is above our recommended target of 110% for a mature community.

The actuarial ratio determines the percent of future expenses that are expected to be covered by future revenues for the expected group of residents as of September 30, 2022. This measure is important in that it represents Friends Homes’ ability to deal with adverse experience. This ratio was calculated at 98.1%. The detail of the Actuarial Balance Sheet can be seen on page 22.

- 7) The actuarial pricing analysis for the 60 Month Declining Refund indicated that this plan is expected to produce an average surplus of \$98,232 at entry for new residents as of September 30, 2022, which represents a margin of 17.9% of the present value of contractual liabilities. This is shown in detail on pages 27, 28 and 29.

Generally, it is our recommendation for a mature community to target a margin of approximately 10% in order to cover possible adverse fluctuations that may occur in the future. These adverse fluctuations can include both changes in economic assumptions,

such as expected inflation, and changes in demographic assumptions, such as nursing care utilization. In aggregate, based on new entrant contract distribution assumptions, the Actuarial Pricing Analysis for new entrants at Friends Homes is expected to cover the risk of adverse fluctuation, with a margin of 17.9%.

- 8) In conclusion, Friends Homes is in *adequate financial condition* to meet its obligations as defined by Actuarial Standard of Practice No. 3 (ASOP 3). ASOP 3 defines adequacy based on the meeting of three required actuarial standards, which consist of the actuarial cash flow, the actuarial balance sheet, and the actuarial pricing analysis.

This study assumes that management will continue to operate under the original actuarial assumptions. That is, morbidity and mortality rates have remained unchanged. In practice, it is likely that a different philosophy of care will be adopted in regard to home health services and acuity levels in higher levels of care. The results in this report serve as a conservative projection, representing the need for outside nursing due to increased demand associated with the expansion.

The results of our study are based on estimates of the demographic and economic assumptions of the most likely outcome. Considerable uncertainty and variability are inherent in such estimates. Accordingly, the subsequent emergence of actual residential movements and of actual revenues and expenses may not conform to the assumptions used in our analysis. Consequently, the subsequent development of these items may vary considerably from expected results.

Management should scrutinize future developments that may have a negative impact on these projections. These developments include lower Independent Living occupancy than assumed, higher apartment vacancy rates, higher expense inflation, higher health care utilization and longer life expectancies than assumed in the current projection.
