Arbor Acres has no present intention of purchasing goods, leases or services of an aggregate value of five hundred dollars (\$500.00) or more within any year from any of the persons listed above or any person having a ten percent (10%) or greater interest or beneficial interest in any professional service, firm, association, trust, partnership or corporation which provides goods, leases or services to Arbor Acres; nor is it intended that any of said persons shall provide goods, leases or services to residents of Arbor Acres. In addition, no company has a 10% or greater interest in any person listed. If any resident of Arbor Acres shall obtain any goods, leases or services from any of said persons, it will be because the resident voluntarily elects and chooses to do so, not because the doing of such business is intended by Arbor Acres or is expected of the resident. Arbor Acres does not know the monetary value of such business, if any, as may be transacted between individuals who happen to reside at the facility and firms or businesses owned or partially owned by individuals who happen to serve as officers or directors of the facility, nor does Arbor Acres have any information from which to make an estimate.

Section 58-64-20(a)(3)(c) or a similar law in another state.

POLICIES

Admission

Health Criteria: To be accepted as a resident, the applicant's health must be such that the applicant's care requirements are appropriate to, and can be met within the level of care to which the person is requesting admission. For example, a person applying for admission to independent living must be mentally alert, and able to meet his or her personal care needs without assistance or supervision. The agreement entered into between Arbor Acres and resident states that at the time of the execution of the agreement, Arbor Acres has determined that the resident qualified for residency at Arbor Acres both with respect to the resident's mental and physical condition and the resident's ability to take care of anticipated fees and charges. The agreement also provides that it will be necessary for the resident to meet the Arbor Acres health and financial qualifications for residency at the time he or she becomes a resident of the facility, subject to the understanding that if at that time the person is not mentally or physically qualified to occupy a residential unit of the type contemplated under the agreement, but is qualified to live in an Adult Care Home (Assisted Living) unit or in the Health Center of Arbor Acres, he or she will be entitled to such accommodations at the facility as are appropriate to the person's situation and needs, and are then or later become available. Once admitted to Arbor Acres, a resident, from the standpoint of health, may continue to reside at Arbor Acres so long as the facilities and services available can, in the opinion of the facility's medical advisers, provide the level of care needed by the resident. As a resident's needs for care increases, the resident may be required to move to a higher level of care provided by Arbor Acres in order to continue the right of residency at the facility.

Financial and Insurance Criteria: To be accepted as a resident and in order for residency to continue, an applicant must agree to pay the entrance fee and monthly fees and charges associated with the living unit and level of care required by the applicant. Arbor Acres requires applicants to provide a financial statement. Applicants with inadequate financial resources to carry them through their projected life expectancy are nevertheless considered for admission if family members provide guaranties of payment or if the applicant qualifies for financial assistance within the limit of Arbor Acres' ability to provide. Residents whose resources are depleted during residency may remain as residents under the following circumstances: If members of resident's family or other interested parties provide guaranties of payment acceptable to Arbor Acres; or if the Arbor Acres' financial assistance resources are such as to enable the facility to provide the amounts needed. Residents whose financial resources are diverted to other persons or causes, thereby creating a financial need, are not eligible for consideration for financial assistance.

At present Arbor Acres has no insurance criteria affecting admissions. Applicants whose resources are marginal or inadequate to cover their projected residency fees may be encouraged to consider purchase of long-term care insurance as a method of increasing available income once the applicant becomes a resident of a licensed level of care.

Age Requirements: One must be 62 years of age to become a resident of Arbor Acres; provided, that in the case of a married couple, if one spouse is 62, the minimum age for the other spouse is 60.

Changes of Condition of Resident Prior to Occupancy/Refund(s)Applicable/Not Applicable/Time Frame of Refund(s): If between the date of entering into a residency agreement and the date of initial occupancy, an applicant's financial condition changes affecting the applicant's ability to pay expenses associated with residency, the applicant is required to submit a new financial statement. Improvement in the applicant's financial position may alter previous commitments by Arbor Acres to provide financial assistance. A decline in the applicant's capacity to pay the previously agreed upon periodic fees and charges may require reassessment of the applicant's ability to reside at Arbor Acres and whether Arbor Acres is in a position to provide financial assistance. If the applicant is unable to move into Arbor Acres for any reason, the applicant is entitled to an entrance fee refund to the extent of and in accordance with the provisions of the agreement.

Cancellation/Termination - Refund(s) Applicable/Not Applicable/Time Frame of Refund(s): Pursuant to the statute, the party (applicant) contracting with the provider (Arbor Acres) may rescind the contract within thirty (30) days following the later of the execution of the contract or the receipt of a disclosure statement. A resident may terminate residency upon thirty (30) days written notice. Arbor Acres may terminate one's residency if:

1. Resident does not pay monthly fees and other charges on a timely basis;
2. Resident's behavior (or that of resident's family members, responsible parties, or others specified in the residency agreement) is detrimental to the spirit of Arbor Acres; or
3. Resident requires treatment or care other than that which Arbor Acres is licensed or staffed to provide.

Termination of residency by Arbor Acres occurs only "as a last resort," when it becomes clear that termination is necessary, and after the resident and/or the resident's responsible party has an opportunity to be heard. On termination of residency any monthly fees paid in advance are prorated and an appropriate refund is made thereof, if any, within sixty (60) days. Provisions relating to entrance fee refunds upon termination of residency are set out in residency agreements as follows. Subject to the statutory refund provisions which apply in the event of rescission of the agreement within thirty (30) days or preclusion, by death, illness, injury, or incapacity, from occupying a unit under the terms of the agreement, then the entrance fee is refundable on a declining basis of two percent (2%) per month for fifty (50) months, with no part of the entrance fee being refundable after a person has resided at Arbor Acres for fifty (50) or more months. The agreements further provide that payment of the refund is to be made from the entrance fee received by Arbor Acres from the next occupant of the unit. The calculation and payment of any refund to a person who has become a resident is made in the same manner whether termination of residency is voluntary, is at the request of Arbor Acres, or is occasioned by death.

1. If a resident dies before occupying a living unit in the facility, or if, on account of illness, injury, or incapacity a resident would be precluded from occupying a living unit in the facility under the terms of the contract for continuing care, the contract is automatically cancelled. Arbor Acres will refund entrance fees paid, as stated in the residency agreement, and less any costs paid by Arbor Acres for resident-requested modifications to a living unit. The refund will be provided within thirty (30) days of receipt by Arbor Acres of all billable costs incurred by the resident.
2. In the event of the death of a resident following the occupancy of a living unit, Arbor Acres will refund the entrance fee, less the \$2,500 non-refundable portion as stated in the

residency agreement, and under the prorated refund policy of 2% per month for fifty (50) months, with no part of the entrance fee being refundable after fifty (50) or more months of residency. Upon receiving payment of an entrance fee of that living unit, Arbor Acres will refund to the resident or the resident's estate.

3. In the event of a resident's vacating a unit due to moving to a higher level of care, then no refund of the entrance fees paid will be provided unless that move occurs within ninety (90) days of the resident's move-in date, as provided by the stated refund policy.

Moves: Provisions governing moves between levels of living are outlined in the residency agreement. Independent living residential units (such as studios, apartments, houses) may not be made available to a different or new resident except under the following circumstances:

1. If the resident terminates residency at Arbor Acres either voluntarily or at the request of Arbor Acres for cause.
2. If the resident terminates occupancy of the unit by moving to another unit at Arbor Acres, either because of a desire on the part of the resident to move or because of health problems that necessitate a move to another type of unit, such as a studio unit (if the resident resides in a house), Adult Care Home (Assisted Living) or the Health Center.
3. Changing market conditions (specifically, increasing requests for larger apartments and decreasing requests for smaller apartments) make it necessary from time to time for Arbor Acres to convert or combine smaller units. When this must be done, Arbor Acres occasionally finds that it can be accomplished only by having a resident move to another unit to "free up" adjacent units for conversion. Should Arbor Acres find that it must have a resident make such a move, the matter is thoroughly discussed with the resident and the resident is shown the unit to which the resident is to move. Arbor Acres will make the unit to which the resident is to move ready for occupancy, including any needed refurbishment and will assist the residents with the move, all at the expense of the facility.
4. If the resident dies.

In the case of a couple, the death or permanent transfer of one spouse to a different unit does not affect the remaining spouse's right to continue residency in the unit.

In Adult Care Home (Assisted Living) or in the Health Center, Arbor Acres reserves the right to change one's room from time to time as deemed by Arbor Acres to be necessary or appropriate. Any such changes are made with due regard to the wishes and best interest of the resident as well as Arbor Acres.

Marriages/New Second Occupant: If a resident marries while residing at Arbor Acres, the spouse of the resident is expected to follow the facility's normal admission procedure. Among the basic factors for approval are:

1. Spouse of resident must be at least 60 years of age (i.e., older spouse must be at least 62; younger spouse must be at least 60);
2. Physical condition must be appropriate to the level of care to which the person requests entry and the care required must be within levels of care Arbor Acres provides;
3. Behavioral characteristics must be appropriate for group living at Arbor Acres;
4. There must be sufficient financial resources to enable the couple to meet financial obligations, or their circumstances must be such as to qualify for financial assistance within Arbor Acres' policies and ability to provide.

If the applying spouse is approved for residency at Arbor Acres and is to live in the same residential unit with the resident, the applicable second person entrance fee will be required. If the applying spouse is to live in a separate unit, an entrance fee is required. Regular monthly (daily in nursing care and assisted living) fees and other charges would be in accordance with Arbor Acres' regular schedule for double occupancy, or individual occupancy, as appropriate.

If the applying spouse should not meet the requirements for residency, the applying spouse would not be able to reside at Arbor Acres. As of the date of this Disclosure Statement, no applying spouse has failed to meet the requirements.

Other than in the case of a spouse, there are no other provisions currently in place to permit occupancy of a unit by a second occupant who was not party to the original residency agreement. If a current resident marries another current resident who moves into the same accommodation as the first resident, then the resident who is vacating his/her unit will be subject to the same refund policy as a resident who is leaving Arbor Acres. That is, the vacating resident receives a prorated refund at the rate of 2% per month for fifty (50) months. For example, if the vacating resident moves in with the first resident after 12 months of residency, then Arbor Acres will retain 24% of the entrance fee and the balance will be refunded. Accordingly, if the vacating resident has lived in his/her residence for more than fifty (50) months, then there will be no refund provided as the entrance fee has finished amortizing. The couple, now residing together in the first resident's accommodation, will begin paying the second person monthly fee for that residence.

Inability to Pay: If a resident should encounter financial difficulty through no fault of his/her own while residing at Arbor Acres, the resident may apply for financial assistance. Arbor Acres has limited financial assistance resources for this purpose. Also, in a number of cases there are guaranty agreements between Arbor Acres and members of a resident's family which make possible the resident's continued residence at the facility. Arbor Acres is unable to guarantee initial or continuing allocations of financial assistance to a resident. As of the date of this Disclosure Statement, it has not been necessary for Arbor Acres to require termination of residency for financial reasons when the financial difficulty was not a result of decisions made by a resident or resident's representative.

Arbor Acres maintains an Assistance Endowment Fund, the income of which is available to Arbor Acres for the assistance of residents who require financial assistance. As of December 31, 2022, the value of this Endowment Fund was approximately \$17,600,000; and the income from it constitutes one of the several sources of Arbor Acres' annual assistance funds which currently aggregate more than \$1,500,000 a year. The other sources of assistance funds include an annual Mother's Day Offering, and grants from wills, trusts, foundations and the Western North Carolina Annual Conference of The United Methodist Church.

Excluded from the daily room rate are charges for pharmacy services, personal medical supplies, personal care products, beauty/barber shop visits, physician services, dental services, podiatry services and services rendered by a licensed therapist as part of an individualized program of rehabilitation. Arbor Acres is a certified Medicare facility, therapy services are covered under Medicare Part A and Part B.

Therapy services are provided under Medicare Part B benefits and there are some limitations. The therapy provider advises residents about the coverage under Medicare and what must be private pay.

Our staff physician schedules weekly appointments in Strickland Place at Fitzgerald and arranges for emergency physician services 24 hours a day. Residents may use the services of our staff

physician or may select another personal physician who will come to Arbor Acres on a monthly basis and perform the services required by state licensure. The resident will be fully responsible for all physician services charges which they may incur, including the Medicare deductible and co-payment.

Medical supplies, pharmaceutical services and some personal care products are provided for all residents of Strickland Place at Fitzgerald. Enrollment in these programs will assure maximum efficiency and security in the administration of resident's medications, and availability of needed supplies on a continuous basis. A list of current charges is available upon request. All medications, medical supplies and personal care products will be billed monthly to each resident either by the facility or the provider of the service.

The maintenance fee (whether stated on a monthly or daily basis) is payable in advance each month; all charges incurred during a month are billed at the end of the month. All fees and charges are normally included in one monthly statement and are payable in full promptly upon receipt of statement. An itemized statement may include medical supplies, oxygen, beauty/barber shop charges, personal care products, guest meals, special activities and guest room or guest house charges. Payment is requested within 10 days. A late payment charge of 1.5% per month, computed from the statement date, will be made on any amount not received within 30 days of the statement date.

Residents are responsible for continuing payment of the daily rate during absences from the facility. This is necessary in order to assure the availability of a bed upon returning. Fees for services during the last month of occupancy will be prorated and any remaining unused days of care will be refunded to the resident or to the resident's estate.

Personal Services Available

Other services available for which there is no additional charge include an optional daily check-in system, check cashing services, package shipping, access to washers/dryers, complete kitchens and sitting areas. Services available through Arbor Acres may be added or deleted from time to time. Charges for services may be adjusted periodically as found necessary by Arbor Acres. Normally such adjustments are made as part of the facility's annual budget preparation process.

Home Care Services Available

Arbor Acres Home Care, LLC (doing business as Arbor Acres at Home) allows residents to age in place at home in familiar and comforting surroundings. The program provides a suite of a la carte, in home services that help residents maintain their highest level of independence possible while receiving the care they need, providing such services as:

- Assistance with grooming, dressing and household chores
- Bathing or other personal hygiene assistance
- Cleaning out closets
- Laundry and linen care
- Shopping
- Sitter services
- Administration of IV medication
- Education about a new medication or help with medication administration
- Wound care
- PICC lines, trachs, feeding tube and port care
- Emergency assistance around the clock

Arbor Acres at Home is not covered by Medicare but may be covered by individual residents' long term care insurance. Rates vary by type of service provided.

FEES

Application/Registration Fee - Refundable/Non-Refundable

Arbor Acres' application fee is \$100.00 (\$200.00 for a couple); it is non-refundable.

Entrance Fees

Independent Living - Payment of an Entrance Fee provides the resident with the lifetime use of a residence. If at such time a move may be necessary due to need for a higher level of care then the residence would be released back to Arbor Acres. At the time the resident makes application for residency at Arbor Acres, the resident will sign a Residency Agreement to reserve the residence selected and will pay the Entrance Fee deposit. The balance of the Entrance Fee will be paid upon the earlier of (i) occupancy, to (ii) five days prior to the Occupancy Date stated in the Residency Agreement.

Licensed Areas (Assisted Living and Skilled Nursing): Only residents who move to licensed areas who are not already residents of Arbor Acres pay a one-time entrance fee of \$3,500. Current residents pay no additional entrance fees when moving from their independent living residences.

Monthly and Daily Fees

Independent Living - Residents pay monthly fees to cover services and amenities, including a declining balance meal plan, weekly housekeeping, linens and towels, cable TV, campus-wide wireless internet, maintenance and personal security devices.

Licensed Areas - Daily fees in assisted living and skilled nursing cover services, including all meals, medication management, laundry service, activities, cable and wireless internet.

Second Person Fees: Independent Living - A second person coming into an independent living residence pays a one-time Entrance Fee of \$10,000, and an additional \$1,095 per month.

Entrance Fees for residential units are refundable, less \$2,500 (\$5,000 if two persons enter under one residency agreement) and less 2% a month for the first 50 months of residency. Skilled Nursing and Assisted Living entrance fees are non-refundable except as specified in the residency agreement. Monthly fees are non-refundable; however, because fees are paid in advance, fees will be prorated to the last day of occupancy and a refund of the balance paid to a resident in the event of termination of residency.

For Temporary Care stays beyond the five (5) day period, the daily rate is \$395.00.

Home Care rates apply only to those residents living in independent living who have the need for the specific service offered. Through utilization of those services, residents are able to continue living in an independent unit rather than having to move to a higher level of care. Rates are as follows:

Medication Management	\$198.00 per month
Skilled Nursing visits	\$ 60.00 per visit
Home Care Aid Services	\$ 23.00 - \$30.00 per hour (min. of 4 hours)

Meal rates for guests and for residents not on the meal plan are priced “a la carte.” Lakeside Dining, The Arbor Room, Asbury Dining, and Fitzgerald/Strickland Dining offer print menus with weekly specials. Pricing information is printed on daily menus.

Arbor Acres

The Advantage Program

Arbor Acres offers a Residency option to those who may not want to physically reside on our campus. This program is called "The Advantage Program." The Resident can continue to live in his/her current home but have access to Arbor Acres' Assisted Living, Skilled Nursing and other health care programs. The Advantage Program is offered to residents of Forsyth County, NC and surrounding counties in convenient proximity to Arbor Acres.

This residency status allows one to become a Resident of Arbor Acres with access to the campus amenities, and ensures access to future health care services as needed, while remaining in his/her current home and retaining his/her position on our waiting list for a potential future move to our campus at a later date. Residents who join The Advantage Program may also move into Arbor Acres if they so choose. Once one becomes a Resident of Arbor Acres, whether living on campus or through the Advantage Program, he/she has equal access to all common areas of campus, equal standing as members of the Residents Association and equal access to Arbor Acres' health care facilities.

POLICIES

Admission

Health Criteria: To be accepted as a resident, the applicant's health must be such that the applicant's care requirements are appropriate to, and can be met within the level of care to which the person is requesting admission. A person applying for admission to The Advantage Program is considered an independent living resident and must be ambulatory, mentally alert, and able to meet his/her personal care needs without assistance or supervision. The agreement entered into between Arbor Acres and resident states that at the time of the execution of the agreement, Arbor Acres has determined that the resident qualified for residency at Arbor Acres both with respect to the resident's mental and physical condition and the resident's ability to take care of anticipated fees and charges. The agreement also provides that it will be necessary for the resident to meet the Arbor Acres health and financial qualifications for residency at the time he/she becomes a physical resident of the facility, subject to the understanding that if at that time the person is not mentally or physically qualified to occupy a residential unit of the type contemplated under the agreement, but is qualified to live in an Adult Care Home (Assisted Living) unit or in the Health Center (Skilled Nursing) of Arbor Acres, he/she will be entitled to such accommodations in the facility most appropriate to his/her situation and needs. Once admitted to Arbor Acres, a resident, from the standpoint of health, may continue to reside at Arbor Acres so long as the facilities and services available can, in the opinion of the facility's medical advisers, provide the level of care needed by the resident. As a resident's needs for care increases, the resident may be required to move to a higher level of care provided by Arbor Acres in order to continue the right of residency at the facility.

Financial and Insurance Criteria: To be accepted as a resident of The Advantage Program and in order for residency to continue, an applicant must agree to pay the entrance fee and monthly fees

and charges associated with The Advantage Program. Arbor Acres requires applicants to provide a financial statement. Applicants with inadequate financial resources to carry them through their projected life expectancy are nevertheless considered for admission if family members provide guaranties of payment or if the applicant qualifies for financial assistance within the limit of Arbor Acres' ability to provide such assistance. Residents whose resources are depleted during residency may remain as residents under the following circumstances: If members of resident's family or other interested parties provide guaranties of payment acceptable to Arbor Acres; or if the Arbor Acres' financial assistance resources are such as to enable the facility to provide the amounts needed. Residents whose financial resources are diverted to other persons or causes, thereby creating a financial need, are not eligible for consideration for financial assistance.

At present Arbor Acres has no insurance criteria affecting admissions. Applicants whose resources are marginal or inadequate to cover their projected residency fees may be encouraged to consider purchase of long-term care insurance as a method of increasing available income once the applicant becomes a resident of a licensed level of care.

Age Requirements: One must be 62 years of age to become a resident of The Advantage Program. In the case of a married couple, if one spouse is 62, the minimum age for the other spouse is 60.

Changes of Condition of Resident Prior to Occupancy/Refund(s)Applicable/Not Applicable/Time Frame of Refund(s): If between the date of entering into a residency agreement such as The Advantage Program and the date of initial occupancy on campus, an applicant's financial condition changes affecting the applicant's ability to pay expenses associated with residency, the applicant is required to submit a new financial statement. Improvement in the applicant's financial position may alter previous commitments by Arbor Acres to provide financial assistance. A decline in the applicant's capacity to pay the previously agreed upon periodic fees and charges may require reassessment of the applicant's ability to reside at Arbor Acres and whether Arbor Acres is in a position to provide financial assistance. If the applicant is unable to move into Arbor Acres for any reason, the applicant is entitled to an entrance fee refund to the extent of and in accordance with the provisions of the agreement.

Cancellation/Termination - Refund(s) Applicable/Not Applicable/Time Frame of Refund(s): Pursuant to the statute, the party (applicant) contracting with the provider (Arbor Acres) may rescind the contract within thirty (30) days following the later of the execution of the contract or the receipt of a disclosure statement. A resident may terminate residency upon thirty (30) days written notice. Arbor Acres may terminate one's residency if:

1. Resident does not pay monthly fees and other charges on a timely basis;
2. Resident's behavior (or that of resident's family members, responsible parties, or others specified in the residency agreement) is detrimental to the spirit of Arbor Acres; or
3. Resident requires treatment or care other than that which Arbor Acres is licensed or staffed to provide.

Termination of residency by Arbor Acres occurs only "as a last resort," when it becomes clear that termination is necessary, and after the resident and/or the resident's responsible party has an

opportunity to be heard. On termination of residency any monthly fees paid in advance are prorated and any appropriate refund is made thereof within sixty (60) days. Provisions relating to entrance fee refunds upon termination of residency are set out in residency agreements. Subject to the statutory refund provisions which apply in the event of rescission of the agreement within thirty (30) days or preclusion, by death, illness, injury, or incapacity, from occupying a unit under the terms of the agreement, then the entrance fee is refundable on a declining basis of two percent (2%) per month for fifty (50) months, with no part of the entrance fee being refundable after a person has participated in The Advantage Program with Arbor Acres for fifty (50) or more months. The calculation and payment of any refund to a person who has become a resident is made in the same manner whether termination of residency is voluntary, is at the request of Arbor Acres, or is occasioned by death.

1. If a resident dies while a participant in The Advantage Program or before occupying a living unit in the facility, or if, on account of illness, injury, or incapacity a resident would be precluded from occupying a living unit in the facility under the terms of the contract for continuing care, the contract is automatically cancelled. Arbor Acres will refund entrance fees paid, as stated in the residency agreement. The refund will be provided within thirty (30) days of receipt by Arbor Acres of all billable costs incurred by the resident.
2. In the event of the death of a resident as a participant of The Advantage Program, Arbor Acres will refund the entrance fee, less the \$1,000 non-refundable portion as stated in the residency agreement, and under the prorated refund policy of 2% per month for fifty (50) months, with no part of the entrance fee being refundable after fifty (50) or more months or residency. Upon receiving payment of an entrance fee in The Advantage Program, Arbor Acres will refund to the resident or the resident's estate.
3. In the event of a resident vacating a unit due to moving to a higher level of care, then no refund of the entrance fees paid will be provided unless that move occurs within ninety (90) days of the resident's physical move-in date, as provided by the stated refund policy.
4. Entrance fees paid to Arbor Acres under The Advantage Program will be counted toward any future entrance fee payable to Arbor Acres for a residence should the Advantage Program participant elect to move into the physical campus.

Inability to Pay: If a resident should encounter financial difficulty while participating in The Advantage Program with Arbor Acres, there are guaranty agreements between Arbor Acres and members of a resident's family which make possible the resident's continued participation in the program.

FINANCIAL INFORMATION

Financial Overview Statement

Arbor Acres has relied upon gifts, pledges and bequests, and upon funds received from entrance fees to cover most of the cost of construction, equipment, land improvements, other extraordinary expenses, debt amortization and accumulation of reserve funds. Secondly, Arbor Acres generally relies upon periodic fees and charges from residents to support the cash requirements for operations.

On June 10, 2010 Arbor Acres obtained a tax-exempt bond issue (series 2010 Bonds) in the form of a Bank Qualified loan to be withdrawn as needed up to \$28,875,000. The Bank Qualified loan was issued for the purpose of new construction of 8,500 square feet, 12-bed addition to Arborview (Dementia Care) and for new construction of an 117,000 square feet Assisted Living Building to contain 72 beds, new kitchen and dining areas, a new Physical Therapy space and a new Community Life space for programming. The series 2010 Bonds consist of variable rate tax exempt bonds, with a fixed interest rate swap at 3.333% per annum. Principal and interest is payable monthly with a final maturity date of January 1, 2038.

In June, 2015, Arbor Acres entered into a construction loan agreement with a commercial bank to provide financing for the renovation of the skilled nursing facility, Strickland Place at Fitzgerald. In 2019 the construction loan was refinanced and an additional \$1,000,000 was drawn to finance construction of a new bistro dining space in independent living. The 2019 Bank Loan consists of a \$8,450,000 taxable loan amortized over 15 years with a maturity date of September 15, 2034. Interest is payable monthly at a variable rate of 1.15% over the 30 day LIBOR, and reset monthly with a fixed rate swap with a rate of 2.865%. Principal and interest are payable monthly. On July 27, 2021 Arbor Acres converted this taxable loan to a tax-exempt bond, the Series 2021 A-3 bonds. The bonds carry a variable rate of 79% of one month SOFR plus 1.027%.

In December 2016, \$13,159,000 of North Carolina Medical Care Commission Retirement Facilities First Mortgage Revenue Refunding Bonds (Arbor Acres Methodist Retirement Community) Series 2016 (the "Series 2016 Bonds") were issued to refund the outstanding North Carolina Medical Care Commission Health Care Facilities First Mortgage Revenue Refunding Bonds (Arbor Acres Methodist Retirement Community) Series 2007 (the "Series 2007 Bonds"). The Series 2016 Bonds consist of variable rate tax-exempt bonds, with a fixed interest rate swap at 2.914% per annum. Principal and interest on the Series 2016 Bonds is payable monthly with a final maturity of January 1, 2031.

In July 2021, the Series 2021 A-1 and A-2 Health Care Facilities First Mortgage Revenue Bonds were issued for a total amount available up to \$55,000,000 for the construction of new independent living apartments on the existing campus at Arbor Acres. The project, Aldersgate Square, is expected to be complete by May 2023. Approximately \$38.9 million had been drawn on these bonds as of December 31, 2022. The Series A-1 Bonds (\$33m) provide for a 30 year amortization period, with interest only through September 2024. The Series A-2 Bonds (\$22m) are expected to be repaid with initial entrance fees collected on Aldersgate Square by January 1, 2027.

As required by G.S. 58-64-30, a comparison of Actual Results with Forecasted Projections as of December 31, 2022 follows the financial section of this Disclosure Statement.

Reserves, Escrow and Trusts

As of the end of 2022, Arbor Acres had unrestricted cash and investments of \$25,008,063, investments funding operating reserves of \$7,962,500, and restricted cash and investments for purposes other than financial assistance of \$651,204. The restricted investment includes a \$500,000 endowment, the income from which helps support the operating expense of a swimming pool and spendable restricted funds to support a number of smaller ongoing projects on campus.

The facility expects to have a reserve requirement of \$8,727,250 based on the 2023 Forecast. The building of these reserves will continue in future years and will be accomplished primarily through the receipt of entrance fees, contributions, and bequests from wills and trusts. These projections show the achievement of an increasing operating reserve fund (projected at \$10,019,000 at December 31, 2027) which will enable Arbor Acres to maintain the reserve requirements of G.S. 58-64-33 during the period of this forecast. The achievement of this reserve requirement is predicated upon Arbor Acres being subject to the 25% reserve requirement based upon the facility's anticipated occupancy of units exceeding 90%. The facility's occupancy is projected to be approximately 94.9% for existing independent living units and 94.6% for new independent living units after stabilization during this five-year period.

In addition to the investments discussed above, Arbor Acres had \$18,468,774 of financial assistance funds in place at the end of 2022. Of that amount, \$17,553,793 constituted the Assistance Endowment Fund; the balance constituted funds available for assistance to residents. These are funds which are used to provide charitable assistance to residents who otherwise would not be able to afford residency at Arbor Acres.

Investments of funds are currently managed by an investment advisor, Bank of America. These funds are invested in separate accounts each consisting of a variety of funds including US equities, International equities, Fixed income bond funds, a Real Estate Fund and alternative funds. Investment fund accounts specifically for Assistance Endowment resources are segregated from non-financial assistance amounts. Future investment strategies will depend upon future investment opportunities and market conditions. Additional fund accounts include the operating reserve fund and the strategic fund. Investment strategies will be reviewed continuously, and as the amount of money available for long-term investment changes, the diversity of investment vehicles utilized by the facility is likely to change.

Overall policies and decisions relative to the magnitude of reserve funds and the investment of reserve funds and financial assistance funds are under the direction of the Investment Committee of the Board of Directors. In 2022, Arbor Acres engaged Bank of America, to act as its Investment Manager. As the Investment Manager, Bank of America has the authority to exercise security trades as established by the Investment Policy parameters. Within the parameters of

these policies, specific investment decisions may be authorized by the Investment Committee and are executed by the Chief Financial Officer. All Investment Committee positions are held by board members and other community volunteers approved by the Board of Directors. David W. Matthews, Chief Financial Officer, is the only individual in the direct employment of Arbor Acres who is included in this investment authorization process. Mr. Matthews holds a Bachelor of Science degree in Accounting from The University of North Carolina at Charlotte (1995). Mr. Matthews is a Certified Public Accountant licensed in North Carolina (1999). His experience includes 17 years in public accounting, serving as a Senior Manager with a national accounting firm and nine years working in the hospitality and senior living industries as Controller and CFO.

An Escrow Agreement has been established for administering entrance fee receipts to the extent and as required by applicable statutes. A copy of the Escrow Agreement follows the financial section of this Disclosure Statement.

Facility Development/Expansion

The Board of Directors in 2019 approved a Core Facilities renovation plan that calls for independent living expansion and replacements of aging structures.

On May 1, Arbor Acres completed an Independent Living expansion on its current campus with the addition of two hybrid villa apartment buildings, adding a total of 56 new units. The project feature connectivity to the existing independent living common areas, including dining venues and meeting spaces. The steel and concrete apartment buildings include covered parking on the ground floor with apartments above, with unit sizes ranging from 1546 to 2005 square feet. Amenities include indoor and outdoor gathering areas, and two elevators in each building. SFCS Architects produced all architectural plans and drawings related to the project.

Arbor Acres continues to invest in its facilities to improve their appearance, functionality, and marketability. Occasionally, older houses that prove difficult or too costly to renovate are removed and replaced with new construction. Likewise, aging apartment buildings are constantly under renovation in order to improve the livability and marketability of smaller residential offerings. The eventual renovation and/or replacement of these aging structures remains part of the strategic master facilities plan, though no specific plans are in place to advance these initiatives in the foreseeable future.

Completion of Annual Disclosure Statement Filing Supplement

An Annual Disclosure Statement Filing Supplement was completed and included with Arbor Acres' 2023 disclosure filing to the North Carolina Department of Insurance.

OTHER MATERIAL INFORMATION, AS APPLICABLE

Arbor Acres is not the subject of any existing bankruptcy filing, receivership, liquidation or the like. The facility has historically been exempt from property taxes and remains exempt under

current statute which bases the degree of exemption upon the amount of charity care and community benefit provided by the facility.

STATEMENT OF RELATIONSHIP

THIS STATEMENT OF RELATIONSHIP is made and effective as of the day of August 28, 2018 by and between the Western North Carolina Annual Conference of the United Methodist Church (the "Conference") and Arbor Acres United Methodist Retirement Community, Inc., a nonprofit corporation organized and existing under the laws of the State of North Carolina (the "Affiliated Organization").

PRELIMINARY STATEMENT

The Conference is one of the annual conferences of The United Methodist Church. The term "The United Methodist Church" refers to the overall denomination and connectional relation and identity between its many local churches, the various conferences and their respective councils, boards and agencies, and other church units, which collectively constitute the religious system known as United Methodism. Under the Constitution and disciplinary procedures set forth in *The Book of Discipline of The United Methodist Church* (the "*Discipline*"), "The United Methodist Church" as a denominational whole is not an entity, nor does it possess legal capacities and attributes. It does not and cannot hold title to property, nor does it have any officer, agent, employee, office or location. Conferences, councils, boards, agencies, local churches and other units bearing the name "United Methodist" are, for the most part, legal entities capable of suing and being sued and possessed of legal capacities.

The connectional structure of the Church is maintained through the conferences. Each of the Annual Conferences (of which the Conference is one) is composed of an equal number of ministers and lay members elected by the local churches. In turn, there is one General Conference, composed of an equal number of ministers and lay members elected by the Annual Conferences. The *Discipline* is the book of law of the Church. The *Discipline* is the product of more than 200 years of the General Conferences of the denominations which now form the Church. Each General Conference amends, perfects, clarifies, and adds its own contribution to the *Discipline*. The *Discipline* reflects what is expected of its laity and clergy as they seek to be effective witnesses in the world as a part of the whole Body of Christ. (See paragraph 114 of the 1992 *Discipline*). The relationship set forth in this Statement of Relationship is solely and exclusively between the Conference and the Affiliated Organization.

United Methodists give high priority to helping and healing ministries as a vital part of their Christian mission. In the United States alone, there are hundreds of helping and healing programs related to local churches, and there are also hundreds of institutional ministries of which the Affiliated Organization is one. United Methodists recognize the importance of operating, maintaining and protecting those institutional ministries as a vital means of carrying out the Christian mission of United Methodism. The health and welfare ministries embraced within this mission include services in the areas of child care, aging, health care and handicapping conditions.

United Methodists, the Conference and the various institutional ministries share a common interest that health and welfare ministries bearing the name United Methodist shall be demonstrably caring, quality missions of Christian service that operate in a manner consistent with the Social Principles and other pertinent provisions of the *Discipline*.

The Affiliated Organization is one of the health and welfare ministries of United Methodism within the boundaries of and affiliated with the Conference. The Affiliated organization was organized with the encouragement and approval of the Conference by individuals members of the Church who were committed to the belief that the Affiliated Organization was needed to perform the ministry set forth in its charter (the "Ministry"). The Conference and the Affiliated Organization continue in that belief. The Ministry is among the Christian missions of United Methodism and of the Conference.

The purpose of this Statement of Relationship is to set forth an accurate statement of the relationship between the Conference and the Affiliated Organization.

NOW, THEREFORE, the Conference covenants and agrees with the Affiliated Organization and the Affiliated Organization covenants and agrees with the Conference that this Statement of Relationship, including the foregoing Preliminary Statement, is an accurate statement of the relationship between the Conference and the Affiliated Organization.

COVENANTS

1. Although the Conference and the Affiliated Organization share a common interest in carrying out the Christian mission of United Methodism and in the purposes of the Ministry of the Affiliated Organization, the Conference and the Affiliated Organization are separate, self-governing and independent. Neither is owned by the other nor is either the partner or agent of the other. The sole purpose of each of the parties in affiliating with the other as herein set out is that each believes this affiliation with the other is mutually beneficial to parties in the performance of their respective missions of Christian service. The parties hereto agree that under this affiliation:

- a) The members of the governing board of the Affiliated Organization shall be confirmed, elected and/or selected by the Conference, subject to the articles of incorporation and bylaws, present and future, as amended from time to time, of the Affiliated Organization. The governing board of the Affiliated Organization includes among its members both United Methodist ministers and laity within the Conference, and may include other persons as provided in its charter or bylaws.
- b) The Conference provides: (i) encouragement and support, including financial support to the extent deemed appropriate and feasible by the Conference; (ii) opportunities for the interchange of information and ideas among persons and institutions performing similar work and for the development of the Ministry goals and criteria; (iii) authorization for the Affiliated Organization to identify itself as an organization affiliated with the Conference; and (iv) an opportunity for the Affiliated Organization to report on the Ministry to each regular session of the Conference.
- c) The Affiliated Organization undertakes: (1) to fulfill its mission of Christian service in a manner that is consistent with the Social Principles and other pertinent provisions of the *Discipline*, and acceptable to those whom it would serve and to members of the Church in the Conference; and (ii) to the extent it deems appropriate, to utilize services of the Conference and the Church available to the Affiliated Organization in performing its Ministry.

d) The Affiliated Organization, desirous of gaining maximum benefit from its affiliation with the Conference and to satisfy the Conference that it continues to operate in a manner worthy of a United Methodist ministry, will continue to provide to the Conference such of the following as may be requested or desired by the Conference: (i) information that may be of interest to other similar ministries; (ii) copies of regular operational and financial reports; and (iii) other information regarding plans, services and ministries of the Affiliated Organization.

2. The Conference is not contractually or legally committed to provide any particular level or amount of financial support to the Affiliated Organization. Any support that the Conference does or may provide to the Affiliated Organization is, and shall be, voluntary, as determined, from time to time, solely by the Conference. The Conference has no authority to require the Affiliated Organization to assume any contractual, financial or other obligation; nor may the Conference accept or assume any such obligation in the name of the Affiliated Organization. Similarly, the Affiliated Organization has no authority to accept or assume any such obligation in the name of the Conference. Both agree that the Conference shall have no obligation or responsibility for or with respect to any contract, commitment or liability of the Affiliated Organization.

3. Church-wide solicitations (that is, solicitations addressed to the general membership of a local church) within or through local United Methodist churches of the Conference are not to be made by the Affiliated Organization except as heretofore or hereafter approved by the Conference or the resident bishop. Other solicitations, such as solicitations of individuals and entities, whether or not church members or church-related, are matters between the Affiliated Organization and the parties solicited and do not require the approval of the Conference.

4. If the affiliation between the Conference and the Affiliated Organization should at any time become unacceptable to them, or to one of them, they or either of them may sever the affiliation between them and thereafter operate entirely independently of the other. If action to sever the relationship is taken by one party only, that party shall give prompt written notice of the severance of the relationship to the other party.

5. In the event of the dissolution of the Affiliated Organization, its assets may be conveyed to the Conference or as otherwise provided in the articles of incorporation, as amended from time to time, of the Affiliated Organization.

6. This Statement of Relationship shall be subject to review and amendment at such times and in such manner as may be mutually agreeable to the Conference and the Affiliated Organization.

IN WITNESS WHEREOF, each of the parties hereto has caused this Statement of Relationship to be executed in its name on the date set opposite its name below.

Independent Auditor's Report

Board of Directors
Arbor Acres United Methodist Retirement Community, Inc. and Affiliate
Winston-Salem, NC

Opinion

We have audited the consolidated financial statements of Arbor Acres United Methodist Retirement Community, Inc. and Affiliate (collectively, the "Company"), which comprise the consolidated balance sheets as of December 31, 2022 and 2021, and the related consolidated statements of operations, changes in net assets, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements were available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the basic consolidated financial statements taken as a whole. The supplemental schedules listed in the foregoing table of contents are presented for purposes of additional analysis and are not a required part of the basic consolidated financial statements for the year ended December 31, 2022. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

1. Summary of Significant Accounting Policies

Organization

Arbor Acres United Methodist Retirement Community, Inc. ("Arbor Acres") is a non-profit corporation that operates a continuing care retirement community in Winston-Salem, North Carolina, providing residential, personal, and medical care to its residents. Arbor Acres is accredited by the Commission on Accreditation of Rehabilitation Facilities—Continuing Care Accreditation Commission.

In November 2018, Arbor Acres became the parent corporation and sole member of Arbor Acres Home Care, LLC ("Home Care"). Home Care operations began during the year ended December 31, 2019.

Principles of consolidation

The consolidated financial statements include the accounts of Arbor Acres and Home Care (collectively, "the Company"). All material intercompany accounts and transactions have been eliminated in consolidation.

Basis of accounting and presentation

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America (GAAP).

The Company classifies its net assets as net assets with or without donor restrictions:

- *Net assets without donor restrictions* – resources of the Company that are not restricted by donors or grantors as to use or purpose. These resources include amounts generated from operations, undesignated gifts, and the investment in property and equipment.
- *Net assets with donor restrictions* – resources that are subject to donor-imposed restrictions. Some donor imposed restrictions are temporary in nature, such as those satisfied by the passage of time or actions of the Company. Other donor-imposed restrictions stipulate that donated assets be maintained in perpetuity, but may permit the Company to use or expend part or all of the income derived from the donated assets.

Cash and cash equivalents

Cash and cash equivalents, excluding those classified as investments and assets whose use is limited, include cash in banks, cash on hand and investments in highly liquid debt instruments with an original maturity of three months or less when purchased. The Company maintains its cash in bank accounts which, at times, may exceed federally depository insurance (FDIC) limits. Management believes the credit risk associated with these deposits is minimal.

Investments

Investments in mutual funds, exchange traded funds, and fixed income securities are measured at fair value based on quoted market prices. Investment in certain alternative investments are recorded at net asset value. Net investment gain (loss) is reported in the consolidated statement of operations and consists of interest and investment income, realized and unrealized gains and losses, less external investment expenses. See Note 3 for further discussion of fair value measurements.

Arbor Acres United Methodist Retirement Community, Inc. and Affiliate
Notes to Consolidated Financial Statements

Beneficial interests in perpetual trusts are recorded when the Company is notified of the trust's existence and the necessary information to measure the interest is available. The arrangement is recognized as a donor-restricted contribution to revenue and as an asset, measured at fair value. Annual distributions from the trust are reported as investment income. Unrealized gains and losses are included in the change in net assets on the consolidated statements of operations and change in net assets. See Note 4 for further discussion of charitable trust arrangements.

Assets limited as to use

Assets limited as to use primarily include assets designated by the Board of Directors for specific purposes, assets restricted by donors for future capital improvements and resident assistance, assets limited under state statute and assets limited under trust agreements for debt service.

North Carolina General Statute Chapter 58, Article 64, requires continuing care retirement communities to maintain an operating reserve equal to a statutorily required percentage of total forecasted operating costs (less certain expenses) for a specific period. This operating reserve is not Board-controlled and cannot be used without the prior approval of the commissioner of the North Carolina Department of Insurance pursuant to GS § 58-64-33(c). At December 31, 2022 and 2021, this reserve totaled \$7,962,500 and \$7,598,500, respectively.

Assistance endowment funds include donor restricted funds and amounts designated by the Board of Directors. The Company uses certain board designated net assets and the earnings from certain restricted net assets for assistance to residents.

Fair value measurements

Fair value as defined under GAAP is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company utilizes market data or assumptions that market participants would use in pricing the asset or liability. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used when measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Accounts receivable

Accounts receivable consists of resident accounts receivable, Medicare and other third-party payers, and other miscellaneous receivable amounts. Accounts receivable are recorded at the amount management expects to collect.

Property and equipment

Property and equipment are stated at cost less accumulated depreciation. Donated property is recorded at its estimated fair value at the time of receipt. Interest on borrowings used to finance the facility is capitalized during construction. Depreciation is computed using the straight-line method based on the following estimated useful lives:

Land improvements	20 years
Buildings	10 to 40 years
Furniture and equipment	3 to 10 years

Arbor Acres United Methodist Retirement Community, Inc. and Affiliate
Notes to Consolidated Financial Statements

Debt issuance costs

Debt issuance costs include underwriter fees, feasibility studies, modification fees and other professional fees. Debt issuance costs have been recorded as a deduction against the related debt and are being amortized using the straight-line method over the lives of the various debt issues, which approximate amortization computed using the effective interest method.

Refundable deposits

The Company had collected escrow deposits totaling \$3,135,750 and \$2,034,650 as of December 31, 2022 and 2021, respectively. These escrow deposits are reflected as refundable deposits and escrows deposits held by trustee on the balance sheet. Refundable deposits also include the portion of the payment of parking and golf cart fees that will be refunded to the resident when parking or golf carts fees are no longer required.

Donor restrictions

Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of operations and changes in net assets as net assets released from restrictions.

Gifts of property and equipment (or other long-lived assets) are reported as support without donor restrictions unless specific donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Interest rate swaps

The Company utilizes interest rate swaps to manage the variability in interest rates on its variable rate debt. The Company accounts for its interest rate swaps under GAAP, which requires companies to recognize all derivative instruments as either assets or liabilities in the balance sheet at fair value. The accounting for changes in the fair value (i.e., gains or losses) of a derivative instrument depends on whether it has been designated and qualifies as part of a hedging relationship and, further, on the type of hedging relationship. For those derivative instruments that are designated and qualify as hedging instruments, a company must designate the hedging instrument, based upon the exposure being hedged, as a fair value hedge, cash flow hedge, or a hedge of the foreign currency exposure of a net investment in a foreign operation. For derivative instruments not designated as hedging instruments, the changes in fair value are recognized in excess of revenue over expenses. The Company's interest rate swaps are not designated as a hedging instrument and the change in fair value is included in excess of revenue over expenses.

Obligation to provide future services

The Company annually calculates the present value of the net cost of future services and the use of facilities to be provided to current residents and compares that amount with the balance of deferred entrance fees. If this calculated value exceeds the deferred entrance fees, a liability is recorded, with a corresponding charge to income. The obligation is discounted at 2.71 percent based on management's estimate of interest earnings. At December 31, 2022 and 2021, the calculated value did not exceed the balance of deferred entrance fees; therefore, no liability for the obligation to provide future services is required to be recorded.

**Arbor Acres United Methodist Retirement Community, Inc. and Affiliate
Notes to Consolidated Financial Statements**

Income taxes

The Company is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Home Care is a limited liability company that has not elected to be taxed as a corporation under current Internal Revenue Code (IRC) regulations. Home Care is wholly owned by Arbor Acres. As such, Home Care is considered a disregarded entity under current IRC regulations.

Based on the information above, the accompanying consolidated financial statements do not reflect a provision or liability for federal and state income taxes. The Company has determined that it does not have any material unrecognized tax benefits or obligations as of December 31, 2022.

Deferred revenue from entrance fees

Fees paid by a resident upon entering into a contract agreement are recorded as deferred revenue and amortized into income using the straight-line method over the estimated remaining life expectancy of the resident, adjusted on an annual basis. The non-refundable portion of the entrance fee that is considered an application fee is recognized as income when the resident moves in. Subject to certain exceptions, entrance fees are initially refundable, but become non-refundable at the rate of two percent per month until becoming fully non-refundable after 50 months. Upon receiving payment of an entrance fee from an acceptable substitute resident, the Company will refund to the resident, or to resident's estate, the applicable amount of refund owed. Total contractual refund obligations under existing contracts (that is if all residents with a refundable balance were to have withdrawn) are \$12,321,035 and \$9,521,425 at December 31, 2022 and 2021, respectively.

Statement of operations and changes in net assets

The consolidated statements of operations include excess of revenues over expenses. Changes in net assets which are excluded from excess of revenues over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which by donor restriction were to be used for the purposes of acquiring such assets). The Company considers excess of revenues over expenses to be its performance indicator.

Methods used for allocation of expenses among programs and supporting services

The Company has presented a schedule of expenses by both function and nature in Note 17. The Company allocates expenses on a functional basis among its various programs and supporting services. The schedule of expenses in Note 17 reports certain categories of expenses that are attributable to one or more program or supporting services of the retirement community. These expenses include food service, facilities service, and depreciation. Facilities service and depreciation are allocated based on square footage. Food service is allocated based on occupancy.

Resident fees

Resident fees represent the estimated net realizable amounts from residents, third-party payors, and others for services rendered as further described in Note 2.

**Arbor Acres United Methodist Retirement Community, Inc. and Affiliate
Notes to Consolidated Financial Statements**

Financial assistance

The Company currently maintains a financial assistance program and policy for residents holding continuing care residency agreements in the event the resident(s) should become unable to pay for services. The Company reserves the right to change the program and policy and does not guarantee future financial assistance. Since the Company does not expect to collect the normal charges for services provided for those residents who meet the financial assistance provisions, estimated charges for such assistance are not included in revenue. The cost of the charity care provided by the Company is based on financial assistance awarded to qualifying residents (Note 7), charges forgone under government and other third-party payer programs as well as charges that residents are unable to pay. The cost of providing charity care was approximately \$1,346,000 in 2022 and \$1,443,000 in 2021. The cost is discounted by the operating margin percentage (operating revenues less realized gains/losses on investments divided by operating expenses), which calculated to be -7.30 percent for 2022 and -6.70 percent for 2021. The Company uses both board restricted funds and net assets with donor restrictions that are temporary in nature to provide financial assistance. The Company receives contributions in three main ways: through annual fundraising efforts, annual requests of outreach ministries, and estate donations. Donations and other services provided by the Company that were not reimbursed by other sources were approximately \$515,000 and \$335,000 in 2022 and 2021, respectively, for a total community benefit of \$1,861,000 and \$1,778,000, respectively.

Use of estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates.

Adoption of New Accounting Standards

On January 1, 2022, the Company was required to adopt the requirements of Accounting Standards Update ("ASU") 2016-02, Leases (Topic 842). The objective of this ASU, along with several related ASUs issued subsequently, is to increase transparency and comparability between organizations that enter into lease agreements. For lessees, the key difference of the new standard from the previous guidance (Topic 840) is the recognition of a right-of-use (ROU) asset and lease liability on the balance sheet. The most significant change is the requirement to recognize ROU assets and lease liabilities for leases classified as operating leases. The standard requires disclosures to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

As part of the transition to the new standard, the Company was required to measure and recognize leases that existed at January 1, 2022 using a modified retrospective approach. For leases existing at the effective date, the Company elected the package of three transition practical expedients and therefore did not reassess whether an arrangement is or contains a lease, did not reassess lease classification, and did not reassess what qualifies as an initial direct cost.

There was no material impact to the consolidated financial statements as a result of Topic 842.

Subsequent events

Subsequent events have been evaluated through April 13, 2023, which is the date the consolidated financial statements were available to be issued.

Reclassifications

Certain amounts in the 2021 financial statements were reclassified in order to conform to the 2022 presentation. Such reclassifications include a \$897,000 decrease to cash and a \$897,000 increase to investments.

2. Revenue Recognition

The Company generates revenues, primarily by providing housing and health services to its residents. The following streams of revenue are recognized as follows:

Monthly service fees

The contracts that residents select require an advanced fee and monthly fees based upon the type of accommodation they are applying for. Resident fee revenue for recurring and routine monthly services is generally billed monthly in advance. Payment terms are usually due within 30 days. The services provided encompass social, recreational, dining along with assisted living and nursing care and these performance obligations are earned each month. Under Accounting Standards Codification ("ASC") Topic 606, management has determined that the performance obligation for the standing obligation to provide the appropriate level of care is the predominate component and does not contain a lease component under ASC Topic 842. Resident fee revenue for non-routine or additional services are billed monthly in arrears and recognized when the service is provided.

Entrance fees

The nonrefundable entrance fees are recognized as deferred revenue upon receipt of the payment and included in liabilities in the consolidated balance sheet until the performance obligations are satisfied. The refundable portion of an entrance fee is not considered part of the transaction price and as such is recorded as a liability in the consolidated balance sheet. Additionally, management has determined the contracts do not contain a significant financing component as the advanced payment assures residents the access to health care in the future. These deferred amounts are then amortized on a straight-line basis into revenue on a monthly basis over the life of the resident as the performance obligation is the material right associated with access to future services as described in FASB ASC 606-10-55 paragraph 42 and 51.

Health care services

In the facility, the Company provides assisted and nursing care to residents who are covered by government and commercial payers. The Community is paid fixed daily rates from government payers. The fixed daily rates and other fees are billed in arrears monthly. The monthly fees represent the most likely amount to be received from the 3rd party payors. Most rates are predetermined from Medicare.

Under ASC Topic 606, management has elected to utilize the portfolio approach in aggregating the revenues under these revenue streams.

3. Fair Value of Financial Assets and Liabilities

Prices for certain investments, such as mutual funds, exchange traded funds, and fixed income securities, are readily available in active markets in which those securities are traded thus the resulting fair values are categorized as Level 1. Prices for Level 2 assets and liabilities are determined on a recurring basis based on inputs readily available in public markets or can be derived from information available in publicly quoted markets. As further explained in Note 4, the Company has a beneficial interest in a perpetual trust. The value of this trust is disclosed as level 3 in the fair value table below in accordance with GAAP and is valued at the market price of the underlying investments.

The Company invests in certain investments for which quoted prices are not available in active markets for identical instruments. The Company utilizes the net asset value (NAV) provided by the administrator of the fund as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. These investments are not required to be classified within a level on the fair value hierarchy.

There were no changes during the years ended December 31, 2022 and 2021 to the Company's valuation techniques used to measure asset and liability fair values on a recurring basis.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels. The following table sets forth by level, within the fair value hierarchy, the Company's financial assets and liabilities accounted for at fair value on a recurring basis as of December 31, 2022 and 2021:

	Fair Value as of December 31, 2022			Total

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following is a reconciliation of the beginning and ending balances of assets measured at fair value on a recurring basis classified as Level 3 during the years ended December 31, 2022 and 2021.

4. Charitable Trust Arrangements

Charitable Remainder Trust

A charitable remainder trust provides the payment of distributions to the donor or other designated beneficiaries over the income beneficiaries' lifetimes. At the end of the trust's terms, the remaining assets are available for the Company's use as specified by the donor.

A charitable remainder trust has named the Company the remainder beneficiary. The trust provides payments out of principal which prevents the ability to measure the interest. No asset is recorded in relation to the trust.

Perpetual Trusts

During 2019, the Company received information that identified it is the beneficiary of perpetual trusts and subsequently recorded an asset for the beneficial interests and a corresponding donor-restricted contribution which is reflected on the consolidated statement of operations and changes in net assets. The Company will receive income distributions from the perpetual trusts but will not receive the assets of these trusts. Distributions from the trusts are unrestricted. The beneficial interest in these perpetual trusts, recorded as donor-restricted net assets, were \$1,219,500 and \$1,536,729 at December 31, 2022 and 2021, respectively.

8. Endowment Funds

The Company's endowment was organized to provide financial assistance to the residents of the Company in the event the resident(s) become unable to pay for services, and to help provide maintenance to the swimming pool. The Company's endowment funds include donor-restricted funds and board designated funds classified as net assets without restrictions. As required by generally accepted accounting principles in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of relevant law

The Board of Directors of the Company has interpreted the North Carolina Uniform Prudent Management of Institutional Funds Act (the Act) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Company has classified as perpetually restricted net assets (a) the original value of gifts donated to the perpetual endowment, (b) the original value of subsequent gifts to the perpetual endowment, and (c) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the amount is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in perpetually restricted net assets is classified as with donor restrictions until those amounts are appropriated for expenditure by the Company in a manner consistent with the standard of prudence prescribed by the Act. In accordance with the Act, the Company considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund
2. The purposes of the organization and the donor-restricted endowment fund
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of investments
6. The investment policies of the Company

Return objectives and risk parameters

The Company has adopted investment and spending policies for endowment assets that are intended to provide an ongoing stream of funding for financial assistance that is supported by the endowment. Endowment assets include assets of donor-restricted funds that the organization must hold in perpetuity as well as board-designated funds. Under this policy, as approved by the Board, the endowment assets are invested in a manner that is intended to produce a high level of total investment return consistent with a prudent level of portfolio risk. The Company expects its endowment funds, over time, to provide an average rate of return of approximately 4.5 percent annually. Actual returns in any given year may vary from this amount.

Strategies employed for achieving objectives

To satisfy its long-term rate-of-return objectives, the Company relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Company targets a diversified asset allocation that includes fixed income instruments and equity-based investments to achieve its long-term return objectives within prudent risk constraints. Investments are rebalanced quarterly in order to maintain the desired asset allocation mix.

Arbor Acres United Methodist Retirement Community, Inc. and Affiliate
Notes to Consolidated Financial Statements

Spending policy and how the investment objectives relate to the spending policy

The Company's policy is to appropriate for distribution the accumulated income and appreciation up to 4.5 percent of the trailing three calendar year end average market balance. In establishing this policy, the Company considered the long-term expected return on its endowment. Accordingly, over the long term, the Company expects the current spending policy to allow its endowment to grow at an average of 4.5 percent annually. The exception to this policy would be that if the accumulated income and appreciation of the donor restricted endowment is less than 4.5 percent of the trailing three calendar year-end average market balance, the funds necessary to support the annual financial assistance would be taken from the board designated portion of the endowment fund. In this way, the principal of the donor restricted endowment is preserved. This is consistent with the Company objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

Changes in endowment net assets for the years ended December 31, 2022 and 2021 are as follows:

	<u>Without Donor Restrictions</u>	<u>With Donor Restrictions</u>	<u>Total</u>

9. Employee Benefits

The Company's employees may participate in the United Methodist Personal Investment Plan defined contribution retirement plans of the General Board of Pensions of The United Methodist Church. These plans cover all employees who elect to participate the first of the month following their employment, as determined at enrollment dates each month. Arbor Acres contributes a match equal to 200% of all contributions up to a maximum of 6 percent of regular earnings for all eligible participating employees. Effective January 1, 2021, Home Care conditionally contributes a match equal to 50% of contributions up to a maximum of 3 percent of regular earnings for all eligible participating employees. Company contributions for the years ended December 31, 2022 and 2021 were approximately \$627,000 and \$565,000, respectively.

On February 23, 2023, The Company merged the Arbor Acres and Home Care Plans. The merged plan is called the Arbor Acres 403(b) Plan. The merged plan covers all employees of Arbor Acres and Home Care. New hires are eligible for participation on their first day of employment. The Company contributes a match equal to 200% of all contributions up to a maximum of 6 percent of regular earnings for all eligible participating employees.

10. Professional Liability and Workers Compensation Coverage

The Company has an insurance policy for possible litigation in the ordinary course of business related to professional liability claims. Management believes that claims, if asserted, would be settled within the limits of coverage, which is on a claims-made basis. Should the Company not renew its claims-made policy, or replace it with equivalent insurance, occurrences incurred during its term but asserted after its expiration would be uninsured, unless the Company obtains tail coverage. No claims were outstanding at year-end and the Company has made no accrual for unasserted claims.

In 2022, the Company contributed surplus of \$92,530 and became a subscriber of the Unity Mutual Insurance Company (UMIC), reciprocal captive insurance company. UMIC provides reinsurance coverage for workers' compensation coverage, for the UMIC subscribers, based on a quota share arrangement. The workers' compensation policy covers workers' compensation claims on a statutory basis and also provides Employers Liability limits of \$1,000,000 per occurrence. As part of this arrangement, the Company is entitled to a share in the profits and losses of UMIC in accordance with an Allocation Policy Agreement. These annual allocations are not cash allocations, but rather income or loss allocations retained in their subscriber's allocation account of UMIC which will increase and decrease the Company's subscriber interest in UMIC. Subscriber allocations are determined and made on or before March 15th and are recorded in the Company's change in net assets in the year the allocation is made.

11. Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents, accounts receivable and other assets approximate fair value. Investments, assets limited as to use, beneficial interests in trusts and the interest rate swaps are reported at fair value as of the date of the consolidated financial statements. See Note 3 for more information relating to the fair value of investments, assets limited as to use and the interest rate swaps.

The carrying amounts of accounts payable, accrued expenses, accrued interest payable and other accrued and long-term liabilities approximate fair value. The carrying amount of the 2010 series, 2016 series and 2021 bonds approximates fair value as they contain variable interest rates.

12. Interest Rate Swap Agreements

The Company has entered into interest rate swap agreements ("Swaps"). The table below summarizes the terms of the various swap agreements.

	<u>Original Notional</u>	<u>Effective Date</u>	<u>Maturity Date</u>	<u>Borrower Pays</u>
	\$ 25,800,000	2/1/2018	12/1/2037	3.333%
	\$ 12,297,000	2/1/2018	1/1/2031	2.914%
	\$ 8,450,000	9/25/2019	9/25/2034	2.865%
	\$ 23,000,000	7/1/2023	7/1/2033	2.205%

The fair value of the Company's interest rate swaps are reported as a long-term asset or liability in the consolidated balance sheets. The change in fair value of the interest rate swaps are included in excess of revenues over expenses in the accompanying consolidated statements of operations and changes in net assets.

Arbor Acres United Methodist Retirement Community, Inc. and Affiliate
Notes to Consolidated Financial Statements

Absent an early termination, subsequent changes in the interest rate swaps will continue to be reflected in excess of revenues over expenses, which has no cash flow impact to the Company. The cash flow settlements of the interest rate swap agreements are reflected annually in interest expense as the Company pays interest to the swap counterparty at the rates noted above.

13. Health Insurance Plan

In 2019, the Company established a self-funded employee health insurance plan administered by a third party. The plan is funded by employee and employer contributions and is available to all full-time staff. The costs of the plan are comprised of expected net claims, insurance premiums to acquire specific stop loss coverage and claims administration fees. Claims in excess of the stop-loss limit of \$100,000 are funded by insurance coverage. The Company has estimated and recorded amounts for the self-insurance portion of this arrangement. Plan costs incurred by the Company were approximately \$1,839,000 and \$1,709,000 for the years ended December 31, 2022 and 2021, respectively. The estimate for claims incurred but not reported is approximately \$225,000 as of December 31, 2022 and 2021.

14. Liquidity and Availability

As part of its liquidity management, the Company has a policy to structure its financial assets to be available as its general expenses, liabilities, and other obligations come due. In addition, the Company invests cash in excess of daily operating funds in short-term investments such as treasury bills, certificates of deposit, and money market funds.

The following schedule reflects the Company's financial assets to meet cash needs for general expenses within one year. The financial assets were derived from the total assets on the consolidated balance sheets by excluding the assets that are unavailable for general expenses in the next 12 months. Board designated amounts for capital projects have been included in the schedule below as the board could release these funds for liquidity purposes if needed.

The Company also has the ability to draw down on a \$3,000,000 line of credit if needed (as discussed in Note 6).

The Company seeks to maintain sufficient liquid assets to cover 30 to 45 days of operating and capital expenses.

Asset Categories	2022	2021

15. Related Party Transactions

The Company utilized a construction company in which a board member's spouse is a key member of management. The Company received services in the amount of approximately \$34,322,000 and \$7,886,000 from the construction company in 2022 and 2021, respectively. Additionally, the Company owed approximately \$5,582,000 to the construction company as of December 31, 2022 which is included in accounts payable on the consolidated balance sheets.

16. Provider Relief Funds and Government Grants

In response to the economic impact of the COVID-19 pandemic, Congress also introduced the Employee Retention Credit (ERC). The ERC is a refundable payroll tax credit available to taxpayers who experienced either a full or partial suspension of business operations due to government orders or had a significant drop in gross receipts in 2020 or the first three quarters of 2021. The credit is available for 50 percent of qualified wages for 2020 and 70 percent of qualified wages for the first three quarters of 2021 limited to a maximum credit per qualified employee. The Company qualifies for the ERC and accounts for the ERC as a government grant. The ERC may be recognized once the conditions attached to the grant have been substantially met. As of December 31, 2022, the Company incurred qualifying wages and has recognized approximately \$4,052,000 associated with the ERC as other income in the consolidated statement of operations and changes in net assets with a corresponding receivable in the consolidated balance sheet.

Summary of Significant Projection Assumptions and Rationale

Basis of Presentation

The accompanying financial projection presents, to the best of the knowledge and belief of Arbor Acres United Methodist Retirement Community, Inc. (the "Corporation") the expected financial position, results of operations, and cash flows of the Corporation and Arbor Acres Home Care, LLC (the "Affiliate") as of and for each of the five years ending December 31, 2027. Accordingly, the financial projection reflects management of the Corporation's ("Management") judgment as of May 12, 2023, the date of this projection, of the expected conditions and its expected course of action during the projection period. There will usually be differences between the prospective and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

The accompanying projection and this report were prepared to comply with the requirements of North Carolina General Statutes, Chapter 58, Article 64. Accordingly, this report should not be used for any other purpose. The prospective financial statements included in the projection have been prepared in accordance with the accounting principles generally accepted in the United States of America. Significant accounting policies are described in the appropriate assumptions and notes to the prospective financial statements. The assumptions described are not all-inclusive.

A hypothetical assumption is an assumption used in a financial projection to present a condition or course of action that is not necessarily expected to occur, but is consistent with the purpose of the presentation. Hypothetical assumptions are not derived from sources, which are based upon supporting documentation such as contracts, agreements, or other empirical data. Management has prepared its financial projection assuming the hypothetical assumption that the Aldersgate Square Independent Units (defined later in this report) are successfully marketed and occupied at assumed occupancy levels and that adequate demand for services exists to support the assumed utilization.

Background

The Corporation, incorporated in 1975, is a non-profit corporation under Internal Revenue Code Section 501(c)(3) and is, therefore, exempt from federal and state income taxes. The Corporation owns and operates a continuing care retirement community ("CCRC") known as Arbor Acres (the "Community") in Winston-Salem, North Carolina.

The Corporation was organized under the sponsorship of the Western North Carolina Annual Conference of the United Methodist Church (the "Conference"). The Conference is not responsible for the financial and contract obligations of the Corporation. The Community operates under the supervision of a volunteer Board of Directors (the "Board"), whose members are elected by the Board. The Board is responsible for the establishment of operational policy and consists of not less than 15 or more than 25 members. Board members are elected for a three-year term and are eligible for one additional successive three-year term. After serving six successive years, a Board member must be off the Board for one year before becoming eligible again.

The Affiliate was formed in 2018 to provide skilled nursing, sitter, and home care aide services to residents of the Community in the comfort of the residents' homes.

The Community is located on approximately 82 acres in Winston-Salem, Forsyth County, North Carolina at 1240 Arbor Road and provides a continuum of residential accommodations which currently include 177 independent living apartments (the “Independent Living Apartments”), 132 independent living homes (the “Independent Living Homes”), 65 assisted living units (the “Assisted Living Units”), 30 assisted living memory care units (the “Memory Care Units”), and 83 skilled nursing beds (the “Nursing Beds”).

The Independent Living Apartments are located in four mid-rise residential buildings that also include the following support facilities: business offices, fellowship hall, recreational areas, dining room, bistro, beauty shop, several parlors, kitchen, housekeeping, laundry, and maintenance service areas. The Independent Living Apartments and the Independent Living Homes are collectively referred to as the “Independent Living Units.”

In 2018, the Corporation added a membership program known as the “Advantage Program”, offered to prospective residents living in the surrounding area. Advantage Program members have access to Community amenities and health care services while remaining in their current homes.

Management completed an expansion to the Community in April 2023 known as “Aldersgate Square”, which consists of 56 additional independent living apartments (referred to as the “Aldersgate Square Independent Living Units”).

The following table summarizes the type, number, approximate square footage, monthly fees (“Monthly Fees”) and entrance fees (“Entrance Fees”) for the Independent Living Units.

Residency Agreement

Services and Amenities

The residency agreement (“Residency Agreement”) is a contract under which the Corporation is obligated, upon payment by the resident (the “Resident” or “Residents”) of an Entrance Fee and ongoing Monthly Fees, to provide certain services to the Resident. While the Resident occupies an Independent Living Unit, services provided include:

- Dining services with meals or meal allowance;
- Weekly housekeeping service and annual deep cleaning;
- Laundering of bed and bath linens furnished by the Community;
- Heat, air conditioning, electricity, gas, water and sewer; telephone jack, but no personal telephone handset or telephone service;
- Basic cable television and internet service;
- Emergency call system, nursing assessments, and assistance in emergencies;
- Routine consultation regarding health concerns;
- Recreational, educational, cultural, wellness, and spiritual life programs;
- Routine transportation to non-emergency medical appointments;
- In-patient care in the Health Center with limited days at no additional charge;
- Maintenance of the Community’s buildings and common grounds; and
- 24-7 security personnel on the grounds of the Community.

Admittance Standards

To be accepted for residency to a selected Independent Living Unit, the Resident will execute a Residency Agreement. The terms of the Residency Agreement require the Corporation accept persons who exhibit the ability to live independently and meet the financial obligation as a Resident. Upon execution of the Residency Agreement, the Resident has the following payment options: (i) pay the Entrance Fee in full, or (ii) pay twenty-five percent of the total Entrance Fee, with the balance to be paid no later than five days prior to the date of occupancy.

Additional Services or Care

Pursuant to the Residency Agreement, the Resident may reside in the Independent Living Unit for as long as he or she is capable of meeting the requirements of occupancy. If the Resident is no longer able to meet the requirements of residing in the Independent Living Units, the Resident may be transferred temporarily or permanently to a Healthcare Unit.

Summary of Significant Accounting Policies

(a) Basis of Accounting

The Corporation and Affiliate maintain its accounting and financial records according to the accrual basis of accounting.

(b) Principles of Consolidation

The consolidated financial statements include the accounts of the Corporation and the Affiliate. All material intercompany accounts and transactions have been eliminated in consolidation.

(c) Cash and Cash Equivalents

Cash and cash equivalents, excluding those classified as investments and assets whose use is limited, include cash in banks, cash on hand and investments in highly liquid debt instruments with an original maturity of three months or less when purchased. The Corporation maintains its cash in bank accounts which, at times, may exceed federally depository insurance (FDIC) limits. Management believes the credit risk associated with these deposits is minimal.

(d) Investments

Investments in mutual funds, exchange traded funds, and fixed income securities are measured at fair value based on quoted market prices. Investment in certain alternative investments are recorded at net asset value. Investment income (including realized gains and losses on investments, interest, and dividends) is included in operating income unless restricted by donor or law. Management assumes no realized or unrealized gains and losses in the projection period.

(e) Assets Limited as to Use

Assets limited as to use primarily include assets designated by the Board, over which the Board retains control and may, at its discretion, subsequently use for other purposes, or restricted by donors or trustee agreements for future capital improvements, operating reserves, and resident assistance.

North Carolina General Statute Section 58-64-33 requires CCRC's to maintain an operating reserve equal to 50 percent of total operating expenses (adjusted for non-cash items) in a given year, or 25 percent of such total operating expenses (adjusted for non-cash items) if independent living and assisted living occupancy exceeds 90 percent.

Assistance endowment funds include donor restricted funds and amounts designated by the Board. The Corporation uses certain board designated net assets and the earnings from certain permanently restricted net assets for assistance to Residents.

(f) Property and Equipment

Property and equipment are stated at cost less accumulated depreciation. Donated property is recorded at its estimated fair value at the time of receipt. Depreciation is computed using the straight-line method based on the following estimated useful lives:

Land improvement	20 years
Buildings	10-40 years
Furniture and equipment	3-10 years

(g) Debt Issuance Costs

Debt issuance costs include underwriter fees, feasibility studies, modification fees, and other professional fees. Debt issuance costs have been recorded as a deduction against the related debt and are being amortized using the straight-line method over the lives of the various debt instruments, which approximate amortization computed using the effective interest method.

(h) Refundable Deposits

Refundable deposits include advance payments to be made at the time an individual is accepted for residency into the Aldersgate Square Independent Living Units, as well as the portion of the payment of parking fees that will be refunded to the resident when parking is no longer required.

(i) Obligation to Provide Future Services

As of December 31, 2022, the obligation calculated resulted in the Corporation's net present value of future cash inflows exceeding the net present value of future expenditures, less the balance of unamortized deferred revenue, plus depreciation of facilities to be charged related to resident contracts. Therefore, no liability was reflected in the consolidated balance sheet as of December 31, 2022. For purposes of the projection, no provision for future service obligations is assumed to be required during the projection period.

(j) Interest Rate Swap

The Corporation utilizes interest rate swaps to manage the variability in interest rates on its bonds. The Corporation accounts for its interest rate swaps under accounting principles generally accepted in the United States, which requires companies to recognize all derivative instruments as either assets or liabilities in the balance sheet at fair value. The accounting for changes in the fair value (i.e., gains or losses) of a derivative instrument depends on whether it has been designated and qualifies as part of a hedging relationship and, further, on the type of hedging relationship. For those derivative instruments that are designated and qualify as hedging instruments, a company must designate the hedging instrument, based upon the exposure being hedged, as a fair value hedge, cash flow hedge, or a hedge of the foreign currency exposure of a net investment in a foreign operation. For derivative instruments not designated as hedging instruments, the changes in fair value are recognized in excess revenue over expenses. The Corporation's interest rate swaps are not designated as hedging instruments and the changes in fair value are included in changes in net assets without donor restrictions. For purposes of the projection, no changes in the fair value of interest rate swaps are assumed during the projection period.

(k) Income Taxes

The Corporation has been recognized by the Internal Revenue Service as a not-for-profit corporation as described in Sec. 501(c)(3) of the Internal Revenue Code (the "IRC"), and is exempt from federal income taxes pursuant to Sec. 501(a). The Affiliate is a limited liability company that has not elected to be taxed as a corporation under IRC regulations. The Affiliate is wholly owned by the Corporation. As such, the Affiliate is considered a disregarded entity under current IRC regulations.

(l) Deferred Revenue from Entrance Fees

The non-refundable portion of Entrance Fees received are recorded as deferred revenue and are recognized as operating income using the straight-line method over the estimated remaining life expectancy of the Residents in the Independent Living Units, adjusted annually as determined by actuarial life expectancy tables.

(m) Refundable Entrance Fees

Refundable entrance fees represent the total contractual refund obligations under existing contracts (that is if all Residents with a refundable balance were to have withdrawn).

(n) Resident Fees

Resident fees represent the estimated net realizable amounts from patients, third-party payors, and others for services rendered. Resident fees are recorded as revenue when earned.

(o) Financial Assistance

The Corporation currently maintains a financial assistance program and policy for Residents holding continuing care residency agreements in the event the resident(s) should become unable to pay for services. The Corporation reserves the right to change the program and policy and does not guarantee future financial assistance. The Corporation does not expect to collect the normal charges for services provided for those Residents who meet the financial assistance provisions so estimated charges for such assistance are not included in revenue. The Corporation uses both donor restricted and board-restricted funds to provide financial assistance. The Corporation receives contributions in three primary ways: through annual fundraising efforts, annual requests of outreach ministries, and estate donations.

(p) Use of Estimates

The preparation of the projected financial statements in conformity with accounting principles generally accepted in the United States of America requires Management to make estimates and assumptions that affect the amounts reported in the projected consolidated financial statements. Actual results could differ from those estimates.

(q) Net Assets

The Corporation classifies its net assets as net assets with or without donor restrictions:

- Net assets without donor restrictions – resources of the Corporation that are not restricted by donors or grantors as to use or purpose. These resources include amounts generated from operations, undesignated gifts, and the investment in property and equipment.
- Net assets with donor restrictions – resources that are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those satisfied by the passage of time or actions of the Corporation. Other donor-imposed restrictions stipulate that donated assets be maintained in perpetuity, but may permit the Corporation to use or expend part or all of the income derived from the donated assets.

Summary of Revenue and Entrance Fee Assumptions

Independent Living Units

Resident service revenue for Residents living in the Independent Living Units is based upon the assumed occupancy and the Monthly Fees of the respective units. The Independent Living Units' Monthly Fees are assumed to increase 3.0 percent beginning January 1, 2024 and annually thereafter.

The Independent Living Units are assumed to maintain a 94.8 percent occupancy level throughout the projection period. Aldersgate Square Independent Living Unit occupancy of approximately 92.9 percent is assumed to be achieved by October 2023 and remain constant at that level throughout the remainder of the projection. The following table summarizes the assumed utilization of the Independent Living Units.

Table 3

Assumed Independent Living Turnover

The assumed turnover for the Independent Living Units due to death, withdrawal, or transfer to assisted living, memory care, or nursing accommodations, and double occupancy of the Independent Living Units has been based, in part, on historical experience of the Corporation.

Refunds of Entrance Fees are generated upon termination of the Residency Agreement and withdrawal from the Community, subject to the re-occupancy of the vacated Independent Living Units. Entrance Fees may be generated from Independent Living Unit turning over without a corresponding refund because the Resident has not withdrawn from the Community, but has permanently transferred to assisted living, memory care, or nursing accommodations. The assumed number of refunds on the Independent Living Units is provided by Management.

The following table presents the assumed initial and attrition Entrance Fees received and the total Entrance Fee refunds.

Assisted Living Units and Memory Care Units

The Community currently has accommodations, equipment, staffing, programs, services, and supervision necessary for the Assisted Living Units and Memory Care Units, with these accommodations available to Residents on a priority basis. However, the Corporation cannot guarantee access to these areas.

The Monthly Fees are generated from assisted living and memory care services provided to Residents transferring from the Independent Living Units or Assisted Living Units, as well as direct admissions from the surrounding area to the Assisted Living Units or Memory Care Units. Residents permanently transferring from the Independent Living Units to the Assisted Living Units or from Independent Living Units or Assisted Living Units to Memory Care Units are assumed to pay the then-current Monthly Fee. Assisted Living Monthly Fees and Memory Care Monthly Fees are assumed to increase 3.0 percent beginning January 1, 2024 and annually thereafter.

The Assisted Living Units and Memory Care Units are assumed to maintain a 95.2 and 93.3 percent occupancy level throughout the projection period, respectively. The following table summarizes the assumed utilization of the Assisted Living Units.

Residents permanently transferring from the Independent Living Units, the Assisted Living Units, or the Memory Care Units would pay the then current Daily Rate. Nursing Bed Daily Fees are assumed to increase 3.0 percent beginning January 1, 2024 and annually thereafter.

The Nursing Beds are assumed to maintain an 88.9 percent occupancy level throughout the projection period. The following table summarizes the assumed utilization of the Nursing Beds.

As the operator, Sponsor will from time to time enter into non-binding priority list reservation agreements with persons desiring to reside at Arbor Acres and into binding reservation agreements and/or resident agreements with persons contracting for residences at the Community; and

B. Pursuant to such non-binding priority list reservation agreements, persons desiring to reside at Arbor Acres deposit funds ("Deposits") with Sponsor and, pursuant to such binding reservation agreements and/or resident agreements, the prospective resident(s) ("Depositing Person(s)") contracting for a residence are required to pay all or a portion of certain entrance fees ("Entrance Fees") prior to occupancy by them; and

C. Pursuant to Article 64 of Chapter 58 of the North Carolina General Statutes, as amended (the "Act"), and Title 11, Chapter 11, Subchapter H, Section .0102(l)(b)(i) of the North Carolina Administrative Code, the Deposits received in connection with non-binding priority list reservation agreements and certain Entrance Fees received in connection with binding reservation agreements and/or resident agreements must be escrowed; and

D. Subject to the terms of the Act, Sponsor hereby agrees to deposit in an escrow fund established and maintained by the Escrow Agent (the "Escrow Account") the Deposits and the Entrance Fees that are required to be deposited into an escrow fund pursuant to the Act; and

E. The parties hereto now desire and intend to provide for the safekeeping of the Deposits and such Entrance Fees and for the procedures in disbursing the Deposits and such Entrance Fees;

WITNESSETH:

NOW THEREFORE, in consideration of the premises set forth above, the mutual covenants set forth below, and other good and valuable consideration, the receipt, and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. The Escrow Agent shall open the Escrow Account, and the Sponsor shall deposit with the Escrow Agent, (a) any and all Deposits made by Depositing Persons pursuant to their specific non-binding priority list reservation agreements, and (b) all Entrance Fees received or Deposits recast as Entrance Fees pursuant to paragraph 4 hereafter, except (i) if the conditions set forth in paragraph 6 hereafter have been met, only 75% of Entrance Fees received or Deposits recast as Entrance Fees shall

be deposited or retained, respectively, and (ii) if the conditions set forth in paragraph 7 hereafter have been met, no such Entrance Fees received or Deposits recast as Entrance Fees shall be deposited or retained, respectively.

2. The Escrow Agent hereby agrees to maintain the Deposits and Entrance Fee amounts separate and apart from its other funds, and shall hold and disburse the Deposits and Entrance Fee amounts in accordance with this Agreement. On or before each delivery to the Escrow Agent of any Deposits and Entrance Fees, Sponsor shall furnish to the Escrow Agent the name and address of each Depositing Person providing such Deposits and Entrance Fees, together with such other information concerning each such Depositing Person as the Escrow Agent shall reasonably request. The Escrow Agent shall maintain records as to the Deposits and Entrance Fees with respect to each such Depositing Person and shall report such information monthly to Sponsor.

The Escrow Agent shall invest all funds held pursuant to this Escrow Agreement in the SunTrust Institutional Preferred Deposit Option. The investments in the SunTrust Institutional Preferred Deposit Option are insured, subject to the applicable rules and regulations of the Federal Deposit Insurance Corporation (the "FDIC"), in the standard FDIC insurance amount of \$250,000, including principal and accrued interest, and are not secured. The SunTrust Institutional Preferred Deposit Option is more fully described in materials which have been furnished to the Sponsor by the Escrow Agent, and the Sponsor acknowledges receipt of such materials from the Escrow Agent. Instructions to make any other investment must be in writing and signed by the Sponsor. The Sponsor recognizes and agrees that the Escrow Agent will not provide supervision, recommendations or advice relating to the investment of moneys held hereunder or the purchase, sale, retention or other disposition of any investment, and the Escrow Agent shall not be liable to the Sponsor or any other person or entity for any loss incurred in connection with any such investment. The Escrow Agent is hereby authorized to execute purchases and sales of investments through the facilities of its own trading or capital markets operations or those of any affiliated entity. The Escrow Agent or any of its affiliates may receive compensation with respect to any investment directed hereunder including without limitation charging any applicable agency fee in connection with each transaction. The Escrow Agent shall use its best efforts to invest funds on a timely basis upon receipt of such funds; provided, however, that the Escrow Agent shall in no event be liable for compensation to the Sponsor or other person or entity related to funds which are held un-invested or funds which are not invested timely. The Escrow Agent is authorized and directed to sell or redeem any investments as it deems necessary to make any payments or distributions required under this Escrow Agreement.

3. The Sponsor agrees that all interest and income from the investment of the funds shall be reported as having been earned by the Sponsor as of the end of each calendar year whether or not such income was disbursed during such calendar year and to the extent required by the Internal Revenue Service. On or before the execution and delivery of this Escrow Agreement, the Sponsor shall provide to the Escrow Agent a correct, duly completed, dated and executed current United States Internal Revenue Service Form W-9 or Form W-8, whichever is appropriate or any successor forms thereto, in a form and substance satisfactory to the Escrow Agent including appropriate supporting documentation and/or any other form, document, and/or certificate required or reasonably requested by the Escrow Agent to validate the form provided. Notwithstanding anything to the contrary herein provided, except for the delivery and filing of tax information reporting forms required pursuant to the Internal Revenue Code of 1986, as amended, to be delivered and filed with the Internal Revenue Service by the Escrow Agent, as escrow agent hereunder, the Escrow Agent shall have no duty to prepare or file any Federal or

state tax report or return with respect to any funds held pursuant to this Escrow Agreement or any income earned thereon. With respect to the preparation, delivery and filing of such required tax information reporting forms and all matters pertaining to the reporting of earnings on funds held under this Escrow Agreement, the Escrow Agent shall be entitled to request and receive written instructions from the Sponsor, and the Escrow Agent shall be entitled to rely conclusively and without further inquiry on such written instructions. The Sponsor agrees to indemnify, defend and hold the Escrow Agent harmless from and against any tax, late payment, interest, penalty or other cost or expense that may be assessed against the Escrow Agent on or with respect to the Escrow Fund or any earnings or interest thereon unless such tax, late payment, interest, penalty or other cost or expense was finally adjudicated by a court of competent jurisdiction to have been directly caused by the gross negligence or willful misconduct of the Escrow Agent. The indemnification provided in this section is in addition to the indemnification provided to the Escrow Agent elsewhere in this Escrow Agreement and shall survive the resignation or removal of the Escrow Agent and the termination of this Escrow Agreement.

4. Upon written notification to the Escrow Agent by the Sponsor stating that a Depositing Person has entered into a binding reservation agreement and/or resident agreement with the Sponsor, the Escrow Agent shall forthwith recast such Depositing Person's Deposit in the Escrow Account as Entrance Fees. Thereafter, if the Sponsor notifies the Escrow Agent in writing that either of the conditions described in Section 6 or Section 7 below have been satisfied, the Escrow Agent shall promptly disburse to the Sponsor the amounts set forth in said Section 6 or Section 7 pursuant to the Sponsor's written request.

5. Upon written notification to the Escrow Agent by the Sponsor that a Depositing Person wishes to terminate or withdraw his or her non-binding priority list reservation agreement or that such Depositing Person's Deposit is otherwise required to be returned to such Depositing Person, the Escrow Agent shall forthwith disburse such Depositing Person's money on deposit in the Escrow Account in accordance with such written instructions within five (5) business days of receipt of such written notice. All interest earnings shall be allocable to the Sponsor. Upon written notification to the Escrow Agent by the Sponsor stating that Entrance Fees are to be returned to any Depositing Person, the Escrow Agent shall forthwith disburse such Depositing Person's money or deposit in the Escrow Account to such Depositing Person in accordance with the Sponsor's written instructions within five (5) business days of receipt of such written notice. All interest earnings shall be allocable to the Sponsor.

6. Upon receipt by the Escrow Agent of written notice from the Sponsor stating that the requirement set forth in Section 58-64-35(a)(1) of the Act has been met for any Phase of the project (a "Phase" will be defined and agreed upon between the Sponsor the North Carolina Department of Insurance, Financial Evaluation Division, Special Entities Section), 25% of the Entrance Fees for that Phase, together with the earnings thereon shall be disbursed to the Sponsor within five (5) business days.

7. Upon receipt by the Escrow Agent of written notice from the Sponsor stating that the requirement set forth in Section 58-64-35(a)(2) of the Act has been met for any Phase of the project (a "Phase" will be defined and agreed upon between the Sponsor the North Carolina Department of Insurance, Alternative Markets Division, Special Entities Section), all remaining Entrance Fees for that Phase and all earnings thereon shall be disbursed to the Sponsor within five (5) business days.

8. This Agreement shall terminate when all disbursements of the Deposits and Entrance Fees required to be made with respect to the Escrow Account by the Escrow Agent under the provisions hereof shall be made.

9. In performing its duties under this Agreement, or upon the claimed failure to perform its duties, the Escrow Agent shall have no liability except for the Escrow Agent's willful misconduct or negligence. In no event shall the Escrow Agent be liable for incidental, indirect, special, and consequential or punitive damages. The Escrow Agent shall have no implied duties or obligations under the terms of this Agreement or otherwise. The Escrow Agent shall not be charged with or be deemed to have any knowledge or notice of any notice, fact, or circumstance not specifically set forth in this Agreement or furnished to the Escrow Agent in notices provided to the Escrow Agent in writing and strictly in accordance with the notice provisions of this Agreement. The Escrow Agent shall not be required to take notice of any agreement or understanding, including but not limited to any binding residents' agreements, other than this Agreement and shall have no duty or responsibility to take any action pursuant to the terms thereof. The Escrow Agent shall have no liability with respect to the transfer or distribution of any funds affected by the Escrow Agent pursuant to wiring or transfer instructions provided to the Escrow Agent by any party to this Agreement. The Escrow Agent shall be entitled to seek the advice of legal counsel with respect to any matter arising under this Agreement. The Escrow Agent shall not be obligated to take any legal action or to commence any proceedings in connection with this Agreement or any funds held hereunder or to appear in, prosecute or defend in any such legal action or proceedings. The Escrow Agent shall be entitled to rely upon and shall be fully protected in acting on any request, instruction, statement or other instrument, not only as to its due execution, validity and effectiveness, but also as to the truth and accuracy of any information set forth therein, which the Escrow Agent shall in good faith believe to be genuine, to have been signed or presented by the person or parties purporting to sign the same and to conform to the provisions of this Agreement. The Escrow Agent shall have no duty or obligation to collect or otherwise require payment of any check or other instrument delivered in payment of deposits hereunder, other than submission of such instruments for payment in the ordinary course of business. In no event shall the Escrow Agent have any obligation to invest or disburse funds under this Agreement other than with respect to collected funds and any earnings thereon. The Escrow Agent shall rely exclusively on notices, requests, and communications from Sponsor and its authorized representatives and agents and shall have no duty or obligation to take notice of or to take action pursuant to any notice, request, or other communication furnished to the Escrow Agent from any other party.

10. As an additional consideration for and as an inducement for Escrow Agent to serve as Escrow Agent hereunder, it is understood and agreed that in the event of any disagreement between the parties to this Agreement or among any of them and any other persons resulting in adverse claims or demands being made in connection with or for any funds or other property held pursuant to this Agreement, the Escrow Agent shall be entitled, at the election of the Escrow Agent, to refuse to comply with the demands of such parties, or any of such parties, so long as such disagreement shall continue. In such event, the Escrow Agent shall make no delivery or other disposition of any funds or property held pursuant to the terms of this Agreement or any part thereof. Anything herein to the contrary notwithstanding, the Escrow Agent shall not be or become liable to such parties or any of them for the failure of the Escrow Agent to comply with conflicting or adverse demands of such parties or any of such parties. In the event of any dispute or disagreement as described above, the Escrow Agent shall have the right, in addition to the rights described above and at the election of the Escrow Agent, to

tender into the registry or custody of any court having jurisdiction, all money and property held under this Agreement and may take such other legal action as may be appropriate or necessary, in the opinion of the Escrow Agent. Upon such tender, the parties hereto agree that the Escrow Agent shall be discharged from all further duties under this Agreement; provided, however, that the filing of any such legal proceedings shall not deprive the Escrow Agent of its compensation hereunder earned prior to such filing and discharge of the Escrow Agent of its duties hereunder.

11. The Escrow Agent may resign at any time from its obligations under this Agreement by providing written notice to the parties hereto. Such resignation shall be effective on the date set forth in such written notice, which shall be no earlier than thirty (30) days after such written notice has been furnished. In the event no successor escrow agent has been appointed on or prior to the date such resignation is to become effective, the Escrow Agent shall be entitled to tender into the custody of any court of competent jurisdiction all funds and other property then held by it hereunder and shall thereupon be relieved of all further duties and obligations under this Agreement. Escrow Agent shall have no responsibility for the appointment of a successor escrow agent hereunder.

12. Sponsor shall have the right to require the Escrow Agent to resign as Escrow Agent upon giving not less than thirty (30) days written notice, in which case Sponsor shall appoint a successor Escrow Agent.

13. The Sponsor agrees to pay to the Escrow Agent compensation, and to reimburse the Escrow Agent for costs and expenses, all in accordance with the provisions of Exhibit B hereto, which is incorporated herein by reference and made a part hereof.

14. The Sponsor agrees to indemnify and hold harmless the Escrow Agent and each of the Escrow Agent's officers, directors, agents and employees (the "Indemnified Parties") from and against any and all losses, liabilities, claims, damages, expenses and costs (including attorneys' fees) of every nature whatsoever which any such Indemnified Party may incur and which arise directly or indirectly from this Agreement or which arise directly or indirectly by virtue of the Escrow Agent's undertaking to serve as Escrow Agent hereunder; provided, however, that no Indemnified Party shall be entitled to indemnity in case of such Indemnified Party's gross negligence or willful misconduct. The provisions of this section shall survive the termination of this Agreement and any resignation or removal of the Escrow Agent.

15. The Escrow Agent shall have no duty or responsibility for determining whether the offer and sale of the residency arrangements described herein or the terms and provisions of this Agreement comply with the provisions of any applicable state or Federal law or regulation, including but not limited to the Act or regulations thereunder. The Sponsor represents and warrants to the Escrow Agent that it has obtained and relied upon the advice of legal counsel with respect to all such matters. The Sponsor further represents and warrants that the offer and sale of the residency arrangements described herein and the terms and provisions of this Agreement and each binding resident's agreement comply in all respects with all such applicable state and Federal laws and regulations. The Escrow Agent has not participated in the preparation or review of any sales or offering material relating to the residency arrangements described in this Agreement. No sales or offering literature or material utilized in connection with the offer and sale of the residency arrangements described herein shall contain the name Trust Bank or any variation thereof, except for the limited purpose of identifying the Escrow Agent as

escrow agent under the terms of this Agreement. In addition to other indemnities provided for in this Agreement, the Sponsor shall indemnify and hold harmless the Escrow Agent and each of its officers, directors, agents and employees from and against all claims, liabilities, losses and damages (including attorneys' fees) incurred by the Escrow Agent or such persons and which directly or indirectly result from any violation or alleged violation of any such state or Federal laws.

Resident does not acquire any ownership interest in the Accommodation as a result of payment of the Entrance Fee.

Rates are typically adjusted January 1st of each year. For a partial first month, Resident shall pay a pro-rated amount of the Monthly Service Fee, on a per diem basis. If Resident should wish to change the Occupancy Date, Resident will advise Arbor Acres immediately (on or before the Occupancy Date). Upon receipt of Resident's request, and if Arbor Acres determines that another date is feasible, Arbor Acres will undertake to work out with Resident another mutually agreeable Occupancy Date. Resident agrees to pay Arbor Acres' Monthly Service Fees and other charges for use of the Accommodation from the earlier of (a) the date of actual occupancy (the first night of residency or when personal property is moved into the Accommodation) or (b) _____ (the "Residency Date"). Resident has selected all interior finishes (paint colors, carpeting and floor covering as may be necessary to prepare the Accommodation for Resident) and has advised Arbor Acres of those selections.

4. Resident's Right to Rescind or Cancel Within the First Thirty (30) Days or Resident's Failure to Move to Arbor Acres.

If Resident dies before occupying the Accommodation, or if, on account of illness, injury or incapacity Resident should be precluded from occupying the Accommodation, this Agreement shall be automatically cancelled. If this Agreement is neither rescinded nor cancelled and Resident fails to move to Arbor Acres by the Residency Date, this Agreement may be terminated by Arbor Acres or Resident upon written notice to the other.

(b) If Resident rescinds this Agreement, this Agreement is automatically cancelled as described in Section 4(a) above or Resident fails to move to Arbor Acres by the Residency Date and this Agreement is terminated by either Arbor Acres or Resident, Resident or Resident's legal representative will receive a refund of the Entrance Fee, less the following: (i) the Nonrefundable Fee; (ii) any Monthly Service Fees or other costs charged for the time Resident shall have resided at Arbor Acres; and (iii) those nonstandard costs specifically incurred by Arbor Acres at the request of Resident and described in a signed addendum to this Agreement. Payment of the refund is to be made from the Entrance Fee received by Arbor Acres from the next occupant of the Accommodation.

5. Refund Upon Termination of Residency After the First 30 Days and Within 50 Months.

If Resident, for any reason, vacates and permanently terminates residency at Arbor Acres after the Rescission Period and within fifty (50) months following the Residency Date, Resident shall be entitled to a refund of the Entrance Fee. This refund shall be determined as follows: upon receiving payment of an Entrance Fee from an acceptable substitute resident for Resident's Accommodation, Arbor Acres will refund to Resident (or to Resident's estate) the amount of Resident's Entrance Fee less the following: (a) the Nonrefundable Fee; (b) two percent (2%) of the remainder (the Entrance Fee less the Nonrefundable Fee) for each month, from the month of the Residency Date to the Date of Termination of Occupancy (as defined in Section 6 below), up to the full refundable amount of Resident's Entrance Fee (for this purpose, one-half month or more shall be considered as a full month; less than one-half month shall be disregarded); (c) any unpaid Monthly Service Fees, costs or other obligations of Resident to Arbor Acres; and (d) those nonstandard costs specifically incurred by Arbor Acres at the request of Resident and described in a signed addendum to this Agreement.

Payment of the refund is to be made from the Entrance Fee received by Arbor Acres from the next occupant of the Accommodation. Resident shall receive no refund if Resident's final termination of all rights of residency at Arbor Acres occurs after the fifty (50) month period following the Residency Date.

6. Notice of Termination of Occupancy.

If after moving to Arbor Acres and the expiration of the Rescission Period, Resident should decide to terminate this Agreement and residency at Arbor Acres, Resident will give Arbor Acres a minimum of thirty (30) days advance written notice stating the date on which Resident plans to terminate residency. This Agreement, and Resident's obligation to pay the Monthly Service Fee and other charges, shall continue in effect until Resident vacates the Accommodation and removes all personal property from the premises or until the end of the thirty (30) day notice period, whichever is later (the "Date of Termination of Occupancy"). If Resident permanently vacates the Accommodation, Arbor Acres reserves the right to remove Resident's personal property from the Accommodation and store such personal property, and Resident shall be responsible for the reasonable costs of such removal and storage. Unclaimed personal property will become the property of Arbor Acres after thirty (30) days, and Arbor Acres may dispose of such personal property in its sole discretion.

7. Transfer to a Higher Level of Care Within 90 Days.

If within ninety (90) days after the Residency Date, Resident transfers to Arbor Acres' assisted living facility (the "Assisted Living Facility") or Arbor Acres' skilled nursing facility (the "Skilled Nursing Facility"), Resident will be entitled to a refund, which will be calculated as set out in Section 5 above. Resident shall not be required to pay an additional Entrance Fee on transferring to the Assisted Living Facility or the Skilled Nursing Facility.

8. Terms and Conditions of Initial Residency and Continued Residency.

Resident shall have the right to occupy the Accommodation and to reside at Arbor Acres subject to the provisions of this Agreement and subject to the following understandings, terms and conditions:

(a) *Health and Financial Qualification for Residency*

At the time of the execution of this Agreement, Arbor Acres has determined that Resident qualifies for residency both with respect to mental and physical condition and ability to take care of the anticipated Monthly Service Fees and other charges. Resident must continue to meet these qualifications at the time Resident enters Arbor Acres. If Resident is not qualified to occupy the Accommodation, but is qualified (financially and otherwise) to reside in other accommodations at Arbor Acres, Resident shall be entitled to such accommodation when space permits.

(b) *Financial Obligation Including Obligation to Pay Fees and Charges*

In order to operate Arbor Acres on a fiscally sound, nonprofit basis, Arbor Acres has established fees and charges, which are subject to modification from time to time as deemed necessary and appropriate by Arbor Acres. Resident agrees to pay when due all required fees and charges. Resident has received from Arbor Acres a schedule of current fees and charges.

Resident agrees to provide, if requested, periodic financial statements and current financial information for the purpose of demonstrating capacity to meet financial obligations to Arbor Acres. Should Resident experience financial difficulty that might result in Resident's immediate or eventual inability to meet the financial obligations under this Agreement, including any spend down of assets that might result from payment of expected fees and charges to Arbor Acres, Resident will inform Arbor Acres immediately, and submit a current financial statement. Resident and, if appropriate, Resident's responsible party, and Arbor Acres shall discuss and, if possible, agree on a plan by which Resident's financial obligation to Arbor Acres can be met. Residents whose funds are depleted primarily through payment of fees associated with residency, to include costs associated with their medical care, may be eligible for consideration for financial assistance through Arbor Acres. Such assistance, however, is conditional upon demonstration that other options for fulfilling this financial obligation to Arbor Acres have been explored and deemed impracticable by either party.

When Resident is deemed eligible for financial assistance through Arbor Acres, Arbor Acres, to the extent of its available resources dedicated for financial assistance, will attempt to furnish financial assistance when it is needed. Termination of residency for Resident's inability to fulfill the financial obligations incurred under this Agreement shall be an option exercised as necessary to assure the financial viability of Arbor Acres and of its financial assistance program.

(c) *Rights and Obligations During Temporary Absence*

Temporary absence because of illness, trips or otherwise shall not affect Resident's right to retain the Accommodation as Resident's place of residency. However, Resident shall not be entitled to an adjustment of Arbor Acres' Monthly Service Fee and other charges during such absence, and Resident shall continue to be charged and to pay such Monthly Service Fee and charges during such absence.

(d) *Requirement of Compliance with Recommendations for Additional Services or Care*

If Resident shall incur a physical or mental illness or impairment so that Resident requires additional services or a higher level of care than is available at the Accommodation, Arbor Acres, through its nursing and continuing care staffs ("Nursing and Continuing Care Staffs"), will make recommendations regarding appropriate additional service options and/or options for transfer to a higher level of care. Resident agrees (i) that Arbor Acres is obligated to assure the care and safety of residents and, (ii) that Resident will comply with Nursing and Continuing Care Staffs' recommendations regarding additional services or transfer to a higher level of care. If such additional services or higher level of care can be provided in a different accommodation at Arbor Acres, Resident has a right, and may be required by Arbor Acres, to move to such accommodation. Arbor Acres will recommend and require such a move or additional services when, in the judgment of Arbor Acres, it is necessary and in the best interest of Resident, Arbor Acres and/or the other residents of Arbor Acres. Before any such move or additional services are required, Arbor Acres will discuss the matter with Resident and/or Resident's responsible party in an effort to secure Resident's understanding and cooperation with the required additional services or change of accommodation or level of care. Resident and/or Resident's responsible party shall have the right to appeal a decision to change Resident's accommodation and/or level of care in accordance with the provisions of (i) below.

(e) *Requirement of Compliance With Policies, Rules and Regulations*

In order to operate Arbor Acres in the best interest of the entire Arbor Acres community, Arbor Acres has established policies, rules and regulations relating to residency, which are subject to modification from time to time as deemed appropriate by Arbor Acres. Resident has received information as to the current policies, rules and regulations in the Disclosure Statement and in other written information provided by Arbor Acres. Arbor Acres reserves the right to make or change policies, rules and regulations, and will use its reasonable efforts to communicate through appropriate means to all residents the substance and content of such additions or changes; also, copies of particular policies, rules and regulations relating to residency will be furnished to Resident on request. Resident agrees to comply with Arbor Acres' policies, rules and regulations applicable to Resident's residency in Arbor Acres.

(f) *Cooperation of Responsible Parties and Other Associates*

Resident understands and agrees that, in order for Arbor Acres to operate in the best interest of both Resident and the entire Arbor Acres community, Arbor Acres must have the cooperation of Resident's family, friends, responsible parties and other associates to comply with Arbor Acres' applicable policies, rules and regulations. Any continuing or repeated failure or refusal by any such persons to so cooperate and comply may result in a determination by Arbor Acres that it is no longer feasible for Arbor Acres to accommodate Resident as a resident. Upon such determination, Arbor Acres will have a right to terminate Resident's residency at Arbor Acres.

(g) *Termination of Residency for Health Conditions Beyond Arbor Acres' Capacity to Serve*

If Resident's physical and/or mental condition or needs cannot be legally or adequately served by the facilities or programs available at Arbor Acres, or Resident requires or insists upon receiving care

that in the judgment of Arbor Acres exceeds the capacity of Arbor Acres to provide within the limits of its staffing pattern or other available resources, Arbor Acres reserves the right to terminate Resident's residency. If such a circumstance arises, Arbor Acres will discuss the matter thoroughly with Resident and/or Resident's responsible party in an effort to determine a course of action in Resident's best interest. Arbor Acres will provide guidance and transitional support to Resident and/or Resident's responsible party to facilitate an orderly transfer of Resident to another, more appropriate facility or setting.

(h) *Termination of Residency for Behavior Deemed Harmful to Arbor Acres*

If Resident is deemed competent and capable of controlling his or her behaviors and engages in behaviors deemed by the President/CEO to be disruptive, hostile, illegal, or otherwise harmful to others or to Arbor Acres, Arbor Acres reserves the right to terminate Resident's residency. If such a circumstance arises, Arbor Acres will discuss the matter thoroughly with Resident to provide Resident with knowledge of the behaviors deemed intolerable by Arbor Acres. Arbor Acres will provide Resident a written warning to desist from the behavior or any similarly disruptive, hostile, illegal or harmful behavior. Upon determination that Resident is continuing to engage in the behaviors against which Resident has been warned, Arbor Acres will have the right to terminate Resident's residency at Arbor Acres.

(i) *Right of Appeal of Transfer or Termination Decisions*

While Arbor Acres reserves the right to terminate Resident's residency at Arbor Acres for failure to comply with (b), (d), (e), (f), (g) or (h) above, or for failure to comply with any other provision of this Agreement, Arbor Acres shall exercise such right only after first attempting to work out satisfactory solutions with Resident and/or Resident's responsible party. If agreement cannot be reached between the President/CEO and Resident and/or Resident's responsible party, the President/CEO will refer the matter to the Executive Committee of the Board of Directors of Arbor Acres (the "Executive Committee") for hearing and decision. The Executive Committee shall afford Resident an opportunity to be heard, and shall render a decision with respect to the matter referred to it. The decision of the Executive Committee shall be put in writing and shall be signed by the Chair of the Board of Directors of Arbor Acres (the "Chair") or, in the absence of the Chair, the Chair Elect of the Board of Directors of Arbor Acres. It is understood and agreed that the written, signed decision of the Executive Committee shall be final and binding.

(j) *Terms and Conditions of Initial Residency and Continued Residency*

Arbor Acres reserves the right to relocate Resident to another accommodation when deemed necessary in order for Arbor Acres to fulfill its strategic financial and other obligations to the Arbor Acres community. Arbor Acres will exercise this right only when all other reasonable options to avoid relocating Resident have been considered. Arbor Acres will use reasonable efforts to relocate Resident to an accommodation of the same or similar type as Resident's Accommodation. Any such decision to relocate Resident will be discussed thoroughly with Resident in order to enlist Resident's understanding of the need for and cooperation with the relocation. Arbor Acres will pay all required packing and moving costs, and all reasonable refurbishing costs necessary to achieve substantial comparability between the Accommodation and any new accommodation to which Resident may be relocated. Any decision to relocate Resident for the sake of enabling Arbor Acres to fulfill its strategic financial and other obligations to the Arbor Acres community may be appealed to the Executive Committee as outlined in (i) above.

(k) *Termination of Residency If Listed on a Sex Offender Registry*

Resident hereby acknowledges that it is the policy of Arbor Acres to conduct sex offender screening for every prospective resident, regardless of independent status or level of care, at the time of application for admission to Arbor Acres and again prior to entering into a Residency Agreement. If the screening shows that the prospective resident is identified as a sex offender, Arbor Acres will deny admission of Resident on that basis and not execute a Residency Agreement. In addition, Resident hereby acknowledges and agrees that if, after Arbor Acres and Resident have entered into a Residency Agreement, Arbor Acres becomes aware that Resident is listed on any sex offender registry, Arbor Acres may terminate this Agreement with Resident and remove Resident from Arbor Acres. If there is more than one resident who is a party to this

Agreement, the termination of this Agreement in such instance shall only apply to the resident listed on the sex offender registry.

(l) *Healthcare Outside of Arbor Acres*

Arbor Acres assumes no obligation or responsibility for the provision of residential or nursing or health care facilities or services to Resident beyond those facilities and services from time to time established and provided by Arbor Acres.

(m) *Personal Belongings*

Arbor Acres will not be responsible for the loss of or damage to any property belonging to Resident due to theft, mysterious disappearance, fire, employee accident, or any other cause. It is understood that Resident has the responsibility of providing any desired insurance protection covering any such loss.

9. Standard Services to be Provided.

Arbor Acres agrees to provide standard services to Resident at no additional cost beyond the Monthly Service Fee, and has informed Resident of these services and other services through written information available to all residents. At the time of execution of this Agreement, the standard services include:

- (1) Maintenance of buildings and grounds, including maintenance of all standard equipment in the Accommodation;
- (2) Utilities, as described below;
- (3) Basic cable television and internet service;
- (4) Telephone jacks;
- (5) Emergency call system, nursing assessments and assistance in emergencies;
- (6) Routine consultation regarding health concerns with nursing personnel in the health clinic of Arbor Acres;
- (7) Recreational, educational, cultural, wellness and spiritual life programs, to the extent provided by Arbor Acres;
- (8) Transportation to routine, non-emergency medical appointments within Forsyth County (transportation by ambulance not included);
- (9) In-patient care in the Arbor Acres Health Center for a limited number of days;
- (10) Weekly housekeeping and annual deep cleaning of the Accommodation;
- (11) Laundering of bed and bath linens furnished by Arbor Acres;
- (12) Security personnel on duty in the Arbor Acres Welcome Center; and
- (13) Dining services with meals or a meal allowance, as included in the Monthly Service Fee.

Water and sewer services are included in the Monthly Service Fee. Electricity and gas is also included, except for residents in accommodations that are individually metered who are billed directly by the gas and electricity service providers. Resident has been informed that the Accommodation [is (is not)] individually metered. Resident has been informed in writing of the terms applicable to Resident's meal plan.

Other services that are available and included in the Monthly Service Fee are a daily, automatic check-in system, check-cashing services, package shipping, access to washers/dryers and complete kitchens and sitting areas.

Arbor Acres may also make available to Resident additional services, at Resident's request, at the then prevailing rates charged by Arbor Acres, which may be changed from time to time at the discretion of Arbor Acres.

Arbor Acres residents pay Monthly Service Fees and other charges to cover services provided by Arbor Acres. At least annually, during budget preparation, Arbor Acres reviews services and costs of operation, and the need for any changes in services or in Arbor Acres' schedule of fees and charges. Arbor Acres reserves

the right to change, when deemed necessary, the services provided to residents and the associated fees and charges. Arbor Acres will strive to deliver services efficiently and economically.

10. Alterations and Refurbishment.

Resident must obtain the prior written approval of Arbor Acres before making any alterations to the Accommodation. Customary refurbishment costs of the Accommodation that are provided by Arbor Acres in accordance with its policies and procedures are included in the Monthly Service Fee. Any refurbishment costs beyond Arbor Acres' customary refurbishment costs shall be the responsibility of Resident.

11. Transfer to Higher Level of Care.

Resident shall have priority over non-residents for entry into the Assisted Living Facility or the Skilled Nursing Facility. Although Arbor Acres cannot guarantee Resident entry into the Assisted Living Facility or the Skilled Nursing Facility, Arbor Acres will use its reasonable efforts to accommodate Resident's entry. If Resident requires a higher level of care, and the Assisted Living Facility and the Skilled Nursing Facility are fully occupied, Resident shall relocate to an alternate healthcare facility. In the event of such relocation, Arbor Acres will use reasonable efforts to transfer Resident to the Assisted Living Facility or the Skilled Nursing Facility when accommodations become available. Resident shall be responsible for all fees, costs and expenses. If Resident's transfer to the Assisted Living Facility, the Skilled Nursing Facility or an alternate healthcare facility is temporary, Resident shall remain responsible for the Monthly Service Fee; however, Resident shall not be responsible for the Monthly Service Fee if such relocation is permanent. In the event that there are two Residents in the Accommodation, and only one Resident permanently transfers to a higher level of care, the remaining Resident will pay the Monthly Service Fee for single occupancy in addition to all other costs and charges.

12. Application for Benefits; Assignment of Benefits.

Resident shall apply for any federal, state or local benefits for which Resident may be eligible or entitled upon request by Arbor Acres. If requested by Arbor Acres, any or all such benefits will be applied to the Monthly Service Fee or other charges incurred by Resident at Arbor Acres.

13. Health Insurance.

Resident shall maintain eligible Medicare coverage (and supplemental health insurance coverage) or other health insurance coverage that adequately covers hospital, medical, prescriptions and skilled nursing deductibles and co-payments required under Resident's primary insurance policy. Resident's primary and secondary insurance coverage must recognize Arbor Acres as a healthcare provider, or Resident shall be responsible for services rendered that otherwise could be covered by insurance.

If Resident's health insurance coverage lapses, Arbor Acres may require Resident to reapply for suitable insurance coverage. If Resident is unable to obtain suitable insurance coverage, Resident shall be responsible for any healthcare services rendered that otherwise could be covered by insurance. Upon request by Arbor Acres, Resident shall provide evidence of health insurance coverage.

14. Medicare-Certified Skilled Nursing Facility Beds.

Arbor Acres maintains a limited number of Medicare-certified beds in the Skilled Nursing Facility, which are available for use by residents whose skilled nursing care would qualify for Medicare payment on an "if and as available" basis. In the event that Resident needs admission and the admission would qualify for Medicare payment, then Resident's financial responsibility to Arbor Acres will depend upon the type of Medicare coverage that Resident has and whether Arbor Acres is a contractual provider for Resident's coverage.

(a) *Medicare-certified bed is not available.*

In the event that there is not a Medicare-certified bed at Arbor Acres at the time that Resident requires admission, then Resident may either choose to obtain skilled nursing care services at another healthcare

facility at Resident's cost until such time as a Medicare-certified bed becomes available at Arbor Acres (presuming that Resident would use a facility that could provide a Medicare-certified bed) or be admitted to a bed in the Skilled Nursing Facility at Resident's cost which is not certified to accept Medicare payment until such time as a Medicare-certified bed becomes available at Arbor Acres.

(b) *Medicare-certified bed is available and Resident has traditional Medicare.*

If Resident is admitted to a Medicare-certified bed in the Skilled Nursing Facility and Resident has traditional Medicare coverage, Arbor Acres will accept the Medicare reimbursement amount for such care while Resident shall be responsible for any applicable deductible, co-payment and/or co-insurance amounts that are not paid by Medicare and any supplemental Medicare insurance that Resident maintains.

(c) *Medicare-certified bed is available and Resident has Medicare Advantage coverage for which Arbor Acres is an in-network provider.*

In the event that Arbor Acres is an in-network provider for Resident's Medicare Advantage coverage, then Arbor Acres will accept the reimbursement amount from Resident's Medicare Advantage insurance carrier while Resident shall be responsible for any deductible, co-payment and/or co-insurance amounts that are not paid by the Medicare Advantage insurance that Resident maintains.

(d) *Medicare-certified bed is available and Resident has Medicare Advantage coverage for which Arbor Acres is not an in-network provider.*

Arbor Acres will charge Resident the full private-payment amount for Resident's admission into a Medicare-certified bed and credit against Resident's financial obligation to Arbor Acres the amount that is paid by Resident's Medicare Advantage insurance if the insurance provides an out-of-network benefit. In the event that Resident's Medicare Advantage insurance will not pay any amount to an out-of-network provider, then Resident will not be admitted to a Medicare-certified bed at Arbor Acres. A full private-pay Resident in a Medicare-certified bed may be required by Arbor Acres to relocate to a bed that is not Medicare certified when such a bed becomes available.

15. United Methodist Affiliation.

Arbor Acres is affiliated with the Western North Carolina Annual Conference of The United Methodist Church, which is not responsible for the financial and contractual obligations of Arbor Acres.

16. Required Documents.

Resident agrees to keep in effect an appropriate Durable Power of Attorney or other designation of responsible party, and agrees to provide copies of the following documents to Arbor Acres by the first day of residency, and deliver any changes to such documents to Arbor Acres during Resident's residency at Arbor Acres: (a) health insurance coverage information; (b) copy of current Durable Power of Attorney for business management; (c) copy of current Health Care Power of Attorney and Living Will; and (d) evidence of the executor or other legally responsible person of Resident's estate, such as a copy of Resident's will documenting the name of the executor of his or her estate.

17. Multiple Residents.

(a) *Joint and Several Liability*

When Resident includes more than one individual, the rights and obligations under this Agreement are joint and several.

(b) *Transfer, Death or Termination by One Resident*

If two Residents occupy a single Accommodation under the terms of this Agreement and one Resident permanently transfers to the Assisted Living Facility or the Skilled Nursing Facility, dies or terminates this Agreement, this Agreement shall continue with respect to the remaining Resident, and such Resident shall have the option to remain in the same Accommodation or relocate to a smaller accommodation, and in such

event the remaining Resident shall not be entitled to any refund. The remaining Resident shall be responsible for the Monthly Service Fee for one resident associated with the Accommodation occupied by such Resident.

(c) *Sharing Occupancy After Entry*

If Resident, while occupying the Accommodation, desires to share an accommodation with another resident of Arbor Acres, the two residents may occupy the accommodation of either resident, with the prior written consent of Arbor Acres. In such event, the residents shall surrender the other accommodation and no refund shall be paid for such surrender. Thereafter, Resident and the other resident shall pay the Monthly Service Fee associated with the occupied accommodation for double occupancy.

If Resident, while occupying the Accommodation, desires to share an accommodation with a person who is not a resident of Arbor Acres (the "Non-Resident"), the Non-Resident must meet the then current requirements for admission to Arbor Acres, enter into the then current version of the Residency Agreement, and pay the then current second person entrance fee. Thereafter, Resident and the new resident shall pay the Monthly Service Fee associated with the occupied accommodation for double occupancy. If the Non-Resident does not meet the requirements contained in this paragraph, Resident may voluntarily terminate this Agreement as provided in this Agreement. If Resident subsequently transfers to the Assisted Living Facility or the Skilled Nursing Facility, dies or terminates this Agreement, the new resident shall be responsible to pay the full, then-current Entrance Fee for the Accommodation occupied by such new resident, less the second person entrance fee previously paid by the new resident.

(d) *Combination of Accommodation*

If Arbor Acres determines that it is desirable to combine the Accommodation with an adjoining accommodation, Resident agrees to surrender occupancy of the Accommodation within a reasonable time after receiving notice from Arbor Acres. In such event, Resident shall have the option to transfer into the combined accommodation when ready for occupancy or transfer to another accommodation, when available, of the same or similar type previously occupied by Resident. If Resident elects to occupy the combined accommodation, Resident shall be responsible for the Monthly Service Fee associated with occupancy of such accommodation.

18. Moving Costs.

Resident is responsible for any and all packing and moving costs incurred by Resident for moves into, within and out of Arbor Acres, except as provided in Section 8(j) above. Arbor Acres may provide assistance at an additional cost. Arbor Acres reserves the right to charge an administrative fee for Resident's move within Arbor Acres.

19. Entire Agreement.

This Agreement, together with any Arbitration Agreement between Resident and Arbor Acres, contain the entire agreement of Arbor Acres and Resident. Arbor Acres will not be liable or bound in any manner by any statements, representations, or promises made by any person representing or claiming to represent Arbor Acres, unless such statements, representations, or promises are set forth in this Agreement.

20. Capacity.

This Agreement has been executed on behalf of Arbor Acres by Arbor Acres' duly authorized agent, and no officer, trustee, agent or employee of Arbor Acres shall have any personal liability to Resident under this Agreement.

21. Amendments and Modifications.

This Agreement shall not be modified, amended or changed in any respect except in writing signed by Arbor Acres and Resident. Each waives any right to amend this Agreement in any other way. Notwithstanding the foregoing, Arbor Acres may amend this Agreement to ensure compliance with applicable laws and regulations.

22. Waiver.

Neither the failure nor any delay on the part of any party to exercise any right, remedy, power or privilege ("Right") under this Agreement shall operate as a waiver thereof, nor shall any single or partial waiver of any Right preclude any exercise of the same or of any other Right. No waiver shall be in effect unless in writing and signed by the party asserted to have granted such waiver.

23. Severability.

The invalidity of any restriction, condition or other provision of this Agreement, or any part of the same, shall not impair or affect in any way the validity or enforceability of the rest of this Agreement.

24. Interpretation.

The headings in this Agreement are for convenience and reference only, and shall not affect the interpretation of any provision of this Agreement.

25. Successors and Assigns.

Except as set forth herein, this Agreement shall bind and inure to the benefit of the successors and assigns of Arbor Acres and the heirs, executors, responsible parties, attorneys-in-fact and administrators of Resident.

26. Assignment.

This Agreement may not be assigned by Resident.

27. Indemnity.

Resident agrees to indemnify, defend and hold Arbor Acres harmless from any and all claims, damages or expenses (including reasonable attorneys' fees and court costs) resulting or arising from any injury or death to persons and/or damages caused by, resulting from or attributable to or in any way connected with, directly or indirectly, the act or omission of Resident or Resident's guests, including private duty nurses, companions or others. This Section 27 shall survive termination of this Agreement.

28. Governing Law; Venue; Disputes.

This Agreement shall be governed by, interpreted, construed and enforced in accordance with the laws of the State of North Carolina, without giving effect to any choice of law or conflict of law rules or provisions that would cause the application of laws or any jurisdiction other than North Carolina. Except to the extent that the parties have agreed to an alternative mechanism for the resolution of a dispute, to the full extent permitted by law, any action, suit or proceeding arising out of or relating to this Agreement shall be brought and enforced in the courts of the State of North Carolina located in Forsyth County or of the United States District Court for the Middle District of North Carolina, and the parties hereby irrevocably submit to the exclusive jurisdiction of such courts and irrevocably waive any objection that they may now or hereafter have to the laying of venue of any such action or proceeding in such courts. In the event of any such dispute, the non-prevailing party shall pay all reasonable costs, expenses and attorneys' fees incurred by the prevailing party.

29. Survival.

Those rights and obligations that have accrued under this Agreement shall survive its termination, as shall those rights and obligations that by their terms survive termination and any provisions that must survive to give effect to their terms, as shall any obligation of Resident to pay costs or expenses of his or her residency at Arbor Acres that remain unpaid as of such termination.

30. Management of Arbor Acres.

The absolute rights of management are reserved by Arbor Acres and its Board of Directors. Arbor Acres reserves the right to accept or reject any person as a resident. Residents do not have the right to determine admission or terms of acceptance of any other resident.

31. Uncontrollable Interruption of Services.

No breach of Arbor Acres' obligations under this Agreement and no liability for injury to Resident or Resident's property shall result from an interruption of, or failure to provide, contracted services due to an act of God or other cause beyond the reasonable control of Arbor Acres, specifically including (without limitation) strikes or other forms of labor disturbances, government regulations and/or embargoes, shortages of labor or materials, fire, flood, earthquakes, inclement weather or acts of the Resident. Arbor Acres shall make reasonable efforts to continue to provide the usual services in such event.

32. Confidentiality.

Arbor Acres has the responsibility to keep all of the personal, medical, and financial information Resident has supplied to Arbor Acres confidential. Resident agrees that Arbor Acres can disclose such information to those who have a need, in Arbor Acres' judgment, or right to know.

33. Rights Subordinate to Mortgage.

Pursuant to the requirements of any lender, Resident agrees that Resident's rights under this Agreement are subordinate to the right of the lender under any mortgage, deed of trust or security interest executed now or in the future by Arbor Acres.

34. Notice Provisions.

Notices required by this Agreement will be in writing and delivered either by personal delivery or mail. If delivered by mail, notices will be sent by certified or registered mail, return receipt requested, with all postage and charges prepaid. Notices and other communications will be deemed to have been given when delivered by personal delivery or if mailed, such notice shall be deemed to have been given on the third business day after being deposited in the United States mail, postage prepaid. Resident is not required to move into the Accommodation during the Rescission Period. If Resident dies before occupying the Accommodation, or if, on account of illness, injury or incapacity Resident should be precluded from occupying the Accommodation, this Agreement shall be automatically cancelled. If this Agreement is neither rescinded nor cancelled and Resident fails to move to Arbor Acres by the Residency Date, this Agreement may be terminated by Arbor Acres or Resident upon written notice to the other.

(b) If Resident rescinds this Agreement, this Agreement is automatically cancelled as described in Section 5(a) above or Resident fails to move to Arbor Acres by the Residency Date and this Agreement is terminated by either Arbor Acres or Resident, Resident or Resident's legal representative will receive a refund of the Entrance Fee, less the following: (i) any Daily Fees or other costs charged for the time Resident shall have resided at Arbor Acres; and (ii) those nonstandard costs specifically incurred by Arbor Acres at the request of Resident and described in a signed addendum to this Agreement. Payment of the refund is to be made from the Entrance Fee received by Arbor Acres from the next occupant of the Accommodation.

6. Notice of Termination of Occupancy.

If after moving to Arbor Acres and the expiration of the Rescission Period, Resident should decide to terminate this Agreement and residency at Arbor Acres, Resident will give Arbor Acres a minimum of fourteen (14) days advance written notice stating the date on which Resident plans to terminate residency. This Agreement, and Resident's obligation to pay the Daily Fee and other charges, shall continue in effect until Resident vacates the Accommodation or until the end of the fourteen (14) day notice period, whichever is later (the "Date of Termination of Occupancy"). If Resident permanently vacates the Accommodation, Arbor Acres reserves the right to remove Resident's personal property from the Accommodation and store such personal property, and Resident shall be responsible for the reasonable costs of such removal and storage. Unclaimed

personal property will become the property of Arbor Acres after thirty (30) days, and Arbor Acres may dispose of such personal property in its sole discretion.

7. Terms and Conditions of Initial Residency and Continued Residency.

Resident shall have the right to occupy the Accommodation and to reside at Arbor Acres subject to the provisions of this Agreement and subject to the following understandings, terms and conditions:

(a) *Health and Financial Qualification for Residency*

At the time of the execution of this Agreement, Arbor Acres has determined that Resident qualifies for residency both with respect to mental and physical condition and ability to take care of the anticipated Daily Fees and other charges. Resident must continue to meet these qualifications at the time Resident enters Arbor Acres. If Resident is not qualified to occupy the Accommodation, but is qualified (financially and otherwise) to reside in other accommodations at Arbor Acres, Resident shall be entitled to such accommodation when space permits.

(b) *Financial Obligation Including Obligation to Pay Fees and Charges*

In order to operate Arbor Acres on a fiscally sound, nonprofit basis, Arbor Acres has established fees and charges, which are subject to modification from time to time as deemed necessary and appropriate by Arbor Acres. Resident agrees to pay when due all required fees and charges. Resident has received from Arbor Acres a schedule of current fees and charges.

Resident agrees to provide, if requested, periodic financial statements and current financial information for the purpose of demonstrating capacity to meet financial obligations to Arbor Acres. Should Resident experience financial difficulty that might result in Resident's immediate or eventual inability to meet the financial obligations under this Agreement, including any spend down of assets that might result from payment of expected fees and charges to Arbor Acres, Resident will inform Arbor Acres immediately, and submit a current financial statement. Resident and, if appropriate, Resident's responsible party, and Arbor Acres shall discuss and, if possible, agree on a plan by which Resident's financial obligation to Arbor Acres can be met. Residents whose funds are depleted primarily through payment of fees associated with residency, to include costs associated with their medical care, may be eligible for consideration for financial assistance through Arbor Acres. Such assistance, however, is conditional upon demonstration that other options for fulfilling this financial obligation to Arbor Acres have been explored and deemed impracticable by either party. When Resident is deemed eligible for financial assistance through Arbor Acres, Arbor Acres, to the extent of its available resources dedicated for financial assistance, will attempt to furnish financial assistance when it is needed. Termination of residency for Resident's inability to fulfill the financial obligations incurred under this Agreement shall be an option exercised as necessary to assure the financial viability of Arbor Acres and of its financial assistance program.

(c) *Rights and Obligations During Temporary Absence*

Temporary absence because of illness, trips or otherwise shall not affect Resident's right to retain the Accommodation as Resident's place of residency. However, Resident shall not be entitled to an adjustment of Arbor Acres' Daily Fee and other charges during such absence, and Resident shall continue to be charged and to pay such Daily Fee and charges during such absence.

(d) *Requirement of Compliance with Recommendations for Additional Services or Care*

If Resident shall incur a physical or mental illness or impairment so that Resident requires additional services or a higher level of care than is available at the Accommodation, Arbor Acres, through its nursing and continuing care staffs (“Nursing and Continuing Care Staffs”), will make recommendations regarding appropriate additional service options and/or options for transfer to a higher level of care. Resident agrees (i) that Arbor Acres is obligated to assure the care and safety of residents and, (ii) that Resident will comply with Nursing and Continuing Care Staffs’ recommendations regarding additional services or transfer to a higher level of care. If such additional services or higher level of care can be provided in a different accommodation at Arbor Acres, Resident has a right, and may be required by Arbor Acres, to move to such accommodation. Arbor Acres will recommend and require such a move or additional services when, in the judgment of Arbor Acres, it is necessary and in the best interest of Resident, Arbor Acres and/or the other residents of Arbor Acres. Before any such move or additional services are required, Arbor Acres will discuss the matter with Resident and/or Resident’s responsible party in an effort to secure Resident’s understanding and cooperation with the required additional services or change of accommodation or level of care. Resident and/or Resident’s responsible party shall have the right to appeal a decision to change Resident’s accommodation and/or level of care in accordance with the provisions of (i) below.

(e) *Requirement of Compliance With Policies, Rules and Regulations*

In order to operate Arbor Acres in the best interest of the entire Arbor Acres community, Arbor Acres has established policies, rules and regulations relating to residency, which are subject to modification from time to time as deemed appropriate by Arbor Acres. Resident has received information as to the current policies, rules and regulations in the Disclosure Statement and in other written information provided by Arbor Acres. Arbor Acres reserves the right to make or change policies, rules and regulations, and will use its reasonable efforts to communicate through appropriate means to all residents the substance and content of such additions or changes; also, copies of particular policies, rules and regulations relating to residency will be furnished to Resident on request. Resident agrees to comply with Arbor Acres’ policies, rules and regulations applicable to Resident’s residency in Arbor Acres.

(f) *Cooperation of Responsible Parties and Other Associates*

Resident understands and agrees that, in order for Arbor Acres to operate in the best interest of both Resident and the entire Arbor Acres community, Arbor Acres must have the cooperation of Resident’s family, friends, responsible parties and other associates to comply with Arbor Acres’ applicable policies, rules and regulations. Any continuing or repeated failure or refusal by any such persons to so cooperate and comply may result in a determination by Arbor Acres that it is no longer feasible for Arbor Acres to accommodate Resident as a resident. Upon such determination, Arbor Acres will have a right to terminate Resident’s residency at Arbor Acres.

(g) *Termination of Residency for Health Conditions Beyond Arbor Acres’ Capacity to Serve*

If Resident’s physical and/or mental condition or needs cannot be legally or adequately served by the facilities or programs available at Arbor Acres, or Resident requires or insists upon receiving care that in the judgment of Arbor Acres exceeds the capacity of Arbor Acres to provide within the limits of its staffing pattern or other available resources, Arbor Acres reserves the right to terminate Resident’s residency. If such a circumstance arises, Arbor Acres will discuss the matter thoroughly with Resident and/or Resident’s responsible party in an effort to determine a course of action in Resident’s best interest. Arbor Acres will provide guidance and transitional support to Resident and/or Resident’s responsible party to facilitate an orderly transfer of Resident to another, more appropriate facility or setting.

(h) *Termination of Residency for Behavior Deemed Harmful to Arbor Acres*

If Resident is deemed competent and capable of controlling his or her behaviors and engages in behaviors deemed by the President/CEO to be disruptive, hostile, illegal, or otherwise harmful to others or to Arbor Acres, Arbor Acres reserves the right to terminate Resident's residency. If such a circumstance arises, Arbor Acres will discuss the matter thoroughly with Resident to provide Resident with knowledge of the behaviors deemed intolerable by Arbor Acres. Arbor Acres will provide Resident a written warning to desist from the behavior or any similarly disruptive, hostile, illegal or harmful behavior. Upon determination that Resident is continuing to engage in the behaviors against which Resident has been warned, Arbor Acres will have the right to terminate Resident's residency at Arbor Acres.

(i) *Right of Appeal of Transfer or Termination Decisions*

While Arbor Acres reserves the right to terminate Resident's residency at Arbor Acres for failure to comply with (b), (d), (e), (f), (g) or (h) above, or for failure to comply with any other provision of this Agreement, Arbor Acres shall exercise such right only after first attempting to work out satisfactory solutions with Resident and/or Resident's responsible party. If agreement cannot be reached between the President/CEO and Resident and/or Resident's responsible party, the President/CEO will refer the matter to the Executive Committee of the Board of Directors of Arbor Acres (the "Executive Committee") for hearing and decision. The Executive Committee shall afford Resident an opportunity to be heard, and shall render a decision with respect to the matter referred to it. The decision of the Executive Committee shall be put in writing and shall be signed by the Chair of the Board of Directors of Arbor Acres (the "Chair") or, in the absence of the Chair, the Chair Elect of the Board of Directors of Arbor Acres. It is understood and agreed that the written, signed decision of the Executive Committee shall be final and binding.

(j) *Terms and Conditions of Initial Residency and Continued Residency*

Arbor Acres reserves the right to relocate Resident to another accommodation when deemed necessary in order for Arbor Acres to fulfill its strategic financial and other obligations to the Arbor Acres community. Arbor Acres will exercise this right only when all other reasonable options to avoid relocating Resident have been considered. Arbor Acres will use reasonable efforts to relocate Resident to an accommodation of the same or similar type as Resident's Accommodation. Any such decision to relocate Resident will be discussed thoroughly with Resident in order to enlist Resident's understanding of the need for and cooperation with the relocation. Arbor Acres will pay all required packing and moving costs, and all reasonable refurbishing costs necessary to achieve substantial comparability between the Accommodation and any new accommodation to which Resident may be relocated. Any decision to relocate Resident for the sake of enabling Arbor Acres to fulfill its strategic financial and other obligations to the Arbor Acres community may be appealed to the Executive Committee as outlined in (i) above.

(k) *Termination of Residency If Listed on a Sex Offender Registry*

Resident hereby acknowledges that it is the policy of Arbor Acres to conduct sex offender screening for every prospective resident, regardless of independent status or level of care, at the time of application for admission to Arbor Acres and again prior to entering into a Residency Agreement. If the screening shows that the prospective resident is identified as a sex offender, Arbor Acres will deny admission of Resident on that basis and not execute a Residency Agreement. In addition, Resident hereby acknowledges and agrees that if, after Arbor Acres and Resident have entered into a Residency Agreement, Arbor Acres becomes

aware that Resident is listed on any sex offender registry, Arbor Acres may terminate this Agreement with Resident and remove Resident from Arbor Acres.

(l) *Relocation to Independent Living*

If Resident's health should improve sufficiently to permit Resident to live in a residential unit at Arbor Acres other than in Arbor Acres' skilled nursing facility (the "Skilled Nursing Facility") or the Assisted Living Facility, such a move may be made subject to availability of a unit, payment of the entrance fee established for the unit, less the Entrance Fee, and execution of an appropriate Independent Living Residency Agreement.

(m) *Healthcare Outside of Arbor Acres*

Arbor Acres assumes no obligation or responsibility for the provision of residential or nursing or health care facilities or services to Resident beyond those facilities and services from time to time established and provided by Arbor Acres.

(n) *Personal Belongings*

Arbor Acres will not be responsible for the loss of or damage to any property belonging to Resident due to theft, mysterious disappearance, fire, employee accident, or any other cause. It is understood that Resident has the responsibility of providing any desired insurance protection covering any such loss.

8. Standard Services to be Provided.

Arbor Acres agrees to provide standard services to Resident at no additional cost beyond the Daily Fee, and has informed Resident of these services and other services through written information available to all residents. At the time of execution of this Agreement, the standard services include:

- (1) Nursing supervision (in accordance with regulatory standards; does not include private duty or individual nurse for each resident), prescribed medication administration and assistance with activities of daily living;
- (2) Maintenance of buildings and grounds, including maintenance of all standard equipment in the Accommodation;
- (3) Utilities, as described below;
- (4) Basic cable television and internet service;
- (5) Telephone jacks; emergency call system, and assistance in emergencies;
- (6) Recreational, educational, cultural, wellness and spiritual life programs, to the extent provided by Arbor Acres;
- (7) Transportation to routine, non-emergency medical appointments within Forsyth County (transportation by ambulance not included);
- (8) In-patient care in the Arbor Acres Health Center for a limited number of days;
- (9) Daily housekeeping and annual deep cleaning of the Accommodation;
- (10) Laundering of bed and bath linens furnished by Arbor Acres;
- (11) Laundering of personal clothing (washing, drying and folding, not ironing or dry cleaning);
- (12) Security personnel on duty in the Arbor Acres Welcome Center; and
- (13) Food service (3 meals daily).

Water and sewer services are included in the Daily Fee. Electricity and gas is also included.

Arbor Acres may also make available to Resident additional services, at Resident's request, at the then prevailing rates charged by Arbor Acres, which may be changed from time to time at the discretion of Arbor Acres.

Arbor Acres residents pay Daily Fees and other charges to cover services provided by Arbor Acres. At least annually, during budget preparation, Arbor Acres reviews services and costs of operation, and the need for any changes in services or in Arbor Acres' schedule of fees and charges. Arbor Acres reserves the right to change, when deemed necessary, the services provided to residents and the associated fees and charges. Arbor Acres will strive to deliver services efficiently and economically.

9. Transfer to Higher Level of Care.

Resident shall have priority over non-residents for entry into the Skilled Nursing Facility. Although Arbor Acres cannot guarantee Resident entry into the Skilled Nursing Facility, Arbor Acres will use its reasonable efforts to accommodate Resident's entry. If Resident requires a higher level of care, and the Skilled Nursing Facility is fully occupied or unable to provide such higher level of care, Resident shall relocate to an alternate healthcare facility. In the event of such relocation, Arbor Acres will use reasonable efforts to transfer Resident to the Skilled Nursing Facility when accommodations become available. Resident shall be responsible for all fees, costs and expenses. If Resident's transfer to the Skilled Nursing Facility or an alternate healthcare facility is temporary, Resident shall remain responsible for the Daily Fee; however, Resident shall not be responsible for the Daily Fee if such relocation is permanent. If Resident transfers to the Skilled Nursing Facility, Resident shall not be required to pay an additional Entrance Fee on transferring to the Skilled Nursing Facility.

10. Application for Benefits; Assignment of Benefits.

Resident shall apply for any federal, state or local benefits for which Resident may be eligible or entitled upon request by Arbor Acres. If requested by Arbor Acres, any or all such benefits will be applied to the Daily Fee or other charges incurred by Resident at Arbor Acres.

11. Health Insurance.

Resident shall maintain eligible Medicare coverage (and supplemental health insurance coverage) or other health insurance coverage that adequately covers hospital, medical, prescriptions and skilled nursing deductibles and co-payments required under Resident's primary insurance policy. Resident's primary and secondary insurance coverage must recognize Arbor Acres as a healthcare provider, or Resident shall be responsible for services rendered that otherwise could be covered by insurance.

If Resident's health insurance coverage lapses, Arbor Acres may require Resident to reapply for suitable insurance coverage. If Resident is unable to obtain suitable insurance coverage, Resident shall be responsible for any healthcare services rendered that otherwise could be covered by insurance. Upon request by Arbor Acres, Resident shall provide evidence of health insurance coverage.

12. Medicare-Certified Skilled Nursing Facility Beds.

Arbor Acres maintains a limited number of Medicare-certified beds in the Skilled Nursing Facility, which are available for use by residents whose skilled nursing care would qualify for Medicare

payment on an “if and as available” basis. In the event that Resident needs admission and the admission would qualify for Medicare payment, then Resident’s financial responsibility to Arbor Acres will depend upon the type of Medicare coverage that Resident has and whether Arbor Acres is a contractual provider for Resident’s coverage.

(a) *Medicare-certified bed is not available.*

In the event that there is not a Medicare-certified bed at Arbor Acres at the time that Resident requires admission, then Resident may either choose to obtain skilled nursing care services at another healthcare facility at Resident’s cost until such time as a Medicare-certified bed becomes available at Arbor Acres (presuming that Resident would use a facility that could provide a Medicare-certified bed) or be admitted to a bed in the Skilled Nursing Facility at Resident’s cost which is not certified to accept Medicare payment until such time as a Medicare-certified bed becomes available at Arbor Acres.

(b) *Medicare-certified bed is available and Resident has traditional Medicare.*

If Resident is admitted to a Medicare-certified bed in the Skilled Nursing Facility and Resident has traditional Medicare coverage, Arbor Acres will accept the Medicare reimbursement amount for such care while Resident shall be responsible for any applicable deductible, co-payment and/or co-insurance amounts that are not paid by Medicare and any supplemental Medicare insurance that Resident maintains.

(c) *Medicare-certified bed is available and Resident has Medicare Advantage coverage for which Arbor Acres is an in-network provider.*

In the event that Arbor Acres is an in-network provider for Resident’s Medicare Advantage coverage, then Arbor Acres will accept the reimbursement amount from Resident’s Medicare Advantage insurance carrier while Resident shall be responsible for any deductible, co-payment and/or co-insurance amounts that are not paid by the Medicare Advantage insurance that Resident maintains.

(d) *Medicare-certified bed is available and Resident has Medicare Advantage coverage for which Arbor Acres is not an in-network provider.*

Arbor Acres will charge Resident the full private-payment amount for Resident’s admission into a Medicare-certified bed and credit against Resident’s financial obligation to Arbor Acres the amount that is paid by Resident’s Medicare Advantage insurance if the insurance provides an out-of-network benefit. In the event that Resident’s Medicare Advantage insurance will not pay any amount to an out-of-network provider, then Resident will not be admitted to a Medicare-certified bed at Arbor Acres. A full private-pay Resident in a Medicare-certified bed may be required by Arbor Acres to relocate to a bed that is not Medicare certified when such a bed becomes available.

13. United Methodist Affiliation.

Arbor Acres is affiliated with the Western North Carolina Annual Conference of The United Methodist Church, which is not responsible for the financial and contractual obligations of Arbor Acres.

14. Required Documents.

Resident agrees to keep in effect an appropriate Durable Power of Attorney or other designation of responsible party, and agrees to provide copies of the following documents to Arbor Acres by the first day of

residency, and deliver any changes to such documents to Arbor Acres during Resident's residency at Arbor Acres: (a) health insurance coverage information; (b) copy of current Durable Power of Attorney for business management; (c) copy of current Health Care Power of Attorney and Living Will; and (d) evidence of the executor or other legally responsible person of Resident's estate, such as a copy of Resident's will documenting the name of the executor of his or her estate.

15. Moving Costs.

Resident is responsible for any and all packing and moving costs incurred by Resident for moves into, within and out of Arbor Acres, except as provided in Section 7(j) above. Arbor Acres may provide assistance at an additional cost. Arbor Acres reserves the right to charge an administrative fee for Resident's move within Arbor Acres.

16. Entire Agreement.

This Agreement, together with any Arbitration Agreement between Resident and Arbor Acres, contain the entire agreement of Arbor Acres and Resident. Arbor Acres will not be liable or bound in any manner by any statements, representations, or promises made by any person representing or claiming to represent Arbor Acres, unless such statements, representations, or promises are set forth in this Agreement.

17. Capacity.

This Agreement has been executed on behalf of Arbor Acres by Arbor Acres' duly authorized agent, and no officer, trustee, agent or employee of Arbor Acres shall have any personal liability to Resident under this Agreement.

18. Amendments and Modifications.

This Agreement shall not be modified, amended or changed in any respect except in writing signed by Arbor Acres and Resident. Each waives any right to amend this Agreement in any other way. Notwithstanding the foregoing, Arbor Acres may amend this Agreement to ensure compliance with applicable laws and regulations.

19. Waiver.

Neither the failure nor any delay on the part of any party to exercise any right, remedy, power or privilege ("Right") under this Agreement shall operate as a waiver thereof, nor shall any single or partial waiver of any Right preclude any exercise of the same or of any other Right. No waiver shall be in effect unless in writing and signed by the party asserted to have granted such waiver.

20. Severability.

The invalidity of any restriction, condition or other provision of this Agreement, or any part of the same, shall not impair or affect in any way the validity or enforceability of the rest of this Agreement.

21. Interpretation.

The headings in this Agreement are for convenience and reference only, and shall not affect the interpretation of any provision of this Agreement.

22. Successors and Assigns.

Except as set forth herein, this Agreement shall bind and inure to the benefit of the successors and assigns of Arbor Acres and the heirs, executors, responsible parties, attorneys-in-fact and administrators of Resident.

23. Assignment.

This Agreement may not be assigned by Resident.

24. Indemnity.

Resident agrees to indemnify, defend and hold Arbor Acres harmless from any and all claims, damages or expenses (including reasonable attorneys' fees and court costs) resulting or arising from any injury or death to persons and/or damages caused by, resulting from or attributable to or in any way connected with, directly or indirectly, the act or omission of Resident or Resident's guests, including private duty nurses, companions or others. This Section 24 shall survive termination of this Agreement.

25. Governing Law; Venue; Disputes.

This Agreement shall be governed by, interpreted, construed and enforced in accordance with the laws of the State of North Carolina, without giving effect to any choice of law or conflict of law rules or provisions that would cause the application of laws or any jurisdiction other than North Carolina. Except to the extent that the parties have agreed to an alternative mechanism for the resolution of a dispute, to the full extent permitted by law, any action, suit or proceeding arising out of or relating to this Agreement shall be brought and enforced in the courts of the State of North Carolina located in Forsyth County or of the United States District Court for the Middle District of North Carolina, and the parties hereby irrevocably submit to the exclusive jurisdiction of such courts and irrevocably waive any objection that they may now or hereafter have to the laying of venue of any such action or proceeding in such courts. In the event of any such dispute, the non-prevailing party shall pay all reasonable costs, expenses and attorneys' fees incurred by the prevailing party.

26. Survival.

Those rights and obligations that have accrued under this Agreement shall survive its termination, as shall those rights and obligations that by their terms survive termination and any provisions that must survive to give effect to their terms, as shall any obligation of Resident to pay costs or expenses of his or her residency at Arbor Acres that remain unpaid as of such termination.

27. Management of Arbor Acres.

The absolute rights of management are reserved by Arbor Acres and its Board of Directors. Arbor Acres reserves the right to accept or reject any person as a resident. Residents do not have the right to determine admission or terms of acceptance of any other resident.

28. Uncontrollable Interruption of Services.

No breach of Arbor Acres' obligations under this Agreement and no liability for injury to Resident or Resident's property shall result from an interruption of, or failure to provide, contracted services

due to an act of God or other cause beyond the reasonable control of Arbor Acres, specifically including (without limitation) strikes or other forms of labor disturbances, government regulations and/or embargoes, shortages of labor or materials, fire, flood, earthquakes, inclement weather or acts of the Resident. Arbor Acres shall make reasonable efforts to continue to provide the usual services in such event.

29. Confidentiality.

Arbor Acres has the responsibility to keep all of the personal, medical, and financial information Resident has supplied to Arbor Acres confidential. Resident agrees that Arbor Acres can disclose such information to those who have a need, in Arbor Acres' judgment, or right to know.

30. Rights Subordinate to Mortgage.

Pursuant to the requirements of any lender, Resident agrees that Resident's rights under this Agreement are subordinate to the right of the lender under any mortgage, deed of trust or security interest executed now or in the future by Arbor Acres.

31. Notice Provisions.

Notices required by this Agreement will be in writing and delivered either by personal delivery or mail. If delivered by mail, notices will be sent by certified or registered mail, return receipt requested, with all postage and charges prepaid. Notices and other communications will be deemed to have been given when delivered by personal delivery or if mailed, such notice shall be deemed to have been given on the third business day after being deposited in the United States mail, postage prepaid. Resident has applied and been approved for residency at Arbor Acres in _____, room number _____ (the “Accommodation”), and has received a copy of Arbor Acres’ Disclosure Statement, dated _____ (the “Disclosure Statement”).

Resident and Arbor Acres agree to the following:

1. Entrance Fee and Daily Fee.

The Entrance Fee established by Arbor Acres for residency in Arbor Acres’ skilled nursing facility (the “Skilled Nursing Facility”), where it is anticipated Resident will reside, is TWO THOUSAND EIGHT HUNDRED DOLLARS AND NO/100 Dollars (\$2,800.00) (the “Entrance Fee”), the amount being paid by Resident herewith in full. (The Entrance Fee is separate and distinct from Arbor Acres’ fees and charges to residents for food, maintenance, medical, nursing and other services.) The Entrance Fee for residency in the Skilled Nursing Facility is a non-refundable fee except as provided in Section 5. If Resident moves to an independent living unit, the Entrance Fee will be applied toward the Entrance Fee for that unit as provided in Section 7(I).

Resident agrees to pay the initial daily fee (the “Daily Fee”), which is the established daily fee as of the date on this Agreement, and which is subject to change from time to time. Rates are typically adjusted January 1st of each year. Gratuities or bequests in addition to the established Daily Fee shall not be accepted. As of the date of this Agreement, the Daily Fee associated with the Accommodation will be:

Daily Fee

Daily Fee for Resident (includes meals, laundry and utilities) \$ _____

2. Monthly Statements.

Arbor Acres will furnish Resident a monthly statement with the total amount of the Daily Fee and other charges, if any, owed by Resident. Resident shall pay such fees and charges by the 10th day of the month. If Resident’s payment is late, Arbor Acres may charge Resident a one and one-half percent (1.5%) interest fee per month, from the first of the month in which the payment is late. Upon thirty (30) days’ advance written notice, Arbor Acres may change the billing date and payment due date. Arbor Acres shall have the right to offset against any Entrance Fee repayment any unpaid Daily Fees or other charges owed by Resident to Arbor Acres.

3. Room Assignment.

Resident understands that Resident acquires no ownership interest in any property at Arbor Acres under this Agreement; also, that no particular room or unit in the Skilled Nursing Facility is subject to

reservation or permanent assignment, and that Arbor Acres may change Resident's room assignment in the Skilled Nursing Facility. Though Arbor Acres retains the right to change Resident's room assignment, Arbor Acres agrees that it will make changes only as Arbor Acres finds such changes to be necessary or advisable.

4. Initial Occupancy.

Arbor Acres anticipates having the Accommodation ready for occupancy by _____. Resident is not required to move into the Accommodation before it is ready for occupancy, or before the expiration of thirty (30) days from the date of this Agreement, whichever is later. Resident plans to move into the Accommodation on or before _____ (the "Occupancy Date"). If Resident should wish to change the Occupancy Date, Resident will advise Arbor Acres immediately (on or before the Occupancy Date). Upon receipt of Resident's request, and if Arbor Acres determines that another date is feasible, Arbor Acres will undertake to work out with Resident another mutually agreeable Occupancy Date. Resident agrees to pay Arbor Acres' Daily Fees and other charges for use of the Accommodation from the earlier of (a) the date of actual occupancy (the first night of residency or when personal property is moved into the Accommodation) or (b) _____ (the "Residency Date").

5. Resident's Right to Rescind or Cancel Within the First Thirty (30) Days or Resident's Failure to Move to Arbor Acres.

(a) Within thirty (30) days following the later of the execution of this Agreement or delivery of the Disclosure Statement (the "Rescission Period"), Resident may rescind this Agreement by delivering to Arbor Acres a signed, written notice of rescission. Resident is not required to move into the Accommodation during the Rescission Period. If Resident dies before occupying the Accommodation, or if, on account of illness, injury or incapacity Resident should be precluded from occupying the Accommodation, this Agreement shall be automatically cancelled. If this Agreement is neither rescinded nor cancelled and Resident fails to move to Arbor Acres by the Residency Date, this Agreement may be terminated by Arbor Acres or Resident upon written notice to the other.

(b) If Resident rescinds this Agreement, this Agreement is automatically cancelled as described in Section 5(a) above or Resident fails to move to Arbor Acres by the Residency Date and this Agreement is terminated by either Arbor Acres or Resident, Resident or Resident's legal representative will receive a refund of the Entrance Fee, less the following: (i) any Daily Fees or other costs charged for the time Resident shall have resided at Arbor Acres; and (ii) those nonstandard costs specifically incurred by Arbor Acres at the request of Resident and described in a signed addendum to this Agreement. Payment of the refund is to be made from the Entrance Fee received by Arbor Acres from the next occupant of the Accommodation.

6. Notice of Termination of Occupancy.

If after moving to Arbor Acres and the expiration of the Rescission Period, Resident should decide to terminate this Agreement and residency at Arbor Acres, Resident will give Arbor Acres a minimum of fourteen (14) days advance written notice stating the date on which Resident plans to terminate residency. This Agreement, and Resident's obligation to pay the Daily Fee and other charges, shall continue in effect until Resident vacates the Accommodation or until the end of the fourteen (14) day notice period, whichever is later (the "Date of Termination of Occupancy"). If Resident permanently vacates the Accommodation, Arbor Acres reserves the right to remove Resident's personal property from the Accommodation and store such personal property, and Resident shall be responsible for the reasonable costs of such removal and storage. Unclaimed

personal property will become the property of Arbor Acres after thirty (30) days, and Arbor Acres may dispose of such personal property in its sole discretion.

7. Terms and Conditions of Initial Residency and Continued Residency.

Resident shall have the right to occupy the Accommodation and to reside at Arbor Acres subject to the provisions of this Agreement and subject to the following understandings, terms and conditions:

(a) *Health and Financial Qualification for Residency*

At the time of the execution of this Agreement, Arbor Acres has determined that Resident qualifies for residency both with respect to mental and physical condition and ability to take care of the anticipated Daily Fees and other charges. Resident must continue to meet these qualifications at the time Resident enters Arbor Acres. If Resident is not qualified to occupy the Accommodation, but is qualified (financially and otherwise) to reside in other accommodations at Arbor Acres, Resident shall be entitled to such accommodation when space permits.

(b) *Financial Obligation Including Obligation to Pay Fees and Charges*

In order to operate Arbor Acres on a fiscally sound, nonprofit basis, Arbor Acres has established fees and charges, which are subject to modification from time to time as deemed necessary and appropriate by Arbor Acres. Resident agrees to pay when due all required fees and charges. Resident has received from Arbor Acres a schedule of current fees and charges.

Resident agrees to provide, if requested, periodic financial statements and current financial information for the purpose of demonstrating capacity to meet financial obligations to Arbor Acres. Should Resident experience financial difficulty that might result in Resident's immediate or eventual inability to meet the financial obligations under this Agreement, including any spend down of assets that might result from payment of expected fees and charges to Arbor Acres, Resident will inform Arbor Acres immediately, and submit a current financial statement. Resident and, if appropriate, Resident's responsible party, and Arbor Acres shall discuss and, if possible, agree on a plan by which Resident's financial obligation to Arbor Acres can be met. Residents whose funds are depleted primarily through payment of fees associated with residency, to include costs associated with their medical care, may be eligible for consideration for financial assistance through Arbor Acres. Such assistance, however, is conditional upon demonstration that other options for fulfilling this financial obligation to Arbor Acres have been explored and deemed impracticable by either party. When Resident is deemed eligible for financial assistance through Arbor Acres, Arbor Acres, to the extent of its available resources dedicated for financial assistance, will attempt to furnish financial assistance when it is needed. Termination of residency for Resident's inability to fulfill the financial obligations incurred under this Agreement shall be an option exercised as necessary to assure the financial viability of Arbor Acres and of its financial assistance program.

(c) *Rights and Obligations During Temporary Absence*

Temporary absence because of illness, trips or otherwise shall not affect Resident's right to retain the Accommodation as Resident's place of residency. However, Resident shall not be entitled to an adjustment of Arbor Acres' Daily Fee and other charges during such absence, and Resident shall continue to be charged and to pay such Daily Fee and charges during such absence.

(d) *Requirement of Compliance with Recommendations for Additional Services or Care*

If Resident shall incur a physical or mental illness or impairment so that Resident requires additional services or a higher level of care than is available at the Accommodation, Arbor Acres, through its nursing and continuing care staffs ("Nursing and Continuing Care Staffs"), will make recommendations regarding appropriate additional service options and/or options for transfer to a higher level of care. Resident agrees (i) that Arbor Acres is obligated to assure the care and safety of residents and, (ii) that Resident will comply with Nursing and Continuing Care Staffs' recommendations regarding additional services or transfer to a higher level of care. If such additional services or higher level of care can be provided in a different accommodation at Arbor Acres, Resident has a right, and may be required by Arbor Acres, to move to such accommodation. Arbor Acres will recommend and require such a move or additional services when, in the judgment of Arbor Acres, it is necessary and in the best interest of Resident, Arbor Acres and/or the other residents of Arbor Acres. Before any such move or additional services are required, Arbor Acres will discuss the matter with Resident and/or Resident's responsible party in an effort to secure Resident's understanding and cooperation with the required additional services or change of accommodation or level of care. Resident and/or Resident's responsible party shall have the right to appeal a decision to change Resident's accommodation and/or level of care in accordance with the provisions of (i) below.

(e) *Requirement of Compliance With Policies, Rules and Regulations*

In order to operate Arbor Acres in the best interest of the entire Arbor Acres community, Arbor Acres has established policies, rules and regulations relating to residency, which are subject to modification from time to time as deemed appropriate by Arbor Acres. Resident has received information as to the current policies, rules and regulations in the Disclosure Statement and in other written information provided by Arbor Acres. Arbor Acres reserves the right to make or change policies, rules and regulations, and will use its reasonable efforts to communicate through appropriate means to all residents the substance and content of such additions or changes; also, copies of particular policies, rules and regulations relating to residency will be furnished to Resident on request. Resident agrees to comply with Arbor Acres' policies, rules and regulations applicable to Resident's residency in Arbor Acres.

(f) *Cooperation of Responsible Parties and Other Associates*

Resident understands and agrees that, in order for Arbor Acres to operate in the best interest of both Resident and the entire Arbor Acres community, Arbor Acres must have the cooperation of Resident's family, friends, responsible parties and other associates to comply with Arbor Acres' applicable policies, rules and regulations. Any continuing or repeated failure or refusal by any such persons to so cooperate and comply may result in a determination by Arbor Acres that it is no longer feasible for Arbor Acres to accommodate Resident as a resident. Upon such determination, Arbor Acres will have a right to terminate Resident's residency at Arbor Acres.

(g) *Termination of Residency for Health Conditions Beyond Arbor Acres' Capacity to Serve*

If Resident's physical and/or mental condition or needs cannot be legally or adequately served by the facilities or programs available at Arbor Acres, or Resident requires or insists upon receiving care that in the judgment of Arbor Acres exceeds the capacity of Arbor Acres to provide within the limits of its staffing pattern or other available resources, Arbor Acres reserves the right to terminate Resident's residency. If such a circumstance arises, Arbor Acres will discuss the matter thoroughly with Resident and/or Resident's responsible party in an effort to determine a course of action in Resident's best interest. Arbor Acres will

provide guidance and transitional support to Resident and/or Resident's responsible party to facilitate an orderly transfer of Resident to another, more appropriate facility or setting.

(h) *Termination of Residency for Behavior Deemed Harmful to Arbor Acres*

If Resident is deemed competent and capable of controlling his or her behaviors and engages in behaviors deemed by the President/CEO to be disruptive, hostile, illegal, or otherwise harmful to others or to Arbor Acres, Arbor Acres reserves the right to terminate Resident's residency. If such a circumstance arises, Arbor Acres will discuss the matter thoroughly with Resident to provide Resident with knowledge of the behaviors deemed intolerable by Arbor Acres. Arbor Acres will provide Resident a written warning to desist from the behavior or any similarly disruptive, hostile, illegal or harmful behavior. Upon determination that Resident is continuing to engage in the behaviors against which Resident has been warned, Arbor Acres will have the right to terminate Resident's residency at Arbor Acres.

(i) *Right of Appeal of Transfer or Termination Decisions*

While Arbor Acres reserves the right to terminate Resident's residency at Arbor Acres for failure to comply with (b), (d), (e), (f), (g) or (h) above, or for failure to comply with any other provision of this Agreement, Arbor Acres shall exercise such right only after first attempting to work out satisfactory solutions with Resident and/or Resident's responsible party. If agreement cannot be reached between the President/CEO and Resident and/or Resident's responsible party, the President/CEO will refer the matter to the Executive Committee of the Board of Directors of Arbor Acres (the "Executive Committee") for hearing and decision. The Executive Committee shall afford Resident an opportunity to be heard, and shall render a decision with respect to the matter referred to it. The decision of the Executive Committee shall be put in writing and shall be signed by the Chair of the Board of Directors of Arbor Acres (the "Chair") or, in the absence of the Chair, the Chair Elect of the Board of Directors of Arbor Acres. It is understood and agreed that the written, signed decision of the Executive Committee shall be final and binding.

(j) *Terms and Conditions of Initial Residency and Continued Residency*

Arbor Acres reserves the right to relocate Resident to another accommodation when deemed necessary in order for Arbor Acres to fulfill its strategic financial and other obligations to the Arbor Acres community. Arbor Acres will exercise this right only when all other reasonable options to avoid relocating Resident have been considered. Arbor Acres will use reasonable efforts to relocate Resident to an accommodation of the same or similar type as Resident's Accommodation. Any such decision to relocate Resident will be discussed thoroughly with Resident in order to enlist Resident's understanding of the need for and cooperation with the relocation. Arbor Acres will pay all required packing and moving costs, and all reasonable refurbishing costs necessary to achieve substantial comparability between the Accommodation and any new accommodation to which Resident may be relocated. Any decision to relocate Resident for the sake of enabling Arbor Acres to fulfill its strategic financial and other obligations to the Arbor Acres community may be appealed to the Executive Committee as outlined in (i) above.

(k) *Termination of Residency If Listed on a Sex Offender Registry*

Resident hereby acknowledges that it is the policy of Arbor Acres to conduct sex offender screening for every prospective resident, regardless of independent status or level of care, at the time of application for admission to Arbor Acres and again prior to entering into a Residency Agreement. If the screening shows that the prospective resident is identified as a sex offender, Arbor Acres will deny admission of

Resident on that basis and not execute a Residency Agreement. In addition, Resident hereby acknowledges and agrees that if, after Arbor Acres and Resident have entered into a Residency Agreement, Arbor Acres becomes aware that Resident is listed on any sex offender registry, Arbor Acres may terminate this Agreement with Resident and remove Resident from Arbor Acres.

(l) *Relocation to Independent Living or Assisted Living*

If Resident's health should improve sufficiently to permit Resident to live in other accommodations at Arbor Acres other than the Skilled Nursing Facility, such a move may be made subject to availability of an appropriate accommodation, payment of the entrance fee established for the accommodation, less the Entrance Fee, and execution of an appropriate Independent Living Residency Agreement or Assisted Living Residency Agreement (as applicable).

(m) *Healthcare Outside of Arbor Acres*

Arbor Acres assumes no obligation or responsibility for the provision of residential or nursing or health care facilities or services to Resident beyond those facilities and services from time to time established and provided by Arbor Acres.

(n) *Personal Belongings*

Arbor Acres will not be responsible for the loss of or damage to any property belonging to Resident due to theft, mysterious disappearance, fire, employee accident, or any other cause. It is understood that Resident has the responsibility of providing any desired insurance protection covering any such loss.

8. Standard Services to be Provided.

Arbor Acres agrees to provide standard services to Resident at no additional cost beyond the Daily Fee, and has informed Resident of these services and other services through written information available to all residents. At the time of execution of this Agreement, the standard services include:

- (1) Nursing supervision (in accordance with regulatory standards; does not include private duty or individual nurse for each resident), prescribed medication administration and assistance with activities of daily living;
- (2) Maintenance of buildings and grounds, including maintenance of all standard equipment in the Accommodation;
- (3) Utilities, as described below;
- (4) Basic cable television and internet service;
- (5) Telephone jacks; emergency call system, and assistance in emergencies;
- (6) Recreational, educational, cultural, wellness and spiritual life programs, to the extent provided by Arbor Acres;
- (7) Transportation to routine, non-emergency medical appointments within Forsyth County (transportation by ambulance not included);
- (8) In-patient care in the Arbor Acres Health Center for a limited number of days;
- (9) Daily housekeeping and annual deep cleaning of the Accommodation;
- (10) Laundering of bed and bath linens furnished by Arbor Acres;
- (11) Laundering of personal clothing (washing, drying and folding, not ironing or dry cleaning);

- (12) Security personnel on duty in the Arbor Acres Welcome Center; and
- (13) Food service (3 meals daily).

Water and sewer services are included in the Daily Fee. Electricity and gas is also included.

Arbor Acres may also make available to Resident additional services, at Resident's request, at the then prevailing rates charged by Arbor Acres, which may be changed from time to time at the discretion of Arbor Acres.

Arbor Acres residents pay Daily Fees and other charges to cover services provided by Arbor Acres. At least annually, during budget preparation, Arbor Acres reviews services and costs of operation, and the need for any changes in services or in Arbor Acres' schedule of fees and charges. Arbor Acres reserves the right to change, when deemed necessary, the services provided to residents and the associated fees and charges. Arbor Acres will strive to deliver services efficiently and economically.

9. Transfer to Another Level of Care.

Resident shall have priority over non-residents for entry into the Arbor Acres' assisted living facility (the "Assisted Living Facility"). Although Arbor Acres cannot guarantee Resident entry into the Assisted Living Facility, Arbor Acres will use its reasonable efforts to accommodate Resident's entry. If Resident requires a lower level of care, and the Assisted Living Facility is fully occupied or unable to provide such lower level of care, Resident shall relocate to an alternate healthcare facility. In the event of such relocation, Arbor Acres will use reasonable efforts to transfer Resident to the Assisted Living Facility when accommodations become available. Resident shall be responsible for all fees, costs and expenses. If Resident's transfer to the Assisted Living Facility or an alternate healthcare facility is temporary, Resident shall remain responsible for the Daily Fee; however, Resident shall not be responsible for the Daily Fee if such relocation is permanent. If Resident transfers to the Assisted Living Facility, Resident shall not be required to pay an additional Entrance Fee on transferring to the Assisted Living Facility.

10. Application for Benefits; Assignment of Benefits.

Resident shall apply for any federal, state or local benefits for which Resident may be eligible or entitled upon request by Arbor Acres. If requested by Arbor Acres, any or all such benefits will be applied to the Daily Fee or other charges incurred by Resident at Arbor Acres.

11. Health Insurance.

Resident shall maintain eligible Medicare coverage (and supplemental health insurance coverage) or other health insurance coverage that adequately covers hospital, medical, prescriptions and skilled nursing deductibles and co-payments required under Resident's primary insurance policy. Resident's primary and secondary insurance coverage must recognize Arbor Acres as a healthcare provider, or Resident shall be responsible for services rendered that otherwise could be covered by insurance.

If Resident's health insurance coverage lapses, Arbor Acres may require Resident to reapply for suitable insurance coverage. If Resident is unable to obtain suitable insurance coverage, Resident shall be responsible for any healthcare services rendered that otherwise could be covered by insurance. Upon request by Arbor Acres, Resident shall provide evidence of health insurance coverage.

12. Medicare-Certified Skilled Nursing Facility Beds.

Arbor Acres maintains a limited number of Medicare-certified beds in the Skilled Nursing Facility, which are available for use by residents whose skilled nursing care would qualify for Medicare payment on an “if and as available” basis. In the event that Resident’s admission would qualify for Medicare payment, then Resident’s financial responsibility to Arbor Acres will depend upon the type of Medicare coverage that Resident has and whether Arbor Acres is a contractual provider for Resident’s coverage.

(a) *Medicare-certified bed is not available.*

In the event that there is not a Medicare-certified bed at Arbor Acres at the time that Resident requires admission, then Resident may either choose to obtain skilled nursing care services at another healthcare facility at Resident’s cost until such time as a Medicare-certified bed becomes available at Arbor Acres (presuming that Resident would use a facility that could provide a Medicare-certified bed) or be admitted to a bed in the Skilled Nursing Facility at Resident’s cost which is not certified to accept Medicare payment until such time as a Medicare-certified bed becomes available at Arbor Acres.

(b) *Medicare-certified bed is available and Resident has traditional Medicare.*

If Resident is admitted to a Medicare-certified bed in the Skilled Nursing Facility and Resident has traditional Medicare coverage, Arbor Acres will accept the Medicare reimbursement amount for such care while Resident shall be responsible for any applicable deductible, co-payment and/or co-insurance amounts that are not paid by Medicare and any supplemental Medicare insurance that Resident maintains.

(c) *Medicare-certified bed is available and Resident has Medicare Advantage coverage for which Arbor Acres is an in-network provider.*

In the event that Arbor Acres is an in-network provider for Resident’s Medicare Advantage coverage, then Arbor Acres will accept the reimbursement amount from Resident’s Medicare Advantage insurance carrier while Resident shall be responsible for any deductible, co-payment and/or co-insurance amounts that are not paid by the Medicare Advantage insurance that Resident maintains.

(d) *Medicare-certified bed is available and Resident has Medicare Advantage coverage for which Arbor Acres is not an in-network provider.*

Arbor Acres will charge Resident the full private-payment amount for Resident’s admission into a Medicare-certified bed and credit against Resident’s financial obligation to Arbor Acres the amount that is paid by Resident’s Medicare Advantage insurance if the insurance provides an out-of-network benefit. In the event that Resident’s Medicare Advantage insurance will not pay any amount to an out-of-network provider, then Resident will not be admitted to a Medicare-certified bed at Arbor Acres. A full private-pay Resident in a Medicare-certified bed may be required by Arbor Acres to relocate to a bed that is not Medicare certified when such a bed becomes available.

13. United Methodist Affiliation.

Arbor Acres is affiliated with the Western North Carolina Annual Conference of The United Methodist Church, which is not responsible for the financial and contractual obligations of Arbor Acres.

14. Required Documents.

Resident agrees to keep in effect an appropriate Durable Power of Attorney or other designation of responsible party, and agrees to provide copies of the following documents to Arbor Acres by the first day of residency, and deliver any changes to such documents to Arbor Acres during Resident's residency at Arbor Acres: (a) health insurance coverage information; (b) copy of current Durable Power of Attorney for business management; (c) copy of current Health Care Power of Attorney and Living Will; and (d) evidence of the executor or other legally responsible person of Resident's estate, such as a copy of Resident's will documenting the name of the executor of his or her estate.

15. Moving Costs.

Resident is responsible for any and all packing and moving costs incurred by Resident for moves into, within and out of Arbor Acres, except as provided in Section 7(j) above. Arbor Acres may provide assistance at an additional cost. Arbor Acres reserves the right to charge an administrative fee for Resident's move within Arbor Acres.

16. Entire Agreement.

This Agreement, together with any Arbitration Agreement between Resident and Arbor Acres, contain the entire agreement of Arbor Acres and Resident. Arbor Acres will not be liable or bound in any manner by any statements, representations, or promises made by any person representing or claiming to represent Arbor Acres, unless such statements, representations, or promises are set forth in this Agreement.

17. Capacity.

This Agreement has been executed on behalf of Arbor Acres by Arbor Acres' duly authorized agent, and no officer, trustee, agent or employee of Arbor Acres shall have any personal liability to Resident under this Agreement.

18. Amendments and Modifications.

This Agreement shall not be modified, amended or changed in any respect except in writing signed by Arbor Acres and Resident. Each waives any right to amend this Agreement in any other way. Notwithstanding the foregoing, Arbor Acres may amend this Agreement to ensure compliance with applicable laws and regulations.

19. Waiver.

Neither the failure nor any delay on the part of any party to exercise any right, remedy, power or privilege ("Right") under this Agreement shall operate as a waiver thereof, nor shall any single or partial waiver of any Right preclude any exercise of the same or of any other Right. No waiver shall be in effect unless in writing and signed by the party asserted to have granted such waiver.

20. Severability.

The invalidity of any restriction, condition or other provision of this Agreement, or any part of the same, shall not impair or affect in any way the validity or enforceability of the rest of this Agreement.

21. Interpretation.

The headings in this Agreement are for convenience and reference only, and shall not affect the interpretation of any provision of this Agreement.

22. Successors and Assigns.

Except as set forth herein, this Agreement shall bind and inure to the benefit of the successors and assigns of Arbor Acres and the heirs, executors, responsible parties, attorneys-in-fact and administrators of Resident.

23. Assignment.

This Agreement may not be assigned by Resident.

24. Indemnity.

Resident agrees to indemnify, defend and hold Arbor Acres harmless from any and all claims, damages or expenses (including reasonable attorneys' fees and court costs) resulting or arising from any injury or death to persons and/or damages caused by, resulting from or attributable to or in any way connected with, directly or indirectly, the act or omission of Resident or Resident's guests, including private duty nurses, companions or others. This Section 24 shall survive termination of this Agreement.

25. Governing Law; Venue; Disputes.

This Agreement shall be governed by, interpreted, construed and enforced in accordance with the laws of the State of North Carolina, without giving effect to any choice of law or conflict of law rules or provisions that would cause the application of laws or any jurisdiction other than North Carolina. Except to the extent that the parties have agreed to an alternative mechanism for the resolution of a dispute, to the full extent permitted by law, any action, suit or proceeding arising out of or relating to this Agreement shall be brought and enforced in the courts of the State of North Carolina located in Forsyth County or of the United States District Court for the Middle District of North Carolina, and the parties hereby irrevocably submit to the exclusive jurisdiction of such courts and irrevocably waive any objection that they may now or hereafter have to the laying of venue of any such action or proceeding in such courts. In the event of any such dispute, the non-prevailing party shall pay all reasonable costs, expenses and attorneys' fees incurred by the prevailing party.

26. Survival.

Those rights and obligations that have accrued under this Agreement shall survive its termination, as shall those rights and obligations that by their terms survive termination and any provisions that must survive to give effect to their terms, as shall any obligation of Resident to pay costs or expenses of his or her residency at Arbor Acres that remain unpaid as of such termination.

27. Management of Arbor Acres.

The absolute rights of management are reserved by Arbor Acres and its Board of Directors. Arbor Acres reserves the right to accept or reject any person as a resident. Residents do not have the right to determine admission or terms of acceptance of any other resident.

28. Uncontrollable Interruption of Services.

No breach of Arbor Acres' obligations under this Agreement and no liability for injury to Resident or Resident's property shall result from an interruption of, or failure to provide, contracted services due to an act of God or other cause beyond the reasonable control of Arbor Acres, specifically including (without limitation) strikes or other forms of labor disturbances, government regulations and/or embargoes, shortages of labor or materials, fire, flood, earthquakes, inclement weather or acts of the Resident. Arbor Acres shall make reasonable efforts to continue to provide the usual services in such event.

29. Confidentiality.

Arbor Acres has the responsibility to keep all of the personal, medical, and financial information Resident has supplied to Arbor Acres confidential. Resident agrees that Arbor Acres can disclose such information to those who have a need, in Arbor Acres' judgment, or right to know.

30. Rights Subordinate to Mortgage.

Pursuant to the requirements of any lender, Resident agrees that Resident's rights under this Agreement are subordinate to the right of the lender under any mortgage, deed of trust or security interest executed now or in the future by Arbor Acres.

31. Notice Provisions.

Notices required by this Agreement will be in writing and delivered either by personal delivery or mail. If delivered by mail, notices will be sent by certified or registered mail, return receipt requested, with all postage and charges prepaid. Notices and other communications will be deemed to have been given when delivered by personal delivery or if mailed, such notice shall be deemed to have been given on the third business day after being deposited in the United States mail, postage prepaid. **ADVANTAGE PROGRAM AGREEMENT
ARBOR ACRES UNITED METHODIST RETIREMENT COMMUNITY, INC.**

This ADVANTAGE PROGRAM AGREEMENT (referred to as the "Agreement") is made this _____ day of _____, 20____ between ARBOR ACRES UNITED METHODIST RETIREMENT COMMUNITY, INC. (referred to as "Arbor Acres" or "We", "Our" or "Us"), a North Carolina non-profit corporation, and _____ (referred to as "Resident", "You" or "Your"). You agree to take financial responsibility for this Agreement on the above date (the "Date of Acceptance").

WHEREAS, Arbor Acres owns and operates a retirement community located at 1240 Arbor Road, Winston-Salem, North Carolina 27104; and

WHEREAS, the retirement community (referred to as the "Community") consists of independent living homes and apartments, common areas and amenities, and on-campus facilities for certain outpatient services, assisted living care and skilled nursing care; and

WHEREAS, You desire to enter into this Agreement as an off-campus resident of the Community in connection with Arbor Acres' offering continuing care without lodging through its "Advantage Program" in order for You to access some of the services provided by Arbor Acres while remaining in Your home and not residing at the Community.

NOW THEREFORE, subject to the terms and conditions set forth in this Agreement, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, You and Arbor Acres agree as follows:

I. ACCEPTANCE AS ARBOR ACRES RESIDENT WITHOUT LODGING

- A. General.** You have gone through the admission process, and Arbor Acres has accepted You as an off-campus Resident of the Community without lodging through its "Advantage Program" in order for You to access some of the services provided by Arbor Acres while remaining in Your home and not residing at the Community. As a Resident without lodging of Arbor Acres, You will continue to reside in Your own home and not at the Community, and You are hereby entitled to the services specifically set forth in this Agreement. If there is a fee related to particular services provided to You as a Resident, You will be charged the then prevailing fee that corresponds to being a resident of Arbor Acres rather than a guest.

As a Resident of Arbor Acres under this Agreement, if You are already on our wait list for residency on our campus ("Wait List"), You will remain on our Wait List unless You request that We remove You from the Wait List. Your status on our Wait List and Your rights as a member of the Wait List will not change as a result of entering into this Agreement. Your Wait List date for purposes of priority will remain _____, which is the date on which You joined Our Wait List originally. If You are not already on our Wait List, You may join our Wait List, and Your Wait List date for purposes of priority will be the date You are added to the Wait List. As a member of Our Wait List, You will have the same rights as other members of Our Wait List and will be offered on-campus accommodations in accordance with the then current Arbor Acres' Wait List Policy.

At the time You choose to accept an accommodation on Arbor Acres' campus, You will be required to go through our admissions process for residing at the Community, including, but not limited to, providing Us updated medical and financial information in order to determine Your

ability to live independently and to afford the additional entry fee and higher monthly service fees required for residency in the particular reserved unit. Arbor Acres reserves the right to decline Your admission to the Community for residency if Your medical and financial circumstances have changed so that You are not able to live independently or are not able to afford the additional entry fee and higher monthly service fees required for residency in the particular reserved unit.

- B. Execution of the Residence Agreement Following Acceptance.** Prior to taking occupancy and financial responsibility for a particular residential unit on Arbor Acres' campus, You agree to execute Arbor Acres' Residence Agreement (the "Residence Agreement") then in effect. Your occupancy of a residence shall be expressly conditioned upon Your execution of such agreement. The executed Residence Agreement shall supersede and replace this Agreement in its entirety.

If the Residence Agreement is subsequently terminated, as outlined in that Residence Agreement, this Agreement may be re-executed upon mutual agreement of the parties, allowing You to remain a Resident of Arbor Acres who does not reside on campus, as long as the reason for termination of the Residence Agreement does not preclude continuation of a contractual relationship with Arbor Acres.

II. GENERAL SERVICES PROVIDED ON CAMPUS

- A. Community Common Areas and Amenities.** We will provide common areas and amenities for the use and benefit of all residents. These facilities currently include the main dining room, private dining rooms, lobbies, assembly hall, library, social, and recreational facilities (indoor and outdoor), and craft facilities. Some common areas may require advance reservation. All common areas are smoke-free environments.
- B. Health Center.** Arbor Acres will provide or arrange admission to the facilities necessary for the medical care and services specified in this Agreement at the then prevailing fees charged by Arbor Acres or other facilities, as applicable, and such fees shall be the sole responsibility of Resident. In this Agreement, the term "Health Center" includes the facilities for certain outpatient services, assisted living care ("Assisted Living") and skilled nursing care. A restraint-free policy is upheld in Arbor Acres' facilities.
- C. Parking.** Arbor Acres will provide and maintain unassigned parking areas for residents and guests.
- D. Activities.** Social, recreational, educational, and cultural activities are available to residents and are provided through an active staff-directed program. Residents may be required to pay additional fees for certain activities.
- E. Meals.** You may eat in the Arbor Acres dining rooms, and You will be charged the prevailing resident meal charge and will be billed monthly.
- F. Security.** We will use reasonable care in providing security on the premises of Arbor Acres. Arbor Acres will provide twenty-four (24) hour security staffing on site in the Community. You are responsible for taking appropriate security measures to protect yourself and Your personal property at the Community. We are not responsible to provide security to You in Your off-campus residence or for loss, theft or damage to Your personal property at the Community or otherwise.

- G. **Other Services.** Arbor Acres may also make available to Resident additional services, at Resident's request, at the then prevailing rates charged by Arbor Acres, which may be changed from time to time at the discretion of Arbor Acres.
- H. **Changes in Services and Fees.** Arbor Acres residents pay Monthly Fees and other charges to cover services provided by Arbor Acres. At least annually, during budget preparation, Arbor Acres reviews services and costs of operation, and the need for any changes in services or in Arbor Acres' schedule of fees and charges. Arbor Acres reserves the right to change, when deemed necessary, the services provided to residents and the associated fees and charges. Arbor Acres will strive to deliver services efficiently and economically.

III. **MEDICAL AND OTHER HEALTH CARE SERVICES PROVIDED OR COORDINATED BY ARBOR ACRES**

- A. **General.** You hereby acknowledge and agree that Arbor Acres is not responsible for furnishing You or causing to be furnished to You medical services in Your home. In consideration for the Entry Fee and Monthly Fee, Arbor Acres will provide You (i) "Care Management" services, as more specifically described in Section III.E. of this Agreement, and (ii) nursing care services (but not medical services by a physician or physician assistant) provided in Arbor Acres' on-site clinic.

In addition, Arbor Acres will make available to You or cause to be made available to You the following medical and health care services at the Community that You may choose to receive, and, subject to Sections VI E. and F. of this Agreement, You will be responsible for all costs and expenses of such services at the then prevailing rates of Arbor Acres or such other provider You choose:

- 1) Medical services provided by primary care physicians or physician assistants who are part of Arbor Acres' group practice, and who see You at the Arbor Acres' on-site clinic;
- 2) General nursing and personal care provided in Arbor Acres' Health Center, subject to availability of a bed or accommodation and subject to Arbor Acres' then-prevailing admissions policies and procedures;
- 3) General nursing and personal care provided in a similarly licensed nursing facility when space is not available at Arbor Acres, and when coordinated by Arbor Acres' medical and other care management staff; and
- 4) Physical, occupational, and speech therapy when ordered by Arbor Acres' physicians and provided at Arbor Acres outpatient rehabilitation facilities or in an inpatient setting in the Health Center.

- B. **Community's Physicians and Physician Assistants/Nurse Practitioners.** Arbor Acres will appoint a Medical Director and physicians and physician assistants/nurse practitioners, as needed. They will be responsible for Your medical care, including office visits, medical review, Health Center visits, hospital attendance, and referral to specialists, if You choose to use them.
- C. **Hospitalization.** When one of Arbor Acres' physicians determines that it has become necessary to hospitalize You, the physician will have the authority to arrange such hospitalization. Such determination will be made by Us in consultation with Your attending physician if not an Arbor

Acres physician, and You, to the extent possible, and Your personal representative, if appropriate. When the conditions necessitating such hospitalization no longer exist, the physician will have the authority, in consultation with Your attending physician if not an Arbor Acres physician, and You, to the extent possible, and Your personal representative, if appropriate, to arrange for Your discharge and transfer or return to Your home, or to the Health Center at Arbor Acres if that is needed.

- D. Medical Referrals.** Arbor Acres will be responsible for coordinating and following Your medical, surgical and other health care services when such services either (i) are provided by Arbor Acres, or (ii) are provided by licensed outside providers to whom You have been referred in writing by one of Arbor Acres physicians or physician assistants/nurse practitioners for treatment or consultation. Such responsibility will be limited to the specific condition for which referral was made. Arbor Acres will not be responsible for secondary referrals or for follow-up visits unless approved in advance by one of Arbor Acres' physicians or physician assistants/nurse practitioners.

Arbor Acres cannot be responsible for filing for insurance reimbursement for services provided by other providers of Your choice. However, Arbor Acres will supply the referral provider with Your policy information upon request, and, upon request, will assist You in coordinating with other providers to ensure they are filing with Your insurance diligently, in order to help maximize Your Medicare and supplemental insurance benefits.

- E. Care Management and Transfer to Assisted Living, the Health Center, a Special Service Facility, or a Hospital.**

Arbor Acres shall furnish the following care management services ("Care Management") to You on site at the Community, unless Your health condition prevents You from being able to leave Your home, in which case such Care Management will be provided to You in Your home, by qualified staff who will (i) assess Your needs; (ii) develop a plan of care with You to address needs that are identified; (iii) help identify reputable providers in the area to whom You can be referred for services to meet those needs; and (iv) follow up to ensure that those services are meeting Your needs and the goals of Your care plan. The assessments shall be conducted annually.

If more frequent assessments are needed, or if any needs are identified that may require subsequent services, Arbor Acres staff will assist You either by providing such services to You in the event Arbor Acres is licensed to provide such services and You choose Arbor Acres to provide such services or by referring You to services that may be available to You in the community outside of the Community. If more frequent assessments are needed beyond the annual assessment, or if any needs are identified that may require subsequent services of Arbor Acres' staff or other providers, those assessments and services will be provided to You on a fee-for-service basis at Arbor Acres' or the other providers' then prevailing rates.

You hereby acknowledge and agree that Arbor Acres is not responsible for furnishing You or causing to be furnished to You medical or other personal care services in Your home, unless recommended and approved by Arbor Acres as part of Your Care Management program and requested by You. All decisions regarding Your Care Management plan, including the prospect of Your need for support services in Your home, temporary or permanent transfer to Assisted Living or Health Center, a special service facility, or to a hospital will be made after consultation

with You, to the extent possible, Your attending physician if not an Arbor Acres physician, and with Your personal representative, if appropriate.

If it is determined by Arbor Acres' Care Management staff that Your needs require temporary or permanent transfer to Arbor Acres' Assisted Living or Health Center facilities, and if You choose not to make the move to those facilities, then You must agree to sufficient services to provide for appropriate care and safety in Your home. If, in Our sole judgment, the services You elect to receive are insufficient for appropriate care and safety in Your home, You must move to an appropriate care level at Arbor Acres, or We will have the right to terminate this Agreement. Arbor Acres' decision will be binding.

No Entry Fee adjustment is made with temporary or permanent transfer from Your home to Arbor Acres' Assisted Living or Health Center facilities or to another special service facility. Resident agrees to comply with Arbor Acres' policies, rules and regulations. Resident understands and agrees that, in order for Arbor Acres to operate in the best interest of both Resident and the Community, Arbor Acres must have the cooperation of Resident's family, friends, responsible parties and other associates to comply with Arbor Acres' applicable policies, rules and regulations. Any continuing or repeated failure or refusal by any such persons to so cooperate and comply may result in a determination by Arbor Acres that it is no longer feasible for Arbor Acres to provide services to Resident. Upon such determination, Arbor Acres will have a right to terminate this Agreement.

- C. **Relationships Between Residents and Staff.** Arbor Acres is built on mutual respect and instructs its staff to be cordial and helpful to You. The relationship is to remain professional. If such a circumstance arises, Arbor Acres will discuss the matter thoroughly with Resident to provide Resident with knowledge of the behaviors deemed intolerable by Arbor Acres. Arbor Acres will provide Resident a written warning to desist from the behavior or any similarly disruptive, hostile, illegal or harmful behavior. Upon determination that Resident is continuing to engage in the behaviors against which Resident has been warned, Arbor Acres will have the right to terminate this Agreement.
- G. **Sex Offender Registry.** Resident hereby acknowledges that it is the policy of Arbor Acres to conduct sex offender screening for every prospective resident, regardless of independent status or level of care, at the time of application for admission to Arbor Acres and again prior to entering into a Residence Agreement. If the screening shows that the prospective resident is identified as a sex offender, Arbor Acres will deny admission of Resident on that basis and not execute a Residence Agreement. In addition, Resident hereby acknowledges and agrees that if, after Arbor Acres and Resident have entered into a Residence Agreement, Arbor Acres becomes

aware that Resident is listed on any sex offender registry, Arbor Acres may terminate this Agreement with Resident and remove Resident from Arbor Acres.

VI. FINANCIAL ARRANGEMENTS

A. **Entry Fee.** You agree to pay Arbor Acres an entry fee in the amount of \$12,500.00 as a condition to this Agreement (the "Entry Fee"). The Entry Fee is a lump sum payment due as of the Date of Acceptance and will not be increased or changed during the term of this Agreement, except for changes required by state or federal programs or execution of a subsequent Residence Agreement should You move to Arbor Acres some time in the future. In the event You decide to move to Arbor Acres and enter into a Residence Agreement, notwithstanding the amortization of the Entry Fee for refund purposes as set forth in Section VIII.D. of this Agreement, the full amount of the Entry Fee will be applied towards the then prevailing entry fee for the apartment or home at the Community You select. The ability to apply the full amount of the Entry Fee towards an entry fee for an on-campus living accommodation at Arbor Acres shall survive the termination of this Agreement, subject to the execution of a Residence Agreement between You and Arbor Acres.

B. **Monthly Fee and Other Charges.** You agree to pay a monthly fee (the "Monthly Fee") during the term of this Agreement. The current Monthly Fee associated with this Agreement is \$400.00 per month. The Monthly Fee will commence at the Date of Acceptance and will be subject to adjustment in accordance with Section VI.D. below. The Monthly Fee will be paid on a prorated basis for any partial month.

Arbor Acres will furnish Resident a monthly statement with the total amount of the Monthly Fee and other charges, if any, owed by Resident. Resident shall pay such fees and charges by the [15th] day of the month. If Resident's payment is late, Arbor Acres may charge Resident a one and one-half percent (1.5%) interest fee per month, from the first of the month in which the payment is late. Upon thirty (30) days' advance written notice, Arbor Acres may change the billing date and payment due date. Arbor Acres shall have the right to offset against any Entry Fee repayment any unpaid Monthly Fees or other charges owed by Resident to Arbor Acres. If You fail to comply with the terms of this provision, We may terminate this Agreement.

C. **Assisted Living or Health Center Charges.** If You need care in Arbor Acres' Assisted Living or Health Center facilities, You will be charged an additional daily fee based on the particular level of care and type of accommodation at Arbor Acres' then prevailing rates. This fee is in addition to the Monthly Fee, which You will continue to be charged.

D. **Adjustments in the Monthly Fee and Other Charges.** Arbor Acres may adjust the Monthly Fee, the Assisted Living and Health Center fees, and any and all other charges from time to time on the basis of experience or to reflect changes in the cost of achieving the mission or purposes of Arbor Acres. Arbor Acres agrees that, in the exercise of its discretion, which will be binding on You, Arbor Acres will endeavor to maintain all fees and charges at the lowest feasible amounts which, in the judgment of the Board of Directors of Arbor Acres, is consistent with sound financial operation and maintenance of the quality of facility, program and service provided.

E. **Health Care Insurance Requirements.** You shall be responsible for carrying both Medicare Part A and Medicare Part B insurance coverage, or a substitute policy acceptable to Arbor Acres. You shall also carry a supplemental insurance policy acceptable to Arbor Acres, which

adequately covers the hospital, medical, and skilled nursing deductibles and co-payments required of Your primary insurance plan. Both Your primary and supplemental health insurance policies must recognize Arbor Acres as a health care provider. You assume the financial responsibility for services provided that otherwise could be covered by Medicare or insurance.

You shall be responsible for ensuring that the health insurance coverage that was approved does not lapse, and You shall provide Arbor Acres with evidence of such coverage upon request. If Your health insurance coverage should lapse, Arbor Acres may require that You reapply for suitable coverage. If You are unable to obtain adequate new coverage, Arbor Acres shall charge You for any costs of medical and other health care services provided to You that otherwise would have been covered by an approved policy.

- F. **Arbor Acres' Filing for and Rights to Insurance Benefits.** Arbor Acres shall be responsible for filing for reimbursement from Your Medicare and supplemental health insurance plans for covered medical, nursing, and outpatient therapy services when provided by Arbor Acres. Arbor Acres has a right to the benefits payable under the insurance You carry for services provided by Arbor Acres as, required in this Agreement, except where costs of care were borne solely by You and not Arbor Acres. You hereby authorize Arbor Acres to file claims for benefits to which You are entitled under this Agreement and to execute all documents necessary to enable Arbor Acres to collect or enforce such claims. If, for any reason, Arbor Acres cannot apply directly for benefits payable under insurance required by this Agreement, You agree to make such application and to pay Arbor Acres the proceeds received that are due for services provided by Arbor Acres.

For those services provided by Arbor Acres that are covered by Medicare, We will accept Medicare Assignment, billing Medicare first and accepting Medicare's allowable reimbursement rates as payment in full. You shall be responsible for amounts allowed by Medicare or Your supplemental insurance that are treated as deductibles, co-payments or other cost-sharing amounts imposed by Medicare or Your supplemental insurance. For those services provided by Arbor Acres that are not covered by Medicare or Your supplemental insurance, You shall be responsible for all costs and expenses related to such services at the then prevailing rates. For all services not provided by Arbor Acres but are provided by another provider, You shall be responsible for all costs and expenses related to such services.

- G. **Automobile Accident Insurance.** If You are a licensed driver, You are responsible for maintaining automobile accident insurance to cover medical costs from automobile accidents causing injury.
- H. **Arbor Acres' Rights in Case of Injury Caused by a Third Party.** In the event Arbor Acres has incurred costs, expenses and damages on Your behalf relating to injuries or illnesses caused to You by a third party (including, but not limited to, reasonable costs of care Arbor Acres may furnish You because of such accident or injury), You hereby agree that any amount recovered by You or on Your behalf from any and all sources relating to Your injuries or illnesses shall first be paid to Arbor Acres in an amount to reimburse Arbor Acres for its costs, expenses and damages incurred, with the balance of any amount recovered then paid to You or credited to Your account, or, in the event of Your death, paid to Your estate.
- I. **Application for Benefits; Assignment of Benefits.** Resident shall apply for any federal, state or local benefits for which Resident may be eligible or entitled upon request by Arbor Acres. If

requested by Arbor Acres, any or all such benefits will be applied to the Monthly Fee or other charges incurred by Resident at Arbor Acres.

VII. FINANCIAL ASSISTANCE

In order to operate Arbor Acres on a fiscally sound, nonprofit basis, Arbor Acres has established fees and charges, which are subject to modification from time to time as deemed necessary and appropriate by Arbor Acres. Resident agrees to pay when due all required fees and charges. Resident has received from Arbor Acres a schedule of current fees and charges.

Resident agrees to provide, if requested, periodic financial statements and current financial information for the purpose of demonstrating capacity to meet financial obligations to Arbor Acres. Should Resident experience financial difficulty that might result in Resident's immediate or eventual inability to meet the financial obligations under this Agreement, including any spend down of assets that might result from payment of expected fees and charges to Arbor Acres, Resident will inform Arbor Acres immediately, and submit a current financial statement. Resident and, if appropriate, Resident's responsible party, and Arbor Acres shall discuss and, if possible, agree on a plan by which Resident's financial obligation to Arbor Acres can be met. Residents whose funds are depleted primarily through payment of fees associated with this Agreement, to include costs associated with their medical care, may be eligible for consideration for financial assistance through Arbor Acres. Such assistance, however, is conditional upon demonstration that other options for fulfilling this financial obligation to Arbor Acres have been explored and deemed impracticable by either party. When Resident is deemed eligible for financial assistance through Arbor Acres, Arbor Acres, to the extent of its available resources dedicated for financial assistance, will attempt to furnish financial assistance when it is needed. Termination of residency for Resident's inability to fulfill the financial obligations incurred under this Agreement shall be an option exercised as necessary to assure the financial viability of Arbor Acres and of its financial assistance program.

VIII. TERMINATION AND REFUNDS

- A. **Voluntary Termination After Date of Acceptance.** This Agreement may be terminated by You at any time by providing Arbor Acres sixty (60) days advanced written notice of such termination. You may be entitled to a prorated refund of the Entry Fee pursuant to Section VIII.D.
- B. **Termination Upon Death.** In the event of Your death at any time after the Date of Acceptance, this Agreement will terminate upon the date of death. Your estate may be entitled to a pro-rated refund of the Entry Fee pursuant to Section VIII.D.
- C. **Termination by Arbor Acres.**¹ Arbor Acres may terminate this Agreement at any time (i) pursuant to Section III.E., Section IV.B., Section V.B., Section V.F. or Section V.G. of this Agreement, (ii) if there has been any material misrepresentation or omission made by You in the application forms, (iii) if You fail to make payment to Arbor Acres and Arbor Acres gives notice provided for in Section VI.B., (iv) if You fail to abide by Arbor Acres' policies and procedures, or (v) if You breach the terms of this Agreement. In such events, You may be entitled to a prorated refund of the Entry Fee pursuant to Section VIII.D, subject to the terms of this Agreement. Arbor Acres will provide timely advance written notice of termination that is in compliance with prevailing laws, regulations and Arbor Acres' policies. Arbor Acres shall exercise such right of

termination only after first attempting to work out satisfactory solutions with Resident and/or Resident's responsible party. If agreement cannot be reached between the President/CEO and Resident and/or Resident's responsible party, the President/CEO will refer the matter to the Executive Committee of the Board of Directors of Arbor Acres (the "Executive Committee") for hearing and decision. The Executive Committee shall afford Resident an opportunity to be heard, and shall render a decision with respect to the matter referred to it. The decision of the Executive Committee shall be put in writing and shall be signed by the Chair of the Board of Directors of Arbor Acres (the "Chair") or, in the absence of the Chair, the Chair Elect of the Board of Directors of Arbor Acres. It is understood and agreed that the written, signed decision of the Executive Committee shall be final and binding.

- D. Calculation for Pro-Rated Refunds.** If termination of this Agreement occurs during the first fifty (50) months of this Agreement, You or Your estate will be entitled to a partial refund of the Entry Fee, subject to the terms and conditions of this Agreement. You will receive a refund in the amount equal to: (i) the Entry Fee less a non-refundable fee in the amount of \$1,000 (the "Net Entry Fee"); less (ii) two percent (2%) of the Net Entry Fee for each month that this Agreement has been in effect for up to fifty (50) months; less (iii) any amounts due to Arbor Acres. In the event of such rescission, if it is conditioned by a change in Your health status, You will receive a full refund of the Entry Fee, less a non-refundable application fee of \$_____. If the rescission is for a reason other than change in Your health status, You will receive a refund of the Entry Fee less a non-refundable fee in the amount of \$1,000. Any such refund will be paid by Arbor Acres within sixty (60) days following receipt of written notice of rescission pursuant to this Section IX.

VOLUNTARY ARBITRATION AGREEMENT

This is a voluntary agreement, and it is not a condition for admission to this facility. You may receive care and treatment even if you do not sign this agreement.

This Voluntary Arbitration Agreement (this "Agreement") is entered into by and between ARBOR ACRES UNITED METHODIST RETIREMENT COMMUNITY, INC., a North Carolina nonprofit corporation ("Arbor Acres"), and _____ ("Resident") [and _____ ("Resident's Representative")], collectively referred to as the "Parties" and individually as a "Party." This Agreement is an addendum to the residence and admission agreement between the Parties (the "Residency Agreement"), for which consideration has been given and received by the Parties. In further consideration for this Agreement, the Parties acknowledge they will receive mutual benefits from resolution of any dispute or controversy through efficient arbitration and other good and valuable consideration, the receipt and sufficiency of which is acknowledged by the Parties.

1. **Parties Defined.** Arbor Acres includes, but is not limited to, the operator, governing body, officers, directors, members, administrator, employees, managers, agents, and any parent company, subsidiary, or affiliates, and any person or entity alleged to be responsible for the acts or omissions of Arbor Acres. Resident includes, but is not limited to, Resident, Resident's Representative, guardian, conservator, attorney-in-fact, agent, sponsor, or any other person whose claim is derived through or on behalf of Resident, including, without limitation, his or her spouse, child, parent, executor, administrator, personal representative, heir, survivor, and anyone entitled to bring a wrongful death claim relating to Resident.
2. **Agreement to Arbitrate All Disputes.** This is a voluntary agreement by the Parties to have all disputes resolved through binding arbitration. Arbitration is an out-of-court alternate form of dispute resolution, decided by an impartial third party. Arbitration is different than traditional litigation in the court system, which has a judge, sometimes a jury, and trial. In the event of any dispute or controversy between the Parties, including those arising out of the diagnosis, treatment, or care of Resident by Arbor Acres, the dispute or controversy shall be submitted to binding arbitration.
3. **Application of Federal Arbitration Act.** The Parties agree that the Residency Agreement involves interstate commerce, through Arbor Acres' Medicare participation and with any purchase of items from outside the state of North Carolina. Accordingly, the Federal Arbitration Act applies to this Agreement.
4. **Duty to Demand Arbitration.** It is the claimant's responsibility to demand arbitration by giving notice to the other Party describing the nature of the controversy and the remedy sought. If a Party overlooks its obligation to arbitrate all disputes and participates in litigating a matter in the court system, such Party will not be deemed to have waived the right to compel arbitration, as long as the motion to compel arbitration is served before the first day of trial.
5. **Waiver of Judge, Jury, and Trial. No Appeal.** By signing this Agreement, you are waiving the right to have any and all disputes decided by a judge or by a jury trial. The arbitrator's decision is final and binding. There is no right to an appeal unless permitted by state statute.

6. **Arbitrator.** Within fifteen (15) days after a Party has given written notice to the other Party of demand for arbitration of a dispute or controversy, the Parties to the dispute or controversy agree that American Healthy Lawyers Association (“AHLA”) will administer the arbitration. In the event AHLA is unavailable, unwilling, or unable to administer the arbitration or appoint an arbitration panel, the Parties will agree on an arbitrator. If the Parties are unable to agree on the arbitrator, a sole arbitrator shall be appointed, upon request of a Party, by the court. The arbitrator shall hold a hearing within a reasonable time from the date of notice of selection of the neutral arbitrator.
7. **Expenses.** The arbitration expenses will be apportioned equally among the Parties, or will be paid as provided in the award.
8. **Representation by Lawyer(s).** The Parties may be represented by a lawyer prior to, during, and after arbitration.
9. **Grievances and Discharge/Transfers.** Despite this Agreement, Resident may file its grievances directly with Arbor Acres, with the long term care ombudsman, or with any applicable regulatory agency. Appeals of involuntary discharges or transfers will be heard by an administrative law judge as required by state/federal laws and regulations.
10. **Confidentiality.** The discovery, arbitration, and arbitration award are confidential.
11. **Severability.** If any term, phrase, or provision in this Agreement is held to be invalid or unenforceable by law, this Agreement will be deemed amended to conform with such law and will otherwise remain in full force and effect, as it is the Parties’ intent to ensure that any dispute is resolved solely by arbitration.
12. **Survival.** This Agreement applies to Resident’s readmissions to Arbor Acres and survives any termination of the Residency Agreement.
13. **Care Will Be Provided Regardless.** Care, diagnosis, or treatment will be provided whether or not Resident signs this Agreement.
14. **Right to Revoke.** Resident may revoke this Agreement by providing written notice to Arbor Acres within ten (10) days of signature. Any disputes arising prior to revocation will remain subject to this Agreement.

You are strongly encouraged to consult with an attorney or a trusted advisor before signing this Agreement. You have the opportunity to ask questions before signing this document. Please do not hesitate to ask any questions that you may have.
