A central Community Center serves the entire campus. The mailing and street address is 4000 Glenaire Circle, Cary, NC 27511-3202.

H. Estimated Number of Residents

As of December 31, 2019, Glenaire had 408 Residents, all of whom are covered by contracts for continuing care.

II. POLICIES – ADMISSION/OCCUPANCY

A. Health Criteria

Admission requirements for Residents at Glenaire are non-discriminatory except as to age and Glenaire is open to both married and single men and women of all races and religions and without regard to place of former residence. Residents are expected to be able to live independently. Admission is restricted to persons 62 years of age or older, except that in the case of a married couple in which one spouse is at least 62 years of age, the other spouse shall be at least 55 years of age. Glenaire requires that a Resident submit a report of a physical examination of the Resident made by a physician selected by the Resident within 60 days of the projected occupancy date. If the health of the Resident, as disclosed by such physical examination, differs materially from that disclosed in the Resident's application for admission and personal health history, Glenaire shall have the right to decline admission of the Resident and to terminate the Residence and Care Agreement, or at the discretion of Glenaire, to permit Resident to take occupancy at Glenaire in suitable accommodations to the needs of the Resident.

B. Financial and Insurance Criteria

Financial guidelines required for acceptance of a Resident are reviewed by the Admissions Committee on a case by case basis. However, Residents of Glenaire are expected to have sufficient financial resources to pay the entrance fee, monthly fee and other personal expenses for the duration of the anticipated residence at the community.

All Residents are required to carry major medical health insurance policies of their choice. Most will have Medicare coverage and may elect other forms of long-term care insurance. Insofar as applicable, all such insurance coverage will be applied to health care charges within Glenaire.

C. Changes of Condition Prior to Occupancy

In the event, after payment of entrance fee and before occupancy by Resident, the Resident or Resident's spouse or roommate should die, or if, on account of illness, injury, or incapacity, a Resident would be precluded from occupying a living unit in the community under the terms of the contract for continuing care, or if it is determined that the Resident no longer qualifies for admission to Glenaire after execution of such contract, the contract is "automatically cancelled." Any refund due shall be paid within sixty (60) days of termination.

D. Cancellation/Termination

1. First Thirty (30) Days. Notwithstanding anything herein to the contrary, the Resident may rescind this contract within thirty (30) days following the later of the execution of the contract or receipt of a disclosure statement, in which any money paid to the Corporation shall be refunded to the Resident in full. The Resident is not required to move into the residence before the expiration of the aforesaid thirty (30) day period. If the Resident moves into the

residence during the thirty (30) day period and rescinds the contract during the thirty (30) day period, the Resident will receive a refund of any money paid to the Corporation less a service charge not to exceed the greater of one thousand dollars (\$1,000) or two percent (2%) of the entrance fee. Any refund due shall be paid within sixty (60) days of termination of the agreement.

2. Termination After Thirty (30) Day Rescission Period Prior to Occupancy. This Agreement may be terminated by the Resident at any time for any reason prior to taking occupancy at Glenaire by giving written notice to the Corporation. This Agreement may be terminated by the Corporation at any time prior to the date the Resident takes occupancy, if the Corporation determines that the Resident does not meet the physical, mental, or financial requirements for admission. In the event of such termination, the Resident shall receive a refund of the Entrance Fee less 5 percent (5%) of the Entrance Fee as a non-refundable fee, provided, that no non-refundable fee will be made if such termination is because of the death of the Resident or Resident's spouse or roommate or because of a change in the physical or mental condition or financial reversal which would make the Resident or Resident's spouse or roommate ineligible for admission to Glenaire. Any refund due shall be paid within sixty (60) days of termination of the agreement.
3. Termination During Trial Period. The first sixty (60) days of residency at Glenaire will be considered to be on a trial basis. During such sixty (60) day period, the Resident will have the right to terminate this Agreement by giving the Corporation written notice of such termination and shall receive a full refund of the Entrance Fee paid less 4 percent thereof as a non-refundable fee. During such sixty (60) day period, the Corporation shall have the right to terminate this Agreement based on the Corporation's determination that the Resident's physical or mental condition or emotional adjustment will not permit adaptation to the living environment at Glenaire. In the event of such termination, the Corporation will refund the full Entrance Fee paid to the Corporation. Any refund due the Resident under this paragraph shall be paid (without interest) within sixty (60) days after Living Accommodation has been vacated.
4. Termination After Trial Period. At any time after the expiration of the first sixty (60) days of residence at Glenaire, the Resident may terminate the Agreement by giving PHI thirty (30) days prior written notice of such termination. In the event of such termination, the Resident may be entitled to receive a partial refund. Any partial refund shall be determined and paid as follows: Resident shall receive a refund in an amount equal to the Entrance Fee paid to PHI less the applicable Amortization percentage set forth in Paragraph 2(a) for the type of Entrance Fee Option selected by Resident thereof for each full calendar month or portion thereof which has elapsed from Resident's Admission Date to the effective date of termination and less four percent (4%) which is the nonrefundable portion of the Entrance Fee. For avoidance of doubt, all Entrance Fee refunds are calculated assuming and based upon full calendar months. Any portion of a calendar month (whether relating to the month of Resident's Admission Date or the month of Resident's termination date of this Agreement) shall be deemed to be full and separate calendar months for purposes of calculating any Entrance Fee refund. Any refund due will be paid at such time that the resident living accommodation has been reserved by a prospective resident and the prospective resident has paid the resident entrance fee.
5. Termination by Corporation. Corporation may terminate this Agreement at any time if there has been a material misrepresentation or omission made by the Resident in the Resident's Application for Admission, Personal Health History or Confidential Financial Statement; if a

material change in the Resident's health takes place before occupancy (Admission Date); if the Resident fails to make payment to Corporation of any fees or charges due Glenaire within sixty (60) days of the date when due; if the Resident does not abide by the rules and regulations adopted by Corporation as determined by Corporation; or Resident breaches any of the terms and conditions of this Agreement. In the event of termination for any of such causes the Resident may be entitled to a partial refund of the Entrance Fee paid by the Resident determined in accordance and paid in the same manner as provided above.

E. Moves

Glenaire has the authority to determine that the Resident should be transferred from the Resident's living accommodation to the Health Center or from one level of care to another level of care within the Health Center. Such determination will be based on the professional opinion of the Medical Director and the Executive Director of Glenaire and will be made only after consultation to the extent practical with the Resident, a representative of the Resident's family or the sponsor of the Resident and the Resident's attending physician.

If it is determined by the Medical Director and the Executive Director that the Resident needs care beyond that which can be provided by the community and personnel of Glenaire, the Resident may be transferred to a hospital, center or institution equipped to give such care, which care will be at the expense of the Resident. Such transfer of the Resident will be made only after consultation to the extent possible with the Resident, a representative of the Resident's family or the sponsor of the Resident and the Resident's attending physician.

If a determination is made by Glenaire that any transfer described above is probably not temporary in nature, the Resident must surrender the living accommodation or the accommodation in the Health Center occupied by the Resident prior to such transfer. If Glenaire subsequently determines upon the opinion of the Medical Director and the Executive Director that the Resident can resume occupancy in accommodations comparable to those occupied by the Resident prior to such transfer, the Resident will have priority to such accommodations as soon as they become available.

F. Marriage/New Second Occupant

If a Resident while occupying a living accommodation marries a person who is also a Resident, the two Residents may occupy the living accommodation of either Resident and shall surrender the living accommodation not to be occupied by them. No refund will be payable with respect to the living accommodation surrendered. Such married Residents will pay the monthly fee for double occupancy associated with the living accommodation occupied by them. In the event that a Resident shall marry a person who is not a Resident of Glenaire, the spouse may become a Resident if such spouse meets all of the then current requirements for admission to Glenaire, enters into a then current version of the Agreement and pays an entrance fee in an amount determined by Glenaire in its discretion but in any event no more than two-thirds of the then current entrance fee associated with the type of living accommodation to be occupied by the Resident and spouse. The Resident and spouse shall pay the monthly fee for double occupancy associated with the living accommodation occupied by them. If the Resident's spouse shall not meet the requirements of Glenaire for admission as a Resident, the Resident may terminate this agreement.

G. Inability to Pay

It is the policy of Glenaire that the Agreement will not be terminated solely because of the Resident's financial inability to continue to pay the monthly fee or other charges payable hereunder by reasons of circumstances beyond the Resident's control, provided, however, this declaration shall not be construed as qualifying the right of Glenaire to terminate the Agreement in accordance with the terms hereof. In the event that a Resident presents the facts which in the opinion of Glenaire justify special financial consideration, careful consideration will be given to subsidizing in whole or in part the monthly fee and other charges payable by the Resident so long as such subsidy can be made without impairing the ability of Glenaire to attain its objectives while operating on a sound financial basis. Any determination by Glenaire with regard to the granting of financial assistance shall be within the sole discretion of Glenaire under a separate agreement. If Glenaire requests, Resident agrees to apply for Medicaid, public assistance or any other reasonably available public benefit program to offset Resident's monthly charge or other charges payable hereunder.

III. SERVICES

A. Standard Services Available

Services provided by Glenaire which are included in the base fee are as follows: living accommodations, utilities for all Residents of apartments, basic furnishing of systems and appliances, two meals (one for those in duplexes), basic housekeeping services, flat laundry, basic maintenance and repairs, grounds keeping, parking, common facilities, transportation, activities, nursing and health care.

B. Services Available at Extra Charge

Residents will be expected to pay for physicians, medical/surgical specialists and practitioners, hospital costs, all drugs and special treatments that cannot be provided by the Health Care community.

Other services available at extra charge include telephone installation charge, the cost of telephone services, extra meals, special medical services and hair salon services. The cost of the two most expensive meals will be included in the monthly charge. If the Resident eats more than two meals on any given day, he/she will be charged for the least expensive of the meals served. An additional charge may be made for transportation for special personal or group trips.

Glenaire operates a clinic which is staffed by a nurse practitioner. All services provided by the clinic are billed to the resident.

C. Health Services Available

A health care center at Glenaire is provided for the benefit of the Residents. Charges for the accommodation of services shall be included in the per diem rate. If the Resident is transferred to nursing, the Resident shall continue to pay the monthly charge equal to the same monthly charge associated with the same type of living accommodation the Resident moved from for the first 14 days. During such 14-day period, the Resident will not be required to pay a per diem charge for occupancy in nursing, but shall pay for additional meals or other services not normally covered by the monthly charge. In addition, after the 14 grace days, the Resident shall thereafter pay 80%

of the amount of the published per diem rate for the nursing accommodation plus charges for the services not included in such per diem rate.

D. Personal Services Available

For purposes of counseling and assistance, Glenaire will provide professional staff in Resident relations, social work and activities. Visits by outside clergy and counselors are facilitated. Recreation, entertainment and wellness activities are extensive and adjusted to meet the needs and interests of the Residents.

IV. FEES

A. Application/Registration Fee

Glenaire has non-refundable administrative fees of \$200 each to process an application and to reserve a priority on the Future Resident Reservation Program waiting list.

Ten percent of the entrance fee is due and payable upon execution of the Agreement. The balance is due and payable 10 days prior to the projected date of occupancy. VI. OTHER MATERIAL INFORMATION

A. Planned Expansion and Renovation

Glenaire, Inc. and The Presbyterian Homes, Inc. plans to expand its Glenaire campus by adding 192 independent living apartments, 38 units of assisted housing (Multi-unit Assisted Housing with Services) and a new Adult Day Care Center for seniors, which is a relocation of our existing center. This expansion would be located across the street at 960 Kildaire Farm Road. Amenities such as resident services, environmental services, dining services, maintenance and marketing along with the spaces for each will be provided at this new site. In addition to the expansion of the campus, Glenaire is planning a renovation to the main community center of its existing buildings, which will include the main dining room, auditorium, administrative offices and main rotunda. At this time in our planning, we estimate the total cost of all these projects to be approximately \$ 190,000,000. The expansion apartments will consist of 28 two-bedroom units, 94 two-bedroom units with den; 50 two bedroom with den deluxe units; 18 three bedroom units; and 2 units with approximately 2,700 square feet. Construction is estimated to begin in January 2020 and take 22 months to complete.

The expansion and renovations that will be financed, are expected to cost \$190,000,000, after a \$8,500,000 projected equity contribution. Project costs are to be financed with a hybrid of publicly offered bonds and a direct bank placement structure. The \$198,500,000 total project costs include design, engineering, marketing, construction and other development costs related to the project.

The Presbyterian Homes has contributed equity to the project through the purchase of an approximate 11-acre tract of land. This equity contribution totals approximately \$8,500,000. It is also assumed that any costs incurred above \$190,000,000 will be in the form of an equity contribution to the project. This equity contribution comes from reserves of the Organization.

Project Costs:

Land	\$ 8,500,000
Construction and Site Work cost related to the project	\$161,000,000
Contingency	\$8,050,000
Architectural & Engineering Expenses	\$6,675,000
Furniture, Fixtures & Equipment	\$11,897,000
Permits, Surveys and Other Expenses	\$2,222,000
Miscellaneous	\$156,000
Total:	\$198,500,000

It is anticipated that a large portion of the new units will be occupied by residents currently on our waitlist of over 550 households. It is anticipated that 145 of the 192 units will be occupied by couples.

Management assumes that the existing residences (IL, AL and SN) would maintain 95% occupancy level and the expansion independent living units would begin fill-up in January 2023 and achieve 95% occupancy in May 2023 and remain at 95% occupancy through the forecast period. The following table summarizes the existing and forecasted residences in independent living (IL).

Years ended September 30	Existing Residences			Expansion Residences			Total IL Occupancy

The assumed turnover of independent living units for Glenaire due to death, withdrawal or transfer to Assisted Living, or Skilled Nursing is projected in the table below. It is expected that the existing unit turnover will average 10% based on history of the community. For the new units it is expected that two units will turn over in 2025 after 95% occupancy of the new units and then increasing one % every year thereafter.

Independent Auditor's Report

To the Board of Directors
The Presbyterian Homes, Inc.
Colfax, North Carolina

We have audited the accompanying combined financial statements of The Presbyterian Homes, Inc. and Its Combined Affiliates (the "Organization"), which comprise the combined statements of financial position as of September 30, 2019 and 2018, and the related combined statements of operations and changes in net assets, expenses by nature and function, and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the combined financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of The Presbyterian Homes, Inc. and Its Combined Affiliates as of September 30, 2019, and 2018, and the changes in their net assets and their cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities and Control

The Presbyterian Homes, Inc. and Glenaire, Inc. (collectively the "Communities") provide housing, health care and other related services to residents. The Presbyterian Homes, Inc. operates as River Landing at Sandy Ridge in Colfax, North Carolina; and as Scotia Village in Laurinburg, North Carolina. Glenaire, Inc. operates in Cary, North Carolina. The Presbyterian Homes Foundation, Inc. (the "Foundation") is a foundation established to raise funds for support and the future needs of the Communities. PHI Management Services LLC was formed to provide management services to continuing care retirement communities which are not affiliated with The Presbyterian Homes, Inc. The Communities, the Foundation and PHI Management Services LLC are collectively referred to as the "Organization".

The Boards of Trustees of Glenaire, Inc. and The Presbyterian Homes Foundation, Inc. are appointed by and serve at the pleasure of the Board of Governors of The Presbyterian Homes, Inc.

A summary of the Organization's significant accounting policies is as follows:

Principles of Combination

The accompanying combined financial statements include the accounts of the above-named entities. All material related-party balances and transactions have been eliminated in the combination.

Cash and Cash Equivalents

For purposes of reporting cash flows, the Organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. The Organization excludes from cash and cash equivalents assets limited as to use.

Assets Limited As To Use

Assets limited as to use include assets held by trustees under an indenture agreement; assets which must be held in perpetuity under endowment agreements; unconditional promises to give restricted for purchase of property and equipment, repayment of debt, or financial assistance; assets held as deposits; and the operating reserve required by state statute.

Investments and Fair Value

Investments in all debt and equity securities with a readily determinable market value are measured at fair value. The fair values of mutual funds and equity securities are determined based on quoted net asset values and share prices, respectively. The fair value of debt securities are based on quoted market prices. Changes in fair value of investments, including both realized and unrealized gains and losses, are included in the accompanying combined statements of operations and changes in net assets. In determining realized gains and losses, the cost of investments is determined using the first-in, first-out method. Donated investments are stated at fair value at the date of the gift. Unrealized gains and losses on investments, except those determined to be other than temporarily impaired, are excluded from excess of revenue over expenses. Any other-than-temporary declines are accounted for as a nonoperating loss, whereby the historical cost of the related investment would be adjusted to the then-current fair market value.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable

The Communities record accounts receivable at the total unpaid balance which approximates estimated fair value. The Communities determine past-due status on individual accounts based on the billing dates. The Communities estimate their allowance for doubtful accounts based on a combination of factors, including the past historical loss experience and any anticipated effects related to current economic conditions, as well as management's knowledge of the current composition of accounts receivable. Accounts receivable that management believes to be ultimately not collectible are written off upon such determination.

Property and Equipment

Property and equipment are stated at cost or at estimated fair value at the date of donation. Depreciation is determined principally by the straight-line method over the estimated useful lives of the assets, ranging from 3 to 40 years. It is the policy of the Communities to review long-lived assets and intangibles for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable.

Paid Annual Leave

After an employee has worked at the Communities for 90 days, they begin to earn paid annual leave ("PAL") time. PAL time may be earned by regular-time employees who work at least 60 hours per pay period. For the first three years of employment, employees may earn up to 23 days of PAL each year, after three years and through five years employees may earn 26 days of PAL each year, and after five years employees may earn 31 days annually. Employees are required to use at least 15 days of PAL each year, with the remaining unused PAL being put into a reserve. Up to 60 days can be accumulated in the reserve. Remaining unused current and reserve PAL is paid to an employee upon proper resignation, retirement or illness. The first 30 days of an employee's PAL reserve can only be used for an extended illness or an employee hardship withdrawal. The second 30 days of an employee's PAL reserve can be used as the employee desires.

At September 30, 2019 and 2018, the total liability for PAL was \$2,095,438 and \$2,021,413, respectively, and is recorded as other accrued expense. Of this amount, \$699,411 and \$673,779 is shown as a current liability as of September 30, 2019 and 2018, respectively. The current amount is the amount of PAL that management estimates will be paid out in the next year.

Deferred Financing Costs

Financing costs relative to the permanent financing of the facilities have been deferred and are being amortized using the effective interest method to bond and note interest and amortization on the combined statements of operations and changes in net assets over the terms of the loans. During 2019 and 2018, amortization expense for deferred financing costs was \$133,316 and \$141,565, respectively.

During 2019 and 2018, the net amortization expense for bond discounts was \$315,079 and \$318,435, respectively.

The following is a schedule by years of the aggregate amortization:

Thereafter	2,119,824
	<u>\$ 3,646,152</u>

Interest Rate Swap Agreement

The Organization uses derivatives to manage risks related to interest rate movements. The Organization's interest rate risk strategy is to pay-fixed and receive-variable interest rate swaps. The combination of these swaps and variable-rate bonds creates synthetic fixed-rate debt. The use of synthetic fixed-rate debt has the ability to lower the Organization's borrowing costs associated with the issuance of traditional fixed-rate bonds. The Organization's interest rate swap agreements have not been designated as hedging transactions and are reported at fair value.

Notes to the Combined Financial Statements

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Classification of Net Assets

The following classification of net assets is presented in the accompanying combined financial statements:

With donor restrictions: All revenues restricted by donors as to either timing or purpose of the related expenditures or required to be maintained in perpetuity as a source of investment income are accounted for in donor restricted net assets. The investment income arising from endowment funds, if any, are accounted for in accordance with donor stipulations. When a donor restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Without donor restrictions: All revenue not restricted by donors, unrestricted contributions designated by the board and donor restricted contributions whose restrictions are met in the same period in which they are received are accounted for in net assets without donor restrictions.

Changes in Assets Without Restrictions

The combined statement of operations and changes in net assets reflect operating income. Changes in net assets without restrictions that are excluded from operating income, consistent with industry practice, include realized gains and losses on investments, changes in unrealized gains and losses on investments, investment income, income from estates, wills, trusts and bequests, and contributions.

Revenue Recognition

The Organization generates revenues, primarily by providing housing, amenities (recreational, dining, etc.) and access to health care services to its residents. The various life care contract streams of revenue are recognized as follows:

Entrance fees: The nonrefundable entrance fees are recognized as deferred revenue upon receipt of the payment under the life care contract and included in liabilities in the balance sheet until the performance obligations are satisfied. These deferred amounts are then amortized on a straight-line basis into revenue on a monthly basis over the life of the resident as the performance obligation is associated with access to future services. The refundable portion of an entrance fee is not considered part of the transaction price and as such is recorded as a liability in the balance sheet.

Health care services: The Organization also provides assisted and nursing care to residents who are covered by government and commercial payers. The Organization is paid fixed rates from government and commercial payers. These fixed rates are billed in arrears monthly when the service is provided. The monthly fees represent the most likely amount to be received from the 3rd party payors.

Monthly service fees: The life care contracts that residents select require an advanced fee and monthly fees based upon the type of space they are applying for. Resident fee revenue for recurring and routine monthly services is generally billed monthly in advance. Payment terms are usually due within 30 days. The services provided encompass social, recreational, dining, along with assisted living and nursing care and these performance obligations are earned each month. Resident fee revenue for non-routine or additional services are billed monthly in arrears and recognized when the service is provided.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Tax Status

The Presbyterian Homes, Inc. and Glenaire, Inc. are nonprofit organizations exempt from income taxes under Internal Revenue Code Section 501(c)(3), and The Presbyterian Homes Foundation, Inc. is an organization exempt from income taxes under Internal Revenue Code Section 501(a). The Organization has determined that it does not have any material unrecognized tax benefits or obligations as of September 30, 2019.

It is the Organization's policy to evaluate all tax positions to identify any that may be considered uncertain. All identified material tax positions are assessed and measured by a more-likely-than-not threshold to determine if the tax position is uncertain and what, if any, the effect of the uncertain tax position may have on the combined financial statements. No material uncertain tax positions were identified for 2019 and 2018.

Resident Fees

Resident fees represent the estimated net realizable amounts from residents, third-party payors, and others for services rendered. Resident fees are recorded as revenue when earned.

Obligation to Provide Future Services

The Communities annually calculate the present value of the net cost of future services and use of facilities to be provided to current residents, and compares that amount with the balance of deferred revenue from entrance fees. If the present value of the net cost of future services and use of facilities exceeds the deferred revenue from entrance fees, a liability is recorded (obligation to provide future services and use of facilities) with the corresponding charge to income. At September 30, 2019 and 2018, deferred revenue from entrance fees exceeded the present value of the net cost of future services and use of facilities, thus no obligation is recorded.

Estimated Third-Party Payor Settlements

The Communities have agreements with third-party payors that provide for payments to the Communities at amounts different from their established rates. Payment arrangements include prospectively determined per diem payments. Revenue under third-party payor agreements is subject to audit and retroactive adjustments. Provisions for estimated third-party payor settlements are provided in the period the related services are rendered. Differences between the estimated amounts accrued and interim and final settlements are reported in operations in the year of settlement.

Entrance Fees

Entrance fees are amortized into revenue on a straight-line basis, based on the actuarially determined remaining life expectancy of the resident. This actuarially determined remaining life expectancy of the resident is adjusted annually. The unamortized portion of the fee is shown on the combined statements of financial position as deferred revenue.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property Tax Exemption

During 2001, the state of North Carolina passed legislation which provided a property tax exemption for continuing care retirement communities (CCRCs) that expend 5% or more of their operating revenues on benevolent assistance and community service or CCRCs that have financed their facilities with tax-exempt bond financing. Partial exemptions are available for CCRCs which provide some benevolent assistance and community service and CCRCs that have facilities which are partially financed with tax-exempt bond financing. The property tax exemption must be requested each year. Based on the combination of the partial exemptions described above, Management believes that it will qualify for a full property tax exemption.

Benevolent Assistance

The Communities have a policy of providing benevolent assistance to residents who are unable to pay. Such residents are identified based on financial information obtained from the resident and subsequent review and analysis. Since the Communities do not expect to collect the normal charges for services provided, estimated charges for benevolent assistance are not included in revenue. Costs associated with services provided were approximately \$2,975,000 and \$3,035,000 for the years ended September 30, 2019 and 2018, respectively.

Social Accountability

The Communities provide building space to several religious and charitable organizations and a pharmacy school rent free, and a reduced rental rate to a childcare center. The dollar amount of space provided based upon local fair market value rental rates is approximately \$634,000 and \$467,000 for the years ended September 30, 2019 and 2018, respectively. The Communities also provide numerous charity benefits which include donated volunteer services in the amounts of approximately \$108,000 and \$132,000 for the years ended September 30, 2019 and 2018, respectively. These contribution amounts are not reflected in the combined statements of operations and changes in net assets.

Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents, receivables and other assets approximate fair value. Investments are reported at fair value as of the date of the combined financial statements. The carrying amount of accounts payable, accrued expenses and other liabilities approximate fair value. The interest rate swap agreement is reported at fair value as of the date of the combined financial statements. Fixed-rate long-term debt is carried at cost net of any unamortized premiums or discounts. The fair value of the fixed-rate long-term debt is approximately \$374,514 more than the carrying value.

Use of Estimates

The preparation of combined financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the combined financial statements, and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B - INVESTMENTS (Continued)

The Organization's investments potentially subject it to concentrations of credit risk. The Organization maintains various types of investments that encompass many different companies with varied industrial and geographical characteristics designed to limit exposure to any one industry, company or geographical location. However, as most of the Organization's investments are traded in public markets, they are subject to general fluctuations in the market's overall performance. The Organization retains investment managers who perform periodic evaluations of the relative credit standing of the companies and financial institutions in which the Organization invests. Management believes they employ an investment strategy which does not subject itself to an abnormal amount of risk compared to general market conditions.

Charitable Remainder Trust

One donor has established a charitable remainder trust naming Presbyterian Home of High Point Foundation, Inc., which is now known as The Presbyterian Homes Foundation, Inc., as the beneficiary of the trust. The trust provides for the payment of distributions to the foundation until the year 2021, at which point the trust will be dissolved and all proceeds become the property of Presbyterian Home of High Point Foundation, Inc. Assets held in the trust are carried at fair market value and totaled \$1,046,258 and \$1,074,388 at September 30, 2019 and 2018, respectively.

On September 29, 2016, The Presbyterian Homes, Inc. entered into a Loan and Security agreement with the NCMCC pursuant to a \$48,690,837 First Mortgage Revenue Refunding Bond, Series 2016B, to refinance part of the Series 2006A existing indebtedness of The Presbyterian Homes, Inc. This is a single bond which was purchased by BB&T Bank. Proceeds from this offering will be used to fund a debt service reserve fund for the bonds and to pay the expenses incurred in connection with the bonds.

On September 29, 2016, The Presbyterian Homes, Inc. entered into a Loan and Security agreement with the NCMCC pursuant to a \$29,220,000 bond offering, Series 2016C, to refinance the remaining Series 2006A and the Series 2006B existing indebtedness of The Presbyterian Homes, Inc. A portion of the proceeds from this offering have been used to pay a portion of the bond maturities due October 1, 2016, and to pay the expenses incurred in connection with the issuance of the bonds.

The loan agreements contain certain required deposits, payments and covenants, which include limitations on liens, incurrence of additional indebtedness, certain long-term debt service coverage ratios, occupancy percentages, property transfer restrictions, limitations on use to finance operating deficits, and various other covenants and restrictions. All such required deposits are shown as assets limited as to use under bond agreement and are pledged on the loans.

Security for the bonds consists of a pledge and assignment to the trustee of all rights, title and interest in and to The Presbyterian Homes, Inc., Glenaire, Inc., and The Presbyterian Homes Foundation Inc.'s ("Obligated Group") promissory notes with the Commission, dated July 15, 2015, April 1, 2016 and September 29, 2016, which evidences the Obligated Group's obligation to repay the NCMCC.

In addition, the Commission assigned to the Trustee its rights as beneficiary under the Obligated Group's pledged assets consisting of gross receipts, accounts, equipment, general intangibles, inventory, documents, instruments and assigns its rights as secured party with respect to its security interest.

The Series 2016 bonds, maturing on or after October 1, 2024, 2025 and 2026, are subject to redemption by the Commission, at the direction of the Obligated Group, at an option of 102%, 101% and 100% of par value, respectively. Additionally, the terms of bonds maturing in 2031 and 2036 are subject to mandatory redemption without premium beginning in 2028 and 2032, respectively.

NOTE D - LONG-TERM DEBT (Continued)

On June 28, 2018, The Presbyterian Homes, Inc. entered into a credit agreement with Branch Banking and Trust Company to finance the expansion and a renovation to the Wellness Center and Healthcare Center at River Landing at Sandy Ridge. The Entrance Fee Project loan, in the amount of \$20,426,000, will be used to finance a portion of the construction of 58 independent living units. The Construction Project Loan, in the amount of \$34,574,000, will be used to finance the costs of various expansion projects including a maintenance/transportation building; a clubhouse with dining facilities, meeting space, and a golf pro-shop; an expansion of the existing wellness space; and renovation of the existing healthcare center to convert the physical layout and spaces to the household model.

NOTE E - REFUNDABLE FEES

The Presbyterian Homes, Inc. offers three alternative entrance fee plans which provide refunds to residents from re-occupancy proceeds. Under the standard entrance fee option, prior to 48 months of occupancy, the resident would receive a refund equal to the entrance fee, less 2% per month of occupancy less a 4% non-refundable fee. The 50% refundable plan offers the resident a refund equal to 50% of the entrance fee after 23 months of occupancy. Prior to 23 months of occupancy, the resident is entitled to a refund of the entrance fee, less 2% per month of occupancy, less a 4% non-refundable fee. The 90% refundable plan offers the resident a refund equal to 90% of the entrance fee after 6 months of occupancy. Prior to 6 months of occupancy, the resident is entitled to a refund of the entrance fee, less 1% per month of occupancy, less a 4% non-refundable fee. The estimated amount of entrance fee that is expected to be refunded to current residents is shown on the combined statements of financial position as refundable fees. This amount is estimated using an average of the last eight years' refunds. The total amount of contractual refund obligations under existing contracts totaled approximately \$31,098,000 and \$32,866,000 at September 30, 2019 and 2018, respectively, and is included in deferred revenue from entrance fees, net of the estimated amount to be refunded to current residents, on the combined statements of financial position.

NOTE G - ENDOWMENTS

The Communities' and Foundation's endowments (the "endowments") consist of approximately nine individual funds established for a variety of purposes. The endowments include both donor-restricted funds and funds designated by the Board of Trustees to function as endowments. As required by U.S. GAAP, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

THE PRESBYTERIAN HOMES, INC. AND ITS COMBINED AFFILIATES
Notes to the Combined Financial Statements

NOTE G - ENDOWMENTS (Continued)

The Board of Trustees has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The portion of the donor-restricted endowment fund that is above the original gift amount is appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

Investment Return Objectives, Risk Parameters and Strategies. The Organization has adopted investment policies, approved by the Board of Trustees, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds, while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return.

Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

Spending Policy. The Organization has developed a spending policy for its endowment funds, which appropriates for distribution 3.0% of its invested funds based on the average market value of the trailing twelve quarters at June 30 each year. The intent of using a 12-quarter average is to minimize the likelihood of the principal of the fund being invaded. Any unspent distributable amounts remaining at the end of the fiscal year, which have not been granted or distributed, will be available for expenditure in the following fiscal year. However, in no year should more than 6% be distributed without Board approval.

Endowment net assets composition by type of fund as of September 30, 2019 are as follows:

	Without Donor Restrictions	With Donor Restrictions	Total Net Endowment Assets
Board-designated endowment funds	\$ 26,154,735	\$ -	\$ 26,154,735

NOTE H - CREDIT RISK

The Organization maintains demand deposits and certificates of deposit with financial institutions and investments in the North Carolina Cash Management Trust. The balances of certain demand deposit accounts at times may exceed the federally insured amount. The Organization has not experienced any loss as a result of these holdings.

In addition to providing services to private pay residents, the Communities also serve residents covered under various third-party payor programs including Medicaid and Medicare programs. As of September 30, 2019 and 2018, approximately 29% and 32%, respectively, of the Communities' unreserved accounts receivable were due from these programs.

NOTE K - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 - *Fair Value Measurement* are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

THE PRESBYTERIAN HOMES, INC. AND ITS COMBINED AFFILIATES
Notes to the Combined Financial Statements

NOTE K - FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets limited as to use measured at fair value. There have been no changes in the methodologies used during the year.

Common stocks, U.S. government securities and international, corporate and municipal bonds: Valued at the closing price reported on the active market on which the individual securities are traded.

Money market funds, mutual funds, and closed end funds: Valued at the net asset value of shares held by the Organization at year end.

Charitable gift annuities: Valued at the net present value of the anticipated residual value of the original charitable gift.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level the fair value hierarchy of the Organization's financial assets and liabilities accounted for at fair value on a recurring basis as of September 30, 2019 and 2018.

NOTE L - ASSETS LIQUIDITY (Continued)

The Organization's investments potentially subject it to concentrations of credit risk. The Organization maintains various types of investments that encompass many different companies with varied industrial and geographical characteristics designed to limit exposure to any one industry, company or geographical location. However, as most of the Organization's investments are traded in public markets, they are subject to general fluctuations in the market's overall performance. The Organization retains investment managers who perform periodic evaluations of the relative credit standing of the companies and financial institutions in which the Organization invests.

NOTE M - RETIREMENT PLAN

The Organization offers a 401(k) plan to their employees to promote tax-deferred savings. The plan covers substantially all employees who are age 21 or older. The Organization contributes 100 percent of the first 3 percent, plus 50 percent of the next 2 percent of the participant's contribution to the plan. The Organization's contributions relating to the plan were approximately \$599,000 and \$559,000 in 2019 and 2018, respectively.

The assumptions disclosed herein are those which Management believes are significant to the combined forecast. Management recognizes there will usually be differences between the forecasted and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Management's purpose in releasing this combined financial forecast is for inclusion in the Communities' disclosure statement in accordance with Chapter 58, Article 64, of the North Carolina General Statutes. Accordingly, this report should not be used for any other purpose.

NOTE 2 - BACKGROUND OF THE ORGANIZATION

The Communities provide housing, health care and other related services to residents. The Presbyterian Homes, Inc. operates as River Landing at Sandy Ridge in Colfax, North Carolina and as Scotia Village in Laurinburg, North Carolina. Glenaire, Inc. operates in Cary, North Carolina. The Presbyterian Homes Foundation, Inc. is a foundation established to raise funds for support and the future needs of the Communities. The Communities and the Foundation are collectively referred to as the "Organization".

The Boards of Trustees of Glenaire, Inc. and The Presbyterian Homes Foundation, Inc. are appointed by and serve at the pleasure of the Board of Governors of The Presbyterian Homes, Inc.

Principles of Combination

The accompanying forecasted combined financial statements include the accounts of the above-named entities. All material related-party balances and transactions have been eliminated in combination.

A summary of the Organization's significant accounting policies is as follow:

NOTE 3 - SIGNIFICANT ACCOUNTING POLICIES AND ASSUMPTIONS

Classification of Net Assets

The following classification of net assets is presented in the accompanying forecasted combined financial statements:

Without donor restrictions: All revenue not restricted by donors, unrestricted contributions designated by the board and donor restricted contributions whose restrictions are met in the same period in which they are received are accounted for in net assets without donor restrictions.

THE PRESBYTERIAN HOMES, INC. AND ITS COMBINED AFFILIATES
Summary of Significant Accounting Policies and Assumptions

NOTE 3 - SIGNIFICANT ACCOUNTING POLICIES AND ASSUMPTIONS (Continued)

Classification of Net Assets (Continued)

With donor restrictions: All revenues restricted by donors as to either timing or purpose of the related expenditures or required to be maintained in perpetuity as a source of investment income are accounted for in donor restricted net assets. The investment income arising from endowment funds, if any, are accounted for in accordance with donor stipulations. When a donor restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Changes in Assets Without Restrictions

The forecasted combined statement of operations and changes in net assets reflect operating income. Changes in net assets without restrictions that are excluded from operating income, consistent with industry practice, include realized gains and losses on investments, changes in unrealized gains and losses on investments, investment income, income from estates, wills, trusts and bequests, and contributions.

Cash and Cash Equivalents

For purposes of reporting cash flows, the Organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. The Organization excludes from cash and cash equivalents assets limited as to use.

Accounts Receivable

The Communities record accounts receivable at the total unpaid balance which approximates estimated fair value. The Communities determine past-due status on individual accounts based on the billing dates. The Communities estimate their allowance for doubtful accounts based on a combination of factors, including the past historical loss experience and any anticipated effects related to current economic conditions, as well as Management's knowledge of the current composition of accounts receivable. Accounts receivable that Management believes to be ultimately not collectible are written off upon such determination.

Assets Limited As To Use

Assets limited as to use include assets held by trustees under an indenture agreement, assets which must be held in perpetuity under endowment agreements, unconditional promises to give restricted for purchase of property and equipment, repayment of debt, or financial assistance, assets held as deposits, and the operating reserve required by State statute.

Resident Fees

Resident fees represent the estimated net realizable amounts from patients, third-party payors, and others for services rendered. Resident fees are recorded as revenue when earned.

THE PRESBYTERIAN HOMES, INC. AND ITS COMBINED AFFILIATES
Summary of Significant Accounting Policies and Assumptions

NOTE 3 - SIGNIFICANT ACCOUNTING POLICIES AND ASSUMPTIONS (Continued)

Estimated Third-Party Payor Settlements

The Communities have agreements with third-party payors that provide for payments to the Communities at amounts different from their established rates. Payment arrangements include prospectively determined per diem payments. Revenue under third-party payor agreements is subject to audit and retroactive adjustment. Provisions for estimated third-party payor settlements are provided in the period the related services are rendered. Differences between the estimated amounts accrued and interim and final settlements are reported in operations in the year of settlement.

Investments

Investments in all debt and equity securities with a readily determinable market value are measured at fair value. The fair values of mutual funds and equity securities are determined based on quoted net asset values and share prices, respectively. The fair value of debt securities are based on quoted market prices. Changes in fair value of investments, including both realized and unrealized gains and losses, are included in the accompanying forecasted combined statements of operations and changes in net assets. In determining realized gains and losses, the cost of investments is determined using the first-in, first-out method. Donated investments are stated at fair value at the date of the gift. Unrealized gains and losses on investments, except those determined to be other than temporarily impaired, are excluded from excess of revenue over expenses. Any other than temporary declines are accounted for as a nonoperating loss, whereby the historical cost of the related investment would be adjusted to the then-current fair market value.

Property and Equipment

Property and equipment are stated at cost or at estimated fair value at the date of donation. Depreciation is determined principally by the straight-line method over the estimated useful lives of the assets, ranging from 3 to 40 years. It is the policy of the Communities to review long-lived assets and intangibles for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable.

Deferred Financing Costs

Financing costs relative to the permanent financing of the facilities have been deferred and are being amortized, using the effective interest method, over the terms of the related financing and are netted against the related outstanding debt associated with the financing cost.

Income Tax Status

The Communities are not-for-profit organizations exempt from federal and state income taxes under Internal Revenue Code Section 501(c)(3) and the Foundation is an organization exempt from income taxes under the Internal Revenue Code Section 501(a).

It is the Organization's policy to evaluate all tax positions to identify any that may be considered uncertain. All identified material tax positions are assessed and measured by a more-likely-than-not threshold to determine if the tax position is uncertain and what, if any, the effect of the uncertain tax position may have on the forecasted combined financial statements. No material uncertain tax positions are expected during the forecast period. Any changes in the amount of a tax position will be recognized in the period the change occurs.

NOTE 3 - SIGNIFICANT ACCOUNTING POLICIES AND ASSUMPTIONS (Continued)

Revenue Recognition

The Organization generates revenues, primarily by providing housing, amenities (recreational, dining, etc.) and access to health care services to its residents. The various life care contract streams of revenue are recognized as follows:

Entrance fees: The nonrefundable entrance fees are recognized as deferred revenue upon receipt of the payment under the life care contract and included in liabilities in the balance sheet until the performance obligations are satisfied. These deferred amounts are then amortized on a straight-line basis into revenue on a monthly basis over the life of the resident as the performance obligation is associated with access to future services. The refundable portion of an entrance fee is not considered part of the transaction price and as such is recorded as a liability in the balance sheet.

Health care services: The Organization also provides assisted and nursing care to residents who are covered by government and commercial payers. The Organization is paid fixed rates from government and commercial payers. These fixed rates are billed in arrears monthly when the service is provided. The monthly fees represent the most likely amount to be received from the 3rd party payors.

Monthly service fees: The life care contracts that residents select require an advanced fee and monthly fees based upon the type of space they are applying for. Resident fee revenue for recurring and routine monthly services is generally billed monthly in advance. Payment terms are usually due within 30 days. The services provided encompass social, recreational, dining, along with assisted living and nursing care and these performance obligations are earned each month. Resident fee revenue for non-routine or additional services are billed monthly in arrears and recognized when the service is provided.

Entrance Fees

Entrance fees are amortized into revenue on a straight-line basis, based on the actuarially determined remaining life expectancy of the resident. This actuarially determined remaining life expectancy of the resident is adjusted annually. The unamortized portion of the fee is shown on the forecasted combined statements of financial position as deferred revenue.

Refundable Fees

The Organization offers three alternative entrance fee plans which provide refunds to residents from re-occupancy proceeds. Under the standard entrance fee option, prior to 48 months of occupancy, the resident would receive a refund equal to the entrance fee, less 2% per month of occupancy less a 4% non-refundable fee. The 50% refundable plan offers the resident a refund equal to 50% of the entrance fee after 23 months of occupancy. Prior to 23 months of occupancy, the resident is entitled to a refund of the entrance fee, less 2% per month of occupancy less a 4% non-refundable fee. The 90% refundable plan offers the resident a refund equal to 90% of the entrance fee after 6 months of occupancy. Prior to 6 months of occupancy, the resident is entitled to a refund of the entrance fee, less 1% per month of occupancy less a 4% non-refundable fee. The estimated amount of entrance fees that are expected to be refunded to current residents is shown on the forecasted combined statements of financial position as Estimated Refundable Entrance Fees. This amount is estimated using an average of the last five years' refunds. The total amount of contractual refund obligations under existing contracts is included in deferred revenue from entrance fees - refundable and refundable entrance fees on the forecasted combined statements of financial position.

THE PRESBYTERIAN HOMES, INC. AND ITS COMBINED AFFILIATES
Summary of Significant Accounting Policies and Assumptions

NOTE 3 - SIGNIFICANT ACCOUNTING POLICIES AND ASSUMPTIONS (Continued)

Obligation to Provide Future Services

The Communities annually calculate the present value of the net cost of future services and use of facilities to be provided to current residents, and compares that amount with the balance of deferred revenue from entrance fees. If the present value of the net cost of future services and use of facilities exceeds the deferred revenue from entrance fees, a liability is recorded (obligation to provide future services and use of facilities) with the corresponding charge to income.

Paid Annual Leave

After an employee has worked at the Communities for 90 days, they begin to earn paid annual leave ("PAL") time. PAL time may be earned by regular-time employees who work at least 60 hours per pay period. For the first three years of employment, employees may earn up to 23 days of PAL each year, after three years and through five years employees may earn 26 days of PAL each year, and after five years employees may earn 31 days annually. Employees are required to use at least 15 days of PAL each year, with the remaining unused PAL being put into a reserve. Up to 60 days can be accumulated in the reserve. Remaining unused current and reserved PAL is paid to an employee upon proper resignation, retirement or illness. The first 30 days of an employee's PAL reserve can only be used for an extended illness. The second 30 days of an employee's PAL reserve can be used as the employee desires.

Property Tax Exemption

During 2001, the state of North Carolina passed legislation which provided a property tax exemption for continuing care retirement communities (CCRCs) that expend 5% or more of their operating revenues on charity care and community service or CCRCs that have financed their facilities with tax exempt bond financing. Partial exemptions are available for CCRCs which provide some charity care and community service and CCRCs that have facilities which are partially financed with tax-exempt bond financing. The property tax exemption must be requested each year. Based on the combination of the partial exemptions described above, Management believes that it will qualify for a full property tax exemption for the foreseeable future.

Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents, receivables and other assets approximate fair value. Investments are reported at fair value as of the date of the forecasted combined financial statements. The carrying amount of accounts payable, accrued expenses and other liabilities approximate fair value. Fixed-rate long-term debt is carried at cost net of any unamortized premiums or discounts.

Benevolent Assistance

The Communities have a policy of providing benevolent assistance to residents who are unable to pay. Such residents are identified based on financial information obtained from the resident and subsequent review and analysis. Since the Communities do not expect to collect the normal charges for services provided, estimated charges for benevolent assistance are not included in revenue.

Social Accountability

The Communities provide building space to several religious organizations and pharmacy school rent free and to a childcare center at a reduced rate.

Expenses

Operating expenses are projected to increase approximately 2% to 3.5% annually.

The provision for depreciation is based on the current depreciation schedule and projected property and equipment additions. The provision is computed on the straight-line method using a 40-year life on buildings, 30-year life on building improvements, 10-year life on furniture and equipment, and 3 years on other equipment.

Financing expenses of \$131,250, \$170,944 and \$751,205 incurred in conjunction with issuance of the 2015 bank-qualified debt, the 2016B bonds, and the 2016C bonds, respectively, have been deferred and are assumed to be amortized over the respective lives of the issues.

Nonoperating Gains

Forecasted amounts from contributions represent estimates of support from the Foundations and other fund-raising efforts.

Funds Held by Trustee

A summary of assets (in thousands of dollars) held by the trustee at the end of each year as required by the Loan and Security Agreement is as follows:

Proceeds from this offering have been used to pay the expenses incurred in connection with the issuance of the bonds.

NOTE 4 - LONG-TERM DEBT (Continued)

On September 29, 2016, The Presbyterian Homes, Inc. entered into a Loan and Security Agreement with the North Carolina Medical Care Commission pursuant to a \$48,690,837 First Mortgage Revenue Refunding Bond, Series 2016B, to refinance part of the Series 2006A existing indebtedness of The Presbyterian Homes, Inc. A portion of the proceeds from this offering have been used to pay a portion of the bond maturities due October 1, 2016, to fund a debt service reserve fund for the bonds and to pay the expenses incurred in connection with the issuance of the bonds.

The loan agreements contain certain required deposits, payments and covenants, which include limitations on liens, incurrence of additional indebtedness, certain long-term debt service coverage ratios, occupancy percentage, property transfer restrictions, limitations on use to finance operating deficits, and various other covenants and restrictions. All such required deposits are shown as assets limited as to use under bond agreement and are pledged on the loans.

Security for the bonds consists of a pledge and assignment to the trustee of all rights, title and interest in and to The Presbyterian Homes, Inc., Glenaire, Inc. and The Presbyterian Homes Foundation, Inc.'s ("Obligated Group") promissory notes, which evidences the Obligated Group's obligation to repay the North Carolina Medical Care Commission ("Commission") dated July 15, 2015, April 1, 2016 and September 29, 2016. In addition, the Commission assigned to the Trustee its rights as beneficiary under the Obligated Group's deed of trust, which grants the trustee first priority deed of trust on the site and any buildings or improvements, and assigns its rights as a secured party with respect to its security interest.

The Series 2016 bonds maturing on or after October 1, 2024, 2025 and 2026, are subject to redemption by the Commission, at the direction of the Obligated Group, at an option of 102, 101 and 100% of par value, respectively. The expansion and renovations that was financed, was \$55,000,000, after a \$4,500,000 projected equity contribution. Project costs were financed with taxable bank debt financed over a 30-year period with a 2-year construction period of interest only, followed by a 10-year term. The projected interest rate is 5%. The \$59,500,000 total project costs include design, engineering, marketing, construction and other development costs related to the project.

3. 90% Refundable	\$ _____	1% per month for 6 months less a 4% non-refundable fee. Refund never less than 90%

Resident agrees to pay Corporation an Entrance Fee deposit of \$ _____ which shall be ten percent (10%) of the required Entrance Fee as designated above. The Entrance Fee deposit will be due and payable upon signing of this Agreement. The balance of the Entrance Fee will be due and payable no later than ten (10) days prior to Residents projected Admission Date. Residents projected Admission Date is _____, 20____. Resident must take occupancy of the Living Accommodation no later than **thirty (30)** days after the projected Admission Date.

- (b) **Monthly Charge**. In addition to the Entrance Fee and any other charges provided for under this Agreement, Resident agrees to pay a monthly charge during the term of this Agreement which shall be payable in advance by the 15th day of each month ("Monthly Charge"). As of the date of this Agreement, Corporation projects that the Monthly Charge associated with the Living Accommodation will be approximately \$ _____ per month, and an additional \$ _____ per month if a second Resident occupies the Living Accommodation. The Monthly Charge may be adjusted by Corporation prior to occupancy of the Living Accommodation by the Resident if changes in the projected costs of providing the services at Glenaire so require. The Monthly Charge is also subject to change during the term of this Agreement as described in Paragraph 2(c) below.
- (c) **Adjustments in the Monthly Charge**. The Monthly Charge is assessed to provide the Living Accommodations, facilities, meals, programs and services described in this Agreement and is intended to meet the cost of insurance, maintenance, administration, staffing, and other expenses including debt service associated with the operation and management of Corporation and Glenaire. Corporation shall have the authority to adjust the Monthly Charge from time to time during the term of this Agreement as Corporation in its discretion deems necessary in order to reflect changes in the costs of providing the facilities, programs and services described herein consistent with operating on a sound financial basis and maintaining the quality of services called for herein. Corporation shall have the right to adjust the

Monthly Charge pursuant to this Agreement notwithstanding Resident's voluntary or involuntary absence from the facility. In the event that it should be determined that Corporation is required to pay ad valorem taxes upon its property, the Monthly Charge may be adjusted to reflect the amount of such taxes. Any increase in the Monthly Charge may be made by Corporation upon thirty (30) days written notice to the Resident. In the event Resident resides outside of Corporation's facilities for a period of fourteen (14) or more consecutive days, Corporation shall provide credit for meals. The amount of credit shall be determined by Corporation in its sole discretion.

(d) **Monthly Statement.** Corporation will furnish the Resident with a monthly statement on or about the tenth of the month showing the total amount of fees and other charges owed by the Resident, which shall be payable by the 15th day of the month. Corporation may charge interest at the rate of 1½% per month (18% APR) or the maximum annual rate as allowed by law on any unpaid balance owed by the Resident thirty (30) days after the monthly statement is furnished.

(e) **Health Center Fees and Charges**

(i) Corporation shall establish and publish per diem rates for accommodations and services in the Health Center, such rates will take into account rates being charged in other comparable nursing centers and the costs of operation of Glenaire.

(ii) If a Resident is transferred to the Health Center for nursing care, Resident shall continue to pay the Monthly Charge associated with the type of Living Accommodation described in Paragraph 1(a) of this Agreement for the first 14 days (whether or not consecutive) of occupancy (to be known as "grace days") in the Health Center each year (the term "year" as used herein means each applicable calendar year during the continuance of this Agreement). During such 14-day period ("grace days"), the Resident will not be required to pay a per diem charge for occupancy in the Health Center but shall pay for other services not normally covered by the Monthly Charge or by the per diem charge for Residents. Credit for any unused portion of the 14 "grace days" per year may not be carried forward to successive years. However, in those circumstances where Resident has insurance (including but not limited to Medicare) that will pay the per diem charge for occupancy in the Health Center, Resident shall first be required to use all applicable insurance benefits to satisfy the customary per diem charge for occupancy prior to the application of any grace days in any given year.

(iii) In the event that a Resident shall occupy an accommodation for nursing care within the Health Center for more than 14 "grace days" in any year, then upon the expiration of such 14 "grace days", Resident shall thereafter pay 80 percent of the amount of the published per diem rate for nursing care accommodation

occupied by the Resident, plus charges for other services not included in such per diem rate. Following the 14 “grace days”, the Resident shall have the option of surrendering the Living Accommodation, at which time the Monthly Charge shall be terminated. If the Living Accommodation is not surrendered, the Resident shall be responsible for both the Living Accommodation Monthly Charge and the applicable per diem rate for the nursing care accommodations. The Resident shall have no right to occupy the Living Accommodation more than ninety (90) days after the expiration of the 14 “grace days” without the approval of Corporation and Resident agrees to surrender the Living Accommodation to Corporation upon request on or after such ninety (90) day period unless otherwise approved by Corporation. If required to vacate the Living Accommodation, as determined in the sole discretion of Corporation, Resident agrees to fully cooperate in relocating his/her personal property and effects from such residence. Should Corporation subsequently determine upon the opinion of the Medical Director and the Executive Director of Glenaire that Resident can resume occupancy in a residential living accommodation, the Resident will have priority to a comparable accommodation, as determined by Corporation, as soon as it becomes available. When one of two Residents occupying the same Living Accommodation is transferred to the Health Center, the Resident remaining in the Living Accommodation shall continue to pay the Monthly Charge in effect associated with such Living Accommodation based on single occupancy.

- (f) **Non-Refundable Pet Fee**. Resident agrees to abide by Glenaire’s rules and regulations concerning pets as amended or adopted from time to time. Resident agrees that if Resident is entitled to have a pet in their Living Accommodation and elects to do so, Resident agrees to pay Corporation a \$500.00 non-refundable pet fee (“Pet Fee”) for purposes of refurbishing the Living Accommodation after termination of this Agreement. The Pet Fee shall be due and payable at the time Resident is required to pay the balance of their Entrance Fee.

Resident acknowledges that he/she has received, prior to execution of this Agreement, a copy of Glenaire's current Disclosure Statement that meets the requirements of Section 58-64-20, et seq. of the North Carolina General Statutes. Resident is not required to move into the Living Accommodation before the expiration of the Rescission Period. If Resident moves into the Living Accommodation during the Rescission Period and rescinds this Agreement during such thirty (30) day period, Resident will receive a refund of any money paid to Corporation less a service charge as follows:

- (i) **Entrance Fee.** Resident shall receive a refund of the Entrance Fee paid to Corporation less a service charge as determined by Corporation not to exceed the greater of one thousand dollars (\$1,000) or two percent (2%) of the Entrance Fee.
- (ii) **Monthly Charge.** Resident's refund shall be further reduced by the prorated Monthly Charge applicable for the period Resident occupied his/her Living Accommodation.
- (iii) **Nonstandard Costs.** Resident's refund shall be further reduced by any nonstandard costs, if any, specifically incurred by Corporation at the request of Resident consistent with terms and conditions of this Agreement.

Any refund due under this paragraph 6(a), shall be paid within sixty (60) days of termination of this Agreement.

7. **TERMINATION AND REFUND PROVISIONS**

- (a) **Termination After Rescission Period, Prior to Occupancy.** This Agreement may be terminated by Resident at any time for any reason prior to Resident taking occupancy at Glenaire and after the Rescission Period as set forth in Paragraph 6 by Resident giving written notice to Corporation. This Agreement may be terminated by Corporation at any time prior to the date that the Resident takes occupancy if Corporation determines that the Resident does not meet the physical, mental, or financial requirements for admission. In the event of such termination, Resident shall receive a refund of the Entrance Fee paid by the Resident, less five percent (5%) of the total Entrance Fee as described in Paragraph 2(a) which is the nonrefundable portion of the Entrance Fee. However, if the Resident or the Resident's spouse or roommate dies prior to occupancy, or if on account of illness, injury, incapacity, or financial reversal is precluded from occupying the living accommodation, the contract is automatically terminated. In the event of such termination the full amount of the Entrance Fee paid will be refunded. Any refund due under this paragraph 7(a), shall be paid within sixty (60) days of termination of this Agreement.
- (b) **Termination During Residency Trial Period.** The first sixty (60) days of residency at Glenaire will be considered to be on a trial basis. During such sixty (60) day period, the Resident will have the right to terminate this Agreement by giving Corporation written notice of such termination and Resident shall receive a refund of the Entrance Fee paid less 4% thereof as a non-refundable fee. During such sixty (60) day period, Corporation shall have the right to terminate this Agreement based on Corporation's determination that Resident's physical or mental condition or emotional adjustment will not permit adaptation to the living environment at Glenaire. In the event of such termination by Corporation as previously described,

Corporation will refund the full Entrance Fee Corporation paid to Corporation within sixty (60) days after the Living Accommodation has been vacated.

- (c) **Termination After Trial Period.** At any time after the expiration of the first sixty (60) days of residence at Glenaire, the Resident may terminate the Agreement by giving PHI thirty (30) days prior written notice of such termination. In the event of such termination, the Resident may be entitled to receive a partial refund. Any partial refund shall be determined and paid as follows: Resident shall receive a refund in an amount equal to the Entrance Fee paid to PHI less the applicable Amortization percentage set forth in Paragraph 2(a) for the type of Entrance Fee Option selected by Resident thereof for each full calendar month or portion thereof which has elapsed from Resident's Admission Date to the effective date of termination and less four percent (4%) which is the nonrefundable portion of the Entrance Fee. For avoidance of doubt, all Entrance Fee refunds are calculated assuming and based upon full calendar months. Any portion of a calendar month (whether relating to the month of Resident's Admission Date or the month of Resident's termination date of this Agreement) shall be deemed to be full and separate calendar months for purposes of calculating any Entrance Fee refund. The refund shall be made in accordance with the terms set forth in Paragraph 7(f) below. Subject to Paragraph 7(g), Residents who selected the 50% or 90% Refund Option shall receive a refund of no less than 50% or 90%, as applicable, of the Entrance Fee paid to PHI.
- (d) **Termination Upon Death.** This Agreement shall automatically terminate upon the death of the Resident, provided, however, in the event that two Residents occupy a Living Accommodation under the terms of this Agreement, the Agreement shall continue in effect as to the remaining or surviving Resident. A refund, if applicable, shall be determined in accordance with Paragraph 7(c) above and shall be paid to the Estate of the Resident in accordance with Paragraph 7(f) below.
- (e) **Termination By Corporation.** Corporation may terminate this Agreement at any time if there has been a material misrepresentation or omission made by the Resident in the Resident's Application for Admission, Personal Health History or Confidential Financial Statement; if a material change in the Resident's health takes place before occupancy (Admission Date); if the Resident fails to make payment to Corporation of any fees or charges due Glenaire within sixty (60) days of the date when due; if the Resident does not abide by the rules and regulations adopted by Corporation as determined by Corporation; or Resident breaches any of the terms and conditions of this Agreement. In the event of termination for any of such causes the Resident may be entitled to a partial refund of the Entrance Fee paid by the Resident determined in accordance and paid in the same manner as provided in Paragraph 7(c) above.
- (f) **Refund After Living Accommodation Reserved.** Any refund due the Resident under Paragraphs 7(c), 7(d), or 7(e) above will be made at such time as such Resident's Living Accommodation shall have been reserved by a prospective

Resident and such prospective Resident shall have paid to Corporation such prospective Resident's Entrance Fee. No interest shall be due or payable on any amount refunded pursuant to this Paragraph 7.

- (g) **Monthly Charge & Nonstandard Costs.** Resident's refund under Paragraphs 7(a) through 7(e) shall be reduced and offset by the amount of all unpaid Monthly Charges and other amounts due and owing Corporation applicable for the period Resident occupied his/her Living Accommodation. Resident's refund shall also be reduced by any nonstandard costs, if any, specifically incurred by Corporation at the request of Resident consistent with terms and conditions of this Agreement. Notwithstanding the termination of this Agreement, Resident (including a deceased Resident) shall be deemed to occupy their Living Accommodation so long as Resident's possessions remain in their Living Accommodation and Resident's Monthly Charge shall continue to accrue as normal. In the event of the death of a Resident, Resident's family or sponsor shall have no more than sixty (60) days to remove Resident's possessions from the Living Accommodation.
- (h) **Condition of Accommodation.** At the effective date of termination of this Agreement, the Resident shall vacate the Living Accommodation and shall leave it in good condition except for normal wear and tear. The Resident shall be liable to Corporation for any cost incurred in restoring the Living Accommodation to good condition, except for normal wear and tear, and such cost may at the election of Corporation be offset against any refund due, if any.
- (i) **Additions and/or Renovations to Facility; Facility Closing.** From time to time, Corporation may require additions and/or renovations to the Glenaire facility. Corporation will use reasonable efforts to minimize the disturbance to its residents, provided however, Resident agrees to cooperate with Corporation in such efforts and if necessary relocate to substantially comparable living accommodations under the terms and conditions of this Agreement. In addition, if it shall become necessary to close or otherwise cease ordinary operations at the Glenaire facility, as determined in the sole discretion of Corporation's management, Resident agrees to allow Corporation to relocate Resident to substantially comparable facilities managed by Corporation within the same general locality and Resident agrees that this Agreement shall remain in full force and effect with respect to such continuing care retirement facility. Resident agrees that any transfer of residency under this paragraph 7(i) shall not cause a termination of this Agreement nor entitle Resident to a full or partial refund of their Entrance Fee.

8. FINANCIAL ASSISTANCE

- (a) **Policy.** Corporation declares that it is the policy of Corporation that this Agreement will not be terminated solely because of the Resident's financial inability to continue to pay the Monthly Charge or other charges payable hereunder by reasons of

circumstances beyond the Resident's control, provided, however, this declaration shall not be construed as qualifying the right of Corporation to terminate this Agreement in accordance with the terms hereof. In the event that a Resident presents facts which in the sole opinion of Corporation justify special financial consideration, Corporation will give careful consideration to subsidizing in whole or in part the Monthly Charge and other charges payable by the Resident hereunder so long as such subsidy can be made without impairing the ability of Corporation to attain its objectives while operating on a sound financial basis. Any determination by Corporation with regard to the granting of financial assistance shall be within the sole discretion of Corporation as set forth under a separate written agreement between Corporation and the Resident regarding such financial assistance. If Corporation requests, Resident agrees to apply for Medicaid, public assistance, or any other reasonably available public benefit program to offset Resident's Monthly Charge or other charges payable hereunder.

- (b) **Endowment**. Corporation has an endowment fund, the income of which will be used to assist Residents who would otherwise not be able to live at Glenaire because of financial considerations. The income from such fund may be used for the purposes of providing financial assistance in accordance with the provision of this section.
