(c) (ii) Escrow of Entrance Deposit. Prior to occupancy, all Entrance Deposits paid by a resident to Windsor Run will be placed in an escrow account with a bank or other escrow agent. Funds held in escrow are the property of prospective residents until released to Windsor Run. Any interest earned on funds in the escrow account will be for the benefit of Windsor Run. On the date that the resident either occupies the unit or the unit is available

for immediate occupancy by the resident, the escrow agent may release the Entrance Deposit for that unit from the escrow account to Windsor Run.

Prior to occupancy, deposits in escrow will be returned by the escrow agent to the prospective resident in the following circumstances: (i) within 30 days of the written request of the prospective resident; (ii) if the prospective resident dies before occupying a unit; (iii) if the prospective resident is determined to be ineligible for entrance into the Community or due to the prospective resident's illness, injury, or incapacity that would preclude the applicant from occupying a living unit as well as upon death; or (iv) upon rescission of the Residence and Care Agreement pursuant to the terms of the Residence and Care Agreement. If the resident rescinds the Residence and Care Agreement within the 30 day period, Windsor Run will refund 100% of the Entrance Deposit to the resident. If the resident or Windsor Run terminate the Residence and Care Agreement after the 30 day rescission period and prior to occupancy, the Entrance Deposit is still refundable per the terms of the Care Agreement.

As new buildings are developed, the Escrow Agent will release 25% of escrow monies to Windsor Run when 50% of independent living units in a building are presold, permanent financing is secured, and entrance deposits plus proceeds of financing equals 90% or more of the costs to construct and equip the facility and provide cash flow funds equal 90% or more of funds needed to fund start-up losses and assure full performance of obligations. The remaining seventy-five (75%) percent of funds can be released to Windsor Run when 75% of independent living units are presold, construction is complete and units available for occupancy.

When deposits are released to Windsor Run after occupancy and the expiration of the right of rescission, residents who sign the 90% Refund Residence & Care Agreement will receive the 90% Refund Amount as described below in Section C.2.c (iv). Residents who sign the Fully Declining Refund Residence & Care Agreement may receive a declining refund as described below in Section C.2.c (v)

(c) (iii) Changes to Entrance Deposit. The Entrance Deposit paid by a resident will normally not increase or decrease during residency unless the resident moves to a living unit with a higher Entrance Deposit than the unit previously occupied by the resident. If the resident requests a permanent transfer from one Living Unit to another Living Unit with a higher Entrance Deposit and Windsor Run approves the transfer, the resident will pay an additional deposit for the new Living Unit. The amount of the additional deposit will vary, depending on market conditions for the resident's current Living Unit and for the desired new Living Unit at the time of the transfer. Windsor Run will advise the resident of the additional deposit prior to the transfer and the resident may then decide whether or not to proceed with the transfer. For residents with a 90% refund Care Agreement, ten percent

(10%) of the additional deposit paid will be added to the Community Fee (see Residence and Care Agreement) and will be non-refundable. For residents with the Fully Declining Refund Care Agreement, the new deposit will be presumed to have been paid on the original occupancy date for that resident and subject to the same amortizing schedule. Residents are normally not entitled to a refund or decrease of the Entrance Deposit due to any temporary or permanent transfer, for whatever reason, during the Term of this Agreement. However, Windsor Run may make a partial refund of the Entrance Deposit, minus the Community Fee, in the following circumstances: 1) the Resident transfers to a smaller Independent Living Unit than the Independent Living Unit currently occupied; and 2) the Entrance Deposit for the smaller Independent Living Unit is currently lower than the Entrance Deposit paid for the original Independent Living Unit. In these specific circumstances, Windsor Run may elect to refund the difference between the current Entrance Deposit for the new Independent Living Unit and the original Entrance Deposit paid but minus the Community Fee. See Section D.1 below for discussion of any additional deposit in the event that a resident marries after coming to the Community.

(c) (iv) Refund of Entrance Deposit – 90% Refund Care Agreement. The following sections describe how the Entrance Deposit is refunded after occupancy and the expiration of the right of rescission:

- If the Resident terminates the Residence and Care Agreement during lifetime after the Occupancy Date and the expiration of the right of rescission (See Section D.3.(a) below), Windsor Run will pay the 90% Refund Amount within sixty (60) days of the date that the Resident becomes eligible for refund from the Refund Account as described in this sub-section C.2.(c) (iv) below. The refund is paid to the duly designated beneficiaries named in the Resident's refund form or, if there is no refund form, then to the resident.
- If the Resident dies after the Occupancy Date and the expiration of the right of rescission (See Section D.3.(a) below), Windsor Run will pay the 90% Refund Amount within sixty (60) days of the date that the Resident becomes eligible for refund from the Refund Account (see below). Windsor Run will pay the 90% Refund Amount to the duly designated beneficiaries named in a refund form or, if there is no refund form, then to the Resident's estate. If one joint resident dies, there will be no refund of any portion of the 90% refund amount; instead, so long as a surviving resident continues to reside at the community, the Entrance Deposit (minus the Community Fee) shall be deemed to have been paid entirely on behalf of the surviving resident to be used for the survivor's care if necessary, and the 90% Refund Amount will eventually be paid to the survivor, to the beneficiaries named in the survivor's refund form, or to the survivor's estate.

- If Windsor Run terminates the agreement for good cause (see Section D.3.(c), then Windsor Run shall pay the 90% Refund Amount within sixty (60) days of the date that the Resident becomes eligible for refund from the Refund Account as described in the section immediately below. Windsor Run will pay the 90% Refund Amount to the duly designated beneficiaries named in the refund form or, if there is no refund form, then to the resident.
- Windsor Run has established a Refund Account for paying the 90% refund amount per the terms of this agreement. The Refund Account is funded by the receipt of all or a portion of new Entrance Deposits from new residents who subscribe previously occupied Independent Living Units. When the Agreement terminates for any reason, the Resident or his/ her representative must promptly vacate and remove all possessions from the Living Unit, turn in the keys, sign a Unit Release for the Living Unit, and pre-approve the final bill. If the Resident occupied any other Living Units at the Community, all previous units also must be vacated and released. When the foregoing steps are completed, Windsor Run then assigns a refund number for the Refund Account. Windsor Run pays the 90% Refund Amount based on assigned refund numbers generally proceeding in sequential order. If the Resident has the next assigned refund number in sequence, then the Resident is eligible for the 90% Refund Amount when: (i) the Resident or his/ her representative pays the final bill, and (ii) the funds in Refund Account are sufficient to fully pay the 90% Refund Amount to the Resident.
- The Refund Account is funded only when Windsor Run receives all or a portion of new Entrance Deposits from new residents who subscribe previously occupied Independent Living Units. The new resident's right of rescission must also be expired for the Refund Account to receive all or a portion of the Entrance Deposit. Windsor Run makes continued refunds from the Refund Account as new available funds are received into the Refund Account. Windsor Run has the right to temporarily suspend refunds if the Refund Account has insufficient funds to pay the next sequential refund that is due. Windsor Run pays the 90% Refund Amount based on assigned Refund Numbers generally proceeding in sequential order.

(c) (v) Refund of Entrance Deposit – Fully Declining Refund Residence & Care Agreement. The following sections describe how the Entrance Deposit is refunded after occupancy and the expiration of the right of rescission:

- If this Agreement is terminated at the election of all Residents in the Living Unit during their lifetime following the thirty day rescission period and within and including the first forty-eight (48) months from the Occupancy Date, Windsor Run will refund an amount equal to the Entrance Deposit (i) minus a processing fee of

4% of the Entrance Deposit, and (ii) minus a fee equal to 2% of the Entrance Deposit per month for each month following the Occupancy Date, including the final month of the term of this Agreement (even if such final month is only a partial month).

- If (a) either a single Resident or both Joint Residents pass away after the expiration of the thirty day rescission period and within and including the first forty-eight (48) months from the Occupancy Date, or (b) One Joint Resident passes away and the surviving Joint Resident terminates this Agreement after the expiration of the thirty day rescission period and within and including the first forty-eight (48) months from the Occupancy Date, Windsor Run will refund an amount equal to the Entrance Deposit (i) minus a processing fee of 4% of the Entrance Deposit, and (ii) minus a fee equal to 2% of the Entrance Deposit per month for each month following the Occupancy Date, including the final month of the term of this Agreement (even if such final month is only a partial month).
- If the resident is entitled to a refund of a portion of the Entrance Deposit per the sections above, other than a termination by the Community, Windsor Run will pay the refund within one-hundred twenty (120) days after the resident or representative turns in keys and vacate any Living Unit(s), including parking or storage spaces, which the resident was occupying on the Departure Date.
- If the Community terminate this Agreement for just cause, Windsor Run will pay the resident on the Departure Date any refund to which the resident is entitled depending on the resident's months of residency, less a reasonable offset of fees as described in Section D.3(c) hereof. Any funds that Windsor Run retains and does not use for such purposes will be refunded to the resident within 45 days after the resident turns in keys and vacates any Living Unit(s), including parking or storage spaces, which the resident was occupying on the Departure Date.
- If this Agreement terminates after the first forty-eight (48) from the Occupancy Date or later, whether due to the election of resident or Windsor Run, or due to resident's death, the resident will not be entitled to any refund of the Entrance Deposit.

C.2. (d) Monthly Service Packages. Residents pay a Monthly Service Package during the term of their residency. Monthly Service Packages are used by Windsor Run to cover operating expenses of the Community. The amount of the Monthly Service Package depends upon the size, features, and, for Assisted Living and Nursing Units, the level of care provided within the living unit selected. If two or more joint residents occupy a unit together, the joint residents will pay only one (1) Monthly Service Package and one (1) double occupancy fee for each additional joint resident. Joint residents who occupy separate units must each pay the full Monthly Service Package for their respective units. Joint residents include residents who move to the Community together as well as

residents who marry after moving to the Community. Please see the table above in Section C.2 (iii) for the current Monthly Service Package.

If a Resident transfers temporarily to another unit or to an outside facility, the Resident must pay the Monthly Service Package for your permanent Living Unit in addition to the Monthly Service Package for the temporary Living Unit or the Off-Site Facility, as the case may be. The Monthly Service Package for a temporary Living Unit at the Community shall be prorated on a daily basis for the period of the temporary transfer. During the period of the temporary transfer, the Resident's Monthly Service Package for the permanent Living Unit shall be adjusted as follows: (1) if a single Resident or one Joint Resident transfers, the Monthly Service Package will be reduced by a single Non-Occupancy Credit as applicable and defined in Section 15 of this Agreement, (2) if both Joint Residents transfer from a double occupancy Unit, the Monthly Service Package will be reduced by the two-person Non-Occupancy Credit as applicable, (3) if both Joint Residents transfer, one from a Living Unit and one from another Living Unit, each Resident's Monthly Service Package shall be reduced by the respective Non-Occupancy Credit as applicable.

If a Resident permanently transfers from one Living Unit to another Living Unit at the Community, the Resident is responsible for payment of the Monthly Service Package, pro-rated and less the Non-Occupancy Credit as applicable, for the vacated Living Unit until the Resident completely vacates, removes all possessions from the vacated Living Unit, and returns the keys for the vacated Living Unit to Windsor Run.

If the Residence and Care Agreement terminates for any reason, the Resident or his/her representative is be responsible for the payment of the Monthly Service Package for the vacated Living Unit, less the Non-Occupancy Credit as applicable, for a period of up to and including ninety (90) days from the date that both of these conditions are fulfilled: (i) the Resident or his/ her representative vacates the Living Unit and remove all possessions, and (ii) the Resident or his/ her representative signs a Unit-Release Form for the Living Unit and return the keys. If the vacated Living Unit is re-subscribed by another new resident in less than 90 days, then the Monthly Service Package will end on the Occupancy Date for that new resident.

The Monthly Service Package is due and payable each month, in advance, within five (5) days from the date of the monthly statement. Each resident will receive a monthly statement from Windsor Run showing the Monthly Service Package charges and charges for any ancillary services. The Monthly Service Packages may be adjusted by Windsor Run upon 30 days written notice to the residents.

Monthly Service Packages are not escrowed by Windsor Run. In general, the Monthly Service Packages are not refundable. However, if the resident transfers from the living unit to another unit or leaves the Community during a month, the resident may receive a non-occupancy,

as applicable, credit towards the Monthly Service Package for the days in which the living unit was not occupied.

C.2. (e) Ancillary Fees. The resident may be charged fees by Windsor Run for ancillary services. Ancillary fees are used by Windsor Run to offset the cost of performing the ancillary services. The amount of the ancillary fee depends upon the additional services selected. Payment for ancillary services is generally due in arrears the month after services are rendered.

Ancillary fees are not escrowed by Windsor Run. Fees for ancillary services which are actually rendered are not refundable. The ancillary fees may be adjusted by Windsor Run upon 30 days written notice to the residents. The Current Ancillary Fee Schedule is shown in the table below.

C.2. (f) Refurbishing Charges. Each time that a resident permanently vacates an Independent Living Unit or Assisted Living Unit, irrespective of the length of time of occupancy, Windsor Run will perform work to clean, refurbish, and restore that Living Unit. This work will generally include, but is not limited to, cleaning or replacement of carpeting and flooring, spackling and/or painting of walls, removing any customized improvements, replacement of fixtures, or any other appropriate repairs repairing any extraordinary damage, in the sole discretion of Windsor Run, to bring the Living Unit back to a like-new condition. The reasonable costs and expenses of this work (the “Refurbishing Charges”) are charged to and paid by the resident but in some situations, Windsor Run will cover some or all of the Refurbishing Charges for the Living Unit. The amount of the Refurbishing Charges will vary depending on the type of extraordinary damage incurred. Refurbishing Charges are not escrowed and are not refunded by Windsor Run and may be adjusted by Windsor Run. The sections below describe when the resident is responsible for Refurbishing Charges and what portions are covered by Windsor Run:

- If the Resident first entered the Community in an Independent Living Unit and then permanently transfers from that Independent Living Unit to an Assisted Living Unit or to a Nursing Unit, Windsor Run will cover any portion of the Refurbishing Charges for work that is due to ordinary wear and tear. The Resident will only be responsible to pay the portion of the Refurbishing Charges for work needed to repair any extraordinary damage to the Living Unit. By way of example, such extraordinary damage may include, but is not limited to, material damage to the walls, structures, or fixtures, material damage caused by pets, or material odors, stains, or damage due to smoking in the Living Unit. The Resident must also pay the reasonable costs and expenses of removing any customized improvements that he/ she made to the Living Unit unless Windsor Run specifically agrees in writing to accept those improvements for re-subscription to a new resident.

- If the Resident first entered the Community in an Independent Living Unit and then permanently leaves the Community from an Independent Living Unit, Windsor Run will cover the Refurbishing Charges for work that is due to ordinary wear and tear. The Resident will only be responsible to pay the portion of the Refurbishing Charges for work needed to repair any extraordinary damage to the Living Unit. By way of example, such extraordinary damage may include, but is not limited to, material damage to the walls, structures, or fixtures, material damage caused by pets, or material odors, stains, or damage due to smoking in the Living Unit, or removing customized improvements. The Resident must also pay the reasonable costs and expenses of removing any customized improvements that he/ she made to the Living Unit unless Windsor Run specifically agrees in writing to accept those improvements for re-subscription to a new resident.
- If the Resident transfers from one Independent Living Unit to another Independent Living Unit, or if the Resident transfers from an Assisted Living Unit to any other Living Unit, or if the Resident permanently leave the Community from an Assisted Living Unit, the Resident is responsible to pay the full Refurbishing Charges.
- If the last residence at the Community is a Nursing Unit and the Resident either permanently leaves the Community from that unit or passes away while residing in the Nursing Unit, Windsor Run will cover the full Refurbishing Charges for the Nursing Unit.

(g) **Miscellaneous Costs.** According to the Residence and Care Agreement, residents are also responsible for procuring and maintaining Medicare insurance, Parts A and B and for Medigap insurance. Residents are also responsible for their own funeral arrangements. Windsor Run does not assist with such arrangements. Residents must also purchase renter's insurance to cover their personal property within their designated living unit, including liability insurance.

C.3. Fees and Adjustments. The Monthly Service Packages for each level of care may be revised from time to time. Windsor Run generally adjusts fees on an annual basis after having evaluated such factors that it perceives to be relevant to the costs associated with operating the Community and other financial requirements. Normally such changes will be made to become effective on January 1 of the next calendar year. However, Windsor Run reserves the right at any time with thirty (30) days' notice to residents, to adjust the Monthly Service Packages or fees for Ancillary Services to reflect any additional cost or liability for which there is no adequate, budgeted reserve, including, but not limited to, tax liability for real estate taxes relating to the Community, increased operating expenses, and inflation. Notice to residents in assisted living may be less than thirty (30) days only if the adjustment is due to change in levels of care. Please refer to Section 7.3 of the Residence and Care Agreement.

C.4. Number of Residents under Care Agreements. The Community opened in the spring of 2018. At the stabilized occupancy date in December 2019 for the first phase of development, Windsor Run had 421 residents under Residence and Care Agreements.

D. SPECIFIC COMMUNITY POLICIES

Many of these policies are re-printed from the Residence and Care Agreement (Exhibit 1) for Windsor Run.

D.1. Marriage After Occupancy. Joint Residents, including married couples, who occupy the same Living Unit pay one Entrance Deposit and also pay the Monthly Service Package for the selected Living Unit and the double occupancy fee. If two current single residents marry or otherwise co-habitate, they will then be treated as Joint Residents and will pay the fee structure described above. If during the term of residency, the Resident marries or co-habitates with a person who is not a resident of the Community, the new spouse or other proposed co-resident will be required to meet the Community's financial and health-related qualifications for entrance into the Community. If accepted, the fee structure for Joint Residents described above will apply for the new Resident. If the spouse or proposed co-resident is not accepted by Windsor Run, the Resident may terminate the Residence and Care Agreement in accordance with applicable provisions. If a new spouse or proposed Joint Resident is accepted as a resident in the Community but is placed in a Living Unit, the new spouse or Resident must pay a new Entrance Deposit for the second Living Unit and must sign a separate Residence and Care Agreement for the second Living Unit and pay the Monthly Service Package for the unit.

D.2 Financial Inability to Pay. It is the policy of the Community not to terminate a resident's occupancy for the resident's financial inability to pay provided that the resident is otherwise in compliance with the terms of the Residence and Care Agreement. To the extent that it is financially feasible, the Community will assist residents who are unable to pay full Monthly Service Packages. The Community requires that, in the event that Resident claims to be unable to make full monthly payment by reason of financial inability, Resident must take any or all of the actions listed below:

(a) The Resident must take any or all of the following actions, as directed by the Executive Director. To qualify for assistance, a resident must otherwise be in compliance with the terms of such resident's Residence and Care Agreement.

(b) The Resident must file with the Executive Director, on appropriate forms provided by the Executive Director, a Statement of Financial Inability to Pay. As part of the Statement of Financial Inability, the Resident must disclose remaining available assets and income. The Executive Director will review the financial position to determine the existence

of any outside assets, including any guaranty agreements, which may first be spent for the Resident's care.

(c) If the Resident has outside assets other than the Entrance Deposit, the Executive Director will establish a Spending Plan for the Resident to spend the outside assets and to obtain assistance from other available means. As part of the Spending Plan, the Resident shall assign to Provider any health-related insurance benefits and any benefits under any governmental insurance or assistance program (including Medicare), until the amount the Provider receives equals the aggregate charges for the care and services that the Resident has received from the Provider, based upon the Community's standard rates. If the Resident fails to cooperate with the Spending Plan for the outside assets, such failure may constitute just cause for termination of the Agreement due to non-payment of fees per Section D.3(c) below.

(d) For residents who have a 90% Refund Residence and Care Agreement, after the Resident completes the Spending Plan or if there are no available assets other than the Entrance Deposit, the Provider will spend-down an amount up to the Entrance Deposit minus the Community Fee. After depletion of outside assets, the Entrance Deposit (less the Community Fee) is considered available for the Resident's maintenance and support to pay any and all fees at the Community. For residents who have a Fully Declining Refund Residence and Care Agreement, spend-down of the Entrance Deposit is not available.

(e) If requested by the Provider, the Resident will transfer to an alternate Living Unit at the Community if and when available.

(f) The Resident will provide periodic statements of financial condition and copies of income tax returns as the same may be requested from time to time by the Provider and will notify the Provider of any and all assets acquired through any means thereafter, and will assign or pay such property received to the Provider in an amount equivalent to the total outstanding charges and fees, owed by the Resident.

(g) Upon completion of the Spending Plan (including spend-down of the Entrance Deposit or fully earning the Entrance Deposit for a Fully Declining Refund Residence and Care Agreement), the Resident may qualify for assistance from the resident care fund when established by Windsor Run and to the extent that it is financially feasible. If a Resident is approved for such assistance, the Executive Director shall inform the Resident of the amount which the resident care fund will contribute to the monthly fees and the amount which the Resident must contribute to the Monthly Service Package.

(h) The Provider is not currently authorized to accept Medicaid for payment of Monthly Service Packages for any Living Units. If in the future the Provider is able to accept

Medicaid as a payment source, then the Resident agrees to also apply for Medicaid if he/ she can qualify.

D.3 Termination.

(a) Termination Within Rescission Period or Prior to Occupancy. The Residence and Care Agreement may be rescinded regardless of occupancy or terminated prior to occupancy in the following circumstances: (1) Resident rescinds the Residence and Care Agreement within the later of thirty (30) days of receipt of the Disclosure Statement or execution of the Residence and Care Agreement (Resident is not required to move into the Living Unit before the expiration of the later thirty (30) day period); or (2) the Residence and Care Agreement is automatically canceled if Resident dies before occupying the Living Unit or is precluded from occupying the Living Unit as a result of illness, injury or incapacity; or (3) Windsor Run elects to terminate the Residence and Care Agreement prior to occupancy if it is determined that Resident is ineligible for entrance into the Community.

If the Residence and Care Agreement is rescinded or terminated as described in this Section D.3(a), Resident shall receive a refund of the Entrance Deposit paid, as described in Section C.2.(c) (ii), but will not receive a refund of the \$150.00 Application Fee. Resident shall not receive a refund of any costs specifically incurred by Windsor Run at Resident's request as set forth in a separate written addendum, signed by both parties. Resident shall not receive a refund of any Monthly Service Package related to actual occupancy of the Living Unit.

(b) Termination by Resident. After occupancy and after expiration of the rescission period described in Section 12.1 of the Residence and Care Agreement, Resident may terminate the Residence and Care Agreement at any time and for any reason by giving 60 days' notice to Windsor Run of his or her intention to terminate.

(c) Termination by Windsor Run. A decision by Windsor Run to terminate the Residence and Care Agreement shall be made by the Executive Director of the Community. Windsor Run may not terminate this Agreement without good cause. "Good Cause" is defined as: i) Non-payment of Fees; ii) Proof that the Resident is a danger to himself/herself or others as determined by the Executive Director and Medical Director (or their designees) in writing; iii) Repeated conduct by the Resident that interferes with other Residents' quiet enjoyment of the Community; iv) Persistent refusal to comply with reasonable written rules and regulations of the Community; v) A material misrepresentation made intentionally or recklessly by the Resident in his or her application for residency, or related materials, regarding information which, if accurately provided, would have resulted in either a failure of the Resident to qualify for residency or a material increase in the cost of providing to the Resident the care and service under the Residence and Care Agreement; or vi) A material breach by the Resident of the terms and conditions of this Agreement.

Except for termination due to non-payment of fees, Windsor Run will give Resident sixty (60) days written notice of the termination and the reason for termination. In the event of non-payment of fees, Windsor Run will give written notice to the Resident that the Resident is in default under the Residence and Care Agreement for non-payment of fees. Windsor Run may charge Resident interest on the overdue amount of one and one-half percent (1 1/2%) per month. If Resident fails to make full payment of all outstanding fees and charges within thirty (30) days of receipt of the notice, Windsor Run may, at its election, either terminate the Residence and Care Agreement upon an additional thirty (30) days' notice or may require a spend-down of the Entrance Deposit, in accordance with the Community's spend-down procedures as generally set forth in Section 10 of the Residence and Care Agreement, to offset the overdue fees and charges. Acceptance by Windsor Run of partial payment of the fees does not constitute a waiver of the outstanding fees and charges unless Windsor Run agrees to a waiver in writing.

(d) Refund of Entrance Deposit. If the resident signs the 90% Refund Residence & Care Agreement and the Agreement is terminated by either the Resident or Windsor Run during the Resident's lifetime after the Occupancy Date and the expiration of the right of rescission, then Windsor Run will pay the 90% Refund Amount within sixty (60) days of the date that the Resident becomes eligible for refund from the Refund Account (see Section C.2.c(iv) above). Windsor Run will pay the 90% Refund Amount to the duly designated beneficiaries named in the Resident's refund form or, if there is no refund form, then to the Resident. If the Resident dies after the Occupancy Date and the expiration of the right of rescission, then Windsor Run will pay the 90% Refund Amount within sixty (60) days of the date that the Resident becomes eligible for refund from the Refund Account (see Section C.2.c(iv) above). Windsor Run will pay the 90% Refund Amount to the duly designated beneficiaries named in a refund form or, if there is no refund form, then to the Resident's estate. If one joint resident dies, there will be no refund of any portion of the 90% refund amount; instead, so long as a surviving resident continues to reside at the community, the Entrance Deposit (minus the Community Fee) shall be deemed to have been paid entirely on behalf of the surviving resident to be used for the survivor's care if necessary, and the 90% Refund Amount will eventually be paid to the survivor, to the beneficiaries named in the survivor's refund form, or to the survivor's estate.

If the resident signs the Fully Declining Refund Residence & Care Agreement and the Agreement is terminated by either the Resident or Windsor Run within 48 months of occupancy during the Resident's lifetime after the Occupancy Date and the expiration of the right of rescission, then Windsor Run will pay the declining balance refund within 120 days from the resident's Departure Date (see Section C.2.c(v) above). Windsor Run will pay the refund to the duly designated beneficiaries named in the Resident's refund form or, if there is no refund form, then to the Resident. If the Resident dies after the Occupancy Date within 48 months from the Occupancy Date and the expiration of the right of rescission, then Windsor Run will pay the declining balance refund to the duly designated beneficiaries named in a refund form or, if there is no refund form, then to the Resident's estate. If one joint resident dies, there will be no refund of any portion of the refund;

instead, so long as a surviving resident continues to reside at the community, the Entrance Deposit shall be deemed to have been paid entirely on behalf of the surviving resident to be used for the survivor's care if necessary, and any refund will eventually be paid to the survivor, to the beneficiaries named in the survivor's refund form, or to the survivor's estate. If the Agreement is terminated by the election of the resident or Windsor Run after 48 months of occupancy or if the Agreement terminates due to the resident's death after 48 months of occupancy, there will be no refund.

D.4 Vacating the Unit. Upon termination of the Residence and Care Agreement either by election of Resident, election of Windsor Run, or due to the death of the Resident, Resident or his or her representative shall sign and give to Windsor Run a Unit Release form, advising Windsor Run of the Departure Date for the Resident. Resident or his or her representative shall then be responsible to vacate the Living Unit and to remove all personal possessions from the Living Unit. Windsor Run shall have the right to show the Living Unit to interested applicants as of the date indicated in the Unit Release Form.

If Resident fails to vacate the Living Unit by the indicated Departure Date or, in the event of a termination by Windsor Run, within the required time from the notice of termination as provided in Section 12.3 of the Residence and Care Agreement, Windsor Run shall have the right to store the Resident's possessions in a general storage area at the Community or to arrange for storage in a commercial storage facility, all at Resident's expense until disposition can be made. Windsor Run assumes no responsibility for Resident's stored possessions

D.5 Availability of Living Unit. A permanent transfer is a transfer of indeterminate duration. During a permanent transfer, Resident will be requested to release the Living Unit. After a permanent transfer, if Resident is able to qualify to return to the Living Unit previously occupied at the Community or to a different, medically appropriate Living Unit at the Community, Resident will have the right to occupy the Unit subject to availability of such Unit and Resident will be given priority over non-residents on the waiting list for the Community.

D.6 Admission of New Residents. In order to become a resident, an applicant must be 62 years of age or older. From a financial standpoint, Windsor Run generally requires that a prospective resident have a net asset value being sufficient to pay 35 months of a blended rate based on projected fees in the Continuing Care Units and also monthly income of 1.4 times the Monthly Service Package for the desired living unit. If the prospective resident is not able to financially qualify, Windsor Run may consider a guaranty to financially qualify the resident by guarantying payment to Windsor Run in the form of additional assets or income. The guaranty is an addendum to the Residence and Care Agreement and sample forms are included in Schedule II of the Agreement. Windsor Run will also review the prospective resident's profile and will conduct a pre-residency meeting with the prospective resident. Pre-residency meetings are meant to assist Windsor Run in determining the appropriate care and services to support the prospective resident, whether

independent living, assisted living, or nursing care. If Windsor Run does not have an appropriate level of care for the individual, it will so inform the applicant and will refund any portions of the Entrance Deposit paid. In the event an applicant's health status or financial situation changes between entering into the Residence and Care Agreement and initial occupancy at Windsor Run, Windsor Run reserves the right to review the changed circumstances and reconsider admission.

D.7. Access to Facility by Non-Residents. Residents are welcome to have family and friends visit their new home. Guests of residents may take meals at the Community for an additional fee. All visitors are subject to Windsor Run's reasonable rules and regulations for use of the Community. Residents may not assign the right to occupy the living unit to any other person and may not have other persons live in the unit on a permanent basis. Windsor Run may also make certain meeting rooms and the planned conference center available for public meetings.

D.8. Transfers.

(a) Transfer at Resident's Election. A Resident may elect to transfer, on a temporary or permanent basis, to an alternate Independent Living Unit, an Assisted Living Unit, Nursing Unit or an Off-Site Facility by giving notice to Windsor Run. All transfers within the Community shall be subject to the availability of the elected alternate Living Unit and subject to Windsor Run's approval.

(b) Non-Emergency Transfer at Windsor Run's Election. All decisions regarding a transfer of any resident, except for emergency transfers, shall be made by a committee consisting of the Executive Director (or his or her designee) and the Medical Director (or his or her designee) (collectively referred to as the "Committee"). The Committee will consult with Resident or his/ her legal representative and with a Guarantor or ombudsman, if requested. Windsor Run attempts to interact with Resident / representative with the goal of achieving a consensus on the need for a transfer although a consensus is not always achieved. A Resident will not be transferred, temporarily or permanently, to a different Living Unit unless (1) in the opinion of the Committee, such transfer is deemed appropriate for the protection of the Resident's health and/or safety or the general and/or economic welfare of other residents, (2) in the opinion of the Committee, the transfer is deemed necessary due to financial inability to pay the Monthly Service Package, or (3) in the case of a permanent transfer to an Off-Site Facility that provides treatment for mental disorders, the need for such transfer is certified by two physicians or one physician and one psychologist. If the transfer is due to event (1) or (3) listed above and the Living Unit is occupied by a Joint Resident, the remaining Joint Resident may continue to occupy the Living Unit. The Committee shall give thirty (30) days advance written notice of the proposed transfer. The Resident/ representative shall notify Windsor Run of any objection to the permanent transfer within ten (10) days of receipt of the notice. If the Resident/ representative do not consent to the transfer, the Committee may, in its discretion and in lieu of a transfer, require Ancillary Services be provided. If the Resident/ representative do

not consent to either the transfer or the provision of Ancillary Services, Windsor Run may consider such refusal to constitute just cause to terminate the Agreement (see Section D1 above).

(c) **Emergency Transfer at Windsor Run's Election.** If the Resident's health and safety or the health and safety of other residents require immediate action, the Executive Director with the approval, if reasonably obtainable, of the Medical Director, may transfer the Resident from the current Living Unit to a different Living Unit or an Off-Site Facility, on a temporary or permanent basis. Emergency circumstances arise when there is a danger of immediate, irreparable harm to the Resident's health and safety or to the health and safety of other people at the Community. In the event that the Resident is required to be transferred to Continuing Care at Windsor Run during a period that he/ she is suffering from legal incompetency, the Resident agrees to be bound by the terms of the Agreement in effect at the time of such transfer.

D. 9 Other Community Policies.

(a) **Rules.** Windsor Run has the right to promulgate reasonable rules and regulations governing the conduct of the residents. Residents enjoy the fullest measure of independence consistent with their accommodation, subject, however, to the limitations of the Community's reasonable rules and regulations now or hereafter adopted for the conduct and care of all residents including those in the Resident Handbook which residents acknowledge receiving. Residents agree to abide by all such rules and regulations, and generally to conduct themselves in such a manner as to promote the peace and harmony of the Community. Residents accept Windsor Run's ability and authority to enter the Living Unit in order to carry out the purpose and intent of the Residence and Care Agreement including (1) performance of authorized housekeeping duties; (2) response to medical emergencies; (3) responses to fire protection systems; (4) entry by authorized personnel in the event that a Resident is reported missing or have not responded to a call; (5) scheduled maintenance activities; and (6) enforcement of the Community's policies and procedures. Windsor Run acknowledges and respects the Resident's right to privacy and agree to limit uninvited entry into the Living Unit at the Community to the situations set forth in this paragraph.

(b) **Property Rights.** The Resident acknowledges that, except as expressly set forth in this Agreement, the rights and privileges granted by this Agreement do not include any right, title, lease, or any other interest in any part of the personal property or real property - including land, buildings and improvements - owned, leased or administered by us. The resident's rights are limited to the rights provided in this Agreement for services and the occupancy of the Living Units. Except for your right to occupy the Living Unit, any rights, privileges or benefits under this Agreement shall be subordinate to any mortgage or deed of trust or leasehold interest on any of the premises or interest in Windsor Run's real and personal property, to all amendments, modifications, replacement or refunding, of any such mortgage or deed of trust or leasehold interest, and to such reasonable rules and regulations governing the use of the property as shall from time to time be imposed by us. The resident agrees, upon request, to execute and deliver any document which is required to this effect by

us, or by the holder of such mortgage or deed of trust or leasehold interest to effect such subordination or to evidence the same, and appoint Windsor Run as his/ her attorney-in-fact to accomplish that purpose.

(c) **Unauthorized Transfers of Property.** The financial information which a Resident submitted is a material aspect upon which Windsor Run reasonably relied in determining the qualifications for becoming a resident of the Community. Being able to meet the financial criteria to become a resident helps assure the financial stability of this Community. In determining financial criteria for residency, Windsor Run considers the applicant's reported income and assets in light of the Community's current and future commitments and obligations. Furthermore, Windsor Run will take every reasonable step to assist residents who have depleted those assets through normal living expenditures so that he or she may continue to remain as a resident of the Community. However, in order to protect the Community from a situation wherein a resident divests him/herself of those assets for the purpose of qualifying for assistance or reduction of Monthly Service Packages, the Resident agrees not to divest himself/ herself of, to sell, or transfer any assets or property interests (excluding expenditures for normal living expenses) that reduces the assets that the Resident or his/ her representative disclosed as available assets for Resident on admission, without having first obtained the Community's written consent.

(d) **Non-Smoking Policy.** The Resident must agree to abide by the Community's prohibition against smoking, e-smoking or vaping in the Living Unit, including balconies or patios, and in common areas. Resident guests, or contractors are also prohibited from smoking, e-smoking or vaping in the Living Unit or in the common areas of the Community. Failure to abide by the non-smoking policy may be viewed as cause to terminate the Residence and Care Agreement.

D. 10 Other Material Information. During the coronavirus pandemic, Windsor Run is monitoring and adhering to federal, state or local guidelines for stay-home orders, social distancing, limitation of travel, or similar guidelines (as may change from time to time). According to the CDC, the practice of social distancing can dramatically decrease the spread of COVID-19. Windsor Run has made certain modifications to services and amenities to encourage safe social distancing which impact offerings such as dining venues, common areas, services and social gatherings for example. Changes or restrictions are being revised or eased as permitted by state and local authorities.

RESIDENCE AND CARE AGREEMENT

This Residence and Care Agreement (the "Agreement") is made and entered into the _____ day of _____, _____ by and between WINDSOR RUN, LLC. (referred to in this Agreement as "We", "us" or "Windsor Run") and _____ (referred to in this Agreement as "You" or the "Resident(s)").

RECITALS

R.1 Windsor Run Retirement Community (the "Community") is a continuing care retirement community located in Matthews, North Carolina, offering various living accommodations and services to seniors, as described herein.

R.2 WINDSOR RUN is a certified continuing care provider under the laws of the State of North Carolina. WINDSOR RUN desires to provide certain services listed in this Agreement to Resident and Resident desires to receive such services.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Section 1. DESCRIPTION OF COMMUNITY

The Community is planned to include Independent Living Units, Assisted Living Units, Memory Care Units, and Nursing Units. The Community is a smoke-free, tobacco-free campus and you agree to abide by our rules restricting smoking and use of tobacco products.

1.1 Independent Living Units. The Community currently include over 300 Independent Living Units in the first phase of development with the potential for additional Independent Living Units in future phases. The Community will also include community spaces such as dining areas, a beauty salon, classrooms, card rooms, lounges and other common areas. We also plan to feature amenities such as a center for on-site physician visits, a pool, and fitness center.

1.2 Continuing Care at Windsor Run. Continuing Care at Windsor Run refers to our on-site health care neighborhood. Each floor of the facility is planned to include a dining room, a resident lounge, activity rooms and a bathing core. The initial phase of Continuing Care at Windsor Run is planned to include approximately 12 Assisted Living Units and 12 Nursing Units, with different service packages. Continuing Care may in the future also include Memory Care Units. We anticipate that the aggregate number of Living Units will adequately serve the needs of Community residents. However, in the unusual circumstance that the Assisted Living Units are fully occupied, our Medical Director, or his or her designee, first will arrange for

Ancillary Services to be offered in Resident's Independent Living Unit and second, if necessary, will assist in arranging for a transfer to an Off-Site Facility in the immediate area. See Section 8.4 for fees payable by you in the event of such a transfer. Continuing Care at Windsor Run is anticipated to open in 2021 but the opening date and number of units are approximate and may change according to regulatory requirements, weather conditions, market demands, etc. Until the facility is opened, we will enter into transfer agreements for residents with outside assisted living, memory care services, and nursing care.

Section 2. TERM

The Term of this Agreement shall commence on the date on which this Agreement is executed by you and us and shall continue for your lifetime unless the Agreement is terminated earlier per Section 12 of this Agreement.

Each Joint Resident is required to meet our financial requirements for entrance into the Community, as well as our health qualifications for occupancy of a selected Living Unit, whether the prospective Joint Residents move to the Community together or on different dates.

3.3 Rights of New Spouse. If during the term of residency, you marry a person who is not a resident of the Community, your new spouse will be required to meet our financial and health-related qualifications for entrance into the Community. The financial qualifications are meant to serve as a financial protection for our larger community of residents. We reserve the right to determine the appropriate level of care within the Community for the spouse or to determine that there is not an appropriate level of care within the Community for the spouse. You are not required to use any of the on-site physician services.

Section 7. ENTRANCE DEPOSIT

7.1 Payment of Entrance Deposit. You will pay or have paid to us a total Entrance Deposit as shown in Section 16 of this Agreement. The payment of the Entrance Deposit may be made in a series of deposits on or before taking occupancy of your Living Unit at the Community. For Joint Residents, the total Entrance Deposit shall be deemed to be a joint asset of the Joint Residents with a right of survivorship and may be used for the care of either Joint Resident. Ten percent (10%) of the Entrance Deposit is designated as the non-refundable Community Fee.

7.2 Escrow of Deposit and Release from Escrow. The deposits made by you towards the total Entrance Deposit will be held in escrow in a banking institution in North Carolina, acting as an escrow agent. While held in escrow, Entrance Deposits are considered the property of the prospective resident but any interest earned will be for the benefit of Windsor Run. Prior to occupancy of a Living Unit, Entrance Deposits deposited in escrow will be returned to a prospective resident before occupancy: (i) within thirty days of the written request of the Resident; ii) if Resident is precluded from occupying a unit due to death, injury, incapacity, or illness; iii) if Resident is determined to be ineligible for entrance into the community; or iv) upon rescission of the Residence and Care Agreement pursuant to Section 12 of this Agreement.

As new buildings are developed, the escrow agent will release 25% of escrow monies to Windsor Run when 50% of independent living units in a building are pre-sold, permanent financing is secured, and entrance deposits plus proceeds of financing equals 90% or more of the costs to construct and equip the facility and provide cash flow funds equal 90% or more of funds needed to fund start-up losses and assure full performance of obligations. Seventy-five (75%) percent of funds can be released to Windsor Run when 75% of independent living units are presold, construction is complete and units available for occupancy.

When the Entrance Deposit is released in full, we can fully use the Entrance Deposit including the Community Fee. We normally use the Entrance Deposits for financing, operational costs, or Entrance Deposit refunds for the Community but we may use the Entrance Deposits for any other purpose. Appreciation in new Entrance Deposits will normally be used by us generally for capital repairs and improvements to benefit the Community and for any reserve funds. However, you will retain the right to the 90% Refund Amount as discussed in this Section 7. No interest shall be accrued or paid to you on your Entrance Deposit.

7.3 Adjustments to Entrance Deposit. You will not be required to pay an additional or increased Entrance Deposit as long as you reside in your original Living Unit. You retain the right to the 90% Refund Amount, upon the termination of this Agreement, as discussed in Sections 7.4, 7.5, and 7.6 of this Agreement. Your Entrance Deposit, minus the Community Fee, is also available for your maintenance and support as provided in Section 10.

7.3.1 If you request a permanent transfer from one Living Unit to another Living Unit with a higher Entrance Deposit and we approve the transfer, you must pay to us an additional deposit for the new Living Unit to which you are transferring. The amount of the

additional deposit will vary, depending on market conditions for your current Living Unit and for the desired new Living Unit at the time of the transfer. We will advise you of the additional deposit prior to the transfer and you may then decide whether or not to proceed with the transfer. Ten percent (10%) of the additional deposit paid will be added to the Community Fee and will be non-refundable.

7.3.2 If your new spouse is accepted as a resident in the Community and is placed in a Living Unit other than your current Living Unit (see Section 3.2 of this Agreement), you and your new spouse must pay us an additional Entrance Deposit for the spouse's Living Unit and the new spouse must sign a separate Residence and Care Agreement for the new Living Unit.

7.3.3 You will normally not be entitled to a refund or decrease of the Entrance Deposit due to any temporary or permanent transfer, for whatever reason, during the Term of this Agreement. However, we may make a partial refund of the Entrance Deposit, minus the Community Fee, to you in the following circumstances: 1) You transfer to a smaller Independent Living Unit than the Independent Living Unit which you currently occupy; and 2) the Entrance Deposit for the smaller Independent Living Unit is currently lower than the Entrance Deposit that you originally paid for an Independent Living Unit. In these specific circumstances, we may elect to refund the difference between the current Entrance Deposit for your new Independent Living Unit and the original Entrance Deposit paid by you but minus the Community Fee.

7.4 Refund of Entrance Deposit Within Rescission Period or Prior to Occupancy. We shall pay a refund of the Entrance Deposit to you or your representative, as appropriate, if the agreement is terminated within the thirty (30) day rescission period as described in section 12.1 hereof, regardless of whether you occupy the unit. In addition, we shall pay a refund of the Entrance Deposit to you if the agreement is terminated after the rescission right expires but prior to the Occupancy Date as described in section 12.1. We will refund the Entrance Deposit within thirty (30) days following the rescission or the pre-occupancy termination, as the case may be. If one joint resident dies prior to occupancy, the remaining resident may, but is not required to, rescind this agreement. The surviving resident may also request a different living unit and we will refund or charge any difference in the Entrance Deposit between the living units; provided, however, that this election is made in writing at least thirty (30) days prior to occupancy. Per Section 9.1 of this Agreement, we may keep the Application Fee as a reasonable processing charge.

7.5 Refund of Entrance Deposit after Occupancy. If you do not rescind the Agreement per Section 12.1 and you occupy the Living Unit after expiration of the rescission period and subject to the terms and conditions of this Agreement, then we shall pay the 90% Refund Amount as provided in this Section 7.5 and Section 7.6. Your refund will be equal to ninety percent (90%) of the total Entrance Deposit unless: (i) the Entrance Deposit, minus the Community Fee, has been partially or fully spent down for your care and maintenance per

Section 10 of this Agreement, or (ii) you or your representative, as the case may be, elect to deduct any outstanding fees and charges from the 90% Refund Amount for your convenience.

7.5.1 Termination By Resident During Lifetime. If you terminate the Agreement at any time after the Occupancy Date and the expiration of the right of rescission, we will pay the 90% Refund Amount within sixty (60) days of the date that you become eligible for refund from the Refund Account per Section 7.6. We will pay the 90% Refund Amount to the duly designated beneficiaries named in your refund form or, if there is no refund form, then to you as the resident.

7.5.2 Termination Due To Death of Resident. If you die after the Occupancy Date and the expiration of the right of rescission, we will pay the 90% Refund Amount within sixty (60) days of the date that you become eligible for refund from the Refund Account per Section 7.6. We will pay the 90% Refund Amount to the duly designated beneficiaries named in a refund form or, if there is no refund form, then to your estate. If one joint resident dies, there will be no refund of any portion of the 90% refund amount; instead, so long as a surviving resident continues to reside at the community, the Entrance Deposit (minus the Community Fee) shall be deemed to have been paid entirely on behalf of the surviving resident to be used for the survivor's care if necessary, and the 90% Refund Amount will eventually be paid to the survivor, to the beneficiaries named in the survivor's refund form, or to the survivor's estate.

7.5.3 Termination by WINDSOR RUN. If we terminate the agreement for good cause (see subsection 12.3 of this Agreement), we shall pay the 90% Refund Amount within sixty (60) days of the date that you become eligible for refund from the Refund Account per Section 7.6. We will pay the 90% Refund Amount to the duly designated beneficiaries named in your refund form or, if there is no refund form, then to you as the resident.

7.6 Refund Account & Refund Eligibility. These provisions describe how we pay the 90% Refund Amount to you, your representative, or beneficiaries, as the case may be:

7.6.1 We have established a Refund Account for paying the 90% refund amount per the terms of this agreement. The Refund Account is funded by the receipt of all or a portion of new Entrance Deposits from new residents who subscribe Participating Independent Living Units. Please see the definition of "Refund Account" in Section 15 for explanation on funding the Refund Account and Participating Independent Living Units. When the Agreement terminates during your lifetime for any reason or if the Agreement terminates due to your death, you or your representative must promptly vacate and remove all possessions from the Living Unit, turn in the keys, sign a Unit Release for the Living Unit, and pre-approve the final bill. If you occupied any other Living Units at the Community, all previous units also must be vacated and released. When the foregoing steps are completed, we then assign you a refund number for the Refund Account.

7.6.2 We pay the 90% Refund Amount based on assigned refund numbers generally proceeding in sequential order. If you have the next assigned refund number in

sequence, you are eligible for your 90% Refund Amount when: (i) you or your representative pay your final bill, and (ii) the funds in Refund Account are sufficient to fully pay the 90% Refund Amount to you.

Section 8. MONTHLY SERVICE PACKAGES

8.1 Monthly Service Package. During the term of this Agreement, you must pay the applicable Monthly Service Package for the Living Unit. As of the date of this Agreement, the applicable Monthly Service Package for Resident's current Living Unit is shown in Section 1 of this Agreement. The Monthly Service Package is due and payable each month, in advance, within five (5) days from the date of the monthly statement; provided, however, that the Monthly Service Package for the month during which you first take occupancy of the Living Unit shall be payable in arrears on a pro-rated basis with the payment of the Monthly Service Package for the first full calendar month occurring during the term of this Agreement. Our acceptance of partial payment of the Monthly Service Package does not constitute a waiver of such outstanding fees and charges unless we agree to a waiver in writing. We may charge interest at a rate of one and one-half percent (1.5%) per month on any overdue amounts.

8.2 Monthly Service Package for Joint Residents. Joint Residents occupying the same Living Unit shall pay the appropriate Monthly Service Package for double occupancy of the Living Unit. If Joint Residents occupy different Living Units, both Residents shall each pay the full Monthly Service Package for their respective Living Unit. This fee structure applies to Joint Residents who move to the Community together and to a Resident and a non-resident who are accepted to the Community on different dates.

8.3 Adjustments to the Monthly Service Package. The Monthly Service Package or Nursing Fees may be revised from time to time. We normally use the Monthly Service Package to cover the expenses of providing covered services to Residents but we may use the Monthly Service Package for any other purpose. We generally adjust fees on an annual basis after having evaluated those factors that we perceive to be relevant to the costs associated with operating the Community and other financial requirements. Normally such changes will be made to become effective on January 1 of the next following calendar year. However, except for changes required by State or Federal assistance programs, we reserve the right, at any time, upon thirty (30) days' notice to you and upon amendment to the Disclosure Statement, to adjust the Monthly Service Packages to reflect any additional cost or liability for which there is no adequate, budgeted reserve, including, but not limited to, tax liability for real estate taxes relating to the Community, increased operating expenses and inflation. Notice to residents in Assisted Living or Memory Care Units may be less than thirty (30) days only if the adjustment is due to change in your level of care.

8.4 Monthly Service Package in the Event of a Temporary Transfer. In the event that you temporarily transfer to another Living Unit in the Community or to an Off-Site Facility, you must pay the Monthly Service Package for your permanent Living Unit in addition to the Monthly Service Package for the temporary Living Unit or the Off-Site Facility, as the case may be. Payment of the Monthly Service Package for your permanent Living Unit assures that such permanent Living Unit will remain available to you during the time of the temporary transfer.

The Monthly Service Package for a temporary Living Unit at the Community shall be prorated on a daily basis for the period of the temporary transfer.

During the period of the temporary transfer, your Monthly Service Package for the permanent Living Unit shall be adjusted as follows: (1) if a single Resident or one Joint Resident transfers, the Monthly Service Package will be reduced by a single Non-Occupancy Credit as applicable and defined in Section 15 of this Agreement, (2) if both Joint Residents transfer from a double occupancy Unit, the Monthly Service Package will be reduced by the two-person Non-Occupancy Credit as applicable, (3) if both Joint Residents transfer, one from a Living Unit and one from another Living Unit, each Resident's Monthly Service Package shall be reduced by the respective Non-Occupancy Credit as applicable.

Upon your return to the permanent Living Unit, you must continue to pay the current Monthly Service Package associated with such Living Unit.

8.5 Monthly Service Package in the Event of a Permanent Transfer to a Different Living Unit. If you permanently transfer from one Living Unit to another Living Unit at the Community, you are responsible for payment of the Monthly Service Package, pro-rated and less the Non-Occupancy Credit as applicable, for the vacated Living Unit until you completely vacate, remove all possessions from the vacated Living Unit, and return the keys for the vacated Living Unit to us.

8.6 Monthly Service Package in the Event of a Termination of Agreement. If you terminate this Agreement, or if we terminate this Agreement for just cause in accordance with Section 12.3, or if this Agreement should terminate by reason of your death, then you or your estate, as the case may be, shall be responsible for the payment of the Monthly Service Package for the vacated Living Unit, less the Non-Occupancy Credit as applicable, for a period of up to and including ninety (90) days from the date that both of these conditions are fulfilled: (i) you vacate the Living Unit and remove all possessions, and (ii) you sign a Unit-Release Form for the Living Unit and return your keys. If your vacated Living Unit is re-subscribed by another new resident in less than 90 days, then the Monthly Service Package will end on the Occupancy Date for that new resident. We do not automatically deduct the remaining Monthly Services Fees, Ancillary Fees, or other fees from the Refund of the Entrance Deposit, minus the Community Fee, unless you or your representative so direct.

Section 9. OTHER FEES, PERIODIC CHARGES, AND COSTS

9.1 Application Fee. You shall pay or have paid us an Application Fee, as indicated in Section 16, in connection with your application for residence at the Community. If the Agreement is rescinded or canceled prior to occupancy as described in Section 12.1, we will retain the Application Fee as a reasonable service charge, not to exceed the greater of \$1000.00 or two percent (2%) of the Entrance Deposit.

9.2 Ancillary Services. During the term of this Agreement, you must pay us the periodic charges for any Ancillary Services (as described in Section 5) provided to you by us. The current periodic charges for Ancillary Services are attached in Schedule I. Ancillary

Services charges are normally used by us to cover the expense of providing such Ancillary Services but we may use the Ancillary Services charges for any other purpose. We may revise the periodic charges for Ancillary Services that we provide from time to time, and such change shall take effect upon our giving you thirty (30) days' notice of such increase. The charges which are based on published rates for State or Federal assistance programs (for example, Medicare rates) shall be revised upon the effectiveness of changes to such rates. All Ancillary Services provided by us shall be billed on your monthly statement, and payment is due within five (5) days of your receipt of the monthly statement. Our acceptance of partial payment of the charges shall not constitute a waiver of the outstanding charges unless we agree to a waiver in writing. We may charge interest at a rate of one and one-half percent (1.5%) per month on any overdue amounts.

9.3 Other Services. Ancillary Services not provided by us and any other services that you arrange independently shall be billed directly to you, and we are not responsible for payment of or collecting payment for such services.

9.4 Refurbishing a Vacated Living Unit and Repairing Extraordinary Damage. Each time that you permanently vacate an Independent Living Unit or Assisted Living or Memory Care Unit, irrespective of the length of time of occupancy, we will perform work to clean, refurbish, and restore that Living Unit. This work will generally include, but is not limited to, cleaning or replacement of carpeting and flooring, spackling and/or painting of walls, removing any customized improvements, replacement of fixtures, or any other appropriate repairs repairing any extraordinary damage, in our sole discretion, to bring the Living Unit back to a like-new condition. The reasonable costs and expenses of this work (the "Refurbishing Charges") are charged as follows:

9.4.1 If you first entered the Community in an Independent Living Unit and you then permanently transfer from that Independent Living Unit to an Assisted Living Unit or to a Memory Care Unit, we will cover any portion of the Refurbishing Charges for work that is due to ordinary wear and tear. You will only be responsible to pay the portion of the Refurbishing Charges for work needed to repair any extraordinary damage to the Living Unit. By way of example, such extraordinary damage may include, but is not limited to, material damage to the walls, structures, or fixtures, material damage caused by pets, or material odors, stains, or damage due to smoking in the Living Unit. You must also pay the reasonable costs and expenses of removing any customized improvements that you made to the Living Unit unless we specifically agree in writing to accept those improvements for re-subscription to a new resident.

9.4.2 If you first entered the Community in an Independent Living Unit and you then permanently leave the Community from an Independent Living Unit, we will cover the Refurbishing Charges for work that is due to ordinary wear and tear. You will only be responsible to pay the portion of the Refurbishing Charges for work needed to repair any extraordinary damage to the Living Unit. By way of example, such extraordinary damage may include, but is not limited to, material damage to the walls, structures, or fixtures, material damage caused by pets, or material odors, stains, or damage due to

smoking in the Living Unit, or removing customized improvements. You must also pay the reasonable costs and expenses of removing any customized improvements that you made to the Living Unit unless we specifically agree in writing to accept those improvements for re-subscription to a new resident.

9.4.3 If you transfer from one Independent Living Unit to another Independent Living Unit, or if you transfer from an Assisted Living Unit or Memory Care Unit to any other Living Unit, or if you permanently leave the Community from an Assisted Living Unit or Memory Care Unit, you are responsible to pay the full Refurbishing Charges.

9.4.4 If your last residence at the Community is a Nursing Unit and you either permanently leave the Community from that unit or you pass away, we will cover the full Refurbishing Charges for the Nursing Unit.

9.5 Medical and Other Insurance. You must procure and maintain in force at your own cost, the maximum coverage available under Medicare Parts A and B. We may accept documented equivalent coverage if you are not qualified for Medicare or are insured under other adequate programs. We do not provide supplemental insurance. You must also procure and maintain, at your own expense, sufficient renter's insurance coverage against damage or, loss to, or theft of, your personal property maintained at the Community and coverage for personal liability and medical payments should a claim be made or suit brought against you for damages because of a bodily injury or property damage caused. You must provide evidence of such insurance prior to occupancy at our request.

9.6 Funeral Arrangements and Burial Expenses. Funeral arrangements and burial expenses are your responsibility. We will not make such arrangements or provide such services.

9.7 Non-Solicitation of Employees. We expend significant resources on the hiring, training and development of our employees. Recognizing this expenditure, during the Term of the Agreement, you agree not to employ any person currently employed by us, either directly or indirectly by hiring the services of any such person through a third party. You also agree not to employ any person formerly employed by us, either directly or indirectly by hiring the services of any such person through a third party, until two years have elapsed from the employee's last date of employment with us. You further agree not to solicit any person employed by us to terminate his or her employment in order to work for you directly or indirectly through a third party.

Section 10. FINANCIAL INABILITY TO PAY

It is our policy not to terminate a resident's occupancy for the resident's financial inability to pay provided that the resident is otherwise in compliance with the terms of such resident's Residence and Care Agreement. To the extent that it is financially feasible, we will assist residents who are unable to pay full Monthly Service Packages by providing financial assistance as described in this Section 10.

To insure that our charitable intentions are equitably allocated for the benefit of as many residents as possible, we require that, in the event that you claim to be unable to make full monthly payment by reason of financial inability, you must take any or all of the following actions, as directed by the Executive Director. We have the right, but not the obligation, to initiate financial assistance if we independently determine that you need financial assistance.

10.1 If your sources of funds, including expenditures of principal and the guaranty, if any, are inadequate for you to make the payments required under this Agreement, you must file with the Executive Director, on appropriate forms provided by the Executive Director, a Statement of Financial Inability to Pay. As part of the Statement of Financial Inability, you must disclose your remaining available assets and income. The Executive Director will review your financial position to determine the existence of any outside assets, including any guaranty agreements, which may first be spent for your care.

10.2 If you have outside assets other than the Entrance Deposit, the Executive Director will establish a Spending Plan for you to spend the outside assets and to obtain assistance from other available means. If you can qualify, you will take the necessary steps to obtain county, state, and federal aid or assistance including Medicare, public assistance and any other public benefit program. You agree to execute any and all documents necessary to make and perfect such claims or rights. If you fail to cooperate with the Spending Plan for the outside assets, such failure may constitute good cause for termination of the Agreement due to non-payment of fees in accordance with Section 12.3 of this Agreement.

10.3 After you complete the Spending Plan or if you have no available assets other than the Entrance Deposit, we will spend-down an amount up to the Entrance Deposit minus the Community Fee. After depletion of outside assets, the Entrance Deposit (less the Community Fee) is considered available to you for your maintenance and support. You may access these amounts, without moving from the Community, to pay any and all fees at the Community including any Monthly Service Packages or to pay another provider for support and maintenance if your income and other resources are insufficient to pay for support and maintenance. The Executive Director will notify you when spend-down is available and will give the effective date. You will receive periodic statements reflecting the remaining balance of the Entrance Deposit (less the Community Fee).

10.4 Upon completion of the spend-down, you may qualify for assistance from a resident benevolent care fund, when established by us and to the extent that it is financially feasible. If you are approved for such assistance, the Executive Director shall inform you of the amount which the resident benevolent care fund will contribute to the monthly fees and the amount which you must contribute to the Monthly Service Package.

10.5 If requested by us, you will transfer to an alternate Living Unit at the Community if and when available.

10.6 You will provide periodic statements of financial condition and copies of income tax returns as the same may be requested from time to time by us. You will notify us of any and

all assets acquired by you through any means thereafter, and you will assign or pay such property received to us in an amount equivalent to the total outstanding charges and fees, owed by you.

10.7 At present, we are not authorized to accept Medicaid for payment of Monthly Service Packages for any Living Units. If in the future we are able to accept Medicaid as a payment source, then you agree to also apply for Medicaid if you can qualify. When you are notified by the Executive Director approximately three months before the projected depletion of your remaining Entrance Deposit (less the Community Fee), you agree to immediately apply for Medicaid if available. You also agree to execute any and all documents necessary to make and perfect such claims or rights.

Section 11. TRANSFERS

11.1 Temporary and Permanent Transfers. For purposes of this Agreement, a temporary transfer is a transfer of an anticipated finite duration. During a temporary transfer, your permanent Living Unit shall remain available to you as long as you continue to pay the Monthly Service Package in accordance with Section 8.4. A permanent transfer is a transfer of indeterminate duration. During a permanent transfer, you will be requested to release the Living Unit. After a permanent transfer, if you are able to qualify to return to the Living Unit previously occupied at the Community or to a different, medically appropriate Living Unit at the Community, you shall have the right to occupy the Living Unit subject to the availability of such Living Unit, subject to our approval.

11.2 Transfer at the Election of Resident. You may elect to transfer, on a temporary or permanent basis, to an alternate Independent Living Unit, an Assisted Living Unit, Memory Care Unit, Nursing Unit, or an Off-Site Facility by giving notice to us. All transfers within the Community shall be subject to the availability of the elected alternate Living Unit and subject to our approval.

11.3 Transfer at the Election of WINDSOR RUN - Non-Emergency. All decisions regarding a transfer of any resident, except for emergency transfers, shall be made by a committee consisting of the Executive Director (or his or her designee) and the Medical Director (or his or her designee) (collectively referred to as the "Committee"). The Committee will consult with you or your legal representative. If you have a Guarantor or ombudsman, such person also will be consulted if you so request. We attempt to interact with you or your representative with the goal of achieving a consensus on the need for a transfer although a consensus is not always achieved.

You will not be transferred, temporarily or permanently, to a different Living Unit unless (1) in the opinion of the Committee, such transfer is deemed appropriate for the protection of your health and/or safety or the general and/or economic welfare of other residents, (2) in the opinion of the Committee, the transfer is deemed necessary due to financial inability to pay the Monthly Service Package, or (3) in the case of a permanent transfer to an Off-Site Facility that provides treatment for mental disorders, the need for such transfer is certified by two physicians or one physician and one psychologist. If you are transferring due to event (1) or (3) listed above

and the Living Unit is occupied by a Joint Resident, the remaining Joint Resident may continue to occupy the Living Unit.

The Committee shall give you thirty (30) days advance written notice of the proposed transfer. You or your representative shall notify us of any objection to the permanent transfer within ten (10) days of receipt of the notice. If you or your representative do not consent to the transfer, the Committee may, in its discretion and in lieu of a transfer, require Ancillary Services be provided to you if a higher level of care is deemed appropriate in the opinion of the Committee for the protection of your health and safety or the welfare of other residents. If you or your representative do not consent to either the transfer or the provision of Ancillary Services, we may consider such refusal to constitute just cause to terminate the Agreement in accordance with Section 12.3 hereof.

11.4 Transfer at the Election of WINDSOR RUN - Emergency. If your health and safety or the health and safety of other residents require immediate action, the Executive Director with the approval, if reasonably obtainable, of the Medical Director, may transfer you from your current Living Unit to a different Living Unit or an Off-Site Facility, on a temporary or permanent basis. Emergency circumstances arise when there is a danger of immediate, irreparable harm to your health and safety or to the health and safety of other people at the Community. In the event that you are required to be transferred to Continuing Care at Windsor Run during a period that you are suffering from legal incompetency, you agree to be bound by the terms of the Agreement in effect at the time of such transfer.

11.5 Use of Living Unit. In the event of a temporary transfer, whether at your election or at our election, your prior Living Unit will remain available to you as long as you continue to pay the Monthly Service Package for the permanent Living Unit in accordance with Section 8.4 hereof.

In the event of a permanent transfer, whether at your election or our election, you or your representative shall sign Living Unit Release Transfer form unless you are one of Joint Residents and the other Joint Resident remains in the Living Unit. After receipt of notice of permanent transfer, you shall take all reasonable steps to vacate the Living Unit before the date set for the transfer. You or your representative shall then be responsible for vacating the Living Unit and removing all personal possessions from the Living Unit. We shall have the right to show the Living Unit to interested applicants as of the Departure Date indicated in the Unit Release Form.

If you fail to vacate the Living Unit by the indicated Departure Date or, in the event of a transfer by us, within sixty (60) days from the notice of transfer, we shall have the right to store your possessions in a general storage area at the Community or to arrange for storage in a commercial storage facility, all at your expense, until disposition thereof can be made. We assume no responsibility for your stored possessions.

Section 12. TERMINATION

12.1 Termination Within Rescission Period or Prior to Occupancy. Either party may terminate the Agreement in the following circumstances:

12.1.1 You may rescind this Agreement within thirty (30) days of the later of the date you received the Windsor Run Disclosure Statement or the date you executed this Agreement (you are not required to move into the Living Unit before the expiration of the later thirty (30) day period). However, should you elect to occupy the Living Unit prior to the expiration of the thirty (30) day rescission period, such occupancy shall not be considered a waiver of the rescission period;

12.1.2 Your Agreement will be automatically canceled if you die before occupying the Living Unit or are precluded from occupying the Living Unit due to illness, injury, or incapacity; or

12.1.3 We elect to terminate the Agreement if it is determined that you are ineligible for entrance into the Community.

If the Agreement is rescinded or terminated as provided in this Section 12.1, you shall receive a refund of the Entrance Deposit as described in Section 7.4. You will not receive a refund of any costs specifically incurred by us at your request as set forth in a separate written addendum, signed by both parties. You shall not receive a refund of any Monthly Service Package related to your actual occupancy of the Living Unit.

12.2 Termination by Resident. After occupancy and after the expiration of the rescission period described in Section 12.1, you may terminate this Agreement at any time and for any reason by giving sixty (60) days' notice to us of your intention to terminate.

12.3 Termination by WINDSOR RUN. Our decision to terminate this Agreement shall be made by the Executive Director of the Community. We may not terminate this Agreement without good cause. "Good cause" is defined as: (i) non-payment of Fees; (ii) a good faith determination in writing, signed by the Executive Director and Medical Director of the Community, that you are a danger to yourself or others while remaining in the Community; (iii) repeated conduct by you that interferes with other residents' quiet enjoyment of the Community; (iv) persistent refusal to comply with reasonable written rules and regulations of the Community; (v) a material misrepresentation made intentionally or recklessly by you in your application for residency, or related materials, regarding information which, if accurately provided, would have resulted in either your failure to qualify for residency or a material increase in the cost of providing care and service to you under the Agreement; or (vi) your material breach of the terms and conditions of this Agreement.

Except for termination due to non-payment of fees, we will give you sixty (60) days written notice of the termination and the reason for termination. In the event of non-payment of fees, we will give you written notice that you are in default under this Agreement for non-payment of fees. We may charge you interest on the overdue amount of one and one-half percent (1 ½ %) per month. If you fail to make full payment of all outstanding fees and charges within thirty (30) days of receipt of the notice, we may, at our election, either terminate the Agreement upon an additional thirty (30) days' notice or may require a spend-down of the

Entrance Deposit, in accordance with the Community's spend-down procedures as generally set forth in Section 10 of this Agreement, to offset the overdue fees and charges. Our acceptance of partial payment of the fees does not constitute a waiver of the outstanding fees and charges unless we agree to a waiver in writing.

12.4 Vacating the Living Unit. Upon termination of the Agreement either at your election, our election, or due to your death, you or your representative, shall sign and give to us Unit Release Form advising of your Departure Date. You or your representative shall then be responsible to vacate the Living Unit and to remove all personal possessions from the Living Unit. We shall have the right to show the Living Unit to interested applicants as of the date indicated in the Unit Release Form.

If you fail to vacate the Living Unit by the indicated Departure Date or, in the event of a termination by us within the required time for the notice of termination as provided in Section 12.3, we shall have the right to store your possessions in a general storage area at the Community or to arrange for storage in a commercial storage facility, all at your expense, until disposition thereof can be made. We assume no responsibility for your stored possessions.

Section 13. RIGHTS OF WINDSOR RUN

13.1 Community Rules and Regulations. We shall have the right to promulgate reasonable rules and regulations governing the conduct of the residents. You agree and acknowledge that you have received such rules and regulations including those in our current Resident Handbook (as they may be further amended). You will enjoy the fullest measure of independence consistent with the accommodation in which you live, subject, however, to the limitations of our reasonable rules and regulations now or hereafter adopted for the conduct and care of all residents. You hereby agree to abide by all such rules and regulations, and generally to conduct yourself in such a manner as to promote the peace and harmony of the Community.

13.2 Access to Living Units at the Community. You acknowledge and accept our ability and authority to enter the Living Unit in order to carry out the purpose and intent of this Agreement and you hereby authorize such entry. Such entry includes (1) performance of authorized housekeeping duties; (2) response to medical emergencies; (3) responses to fire protection systems; (4) entry by authorized personnel in the event that you are reported missing or have not responded to a call; (5) scheduled maintenance activities; and (6) enforcement of the Community's policies and procedures. We acknowledge and respect your right to privacy and agree to limit uninvited entry into the Living Unit at the Community to the situations set forth in this paragraph.

13.3 Property Rights. You acknowledge that, except as expressly set forth in this Agreement, the rights and privileges granted by this Agreement do not include any right, title, lease, or any other interest in any part of the personal property or real property - including land, buildings and improvements - owned, leased or administered by us. Your rights are limited to the rights provided in this Agreement for services and the occupancy of the Living Units. Except for your right to occupy the Living Unit, any rights, privileges or benefits under this Agreement shall be subordinate to any mortgage or deed of trust or leasehold interest on any of the premises

or interest in our real and personal property, to all amendments, modifications, replacement or refunding, of any such mortgage or deed of trust or leasehold interest, and to such reasonable rules and regulations governing the use of the property as shall from time to time be imposed by us. You hereby agree, upon our request, to execute and deliver any document which is required to this effect by us, or by the holder of such mortgage or deed of trust or leasehold interest to effect such subordination or to evidence the same, and appoint WINDSOR RUN as your attorney-in-fact to accomplish that purpose.

13.4 Limitation of Liability. We will not be responsible for the loss of any of your personal property due to theft or any other cause. Our liability for damage to or loss of your personal property shall be limited to damage or loss caused by negligent acts or omissions of us or our employees acting within the scope of their employment.

13.5 Unauthorized Transfers of Property. The financial information which you submitted is a material aspect upon which we reasonably relied in determining your qualifications for becoming a resident of the Community. Being able to meet the financial criteria to become a resident helps assure the financial stability of this Community. In determining financial criteria for residency, we consider the applicant's reported income and assets in light of the Community's current and future commitments and obligations. Furthermore, we are committed to take every reasonable step to assist residents who have depleted those assets through normal living expenditures so that he or she may continue to remain as a resident of the Community. However, in order to protect us from a situation wherein a resident divests him/herself of those assets for the purpose of qualifying for assistance or reduction of Monthly Service Packages, you hereby agree not to divest yourself of, to sell, or transfer any assets or property interests (excluding expenditures for your normal living expenses) that reduces the assets that you or your representative disclosed as available assets for you on admission, without having first obtained our written consent.

13.6 Religious Affiliation and Sponsorship. Windsor Run is a for-profit limited liability company. Windsor Run is not affiliated with any religious organization.

13.7 Non-Smoking Policy. You agree to abide by our prohibition against smoking including vaping or e-smoking in the Living Unit, including balconies or patios, and in common areas. Your guests, or contractors are also prohibited from smoking, including vaping or e-smoking in the Living Unit or in the common areas of the Community. You further understand that we may consider your failure to abide by the non-smoking policy as cause to terminate the Residence and Care Agreement.

Section 14. MISCELLANEOUS PROVISIONS

14.3 Non-waiver. The failure of any party in any one or more instances to insist on the strict performance, observance or compliance by the other party with any of the terms or provisions of this Agreement, shall not be a continuing waiver thereof nor construed to be a waiver or relinquishment by a party of its rights to insist upon strict compliance by the other party with all of the terms and provisions of this Agreement.

14.4 Entire Agreement. This Agreement, the documents referenced in Section 14.1, and the terms of the Disclosure Statement in effect for the Community, represents the entire agreement between us, you and Guarantor, if any, and supersedes all prior Agreements and negotiations. 14.10 Assignment. In the event that we or any of our successors or assigns shall give Resident notice that any or all of our rights, duties and obligations have been assigned to a new person or entity certified as a continuing care provider under the laws of North Carolina by the North Carolina Department of Insurance to provide services to residents of the Community, you agree to recognize such new person or entity as the provider under this Agreement, to the extent of such assignment.

14.11 Electronic Signatures & Counter-Parts. Any electronic signature (including any electronic symbol or process used by a signatory with the intent to sign or authenticate) of this Agreement shall have the same legal validity and enforceability as an original, manual signature to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, or any similar state law based on the Uniform Electronic Transactions Act. The parties to this Agreement may sign separately in several counter-parts, all of which together shall constitute one and the same Agreement.

Section 15. DEFINITIONS

Whenever the following words or phrases appear in this Agreement beginning with a capital letter, these definitions shall apply:

Act: The North Carolina Continuing Care Retirement Community Regulation and Financial Disclosure Act, as the same shall be amended and in effect from time to time hereunder.

Agreement: This document, including all exhibits, supplements, amendments or addenda, as signed by us, you, and Guarantor, if any.

Ancillary Services: Those services specified in Section 5 of this Agreement which either we provide or are provided by approved outside providers, the cost of which is not included in the Monthly Service Package or Nursing Fees. Periodic charges for Ancillary Services may be changed from time to time by us as specified in Section 9.2 or by the outside providers.

Application Fee: The fee payable when you submit an application for residency at the Community or for a position on the futures or standby list.

Assisted Living Unit: Accommodations for residents who need a higher level of care and more daily assistance than is available in an Independent Living Unit, but who need a lesser degree of medical care, personal care and service than is provided in a Nursing Unit.

Community: The physical site and structures which we operate as a retirement community in Matthews, North Carolina.

Community Fee: The Community Fee is defined as ten percent (10%) of the original Entrance Deposit paid by you at admission. If you later transfer to a Living Unit with a larger Entrance Deposit and paid an additional sum towards the larger Entrance Deposit, then the Community Fee is defined as ten percent (10%) of your original Entrance Deposit paid at admission plus ten percent (10%) of the incremental Entrance Deposit paid by you on transfer to the Living Unit with the larger Entrance Deposit. The Community Fee does not decrease if you move to a Living Unit with a lower Entrance Deposit.

Continuing Care at Windsor Run: The Community building in which the Assisted Living Units and the Memory Care Units will be situated. The Continuing Care facility will be licensed for assisted living and memory care but will not be licensed to provide skilled nursing, long-term care nursing, chronic or acute hospital care or other institutional care. Such services, if required by you, are not services covered under the scope of this Agreement.

Covered Services: Those services specified in Section 4 of this Agreement which we make available for the applicable Monthly Service Package or Nursing Fees.

Departure Date: The date on which you or, in the event of your death, your personal representative or family, vacates the Living Unit after providing us with a signed Unit Release Form, removing all possessions from such Living Unit, and turning in the Living Unit keys. If you or your personal representative or family do not timely provide us with a signed Unit Release Form, remove the possessions, or turn in the keys, the Departure Date shall be the date on which we remove all possessions from the Living Unit and places them in a general storage area at the Community or in a commercial storage facility, all at your expense, until disposition thereof can be made. We assume no responsibility for your stored possessions.

Entrance Deposit: The Entrance Deposit required to be paid to us on or before the Occupancy Date as set forth in Section 7.1 of this Agreement, as may be modified, which Entrance Deposit is generally paid in a series of deposits. The 10% Community Fee is deducted from the Entrance Deposit.

Executive Director: The chief administrative officer of the Community appointed as such by Windsor Run.

Guarantor: Any person or persons who guarantee your obligations to pay the Monthly Service Package or any other fees or periodic charges payable by you under the terms of this Agreement.

Independent Living Unit: Living accommodations at the Community for a resident who is able to live independently within our guidelines.

Joint Residents: Two or more residents who reside together in a particular Living Unit.

Living Unit: An Independent Living Unit, Assisted Living Unit, Memory Care Unit, or Nursing Unit.

Medical Director: A licensed physician whom we officially designate as the person responsible for the direction and control of medical services offered at the Community.

Memory Care Unit: Room accommodations for a resident who is unable to perform normal functions necessary to live in an Independent Living Unit and needs programming for dementia or similar memory care disorders but who needs a lesser degree of medical care, personal care and service than is provided in a Nursing Unit.

Monthly Meal Credit Plan: The standard meal plan for residents in Independent Living Units. Each Resident has a monthly meal credit which allows purchase of one standard meal per day in the calendar month with a declining monetary balance as the credit is used. In addition to offering premium meals, the community will always have a selection of meal offerings at the standard daily credit amount. You may use the meal credit on a daily basis or as otherwise desired through the calendar month until the allowance is exhausted for that calendar month. The meal credit may also be used by you for guest meals during the calendar month. At the beginning of each calendar month, you receive a new credit balance for that new month. If you do not use the all of the meal credit within the calendar month, any unused portion is forfeited, does not carry over to the next month, and no credit will be due to you.

Monthly Service Package: The fee payable with respect to a particular Living Unit as specified in Section 8.1 hereof, which fee includes the Covered Services specified in Section 4 hereof. Monthly Service Packages may be adjusted as provided in Section 8.3 hereof.

(Ninety Percent) 90% Refund Amount: The refund payable to you or your beneficiaries, as the case may be, upon termination of this Agreement. Your refund will be equal to ninety percent (90%) of the total Entrance Deposit unless: (i) the Entrance Deposit, minus the Community Fee, has been partially or fully spent down for your care per Section 10 of this Agreement, or (ii) you or your representative, as the case may be, elect to deduct the outstanding fees and charges from the 90% Refund Amount for your convenience.

Non-Occupancy Credit: You may receive a Non-Occupancy Credit to reduce your Monthly Service Package when you are, or if one of Joint Residents, then the Joint Residents are, transferred temporarily to a different Living Unit. You may receive a Non-Occupancy Credit upon request in other circumstances in the sole discretion of the Executive Director. The current Non-Occupancy Credit is provided on Schedule I, Ancillary Fee Schedule. Adjustments to and policies concerning the Non-Occupancy Credit are made by us in our sole discretion. Credit is given based on the required consecutive days of absence.

Notice: For the purposes of this Agreement, notice shall be deemed to have been given to you when deposited in your community mailbox or personally delivered to you, and given to Windsor Run when either personally delivered or delivered with return receipt to the office of the Executive Director at the Community and to General Counsel at the corporate office situated at 701 Maiden Choice Lane, Baltimore, Maryland 21228. If you have not yet taken possession of the Living Unit, then notice to you shall be given by first-class mail, postage pre-paid, to your

last known address and such notice shall be deemed to be effective on the third day following such mailing. If you have been transferred to an Off-Site Facility, notice shall be given by first-class mail, postage pre-paid, to you at such Off-Site Facility and shall be deemed to be effective on the third day following such mailing.

Nursing Fee: A rate based on the type of Nursing Unit occupied and Entrance Deposit level for the Resident. Fees for care in a Nursing Unit are determined by us based on nursing personnel costs and other financial considerations. Adjustments to the Nursing Fee shall be made in accordance with Section 8.3.

Nursing Unit: Room accommodations for a resident who is unable to perform normal functions necessary to live in an Independent Living Unit, Assisted Living Unit, or Memory Care Unit and who needs the degree of medical care, personal care and service that is provided in a Nursing Unit or a Special Service Facility.

Occupancy Date: The date on which you are authorized by Windsor Run to take possession of a Living Unit. On this date, you are allowed access to move belongings or to personally inhabit the Living Unit pursuant to this Agreement. Delivery of keys to you shall be deemed authorization to take possession.

Off-Site Facility: Any housing or health care facility not located within the Community and which is neither owned nor operated by Windsor Run.

Participating Independent Living Unit: A participating Independent Living Unit is an Independent Living Unit whose prior resident had either: i) a Residence and Care Agreement with a 90% Refund Amount obligation, or ii) a Residence and Care Agreement with a refund obligation of less than 90%. We fund the Refund Account with all or a portion of such Entrance Deposits. A Living Unit that has not been previously occupied with an initial Entrance Deposit is not a participating unit.

Refund Form: An agreement signed by you, when accepted by us, designating to whom the 90% Refund Amount shall be made upon termination of this Agreement.

Refund Account: The balance(s) which we establish to fund the 90% Refund Amount to eligible residents upon termination of the Agreement. The Refund Account ledger is funded only when we receive all or a portion of new Entrance Deposits from new residents who sign a Residence and Care Agreement with a 90% Refund Amount obligation for participating Independent Living Units. The new resident's right of rescission must also be expired for the Refund Account to receive all or a portion of the Entrance Deposit. We make continued refunds from the Refund Account as new available funds are received into the Refund Account. We have the right to temporarily suspend refunds if the Refund Account has insufficient funds to pay the next sequential refund that is due. We pay the 90% Refund Amount based on assigned Refund Numbers generally proceeding in sequential order.

Refund Form: An agreement signed by you, when accepted by us, designating to whom the 90% Refund Amount shall be made upon termination of this Agreement.

It is intended that the Living Unit shall be restored to the condition that it was in before it was occupied by the recent resident. The determination as to the extent of refurbishment shall be established by the Executive Director.

Repairing Extraordinary Damage: By way of example, such extraordinary damage may include, but is not limited to, material damage to the walls, structures, or fixtures, material damage caused by pets, or material odors, stains, or damage due to smoking in the Living Unit. You must also pay the reasonable costs and expenses of removing any customized improvements that you made to the Living Unit unless we specifically agree in writing to accept those improvements for re-subscription to a new resident. The extent of refurbishing is determined by WINDSOR RUN, in our sole discretion to put the Living Unit into like-new condition.

Reserved Parking Space: For an Independent Living Unit, Windsor Run will provide one designated parking space per Independent Living Unit for your personal vehicle. Your right to use a parking space will terminate if you no longer own or use a personal vehicle. If available, an additional parking space may be reserved for a 2nd second vehicle for an additional fee.

Windsor Run Priority List Application

Conditions of the Priority List Agreement

- ① Your status on the Priority List is determined by your priority date with earlier dates having higher priority. Paying the refundable Priority Deposit and the application fee will ensure that you are placed on the list based on the day the Sales and Information Office receives your application.
- ② If you wish to move from the Priority List to an apartment home reservation, you will not need to complete another application or pay another Priority Deposit or application fee. You will need to pay an additional reservation deposit, which is always refundable per the Residence and Care Agreement.
- ③ Prior to moving to Windsor Run, applicants must complete the admissions process which includes financial and health/service screenings. Windsor Run reserves the right to determine if the community offers appropriate care and services for the applicant. Windsor Run may offer conditional approval or may offer a different residence than the applicant's preference.
- ④ Joining the Priority List does not ensure that the amount of the Entrance Deposit will not change before the applicant enters the community. Reserving an apartment does ensure that the Entrance Deposit for that specific apartment will not change if the applicant enters the community within the requisite time frame.

Reservation Deposit Agreement

- ① Your \$1,000 Priority Deposit and any additional deposits will be applied in full toward your Entrance Deposit as you begin your move to Windsor Run. This Reservation Deposit Agreement is a binding agreement that can be cancelled as stated below.
- ② All deposits will be returned to you: (a) within 30 days of a written request; (b) if you are determined to be ineligible for entrance into the community; or (c) if you rescind the Residence and Care Agreement within 30 days of execution of the Agreement or receipt of a Disclosure Statement which meets the requirements of N.C.G.A. Chapter 58, Article 64, whichever is later and regardless of occupancy. In addition, all deposits are returned when this agreement is automatically cancelled due to your death, illness, injury or incapacity that would preclude you from occupying a living unit in the community under the terms of the contract. All deposits will also be returned if the facility is not constructed or the apartment does not meet the specifications in the Disclosure Statement received by the applicant.
- ③ As you complete your move to Windsor Run, all of your deposits toward the Entrance Deposit will remain in escrow until (a) the deposit is returned to you as described in Section 2 above or (b) the escrow agent releases the Entrance Deposit to Windsor Run as permitted by state law and/or the escrow agreement.
- ④ Any interest earned on deposits in escrow will be used for the benefit of Windsor Run.
- ⑤ Your \$150 per person application fee is a one-time, nonrefundable fee. The application fee is refundable only if you exercise the right of rescission described in Section 2(d) above, but Windsor Run may retain the application fee as a reasonable service charge if it does not exceed two percent (2%) of the Entrance Deposit.

D. Refund Form

WINDSOR RUN
REFUND FORM

Name of Resident(s): _____
Living Unit: _____
Date of Receipt by _____
WINDSOR RUN: _____

Preliminary Statements and Directions

1. Pursuant to the Residence and Care Agreement (the "Care Agreement") with WINDSOR RUN, Resident is entitled to a 90% refund of the Entrance Deposit paid to WINDSOR RUN under certain specified conditions during Resident's lifetime or upon Resident's death based upon termination of the applicable Care Agreement (referred to as the "Refund"). Resident's right to the Refund is set forth in the Care Agreement. This Refund Form is only for the purpose of designating the beneficiaries and does not change the terms and conditions for the Refund. Resident and Resident's beneficiaries are subject to all terms and conditions for the Refund and should review the same carefully. For the purpose of these Refund Forms, the term "Resident" includes the plural.

2. Resident understands that the purpose and effect of this Refund Form is to designate the beneficiary(ies) of the right to the Refund. By signing this Refund Form, Resident is hereby revoking any previously executed Refund Forms.

3. If the Entrance Deposit is being paid on behalf of two (or more) Joint Residents, both Joint Residents understand that the Entrance Deposit of the first Joint Resident to pass on will be treated as though it has been paid by the survivor, to be used for the survivor's care if necessary (minus the Community Fee if applicable), and that the Refund will eventually be paid to the survivor or the survivor's beneficiary(ies).

4. **Resident understands that it is Resident's responsibility to review the terms of this Refund Form to make sure that its terms are coordinated with Resident's current will or other trusts and estate plan. WINDSOR RUN strongly recommends that Resident review this Refund Form with an attorney or other estate planning professional prior to execution to ensure such coordination and to review potential tax liability in making these designations or in the eventual payment of the refund.** WINDSOR RUN reserves the right to review and approve the forms so that the right to the refund is clearly delineated for WINDSOR RUN's staff.

5. WINDSOR RUN will make the Refund only as specified in the most recent duly executed and approved Refund Form. Resident may revise the right to the Refund by duly executing a new Refund Form.

6. Please sign one of the following forms designating the right to the Refund. Be sure to read all of the forms before making a selection. If you do not understand the forms, please consult

with your estate planning professional. If you do not understand the directions, please consult with the Sales and Admissions Staff. **You may select and sign only one form.**

7. If Resident is designating the Refund to more than 1 beneficiary, percentages must add up to 100%. Please do not fill in cash amounts. WINDSOR RUN can only refund based upon percentages of the Refund, due to the possibility of a spend-down or partial spend-down of the Entrance Deposit.

8. It is the responsibility of Resident or Resident's representative, if applicable, to give WINDSOR RUN the most recent addresses for all listed beneficiaries.

9. There are no third-party beneficiaries to this agreement between WINDSOR RUN and Resident. WINDSOR RUN is not responsible for notifying or advising any beneficiaries of changes in the designation of the Refund.

10. I. Guaranty Agreement (if any)

WINDSOR RUN
GUARANTY AGREEMENT ADDENDUM TO
RESIDENCE AND CARE AGREEMENT

This Guaranty Agreement is made as of this _____ day of _____, 20____
between Windsor Run, LLC, ("Windsor Run") and _____
_____ (herein collectively referred to as "Guarantor").

WHEREAS, _____ ("Beneficiary") desires to become a
resident at the Windsor Run Retirement Community and has entered or will enter into a Residence
and Care Agreement with Windsor Run;

WHEREAS, Beneficiary's current financial status does not meet Windsor Run' standard
qualifications, and Windsor Run cannot allow Beneficiary to become a resident without additional
assurances;

WHEREAS, Guarantor desires to give Windsor Run additional assurances in order to induce
Windsor Run to accept the Beneficiary as a resident;

NOW THEREFORE, in consideration of the foregoing and other good and valuable
consideration, the receipt and sufficiency of which is acknowledged, the parties hereby agree as
follows:

1. Guarantor agrees to voluntarily and unconditionally guarantee payment (the
"Guaranty") of Beneficiary's obligations which are due or may become due to Windsor Run incurred
relative to Beneficiary's residence at Windsor Run pursuant to the terms of the Residence and Care
Agreement. This Guaranty shall continue in effect from the date of this Agreement until the
Guarantor is released by Windsor Run pursuant to Section 8 of this Agreement. The Guaranty is
unlimited as to amount.

2. Guarantor understands that this is an unconditional Guaranty of payment, not
collection. If Windsor Run believes, in its sole discretion, that an attempt to collect from the
Beneficiary may be detrimental to the Beneficiary's health or would not be reasonable considering
Beneficiary's economic condition, Windsor Run will not attempt to collect from the Beneficiary first.

3. Windsor Run will use its sole discretion in determining whether or not to proceed to
collect amounts from Guarantor or other sources. In exercising that discretion, as a matter of policy
but not obligation, generally Windsor Run will first determine if Beneficiary has any readily
available source of funds to pay his/her obligations and if Beneficiary does, seek to obtain the funds
from such source; second, seek to obtain payment from Guarantor; third, from spending down the
Entrance Deposit paid to Windsor Run; fourth, seek to obtain payment from medical assistance if
Windsor Run believes medical assistance is available to Beneficiary; and finally, seek to obtain funds
from any remaining source of available funds.

4. Subject to verification of Beneficiary's financial qualifications and health-related status, Windsor Run agrees to accept Beneficiary as a resident pursuant to the terms of the Residence and Care Agreement.

5. Guarantor hereby waives its rights to the following: presentment, demand, dishonor, protest, notice of nonpayment, and notice of dishonor. Guarantor further agrees that all arrangements concerning Beneficiary's financial obligations to Windsor Run shall be made and decided solely between Windsor Run and the Beneficiary. However, Guarantor shall be entitled, upon request, to receive a copy of Beneficiary's monthly statement.

6. Guarantor will be deemed to have defaulted under this Guaranty Agreement in the event that Guarantor fails to pay to Windsor Run all amounts due and payable pursuant to the Guaranty within forty-five (45) days of demand by Windsor Run for payment pursuant to the Guaranty.

7. In the event of a Default, in addition to any amounts due pursuant to the Guaranty, Guarantor shall also be responsible for any court costs, including reasonable attorneys' fees, that might be incurred by Windsor Run in enforcing the Agreement. The parties agree that this agreement shall be interpreted under the laws of the State of North Carolina and that venue for any claim arising out of this Guaranty Agreement shall be in Mecklenburg County, North Carolina.

8. In the event that Beneficiary terminates the Residence and Care Agreement during his/ her lifetime or dies during residence at Windsor Run, Windsor Run agrees that Guarantor shall be released from its obligations under this Guaranty Agreement upon satisfaction of all of Beneficiary's outstanding charges.

9. This Guaranty is incorporated into the Residence and Care Agreement. The Residence and Care Agreement remains in full force and effect, and, if there is any inconsistency between this Guaranty and the Residence and Care Agreement, the Residence and Care Agreement shall govern.

10. Any electronic signature (including any electronic symbol or process used by a signatory with the intent to sign or authenticate) of this Guaranty Agreement shall have the same legal validity and enforceability as an original, manual signature to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, or any similar state law based on the Uniform Electronic Transactions Act. LIMITED GUARANTY AGREEMENT (JOINT ASSETS)
ADDENDUM TO RESIDENCE AND CARE AGREEMENT

This Guaranty Agreement is made as of this _____ day of _____, 20__ between Windsor Run, LLC ("Windsor Run") and _____ (herein collectively referred to as "Guarantor").

Recitals

R.1 _____ ("Beneficiary") desires to become a resident at the Windsor Run Retirement Community and will enter into a Residence and Care Agreement with Windsor Run;

R.2 Beneficiary and Guarantor own jointly the assets (the "Joint Assets") set forth in Exhibit A, attached to and incorporated in this Agreement which Joint Assets have the value set forth in Exhibit A as of the date of this Agreement;

R.3 Due to the ownership of the Joint Assets, Beneficiary's individual financial status does not meet Windsor Run's standard qualifications for residency;

R.4 Guarantor desires to give Windsor Run additional assurances as to the Joint Assets in order to induce Windsor Run to accept the Beneficiary as a resident;

Agreement

NOW THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, the parties hereby agree as follows:

1. Subject to the limitations set forth in Section 2 hereof, Guarantor agrees to voluntarily and unconditionally guarantee payment (the "Guaranty") of Beneficiary's obligations which are due or may become due to Windsor Run incurred relative to Beneficiary's residence at Windsor Run pursuant to the terms of the Residence and Care Agreement. This Guaranty shall continue in effect from the date of this Agreement until the Guarantor is released by Windsor Run pursuant to Section 9 of this Agreement.

2. Unless Guarantor has committed a Default under this Guaranty as defined in Section 5 hereof, the Guaranty is limited to payment from the Joint Assets as set forth in Exhibit A. Guarantor understands that this is an unconditional Guaranty of payment, not collection.

3. Subject to Windsor Run's verification of Beneficiary's financial qualifications other than the Joint Assets and to Windsor Run's determination of the appropriate level of care for

Beneficiary, Windsor Run agrees to accept Beneficiary as a resident pursuant to the terms of the Residence and Care Agreement.

4. In the event that Beneficiary is unable to meet his/her obligations under the Residence and Care Agreement without use of the Joint Assets, Windsor Run will use its sole discretion in determining whether or not to proceed to collect amounts from the Beneficiary, the Joint Assets, the Guarantor, or other sources. In exercising that discretion, as a matter of policy but not obligation, generally Windsor Run will take the following steps:

- 4.1. Upon Beneficiary's or Beneficiary's duly authorized representative's request for assistance pursuant to the Residence and Care Agreement, Windsor Run shall review the Beneficiary's then-current financial status, including but not limited to the balance of the Joint Assets. Windsor Run may request further documentation to show that any changes in the value of the Joint Assets, as shown in Exhibit A, were either expenditures made for the direct benefit of the Beneficiary or market fluctuations in the value of the Joint Assets.
- 4.2. If Windsor Run believes in its sole discretion that any expenditures from the Joint Assets were spent for the benefit of Beneficiary and that Beneficiary is not otherwise in breach of the Residence and Care Agreement, Windsor Run may then initiate a spend-down plan with the Beneficiary or the duly authorized representative for Beneficiary's assets, including the Joint Assets, other than the Entrance Deposit. Windsor Run may require that Resident seek to obtain funds from outside sources such as medical assistance. If Windsor Run believes in its sole discretion that any expenditures from the Joint Assets were due to a Default by Guarantor, Windsor Run shall proceed as provided in Section 5 hereof.
- 4.3. After spend-down of Beneficiary's assets, including the Joint Assets, Windsor Run shall release the Guaranty and shall initiate a spend-down of the entrance deposit.

5. Guarantor will be in Default under this Guaranty Agreement in the event that Guarantor withdraws, spends, distributes, pledges, assigns, or otherwise uses the Joint Assets for any purpose other than for the direct benefit of the Beneficiary. In the event of a Default, as a matter of policy but not obligation, Windsor Run shall normally proceed as follows:

- 5.1. Prior to initiating a spend-down plan as described in Section 4.2, Windsor Run shall first enforce the Guaranty. Windsor Run shall have the right to enforce payment of the Guaranty against any and all of Guarantor's personal assets in any form whatsoever and shall not be limited to payment from the Joint Assets. The Guaranty shall be limited to the amount of the Joint Assets withdrawn, spent, distributed, pledged, assigned, or otherwise used by the

Guarantor other than for the direct benefit of the Beneficiary, which amount shall be determined by Windsor Run in its sole discretion.

- 5.2. In the event that Windsor Run is required to hire a collection agency or to initiate legal proceedings to enforce the Guaranty, in addition to any amounts due pursuant to the Guaranty, Guarantor shall also be responsible for any and all interest, collection costs, and court costs, including reasonable attorneys' fees, that might be incurred by Windsor Run in enforcing the Guaranty.
- 5.3. After payment to Windsor Run of all sums due pursuant to the Guaranty and any interest, collection costs, court costs, including reasonable attorney's fees, which may be due pursuant to Section 5.2, Windsor Run will work with the Beneficiary or the Beneficiary's duly authorized representative to initiate the steps listed in Section 4.2 and 4.3 hereof for the spend-down program.

6. The parties agree that this agreement shall be interpreted under the laws of the State of North Carolina and that venue for any claim arising out of this Guaranty Agreement shall be in Mecklenburg County, North Carolina.

7. Guarantor hereby waives its rights to the following: presentment, demand, dishonor, protest, notice of nonpayment, and notice of dishonor. Guarantor further agrees that all arrangements concerning Beneficiary's financial obligations to Windsor Run shall be made and decided solely between Windsor Run and the Beneficiary. However, Guarantor shall be entitled, upon request, to receive a copy of Beneficiary's monthly statement.

8. In addition to all rights available to Windsor Run under this Agreement, Windsor Run shall also have all of the rights and remedies enumerated in the Residence and Care Agreement, up to and including termination of residency, for non-payment of fees.

9. Windsor Run agrees that it will release Guarantor from the obligations under this Guaranty Agreement upon the sooner of:

- a. The termination of the Residence and Care Agreement either during his/ her lifetime or due to Beneficiary's death, upon satisfaction of all Guarantor's obligation under this Guaranty Agreement and ninety (90) days following Beneficiary's Departure Date or resale of the Living Unit, whichever event shall occur first;
- b. The completion of the steps listed in Sections 4.1, 4.2 and 4.3 hereof; or
- c. The payment of all sums due to Windsor Run, as enumerated in Section 5.3, in the event of a Default.

10. Any electronic signature (including any electronic symbol or process used by a signatory with the intent to sign or authenticate) of this Guaranty Agreement shall have the same legal validity and enforceability as an original, manual signature to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, or any similar state law based on the Uniform Electronic Transactions Act. The parties to this Guaranty Agreement may sign separately in several counter-parts, all of which together shall constitute one and the same Agreement.

RECITALS

R.1 Windsor Run Retirement Community (the "Community") is a continuing care retirement community located in Matthews, North Carolina, offering various living accommodations and services to seniors, as described herein.

R.2 WINDSOR RUN is a certified continuing care provider under the laws of the State of North Carolina. WINDSOR RUN desires to provide certain services listed in this Agreement to Resident and Resident desires to receive such services.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Section 1. DESCRIPTION OF COMMUNITY

The Community is planned to include Independent Living Units, Assisted Living Units, Memory Care Units, and Nursing Units. The Community is a smoke-free, tobacco-free campus and you agree to abide by our rules restricting smoking and use of tobacco products.

1.1 Independent Living Units. The Community currently includes over 300 Independent Living Units in the first phase of development with the potential for additional Independent Living Units in future phases. The Community will also include community spaces such as dining areas, a beauty salon, classrooms, card rooms, lounges and other common areas. We also plan to feature amenities such as a center for on-site physician visits, a pool, and fitness center.

1.2 Continuing Care at Windsor Run. Continuing Care at Windsor Run refers to our on-site health care neighborhood. Each floor of the facility is planned to include a dining room, a resident lounge, activity rooms and a bathing core. The initial phase of Continuing Care at Windsor Run is planned to include approximately 12 Assisted Living Units and 12 Nursing Units, with different service packages. Continuing Care may in the future also include Memory Care Units. We anticipate that the aggregate number of Living Units will adequately serve the needs of Community residents. However, in the unusual circumstance that the Assisted Living Units are fully occupied, our Medical Director, or his or her designee, first will arrange for

Ancillary Services to be offered in Resident's Independent Living Unit and second, if necessary, will assist in arranging for a transfer to an Off-Site Facility in the immediate area. See Section 8.4 for fees payable by you in the event of such a transfer. Continuing Care at Windsor Run is anticipated to open in 2021 but the opening date and number of units are approximate and may change according to regulatory requirements, weather conditions, market demands, etc. We may also open Continuing Care at Windsor Run by phasing in the available levels of care (See Section 4.2, 4.3 and 4.4). Until the facility is opened, we will enter into transfer agreements for residents with outside assisted living, memory care services, and nursing care.

Section 2. TERM

The Term of this Agreement shall commence on the date on which this Agreement is executed by you and us and shall continue for your lifetime unless the Agreement is terminated earlier per Section 12 of this Agreement.

Each Joint Resident is required to meet our financial requirements for entrance into the Community, as well as our health qualifications for occupancy of a selected Living Unit, whether the prospective Joint Residents move to the Community together or on different dates.

3.3 Rights of New Spouse. You are not required to use any of the on-site physician services.

Section 7. ENTRANCE DEPOSIT

7.1 Payment of Entrance Deposit. You will pay or have paid to us a total Entrance Deposit as shown in Section 16 of this Agreement. The payment of the Entrance Deposit may be made in a series of deposits on or before taking occupancy of your Living Unit at the Community. For Joint Residents, the total Entrance Deposit shall be deemed to be a joint asset of the Joint Residents with a right of survivorship and may be used for the care of either Joint Resident.

7.2 Escrow of Entrance Deposit and Release from Escrow. The deposits made by you towards the total Entrance Deposit will be held in escrow in a banking institution in North Carolina, acting as an escrow agent. While held in escrow, Entrance Deposits are considered the property of the prospective resident but any interest earned will be for the benefit of Windsor Run. Prior to occupancy of a Living Unit, Entrance Deposits deposited in escrow will be returned to a prospective resident before occupancy: (i) within thirty days of the written request of the Resident; ii) if Resident is precluded from occupying a unit due to death, injury, incapacity, or illness; iii) if Resident is determined to be ineligible for entrance into the community; or iv) upon rescission of the Residence and Care Agreement pursuant to Section 12 of this Agreement.

As new buildings are developed, the escrow agent will release 25% of escrow monies to Windsor Run when 50% of independent living units in a building are pre-sold, permanent financing is secured, and Entrance Deposits plus proceeds of financing equals 90% or more of the costs to construct and equip the facility and provide cash flow funds equal 90% or more of funds needed to fund start-up losses and assure full performance of obligations. Seventy-five (75%) percent of funds can be released to Windsor Run when 75% of independent living units are presold, construction is complete and units available for occupancy.

When the Entrance Deposit is released in full, we can fully use the Entrance Deposit. We normally use the Entrance Deposits for financing, operational costs, or Entrance Deposit refunds for the Community but we may use the Entrance Deposits for any other purpose. Appreciation in new Entrance Deposits will normally be used by us generally for capital repairs and improvements to benefit the Community and for any reserve funds. However, you will retain the right to the UnEarned Refund Amount as discussed in this Section 7. No interest shall be accrued or paid to you on your Entrance Deposit.

7.3 Adjustments to Entrance Deposit. You will not be required to pay an additional or increased Entrance Deposit as long as you reside in your original Living Unit. You retain the right to the refund, upon the termination of this Agreement, as discussed in Sections 7.4, 7.5, and 7.6 of this Agreement.

7.3.1 If you request a permanent transfer from one Living Unit to another Living Unit with a higher Entrance Deposit and we approve the transfer, you must pay to us an additional deposit for the new Living Unit to which you are transferring. The amount of the additional deposit will vary, depending on market conditions for your

current Living Unit and for the desired new Living Unit at the time of the transfer. We will advise you of the additional deposit prior to the transfer and you may then decide whether or not to proceed with the transfer. If you transfer and pay the new deposit, you agree that the new deposit is immediately subject to the original declining balance schedule consistent with your the Occupancy Date of your original Living Unit for purposes of Section 7.5.

7.3.2 After the Occupancy Date, if you later wish to add a Joint Resident such as a new spouse to your Living Unit (See Section 3.2), the Joint Resident must qualify for residency per Section 1.4 and must be accepted by Windsor Run. If accepted as a Joint Resident in your current Living Unit, there is no additional Entrance Deposit. If the proposed Joint Resident is offered residency in a different Living Unit, then he or she must pay the Entrance Deposit associated with that second Unit.

7.3.3 You will normally not be entitled to a refund or decrease of the Entrance Deposit due to any temporary or permanent transfer, for whatever reason, during the Term of this Agreement. However, we may make a partial refund of the Entrance Deposit, minus any portion of the Entrance Deposit that we have earned for each month of your residency pursuant to Section 7.5, to you in the following circumstances: 1) You transfer to a smaller Independent Living Unit than the Independent Living Unit which you currently occupy; and 2) the Entrance Deposit for the smaller Independent Living Unit is currently lower than the Entrance Deposit that you originally paid for an Independent Living Unit. In these specific circumstances, we may elect to refund the difference between the current Entrance Deposit for your new Independent Living Unit and the original Entrance Deposit paid by you but minus any portion of the Entrance Deposit that we have earned for each month of your residency pursuant to Section 7.5.

7.4 Refund of Entrance Deposit within Rescission Period or Prior to Occupancy .
We shall pay a refund of the Entrance Deposit to you or your representative, as appropriate, if the agreement is terminated within the thirty (30) day rescission period as described in section 12.1 hereof, regardless of whether you occupy the unit. In addition, we shall pay a refund of the Entrance Deposit to you if the agreement is terminated after the rescission right expires but prior to the Occupancy Date as described in section 12.1. We will refund the Entrance Deposit within thirty (30) days following the rescission or the pre-occupancy termination, as the case may be. If one joint resident dies prior to occupancy, the remaining resident may, but is not required to, rescind this agreement. The surviving resident may also request a different living unit and we will refund or charge any difference in the Entrance Deposit between the living units; provided, however, that this election is made in writing at least thirty (30) days prior to occupancy. Per Section 9.1 of this Agreement, we may keep the Application Fee as a reasonable processing charge.

7.5 Refund of Entrance Deposit After Expiration of Right of Rescission and Occupancy Date

7.5.1 Refund Amount – Termination Within First 48 Months. If this Agreement is terminated at the election of all Residents in the Living Unit during their lifetime following the thirty day period described in Section 12.1.1 and within and including the first forty-eight (48) months from the original Occupancy Date, we will refund an Unearned Refund amount equal to the Entrance Deposit (i) minus a processing fee of 4% of the Entrance Deposit, and (ii) minus a fee equal to 2% of the Entrance Deposit per month for each month from the original Occupancy Date through the Departure Date (even if such final month is only a partial month). The payment of the refund is subject to Sections 7.5.4, 7.5.5 and 7.6 below.

7.5.2 Refund Amount –Death of Resident(s) or Death of One Resident, and Subsequent Termination Within First 48 Months. If (a) either a single Resident or both Joint Residents pass away after the expiration of the thirty day period described in Section 12.1.1 and within and including the first forty-eight (48) months from the Occupancy Date, or (b) One Joint Resident passes away and the surviving Joint Resident terminates this Agreement after the expiration of the thirty day period described in Section 12.1.1 and within and including the first forty-eight (48) months from the Occupancy Date, we refund an Unearned Refund amount equal to the Entrance Deposit (i) minus a processing fee of 4% of the Entrance Deposit, and (ii) minus a fee equal to 2% of the Entrance Deposit per month for each month following the Occupancy Date, including the final month of the term of this Agreement (even if such final month is only a partial month). The payment of the refund is subject to Sections 7.5.4, 7.5.5 and 7.6 below.

7.5.3 No Refund After First 48 Months. If this Agreement terminates after the first forty-eight (48) from the Occupancy Date or later, whether due to your choice, our choice, or your death, you will not be entitled to any refund of the Entrance Deposit.

7.5.4 Timing of Unearned Refund Payment.

- a. If you are entitled to an Unearned Refund of a portion of your Entrance Fee pursuant to Sections 7.5.1 or 7.5.2 of this Agreement due to the termination of this Agreement following the Occupancy Date, other than a termination by us under Section 12.3, we will pay the refund within ninety (90) days after you turn in your keys and vacate any Living Unit(s), including parking or storage spaces, which you were occupying on the Departure Date.
- b. If we terminate this Agreement for just cause as set forth in Section 12.3, we will pay you on your Departure Date any Unearned Refund to which you are entitled depending on your months of residency pursuant to this Section 7.5, less a reasonable offset of fees as described in Section 7.6. Any funds that we retain and do not use for such purposes will be refunded to you within 45 days after you turn in your keys and vacate any Living Unit(s), including parking or storage spaces, which you were occupying on the Departure Date.

7.5.5 How Unearned Refund is Payable. If an Unearned Refund is due to you, we will pay the appropriate refund to the duly designated beneficiaries named in your refund form. If there is no refund form on file, then we will refund to you if you leave during your lifetime and to your estate if you pass away as a resident. If one joint resident dies, there will be no refund of any portion of the refund; instead, so long as a surviving Joint Resident continues to reside at the community, the Entrance Fee shall be deemed to have been paid entirely on behalf of the surviving resident to be used for the survivor's care if necessary, and the refund will eventually be paid to the survivor, to the beneficiaries named in the survivor's refund form, or to the survivor's estate.

7.6 Offset of Unpaid Fees from Entrance Fee Refund. We may withhold from any Unearned Refund that is payable to you, your estate, or other duly designated beneficiaries such amounts as may be required to pay (a) any unpaid fees or charges for services provided to you at the Community, (b) the refurbishing charges as defined in Section 9.4, and (c) any other amounts to which we are entitled under this Agreement.

Section 8. MONTHLY SERVICE PACKAGES

8.1 Monthly Service Package. During the term of this Agreement, you must pay the applicable Monthly Service Package for the Living Unit. As of the date of this Agreement, the applicable Monthly Service Package for Resident's current Living Unit is shown in Schedule I. Monthly Service Package The Monthly Service Package is due and payable each month, in advance, within five (5) days from the date of the monthly invoice; provided, however, that the Monthly Service Package for the month during which you first take occupancy of the Living Unit shall be payable in arrears on a pro-rated basis with the payment of the Monthly Service Package for the first full calendar month occurring during the term of this Agreement. Our acceptance of partial payment of the Monthly Service Package does not constitute a waiver of such outstanding fees and charges unless we agree to a waiver in writing. We may charge interest at a rate of one and one-half percent (1.5%) per month on any overdue amounts.

8.2 Monthly Service Package for Joint Residents. Joint Residents occupying the same Living Unit shall pay the appropriate Monthly Service Package for double occupancy of the Living Unit. If Joint Residents occupy different Living Units, both Residents shall each pay the full Monthly Service Package for their respective Living Unit. This fee structure applies to Joint Residents who move to the Community together and to a Resident and a new spouse or other new Joint Resident who are accepted to the Community on different dates.

8.3 Adjustments to the Monthly Service Package. The Monthly Service Package may be revised from time to time. We normally use the Monthly Service Package to cover the expenses of providing covered services to Residents but we may use the Monthly Service Package for any other purpose. We generally adjust fees on an annual basis after having evaluated those factors that we perceive to be relevant to the costs associated with operating the Community and other financial requirements. Normally such changes will be made to become effective on January 1 of the next following calendar year. However, except for changes

required by State or Federal assistance programs, we reserve the right, at any time, upon thirty (30) days' notice to you and upon amendment to the Disclosure Statement, to adjust the Monthly Service Packages to reflect any additional cost or liability for which there is no adequate, budgeted reserve, including, but not limited to, tax liability for real estate taxes relating to the Community, increased operating expenses and inflation. Notice to residents in Assisted Living or Nursing Units may be less than thirty (30) days only if the adjustment is due to change in your level of care.

8.4 Monthly Service Package in the Event of a Temporary Transfer. In the event that you temporarily transfer to another Living Unit in the Community or to an Off-Site Facility, you must pay the Monthly Service Package for your permanent Living Unit in addition to the Monthly Service Package for the temporary Living Unit or the Off-Site Facility, as the case may be. Payment of the Monthly Service Package for your permanent Living Unit assures that such permanent Living Unit will remain available to you during the time of the temporary transfer. The Monthly Service Package for a temporary Living Unit at the Community shall be prorated on a daily basis for the period of the temporary transfer.

During the period of the temporary transfer, your Monthly Service Package for the permanent Living Unit shall be adjusted as follows: (1) if a single Resident or one Joint Resident transfers, the Monthly Service Package will be reduced by a single Non-Occupancy Credit as applicable and defined in Section 15 of this Agreement, (2) if both Joint Residents transfer from a double occupancy Unit, the Monthly Service Package will be reduced by the two-person Non-Occupancy Credit as applicable, (3) if both Joint Residents transfer, one from a Living Unit and one from another Living Unit, each Resident's Monthly Service Package shall be reduced by the respective Non-Occupancy Credit as applicable.

Upon your return to the permanent Living Unit, you must continue to pay the current Monthly Service Package associated with such Living Unit.

8.5 Monthly Service Package in the Event of a Permanent Transfer to a Different Living Unit. If you permanently transfer from one Living Unit to another Living Unit at the Community, you are responsible for payment of the Monthly Service Package, pro-rated and less the Non-Occupancy Credit as applicable, for the vacated Living Unit until you completely vacate, remove all possessions from the vacated Living Unit, and return the keys for the vacated Living Unit to us.

8.6 Monthly Service Package in the Event of a Termination of Agreement. If you terminate this Agreement, or if we terminate this Agreement for just cause in accordance with Section 12.3, or if this Agreement should terminate by reason of your death, then you or your estate, as the case may be, shall be responsible for the payment of the Monthly Service Package for the vacated Living Unit, less the Non-Occupancy Credit as applicable, for a period of up to and including ninety (90) days from the date that both of these conditions are fulfilled: (i) you vacate the Living Unit and remove all possessions, and (ii) you sign a Unit-Release Form for the Living Unit and return your keys. If your vacated Living Unit is re-subscribed by another new

resident in less than 90 days, then the Monthly Service Package will end on the Occupancy Date for that new resident.

Section 9. OTHER FEES, PERIODIC CHARGES, AND COSTS

9.1 Application Fee. You shall pay or have paid us an Application Fee, as indicated in Section 16, in connection with your application for residence at the Community. If the Agreement is rescinded or canceled prior to occupancy as described in Section 12.1, we will retain the Application Fee as a reasonable service charge, not to exceed the greater of \$1000.00 or two percent (2%) of the Entrance Deposit.

9.2 Ancillary Services. During the term of this Agreement, you must pay us the periodic charges for any Ancillary Services (as described in Section 5) provided to you by us. The current periodic charges for Ancillary Services are attached in Schedule I. The charges for Ancillary Services are normally used by us to cover the expense of providing such Ancillary Services but we may use the Ancillary Services charges for any other purpose. We may revise the periodic charges for Ancillary Services that we provide from time to time, and such change shall take effect upon our giving you thirty (30) days' notice of such increase in accordance with the rules and regulations of the Department. The charges which are based on published rates for State or Federal assistance programs (for example, Medicare rates) shall be revised upon the effectiveness of changes to such rates. All Ancillary Services provided by us shall be billed on your monthly statement, and payment is due within five (5) days of your receipt of the monthly statement. Our acceptance of partial payment of the charges shall not constitute a waiver of the outstanding charges unless we agree to a waiver in writing. We may charge interest at a rate of one and one-half percent (1.5%) per month on any overdue amounts.

9.3 Other Services. Ancillary Services not provided by us and any other services that you arrange independently shall be billed directly to you, and we are not responsible for payment of or collecting payment for such services.

9.4 Refurbishing a Vacated Living Unit and Repairing Extraordinary Damage. Each time that you permanently vacate an Independent Living Unit or Assisted Living or a memory care Unit, irrespective of the length of time of occupancy, we will perform work to clean, refurbish, and restore that Living Unit. This work will generally include, but is not limited to, cleaning or replacement of carpeting and flooring, spackling and/or painting of walls, removing any customized improvements, replacement of fixtures, or any other appropriate repairs repairing any extraordinary damage, in our sole discretion, to bring the Living Unit back to a like-new condition. The reasonable costs and expenses of this work (the "Refurbishing Charges") are charged as follows:

9.4.1 If you first entered the Community in an Independent Living Unit and you then permanently transfer from that Independent Living Unit to an Assisted Living Unit, memory care unit, or a Nursing Unit, we will cover any portion of the Refurbishing Charges for work that is due to ordinary wear and tear. You will only be responsible to pay the portion of the Refurbishing Charges for work needed to repair any extraordinary damage to the Living Unit.

By way of example, such extraordinary damage may include, but is not limited to, material damage to the walls, structures, or fixtures, material damage caused by pets, or material odors, stains, or damage due to smoking in the Living Unit. You must also pay the reasonable costs and expenses of removing any customized improvements that you made to the Living Unit unless we specifically agree in writing to accept those improvements for re-subscription to a new resident.

9.4.2 If you first entered the Community in an Independent Living Unit and you then permanently leave the Community from an Independent Living Unit, we will cover the Refurbishing Charges for work that is due to ordinary wear and tear. You will only be responsible to pay the portion of the Refurbishing Charges for work needed to repair any extraordinary damage to the Living Unit. By way of example, such extraordinary damage may include, but is not limited to, material damage to the walls, structures, or fixtures, material damage caused by pets, or material odors, stains, or damage due to smoking in the Living Unit, or removing customized improvements. You must also pay the reasonable costs and expenses of removing any customized improvements that you made to the Living Unit unless we specifically agree in writing to accept those improvements for re-subscription to a new resident.

9.4.3 If your last residence at the Community is a Nursing Unit and you either permanently leave the Community from that unit or you pass away, we will cover the full Refurbishing Charges for the Nursing Unit.

9.4.4 If you transfer from one Independent Living Unit to another Independent Living Unit, or if you transfer from an Assisted Living Unit or memory care unit to any other Living Unit, or if you permanently leave the Community from an Assisted Living Unit, or memory care unit, you are responsible to pay the full Refurbishing Charges.

9.5 Medical and Other Insurance. You must procure and maintain in force at your own cost, the maximum coverage available under Medicare Parts A and B. We may accept documented equivalent coverage if you are not qualified for Medicare or are insured under other adequate programs. We do not provide supplemental insurance. You must also procure and maintain, at your own expense, sufficient renter's insurance coverage against damage or, loss to, or theft of, your personal property maintained at the Community and coverage for personal liability and medical payments should a claim be made or suit brought against you for damages because of a bodily injury or property damage caused. You must provide evidence of such insurance prior to occupancy at our request.

9.6 Funeral Arrangements and Burial Expenses. Funeral arrangements and burial expenses are your responsibility. We will not make such arrangements or provide such services.

9.7 Non-Solicitation of Employees. We expend significant resources on the hiring, training and development of our employees. Recognizing this expenditure, during the Term of the Agreement, you agree not to employ any person currently employed by us, either directly or indirectly by hiring the services of any such person through a third party. You also agree not to employ any person formerly employed by us, either directly or indirectly by hiring the services of any such person through a third party, until two years have elapsed from the employee's last

date of employment with us. You further agree not to solicit any person employed by us to terminate his or her employment in order to work for you directly or indirectly through a third party.

Section 10. FINANCIAL INABILITY TO PAY

It is our policy not to terminate a resident's occupancy for the resident's financial inability to pay provided that the resident is otherwise in compliance with the terms of such resident's Residence and Care Agreement. To the extent that it is financially feasible, we will assist residents who are unable to pay full Monthly Service Packages by providing financial assistance as described in this Section 10.

To insure that our charitable intentions are equitably allocated for the benefit of as many residents as possible, we require that, in the event that you claim to be unable to make full monthly payment by reason of financial inability, you must take any or all of the following actions, as directed by the Executive Director. We have the right, but not the obligation, to initiate financial assistance if we independently determine that you need financial assistance.

10.1 We require, in the event you claim to be unable to make full monthly payments by reason of financial inability, you must take any or all of the following actions, as directed by the Executive Director. To qualify for assistance, a resident must otherwise be in compliance with the terms of such resident's Residence and Care Agreement. Our exercise of any rights or remedies under Section 10 due to your failure to pay will not constitute a waiver of any of our other rights or remedies, including our right to terminate this Agreement.

10.2 If your sources of funds, including expenditures of principal and the guaranty, if any, are inadequate for you to make the payments required under this Agreement, you must file with the Executive Director, on appropriate forms provided by the Executive Director, a Statement of Financial Inability to Pay. As part of the Statement of Financial Inability, you must disclose your remaining available assets and income. The Executive Director will review your financial position to determine the existence of any outside assets, including any guaranty agreements, which may first be spent for your care.

10.3 If you have outside assets other than the Entrance Deposit, the Executive Director will establish a Spending Plan for you to spend the outside assets and to obtain assistance from other available means. As part of the Spending Plan, you shall assign to us any health-related insurance benefits and any benefits under any governmental insurance or assistance program (including Medicare) that you receive, until the amount we have received equals the aggregate charges for the care and services that you have received, based upon the Community's standard rates. If you fail to cooperate with the Spending Plan for the outside assets, such failure may constitute just cause for termination of the Agreement due to non-payment of fees in accordance with Section 12.3 of this Agreement.

10.4 Upon completion of the Spending Plan, and when we have fully earned the Entrance Deposit as described in Section 7.5 per each month of your occupancy, you may

qualify for assistance from the resident care fund when established by us and to the extent that it is financially feasible. If you are approved for such assistance, the Executive Director shall inform you of the amount which the resident care fund will contribute to the monthly fees and the amount which you must contribute to the Monthly Service Package.

10.5 If requested by us, you will transfer to an alternate Living Unit at the Community if and when available.

10.6 You will provide periodic statements of financial condition and copies of income tax returns as the same may be requested from time to time by us. You will notify us of any and all assets acquired by you through any means thereafter, and you will assign or pay such property received to us in an amount equivalent to the total outstanding charges and fees, owed by you.

10.7 At present, we are not authorized to accept Medicaid for payment of Monthly Service Packages for any Living Units. If in the future we are able to accept Medicaid as a payment source, then you agree to also apply for Medicaid if you can qualify. When you are notified by the Executive Director approximately three months before the projected depletion of your remaining un-earned Entrance Deposit, you agree to immediately apply for Medicaid if available. You also agree to execute any and all documents necessary to make and perfect such claims or rights.

Section 11. TRANSFERS

11.1 Temporary and Permanent Transfers. For purposes of this Agreement, a temporary transfer is a transfer of an anticipated finite duration. During a temporary transfer, your permanent Living Unit shall remain available to you as long as you continue to pay the Monthly Service Package in accordance with Section 8.4. A permanent transfer is a transfer of indeterminate duration. During a permanent transfer, you will be requested to release the Living Unit. After a permanent transfer, if you are able to qualify to return to the Living Unit previously occupied at the Community or to a different, medically appropriate Living Unit at the Community, you shall have the right to occupy the Living Unit subject to the availability of such Living Unit, subject to our approval.

11.2 Transfer at the Election of Resident. You may elect to transfer, on a temporary or permanent basis, to an alternate Independent Living Unit, an Assisted Living Unit, Nursing Unit or an Off-Site Facility by giving notice to us. All transfers within the Community shall be subject to the availability of the elected alternate Living Unit and subject to our approval.

11.3 Transfer at the Election of WINDSOR RUN - Non-Emergency. All decisions regarding a transfer of any resident, except for emergency transfers, shall be made by a committee consisting of the Executive Director (or his or her designee) and the Medical Director (or his or her designee) (collectively referred to as the "Committee"). The Committee will consult with you or your legal representative. If you have a Guarantor or ombudsman, such person also will be consulted if you so request. We attempt to interact with you or your

representative with the goal of achieving a consensus on the need for a transfer although a consensus is not always achieved.

You will not be transferred, temporarily or permanently, to a different Living Unit unless (1) in the opinion of the Committee, such transfer is deemed appropriate for the protection of your health and/or safety or the general and/or economic welfare of other residents, (2) in the opinion of the Committee, the transfer is deemed necessary due to financial inability to pay the Monthly Service Package, or (3) in the case of a permanent transfer to an Off-Site Facility that provides treatment for mental disorders, the need for such transfer is certified by two physicians or one physician and one psychologist. If you are transferring due to event (1) or (3) listed above and the Living Unit is occupied by a Joint Resident, the remaining Joint Resident may continue to occupy the Living Unit.

The Committee shall give you thirty (30) days advance written notice of the proposed transfer. You or your representative shall notify us of any objection to the permanent transfer within ten (10) days of receipt of the notice. If you or your representative do not consent to the transfer, the Committee may, in its discretion and in lieu of a transfer, require Ancillary Services be provided to you if a higher level of care is deemed appropriate in the opinion of the Committee for the protection of your health and safety or the welfare of other residents. If you or your representative do not consent to either the transfer or the provision of Ancillary Services, we may consider such refusal to constitute just cause to terminate the Agreement in accordance with Section 12.3 hereof.

11.4 Transfer at the Election of WINDSOR RUN - Emergency. If your health and safety or the health and safety of other residents require immediate action, the Executive Director with the approval, if reasonably obtainable, of the Medical Director, may transfer you from your current Living Unit to a different Living Unit or an Off-Site Facility, on a temporary or permanent basis. Emergency circumstances arise when there is a danger of immediate, irreparable harm to your health and safety or to the health and safety of other people at the Community. In the event that you are required to be transferred to Continuing Care at Windsor Run during a period that you are suffering from legal incompetency, you agree to be bound by the terms of the Agreement in effect at the time of such transfer.

11.5 Use of Living Unit. In the event of a temporary transfer, whether at your election or at our election, your prior Living Unit will remain available to you as long as you continue to pay the Monthly Service Package for the permanent Living Unit in accordance with Section 8.4 hereof.

In the event of a permanent transfer, whether at your election or our election, you or your representative shall sign Living Unit Release Transfer form unless you are one of Joint Residents and the other Joint Resident remains in the Living Unit. After receipt of notice of permanent transfer, you shall take all reasonable steps to vacate the Living Unit before the date set for the transfer. You or your representative shall then be responsible for vacating the Living Unit and removing all personal possessions from the Living Unit. We shall have the right to show the Living Unit to interested applicants as of the Departure Date indicated in the Unit Release Form.

If you fail to vacate the Living Unit by the indicated Departure Date or, in the event of a transfer by us, within sixty (60) days from the notice of transfer, we shall have the right to store your possessions in a general storage area at the Community or to arrange for storage in a commercial storage facility, all at your expense, until disposition thereof can be made. We assume no responsibility for your stored possessions.

Section 12. TERMINATION

12.1 Termination Within Rescission Period or Prior to Occupancy. Either party may terminate the Agreement in the following circumstances:

12.1.1 You may rescind this Agreement within thirty (30) days of the later of the date you received the Windsor Run Disclosure Statement or the date you executed this Agreement (you are not required to move into the Living Unit before the expiration of the later thirty (30) day period). However, should you elect to occupy the Living Unit prior to the expiration of the thirty (30) day rescission period, such occupancy shall not be considered a waiver of the rescission period;

12.1.2 Your Agreement will be automatically canceled if you die before occupying the Living Unit or are precluded from occupying the Living Unit due to illness, injury, or incapacity; or

12.1.3 We elect to terminate the Agreement if it is determined that you are ineligible for entrance into the Community.

If the Agreement is rescinded or terminated as provided in this Section 12.1, you shall receive a refund of the Entrance Deposit as described in Section 7.4. You will not receive a refund of any costs specifically incurred by us at your request as set forth in a separate written addendum, signed by both parties. You shall not receive a refund of any Monthly Service Package related to your actual occupancy of the Living Unit.

12.2 Termination by Resident. After occupancy and after the expiration of the rescission period described in Section 12.1.1, you may terminate this Agreement at any time and for any reason by giving thirty (30) days' written notice to us of your intention to terminate. The notice may be given by you or by the person who provided the transfer of property or funds for your care in which case you are bound by that decision. The Agreement will also terminate upon the death of a single Resident or all Joint Residents in the Living Unit. If one Joint Resident dies and the other Joint Resident remains in the Living Unit, the Agreement shall not be terminated.

12.3 Termination by WINDSOR RUN. Our decision to terminate this Agreement shall be made by the Executive Director of the Community. We may not terminate this Agreement without good cause. "Good cause" is defined as: (i) non-payment of Fees; (ii) a good faith determination in writing, signed by the Executive Director and Medical Director of the Community, that you are a danger to yourself or others while remaining in the Community; (iii)

repeated conduct by you that interferes with other residents' quiet enjoyment of the Community; (iv) persistent refusal to comply with reasonable written rules and regulations of the Community; (v) a material misrepresentation made intentionally or recklessly by you in your application for residency, or related materials, regarding information which, if accurately provided, would have resulted in either your failure to qualify for residency or a material increase in the cost of providing care and service to you under the Agreement; or (vi) your material breach of the terms and conditions of this Agreement.

Except for termination due to non-payment of fees, we will give you sixty (60) days written notice of the termination and the reason for termination. In the event of non-payment of fees, we will give you written notice that you are in default under this Agreement for non-payment of fees. We may charge you interest on the overdue amount of one and one-half percent (1 ½ %) per month. If you fail to make full payment of all outstanding fees and charges within thirty (30) days of receipt of the notice, we may, at our election, terminate the Agreement upon an additional thirty (30) days' notice and offset the overdue fees and charges against the Un-Earned Refund Amount, if any. Our acceptance of partial payment of the fees does not constitute a waiver of the outstanding fees and charges unless we agree to a waiver in writing.

12.4 Vacating the Living Unit. Upon termination of the Agreement either at your election, our election, or due to your death, you or your representative, shall sign and give to us Unit Release Form advising of your Departure Date. You or your representative shall then be responsible to vacate the Living Unit and to remove all personal possessions from the Living Unit. We shall have the right to show the Living Unit to interested applicants as of the date indicated in the Unit Release Form.

If you fail to vacate the Living Unit by the indicated Departure Date or, in the event of a termination by us within the required time for the notice of termination as provided in Section 12.3, we shall have the right to store your possessions in a general storage area at the Community or to arrange for storage in a commercial storage facility, all at your expense, until disposition thereof can be made. We assume no responsibility for your stored possessions.

Section 13. RIGHTS OF WINDSOR RUN

13.1 Community Rules and Regulations. We shall have the right to promulgate reasonable rules and regulations governing the conduct of the residents and to thereafter revise such rules and regulations. You agree and acknowledge that you have received such rules and regulations including those in our current Resident Handbook (as they may be further amended). You will enjoy the fullest measure of independence consistent with the accommodation in which you live, subject, however, to the limitations of our reasonable rules and regulations now or hereafter adopted for the conduct and care of all residents. You hereby agree to abide by all such rules and regulations (as in effect from time to time), and generally to conduct yourself in such a manner as to promote the peace and harmony of the Community.

13.2 Access to Living Units at the Community. You acknowledge and accept our ability and authority to enter the Living Unit in order to carry out the purpose and intent of this

Agreement and you hereby authorize such entry. Such entry includes (1) performance of authorized housekeeping duties; (2) response to medical emergencies; (3) responses to fire protection systems; (4) entry by authorized personnel in the event that you are reported missing or have not responded to a call; (5) scheduled maintenance activities; and (6) enforcement of the Community's policies and procedures. We acknowledge and respect your right to privacy and agree to limit uninvited entry into the Living Unit at the Community to the situations set forth in this paragraph.

13.3 Property Rights. You acknowledge that, except as expressly set forth in this Agreement, the rights and privileges granted by this Agreement do not include any right, title, lease, or any other interest in any part of the personal property or real property - including land, buildings and improvements - owned, leased or administered by us. Your rights are limited to the rights provided in this Agreement for services and the occupancy of the Living Units. Except for your right to occupy the Living Unit, any rights, privileges or benefits under this Agreement shall be subordinate to any mortgage or deed of trust or leasehold interest on any of the premises or interest in our real and personal property, to all amendments, modifications, replacement or refunding, of any such mortgage or deed of trust or leasehold interest, and to such reasonable rules and regulations governing the use of the property as shall from time to time be imposed by us. You hereby agree, upon our request, to execute and deliver any document which is required to this effect by us, or by the holder of such mortgage or deed of trust or leasehold interest to effect such subordination or to evidence the same, and appoint WINDSOR RUN as your attorney-in-fact to accomplish that purpose.

13.4 Limitation of Liability. You agree that we, along with our sole member/owner, any subsidiaries, our management company, and all of their members, directors, officers, and employees, are not responsible for the loss of any of your personal property due to theft or any other cause. Liability for damage to or loss of your personal property shall be limited to damage or loss caused by negligent acts or omissions of our employees acting within the scope of their employment.

13.5 Unauthorized Transfers of Property. The financial information which you submitted is a material aspect upon which we reasonably relied in determining your qualifications for becoming a resident of the Community. Being able to meet the financial criteria to become a resident helps assure the financial stability of this Community. In determining financial criteria for residency, we consider the applicant's reported income and assets in light of the Community's current and future commitments and obligations. Furthermore, we are committed to take every reasonable step to assist residents who have depleted those assets through normal living expenditures so that he or she may continue to remain as a resident of the Community. However, in order to protect us from a situation wherein a resident divests him/herself of those assets for the purpose of qualifying for assistance or reduction of Monthly Service Packages, you hereby agree not to divest yourself of, to sell, or transfer any assets or property interests (excluding expenditures for your normal living expenses) that reduces the assets that you or your representative disclosed as available assets for you on admission, without having first obtained our written consent.

13.7 Non-Smoking Policy. You agree to abide by our prohibition against smoking including vaping or e-smoking in the Living Unit, including balconies or patios, and in common areas. You guests, or contractors are also prohibited from smoking, including vaping or e-smoking, in the Living Unit or in the common areas of the Community. You further understand that we may consider your failure to abide by the non-smoking policy as cause to terminate the Residence and Care Agreement.

Windsor Run Priority List Application

Conditions of the Priority List Agreement

- ① Your status on the Priority List is determined by your priority date with earlier dates having higher priority. Paying the refundable Priority Deposit and the application fee will ensure that you are placed on the list based on the day the Sales and Information Office receives your application.
- ② If you wish to move from the Priority List to an apartment home reservation, you will not need to complete another application or pay another Priority Deposit or application fee. You will need to pay an additional reservation deposit, which is always refundable per the Residence and Care Agreement.
- ③ Prior to moving to Windsor Run, applicants must complete the admissions process which includes financial and health/service screenings. Windsor Run reserves the right to determine if the community offers appropriate care and services for the applicant. Windsor Run may offer conditional approval or may offer a different residence than the applicant's preference.
- ④ Joining the Priority List does not ensure that the amount of the Entrance Deposit will not change before the applicant enters the community. Reserving an apartment does ensure that the Entrance Deposit for that specific apartment will not change if the applicant enters the community within the requisite time frame.

Reservation Deposit Agreement

- ① Your \$1,000 Priority Deposit and any additional deposits will be applied in full toward your Entrance Deposit as you begin your move to Windsor Run. This Reservation Deposit Agreement is a binding agreement that can be cancelled as stated below.
- ② All deposits will be returned to you: (a) within 30 days of a written request; (b) if you are determined to be ineligible for entrance into the community; or (c) if you rescind the Residence and Care Agreement within 30 days of execution of the Agreement or receipt of a Disclosure Statement which meets the requirements of N.C.G.A. Chapter 58, Article 64, whichever is later and regardless of occupancy. In addition, all deposits are returned when this agreement is automatically cancelled due to your death, illness, injury or incapacity that would preclude you from occupying a living unit in the community under the terms of the contract. All deposits will also be returned if the facility is not constructed or the apartment does not meet the specifications in the Disclosure Statement received by the applicant.
- ③ As you complete your move to Windsor Run, all of your deposits toward the Entrance Deposit will remain in escrow until (a) the deposit is returned to you as described in Section 2 above or (b) the escrow agent releases the Entrance Deposit to Windsor Run as permitted by state law and/or the escrow agreement.
- ④ Any interest earned on deposits in escrow will be used for the benefit of Windsor Run.
- ⑤ Your \$150 per person application fee is a one-time, nonrefundable fee. The application fee is refundable only if you exercise the right of rescission described in Section 2(d) above, but Windsor Run may retain the application fee as a reasonable service charge if it does not exceed two percent (2%) of the Entrance Deposit.

WINDSOR RUN
REFUND FORM

Name of Resident(s): _____
Living Unit: _____
Date of Receipt by _____
WINDSOR RUN: _____

Preliminary Statements and Directions

1. Pursuant to the Residence and Care Agreement (the "Care Agreement") with WINDSOR RUN, Resident is entitled to a 90% refund of the Entrance Deposit paid to WINDSOR RUN under certain specified conditions during Resident's lifetime or upon Resident's death based upon termination of the applicable Care Agreement (referred to as the "Refund"). Resident's right to the Refund is set forth in the Care Agreement. This Refund Form is only for the purpose of designating the beneficiaries and does not change the terms and conditions for the Refund. Resident and Resident's beneficiaries are subject to all terms and conditions for the Refund and should review the same carefully. For the purpose of these Refund Forms, the term "Resident" includes the plural.

2. Resident understands that the purpose and effect of this Refund Form is to designate the beneficiary(ies) of the right to the Refund. By signing this Refund Form, Resident is hereby revoking any previously executed Refund Forms.

3. If the Entrance Deposit is being paid on behalf of two (or more) Joint Residents, both Joint Residents understand that the Entrance Deposit of the first Joint Resident to pass on will be treated as though it has been paid by the survivor, to be used for the survivor's care if necessary (minus the Community Fee if applicable), and that the Refund will eventually be paid to the survivor or the survivor's beneficiary(ies).

4. **Resident understands that it is Resident's responsibility to review the terms of this Refund Form to make sure that its terms are coordinated with Resident's current will or other trusts and estate plan. WINDSOR RUN strongly recommends that Resident review this Refund Form with an attorney or other estate planning professional prior to execution to ensure such coordination and to review potential tax liability in making these designations or in the eventual payment of the refund.** WINDSOR RUN reserves the right to review and approve the forms so that the right to the refund is clearly delineated for WINDSOR RUN's staff.

I. Guaranty Agreement (if any)

WINDSOR RUN
GUARANTY AGREEMENT ADDENDUM TO
RESIDENCE AND CARE AGREEMENT

This Guaranty Agreement is made as of this _____ day of _____, 20__ between Windsor Run, LLC, ("Windsor Run") and _____ (herein collectively referred to as "Guarantor").

WHEREAS, _____ ("Beneficiary") desires to become a resident at the Windsor Run Retirement Community and has entered or will enter into a Residence and Care Agreement with Windsor Run;

WHEREAS, Beneficiary's current financial status does not meet Windsor Run' standard qualifications, and Windsor Run cannot allow Beneficiary to become a resident without additional assurances;

WHEREAS, Guarantor desires to give Windsor Run additional assurances in order to induce Windsor Run to accept the Beneficiary as a resident;

NOW THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, the parties hereby agree as follows:

1. Guarantor agrees to voluntarily and unconditionally guarantee payment (the "Guaranty") of Beneficiary's obligations which are due or may become due to Windsor Run incurred relative to Beneficiary's residence at Windsor Run pursuant to the terms of the Residence and Care Agreement. This Guaranty shall continue in effect from the date of this Agreement until the Guarantor is released by Windsor Run pursuant to Section 8 of this Agreement. The Guaranty is unlimited as to amount.

2. Guarantor understands that this is an unconditional Guaranty of payment, not collection. If Windsor Run believes, in its sole discretion, that an attempt to collect from the Beneficiary may be detrimental to the Beneficiary's health or would not be reasonable considering Beneficiary's economic condition, Windsor Run will not attempt to collect from the Beneficiary first.

3. Windsor Run will use its sole discretion in determining whether or not to proceed to collect amounts from Guarantor or other sources. In exercising that discretion, as a matter of policy but not obligation, generally Windsor Run will first determine if Beneficiary has any readily available source of funds to pay his/her obligations and if Beneficiary does, seek to obtain the funds from such source; second, seek to obtain payment from Guarantor; third, from spending down the Entrance Deposit paid to Windsor Run; fourth, seek to obtain payment from medical assistance if Windsor Run believes medical assistance is available to Beneficiary; and finally, seek to obtain funds from any remaining source of available funds.

4. Subject to verification of Beneficiary's financial qualifications and health-related status, Windsor Run agrees to accept Beneficiary as a resident pursuant to the terms of the Residence and Care Agreement.

5. Guarantor hereby waives its rights to the following: presentment, demand, dishonor, protest, notice of nonpayment, and notice of dishonor. Guarantor further agrees that all arrangements concerning Beneficiary's financial obligations to Windsor Run shall be made and decided solely between Windsor Run and the Beneficiary. However, Guarantor shall be entitled, upon request, to receive a copy of Beneficiary's monthly statement.

6 Guarantor will be deemed to have defaulted under this Guaranty Agreement in the event that Guarantor fails to pay to Windsor Run all amounts due and payable pursuant to the Guaranty within forty-five (45) days of demand by Windsor Run for payment pursuant to the Guaranty.

7. In the event of a Default, in addition to any amounts due pursuant to the Guaranty, Guarantor shall also be responsible for any court costs, including reasonable attorneys' fees, that might be incurred by Windsor Run in enforcing the Agreement. The parties agree that this agreement shall be interpreted under the laws of the State of North Carolina and that venue for any claim arising out of this Guaranty Agreement shall be in Mecklenburg County, North Carolina.

8. In the event that Beneficiary terminates the Residence and Care Agreement during his/ her lifetime or dies during residence at Windsor Run, Windsor Run agrees that Guarantor shall be released from its obligations under this Guaranty Agreement upon satisfaction of all of Beneficiary's outstanding charges.

9. This Guaranty is incorporated into the Residence and Care Agreement. The Residence and Care Agreement remains in full force and effect, and, if there is any inconsistency between this Guaranty and the Residence and Care Agreement, the Residence and Care Agreement shall govern.

10. Any electronic signature (including any electronic symbol or process used by a signatory with the intent to sign or authenticate) of this Guaranty Agreement shall have the same legal validity and enforceability as an original, manual signature to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, or any similar state law based on the Uniform Electronic Transactions Act. The parties to this Guaranty Agreement may sign separately in several counter-parts, all of which together shall constitute one and the same Agreement.

WINDSOR RUN
LIMITED GUARANTY AGREEMENT (JOINT ASSETS)
ADDENDUM TO RESIDENCE AND CARE AGREEMENT

This Guaranty Agreement is made as of this _____ day of _____, 20__ between Windsor Run, LLC ("Windsor Run") and _____ (herein collectively referred to as "Guarantor").

Recitals

R.1 _____ ("Beneficiary") desires to become a resident at the Windsor Run Retirement Community and will enter into a Residence and Care Agreement with Windsor Run;

R.2 Beneficiary and Guarantor own jointly the assets (the "Joint Assets") set forth in Exhibit A, attached to and incorporated in this Agreement which Joint Assets have the value set forth in Exhibit A as of the date of this Agreement;

R.3 Due to the ownership of the Joint Assets, Beneficiary's individual financial status does not meet Windsor Run's standard qualifications for residency;

R.4 Guarantor desires to give Windsor Run additional assurances as to the Joint Assets in order to induce Windsor Run to accept the Beneficiary as a resident;

Agreement

NOW THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, the parties hereby agree as follows:

1. Subject to the limitations set forth in Section 2 hereof, Guarantor agrees to voluntarily and unconditionally guarantee payment (the "Guaranty") of Beneficiary's obligations which are due or may become due to Windsor Run incurred relative to Beneficiary's residence at Windsor Run pursuant to the terms of the Residence and Care Agreement. This Guaranty shall continue in effect from the date of this Agreement until the Guarantor is released by Windsor Run pursuant to Section 9 of this Agreement.

2. Unless Guarantor has committed a Default under this Guaranty as defined in Section 5 hereof, the Guaranty is limited to payment from the Joint Assets as set forth in Exhibit A. Guarantor understands that this is an unconditional Guaranty of payment, not collection.

3. Subject to Windsor Run's verification of Beneficiary's financial qualifications other than the Joint Assets and to Windsor Run's determination of the appropriate level of care for

Beneficiary, Windsor Run agrees to accept Beneficiary as a resident pursuant to the terms of the Residence and Care Agreement.

4. In the event that Beneficiary is unable to meet his/her obligations under the Residence and Care Agreement without use of the Joint Assets, Windsor Run will use its sole discretion in determining whether or not to proceed to collect amounts from the Beneficiary, the Joint Assets, the Guarantor, or other sources. In exercising that discretion, as a matter of policy but not obligation, generally Windsor Run will take the following steps:

- 4.1. Upon Beneficiary's or Beneficiary's duly authorized representative's request for assistance pursuant to the Residence and Care Agreement, Windsor Run shall review the Beneficiary's then-current financial status, including but not limited to the balance of the Joint Assets. Windsor Run may request further documentation to show that any changes in the value of the Joint Assets, as shown in Exhibit A, were either expenditures made for the direct benefit of the Beneficiary or market fluctuations in the value of the Joint Assets.
- 4.2. If Windsor Run believes in its sole discretion that any expenditures from the Joint Assets were spent for the benefit of Beneficiary and that Beneficiary is not otherwise in breach of the Residence and Care Agreement, Windsor Run may then initiate a spend-down plan with the Beneficiary or the duly authorized representative for Beneficiary's assets, including the Joint Assets, other than the Entrance Deposit. Windsor Run may require that Resident seek to obtain funds from outside sources such as medical assistance. If Windsor Run believes in its sole discretion that any expenditures from the Joint Assets were due to a Default by Guarantor, Windsor Run shall proceed as provided in Section 5 hereof.
- 4.3. After spend-down of Beneficiary's assets, including the Joint Assets, Windsor Run shall release the Guaranty and shall initiate a spend-down of the entrance deposit.

5. Guarantor will be in Default under this Guaranty Agreement in the event that Guarantor withdraws, spends, distributes, pledges, assigns, or otherwise uses the Joint Assets for any purpose other than for the direct benefit of the Beneficiary. In the event of a Default, as a matter of policy but not obligation, Windsor Run shall normally proceed as follows:

- 5.1. Prior to initiating a spend-down plan as described in Section 4.2, Windsor Run shall first enforce the Guaranty. Windsor Run shall have the right to enforce payment of the Guaranty against any and all of Guarantor's personal assets in any form whatsoever and shall not be limited to payment from the Joint Assets. The Guaranty shall be limited to the amount of the Joint Assets withdrawn, spent, distributed, pledged, assigned, or otherwise used by the

Guarantor other than for the direct benefit of the Beneficiary, which amount shall be determined by Windsor Run in its sole discretion.

- 5.2. In the event that Windsor Run is required to hire a collection agency or to initiate legal proceedings to enforce the Guaranty, in addition to any amounts due pursuant to the Guaranty, Guarantor shall also be responsible for any and all interest, collection costs, and court costs, including reasonable attorneys' fees, that might be incurred by Windsor Run in enforcing the Guaranty.
- 5.3. After payment to Windsor Run of all sums due pursuant to the Guaranty and any interest, collection costs, court costs, including reasonable attorney's fees, which may be due pursuant to Section 5.2, Windsor Run will work with the Beneficiary or the Beneficiary's duly authorized representative to initiate the steps listed in Section 4.2 and 4.3 hereof for the spend-down program.

6. The parties agree that this agreement shall be interpreted under the laws of the State of North Carolina and that venue for any claim arising out of this Guaranty Agreement shall be in Mecklenburg County, North Carolina.

7. Guarantor hereby waives its rights to the following: presentment, demand, dishonor, protest, notice of nonpayment, and notice of dishonor. Guarantor further agrees that all arrangements concerning Beneficiary's financial obligations to Windsor Run shall be made and decided solely between Windsor Run and the Beneficiary. However, Guarantor shall be entitled, upon request, to receive a copy of Beneficiary's monthly statement.

8. In addition to all rights available to Windsor Run under this Agreement, Windsor Run shall also have all of the rights and remedies enumerated in the Residence and Care Agreement, up to and including termination of residency, for non-payment of fees.

9. Windsor Run agrees that it will release Guarantor from the obligations under this Guaranty Agreement upon the sooner of:

- a. The termination of the Residence and Care Agreement either during his/ her lifetime or due to Beneficiary's death, upon satisfaction of all Guarantor's obligation under this Guaranty Agreement and ninety (90) days following Beneficiary's Departure Date or resale of the Living Unit, whichever event shall occur first;
- b. The completion of the steps listed in Sections 4.1, 4.2 and 4.3 hereof; or
- c. The payment of all sums due to Windsor Run, as enumerated in Section 5.3, in the event of a Default.

10. Any electronic signature (including any electronic symbol or process used by a signatory with the intent to sign or authenticate) of this Guaranty Agreement shall have the same legal validity and enforceability as an original, manual signature to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, or any similar state law based on the Uniform Electronic Transactions Act. Windsor Run, LLC

Notes to Financial Statements

1. Organization

Windsor Run, LLC (the “Company”) is a Maryland limited liability company, originally formed on April 9, 2014, as ELP Matthews, LLC, to own, acquire and develop certain real property. The Company commenced operations as a continuing care retirement community in Matthews, North Carolina during calendar year 2018 and reports financial results based on a calendar year end. The Company is currently expected to include 431 independent living units in neighborhood one, 60 assisted living units and 36 skilled nursing units (including 18 memory care units). As of December 31, 2019, there were 290 units occupied of the available 318 independent living units. As of December 31, 2018, there were 162 units occupied of the available 217 independent living units.

The Company is a wholly owned subsidiary of Erickson Living Properties II, LLC (“ELP II”), whose purpose is to develop and lease continuing care retirement communities (“CCRCs”). ELP II is a wholly owned subsidiary of Erickson Living Holdings, LLC (“ELH”), whose purpose is to develop, manage and lease CCRCs. Erickson Living Senior Care, LLC (“ELSC”), a wholly owned subsidiary of ELH, was formed to manage Health Care delivery systems that support the CCRCs and to provide physician practice management services and medical management services to CCRCs. These financial statements present the operations of the Company for the years ended December 31, 2019 and 2018.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents

Cash and cash equivalents consist of short-term, highly liquid investments that are readily convertible to known amounts of cash and have original maturities of three months or less.

Concentration of Credit Risk

Financial instruments that subject the Company to concentrations of credit risk consist of cash and cash equivalents. The Company maintains its cash and cash equivalents in financial institutions that are federally insured under the Federal Deposit Insurance Corporation (“FDIC”). Total deposits at these institutions at times exceed the FDIC insurance limits and, therefore, bear the risk of loss. The Company has not experienced any losses to date and believes it is not exposed to any significant credit risk related to cash.

Restricted Cash/Letters of Credit

Restricted cash consists of advance deposits received from prospective residents to reserve apartment units prior to settlement, certificates of deposit purchased as collateral for letters of credit and funds deposited with the State of North Carolina Department of Insurance (“NCDI”). On December 2, 2019, all three certificates of deposit held with PNC Bank were redeemed. The total amount of letters of credit issued by the Company is \$-0- and \$904,000 as of December 31, 2019 and 2018, respectively.

Windsor Run, LLC

Notes to Financial Statements

The following table provides a reconciliation of cash, cash equivalents and restricted cash (excluding non-cash and cash equivalents included in the balance) reported within the balance sheets that sum to the total of the same amounts shown within the statements of cash flows as of December 31:

	<u>2019</u>	<u>2018</u>
Cash and cash equivalents	\$ 457,686	701,588
Restricted cash	6,564,879	39,522,579
Operating reserve	<u>3,272,333</u>	<u>2,351,610</u>
Cash, cash equivalents and restricted cash	<u>\$ 10,294,898</u>	<u>\$ 42,575,777</u>

Resident Promissory Notes Receivable

Resident promissory notes receivable consist of short-term receivables from residents related to payment of the final installment of their entrance fee. Often, there is a timing difference between when the sale of a prospective resident's home will be finalized, and the due date of the final installment on their resident entrance fee. In these cases, a short-term promissory note is issued by the resident. If the resident pays the note on or before the agreed upon due date, no interest is charged. If the resident does not pay the note by the agreed upon due date, interest may be charged from the day the note was issued through the date of payment. Promissory notes receivable were \$6,712,669 and \$4,811,380 as of December 31, 2019 and 2018, respectively.

Resident Accounts Receivable

The accounts receivable are comprised of billed occupancy and ancillary charges that are still outstanding. The Company writes off uncollectible accounts receivable after all collection efforts have been exhausted and management determines they will not be collected. The Company determined that its resident receivables are fully collectible and, therefore, no allowance was recorded for the years ended December 31, 2019 and 2018.

Due to/from ELSC

The amount due from ELSC is related to the reimbursement of expenses to the Erickson Health Center on the campus of the Company.

Operating Reserve

The NCDOT requires a CCRC to maintain an operating reserve equal to 25% of the total operating costs, less depreciation and amortization, of the facility for the 12-month period following the period covered by the most recent disclosure statement filed with the Department. As of December 31, 2019, the Company has placed \$3,272,333 in a reserve account for this requirement. The calculation of the operating reserve is as follows:

Total operating costs per financial projection	\$ 13,070,000
Required percentage	25%
Estimated reserve at December 31, 2019	<u>\$ 3,267,500</u>

The Company is currently in process of reviewing the methodology for the calculation of the required operating reserve considering the full buildout of the community (900 units) with the NCDOT. When the methodology is agreed upon, any required additional amount will be funded. The Department of Insurance has also agreed to the use of a surety bond to cover this reserve requirement. The Company intends to purchase a surety bond during the year ending on December 31, 2020.

Per the North Carolina statute, an operating reserve shall only be released upon the submittal of a detailed request from the provider or facility and must be approved by the Commissioner. Such requests must be submitted in writing for the Commissioner to review at least 10 business days prior to the date of withdrawal.

Windsor Run, LLC

Professional and General Liability Insurance

The Company participates in a high deductible/retention professional and general liability insurance plan. For the years ended December 31, 2019 and 2018, the Company plan has a \$500,000 deductible/retention with a \$3,000,000 professional and general liability aggregate. Continental Casualty Company provides the excess coverage. The liability for the anticipated payment for future professional and general liability was \$36,478 and \$9,699 at December 31, 2019 and 2018, respectively, and is included in accrued expenses on the balance sheets. During the year ended December 31, 2018, the expenses for the anticipated payment for future professional and general liability claims were incurred and allocated to the Company from Erickson Living Management, LLC ("ELM") through the central services agreement (Note 8).

Workers' Compensation

The Company's workers' compensation coverage is provided by an A++ rated insurance carrier. The Company participates in a pooled commercial workers' compensation policy with other affiliated entities of the member. The policy has a deductible/retention per occurrence of \$1,000,000. Premiums paid, net of administrative expenses on the policy, are applied against policy claims. The policy term extends from November to November of each year, and premiums are paid by ELM. The expenses for workers' compensation liability claims are incurred and allocated to the Company from ELM through the central services agreement (Note 8).

Intangible Assets

During 2018, the Company acquired the bed licenses required by the State of North Carolina and obtained the required Certificate of Need (CON) to operate the planned care center at the community. The cost to acquire the required licenses and the CON were recorded as an intangible asset. The licenses do not expire and are transferable, thus they were assessed to have an indefinite life and are not subject to amortization. The cost to obtain these bed licenses in 2018 was \$2,103,559. No additions to this asset occurred in 2019.

Property, Plant and Equipment

Property, plant and equipment are recorded at cost and are depreciated using the straight-line method over the estimated useful lives of the individual items, as shown below:

Buildings	40 years
Land improvements	15 years
Furniture, fixtures and equipment	3 to 15 years

Construction in progress includes the direct and indirect costs associated with the acquisition, development and construction of specific real estate development projects.

Gains or losses on the disposition of property, plant and equipment are reported at the time of the disposition.

Notes to Financial Statements

Valuation of Long-Lived Assets

The Company accounts for the valuation of long-lived assets under the guidance for *Accounting for the Impairment or Disposal of Long-Lived Assets*. This guidance requires that long-lived assets be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. Recoverability of long-lived assets is measured by a comparison of the carrying amount of the assets to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the estimated fair value of the assets. Assets to be disposed of are reportable at the lower of the carrying amount or fair value, less costs to sell.

Revenue Recognition

On January 1, 2019, the Company adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 606, Revenue from Contracts with Customers, or ASC Topic 606, under the modified retrospective approach applied to certain contracts, which were not completed as of December 31, 2018 using the practical expedient in paragraph 606-10-10-4. The practical expedient allows for the use of a portfolio approach, because the Company determined that the effect of applying the guidance to the Company's portfolios of contracts within the scope of ASC Topic 606 on the Company's financial statements would not differ materially from applying the guidance to each individual contract within the respective portfolio or the Company's performance obligations within that portfolio. This approach will also be used for future contract modifications, if any. The five-step model defined by ASC Topic 606 requires us to: (1) identify the Company's contracts with customers, (2) identify the Company's performance obligations under those contracts, (3) determine the transaction prices of those contracts, (4) allocate the transaction prices to the Company's performance obligations in those contracts and (5) recognize revenue when each performance obligation under those contracts is satisfied. Revenue is recognized when promised goods or services are transferred to the customer in an amount that reflects the consideration expected in exchange for those goods or services. The Company's adoption of ASC Topic 606 did not result in an adjustment to the Company's member's equity and did not have a material impact on the amount and timing of the Company's revenue recognition for the year ended December 31, 2019.

Resident occupancy revenue

Resident occupancy revenue is reported at the amount that reflects the consideration the Company expects to receive in exchange for the services provided. These amounts are due from residents or third-party payers and include variable consideration for retroactive adjustments, if any, under reimbursement programs. Performance obligations are determined based on the nature of the services provided. Resident occupancy revenue is recognized as performance obligations are satisfied.

Under the Company's Resident and Care Agreements ("RCA's"), which are generally for the resident's lifetime, but can be terminated at any time by the resident with 60 days' notice, the Company provides continuing care services to residents for a stated daily or monthly fee. The Company recognizes revenue for continuing care services under the RCA for independent living in accordance with the provisions of ASC 840, Leases. The Company recognizes revenue for assisted living services, skilled nursing residency and care, memory care residency and therapy services in accordance with the provisions of ASC 606. The Company has determined that the continuing care services included under the daily or monthly fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation, which is satisfied over time.

The independent living portion of resident occupancy revenue that qualified under the provisions of lease guidance was \$8,137,769 and \$2,619,714 for the years ended December 31, 2019 and 2018, respectively. The Company expects independent living resident occupancy revenue for the year ended December 31, 2019 to remain consistent over the next five years, outside of annual inflationary increases to rates and increases in units available for occupancy.

Windsor Run, LLC

Notes to Financial Statements

The Company evaluates residents' ability to pay for provided services through an assessment of their available assets, future sources of revenue and the security of their entrance fee at the time of entrance to the community. Through this evaluation, the Company has determined that it does not offer implicit price concessions. The lack of implicit price concessions is considered in estimating the transaction price billed to residents and the amounts the Company expects to collect based on its collection history with those residents.

Agreements with third-party payers typically provide for payments at amounts less than established charges. A summary of the payment arrangements with major third-party payers follows:

Medicare: Certain nursing care services are paid at prospectively determined rates based on clinical, diagnostic and other factors. Other services are paid based on cost-reimbursement methodologies subject to certain limits.

Medicaid: Reimbursements for Medicaid services are generally paid at prospectively determined rates per occasion of service or per covered member.

Other: Payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations provide for payment using prospectively determined rates per discharge, discounts from established charges, and prospectively determined daily rates.

Generally, residents who are covered by third-party payers are responsible for related deductibles and coinsurance which vary in amount. Management estimates the transaction price for residents with deductibles and coinsurance and from those who are uninsured based on historical experience and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any contractual adjustments. Subsequent changes to the estimate of the transaction prices are generally recorded as adjustments to resident occupancy revenue or ancillary fees in the period of the change. These changes to estimates that were recorded in the subsequent period were insignificant for the years ended December 31, 2019 and 2018. Subsequent changes that are determined to be the results of an adverse change in the resident's ability to pay are recorded as bad debt expense. Bad debt expense for the years ended December 31, 2019 and 2018, was not significant.

Ancillary fees

Ancillary fees, which include nursing and aide services, pharmacy charges, housekeeping, dining room sales and other services provided to the residents of the Community are reported at the amount that reflects the consideration to which the Company expects to be entitled in exchange for providing these services. The Company recognizes revenue for these ancillary services in accordance with the provisions of ASC 606. Each service provided under the contract is capable of being distinct; therefore, the services are considered individual and separate performance obligations, which are satisfied as services are provided, and revenue is recognized as services are provided.

Disaggregation of Revenue

The Company disaggregates its revenue from contracts with customers by payer source as well as the main lines of business, as the Company believes it best depicts how the nature, amount, timing, and uncertainty of its revenue and cash flows are affected by economic factors. See details in the tables below.

Income Taxes

The Company is a single member limited liability company and has elected to be disregarded for all federal and state income tax purposes and generally is not subject to federal and state income taxes. Accordingly, income taxes are not provided for in the accompanying financial statements, since taxable income is reported by the individual member. Management has evaluated the Company's tax positions and has concluded that the Company has taken no uncertain tax positions that would require disclosure.

Notes to Financial Statements

Financial Instruments

The Company's financial instruments, including cash and cash equivalents, restricted cash, other current assets, accounts and other receivables, accounts payable, accrued expenses, resident refunds payable, advance deposits, due to ELM, net, due to/from ELSC, due to CCRCs and due to ELD are carried at cost, which approximates their fair value because of the short-term nature of these instruments.

Management Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management, where necessary, to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Advertising

Advertising costs are charged to operations when incurred. Advertising expense of \$2,777,532 and \$3,048,648 was recorded for the years ended December 31, 2019 and 2018, respectively.

Recently Adopted Accounting Pronouncements

In May 2014, the FASB issued Accounting Standards Update ("ASU") 2014-09, *Revenue from Contracts with Customers*. ASU 2014-09 affects any entity that either enters into contracts with customers to transfer goods or services or enters into contracts for the transfer of nonfinancial assets. The five-step model defined by ASU 2014-09 requires the Company to (i) identify the contracts with the customer, (ii) identify the performance obligations in the contract, (iii) determine the transaction price, (iv) allocate the transaction price to the performance obligations in the contract and (v) recognize revenue when each performance obligation is satisfied. Revenue is recognized when promised goods or services are transferred to the customer in an amount that reflects the consideration expected in exchange for those goods or services. Additionally, ASU 2014-09 requires enhanced disclosure of revenue arrangements. ASU 2014-09 may be applied retrospectively to each prior period (full retrospective) or retrospectively with the cumulative effect recognized as of the date of initial application (modified retrospective). ASU 2014-09, as amended, is effective for the Company's fiscal year beginning January 1, 2019, and the Company adopted the new standard under the modified retrospective approach. Under the modified retrospective approach, the guidance is applied to the most current period presented, recognizing the cumulative effect of the adoption change as an adjustment to beginning equity. The adoption of ASU 2014-09 did not result in a change to equity as of January 1, 2019. The Company performs an upfront creditworthiness assessment on potential new residents and concluded there are no implicit price concessions. Any subsequent changes in the estimate of collectability due to a change in the financial status of a resident will be recognized as bad debt expense in administrative and other expense on the statements of operations.

In November 2016, the FASB issued ASU 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash*, requiring that a statement of cash flows explain the change during the period in the total of cash, cash equivalents and amounts generally described as restricted cash or restricted cash equivalents. As a result, amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statements of cash flows. The updated standard will be effective for annual reporting periods beginning after December 15, 2018. The Company has adopted ASU 2016-18 for the period beginning January 1, 2019.

Recently Issued Accounting Pronouncement

In February 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842), which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract (i.e., lessees and lessors). The new standard requires lessees to apply a dual approach, classifying leases as either finance or operating leases based on the principle of whether or not the lease is effectively a financed purchase by the lessee. This classification will determine whether lease expense is recognized based on an effective interest method or on a straight-line basis over the term of the lease, respectively. A lessee is also required to record a right-of-use asset and a lease liability for all leases with a term of greater than 12 months regardless of their classification. Leases with a term of 12 months or less will be accounted for similar to existing guidance for operating leases today. The new standard requires lessors to account for leases using an approach that is substantially equivalent to existing guidance for sales-type leases, direct financing leases and operating leases. The standard is effective for fiscal years beginning after December 15, 2020, with early adoption permitted. The Company is in the process of evaluating the impact of this new guidance.

Subsequent Events

The spread of COVID-19, a novel strain of coronavirus, appears to be altering the behavior of business and people in a manner that is having negative effects on local, regional and global economies. The extent to which COVID-19 impacts the operations of the Company in the future will depend on future developments, which are highly uncertain and cannot be predicted with confidence, including the duration of the outbreak, new information that may emerge concerning the severity of COVID-19, the actions taken to contain COVID-19 or treat its impact, and the impact of each of these items on the economies and financial markets in the United States. In particular, the continued spread of COVID-19 could adversely impact the Company's operations, including among others, sales and marketing efforts and daily operations, and may have a material adverse effect on the financial condition of the Company.

The Company evaluated subsequent events through April 28, 2020, which is the date the consolidated financial statements were available to be issued.

3. Property, Plant and Equipment

As of December 31, property, plant and equipment consist of the following:

	2019	2018
Land and land improvements	\$ 10,059,640	\$ 9,331,145
Buildings	100,949,449	72,582,211
Furniture, fixtures and equipment	6,670,764	5,728,681
Construction in progress	8,416,953	27,382,991
	<u>126,096,806</u>	<u>115,025,028</u>
Accumulated depreciation	(6,277,684)	(2,531,687)
Property, plant and equipment, net	<u>\$ 119,819,122</u>	<u>\$ 112,493,341</u>

Depreciation expense of \$3,745,997 and \$2,230,428 was recorded for the years ended December 31, 2019 and 2018, respectively.

Disposals of fixed assets totaled \$-0- and \$79,959 for the years ended December 31, 2019 and 2018, respectively.

4. Restricted Cash, Advance Deposits and Resident Entrance Fees

Residents are required to remit entrance fees, which may vary in amount depending upon the unit to be occupied. Prospective residents are required to make certain installment payments prior to the final settlement of the given unit. These amounts are included in restricted cash and advance deposits on the balance sheets. Timing differences may cause restricted cash not to be equal to advance deposits.

Entrance fees on settled units are shown as resident entrance fees on the balance sheets and are reported net of amortization.

The Company currently offers two types of RCA's. The RCA's provide for either a refundable amount of 90% of the total entrance fee and a 10% non-refundable portion ("90% contracts") or a non-refundable option ("0% contracts"). Eligibility for a refund under the 90% contracts is established when the RCA has terminated, the unit has been vacated and released, all outstanding obligations have been paid and funds are available in the Refund Account. The Refund Account is funded from new residents who have settled an independent living unit with a new 90% contract. The refunds are made in sequential order, based on when a former resident has met eligibility for a refund and funds are available in the Refund Account. The refund on these units is not tied to the resettlement of the former resident's specific unit. Once these requirements have been met, the refund is due to the resident within 60 days. For the 90% contracts, when the unit is released the amount of the fully refundable portion of the resident entrance fee is reclassified from resident entrance fees, a non-current liability, to resident refunds payable, a current liability on the balance sheets.

The non-refundable portion of the entrance fee is treated as deferred revenue and amortized into revenue on a straight-line basis over an 8.5-year period, which approximates the estimated average length of time a resident resides at the community based on community and industry data. Amortization of resident entrance fees is included in revenue on the statements of operations and changes in member's equity. The amount of amortization related to the 10% non-refundable portion of the deposit was \$1,152,246 and \$296,330, respectively, for the years ended December 31, 2019 and 2018, and is included in amortization of resident entrance fees on the statements of operations and changes in member's equity. Accumulated amortization on non-refundable entrance fees was \$1,357,676 and \$296,330, respectively, for the years ended December 31, 2019 and 2018.

5. Line of Credit

On March 17, 2017, ELH closed on a \$250 million credit facility with Bank of America as the lead lender of a syndicate of banks. This credit facility is expected to provide sufficient capital to ELH, when combined with expected community loan advances from initial entrance fees along with other sources of cash flow, to fund building and land acquisition growth plans. The maximum availability on this facility is limited to a multiple of ELH's operating cash flows (adjusted EBITDA, as defined in the credit agreement), or the size of the facility, whichever is less. The facility provides for a draw period of four years, with ELH's option to extend for one additional year. Draws on the line of credit will bear interest at varying LIBOR rates (based on the duration of the draw) plus a varying spread (based on outstanding loan to EBITDA). Four subsidiaries of ELP have granted mortgages on properties each owns as collateral support for the credit facility. Furthermore, all ELH subsidiaries, including the Company, are guarantors of the credit facility. The agreement was amended on December 14, 2018 to increase the amount available under the credit facility to \$400 million. Borrowings under the credit facility were \$26,000,000 and \$243,000,000 as of December 31, 2019 and 2018, respectively. On March 28, 2019, the credit facility was amended to release one of the subsidiaries' mortgages as collateral. The amendment required ELH to pledge \$20,000,000 in cash and allowed ELH to make certain distributions to its members.

Windsor Run, LLC

Notes to Financial Statements

The Credit Agreement also contains certain restrictive covenants on ELH that are customary for similar credit arrangements. For example, the Credit Agreement contains covenants relating to financial reporting and notification, compliance with laws, preserving existence, maintenance of books and records, how ELH may use proceeds from borrowings, and maintenance of properties and insurance. In addition, the Credit Agreement includes covenants that limited ELH's ability to incur additional debt, make certain investments, enter into transactions with affiliates, grant or permit liens, sell assets, enter into sale and leaseback transactions, and consolidate, merge or sell all or substantially all of ELH's assets. There are also financial performance covenants that require ELH to maintain a minimum EBITDA, minimum liquidity and minimum occupancy percentages.

6. Management and Marketing Agreement

The Company and ELM entered into a Management and Marketing Agreement, whereby ELM will provide management and marketing services to the Company during the term of this agreement which expires on December 31, 2024. The agreement provides for the Company to pay ELM a monthly management fee of 5% of facility revenue. Other corporate services as required by the Company are also reimbursed to ELM as defined in the management agreement. Total management fees were \$405,328 and \$130,550 for the years ended December 31, 2019 and 2018, respectively.

The direct and shared costs allocated to the Company by ELM for the years ended December 31, 2019 and 2018, were \$2,519,989 and \$2,229,385, respectively, and are included in professional and contracted services and salaries, wages and benefits on the statements of operations and changes in member's equity. Direct costs include salaries and benefits for management personnel and the use of services such as finance, legal, human resources, information systems and operations.

7. Defined Contribution Plan

The Company's employees, meeting certain requirements, are eligible to participate in a defined contribution plan maintained by a company related through common ownership. The Company will match 100% of the first five hundred dollars of the employee contribution, and 50% of the next five hundred dollars for a maximum of seven hundred fifty dollars for corporate employees or 100% of the first 3% of the employee contribution for employees at the community. The Company made matching contributions of \$60,750 and \$4,720 for the years ended December 31, 2019 and 2018, respectively, which are included in salaries, wages and benefits on the statements of operations and changes in member's equity.

8. Related Party Transactions

The Company has an informal central services agreement with ELM. The central services agreement allows for allocation of general and administrative expenses for all companies under common ownership, and CCRC entities for which ELM provides management services. The Company's parent company ELP II and ELM have a common parent, therefore qualify as related parties. During the years ended December 31, 2019 and 2018, the Company incurred expenses of \$1,484,160 and \$1,185,730, respectively, related to the central services agreement and is included in the direct and shared costs in Note 6. During the years ended December 31, 2019 and 2018, the Company also made payments of \$1,356,256 and \$1,313,634, respectively, related to the central services agreement.

In 2016, the Company entered into an informal agreement with Erickson Living Development, LLC ("ELD") to pay for certain development services provided by employees of ELD. The Company's parent company, ELP II, and ELD have a common parent, therefore qualifying as related parties. The agreement allows for ELD to collect a 5% development fee on hard and soft construction costs incurred by the Company. The development fee totaled \$494,641 and \$1,558,110 during the years ended December 31, 2019 and 2018, respectively, and is capitalized as part of ongoing construction costs. During the years ended December 31, 2019 and 2018, the Company made payments of \$595,530 and \$1,619,115, respectively, related to the development fee agreement.

Independent Accountants' Compilation Report

Windsor Run, LLC
Matthews, North Carolina

Management of Windsor Run, LLC (the "Company") and Erickson Living Management, LLC (collectively referred to as "Management") is responsible for the accompanying financial projection of the Company, which comprises the projected balance sheets as of and for each of the five years ending December 31, 2024 and the related projected statements of operations, changes in member's equity and cash flows for each of the years then ending, and the related summaries of significant assumptions and rationale in accordance with guidelines for the presentation of a financial projection established by the American Institute of Certified Public Accountants ("AICPA").

The Company is currently expanding the existing retirement community with the construction of 113 independent living units and 46 continuing care beds (housed in 24 units) to include 36 skilled nursing beds and 10 assisted living beds (the "Project"). The Project units are expected to be available for occupancy in 2021. An additional 469 independent living units, to be built in five phases, and 128 additional continuing care beds to include 69 multi-unit assisted housing with services units (92 beds) and 24 memory care units (36 beds) are planned for construction and move-in between 2020 through 2027, for a total of 900 independent living units upon completion and 117 continuing care units to be built in three phases.

The accompanying projection and this report were prepared for inclusion with the disclosure statement filing requirements of North Carolina General Statutes, Chapter 58, Article 64 and should not be used for any other purpose.

We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services Committee of the AICPA. We did not examine or review the financial projection nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on this financial projection. Furthermore, even if the following hypothetical assumptions (the "Hypothetical Assumptions") occur during the projection period:

- Construction, development, marketing and other related costs for the phased projects occur in the assumed timeline and at the assumed costs; and
- The phased project units are successfully marketed and occupied at the assumed occupancy levels.

There will usually be differences between the prospective and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

We have no responsibility to update this report for events and circumstances occurring after the date of this report.

Windsor Run, LLC

Summary of Significant Projection Assumptions and Rationale For Each of the Five Years Ending December 31, 2024

Basis of Presentation

The accompanying financial projection presents, to the best of the knowledge and belief of management of Windsor Run, LLC (the “Company”) and Erickson Living Management, LLC (collectively referred to as “Management”), the expected financial position, results of operations, and cash flows of the Company as of and for each of the five years ending December 31, 2024. Accordingly, the accompanying projection reflects Management’s judgment as of June 24, 2020, the date of this projection, based on present circumstances and the expected course of action during the projection period assuming the hypothetical assumptions defined below. The assumptions disclosed herein are those that Management believes are significant to the projection.

Management’s purpose in releasing this financial projection is for inclusion in the Company’s annual disclosure statement in accordance with Chapter 58, Article 64, of the North Carolina General Statutes and this report should not be used for any other purpose.

We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services Committee of the AICPA. We did not examine or review the financial projection nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on this financial projection. Furthermore, even if the following hypothetical assumptions (the “Hypothetical Assumptions”) occur during the projection period,

- Construction, development, marketing and other related costs for the phased projects occur in the assumed timeline and at the assumed costs; and
- The phased project units are successfully marketed and occupied at the assumed occupancy levels.

There will usually be differences between the prospective and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Description of the Community

The Company, a Maryland limited liability company qualified to do business in North Carolina, was formed to develop and operate a life plan community (“LPC”), known as Windsor Run (the “Community”) on an approximately 106-acre site in Matthews, North Carolina. The Community opened in May 2018 and is licensed by the North Carolina Department of Insurance (“NCDOI”). The Community is managed by Erickson Living Management, LLC (the “Manager”). The Manager was formed in 2009 and currently manages 19 LPCs in 11 states (including the Community). Effective April 30, 2020, the ownership of the Company is shared between the prior 100% owner, Erickson Living Properties II, LLC (“Erickson”), and a new minority owner, NSC – Siena Lakes, LLC (“NSC, LLC”). NSC, LLC is a newly formed limited liability company and is wholly owned by National Senior Campuses, Inc. (“NSC, Inc.”), a 501(c)(3) charitable organization. NSC, LLC has obtained a ten percent (10%) minority ownership interest in the Company and Erickson retained a ninety percent (90%) majority interest in the Company. Erickson and NSC, Inc. are collectively defined as the “Parent”.

The Community offers a fee-for-service or “Type C” contract in which residents transferring through the continuum of care receive priority access into the health care services on campus. The entrance fees at the Community are offered under either a 90 percent refundable or a fully declining refund contract. For the

See Independent Accountants’ Compilation Report

purpose of the projection, Management assumes 20 percent of new entrance fee contracts sold to be fully declining refund contracts and the remaining 80 percent to be 90 percent refundable contracts. As of December 31, 2019, the Company has sold 292 apartments: 24 (8%) with non-refundable contracts and 268 (92%) with 90 percent refund contracts.

The independent living components of the Community are to be built in phases according to demand. Upon full build out, the Community is expected to include 900 independent living units (the "Independent Living Units"). The Community currently consists of 318 independent living units in four buildings (the "Existing ILUs"), with the first building available for occupancy in May 2018, as well as a community building (the "Community Building"). In addition to the Existing ILUs, the Community currently has one building of 113 independent living units under construction, which are expected to be available for occupancy in May 2021 (the "Phase III ILUs"). The remaining 469 Independent Living Units (subject to demand) are assumed to be constructed and moved-in over the next eight years (2020 through 2027) and are referred to as the "Future Phase ILUs" (See Table 2 for further detail).

The Company also plans to build a healthcare neighborhood for the campus to be known as "Continuing Care at Windsor Run" which would include, upon full build out, 69 multi-unit assisted housing with services units (92 beds) (the "Assisted Living Beds"), 24 memory care units (36 beds) (the "Memory Care Beds") and 24 nursing units (46 beds) (the "Skilled Nursing Beds") collectively referred to as the "Continuing Care Beds". The first phase of the Continuing Care Beds are currently under construction (the "Continuing Care Bed Project"). The Phase III ILUs and the Continuing Care Bed Project are collectively called the 2021 Project ("2021 Project").

The Community Building includes dining options such as a restaurant and café, classrooms, activity spaces, beauty salon, on-site banking services, aquatic and fitness center, and on-site medical center with services provided by both primary care practitioners and sub-specialists.

COVID-19 Pandemic

Management's projection was originally prepared during the first quarter of 2020. On March 11, 2020, the World Health Organization declared the highly contagious respiratory disease named "coronavirus disease 2019" ("COVID-19") to be a pandemic, and on March 13, 2020, a national emergency was declared in the United States and the Centers for Disease Control and Prevention has confirmed the spread of COVID-19 to the United States, including North Carolina. In response, the federal government and a large number of state and district governments, including North Carolina, have imposed measures to curtail certain aspects of public life in an effort to contain COVID-19.

In addition to the direct impact to the health care industry, global investment and financial markets (including in the United States) have experienced substantial volatility, with significant declines attributed to COVID-19 concerns and associated economic impacts of the curtailment of public life described above. As with nearly all industries and companies operating through the COVID-19 pandemic, the Company expects to encounter further volatility and disruption in its operations and in the local, national and global economies.

An outbreak of an infectious disease, including the growth in the magnitude or severity of COVID-19 cases in the Company's service area, could result in an abnormally high demand for health care services. Further, the changing global economic conditions or global health concerns surrounding the COVID-19 pandemic may also affect the Company's partners, suppliers, distributors and payors, potentially disrupting or delaying the Company's supply chain, project construction progress and reimbursement by private payors.

The Company has activated plans to address the COVID-19 threat and is operating pursuant to required infectious disease protocols.

The extent of COVID-19's effect on the Company's operational and financial performance will depend on future developments, including the duration, spread and intensity of the pandemic, all of which are uncertain and difficult to predict considering the rapidly evolving landscape. As a result, the potential impact of the COVID-19 pandemic could materially adversely impact the Company's financial condition, liquidity and results of operations, as well as national and local economies.

For the purpose of this projection, Management has not considered the potential continued impact of COVID-19 in its projection.

Management and Marketing Agreement

The Company and the Manager entered into a Management and Marketing Agreement (the "Management and Marketing Agreement"). Under the Management and Marketing Agreement, the Manager is required to provide all management services necessary to operate the Community, including but not limited to, financial management, record and report management, recruitment of personnel, supervision of the day-to-day operations and programs, building maintenance, and marketing of the Community.

As compensation for its performance under the Management and Marketing Agreement, the Company is obligated to pay the Manager a monthly fee equal to five percent (5.0%) of gross revenues of the Community (the "Management and Marketing Fee").

Residence and Care Agreements

Reservation Process

Prospective residents of the Community are able to secure priority selection and/or reserve a specific Independent Living Unit by placing a fully refundable, initial deposit of \$1,000 (the "Priority List Deposit" or "Non-Binding Reservation") and completing a priority list application (the "Priority List Application").

In order to reserve an Independent Living Unit, a prospective resident must execute a residence and care agreement (the "Residence and Care Agreement"), complete a profile application, provide self-disclosure of his or her finances and pay an Entrance Fee which consists of the following:

1. The Priority List Deposit;
2. A \$4,000 reservation deposit (the "Binding Reservation Deposit"), which is fully refundable, due when the prospective Resident reserves a unit type in a particular residential building;
3. A signing deposit, bringing the total to 10 percent of the total Entrance Fee deposit, is due when the Resident signs the Residence and Care Agreement ("Reserved"); and
4. A final deposit, which is the remainder of the Entrance Fee deposit after the prior deposits are paid ("Settled"), due when the Resident takes possession of the Independent Living Unit (the "Occupancy Date").

Residence and Care Agreement

Under the terms of the Residence and Care Agreement, the Company generally accepts as residents ("Resident" or "Residents") those persons at least 62 years of age at the time of occupancy (only one member of a couple must meet this requirement) who are able to care for themselves with limited or no assistance and are able to demonstrate the necessary financial resources to meet the Company's minimum fee requirements. As defined in the Residence and Care Agreement, a Resident is required

to pay an initial Entrance Fee and a Monthly Fee on an on-going basis. Payment of these amounts entitles Residents to occupy and use the residence.

The Independent Living Units

As provided in the Residence and Care Agreement, the Resident is entitled to the use of an Independent Living Unit and the following services and amenities:

- Monthly meal credit which allows for the purchase of one standard meal per day in the calendar month with a declining monetary balance as the credit is used;
- 24-hour security system with safety officers and emergency communications;
- All utilities;
- Basic cable television service;
- Local and long-distance telephone service;
- Wireless internet;
- One reserved parking space;
- On-site fitness center basic membership;
- Campus shuttle transportation;
- Scheduled local transportation;
- Maintenance and insurance of buildings, grounds and equipment;
- Insurance for the Independent Living Unit and all items in such unit, except items owned by the Resident;
- Sewage, trash and snow removal from common areas;
- Use of all public rooms and common areas; and,
- Priority access to the Assisted Living Beds, Memory Care Beds, and Skilled Nursing Beds.

The Resident may purchase additional services for additional fees including, but not limited to, tray service, housekeeping and laundry services, extra meals, guest meals and lodging.

The Assisted Living Beds and Memory Care Beds

The Residence and Care Agreement is also utilized for care in the Assisted Living Beds and Memory Care Beds which includes the following services: at least three meals per day; fresh linens and personal laundry service; light housekeeping on a weekly basis; 24 hour security system with safety officers and emergency communications; all utilities; local and long-distance telephone service; basic cable television service; on-campus shuttle transportation; scheduled off-campus shuttle transportation; maintenance and insurance of buildings, grounds and equipment; and use of all public rooms and common areas.

In addition, several care packages are offered in the Assisted Living Beds and Memory Care Beds, but not limited to the following services: provision of supervision, verbal cuing and physical assistance in the performance of activities of daily living (as appropriate for the Resident's designated care package), including ambulation, personal hygiene, dressing, toileting and eating; prescription evaluation and planning; service plan designed by a care team; medication management; regularly schedule registered nurse review and assessment; assistance with incontinence care; regular social work team services related to cognitive, behavioral and safety issues; licensed nurse management of chronic/stable

conditions on a regular basis. The care services in the Assisted Living Beds are to be provided through a third-party provider.

Further details regarding the services available for each of Assisted Living Beds and Memory Care Beds, including additional rights and obligations are addressed in the assisted living addendum to the Residence and Care Agreement.

The Skilled Nursing Beds

The Residence and Care Agreement is also utilized for care in the Skilled Nursing Beds. Services included in the daily fee for the Skilled Nursing Beds are to include: nursing care; prescription evaluation and planning; medication administration; service plan designed by a care team; three meals per day; regularly schedule Registered Nurse review and assessment; medically related social services; fresh linens and personal laundry service; daily housekeeping services; planned recreation and activities; mental health services, as needed; incontinence care; assistance in obtaining dental services; flu shots; frequent involvement of licensed medical personnel to manage chronic conditions; 24 hour security system with safety officers and emergency communications; all utilities; local and long-distance telephone service; basic cable television service; campus shuttle transportation; maintenance and insurance of buildings, grounds and equipment; sewage and trash removal; and, use of all public rooms and common areas.

Entrance Fee Plan

The Company offers two Entrance Fee plans for occupancy of a Residence as follows. According to both Entrance Fee plans, the Entrance Fee is paid upon occupancy. In the event of a cancellation after occupancy, the Entrance Fee refund will be paid within 60 days of the date the Resident becomes eligible for a refund. Refunds of Entrance Fees for the 90 percent guaranteed refundable plan are projected to be paid in sequential order of the vacancy date from funds received from the resale of unit(s) for any Independent Living Unit at the Community, not limited to similar or like units, to a new resident or new residents providing sufficient proceeds for payment of the refund and for which there are no prior claims. Refunds, if any, for the fully declining refund plan are projected to be paid within 90 days of the vacancy date.

Refund Options	Amortization Schedule
“Plan A” – 90% Refund Plan	Upon termination of the Residence and Care Agreement, the Resident is refunded 90 percent of the Entrance Fee paid less any outstanding fees.
“Plan B” – Fully Declining Refund Plan ⁽¹⁾	Upon termination of the Residence and Care Agreement, the Resident is refunded the Entrance Fee paid, less (i) four percent of the Entrance Fee (ii) and less an amount equal to two percent of the Entrance Fee per month for each month following the occupancy date. After 48 months of occupancy, no refund is available.

Source: Management

(1) Approximately 80 percent of the total projected Entrance Fees contracts sold are assumed to be Plan A contracts and 20 percent are assumed to be Plan B contracts.

Health Care Benefit

If a Resident is unable to live independently within the range of the services provided in the Independent Living Unit, as determined by the staff in appropriate consultation with the medical director of the Community and in conjunction with the resident's physician and family, the resident will be transferred to an Assisted Living Bed, Memory Care Bed or a Skilled Nursing Bed, on either a temporary or permanent basis.

Upon permanent transfer, the Resident is responsible for paying the applicable per diem charge for the level of care required.

Terminations and Refunds

The Resident may terminate the Residence and Care Agreement within thirty (30) days of execution of the Residence and Care Agreement or making an Entrance Fee deposit (the "Rescission Period"). The Company will refund the initial deposit less the cost of any resident requested unit modifications within 30 days following the Rescission Period or termination.

If a Resident terminates the Residence and Care Agreement after the Rescission Period and/or occupancy of the residence, the Company is required to pay the applicable refund within 60 days of the date the Resident becomes eligible for a refund ("Refund Eligibility"). Refund Eligibility under Plan A is established when the Residence and Care Agreement is terminated, the unit has been vacated and released, all outstanding obligations have been paid, and funds are available in the refund account. Refunds of Entrance Fees for Plan A are projected to be paid in sequential order of the vacancy date for the unit from funds received from the resale of unit(s) for any Independent Living Unit at the Community, not limited to similar or like units, to a new Resident or new Residents providing sufficient proceeds for payment of the refund and for which there are no prior claims. Refunds, if any, for the Plan B are projected to be paid within 90 days of the vacancy date.

Summary of Significant Accounting Policies

Basis of Accounting – The Company maintains its accounting and financial records according to the accrual basis of accounting.

Use of Estimates – The preparation of prospective financial statements in conformity with accounting principles generally accepted in the United States of America requires Management to make estimates and assumptions that affect the amounts reported in the prospective financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and Investments – Cash and investments includes cash on hand, amounts on deposit in banks and highly liquid debt instruments with a maturity of 90 days or less when purchased, excluding amounts whose use is limited. Financial instruments that potentially subject the Company to credit risk consist principally of cash, accounts receivable and investments. The Company maintains its cash in bank accounts which, at times, may exceed federally depository insurance (“FDIC”) limits. Management believes the credit risk associated with these deposits is minimal.

Accounts Receivable – The Company considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

Property and Equipment – Property and equipment are stated at cost less accumulated depreciation. Donated property is recorded at its estimated fair value at the time of receipt. Depreciation is computed using the straight-line method based on the following estimated useful lives:

Land improvements	15 years
Buildings	40 years
Furniture and equipment	3 to 15 years

Marketing Costs – Marketing and advertising costs are charged to operations when incurred by the Company in connection with acquiring new Residents of the Community.

Deferred Revenue from Entrance Fees – Entrance Fees paid by a Resident upon entering into a Residency and Care Agreement are recorded as deferred revenue and amortized into income using the straight-line method over the estimated remaining life expectancy of the Resident, adjusted on an annual basis. The estimated amount of the contractual refund obligations that are expected to be refunded in a subsequent year are classified as a current liability on the balance sheet.

Refundable Entrance Fees – Refundable Entrance Fees received are deferred and the refundable portion of the Entrance Fee is maintained as a liability, reflecting the Corporation’s future obligation for repayment.

Restricted Cash – Potential Residents sign a nonbinding reservation agreement with the Company and pay a deposit (the “Deposit”). The Deposits from Resident are kept in an escrow account in the Resident’s name and identification number. Any interest earnings will accumulate to the benefit of the Community.

See Independent Accountants’ Compilation Report

Pending Accounting Pronouncements – In May 2014, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) No. 2014-09, Revenue from Contracts with Customers. ASU 2014-09 affects any entity that either enters into contracts with customers to transfer goods or services, or enters into contracts for the transfer of nonfinancial assets. The five-step model defined by ASU 2014-09 requires the Company to (i) identify the contracts with the customer, (ii) identify the performance obligations in the contract, (iii) determine the transaction price, (iv) allocate the transaction price to the performance obligations in the contract, (v) recognize revenue when each performance obligation is satisfied. Revenue is recognized when promised goods or services are transferred to the customer in an amount that reflects the consideration expected in exchange for those goods or services. Additionally, ASU No. 2014-09 requires enhanced disclosure of revenue agreements. ASU 2014-09 may be applied retrospectively with the cumulative effect recognized as of the date of initial application (modified retrospective). ASU 2014-09, as amended, is effective for the Company’s fiscal year beginning January 1, 2019, and the Company adopted the new standard under the modified retrospective approach. Under the modified retrospective approach, the guidance is applied to the most current period presented, recognizing the cumulative effect of the adoption change as an adjustment to beginning equity. The adoption of ASU 2014-09 did not result in a change to equity as of January 1, 2019. The Company performs an upfront creditworthiness assessment on potential new residents and concluded there are no implicit price concessions. Any subsequent changes in the estimate of collectability due to change in the financial status of a resident will be recognized as bad debt expense in administrative and other expense on the statements of operations.

In November 2016, the FASB issued ASU 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash*, requiring that a statement of cash flows explain the change during the period in the total of cash, cash equivalents and amounts generally described as restricted cash or restricted cash equivalents. As a result, amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalent when reconciling the beginning-of-period and end-of-period total amounts shown on the statement of cash flows. The updated standard will be effective for annual reporting periods beginning after December 15, 2018. The Company adopted ASU 2016-18 beginning January 1, 2019.

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*, which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract (i.e., leases and lessors). The new standard requires lessees to apply a dual approach, classifying leases as either finance or operating leases based on the principle of whether or not the lease is effectively a financed purchase by the lessee. This classification will determine whether lease expense is recognized based on an effective interest method or on a straight line basis over the term of the lease, respectively. A lessee is also required to record a right-of-use asset and a lease liability for all leases with a term of greater than 12 months regardless of their classification. Leases with a term of 12 months or less will be accounted for similar to existing guidance for operating leases today. The new standard requires lessors to account for leases using an approach that is substantially equivalent to existing guidance for sales-type leases, direct financing leases and operating leases. The Company is in the process of evaluating the impact of this new guidance.

Skilled Nursing Beds Revenue

Service fee revenue for Residents living in the Skilled Nursing Beds is based upon the assumed occupancy and the daily service fee of the respective bed. The Skilled Nursing Bed daily service fees are assumed to increase 3.0 percent for private-pay Residents annually during the projection period. Management assumes the Skilled Nursing Beds are assumed to achieve a 93.1 percent occupancy level in November 2021 and remain at that level throughout the projection period. Monthly Move-in Schedule – 2021 Project

In 2019, the Phase III ILUs and initial phase of the Continuing Care Beds began construction with a planned opening in fiscal year 2021 (collectively the “2021 Project”). Residents are assumed to begin moving into the Assisted Living Beds and Skilled Nursing Beds beginning January 2021 and the Independent Living Units beginning May 2021. Other Revenue

Management assumes meal revenue and other miscellaneous revenue to increase approximately 3.0 percent annually throughout the projection period.

Investment Income

Interest earnings are assumed to approximate 1.0 percent annually throughout the projection period on the Company’s cash and investments, designated for statutory operating reserve and other restricted funds.

Summary of Operating Expense Assumptions

Management assumes all departmental, residential, assisted living, and long-term care expenses to increase approximately 3.0 percent annually throughout the projection period. The below table shows the assumed total number of FTEs in 2020 and 2024, the last year of the projection.

Department	2020 Budgeted FTEs		2024 Projected FTEs

- (1) Management assumes to begin staffing the Continuing Care Beds in late 2020 in advance of the planned opening of the Continuing Care Project in January 2021.

Other non-salary operating expenses are assumed to include ongoing marketing costs, raw food costs, utilities, supplies, maintenance and security contracts, building and general liability insurance, legal and accounting fees, real estate taxes and other miscellaneous expenses and are assumed to increase 3.0 percent annually throughout the projected period. Management and Marketing Fees are projected based on the payment provisions of the Management and Marketing Agreement.

Restricted Cash and Operating Reserve

The following restricted accounts represents funds required by the Company's statutory and contractual requirements.

- (1) Restricted cash consists of resident deposits held in escrow and funded with initial refundable deposits from prospective Residents to hold an Independent Living Unit and funds held for Residents.
- (2) Designated for statutory operating reserve fund, required by the North Carolina General Statute Section 58-64-33 maintain an operating reserve equal to 50 percent of the total operating expenses (adjusted for non-cash items) in a given year, or 25 percent of such total operating expenses (adjusted for non-cash items) if the occupancy exceeds 90 percent.

Due to the timing and nature of the ongoing future projects, the NCDOI agreed to measure expansion units beginning six months after completion of the expansion project completion/occupancy. Additionally, if occupancy falls below 90 percent, the NCDOI has agreed the use of a surety bond (provided by the Parent) can cover this requirement for amounts above 25 percent. The Company intends to purchase a surety bond for all years in which the occupancy is below 90 percent.

For the purpose of the projection, Management has assumed the statutory operating reserve requirement to be approximately 25 percent of expenses in all years of the projection period.

Property and Equipment and Depreciation Expense

The Company is to incur routine capital additions during the projection period that are to be capitalized as property and equipment. Depreciation expense for all capital assets is computed based on the straight-line method for buildings and equipment over estimated average useful lives of 35 and 15 years, respectively. The Company's property and equipment costs, net of accumulated depreciation, during the projection period are summarized in the table below.

Parent Line of Credit

On March 17, 2017, the Parent closed on a \$250 million credit facility with Bank of America as the lead lender of a syndicate of banks (the "Line of Credit"). The Line of Credit is expected to provide sufficient capital to the Parent, when combined with expected community loan advances from initial Entrance Fees along with other sources of cash flow, to fund future building and land acquisition growth plans. Five subsidiaries of the Parent have granted mortgages on properties each owns as collateral support for the Line of Credit (including the Company). Furthermore, all five subsidiaries are guarantors to the Line of Credit. The Line of Credit was increased to \$400 million on December 14, 2018. As of December 31, 2019 total borrowings under the Line of Credit was \$26,000,000. On March 28, 2019 the credit facility was amended to release one of the subsidiaries' mortgages as collateral. The amendment required the Parent to pledge \$20,000,000 in cash and allowed the Parent to make certain distributions to its members.

The Line of Credit contains financial performance covenants that require the Parent to maintain a minimum adjusted EBITDA, as defined in the Line of Credit agreement, minimum liquidity and minimum occupancy percentages.

PPP Loan

As part of its financial response to COVID-19 pandemic the Company arranged for a loan to protect its liquidity. The Company obtained an approximate \$827,000 loan from Bank of America Corporation (the "Bank") under the Small Business Association's (the "SBA") Paycheck Protection Program (the "PPP Loan") created under the Coronavirus Aid, Relief and Economic Security Act (the "Cares Act") as amended by the Paycheck Protection Program Flexibility Act of 2020 (the "Flexibility Act"). The PPP Loan is unsecured and the interest rate is 1 percent per annum. The maturity date is April 2, 2025. Principal and interest payments on the PPP Loan are payable monthly but the first six monthly payments are deferred.

The Cares Act and the subsequent Flexibility Act provide that the PPP Loan will be forgiven if, among other things, during the 24-week period after the PPP Loan was made at least 60 percent of the loan proceeds were used for eligible payroll costs and the average number of full-time employees of the Company was not reduced during an applicable reference period. The Company intends to submit a timely loan forgiveness application to the SBA and anticipates that it will meet all of the conditions for forgiveness of the PPP Loan. The PPP Loan is assumed to be forgiven in fiscal year 2020 for the purpose of the projection.

Resident Promissory Notes Receivable

Resident promissory notes receivable consist of short-term receivable from Residents related to payment of the final installment of their Entrance Fee. Often, there is a timing difference between the sale of a prospective Resident's home, and the due date of the final installment on the Resident's Entrance Fee. In these cases, a short-term promissory note is issued by the Resident. Management plans to maintain similar historical balances during the projection period.

Current Assets and Current Liabilities

Operating revenue, as used below, includes long-term care revenue, residential revenue, assisted living revenue and residential food service revenue. Operating expenses exclude amortization, depreciation and interest expense. Management has assumed the following working capital components based on the Company's historical trends:

Table 14

EXHIBIT 6

EXPLANATION OF MATERIAL DIFFERENCES

Summary:

Exhibit Six provides a narrative describing any material differences between (i) projected statements of revenues and expenses and cash flows and (ii) the actual results of operations for the Provider.

WINDSOR RUN, LLC
EXPLANATION OF MATERIAL DIFFERENCES

Pursuant to Section 58-64-30(a) of the North Carolina General Statutes, we are required to provide a narrative describing any material differences between (i) the projected statements of revenues and expenses and cash flows or other projected financial data filed pursuant to G.S. 58-64-20 as a part of the Disclosure Statement recorded most immediately subsequent to the start of the provider's most recently completed fiscal year and (II) the actual results of operations.

All differences between forecasted results and actual results of \$500,000 or more are deemed material and the Provider has provided an explanation of each line item herein. The higher threshold for a material difference is attributable to the accelerated start-up of operations for the community. If there is a related account to the material item, the related account is referenced also.

On the following pages are the various explanations of material differences for the Balance Sheet, Statement of Operations, and Statement of Cash Flows projected for 2019 and the 2019 actual results.

Notes:

- (1) Offset between audit and projection attributable to accelerated release of entrance fees from, escrow due to quicker fill.
- (2) A short-term promissory note is issued by the resident to Windsor Run to pay the final installment on the resident entrance fee due to the timing difference between the sale of the prospective resident's home and moving to the Community.
- (3) Difference in construction payable.
- (4) Quicker fill lowered presale balance and increased entrance fees received.
- (5) Lower start-up losses due to quicker fill and slight change in construction timing.

Notes:

- (1) Declining balance entrance fees (0% refundable) were introduced during 2019 changing the accounting treatment and classification of entrance fee receipts.
- (2) Change in accounting presentation to include operating reserve and restricted cash as current assets vs. a separate grouping called assets whose use is limited.
- (3) Lower start-up losses due to quicker fill and slight change in construction timing. Audit segregates member contributions and distributions whereas the projection shows the net between the two.
