GIVENS ESTATES DEVELOPMENT/STRATEGIC PLAN

Givens Estates prepares for the future through a long-range strategic planning process, which is conducted every 7 to 8 years. The strategic plan is integrated into the annual plan for implementation. The organization believes the best way to remain relevant and financially strong for the future is to constantly evolve and improve. In October 2017, the Board of Directors approved a new campus master plan for Givens Estates that will be further refined and implemented in phases over the next 10 years. Givens Estates is currently developing plans for Friendship Park Phase I apartments which will include one building of 40 apartments ranging in size from 900 - 1,300 square feet. Concurrently plans are being developed for improvements to Oxford Commons which will include the enhancement of dining offerings, an expansion of the Wellness Center and renovations of all commons areas.

TERMINATION AND REFUND PROVISIONS

Termination by Resident Prior to Occupancy

Termination During the 30 Day Rescission Period and Before Occupancy: The Residence and Services Agreement may be terminated by the resident by a Written Termination Notice for any reason within thirty (30) days following the later of the execution of the Agreement or the receipt of a disclosure statement (the "Rescission Period") and the resident is not required to move into the Residence during this Rescission Period. The Agreement is automatically cancelled if the resident dies before occupying the Residence, or if, on account of illness, injury, or incapacity, the resident would be precluded from occupying the Residence under the terms of this Agreement. If the Agreement is terminated within such Rescission Period, any monies paid by the resident shall be refunded in full less any non-standard costs incurred at the resident's request described in the Agreement or in amendment to this Agreement signed by the resident. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of the resident's Written Termination Notice.

Termination After the 30 Day Rescission Period and Before Occupancy: The Residence and Services Agreement may be terminated by the resident by a Written Termination Notice for any reason after the Rescission Period and prior to Occupancy. The Agreement is automatically cancelled if the resident dies before occupying the Residence, or if, on account of illness, injury, or incapacity, the resident would be precluded from occupying the Residence under the terms of the Agreement. In the event of such termination, the resident will receive a refund of the 10% Deposit, less (i) a nonrefundable fee equal to the greater of One Thousand Dollars (\$1,000) or two percent (2%) of the total amount of the Entrance Fee for the Residence, and (ii) any non-standard costs incurred at the resident's request described in the Agreement or in amendment to the Agreement signed by the resident. The nonrefundable fee will not be charged to the resident if such termination is due to the resident's death, death of the resident's spouse, or because the resident's

physical, mental or financial condition makes the resident ineligible for admission to Givens Estates.

Termination by Resident After Occupancy

Termination During the 30 Day Rescission Period and After Occupancy: The Residence and Services Agreement may be terminated by the resident by a Written Termination Notice for any reason within the Rescission Period and the resident is not required to move into the Residence during this Rescission Period. If the resident does occupy the Residence within the Rescission Period and then terminate the Agreement before the end of the Rescission Period, any monies paid by the Resident shall be refunded in full less (i) periodic charges specified in the Agreement and applicable only to the period the resident actually occupied the Residence; (ii) nonstandard costs incurred at the resident's request and described in the Agreement or in amendment to the Agreement signed by the resident; and (iii) a service charge equal to the greater of One Thousand Dollars (\$1,000) or two percent (2%) of the total amount of the Entrance Fee for the Residence. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of the resident's Written Termination Notice.

Termination After the 30 Day Rescission Period and After Occupancy: At any time after occupancy and after the Rescission Period ends, the resident may terminate the Residence and Services Agreement by a Written Termination Notice. In the event of such termination, the resident will receive a refund, less (i) periodic charges specified in the Agreement and applicable only to the period the resident actually occupied the Residence; (ii) nonstandard costs incurred at the resident's request described in the Agreement or in amendment to the Agreement signed by the resident; and (iii) nonrefundable entrance fees as set out in paragraph VII. B. 5. (Amortization of the Entrance Fee) of the Agreement.

Termination Upon Death After Occupancy: In the event of death of a single Resident, or of the survivor of two Residents, at any time after Occupancy, the Residence and Services Agreement shall terminate and the refund of the Entrance Fee shall be determined according to Paragraph VII. B. 5. of the Agreement.

Termination by Givens Estates After Occupancy: Givens Estates may terminate the Residence and Services Agreement at any time if there has been a material misrepresentation or omission made by the resident in their Application for Admission, Personal Health History, Confidential Financial Statement, or Physician's Examination Report; if the resident fails to make payment to Givens Estates of any fees or charges due within sixty (60) days of the date when due; or if the resident does not abide by the rules and regulations adopted by Givens Estates, or breach any of the terms and conditions of the Agreement. In the event of termination due to any of such causes, the refund of the Entrance Fee paid to the resident shall be determined according to Paragraph VII. B. 5. of the Agreement.

Amortization of the Entrance Fee: The Entrance Fee may be partially refundable. The portion of the Entrance Fee that is refundable to the resident will decline over time, at a

rate of six percent (6%) upon the date of Occupancy of the Residence and two percent (2%) on the first (1st) day of each calendar month thereafter until the selected refund percentage remains at zero percent (0%), fifty percent (50%), or ninety percent (90%). Regardless of the reason for termination, the resident is entitled to their Entrance Fee refund, less (1) any non-standard costs requested by the resident and (2) any per diem Health Care Residence fees for Givens Estates Health Center incurred by the resident during any period of Occupancy of a Health Care Residence in Givens Estates Health Center, except as otherwise provided by the Agreement.

Payment of Refunds: Unless otherwise provided in the Agreement, Entrance Fee refunds will be paid upon the resident vacating the then current Residence covered by the Agreement or in case of dual occupancy upon both residents vacating the then current Residence, the removal of all personal property, and upon the receipt by Givens Estates of a replacement Entrance Fee for the Residence, or the expiration of twenty-four (24) months after Termination of the Agreement by the Resident (whichever occurs first).

Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of the resident's Written Termination Notice to:

**Director of Marketing
Givens Estates
2360 Sweeten Creek Road
Asheville, NC 28803**

Condition of Residence: Upon vacating the Residence, the resident shall leave it in good condition except for normal wear and tear. The resident or their estate shall be liable to Givens Estates for costs required to restore the Residence to good condition or standard condition, except for normal wear and tear, and for the removal and disposition of abandoned personal belongings. Such costs will be deducted from the refundable portion of the Entrance Fee due to the resident.

Changes to Residence: After the Date of Occupancy, any structural or physical changes to the Residence directed by the resident (including alterations such as construction of bookshelves or redecoration such as painting or wallpapering) will require the prior approval of Givens Estates and will be made only under Givens Estates supervision and direction. The resident shall make no structural or physical changes to any Wood Assisted Living Residence; Givens Estates shall maintain and decorate any Wood Assisted Living Residence in accordance with Givens Estates then-current literature. The cost of any change requested by the resident shall be at the resident's expense. Givens Estates may require, as a condition of approval of a requested change, that the resident either (i) agree to bear the cost of restoring the Residence to its original condition upon termination of occupancy of the Residence or (ii) prepay the estimated cost of restoring the Residence to its original condition. All structural improvements shall belong to Givens Estates.

TRANSFERS OR CHANGES IN LEVELS OF CARE

Transfer to a Health Care Residence: Givens Estates recognizes the right of self-

determination of the Resident and will attempt to involve the resident or the resident's representative in all decisions related to transfers and changes in level of care. Givens Estates shall have authority to determine whether the resident should be transferred from their residence to a Health Care Residence, or from one level of care to another within Givens Estates, in cases of potential harm to the resident or others, to assure the health and wellbeing of the resident and others, or to provide for the highest quality of life possible. Such determination shall be based on the opinion of the Givens Estates administration and/or the Givens Estates Medical Director and shall be made after consultation with the resident and/or their representative and their attending physician. Such decisions shall be made only in the resident's best interest and in the best interest of the larger community as determined by Givens Estates.

Transfer to Other Facility: If it is determined by Givens Estates that the resident needs care beyond that which can be provided by Givens Estates, the resident may be transferred to a hospital or institution equipped to give such care at the resident's expense. Such transfer will be made only after consultation with the resident and/or their representative and attending physician.

Surrender of Residence: If a reasonable determination is made by Givens Estates that any transfer for a change in level of care is or is highly likely to be permanent; the resident agrees to surrender the residence.

TERMS OF RESIDENCY

Policies and Procedures: All residents shall abide by Givens Estates policies and procedures, including such amendments, modifications and changes to the Resident Handbook as may be adopted by Givens Estates. Such Handbook shall be made readily available to all residents.

Changes in the Residence and the Agreement: Givens Estates has the right to change the residence and/or the Agreement when and to the limited extent required to comply with the requirements of any applicable statutes, laws or regulations. The residence may not be used in any manner in violation of any zoning ordinances or other governmental law or regulation.

Visitors: Short-term visitors and guests may stay in a residence for limited stays. No person other than the resident may reside in the residence without the approval of Givens Estates.

Occupancy by Two Residents: When two (2) residents occupy a residence and one of them is no longer domiciled in the residence, whether as a result of death or otherwise, or in the event of the termination of the Agreement with respect to one of the residents, the Agreement shall continue in effect for the remaining resident. The remaining resident will thereafter pay the single person monthly fee associated with the residence. No Entrance Fee refunds shall be paid to the remaining resident until the residence is vacated as described in the Residence and Service Agreement.

Request by a Resident for Change in Residence: A resident may request a change in residence at any time. Givens Estates carefully considers such requests, including but not limited to such factors as resident's health and finances, availability of requested type of residence, and waiting lists. The resident must agree to pay the difference in the Entrance Fee and Monthly Fee between the requested residence and the current residence. Givens Estates may require the resident to enter into a new or amended Residence and Services Agreement for the new residence. The Entrance Fee refund percentage selected at initial occupancy remains in effect during a change in residence and is applicable to any additional amounts paid as a result of the change.

Move to Another Residence: Should a move to a subsequent residence be approved by Givens Estates, the resident will pay the Monthly Fee associated with the subsequent residence. The Entrance Fee paid for the original residence will be retained by Givens Estates and held as part of the Entrance Fee for the subsequent residence. Even if the Entrance Fee for the original residence, at initial occupancy, was greater than the current Entrance Fee for the subsequent residence, the resident will not be entitled to a refund as a result of the difference between such Entrance Fees. If, however, the Entrance Fee for the original residence, at initial occupancy, was less than the current Entrance Fee for the subsequent residence, the resident will pay an amount equal to the difference between the Entrance Fee of the original residence that they paid and the current Entrance Fee of the subsequent residence.

Change in Residence at Option of Givens Estates: If Givens Estates reasonably determines that a residence needs to be vacated to permit repairs or renovations thereto, or needs to be modified or reconfigured to accommodate a new or different use of the residence, or as a result of any other circumstances reasonably determined by Givens Estates to justify such transfer, Givens Estates may move the resident to a new residence of a similar size provided that Givens Estates (i) advises the resident prior to undertaking any such move, (ii) gives the resident reasonable notice of and time to prepare for such move, (iii) incurs all the costs of such move, (iv) arranges for the prompt and convenient moving of the resident's personal furnishings, and (v) either provides in such new residence optional custom improvements comparable to those provided in the original residence or, at the resident's option, reimburses the resident for the value of such improvements.

Loss of Property: Givens Estates shall not be responsible for the loss of any property belonging to residents due to theft, mysterious disappearance, fire or any other cause. All residents are responsible for securing personal property insurance.

Medical Insurance: Residents shall maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to Givens Estates (e.g. Federal Government employees who subscribe to Federal Blue Cross Blue Shield) and shall furnish Givens Estates with evidence of such coverage and notify Givens Estates of changes in medical insurance.

Right of Entry: The Residence and Services Agreement authorizes employees or agents of Givens Estates to enter the residence for the purposes of housekeeping, repairs,

maintenance, inspection, and in the event of an emergency. Givens Estates will always endeavor to maintain the privacy of the residence. Residents are not allowed to replace or add any locks to the residence.

Residents' Organizations: Residents of Givens Estates are members of a Residents' Association that is open to all residents. Such organization elects representatives, officers, and other positions to engage in activities of interest to all residents.

Prohibition of Certain Activities: The Givens Estates campus and residences, including but not limited to Wood Assisted Living and Givens Estates Health Center, are smokefree. Residents shall not engage or permit any guest or licensee of the resident to engage in any obnoxious or offensive activity in their Residence or on the Givens Estates campus. No family member or other guest or invitee of the resident shall be permitted to occupy their Residence on a regular basis, provided that such restriction shall not apply to another Resident in a semi-private WAL Residence.

ADDITION OF NEW OCCUPANT

Addition of Resident Occupant: Should the resident choose to share occupancy of their Residence with a person who is also a resident of Givens Estates, the two may occupy either Residence and shall surrender the unoccupied Residence. They will pay the Double Person Monthly Fee upon Occupancy by both residents in the chosen Residence. No Entrance Fee refund for the unoccupied Residence shall be paid until Givens Estates receives a replacement Entrance Fee for the vacated Residence or twenty-four (24) months after Termination by Resident (whichever occurs first), and removal of all personal belongings from such vacated Residence. However, if neither resident was an original occupant of the selected Residence when the original Residence and Services contract was signed, an additional Entrance Fee will be required equal to the difference between the then current Entrance Fee and the original Entrance Fee paid at the same refund percentage originally selected.

Addition of Non-Resident Occupant: If a resident should choose to share occupancy of their Residence with a person who is not already a resident of Givens Estates, the Non-Resident Occupant may become a resident if they meet all the requirements for admission, enter into a Residence and Services Agreement with Givens Estates, and pay an Entrance Fee equal to the then-current Double Person Entrance Fee. The Resident and the Non-Resident occupant shall pay the Double Person Monthly Fee. If the Non-Resident Occupant does not meet the requirements of Givens Estates for admission as a resident, the resident may terminate the Agreement in the same manner as provided in Paragraph VII. B. with respect to a voluntary termination, or the Non-Resident Occupant may be approved for admission under special circumstances as agreed to in writing by Givens Estates and the resident. However, if neither the current resident nor the Non-Resident Occupant were the original occupants of the residence when the original Residence and Services contract was signed, an additional entrance fee will be required equal to the difference between the then current Entrance Fee and the original Entrance Fee paid at the same refund percentage originally selected.

STATEMENT OF RELATIONSHIP

THIS STATEMENT OF RELATIONSHIP is made and entered into as of the 21st day of January, 1995 by and between the Western North Carolina Annual Conference of the United Methodist Church (the "Conference") and The Givens Estates, Inc. a nonprofit corporation organized and existing under the laws of the State of North Carolina (the "Affiliated Organization").

PRELIMINARY STATEMENT

The Conference is one of the annual conferences of The United Methodist Church. The term "The United Methodist Church" refers to the overall denomination and connectional relation and identity between its many local churches, the various conferences and their respective councils, boards and agencies, and other church units, which collectively constitute the religious system known as United Methodism. Under the Constitution and disciplinary procedures set forth in *The Book of Discipline of The United Methodist Church* (the "*Discipline*"), "The United Methodist Church" as a denominational whole is not an entity, nor does it possess legal capacities and attributes. It does not and cannot hold title to property, nor does it have any officer, agent, employee, office or location. Conferences, councils, boards, agencies, local churches and other units bearing the name "United Methodist" are, for the most part, legal entities capable of suing and being sued and possessed of legal capacities.

The connectional structure of the Church is maintained through the conferences. Each of the Annual Conferences (of which the Conference is one) is composed of an equal number of ministers and lay members elected by the local churches. In turn, there is one General Conference, composed of an equal number of ministers and lay members elected by the Annual Conferences. The *Discipline* is the book of law of the Church. The *Discipline* is the product of more than 200 years of the General Conferences of the denominations which now form the Church. Each General Conference amends, perfects, clarifies, and adds its own contribution to the *Discipline*. The *Discipline* reflects what is expected of its laity and clergy as they seek to be effective witnesses in the world as a part of the whole Body of Christ. (See paragraph 114 of the 1992 *Discipline*). The relationship set forth in this Statement of Relationship is solely and

exclusively between the Conference and the Affiliated Organization.

United Methodists give high priority to helping and healing ministries as a vital part of their Christian mission. In the United States alone, there are hundreds of helping and healing programs related to local churches, and there are also hundreds of institutional ministries of which the Affiliated Organization is one. United Methodists recognize the importance of operating, maintaining and protecting those institutional ministries as a vital means of carrying out the Christian mission of United Methodism. The health and welfare ministries embraced within this mission include services in the areas of child care, aging, health care and handicapping conditions.

United Methodists, the Conference and the various institutional ministries share a common interest that health and welfare ministries bearing the name United Methodist shall be demonstrably caring, quality missions of Christian service that operate in a manner consistent with the Social Principles and other pertinent provisions of the *Discipline*.

The Affiliated Organization is one of the health and welfare ministries of United Methodism within the boundaries of and affiliated with the Conference. The Affiliated organization was organized with the encouragement and approval of the Conference by individual members of the Church who were committed to the belief that the Affiliated Organization was needed to perform the ministry set forth in its charter (the "Ministry"). The Conference and the Affiliated Organization continue in that belief. The Ministry is among the Christian missions of United Methodism and of the Conference.

The purpose of this Statement of Relationship is to set forth an accurate statement of the relationship between the Conference and the Affiliated Organization.

NOW, THEREFORE, the Conference covenants and agrees with the Affiliated Organization and the Affiliated Organization covenants and agrees with the Conference that this Statement of Relationship, including the foregoing Preliminary Statement, is an accurate statement of the relationship between the Conference and the Affiliated Organization.

COVENANTS

1. Although the Conference and the Affiliated Organization share a common interest in carrying out the Christian mission of United Methodism and in the purposes of the Ministry of the Affiliated Organization, the Conference and the Affiliated Organization are separate, self-governing and independent. Neither is owned by the other nor is either the partner or agent of the other. The sole purpose of each of the parties in affiliating with the other as herein set out is that each believes this affiliation with the other is mutually beneficial to parties in the performance of their respective missions of Christian service. The parties hereto agree that under this affiliation:

a. The members of the governing board of the Affiliated Organization shall be confirmed, elected, and/or selected by the Conference in accordance with the charter and bylaws, present and future, of the Affiliated Organization. The governing board of the Affiliated Organization includes among its members both United Methodist Ministers and laity within the Conference, and may include other persons as provided in its charter or bylaws.

b. The Conference provides: (i) encouragement and support, including financial support to the extent deemed appropriate and feasible by the Conference; (ii) opportunities for the interchange of information and ideas among persons and institutions performing similar work and for the development of the Ministry goals and criteria; (iii) authorization for the Affiliated Organization to identify itself as an organization affiliated with the Conference; and (iv) an opportunity for the Affiliated Organization to report on the Ministry to each regular session of the Conference.

c. The Affiliated Organization undertakes: (i) to fulfill its mission of Christian service in a manner that is consistent with the Social Principles and other pertinent provisions of the *Discipline*, and acceptable to those whom it would serve and to members of the Church in the Conference; and (ii) to the extent it deems appropriate, to utilize services of the Conference and the Church available to the Affiliated Organization in performing its Ministry.

d. The Affiliated Organization, desirous of gaining maximum benefit from its affiliation with the Conference and to satisfy the Conference that it continues to operate

in a manner worthy of a United Methodist ministry, will continue to provide to the Conference such of the following as may be requested or desired by the Conference: (i) information that may be of interest to other similar ministries; (ii) copies of regular operational and financial reports; and (iii) other information regarding plans, services and ministries of the Affiliated Organization.

2. The Conference is not contractually or legally committed to provide any particular level or amount of financial support to the Affiliated Organization. Any support that the Conference does or may provide to the Affiliated Organization is, and shall be, voluntary, as determined, from time to time, solely by the Conference. The Conference has no authority to require the Affiliated Organization to assume any contractual, financial or other obligation; nor may the Conference accept or assume any such obligation in the name of the Affiliated Organization. Similarly, the Affiliated Organization has no authority to accept or assume any such obligation in the name of the Conference. Both agree that the Conference shall have no obligation or responsibility for or with respect to any contract, commitment or liability of the Affiliated Organization.

3. Church-wide solicitation (that is, solicitations addressed to the general membership of a local church) within or through local United Methodist churches of the Conference are not to be made by the Affiliated Organization except as heretofore or hereafter approved by the Conference or the resident bishop. Other solicitations, such as solicitations of individuals and entities, whether or not church members or church-related, are matters between the Affiliated Organization and the parties solicited and do not require the approval of the Conference.

4. If the affiliation between the Conference and the Affiliated Organization should at any time become unacceptable to them, or to one of them, they or either of them may sever the affiliation between them and thereafter operate entirely independently of the other. If action to sever the relationship is taken by one party only, that party shall give prompt written notice of the severance of the relationship to the other party.

5. In the event of the dissolution of the Affiliated Organization, its assets may be conveyed to the Conference or as otherwise provided in the charter of the Affiliated Organization.

6. This Statement of Relationship shall be subject to review and amendment as such times and in such manner as may be mutually agreeable to the Conference and the Affiliated Organization.

This Statement of Relationship supersedes the Statement of Relationship between the parties that was executed by the Conference on the 15th day of August, 1986 and by the Affiliated Organization on the 25th day of July, 1986.

IN WITNESS WHEREOF, each of the parties hereto has caused this Statement of Relationship to be executed in its name on the date set opposite its name below.

The Board of Directors (the “Board”) of The Givens Estates, Inc., Givens Housing Corporation, and Givens Affordable Communities, Inc. (“Givens” or “Corporations”) are entrusted with responsibilities which require integrity, competence and caring concern in supervising the affairs of the Corporations. The Board has the duty to place the interest of the Corporations before anything else when acting in their fiduciary capacity. This undivided loyalty means Board members are to be objective in decision making, unbiased in their approach to issues, free from ulterior motives or external control, and lack any conflict of interest when choosing between options. Pursuant to the Internal Revenue Code of 1986 as amended (the “Code”), and with conflict of interest policies recommended by the Internal Revenue Service for 501(c)(3) tax exempt organizations, the Board establishes the policy that service on the Board of Givens or as an officer or employee of these Corporations, shall not be used as a means for securing excessive private benefit or inurement to the detriment of the mission of the Corporations.

Section 1 Procedure for Directors. No Director who is a vendor of goods or services to the Corporations or is affiliated (as defined below) with any vendor of goods or services to the Corporations shall vote on, or participate in the administration of, any contract or other arrangement with such vendor. No Director who is a recipient of goods or services from the Corporations or is affiliated (as defined below) with a recipient of goods or services from the Corporations shall vote on, or participate in the administration of, any contract or other arrangement with such recipient. A Director shall, upon request of any other Director, leave any meeting for the period of time the Board is discussing any arrangement with which he or she has a financial interest or affiliation. Nothing herein shall prevent a Director who has a financial interest or is affiliated with a recipient of goods or services from the Corporations from participating in discussions or decisions relating to the scope or quality of goods or services provided generally to such recipient and other clients similarly situated.

Section 2 Disclosure. A Director shall disclose to the Board any financial interest or affiliation with an existing or proposed vendor or recipient of goods or services at any time when such Director becomes aware of a financial interest or affiliation that has not previously been disclosed. Where a Director is unsure whether a financial interest or affiliation exists, he or she shall disclose the relevant facts to the Board, and shall abide by the decision of the Board as to the existence or non-existence of an interest or affiliation and any conflict of interest.

Section 3 Procedure for Officers and Employees. No officer or employee of the Corporations shall, without previous approval of the Board, be, or be affiliated with, either a vendor of goods or services to, or recipient of goods or services from the Corporations.

Section 4 Definitions.

(a) A person shall be deemed to be affiliated with an entity if the person

- (i) serves as a member of a governing body of the entity,
- (ii) serves as an officer or employee of the entity,
- (iii) has a material economic relationship with the entity, or
- (iv) has a spouse, parent, sibling, child, or member of the immediate household who holds such a position or has such a relationship. However, no person shall be deemed to be affiliated with the Director or officer or any other affiliate of the Corporations so long as his or her relationship with the Director or officer or affiliate is known to the Board.

(b) A person shall be deemed to be affiliated with an individual if such individual is a spouse, parent, sibling, child, or member of the immediate household of such individual or has a material economic relationship with such individual.

(c) If a person is an interested person or affiliated with an interested person with respect to any entity in which the Corporations are a part, he or she is an interested person with respect to all entities in the Corporations.

(d) An interested person is any Director, officer, or member of a committee with Board delegated powers, who has a direct or indirect financial interest, as defined below in Section 4e.

(e) A person has a financial interest if the person has, directly or indirectly, through business, investment or family, or through an affiliated person:

- (i) An ownership or investment interest in any entity with which the Corporations have a transaction or arrangement;
- (ii) A compensation arrangement with the Corporations or with any entity or individual with which the Corporations have a transaction or arrangement; or
- (iii) A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Corporations are negotiating a transaction or arrangement.

Compensation includes direct or indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. A person who has a financial interest may have a conflict of interest only if the Board decides that a conflict exists under the procedures set forth in Sections 2, 3 or 4 above.

Code of Conduct

All Board Members:

- Shall perform their duties in good faith and to the best of their ability, refrain from any illegal conduct and seek guidance from the Board Chair, Chief Executive Officer or the Compliance Officer when uncertain of the meaning or application of a statute, regulation, or policy, or the legality of a certain practice or activity.

The value of such improvements will not be considered in computing Entrance Fee refunds, unless specifically agreed to in an Addendum to this Agreement. All options and custom features must be approved by Givens Estates administration in advance of the changes made.

The Balance of the Entrance Fee is due on or prior to the Date of Occupancy, as described in Paragraph III.B.2.

- B. Occupancy.** As used in this Agreement, “Occupancy” will have occurred when You have signed this Agreement, have paid the Entrance Fee in full as described in Paragraph III.B.2 and have paid a full month Monthly Fee, as described in Paragraph III. C. Upon Occupancy, Givens Estates will be obligated to provide You with the Residence and services outlined in this Agreement.

III. FINANCIAL ARRANGEMENTS

- A. Entrance Fee.** You agree to pay to Givens Estates an Entrance Fee as set forth in Schedule I, attached. The Entrance Fee assures You a place at Givens Estates for a term of years or for life. The initial Entrance Fee that You pay for the original Residence shall continue to be held as and applied against the Entrance Fee required for any subsequent Residence You may transfer to on the Givens Estates campus.
- B. Terms of Payment of the Entrance Fee.** The terms of payment of the Entrance Fee shall be as follows:
- 1. 10 Percent Deposit.** Upon entering this Agreement, You will pay ten percent (10%) of the total Entrance Fee for Your Residence (the "10% Deposit"), less any Wait List Deposit previously paid pursuant to a Future Residency Wait List Agreement between You and Givens Estates.
 - 2. Balance of the Entrance Fee.** The Balance of the total Entrance Fee for the Residence (being ninety percent (90%) of the total Entrance Fee) will be due and payable on or prior to the Date of Occupancy, unless otherwise agreed to in writing by Givens Estates.
- C. Monthly Fee.** In addition to the Entrance Fee, You agree to pay a Monthly Fee upon Occupancy for the term of this Agreement, except as provided in Paragraph III.G.1. Givens Estates. With the approval of its Board of Directors, Givens Estates may increase the Monthly Fee from time to time during the term of this Agreement. The Monthly Fee will be adjusted as required, consistent with operating on a sound financial basis and maintaining quality service. You will receive a thirty (30) day advance notice of increases in the Monthly Fee or other charges.

- E. Away Allowance.** If You are away from Givens Estates for at least thirty (30) consecutive days and complete an “Away Form” in advance, You may be eligible for an Away Allowance, which will be credited to Your Monthly Fee, in accordance with Givens Estates policies, which are subject to change. The amount of any credit shall be established by Givens Estates then-current literature.
- F. Monthly Statements.** Givens Estates will furnish You a Monthly Statement showing the Monthly Fee payable for the month in advance, and any additional charges from the previous month, payable by the fifth (5th) business day of the current month. Givens Estates may charge, and You agree to pay promptly, interest at a rate of one and one-half percent per month on any unpaid balance owed by You thirty (30) days after the monthly statement is dated.
- G. Health Care Charges.**
- 1. Fee for Services.** Upon permanently occupying a Health Care Residence, You will surrender Your prior Residence and will no longer pay the Monthly Fee for the Residence; instead, You will pay the per diem fee for such Health Care Residence, as established by Givens Estates then-current literature. Upon temporarily occupying a Health Care Residence, You will continue to pay the Monthly Fee for the Residence (less any credit that may be given by Givens Estates) and You will pay the per diem fee for such Health Care Residence, as established by Givens Estates then-current literature, for the period of time that You occupy same. Such per diem fee shall cover the cost of services described in Paragraph I. F.11.a–d. You may pay additional charges for ancillary services as described in Paragraph III. G. 4.

 - 3. Use of Refundable Portion of the Entrance Fee.** Should You move to Givens Estates Health Center, the remaining refundable portion of the Entrance Fee can be applied to the cost of care upon the receipt of a replacement Entrance Fee for the Residence by a new resident. If You move from another Residence to WAL, no Entrance Fee refund shall be paid to You at that time and no part of the remaining refundable portion of the Entrance Fee will be applied to the cost of care in WAL. Entrance Fee

refunds will not be paid directly to any other health care facility besides Givens Estates.

4. **Additional Charges for Ancillary Health Care Services.** You will be responsible for prompt payment of all additional charges for ancillary health care services provided at Givens Estates. Ancillary services will include all services not provided by the staff of Givens Estates and/or not included in the per diem fee. Examples of additional charges include, but are not limited to, the cost of prescription and non-prescription medications, physical examinations, laboratory tests, physical therapy, home health care, occupational therapy, rehabilitative treatments, wheelchairs and other medical equipment and supplies.

6. **Terms of Payment.** The per diem fees described in Paragraph III.G.1 and any Level of Care Fees You incur shall be payable in advance by the fifth (5th) business day of each month. Payment of such fees for the first calendar month or partial calendar month of occupancy of a Health Care Residence is due upon occupying a Health Care Residence. Givens Estates will credit Your account for any per diem fee paid pursuant to this Paragraph III.G for any day or days after You cease to occupy the Health Care Residence.

IV. **ADMISSION REQUIREMENTS AND PROCEDURES**

- A. **Age.** If You are single, You must be fifty-five (55) years of age or older at the time of Occupancy. If You are a couple, at least one member of the couple must be fifty-five (55) years of age or older at the time of Occupancy.
- B. **Application Forms.** You will provide an Application for Admission, a Personal Health History and a Confidential Financial Statement, all on forms furnished by Givens Estates for initial approval by Givens Estates.
- C. **Personal Interview.** You shall have an interview with a Marketing Representative from Givens Estates prior to Occupancy. Upon review of all information required to be furnished herein, additional personal interviews may be requested by You or Givens Estates.
- D. **Approval Process.** Upon receipt of the completed Application Forms and the personal interview with a Marketing Representative, Givens Estates will review Your information and Your Physician's Examination Report as a basis for initial acceptance. Givens Estates will approve or deny the application for initial admission within thirty (30) days after receiving the completed forms, and will provide You with a written decision thereafter.

- E. **Health Requirements.** Within thirty (30) days of Your execution of this Agreement, You will provide Givens Estates with a Physician's Examination Report completed by Your personal physician. Such report shall include a statement by the physician that You are able to live independently and undertake ongoing activities of daily living. Givens Estates may now or in the future additionally require a history and physical from Your physician to include physician progress notes. Givens Estates may require You to have another physical examination by a physician approved by Givens Estates if additional information is necessary. You shall be responsible for the cost of such physical examinations. If You do not meet the criteria for independent living established by Givens Estates, You may move to other accommodations within Givens Estates more suitable to Your needs, or terminate this Agreement.

- F. **Financial Requirements.** You must have assets and income sufficient to pay Your financial obligations under this Agreement and to meet Your ordinary living expenses. Givens Estates may require You to furnish additional or updated financial information prior to Occupancy. Financial assistance may be available to residents who qualify, as determined by Givens Estates.

- G. **Representations.** You affirm that the representations made in all information furnished by You to Givens Estates, including the Application for Admission, Personal Health History, Confidential Financial Statement and Physician's Examination Report, are true and correct and may be relied upon by Givens Estates as a basis for entering into this Agreement.

- H. **Statement as to Non-Discrimination.** Givens Estates shall not limit residency to persons on the basis of gender, race, color, religion, national origin or disability.

V. **TERMS OF RESIDENCY**

- A. **Rights of Resident.** This Agreement is and shall be construed only as a revocable license. Subject to the terms and provisions of this Agreement, You have the right to occupy, use, and enjoy the Residence, common areas, amenities, programs and services of Givens Estates during the term of this Agreement. It is understood that this Agreement does not transfer or grant any right, title or interest in the real or personal property owned or administered by Givens Estates other than the rights and privileges as described in this Agreement. Nothing in this Agreement shall be construed to create a lease or the relationship of landlord and tenant between Givens Estates and You.

- B. **Policies and Procedures.** All residents shall abide by Givens Estates policies and procedures, including such amendments, modifications and changes to the Resident Handbook as may be adopted by Givens Estates. Such Handbook shall be made readily available to You.

- C. **Changes in the Residence and the Agreement.** Givens Estates has the right to change the Residence and/or the Agreement when and to the limited extent

required to comply with the requirements of any applicable statutes, laws or regulations. The Residence may not be used in any manner in violation of any zoning ordinances or other governmental law or regulation.

- D. Visitors.** Short-term visitors and guests may stay in Your Residence for limited stays. No person other than You may reside in the Residence without the approval of Givens Estates.
- E. Occupancy by Two Residents.** When two (2) Residents occupy a Residence and one of them is no longer domiciled in the Residence, whether as a result of death or otherwise, or in the event of the termination of this Agreement with respect to one of the Residents, this Agreement shall continue in effect for the remaining Resident. The remaining Resident will thereafter pay the Single Person Monthly Fee associated with the Residence. No Entrance Fee refunds shall be paid to the remaining Resident until the Residence is vacated as described in Paragraph VII. B. 6.
- F. Request by You for Change in Residence.** You may request a change in Residence at any time. Givens Estates carefully considers such requests, including but not limited to such factors as Your health, Your finances, availability of requested type of Residence and waiting lists. You must agree to pay the difference in the Entrance Fee and Monthly Fee between the requested Residence and the current Residence. Givens Estates may require You to enter into a new or amended Residence and Services Agreement for the new Residence. The Entrance Fee refund percentage selected at initial occupancy remains in effect during a change in residence and is applicable to any additional amounts paid as a result of the change.
- 1. Move to Another Residence.** Should You be approved by Givens Estates to move to a subsequent Residence, You will pay the Monthly Fee associated with the subsequent Residence. The Entrance Fee paid for Your current Residence will be retained by Givens Estates and be held as part of the Entrance Fee for a subsequent Residence. Even if the Entrance Fee for the original Residence, when You began to occupy it, was greater than the current Entrance Fee for the subsequent Residence, You will not be entitled to a refund as a result of the difference between such Entrance Fees. If, however, the Entrance Fee for the original Residence, when You began to occupy it, was less than the current Entrance Fee for the subsequent Residence, You will pay an amount equal to the difference between the Entrance Fee of the original Residence that You paid and the current Entrance Fee of the subsequent Residence.
- G. Change in Residence at Option of Givens Estates.** If Givens Estates reasonably determines that Your Residence needs to be vacated to permit repairs or renovations thereto, or needs to be modified or reconfigured to accommodate a new or different use of the Residence, or as a result of any other circumstances reasonably determined by Givens Estates to justify such transfer, Givens Estates may move You to a new Residence of a similar size provided that Givens Estates

(i) advises You prior to undertaking any such move, (ii) gives You reasonable notice of and time to prepare for such move, (iii) incurs all the costs of such move, (iv) arranges for the prompt and convenient moving of Your personal furnishings, and (v) provides in such new Residence optional custom improvements comparable to those provided in Your original Residence.

H. Loss of Property. Givens Estates shall not be responsible for the loss of any property belonging to You or to any guest due to theft, mysterious disappearance, fire or any other cause. You will be responsible for securing personal property insurance.

I. Medical Insurance. You shall maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to Givens Estates (e.g. Federal Government employees who subscribe to Federal Blue Cross Blue Shield) and shall furnish Givens Estates with evidence of such coverage.

J. Addition of New Occupant.

1. Addition of Resident Occupant. Should You choose to share occupancy of Your Residence with a person who is also a resident of Givens Estates, the two of You may occupy either Residence and shall surrender the unoccupied Residence. You will pay the Double Person Monthly Fee upon Occupancy by both of You in the chosen Residence. No Entrance Fee refund for the unoccupied Residence shall be paid until Givens Estates receives a replacement Entrance Fee for the vacated Residence or twenty-four (24) months after Termination by Resident (whichever occurs first), and removal of all personal belongings from such vacated Residence. However, if neither resident was an original occupant of the selected Residence when the original Residence and Services contract was signed, an additional entrance fee will be required equal to the difference between the then current Entrance Fee and the original Entrance Fee paid at the same refund percentage originally selected.

2. Addition of Non-Resident Occupant. If You should choose to share occupancy of Your Residence with a person who is not already a resident of Givens Estates, the Non-Resident Occupant may become a resident if they meet all the requirements for admission, enter into a Residence and Services Agreement with Givens Estates, and pay an Entrance Fee equal to the then-current Double Person Entrance Fee. You and the Non-Resident occupant shall pay the Double Person Monthly Fee. If the Non-Resident Occupant does not meet the requirements of Givens Estates for admission as a resident, You may terminate this Agreement in the same manner as provided in Paragraph VII. B. with respect to a voluntary termination, or the Non-Resident Occupant may be approved for admission under special circumstances as agreed to in writing by Givens Estates and You. However, if neither the current resident nor the Non-

Resident Occupant were the original occupants of the residence when the original Residence and Services contract was signed, an additional entrance fee will be required equal to the difference between the then current Entrance Fee and the original Entrance Fee paid at the same refund percentage originally selected.

- K. **Right of Entry.** You authorize employees or agents of Givens Estates to enter the Residence for the purposes of housekeeping, repairs, maintenance, inspection, and in the event of an emergency. Givens Estates will always endeavor to maintain Your privacy and the privacy of the Residence. For Your safety, You agree not to replace or add any locks to the Residence.
- L. **Residents' Organization.** Residents of Givens Estates are members of a Residents' Association that is open to all residents. Such organization elects representatives, officers, and other positions to engage in activities of interest to residents.

VI. **TRANSFERS OR CHANGES IN LEVELS OF CARE**

- A. **Transfer to a Health Care Residence.** Givens Estates recognizes Your right of self-determination and will attempt to involve You or Your representative in all decisions related to transfers and changes in level of care. Givens Estates shall have authority to determine whether You should be transferred from Your Residence to a Health Care Residence, or from one level of care to another within Givens Estates, in cases of potential harm to Yourself or others, to assure the health and wellbeing of You and others, or to provide for the highest quality of life possible. Such determination shall be based on the opinion of the Givens Estates administration and/or the Givens Estates Medical Director and shall be made after consultation with You and Your representative and Your attending physician. Such decisions shall be made only in Your best interest and in the best interest of the larger community as determined by Givens Estates. You will have priority to move to such Health Care Residence as Givens Estates determines to best meet Your needs, as soon as such is available.
- B. **Transfer to Other Facility.** If it is determined by Givens Estates that You need care beyond that which can be provided by Givens Estates, You may be transferred to a hospital or institution equipped to give such care at Your expense. Such transfer will be made only after consultation with You and/or Your representative and attending physician.
- C. **Surrender of Residence.** If a reasonable determination is made by Givens Estates that any transfer described in Paragraph VI. A. is or is highly likely to be permanent, You agree to surrender Your Residence.

VII. **TERMINATION AND REFUND PROVISIONS**

- A. **Termination by Resident Prior to Occupancy.**

1. **Termination During 30 Day Rescission Period and Before Occupancy.** This Agreement may be terminated by You by a Written Termination Notice for any reason within thirty (30) days following the later of the execution of this Agreement or the receipt of a disclosure statement (the "Rescission Period") and You are not required to move into the Residence during this Rescission Period. The Agreement is automatically cancelled if You die before occupying the Residence, or if, on account of illness, injury, or incapacity, You would be precluded from occupying the Residence under the terms of this Agreement. If this Agreement is terminated within such Rescission Period, any monies paid by You shall be refunded in full less any non-standard costs incurred at Your request described in this Agreement or in amendment to this Agreement signed by You. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of Your Written Termination Notice.

2. **Termination After the 30 Day Rescission Period and Before Occupancy.** This Agreement may be terminated by You by a Written Termination Notice for any reason after the Rescission Period and prior to Occupancy. The Agreement is automatically cancelled if You die before occupying the Residence, or if, on account of illness, injury, or incapacity, You would be precluded from occupying the Residence under the terms of this Agreement. In the event of such termination, You will receive a refund of Your 10% Deposit, less (i) a nonrefundable fee equal to the greater of One Thousand Dollars (\$1,000) or two percent (2%) of the total amount of the Entrance Fee for Your Residence, and (ii) any non-standard costs incurred at Your request described in this Agreement or in amendment to this Agreement signed by You. The nonrefundable fee will not be charged to You if such termination is due to Your death, death of Your spouse, or because Your physical, mental or financial condition makes You ineligible for admission to Givens Estates. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of Your Written Termination Notice.

B. Termination by Resident After Occupancy.

1. **Termination During the 30 Day Rescission Period and After Occupancy.** This Agreement may be terminated by You by a Written Termination Notice for any reason within the Rescission Period and You are not required to move into the Residence during this Rescission Period. If You do occupy the Residence within the Rescission Period and then terminate this Agreement before the end of the Rescission Period, any monies paid by the Resident shall be refunded in full less (i) periodic charges specified in this Agreement and applicable only to the period You actually occupied the Residence; (ii) nonstandard costs incurred at Your request described in this Agreement or in amendment to this Agreement signed by You; and (iii) a service charge equal to the greater of One Thousand Dollars (\$1,000) or two percent (2%) of the total amount of the

Entrance Fee for Your Residence. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of Your Written Termination Notice.

Givens Estates will approve or deny the application for initial admission within thirty (30) days after receiving the completed forms, and will provide You with a written decision thereafter.
- E. **Health Requirements.** Within three (3) months before the Date of Occupancy, You will provide Givens Estates with a Physician's Examination Report completed by Your personal physician. Such report shall include a statement by

the physician that You are able to live independently and undertake ongoing activities of daily living. Givens Estates may now or in the future additionally require a history and physical from Your physician to include physician progress notes. Givens Estates may require You to have another physical examination by a physician approved by Givens Estates if additional information is necessary. You shall be responsible for the cost of such physical examinations. If You do not meet the criteria for independent living established by Givens Estates, You may move to other accommodations within Givens Estates more suitable to Your needs, or terminate this Agreement.

- F. Financial Requirements.** You must have assets and income sufficient to pay Your financial obligations under this Agreement and to meet Your ordinary living expenses. Givens Estates may require You to furnish additional or updated financial information prior to Occupancy. Financial assistance may be available to residents who qualify, as determined by Givens Estates.

- H. Statement as to Non-Discrimination.** Givens Estates shall not limit residency to persons on the basis of gender, race, color, religion, national origin or disability.

V. TERMS OF RESIDENCY

- A. Rights of Resident.** This Agreement is and shall be construed only as a revocable license. Subject to the terms and provisions of this Agreement, You have the right to occupy, use, and enjoy the Residence, common areas, amenities, programs and services of Givens Estates during the term of this Agreement. It is understood that this Agreement does not transfer or grant any right, title or interest in the real or personal property owned or administered by Givens Estates other than the rights and privileges as described in this Agreement. Nothing in this Agreement shall be construed to create a lease or the relationship of landlord and tenant between Givens Estates and You.
- B. Policies and Procedures.** All residents shall abide by Givens Estates policies and procedures, including such amendments, modifications and changes to the Resident Handbook as may be adopted by Givens Estates. Such Handbook shall be made readily available to You.
- C. Changes in the Residence and the Agreement.** Givens Estates has the right to change the Residence and/or the Agreement when and to the limited extent required to comply with the requirements of any applicable statutes, laws or regulations. The Residence may not be used in any manner in violation of any zoning ordinances or other governmental law or regulation.

- D. Visitors.** Short-term visitors and guests may stay in Your Residence for limited stays. No person other than You may reside in the Residence without the approval of Givens Estates.
- E. Occupancy by Two Residents.** When two (2) Residents occupy a Residence and one of them is no longer domiciled in the Residence, whether as a result of death or otherwise, or in the event of the termination of this Agreement with respect to one of the Residents, this Agreement shall continue in effect for the remaining Resident. The remaining Resident will thereafter pay the Single Person Monthly Fee associated with the Residence. No Entrance Fee refunds shall be paid to the remaining Resident until the Residence is vacated as described in Paragraph VII. B. 6.
- F. Request by You for Change in Residence.** You may request a change in Residence at any time. Givens Estates carefully considers such requests, including but not limited to such factors as Your health, Your finances, availability of requested type of Residence and waiting lists. You must agree to pay the difference in the Entrance Fee and Monthly Fee between the requested Residence and the current Residence. Givens Estates may require You to enter into a new or amended Residence and Services Agreement for the new Residence. The Entrance Fee refund percentage selected at initial occupancy remains in effect during a change in residence and is applicable to any additional amounts paid as a result of the change.
- 1. Move to Another Residence.** Should You be approved by Givens Estates to move to a subsequent Residence, You will pay the Monthly Fee associated with the subsequent Residence. The Entrance Fee paid for Your current Residence will be retained by Givens Estates and be held as part of the Entrance Fee for a subsequent Residence. Even if the Entrance Fee for the original Residence, when You began to occupy it, was greater than the current Entrance Fee for the subsequent Residence, You will not be entitled to a refund as a result of the difference between such Entrance Fees. If, however, the Entrance Fee for the original Residence, when You began to occupy it, was less than the current Entrance Fee for the subsequent Residence, You will pay an amount equal to the difference between the Entrance Fee of the original Residence that You paid and the current Entrance Fee of the subsequent Residence.
- G. Change in Residence at Option of Givens Estates.** If Givens Estates reasonably determines that Your Residence needs to be vacated to permit repairs or renovations thereto, or needs to be modified or reconfigured to accommodate a new or different use of the Residence, or as a result of any other circumstances reasonably determined by Givens Estates to justify such transfer, Givens Estates may move You to a new Residence of a similar size provided that Givens Estates (i) advises You prior to undertaking any such move, (ii) gives You reasonable notice of and time to prepare for such move, (iii) incurs all the costs of such move, (iv) arranges for the prompt and convenient moving of Your personal furnishings, and (v) provides in such new Residence optional custom

improvements comparable to those provided in Your original Residence.

- H. Loss of Property.** Givens Estates shall not be responsible for the loss of any property belonging to You or to any guest due to theft, mysterious disappearance, fire or any other cause. You will be responsible for securing personal property insurance.
- I. Medical Insurance.** You shall maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to Givens Estates (e.g. Federal Government employees who subscribe to Federal Blue Cross Blue Shield) and shall furnish Givens Estates with evidence of such coverage.
- J. Addition of New Occupant.**
- Addition of Resident Occupant.** Should You choose to share occupancy of Your Residence with a person who is also a resident of Givens Estates, the two of You may occupy either Residence and shall surrender the unoccupied Residence. You will pay the Double Person Monthly Fee upon Occupancy by both of You in the chosen Residence. No Entrance Fee refund for the unoccupied Residence shall be paid until Givens Estates receives a replacement Entrance Fee for the vacated Residence or twenty-four (24) months after Termination by Resident (whichever occurs first), and removal of all personal belongings from such vacated Residence. However, if neither resident was an original occupant of the selected Residence when the original Residence and Services contract was signed, an additional entrance fee will be required equal to the difference between the then current Entrance Fee and the original Entrance Fee paid at the same refund percentage originally selected.
 - Addition of Non-Resident Occupant.** If You should choose to share occupancy of Your Residence with a person who is not already a resident of Givens Estates, the Non-Resident Occupant may become a resident if they meet all the requirements for admission, enter into a Residence and Services Agreement with Givens Estates, and pay an Entrance Fee equal to the then-current Double Person Entrance Fee. You and the Non-Resident occupant shall pay the Double Person Monthly Fee. If the Non-Resident Occupant does not meet the requirements of Givens Estates for admission as a resident, You may terminate this Agreement in the same manner as provided in Paragraph VII. B. with respect to a voluntary termination, or the Non-Resident Occupant may be approved for admission under special circumstances as agreed to in writing by Givens Estates and You. However, if neither the current resident nor the Non-Resident Occupant were the original occupants of the residence when the original Residence and Services contract was signed, an additional entrance fee will be required equal to the difference between the then current Entrance Fee and the original Entrance Fee paid at the same refund

percentage originally selected.

- K. **Right of Entry.** You authorize employees or agents of Givens Estates to enter the Residence for the purposes of housekeeping, repairs, maintenance, inspection, and in the event of an emergency. VI. **TRANSFERS OR CHANGES IN LEVELS OF CARE**

- A. **Transfer to a Health Care Residence.** Givens Estates recognizes Your right of self-determination and will attempt to involve You or Your representative in all decisions related to transfers and changes in level of care. Givens Estates shall have authority to determine whether You should be transferred from Your Residence to a Health Care Residence, or from one level of care to another within Givens Estates, in cases of potential harm to Yourself or others, to assure the health and wellbeing of You and others, or to provide for the highest quality of life possible. Such determination shall be based on the opinion of the Givens Estates administration and/or the Givens Estates Medical Director and shall be made after consultation with You and Your representative and Your attending physician. Such decisions shall be made only in Your best interest and in the best interest of the larger community as determined by Givens Estates. You will have priority to move to such Health Care Residence as Givens Estates determines to best meet Your needs, as soon as such is available.
- B. **Transfer to Other Facility.** If it is determined by Givens Estates that You need care beyond that which can be provided by Givens Estates, You may be transferred to a hospital or institution equipped to give such care at Your expense. Such transfer will be made only after consultation with You and/or Your representative and attending physician.
- C. **Surrender of Residence.** If a reasonable determination is made by Givens Estates that any transfer described in Paragraph VI. A. is or is highly likely to be permanent, You agree to surrender Your Residence.

VII. **TERMINATION AND REFUND PROVISIONS**

- A. **Termination by Resident Prior to Occupancy.**
 - 1. **Termination During 30 Day Rescission Period and Before Occupancy.** This Agreement may be terminated by You by a Written Termination Notice for any reason within thirty (30) days following the later of the execution of this Agreement or the receipt of a disclosure statement (the

"Rescission Period") and You are not required to move into the Residence during this Rescission Period. The Agreement is automatically cancelled if You die before occupying the Residence, or if, on account of illness, injury, or incapacity, You would be precluded from occupying the Residence under the terms of this Agreement. If this Agreement is terminated within such Rescission Period, any monies paid by You shall be refunded in full less any non-standard costs incurred at Your request described in this Agreement or in amendment to this Agreement signed by You. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of Your Written Termination Notice.

2. **Termination After the 30 Day Rescission Period and Before Occupancy.** This Agreement may be terminated by You by a Written Termination Notice for any reason after the Rescission Period and prior to Occupancy. The Agreement is automatically cancelled if You die before occupying the Residence, or if, on account of illness, injury, or incapacity, You would be precluded from occupying the Residence under the terms of this Agreement. In the event of such termination, You will receive a refund of Your 10% Deposit, less (i) a nonrefundable fee equal to the greater of One Thousand Dollars (\$1,000) or six percent (6%) of the total amount of the Entrance Fee for Your Residence, and (ii) any non-standard costs incurred at Your request described in this Agreement or in amendment to this Agreement signed by You. The nonrefundable fee will not be charged to You if such termination is due to Your death, death of Your spouse, or because Your physical, mental or financial condition makes You ineligible for admission to Givens Estates. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of Your Written Termination Notice.

B. Termination by Resident After Occupancy.

1. **Termination During the 30 Day Rescission Period and After Occupancy.** This Agreement may be terminated by You by a Written Termination Notice for any reason within the Rescission Period and You are not required to move into the Residence during this Rescission Period. If You do occupy the Residence within the Rescission Period and then terminate this Agreement before the end of the Rescission Period, any monies paid by the Resident shall be refunded in full less (i) periodic charges specified in this Agreement and applicable only to the period You actually occupied the Residence; (ii) nonstandard costs incurred at Your request described in this Agreement or in amendment to this Agreement signed by You; and (iii) a service charge equal to the greater of One Thousand Dollars (\$1,000) or six percent (6%) of the total amount of the Entrance Fee for Your Residence. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of Your Written Termination Notice.

2. **Termination After the 30 Day Rescission Period and After Occupancy.** At any time after Occupancy and after the Rescission Period ends, You may terminate this Agreement by a Written Termination Notice. In the event of such termination, You will receive a refund, less (i) periodic charges specified in this Agreement and applicable only to period You actually occupied the Residence; (ii) nonstandard costs incurred at Your request described in this Agreement or in amendment to this Agreement signed by You; and (iii) nonrefundable entrance fees as set out in paragraph VII. B. 5. below.
3. **Termination Upon Death After Occupancy.** In the event of death of a single Resident, or of the survivor of two Residents, at any time after Occupancy, this Agreement shall terminate and the refund of the Entrance Fee shall be determined according to Paragraph VII. B. 5. below.
4. **Termination by Givens Estates After Occupancy.** Givens Estates may terminate this Agreement at any time if there has been a material misrepresentation or omission made by You in Your Application for Admission, Personal Health History, Confidential Financial Statement, or Physician's Examination Report; if You fail to make payment to Givens Estates of any fees or charges due within sixty (60) days of the date when due; or if You do not abide by the rules and regulations adopted by Givens Estates, or breach any of the terms and conditions of this Agreement. In the event of termination due to any of such causes, the refund of the Entrance Fee paid to You shall be determined according to Paragraph VII. B. 5. below.
5. **Amortization of the Entrance Fee.** Your Entrance Fee may be partially refundable. The portion of the Entrance Fee that is refundable to You will decline over time, at a rate of six percent (6%) upon the date of Occupancy of the Residence and two percent (2%) on the first (1st) day of each calendar month thereafter until Your selected refund percentage remains at zero percent (0%) _____, fifty percent (50%) _____, or ninety percent (90%) _____. Regardless of the reason for termination, You are entitled to Your Entrance Fee refund, less (1) any non-standard costs requested by You and (2) any per diem Health Care Residence fees for Givens Health Center incurred by You during any period of Occupancy of a Health Care Residence in Givens Health Center, except as otherwise provided by this Agreement.
6. **Payment of Refunds.** Unless otherwise provided in this Agreement, Entrance Fee refunds will be paid upon You vacating the then current Residence covered by this Agreement or in case of dual occupancy upon both of You vacating the then current Residence, the removal of all personal property, and upon the receipt by Givens Estates of a replacement Entrance Fee for the Residence, or the expiration of twenty-four (24) months after Termination of this Agreement by the Resident (whichever occurs first).

7. **Condition of Residence.** Upon vacating the Residence, You shall leave it in good condition except for normal wear and tear. You or Your estate shall be liable to Givens Estates for costs required to restore the Residence to good condition or standard condition, except for normal wear and tear, and for the removal and disposition of abandoned personal belongings. Such costs will be deducted from the refundable portion of the Entrance Fee due to You.
8. **Changes to Residence.** After the Date of Occupancy, any structural or physical changes to the Residence directed by You (including alterations such as construction of bookshelves or redecoration such as painting or wallpapering) will require the prior approval of Givens Estates and will be made only under Givens Estates supervision and direction. You shall make no structural or physical changes to any WAL Residence; Givens Estates shall maintain and decorate any WAL Residence in accordance with Givens Estates then-current literature. Givens Estates may require, as a condition of approval of a requested change, that You either (i) agree to bear the cost of restoring the Residence to its original condition upon termination of Your occupancy of the Residence or (ii) prepay the estimated cost of restoring the Residence to its original condition. All structural improvements shall belong to Givens Estates.

_____, is herein referred to as the "Resident".

Givens Estates, Inc. is herein referred to as the "Facility".

Givens Estates, Inc., (the "Facility"), agrees to provide skilled or assisted living care and ancillary services to Resident at Givens Estates' standard charges. A list of the current charges is incorporated into this Agreement by reference.

Resident or, in the event Resident is unable to execute this Agreement, Resident Representative and Givens Estates agree that the following terms, conditions, and policies shall apply with regard to the care provided Resident during Resident's stay at Givens Estates:

I. Consent to Treatment

I hereby authorize my attending physician, Dr. _____, or his/her designee, or in the absence of both, an on call emergency physician to prescribe and administer medical treatment while I am a Resident of this facility. I certify that I and/or my representative have been made aware of my medical condition and authorize this facility to perform necessary nursing and medical care. I understand that I may refuse any medication, treatment or therapy in entirety or partially at any time and release the facility and its employees or agents from any and all responsibility of consequences, which may result from my refusal.

Unless a copy of a properly executed Do Not Resuscitate (DNR) agreement or Living Will/Advance Directive for a Natural Death (LW) is provided to Givens Estates, all parties to

the Agreement represent that the facility has no agreement or understanding which would require the denial or cessation of medical treatment or procedures necessary to prolong the natural life of the Resident. If no such DNR or LW is provided, the Resident and/or Resident Representative hereby hold the facility harmless for any steps taken that prolong the natural life of the Resident.

II. Release of Information

Givens Estates is authorized to release medical or other information concerning the Resident named above to Medicare/Medicaid agencies, private insurance companies and other sources from which payment of services is to be provided. Information may be released to hospitals and other treatment facilities to which the Resident may be transferred for health care services. Independent health care professionals treating the Resident outside of Givens Estates will be provided with medical and financial information necessary for treatment and billing purposes. Medical information will be transmitted to the state and federally approved data bank, which is required for care of Residents within a certified nursing facility. The Resident or Resident Representative may provide written authorization to disclose confidential information to other individuals.

Information released may be submitted verbally, by mail, fax, or electronic transmission. I release Givens Estates from any liability, which may arise from the release of such information. I request the payment of authorized benefits on by behalf be made to Givens Estates.

III. Charges and Fees

The Resident agrees to pay the facility promptly when billed all fees and charges imposed by the Facility hereunder which are not covered under the Medicare or Medicaid program. If part or all of the Resident's stay at the Facility is not covered under the Medicare or Medicaid program, then in consideration of the Facility furnishing adult care or skilled nursing care to the Resident, the Resident shall pay, promptly when billed, for each day during the period set forth in the following sentence, an amount equal to the standard daily rate for such care as shown on the Facility Rate Schedule in effect. Charges and fees are subject to change with (30) days' notice. The period referred to in the preceding sentence shall commence on the date of the Resident's admission to the Facility if no part of the Resident's stay at the Facility is covered under the Medicare or Medicaid program (the "Admission Date"), or the date on which coverage for such stay terminates (the "Coverage

Termination Date”), whichever is applicable, and shall conclude on the day on which the Resident is discharged, but in no event shall such period be less than (3) days. The monthly equivalent of the aforesaid daily rate shall be payable in advance, on the Admission Date or the Coverage Termination Date, whichever is applicable, and by the 20th day of each month thereafter. Givens Estates may charge interest on outstanding accounts not received by the 30th of each month thereafter. The current charge for such care, as shown on Schedule I (a copy of which is attached hereto), is \$_____ per day/month.

The Resident also shall pay, promptly when billed, the daily co-insurance under the Medicare program, or monthly co-pay under the Medicaid program, if applicable and all charges for additional items and services furnished to the Resident which are not covered under the Medicare or Medicaid program. Such additional items and services include but are not limited to clothing, personal dry cleaning, or services furnished while the Resident’s stay at the Facility is not covered under the Medicare and Medicaid program. The charges therefore shall be only those which are permitted pursuant to section 1866 (a) of the Social Security Act and applicable regulations there under, and (b) no such additional item or service shall be furnished hereunder except at specific request of the Resident.

Facility will advise the Resident of the amount of the Charge for Requested Services prior to furnishing those services. Refunds of any amounts paid in excess of the charges under Paragraph 3 above and this Paragraph shall be made by Facility as expeditiously as possible and in no event more than thirty (30) days after all Medicare program and Medicaid program payments as well as co-insurance payments have been collected.

If the Resident has long term care or private insurance policies, the Facility will gladly assist the Resident in filing for reimbursement of such covered charges as long as arrangements are made for payment to come to the Facility. However, these charges are billed and treated as private charges. The Resident agrees to pay the Facility promptly when billed.

In the event the Resident fails to or refuses to pay any fees and charges due the Facility in accordance with this Agreement and it becomes necessary to place the account in the hands of a collection agency or an attorney for collection, the Resident shall pay all collection agency charges and other expenses for collection incurred by the Facility, including reasonable attorney’s fees (not exceeding 15% of the amount due to Facility) and court costs.

The acceptance of a partial payment on any occasion does not constitute any waiver of the payment requirements of this Agreement or otherwise limit the Facility's rights under this Agreement.

Resident and/or Resident Representative agree to pay for any services provided not covered by Medicare including all services provided when and if Medicare coverage should no longer be available.

Initial: _____

Medicare pays all charges for the 1st through 20th day of skilled care when the Resident meets the Medicare eligibility requirements. Beginning with the 21st to 100th day of covered care, Medicare may pay all charges except the co-insurance, (see Charge List for Medicare Co-insurance rate), this is billed to the Resident/Resident Representative. No discount is allowed on co-insurance.

Medicare coverage is determined by a Resident's diagnosis, medication, and/or treatment ordered by the physician. If at any time during the stay it is determined that a Resident's condition does not qualify for covered care under Medicare regulations, notification will be made in writing to the Resident or Resident Representative that Medicare coverage has been terminated. At this time, the Resident or Resident Representative must make satisfactory financial arrangements for continued care at the Facility. Default in payment for one (1) month will result in termination of agreement to provide care.

Ancillary charges will be billed at the end of each month.

Medicaid approved Residents must pay current monthly liability in advance. Medicaid covered residents are allowed 60 days per year for therapeutic leave for which the program will pay to hold their beds.

Therapeutic leaves are arranged on the following basis:

- The leave must be approved by the attending physician.
- Departure and return dates must be pre-arranged.
- The facility staff must coordinate the leave with the family.
- Resident must return at the pre-determined time or notify the facility of any extension.

- The maximum number of days for a therapeutic leave without prior approval from Medicaid is two (2) weeks.

Initial: _____ The medical needs of the above-named Resident do not meet the criteria for Medicare Part A coverage; therefore, Medicare will not cover any portion of the care. Some services, however, may be covered under Medicare Part B.

Initial: _____ The medical needs of the above-named Resident do meet the criteria for Medicare Part A coverage. I also understand if the Resident's condition changes and the medical criteria are no longer met, Medicare Part A coverage will cease.

IV. Trust Fund

The Trust Fund is a "petty cash" account that is maintained on behalf of Givens Estates residents. Examples of items purchased from the Trust Fund would be beautician and barber services, and sundry items. It is necessary for each Resident to maintain a balance in the account of at least as much funds as will be used by that Resident in any given month.

Givens Estates is authorized to maintain and disburse personal funds on Resident's behalf as outlined in the Policies Governing Resident's Care under "Trust Fund".

Because of close living arrangements, memory issues for many Residents, the large number of individuals daily in and out of the Resident's living area, items such as valuable jewelry (including wedding rings), checkbooks, credit cards, antiques, cash, etc. should not be brought.

Unless delivered to the custody of the Administrator of Facility for safekeeping, the Facility shall not be responsible for any money, valuables or personal effects brought into the Facility by the Resident or by relatives or friends of the Resident. Cash is best deposited into the Trust Fund.

VI. Discharge Notice

The Resident shall give the Administrator of the Facility seven (7) days prior written notice of his/her intention to terminate their stay at the Facility, unless such notice would be due when such stay is covered under the Medicare and Medicaid program. All accrued charges shall be paid prior to such termination.

The Facility may involuntarily transfer or discharge the Resident for medical reasons, the Resident's own or other patients' welfare, or nonpayment. In the event of an involuntary transfer or discharge, the Resident shall be given at least five (5) days' notice unless a physician orders an immediate transfer and said order is documented in the medical record.

VIII. Laundry Services

Residents and families are requested to provide clothing that is easily cleaned. Clothing should be labeled with the Resident's name for identification. Residents should have a sufficient quantity of clothing to allow time for laundering.

The Givens Estates, Inc. and Subsidiaries
Asheville, North Carolina

Report on Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of The Givens Estates, Inc. and Subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 31, 2018 and 2017, and the related consolidated statements of operations, changes in net assets, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Givens Estates, Inc. and Subsidiaries as of December 31, 2018 and 2017, and the results of operations, changes in net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter – New Accounting Pronouncement

As discussed in Note 1 to the consolidated financial statements, the Company adopted the provisions of Financial Accounting Standards Board Accounting Standards Update 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities* during 2018. Our opinion is not modified in respect to this matter.

Report on Consolidating Information

Our audits were conducted for the purpose of forming an opinion on the basic consolidated financial statements as a whole. The supplemental information listed in the foregoing table of contents is presented for purposes of additional analysis rather than to present the financial position and results of operations, and cash flows of the individual organizations, and is not a required part of the basic consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Sincerely,

Dixon Hughes Goodman LLP

Notes to Consolidated Financial Statements

1. Summary of Significant Accounting Policies

Organization

The Givens Estates, Inc. is a non-profit, North Carolina corporation. The Company owns and operates two continuing care retirement communities ("CCRC") which includes Givens Estates and Givens Highland Farms. Givens Estates consists of 412 independent living units (cottages, villas, houses, duplexes, and apartments), a 47 unit assisted living facility, and an 84 bed health care facility, as well as a wellness center, on a 215 acre campus in Asheville, North Carolina. Givens Highland Farms (Givens Highland Farms, LLC) consists of 262 independent living units (homes and apartments), 30 assisted living beds, and a 60 bed health care facility on 75 acres in Black Mountain, North Carolina. The Company also owns and operates Givens Gerber Park II, LLC, which consists of 82 apartment homes with supportive services for seniors with modest incomes located on Gerber Road in Asheville, North Carolina.

Principles of consolidation

The accompanying consolidated financial statements include the accounts of The Givens Estates, Inc. and its wholly owned subsidiaries: Givens Highland Farms, LLC ("Givens Highland Farms"), LifeMinistries Outreach, LLC, and Givens Gerber Park II, LLC, collectively "The Company." All significant intercompany accounts and transactions have been eliminated in consolidation.

Use of estimates

The preparation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the reporting date. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, amounts on deposit in banks, and highly liquid debt instruments with a maturity of 90 days or less when purchased, excluding amounts whose use is limited.

Assets limited as to use

These assets include resident funds and assets set aside by the board of directors to provide supplemental assistance to residents for payment of the residents' initial contribution and monthly rentals for the life occupancy residential complex, over which the board retains control and may at its discretion subsequently use for other purposes.

Accounts receivable

Accounts receivable arise from the sale of residential and healthcare services and products, for which the Company grants credit on an unsecured basis. Accounts are considered past due after 30 days. The Company estimates allowance for doubtful accounts by evaluating the collectability of accounts greater than 120 days past due. Once a charge has been determined to be uncollectible, it is charged-off.

The Givens Estates, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

Contributions receivable

Unconditional contributions are recorded at net present value as contributions in the consolidated balance sheets or direct additions to net assets with restrictions, if restricted by the donor or time, net of any allowances for uncollectible pledges.

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value based on quoted market prices in the consolidated balance sheets. Investment income or loss (including realized and unrealized gains and losses on investments, interest and dividends) is included in excess of revenues over expenses.

Fair value measurements

Fair value as defined under generally accepted accounting principles (“GAAP”) is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company utilizes market data or assumptions that market participants would use in pricing the asset or liability. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used when measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The Company has adopted the provisions of the fair value option for financial assets and financial liabilities, which permits entities to choose to measure eligible items at fair value at specified election dates. The fair value option (i) may be applied instrument by instrument, with certain exceptions, (ii) is irrevocable (unless a new election date occurs), and (iii) is applied only to entire instruments and not to portions of instruments. The Company has elected the fair value option for investments and assets limited as to use, and as such these securities are treated as trading securities. Unrealized gains or losses are reported within the performance indicator, excess of revenues over expenses.

Property and equipment

Property and equipment is stated at cost or at fair value at date of donation. The Company capitalizes all assets over \$1,000 and depreciates the assets using the straight-line method over their estimated useful lives as follows:

Land improvements	10-20 years
Buildings	15-40 years
Furniture and equipment	3-10 years
Vehicles	3-5 years

Expenditures for repairs and maintenance are charged to expenses as incurred. The costs of major renewals and betterments are capitalized and depreciated over their estimated useful lives. Upon disposition of equipment, the asset and related accumulated depreciation accounts are relieved and any related gain or loss is recorded. Interest cost incurred on borrowed funds during the period of construction of capital assets is capitalized as a component of the cost of acquiring those assets.

Buildings for Givens Highland Farms include condominiums, cluster homes (which are groups of individual residences connected by adjoining walls), houses (collectively referred to as “housing units”), and rental property. Givens Highland Farms’ contracts with the residents provide that either upon death or at the resident’s option, Highland Farms has the option to purchase; and the resident or his estate must sell the housing unit at a specified price. It is the intention of Givens Highland Farms to always choose the option to repurchase the housing units and once repurchased to not resale them. The repurchase price (the “Repurchase Obligation”) is 94% of the resident’s original purchase price, reduced 3% per year for each year beyond the first year that the resident occupies the unit. The minimum repurchase price after seven years of occupancy is 76% of the original purchase price.

The Givens Estates, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

Because Givens Highland Farms maintains an active role in the management of housing units, placing significant restrictions on purchasers that limit the privileges of ownership, and has the option to repurchase the units upon relocation or death of the resident, the housing units are recorded in a manner similar to rental property. The units are carried as assets on the Company's consolidated balance sheet at their historical cost and are depreciated on a 15-year, straight-line basis.

Deferred costs

Deferred costs consists of the marketing costs of acquiring initial continuing care contracts, which are expected to be recovered from future contract revenues. Initial continuing care contract costs are capitalized and are amortized on a straight-line basis over the average expected lives of the residents under the contract.

Intangibles

In connection with the recording of the assets and liabilities as part of the purchase of Highland Farms, intangibles of \$15,440,665 were recorded with this transaction. Givens Highland Farms obtained approximately \$14.8 million of deferred revenue and refundable entrance fee contracts. The projected net future cash flows to be generated from these resident contracts are recorded as an intangible asset and are being amortized over the average life expectancy of those residents, or approximately 8 years. The remainder has been recorded as goodwill. The Company analyzes goodwill for impairment annually. There was no impairment recorded in 2018 or 2017.

Deferred revenue from entrance fees

Givens Estates, Inc. operates two Life Plan communities. In exchange for an entrance fee, which ranges from approximately \$38,000 to \$1,128,000 at Givens Estates and approximately \$35,000 to \$684,000 at Givens Highland Farms, residents are granted a lifetime occupancy interest in the residential unit. The entrance fee will vary due to the size of the residence and the contract option selected by the resident.

The nonrefundable portion of the entrance fee paid by a resident upon entering into a lifetime occupancy contract is recorded as deferred revenue. In 2008, Givens Estates began offering three types of contracts: a 90% refundable option, which the refund declines to 90% over a three month period, a 0% refund option, which the refund declines to 0% over a four year period, and a 50% refundable option, which the refund declines to 50% over a two year period. For contracts signed before 2003, the refundable balance declined to 50% over an eight year period.

Givens Highland Farms offered two types of contracts for the apartments and the lodge: a 50% refundable option, with the refund declining to 50% over a 23 month period, and a 0% refund option, with the refund declining to 0% over a 46 month period. For contracts signed before 2006 for the apartments or the lodge, the 50% refundable option declines to 50% over a 46 month period, and the 0% refundable option declines to 0% over a 60 month period. In 2015, Givens Highland Farms began offering a 65% refundable contract option for the cluster homes, condominiums and homes with the refund declining to 65% over a 16 month period. In 2014, Givens Highland Farms began offering a 75% refundable contract option for the cluster homes, condominiums and homes with the refund declining to 75% over an 11 month period. In addition, the initial contracts for the Meadowmont homes are 75% refundable contracts. The refundable portion of contracts signed before 2014 for the cluster homes, condominiums and homes declines to 76% over a seven year period. In 2017, Givens Highland Farms also began offering three types of contracts: a 90% refundable option, which the refund declines to 90% over a three month period, a 50% refundable option, which the refund declines to 50% over a two year period, and a 0% refundable option, which the refund declines to 0% over a four year period.

The nonrefundable portion of the Givens Highland Farms Repurchase Obligation that is not required to be paid back to the resident (of original purchase price) is recorded as part of deferred revenue from entrance fees. Revenue is recognized each year to the extent that Givens Highland Farms' repurchase obligation is reduced over the estimated average life expectancy of the resident.

The non-refundable portion of deferred revenue is amortized to income using the straight-line method over the estimated remaining life expectancy of the resident, adjusted annually.

The Givens Estates, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

Resident refunds payable

Resident refunds payable include estimated entrance fee refunds due to residents that have the 50%, 65%, 75%, 76% or 90% refundable contracts. Givens Estates contract stipulates that the entrance fee is refundable within two years or when a replacement occupant has been secured, whichever is sooner. Refunds are made within 30 days for Givens Highland Farms apartment contracts signed before December 1, 2012. Based on historical experience, the estimated amount of the resident refunds that are expected to be refunded in the coming year are \$4,938,000 and \$4,487,000 at December 31, 2018 and 2017, respectively, and are classified as a current liability on the consolidated balance sheet. Total contractual refund obligations in the event of move-out, death, or termination (that is if all residents with a refundable balance were to have withdrawn) at December 31, 2018 and 2017 were approximately \$73,229,000 and \$70,966,000, respectively.

The refundable portion of the Givens Highland Farms Repurchase Obligation required to be paid back to the resident (76% of original purchase price) within 120 days, is recorded as part of resident refunds payable.

Advance admission deposits

The Company collects an initial deposit of \$1,000 as part of the application process. Once the unit becomes occupied, these fees are transferred to deferred revenue.

Net assets

The Company reports its net assets using the following classes; net assets without restrictions and net assets with restrictions depending on the presence and type of donor-imposed restrictions limiting the Company's ability to use or dispose of specific contributed assets or the economic benefits embodied in those assets. Net assets without restrictions include those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by board designation. Net assets with restrictions are those net assets whose use by the Company has been limited by donors (a) to later periods of time or after specified dates or (b) to specified purposes.

Contributions and donor-imposed restrictions

All contributions are considered to be available for use unless specifically restricted by the donor. The Company reports gifts of cash and other assets as restricted contributions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with restrictions are reclassified to net assets without restrictions and reported in the consolidated statement of operations as net assets released from restriction.

Statements of operations

The consolidated statements of operations include excess of revenues over expenses. Changes in net assets which are excluded from excess of revenues over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which by donor restrictions were to be used for the purposes of acquiring such assets). The Company considers excess of revenues over expenses to be its performance indicator.

Interest rate swap

The Company utilizes an interest rate swap to manage the variability in interest rates on certain variable rate debt. The Company accounts for its interest rate swap under GAAP, which requires companies to recognize all derivative instruments as either assets or liabilities in the balance sheet at fair value. The accounting for changes in the fair value (i.e., gains or losses) of a derivative instrument depends on whether it has been designated and qualifies as part of a hedging relationship and, further, on the type of hedging relationship. For those derivative instruments that are designated and qualify as hedging instruments, a company must designate the hedging instrument, based upon the exposure being hedged, as a fair value hedge, cash flow hedge, or a hedge of the foreign currency exposure of a net investment in a foreign operation. For derivative instruments not designated as hedging instruments, the changes in fair value are recognized in excess of revenue over expenses. The Company's interest rate swap is not designated as a hedging instrument and the change in fair value is included in excess of revenue over expenses.

The Givens Estates, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

Long-term care and assisted living revenue

Long-term care and assisted living revenue represents the estimated net realizable amounts from residents, third-party payors, and others for services rendered while in the long-term care or assisted living units. It also includes estimated retroactive revenue adjustments due to future audits, review, and investigations. Retroactive adjustments are considered in the recognition of revenue on an estimated basis in the period the related services are rendered, and such amounts are adjusted in future periods as adjustments become known or as years are no longer subject to such audits, reviews, and investigations. Historically such adjustments for the Company have been immaterial in relation to the consolidated financial statements taken as a whole.

Revenues under third-party payor agreements are subject to examination and retroactive adjustment. Provisions for estimated third-party payor settlements are provided in the period the related services are rendered. Differences between the amounts accrued and subsequent settlements are recorded in operations in the year of settlement.

Residential revenue

In addition to the amortization of deferred revenue as described above, the residents are also subject to a continuing monthly service fee, which varies with the type of unit and with the level of health care the resident receives. This monthly fee can be changed from time to time, as deemed necessary by the Company, with 30 days written notice to residents.

Income taxes

The Company is exempt from federal income taxes under Section 501 (c) (3) of the Internal Revenue code; accordingly, the accompanying consolidated financial statements do not reflect a provision or liability for federal and state income taxes. The Company has determined that it does not have any material unrecognized tax benefits or obligations as of December 31, 2018.

Benevolent assistance

The Company has a policy of providing benevolent assistance to residents who are unable to pay the full cost of care and services. Such residents are identified based on financial information obtained from the resident and subsequent review and analysis. Since the Company does not expect to collect the normal charges for services provided, charges for benevolent assistance are not included in revenue.

Continuing-care contracts

The Company enters into fee-for-service continuing-care contracts with various residents. A fee-for-service continuing-care contract is an agreement between a resident and the Company specifying the services and facilities to be provided to a resident over his or her remaining life. Under the fee-for-service contracts, the Company has the ability to increase fees as deemed necessary. For the year ended December 31, 2018, the Company calculated the present value of the net costs of future services and the use of facilities to be provided to current residents and compared that amount with the balance of deferred revenue from entrance fees. If this calculated value exceeds the deferred revenue from entrance fees, a liability is recorded, with a corresponding charge to income. The obligation is discounted at 3% for December 31, 2018 and 4% at December 31, 2017 based on management's estimate of interest earnings. At December 31, 2018 and 2017, the calculated value did not exceed the balance of deferred revenue from entrance fees; therefore, no liability for the obligation to provide future services is required to be recorded.

Concentration of credit risk

Financial instruments that potentially subject the Company to concentration of credit risk consist principally of cash, accounts receivable and investments. The Company maintains its cash in bank accounts which, at times, may exceed federally depository insurance (FDIC) limits. Management believes the credit risk associated with these deposits is minimal.

Methods used for allocation of expenses among programs and supporting services

The Company has presented a schedule of expenses by both function and nature in Note 17. The Company allocates expenses on a functional basis among its various programs and supporting services. The schedule of expenses in Note 17 reports certain categories of expenses that are attributable to one or more program or supporting services of the retirement community. These expenses include advertising, administration, insurance, and other.

New accounting pronouncements

Revenue from Contracts with Customers

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers (Topic 606)*. The core principle of this standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. This guidance also requires enhanced disclosures regarding the nature, amount, timing and uncertainty of revenue and cash flows arising from an entity's contracts with customers. The FASB issued four additional standards that amended and/or clarified certain guidance and provisions in ASU 2014-09, all of which are effective for the Company January 1, 2019. The Company is currently evaluating the impact on its consolidated financial statements upon the adoption of these new standards.

Presentation of Financial Statements of Not-for-Profit Entities

During the year ended December 31, 2018, the Company adopted ASU 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. This accounting standard is intended to improve the net asset classification requirements and the information presented in the consolidated financial statements and notes about a not-for-profit entity's liquidity, financial performance, and cash flows. The 2017 consolidated financial statements have been adjusted to reflect retrospective application of the new accounting guidance, except for the disclosures around liquidity and availability of resources and analysis of expenses by functional and natural categories. These disclosures have been presented for 2018 only as allowed by ASU 2016-14.

The effect of the retrospective application of ASU 2016-14 on previously reported consolidated financial statement amounts resulted in unrestricted net assets now reflected as net assets without donor restrictions and temporarily restricted net assets now reflected as net assets with donor restrictions. The Company had no permanently restricted net assets at December 31, 2017 and 2018.

Subsequent events

The Company evaluated the effect subsequent events would have on the consolidated financial statements through April 17, 2019, which is the date the financial statements were available to be issued.

2. Fair Value of Financial Assets

Prices for certain investments are readily available in active markets in which those securities are traded, and the resulting fair values are categorized as Level 1. Prices for certain investments are determined on a recurring basis based on inputs readily available in public markets or can be derived from information available in publicly quoted markets and are categorized as Level 2. There is limited or no observable market data for the prices of other funds that are held by the Company and the resulting fair values of these securities are categorized as Level 3. There were no investments valued as Level 3 investments during 2018 or 2017.

The Company invests in certain investments for which quoted prices are not available in active markets for identical instruments. The Company utilizes the NAV provided by the administrator of the fund as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will

The Givens Estates, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

sell the investment for an amount different from the reported NAV. These investments are not required to be classified within a level on the fair value hierarchy.

The following tables set forth by level within the fair value hierarchy the Company's financial assets accounted for at fair value on a recurring basis as of December 31, 2018 and 2017. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

Assets at fair value as of December 31, 2018 and 2017 consist of the following:

The Givens Estates, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

(a) In accordance with Topic 820, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Consolidated Balance Sheets.

The Company recognizes transfers between the levels as of the beginning of the reporting period. There were no gross transfers between the levels for the years ended December 31, 2018 and 2017.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of:

14. Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents, receivables, and accounts and notes payables are a reasonable estimate of their fair values. The fair value estimates presented herein are based on pertinent information available to management as of December 31, 2018 and 2017. Although management is not aware of any factors that would significantly affect the estimated fair value amounts, such amounts have not been comprehensively revalued for purposes of the consolidated financial statements since that date, and current estimates of fair value may differ significantly from the amounts presented herein.

The Series 2017 bonds are private placement bonds. Fair value of the private placement bonds approximate carrying value. The fair value of the fixed-rate or adjustable-rate bonds payable is based on quoted market prices.

15. Interest Rate Swap Agreement

In March 2018, the Company entered into an interest rate swap agreement with an original notional amount of \$7,800,000. The swap expires December 2026 and effectively fixes the variable interest rate of the \$7,800,000 loan at 3.88 percent.

The fair value the interest rate swap is reported as a long-term asset in the consolidated balance sheets. The change in fair value of the interest rate swap is included in excess of revenues over expenses in the accompanying consolidated statements of operations and changes in net assets.

Absent an early termination, subsequent changes in the interest rate swap will continue to be reflected in excess of revenues over expenses, which has no cash flow impact to the Company. The cash flow settlements of the interest rate swap agreement are reflected annually in interest expense as the Company pays interest to the swap counterparty at the rate noted above.

16. Liquidity and Availability

As part of its liquidity management, the Company has a policy to structure its financial assets to be available as its general expenses, liabilities, and other obligations come due. In addition, the Company invests cash in excess of daily operating funds in short-term investments such as investment grade corporate bonds and money market funds.

The following schedule reflects the Company's financial assets to meet cash needs for general expenses within one year. Independent Accountants' Compilation Report

The Board of Directors
The Givens Estates, Inc.
Asheville, North Carolina

Management of The Givens Estates, Inc. & Subsidiaries (the "Corporation") ("Management") is responsible for the accompanying financial projection of the Corporation, which comprises the projected balance sheets as of and for each of the five years ending December 31, 2023 and the related projected statements of operations, changes in net assets, and cash flows for each of the years then ending, and the related summaries of significant assumptions and accounting policies in accordance with guidelines for the presentation of a financial projection established by the American Institute of Certified Public Accountants ("AICPA").

The accompanying projection and this report were prepared to comply with the requirements of North Carolina General Statutes, Chapter 58, Article 64 and should not be used for any other purpose.

We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services Committee of the AICPA. We did not examine or review the financial projection nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on this financial projection. The projected results may not be achieved as there will usually be differences between the prospective and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Furthermore, even if the hypothetical assumption occurs during the projection period that the Corporation's newly constructed and to be constructed independent living units are successfully marketed and achieve and maintain projected occupancy levels, there will usually be differences between the projected and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

We have no responsibility to update this report for events and circumstances occurring after the date of this report.

Summary of Significant Projection Assumptions and Accounting Policies

For Each of the Five Years Ending December 31, 2023

General

The accompanying consolidated financial projection presents, to the best of the knowledge and belief of the management of The Givens Estates, Inc. & Subsidiaries (the “Corporation”) (“Management”) the expected financial position, results of operations, and cash flows of the Corporation as of and for each of the five years ending December 31, 2023. Accordingly, the accompanying projection reflects Management’s judgment as of May 21, 2019, the date of this report, of the expected conditions and its course of action.

Management’s purpose in releasing this consolidated financial projection is for inclusion in the Corporation’s disclosure statement in accordance with Chapter 58, Article 64, of the North Carolina General Statutes. Accordingly, this report should not be used for any other purpose. The assumptions disclosed herein are those that Management believes are significant to the prospective consolidated financial statements. The Corporation recognizes that there will be differences between prospective and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Basis of Presentation - The prospective consolidated financial statements included in the projection have been prepared in accordance with accounting principles generally accepted in the United States of America. Significant accounting policies are described in the appropriate assumptions and notes to the prospective consolidated financial statements. The assumptions described are not all-inclusive.

Hypothetical Assumptions - A hypothetical assumption is an assumption used in a financial projection to present a condition or course of action that is not necessarily expected to occur, but is consistent with the purpose of the presentation. Hypothetical assumptions are not derived from sources, which are based upon supporting documentation such as contracts, agreements, or other empirical data. Management has prepared its financial projection assuming the hypothetical assumption that the Corporation’s newly constructed and to be constructed independent living units are successfully marketed and achieve and maintain projected occupancy levels.

Background of the Corporation - The Givens Estates, Inc., a non-profit, North Carolina corporation, and Givens Highland Farms, LLC, a non-profit, North Carolina limited liability corporation were formed as continuing care retirement communities (“CCRCs”) committed to providing the full continuum of care to seniors within the communities in which they serve.

Principles of Consolidation – The accompanying projected financial statements include the accounts of The Givens Estates, Inc. and its wholly owned subsidiaries: Givens Highland Farms, LLC (“Givens Highland Farms”); Life Ministries Outreach, LLC (“Life Ministries Outreach”) and Givens Gerber Park II, LLC (“Givens Gerber Park II”), collectively the “Corporation”.

Significant Accounting Policies

Basis of Accounting – The Corporation maintains its accounting and financial records according to the accrual basis of accounting.

Use of Estimates – The preparation of prospective financial statements in accordance with accounting principles generally accepted in the United States of America requires Management to make estimates and assumptions that affect the amounts reported in the prospective financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and Cash Equivalents – Cash and cash equivalents includes cash on hand, amounts on deposit in banks and highly liquid debt instruments with a maturity of 90 days or less when purchased, excluding amounts whose use is limited.

Assets Limited as to Use – These assets include assets set aside by the Board of Directors (the “Board”) to provide supplemental assistance to residents for payment of the residents’ initial contribution and monthly rentals for the life occupancy residential complex, over which the Board retains control and may at its discretion subsequently use for other purposes. Assets limited as to use also include amounts held by a trustee that are limited as to use in accordance with the bond order and resident funds.

North Carolina General Statute Section 58-64-33 requires CCRC’s to maintain an operating reserve equal to 50 percent of the total operating expenses (adjusted for non-cash items) in a given year, or 25 percent of such total operating expenses (adjusted for non-cash items) if independent and assisted living occupancy exceeds 90 percent.

Accounts Receivable – Accounts receivable arise from the sale of residential and healthcare services and products, for which the Corporation grants credit on an unsecured basis. Accounts are considered past due after 30 days. The Corporation estimates allowance for doubtful accounts by evaluating the collectability of accounts greater than 120 days past due. Once a charge has been determined to be uncollectible, it is charged-off.

Contributions Receivable – Contributions receivable include unconditional promises of cash, charitable remainder unitrusts, and charitable gift annuities. The charitable remainder unitrusts and charitable gift annuities are held in trust by another organization. Upon the death of the donors, the remaining investment will be transferred to the Corporation. The balance is net of projected allowances for doubtful accounts and discounts for present value.

Property and Equipment – Property and equipment is stated at cost or at fair value at date of donation. The Corporation capitalizes all assets over \$1,000 and depreciates them using the straight-line method over their estimated useful lives as follows:

Land improvements	10-20 years
Buildings	40 years
Furniture and equipment	5-10 years
Vehicles	3-5 years

See Independent Accountants’ Compilation Report

Expenditures for repairs and maintenance are charged to expenses as incurred. The costs of major renewals and betterments are capitalized and depreciated over their estimated useful lives. Upon disposition of equipment, the asset and related accumulated depreciation accounts are relieved and any related gain or loss is credited or charged to non-operating gains or losses. Interest cost incurred on borrowed funds during the period of construction of capital assets is capitalized as a component of the cost of acquiring those assets.

Buildings for Givens Highland Farms include condominiums, cluster homes (which are groups of individual residences connected by adjoining walls), houses (collectively referred to as “housing units”), and rental property. Givens Highland Farms’ contracts with the residents provide that either upon death or at the resident’s option, Highland Farms has the option to purchase; and the resident or his estate must sell the housing unit at a specified price. It is the intention of Givens Highland Farms to always choose the option to repurchase the housing units and once repurchased to not resale them. The repurchase price (the “Repurchase Obligation”) is 94% of the resident’s original purchase price, reduced 3% per year for each year beyond the first year that the resident occupies the unit. The minimum repurchase price after seven years of occupancy is 76% of the original purchase price.

Intangible Asset – In connection with the recording of the assets and liabilities as part of the purchase of Highland Farms, the cash paid for the net fair value of the assets was less than the net fair value of the liabilities obtained. As a result, intangibles of \$15,440,665 were recorded with this transaction. Givens Highland Farms obtained approximately \$14.8 million of deferred revenue and refundable Entrance Fee contracts. The projected net future cash flows to be generated from these resident contracts were recorded as an intangible asset and amortized over the average life expectancy of those residents, or approximately 8 years. The remainder was recorded as goodwill. Goodwill is projected to be \$7,021,000 in 2019. Management intends to fully amortize the remaining Goodwill balance associated with the Entrance Fee contracts during fiscal year 2020, resulting in a Goodwill balance of approximately \$5,915,000. The Corporation analyzes goodwill for impairment annually. For purposes of the projection, Management assumes no impairment to intangibles will occur during the projection period.

Investments – Investments include cash and cash equivalents, common stock, comingled funds, corporate and government bonds, government securities, money market funds and a fixed income fund. Investments in equity securities with readily determinable fair value and all investments in debt securities are measured at fair value based on quoted market prices in the balance sheet. For purposes of the projection, Management has not projected realized or unrealized gains or losses on investments.

Deferred Costs – Deferred financing costs associated with the issuance of debt is capitalized and amortized over the expected life of the debt instrument using the effective interest method. The debt issuance costs are netted against the related debt on the balance sheet and the amortization is included in interest expense on the statement of operations.

Deferred costs consist of the marketing costs of acquiring initial continuing care contracts, which are expected to be recovered from future contract revenues. Initial continuing care contract costs are capitalized and are amortized on a straight-line basis over the average expected lives of the residents under the contract.

See Independent Accountants’ Compilation Report

Resident Refunds Payable – Resident refunds payable include estimated Entrance Fee refunds due to Residents that have the 50 percent, 65 percent, 75 percent, 76 percent or 90 percent refundable contracts. The Corporation’s contract stipulates that the Entrance Fee is refundable within two years of vacancy or when a replacement occupant has been secured, whichever is sooner. Refunds are made within 30 days for Givens Highland Farms apartment contracts and within 120 days for Givens Highland Farms cluster homes, condominium units or free standing homes signed before December 1, 2012. Based on historical experience, the estimated amount of the Resident refunds that are expected to be refunded in a subsequent year are classified as a current liability on the balance sheet.

Deferred Revenue from Entrance Fees – In exchange for an Entrance Fee, residents are granted a lifetime occupancy interest in the residential unit. The Entrance Fee will vary due to the size of the residence and the contract option selected by the resident.

The nonrefundable portion of the Entrance Fee paid by a resident upon entering into a lifetime occupancy contract is recorded as deferred revenue. In 2008, Givens Estates began offering three types of contracts: a 90 percent refundable option, under which the refund declines to 90 percent over a three month period; a zero percent refund option, under which the refund declines to zero percent over a four year period; and a 50 percent refundable option, under which the refund declines to 50 percent over a two year period.

In 2017, Givens Highland Farms began offering three types of contracts: a 90 percent refundable option, under which the refund declines to 90 percent over a three month period; a zero percent refund option, under which the refund declines to zero percent over a four year period; and a 50 percent refundable option, which the refund declines to 50 percent over a two year period. Prior to 2017, Givens Highland Farms offered two types of contracts for the apartments and the lodge: a 50 percent refundable option, with the refund declining to 50 percent over a 23 month period; or a zero percent refund option, with the refund declining to zero percent over a 46 month period. For contracts signed before 2006 for the apartments or the lodge, the 50 percent refundable option declines to 50 percent over a 46 month period, and the zero percent refundable option declines to zero percent over a 60 month period. In 2015, Givens Highland Farms began offering a 65 percent refundable contract option for the cluster homes, condominiums and homes with the refund declining to 65 percent over a 16 month period. In 2014, Givens Highland Farms began offering a 75 percent refundable contract option for the cluster homes, condominiums and homes with the refund declining to 75 percent over an 11 month period. In addition, the initial contracts for the Meadowmont homes and the Cottages are 75% refundable contracts. The refundable portion of contracts signed before December 1, 2012 for the cluster homes, condominiums and homes declines to 76 percent over a seven year period.

The nonrefundable portion of the Givens Highland Farms Repurchase Obligation that is not required to be paid back to the resident (of original purchase price) is recorded as part of deferred revenue from Entrance Fees. Revenue is recognized each year to the extent that Givens Highland Farms’ repurchase obligation is reduced over the estimated average life expectancy of the resident. The non-refundable portion of deferred revenue is amortized to income using the straight-line method over the estimated remaining life expectancy of the resident, adjusted annually.

See Independent Accountants’ Compilation Report

Continuing-Care Contracts – The Corporation enters into continuing-care contracts with various residents. A continuing-care contract is an agreement between a resident and the Corporation specifying the services and facilities to be provided to a resident over his or her remaining life. Under the contracts, the Corporation has the ability to increase fees as deemed necessary. No obligation for future costs associated with these contracts has been provided by the Corporation because Management believes that future cash inflows will be sufficient to cover such costs.

Advance Admission Deposits – For existing units, the Corporation collects an initial deposit on unoccupied units. Once the unit becomes occupied, these fees are transferred to deferred revenue.

Net Assets – The Corporation reports its net assets using the following classes; net assets without restrictions and net assets with restrictions depending on the presence and type of donor-imposed restrictions limiting the Corporation’s ability to use or dispose of specific contributed assets or the economic benefits embodied in those assets. Net assets without restrictions include those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by board designation. Net assets with restrictions are those net assets whose use by the Corporation has been limited by donors (a) to later periods of time or after specified dates or (b) to specified purposes.

Contributions and Donor-Imposed Restrictions – All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. The Corporation reports gifts of cash and other assets as restricted contributions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of operations as net assets released from restriction.

Concentration of Credit Risk – Financial instruments that potentially subject the Corporation to concentration of credit risk consist principally of cash, accounts receivable and investments. The Corporation maintains its cash in bank accounts which, at times, may exceed federally depository insurance (FDIC) limits. Management believes the credit risk associated with these deposits is minimal.

Long-Term Care and Assisted Living Revenue – Long-term care and assisted living revenue represents the estimated net realizable amounts from residents, third-party payors, and others for services rendered while in the long-term care or assisted living units. It also includes estimated retroactive revenue adjustments due to future audits, review, and investigations. Retroactive adjustments are considered in the recognition of revenue on an estimated basis in the period the related services are rendered, and such amounts are adjusted in future periods as adjustments become known or as years are no longer subject to such audits, reviews, and investigations. Historically such adjustments for the Corporation have been immaterial in relation to the financial statements taken as a whole.

See Independent Accountants’ Compilation Report

Revenues under third-party payor agreements are subject to examination and retroactive adjustment. Provisions for estimated third-party payor settlements are provided in the period the related services are rendered. Differences between the amounts accrued and subsequent settlements are recorded in operations in the year of settlement.

Residential Revenue – In addition to the amortization of deferred revenue as described above, the residents are also subject to a continuing monthly service fee, which varies with the type of unit and with the level of health care the resident receives. This monthly fee can be changed from time to time, as deemed necessary by the Corporation, with 30 days written notice to residents.

Income Taxes – The Corporation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code; accordingly, the accompanying financial statements do not reflect a provision or liability for federal and state income taxes. For purposes of the projection, the Corporation has assumed no material unrecognized tax benefits or obligations during the projection period.

Benevolent Assistance – The Corporation has a policy of providing benevolent assistance to residents who are unable to pay the full cost of care and services. Such residents are identified based on financial information obtained from the resident and subsequent review and analysis. Since the Corporation does not expect to collect the normal charges for services provided, charges for benevolent assistance are not included in revenue

Presentation of Financial Statements of Not-for-Profit Entities – During fiscal year 2018, the Corporation adopted Accounting Standard Update (“ASU”) No. 2016-14 – Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities. The ASU No. 2016-14 addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity of available resources, and the lack of consistency in the type of information provided about expenses and investment return. The fiscal year 2017 financial statements were adjusted to reflect the retrospective application of the new accounting guidance. The retrospective application resulted in temporarily restricted net assets being reported as net assets with donor restrictions and unrestricted net deficit being reported as net deficit without donor restrictions.

Revenue Recognition – ASU 2015-14, Revenue from Contracts with Customers (Topic 606), provides a five-step analysis of transactions to determine when and how revenue is recognized. The changes are intended to increase comparability, as well as simplify preparation of financial statements and provide more useful information to users through improved disclosures. Upon adoption of ASC Topic 606, entities should evaluate costs associated with acquiring life care contracts to determine if they meet the requirements for capitalization under FASB ASC 340-40-25. As of December 31, 2018, the Corporation had not adopted ASU 2015-14. However, for purposes of the projection beginning January 1, 2019, the Corporation adopted ASU 2015-14 and retrospectively adjusted the financial statements prior to fiscal year 2018 for the removal of deferred marketing costs previously recorded on the balance sheets.

Notes to Comparison of 2018 Audited Financial Statements to 2018 Forecast

For the Statement of Operations any variances greater than 5% and \$835,000 (.5% of assets) are highlighted on the comparison and explained below. For the Balance Sheet and Statement of Cash Flows, any variances greater than 5% and \$1,700,000 (1% of assets) are highlighted on the comparison and explained below.

Statement of Operations

1. Residential revenue, including amortization – The audit was \$1,697,911 above the forecast. The variance was due to amortization of entrance fees as most new residents are choosing lower cost, nonrefundable entrance fees which result in higher deferred revenues and higher amortization.
2. Other revenue – The audit was \$1,211,111 above the forecast. The audit includes an internal allocation of management fees revenue of \$958,496, which is not included in the forecast. The management fees revenue is eliminated in the consolidated financials.
3. Administration expenses – The audit was \$1,991,994 above the forecast. The audit included an internal allocation of \$958,496 as a management fees expense, which is not included in the forecast. The management fees expense is eliminated in the consolidated financials. Technology expenses also exceeded the forecast as services were extended to related Givens Communities.
4. Unrealized losses on investments – Unrealized gains and losses are unpredictable and we really do not have any control over how the market will perform, so we do not include unrealized gains in the forecast.

Balance Sheet

The balance sheet includes restricted and unrestricted assets for comparison.

5. Cash and cash equivalents – The audit was \$4,238,100 above the forecast. The forecast assumes any cash in excess of \$3,000,000 will be invested. We have let cash grow (instead of investing) due to large capital projects that will begin in late 2019.
6. Investments ended the year \$6,330,804 below the forecast. The variance was largely due to investment losses due to a strong decline in the stock market at year end. Even though cash was above the forecast, the choice was made not to increase investments during the year.
7. Accounts payable and Payroll accruals are combined for the forecast. When combined, the variance is below the threshold requiring explanation.
8. Resident refunds payable and Deferred revenue from entrance fees – More residents are choosing lower cost, nonrefundable entrance fees. Thus, refundable fees were down significantly while deferred revenue from

nonrefundable fees increased significantly. Since nonrefundable entrance fees are lower, total entrance fees were around \$2,100,000 lower than the forecast.

Cash Flows

Some accounts in the investing and financing activities of the Forecast were combined to facilitate comparability to the audit.

9. Unrealized losses on investments – Unrealized gains and losses are unpredictable and we really do not have any control over how the market will perform, so we do not include unrealized gains in the forecast.
10. Proceeds from residential living entrance fees – This is the nonrefundable part of the entrance fee. Almost every new resident chose nonrefundable entrance fees in 2019. The forecast assumes residents will choose different refund options. Thus, actual results exceeded the forecast.
11. Change in assets limited as to use and investments – The forecast underestimated the actual change, which was mainly due to losses in the stock market.
12. Refunds of entrance fees – Refunds of entrance fees exceeded the forecast by \$2,325,592. There were six 90% entrance fees refunded in 2019. These refunds are much larger than typical refunds and made up over 40% of the refund amount, despite being less than 20% of total volume.
13. Refundable portion of entrance fees received - Almost every new resident chose nonrefundable entrance fees in 2019. The forecast assumes residents will choose different refund options. Thus, actual results were lower than the forecast.
