Reference: Surrender of Insurance License

Dear Ms. Hatchell:

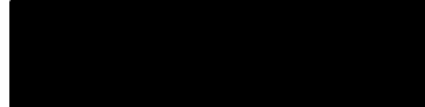

I would like to start off by thanking you for allowing me the opportunity to meet with you last week regarding the misappropriating of premium. I deeply regret that this incident occurred. As stated previously, this was a one time incident. In the past 20 years of work history, I have never had any type of misconduct on any job. I can promise that this and no other misconduct will ever happen in the future, but I know the only way I can prove that is to start over and build that trust back.

I have learned a very valuable lesson through this very unfortunate event and I know I have caused a lot of stress and added work for myself, my family, and everyone at the office as well as the department of insurance. I can only say that I am sorry and ask for the forgiveness of everyone involved.

Per our conversation yesterday afternoon, I am enclosing my license as you requested. It is with deep regret that I turn these in as I have worked very hard to get where I am today, but I also understand that I have to suffer the consequences of my actions.

Again, I thank you for all you and Mr. Roventini have done to guide me through this process and I cannot apologize to you enough.

Best regards,

Connie H. Mauney
