RESIDENT COUNCIL

The Givens Estates Resident Council supports the wellbeing of all residents, fosters a sense of community, keeps residents informed, and supports and works with staff in matters related to the general good and continual improvement of retirement living at Givens Estates. Each independent living residential component is part of a "cluster" group. Representatives of the 31 cluster groups, co-chairs of Resident Council committees and boards, and the Executive Committee constitute the Resident Council. The Council organizes activities, promotes outreach beyond the Givens Estates community, acts as a liaison to departments of Givens Estates, and provides assistance to Life Enrichment. The Executive Committee of the Resident Council oversees the operation of approximately 10 volunteer committees or boards which residents serve on for one-year terms. These groups collectively advise staff and Administration. Resident Council members meet on the second Wednesday of each month.

GIVENS ESTATES DEVELOPMENT/STRATEGIC PLAN

Givens Estates prepares for the future through a long-range strategic planning process, which is conducted every 7 to 8 years. The strategic plan is integrated into the annual plan for implementation. The organization believes the best way to remain relevant and financially strong for the future is to constantly evolve and improve. In October 2017, the Board of Directors approved a new campus master plan for Givens Estates that will be further refined and implemented in phases over 10 years.

Improvements to Oxford Commons Dining, Wellness Center and commons areas were completed in April 2021. Givens Estates recently completed Friendship Park in March 2022, which consists of Phase I with 35 apartments in one building and Phase II with 45 apartments in a second building. Friendship Park apartments range in size from 900 - 1,300 square feet.

Givens Estates is a well-established life plan community with sound operations and financially strong with an A- Fitch rating. The current operation has existing services capacity to accommodate the additional residents that will occupy the 80 Friendship Park apartments. Givens Estates has financed Friendship Park construction entirely with cash from operations. The occupancy rate is anticipated to be at the historic rate of 96% and there should be no effect on health services with this project.

TERMINATION AND REFUND PROVISIONS

Termination by Resident Prior to Occupancy

Termination During the 30 Day Rescission Period and Before Occupancy: The Residence and Services Agreement may be terminated by the resident by a Written Termination Notice for any reason within thirty (30) days following the later of the execution of the Agreement or the receipt of a disclosure statement (the "Rescission Period") and the resident is not required to move into the Residence during this Rescission Period. The Agreement is automatically cancelled if the resident dies before occupying the Residence, or if, on account of illness, injury, or incapacity, the resident would be precluded from occupying the Residence under the terms of this Agreement. If the Agreement is terminated within such Rescission Period, any monies paid by the resident shall be refunded in full less any non-standard costs incurred at the resident's request described in the Agreement or in amendment to this Agreement signed by the resident. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of the resident's Written Termination Notice.

Termination After the 30 Day Rescission Period and Before Occupancy: The Residence and Services Agreement may be terminated by the resident by a Written Termination Notice for any reason after the Rescission Period and prior to Occupancy. The Agreement is automatically cancelled if the resident dies before occupying the Residence, or if, on account of illness, injury, or incapacity, the resident would be precluded from occupying the Residence under the terms of the Agreement. In the event of such termination, the resident will receive a refund of the 10% Deposit, less (i) a nonrefundable fee equal to the greater of One Thousand Dollars (\$1,000) or two percent (2%) of the total amount of the

Entrance Fee for the Residence, and (ii) any non-standard costs incurred at the resident's request described in the Agreement or in amendment to the Agreement signed by the resident. The nonrefundable fee will not be charged to the resident if such termination is due to the resident's death, death of the resident's spouse, or because the resident's physical, mental or financial condition makes the resident ineligible for admission to Givens Estates.

Termination by Resident After Occupancy

Termination During the 30 Day Rescission Period and After Occupancy: The Residence and Services Agreement may be terminated by the resident by a Written Termination Notice for any reason within the Rescission Period and the resident is not required to move into the Residence during this Rescission Period. If the resident does occupy the Residence within the Rescission Period and then terminate the Agreement before the end of the Rescission Period, any monies paid by the Resident shall be refunded in full less (i) periodic charges specified in the Agreement and applicable only to the period the resident actually occupied the Residence; (ii) nonstandard costs incurred at the resident's request and described in the Agreement or in amendment to the Agreement signed by the resident; and (iii) a service charge equal to the greater of One Thousand Dollars (\$1,000) or two percent (2%) of the total amount of the Entrance Fee for the Residence. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of the resident's Written Termination Notice.

Termination After the 30 Day Rescission Period and After Occupancy: At any time after occupancy and after the Rescission Period ends, the resident may terminate the Residence and Services Agreement by a Written Termination Notice. In the event of such termination, the resident will receive a refund, less (i) periodic charges specified in the Agreement and applicable only to the period the resident actually occupied the Residence; (ii) nonstandard costs incurred at the resident's request described in the Agreement or in amendment to the Agreement signed by the resident; and (iii) nonrefundable entrance fees as set out in paragraph VII. B. 5. (Amortization of the Entrance Fee) of the Agreement.

Termination Upon Death After Occupancy: In the event of death of a single Resident, or of the survivor of two Residents, at any time after Occupancy, the Residence and Services Agreement shall terminate and the refund of the Entrance Fee shall be determined according to Paragraph VII. B. 5. of the Agreement.

Termination by Givens Estates After Occupancy: Givens Estates may terminate the Residence and Services Agreement at any time if there has been a material misrepresentation or omission made by the resident in their Application for Admission, Personal Health History, Confidential Financial Statement, or Physician's Examination Report; if the resident fails to make payment to Givens Estates of any fees or charges due within sixty (60) days of the date when due; or if the resident does not abide by the rules and regulations adopted by Givens Estates, or breach any of the terms and conditions of the Agreement. In the event of termination due to any of such causes, the refund of the

Entrance Fee paid to the resident shall be determined according to Paragraph VII. B. 5. of the Agreement.

Amortization of the Entrance Fee: The Entrance Fee may be partially refundable. The portion of the Entrance Fee that is refundable to the resident will decline over time, at a rate of six percent (6%) upon the date of Occupancy of the Residence and two percent (2%) on the first (1st) day of each calendar month thereafter until the selected refund percentage remains at zero percent (0%), fifty percent (50%), or ninety percent (90%). Regardless of the reason for termination, the resident is entitled to their Entrance Fee refund, less (1) any non-standard costs requested by the resident and (2) any per diem Health Care Residence fees for Givens Estates Health Center incurred by the resident during any period of Occupancy of a Health Care Residence in Givens Estates Health Center, except as otherwise provided by the Agreement.

Payment of Refunds: Unless otherwise provided in the Agreement, Entrance Fee refunds will be paid upon the resident vacating the then current Residence covered by the Agreement or in case of dual occupancy upon both residents vacating the then current Residence, the removal of all personal property, and upon the receipt by Givens Estates of a replacement Entrance Fee for the Residence, or the expiration of twenty-four (24) months after Termination of the Agreement by the Resident (whichever occurs first).

Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of the resident's Written Termination Notice to:

**Director of Marketing
Givens Estates
2360 Sweeten Creek Road
Asheville, NC 28803**

Condition of Residence: Upon vacating the Residence, the resident shall leave it in good condition except for normal wear and tear. The resident or their estate shall be liable to Givens Estates for costs required to restore the Residence to good condition or standard condition, except for normal wear and tear, and for the removal and disposition of abandoned personal belongings. Such costs will be deducted from the refundable portion of the Entrance Fee due to the resident.

Changes to Residence: After the Date of Occupancy, any structural or physical changes to the Residence directed by the resident (including alterations such as construction of bookshelves or redecoration such as painting or wallpapering) will require the prior approval of Givens Estates and will be made only under Givens Estates supervision and direction. The resident shall make no structural or physical changes to any Wood Assisted Living Residence; Givens Estates shall maintain and decorate any Wood Assisted Living Residence in accordance with Givens Estates then-current literature. The cost of any change requested by the resident shall be at the resident's expense. Givens Estates may require, as a condition of approval of a requested change, that the resident either (i) agree to bear the cost of restoring the Residence to its original condition upon termination of

occupancy of the Residence or (ii) prepay the estimated cost of restoring the Residence to its original condition. All structural improvements shall belong to Givens Estates.

TRANSFERS OR CHANGES IN LEVELS OF CARE

Transfer to a Health Care Residence: Givens Estates recognizes the right of self-determination of the Resident and will attempt to involve the resident or the resident's representative in all decisions related to transfers and changes in level of care. Givens Estates shall have authority to determine whether the resident should be transferred from their residence to a Health Care Residence, or from one level of care to another within Givens Estates, in cases of potential harm to the resident or others, to assure the health and wellbeing of the resident and others, or to provide for the highest quality of life possible. Such determination shall be based on the opinion of the Givens Estates administration and/or the Givens Estates Medical Director and shall be made after consultation with the resident and/or their representative and their attending physician. Such decisions shall be made only in the resident's best interest and in the best interest of the larger community as determined by Givens Estates.

Transfer to Other Facility: If it is determined by Givens Estates that the resident needs care beyond that which can be provided by Givens Estates, the resident may be transferred to a hospital or institution equipped to give such care at the resident's expense. Such transfer will be made only after consultation with the resident and/or their representative and attending physician.

Surrender of Residence: If a reasonable determination is made by Givens Estates that any transfer for a change in level of care is or is highly likely to be permanent; the resident agrees to surrender the residence.

TERMS OF RESIDENCY

Policies and Procedures: All residents shall abide by Givens Estates policies and procedures, including such amendments, modifications and changes to the Resident Handbook as may be adopted by Givens Estates. Such Handbook shall be made readily available to all residents.

Changes in the Residence and the Agreement: Givens Estates has the right to change the residence and/or the Agreement when and to the limited extent required to comply with the requirements of any applicable statutes, laws or regulations. The residence may not be used in any manner in violation of any zoning ordinances or other governmental law or regulation.

Visitors: Short-term visitors and guests may stay in a residence for limited stays. No person other than the resident may reside in the residence without the approval of Givens Estates.

Occupancy by Two Residents: When two (2) residents occupy a residence and one of them is no longer domiciled in the residence, whether as a result of death or otherwise, or in the event of the termination of the Agreement with respect to one of the residents, the Agreement shall continue in effect for the remaining resident. The remaining resident will thereafter pay the single person monthly fee associated with the residence. No Entrance Fee refunds shall be paid to the remaining resident until the residence is vacated as described in the Residence and Service Agreement.

Request by a Resident for Change in Residence: A resident may request a change in residence at any time. Givens Estates carefully considers such requests, including but not limited to such factors as resident's health and finances, availability of requested type of residence, and waiting lists. The resident must agree to pay the difference in the Entrance Fee and Monthly Fee between the requested residence and the current residence. Givens Estates may require the resident to enter into a new or amended Residence and Services Agreement for the new residence. The Entrance Fee refund percentage selected at initial occupancy remains in effect during a change in residence and is applicable to any additional amounts paid as a result of the change.

Move to Another Residence: Should a move to a subsequent residence be approved by Givens Estates, the resident will pay the Monthly Fee associated with the subsequent residence. The Entrance Fee paid for the original residence will be retained by Givens Estates and held as part of the Entrance Fee for the subsequent residence. Even if the Entrance Fee for the original residence, at initial occupancy, was greater than the current Entrance Fee for the subsequent residence, the resident will not be entitled to a refund as a result of the difference between such Entrance Fees. If, however, the Entrance Fee for the original residence, at initial occupancy, was less than the current Entrance Fee for the subsequent residence, the resident will pay an amount equal to the difference between the Entrance Fee of the original residence that they paid and the current Entrance Fee of the subsequent residence.

Change in Residence at Option of Givens Estates: If Givens Estates reasonably determines that a residence needs to be vacated to permit repairs or renovations thereto, or needs to be modified or reconfigured to accommodate a new or different use of the residence, or as a result of any other circumstances reasonably determined by Givens Estates to justify such transfer, Givens Estates may move the resident to a new residence of a similar size provided that Givens Estates (i) advises the resident prior to undertaking any such move, (ii) gives the resident reasonable notice of and time to prepare for such move, (iii) incurs all the costs of such move, (iv) arranges for the prompt and convenient moving of the resident's personal furnishings, and (v) either provides in such new residence optional custom improvements comparable to those provided in the original residence or, at the resident's option, reimburses the resident for the value of such improvements.

Loss of Property: Givens Estates shall not be responsible for the loss of any property belonging to residents due to theft, mysterious disappearance, fire or any other cause. All residents are responsible for securing personal property insurance.

Medical Insurance: Residents shall maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to Givens Estates (e.g. Federal Government employees who subscribe to Federal Blue Cross Blue Shield) and shall furnish Givens Estates with evidence of such coverage and notify Givens Estates of changes in medical insurance.

Right of Entry: The Residence and Services Agreement authorizes employees or agents of Givens Estates to enter the residence for the purposes of housekeeping, repairs, maintenance, inspection, and in the event of an emergency. Givens Estates will always endeavor to maintain the privacy of the residence. Residents are not allowed to replace or add any locks to the residence.

Residents' Organizations: Residents of Givens Estates are members of a Residents' Association that is open to all residents. Such organization elects representatives, officers, and other positions to engage in activities of interest to all residents.

Prohibition of Certain Activities: The Givens Estates campus and residences, including but not limited to Wood Assisted Living and Givens Estates Health Center, are smoke free. Residents shall not engage or permit any guest or licensee of the resident to engage in any obnoxious or offensive activity in their Residence or on the Givens Estates campus. No family member or other guest or invitee of the resident shall be permitted to occupy their Residence on a regular basis, provided that such restriction shall not apply to another Resident in a semi-private WAL Residence.

ADDITION OF NEW OCCUPANT

Addition of Resident Occupant: Should the resident choose to share occupancy of their Residence with a person who is also a resident of Givens Estates, the two may occupy either Residence and shall surrender the unoccupied Residence. They will pay the Double Person Monthly Fee upon Occupancy by both residents in the chosen Residence. No Entrance Fee refund for the unoccupied Residence shall be paid until Givens Estates receives a replacement Entrance Fee for the vacated Residence or twenty-four (24) months after Termination by Resident (whichever occurs first), and removal of all personal belongings from such vacated Residence. However, if neither resident was an original occupant of the selected Residence when the original Residence and Services contract was signed, an additional Entrance Fee will be required equal to the difference between the then current Entrance Fee and the original Entrance Fee paid at the same refund percentage originally selected.

Addition of Non-Resident Occupant: If a resident should choose to share occupancy of their Residence with a person who is not already a resident of Givens Estates, the Non-Resident Occupant may become a resident if they meet all the requirements for admission, enter into a Residence and Services Agreement with Givens Estates, and pay an Entrance Fee equal to the then-current Double Person Entrance Fee. The Resident and the Non-Resident occupant shall pay the Double Person Monthly Fee. If the Non-Resident Occupant does not meet the requirements of Givens Estates for admission as a resident,

the resident may terminate the Agreement in the same manner as provided in Paragraph VII. B. with respect to a voluntary termination, or the Non-Resident Occupant may be approved for admission under special circumstances as agreed to in writing by Givens Estates and the resident. However, if neither the current resident nor the Non-Resident Occupant were the original occupants of the residence when the original Residence and Services contract was signed, an additional entrance fee will be required equal to the difference between the then current Entrance Fee and the original Entrance Fee paid at the same refund percentage originally selected.

STATEMENT OF RELATIONSHIP

THIS STATEMENT OF RELATIONSHIP is made and entered into as of the 21st day of January, 1995 by and between the Western North Carolina Annual Conference of the United Methodist Church (the "Conference") and The Givens Estates, Inc. a nonprofit corporation organized and existing under the laws of the State of North Carolina (the "Affiliated Organization").

PRELIMINARY STATEMENT

The Conference is one of the annual conferences of The United Methodist Church. The term "The United Methodist Church" refers to the overall denomination and connectional relation and identity between its many local churches, the various conferences and their respective councils, boards and agencies, and other church units, which collectively constitute the religious system known as United Methodism. Under the Constitution and disciplinary procedures set forth in *The Book of Discipline of The United Methodist Church* (the "*Discipline*"), "The United Methodist Church" as a denominational whole is not an entity, nor does it possess legal capacities and attributes. It does not and cannot hold title to property, nor does it have any officer, agent, employee, office or location. Conferences, councils, boards, agencies, local churches and other units bearing the name "United Methodist" are, for the most part, legal entities capable of suing and being sued and possessed of legal capacities.

The connectional structure of the Church is maintained through the conferences. Each of the Annual Conferences (of which the Conference is one) is composed of an equal number of ministers and lay members elected by the local churches. In turn, there is one General Conference, composed of an equal number of ministers and lay members elected by the Annual Conferences. The *Discipline* is the book of law of the Church. The *Discipline* is the product of more than 200 years of the General Conferences of the denominations which now form the Church. Each General Conference amends, perfects, clarifies, and adds its own contribution to the *Discipline*. The *Discipline* reflects what is expected of its laity and clergy as they seek to be effective witnesses in the world as a part of the whole Body of Christ. (See paragraph 114 of the 1992 *Discipline*). The relationship set forth in this Statement of Relationship is solely and

exclusively between the Conference and the Affiliated Organization.

United Methodists give high priority to helping and healing ministries as a vital part of their Christian mission. In the United States alone, there are hundreds of helping and healing programs related to local churches, and there are also hundreds of institutional ministries of which the Affiliated Organization is one. United Methodists recognize the importance of operating, maintaining and protecting those institutional ministries as a vital means of carrying out the Christian mission of United Methodism. The health and welfare ministries embraced within this mission include services in the areas of child care, aging, health care and handicapping conditions.

United Methodists, the Conference and the various institutional ministries share a common interest that health and welfare ministries bearing the name United Methodist shall be demonstrably caring, quality missions of Christian service that operate in a manner consistent with the Social Principles and other pertinent provisions of the *Discipline*.

The Affiliated Organization is one of the health and welfare ministries of United Methodism within the boundaries of and affiliated with the Conference. The Affiliated organization was organized with the encouragement and approval of the Conference by individual members of the Church who were committed to the belief that the Affiliated Organization was needed to perform the ministry set forth in its charter (the "Ministry"). The Conference and the Affiliated Organization continue in that belief. The Ministry is among the Christian missions of United Methodism and of the Conference.

The purpose of this Statement of Relationship is to set forth an accurate statement of the relationship between the Conference and the Affiliated Organization.

NOW, THEREFORE, the Conference covenants and agrees with the Affiliated Organization and the Affiliated Organization covenants and agrees with the Conference that this Statement of Relationship, including the foregoing Preliminary Statement, is an accurate statement of the relationship between the Conference and the Affiliated Organization.

COVENANTS

1. Although the Conference and the Affiliated Organization share a common interest in carrying out the Christian mission of United Methodism and in the purposes of the Ministry of the Affiliated Organization, the Conference and the Affiliated Organization are separate, self-governing and independent. Neither is owned by the other nor is either the partner or agent of the other. The sole purpose of each of the parties in affiliating with the other as herein set out is that each believes this affiliation with the other is mutually beneficial to parties in the performance of their respective missions of Christian service. The parties hereto agree that under this affiliation:

a. The members of the governing board of the Affiliated Organization shall be confirmed, elected, and/or selected by the Conference in accordance with the charter and bylaws, present and future, of the Affiliated Organization. The governing board of the Affiliated Organization includes among its members both United Methodist Ministers and laity within the Conference, and may include other persons as provided in its charter or bylaws.

b. The Conference provides: (i) encouragement and support, including financial support to the extent deemed appropriate and feasible by the Conference; (ii) opportunities for the interchange of information and ideas among persons and institutions performing similar work and for the development of the Ministry goals and criteria; (iii) authorization for the Affiliated Organization to identify itself as an organization affiliated with the Conference; and (iv) an opportunity for the Affiliated Organization to report on the Ministry to each regular session of the Conference.

c. The Affiliated Organization undertakes: (i) to fulfill its mission of Christian service in a manner that is consistent with the Social Principles and other pertinent provisions of the *Discipline*, and acceptable to those whom it would serve and to members of the Church in the Conference; and (ii) to the extent it deems appropriate, to utilize services of the Conference and the Church available to the Affiliated Organization in performing its Ministry.

d. The Affiliated Organization, desirous of gaining maximum benefit from its affiliation with the Conference and to satisfy the Conference that it continues to operate

in a manner worthy of a United Methodist ministry, will continue to provide to the Conference such of the following as may be requested or desired by the Conference: (i) information that may be of interest to other similar ministries; (ii) copies of regular operational and financial reports; and (iii) other information regarding plans, services and ministries of the Affiliated Organization.

2. The Conference is not contractually or legally committed to provide any particular level or amount of financial support to the Affiliated Organization. Any support that the Conference does or may provide to the Affiliated Organization is, and shall be, voluntary, as determined, from time to time, solely by the Conference. The Conference has no authority to require the Affiliated Organization to assume any contractual, financial or other obligation; nor may the Conference accept or assume any such obligation in the name of the Affiliated Organization. Similarly, the Affiliated Organization has no authority to accept or assume any such obligation in the name of the Conference. Both agree that the Conference shall have no obligation or responsibility for or with respect to any contract, commitment or liability of the Affiliated Organization.

3. Church-wide solicitation (that is, solicitations addressed to the general membership of a local church) within or through local United Methodist churches of the Conference are not to be made by the Affiliated Organization except as heretofore or hereafter approved by the Conference or the resident bishop. Other solicitations, such as solicitations of individuals and entities, whether or not church members or church-related, are matters between the Affiliated Organization and the parties solicited and do not require the approval of the Conference.

4. If the affiliation between the Conference and the Affiliated Organization should at any time become unacceptable to them, or to one of them, they or either of them may sever the affiliation between them and thereafter operate entirely independently of the other. If action to sever the relationship is taken by one party only, that party shall give prompt written notice of the severance of the relationship to the other party.

5. In the event of the dissolution of the Affiliated Organization, its assets may be conveyed to the Conference or as otherwise provided in the charter of the Affiliated Organization.

6. This Statement of Relationship shall be subject to review and amendment as such times and in such manner as may be mutually agreeable to the Conference and the Affiliated Organization.

This Statement of Relationship supersedes the Statement of Relationship between the parties that was executed by the Conference on the 15th day of August, 1986 and by the Affiliated Organization on the 25th day of July, 1986.

IN WITNESS WHEREOF, each of the parties hereto has caused this Statement of Relationship to be executed in its name on the date set opposite its name below.

- B. Furnishings in Your Residence.** Unless the Residence is an Asbury Commons Apartment or WAL, Givens Estates will provide appropriate flooring in the Residence, refrigerator with ice maker, range, microwave, hood vent, washer and dryer, garbage disposal, prewiring for telephone and cable services, and other features and fixtures as described in Givens Estates' current literature. Asbury Commons Apartments and WAL Residences may not include refrigerator, stove, oven, hood vent, garbage disposal, microwave, or washer and dryer.

- C. Options and Custom Features in Your Residence.** You may select certain options and custom features in Your Residence for an additional charge. Givens Estates will present You with a written quote specific to Your options and custom feature request detailing the prices. The cost of options and custom features selected will be paid by You at the time of selection and will become part of the Residence and the property of Givens Estates. The value of such improvements will not be considered in computing Entrance Fee refunds, unless specifically agreed to in an Addendum to this Agreement. All options and custom features must be approved by Givens Estates administration in advance of the changes made.
- D. Common Areas and Amenities.** Givens Estates common areas and amenities are

for the use and benefit of all residents and include the dining rooms, private dining rooms, performing arts center, library, mail boxes, chapel, wellness center, indoor swimming pool, meeting rooms, activity areas, arts and crafts room, woodworking shop, beauty/barber shop, walking areas, exercise areas, on-site assisted living center, and health center for nursing care.

E. Parking. Givens Estates will provide lighted parking areas for Your personal vehicle (a minimum of one space for each Residence). Residents of Oxford Commons desiring parking in an under-building, covered parking space may reserve such (if available) for an extra fee as described in Givens Estates current literature and documented in an Addendum to this Agreement.

F. Services and Programs.

1. Utilities. The Monthly Fee includes the cost of heating, air conditioning, electricity, water, sewer, trash removal, internet, cable television service and standard municipal services. Residences located in Oxford Commons, Asbury Commons, Creekside, Strawbridge Court, and Lovely Lane also have telephone services included in the Monthly Fee. Residences on Aldersgate Drive, Wesley Drive, Lady Huntingdon Lane, Cokesbury Lane, and Far Horizons Lane do not have telephone service included in the Monthly Fee and are responsible for any costs related to telephone service.

2. Meals. Givens Estates will make available to each resident a declining "dining dollars" amount equal to \$248.00 per month. A maximum carryover of \$496.00 dining dollars per person is allowed from month to month; any dining dollars in excess of such maximum carryover will expire at the month's end. Any dining cost You incur in excess of Your then-remaining dining dollars will be added to the Monthly Fee. Givens Estates may change the monthly dining dollars amount from time to time during the term of this Agreement. You will receive a thirty (30) day advance notice before such change is effective.

In WAL, Givens Estates will make available three meals each day. In between meals, snacks are provided and available in the kitchenettes located on each floor. Physician ordered nutritional supplements are not included in the monthly fee but can be provided at an additional cost to You.

3. Housekeeping Services. The Monthly Fee includes weekly housekeeping services. The amount of time allotted for housekeeping of the Residence is determined by the size of the Residence. Additional housekeeping may be available for an extra fee.

4. Grounds-keeping. Givens Estates will furnish basic grounds-keeping services, including lawn, tree and shrubbery care, as part of the Monthly Fee. Subject to prior approval by Givens Estates, You may plant and maintain certain garden areas adjacent to Your Residence (for cottages,

duplexes or houses) and elsewhere as designated by Givens Estates.

5. **Maintenance and Repairs.** Givens Estates will maintain and repair improvements, furnishings, appliances, and equipment owned by Givens Estates as part of the Monthly Fee. 8. **Activities.** Givens Estates will provide scheduled social, recreational, spiritual, educational and cultural activities; arts and crafts; exercise and health programs; and other activities designed to meet residents' interests. Some activities may require an extra fee.
9. **Other Services and Programs at Additional Charge.** Other services and programs will be available to You at Your expense, including, but not limited to those previously mentioned, beauty and barber services, home care, personal laundry and dry cleaning, special transportation, catering, guest meals, repairs of personal property, and other special services performed for You beyond the normal scope of services offered by Givens Estates. The availability and charges for additional services are itemized in Givens Estates current literature.
10. **Notice of Change in Scope of Services.** Except for changes required by law, Givens Estates will notify You of any proposed change in the scope of services provided in this Agreement at least thirty (30) days before such change is effective. No change relating to a service included in the Monthly Fee under the terms of this Agreement shall be effective unless (a) consented to by You or (b) a reasonable adjustment is made in the Monthly Fee.
11. **Health Care Accommodations and Services.** Givens Estates may make available health care accommodations and services as follows:
 - a. **Health Care Residences.** Givens Estates may choose to provide accommodations, equipment, staffing, programs, services and supervision necessary for licensed assisted living and licensed nursing care (collectively, the "Health Care Residences"). The Health Care Residences and services, if and when provided by Givens Estates, are available to You either temporarily or permanently on a space available basis, if needed, as determined by

Givens Estates. During any period You occupy a Health Care Residence, Givens Estates will make three meals available to You each day, and snacks will be available from kitchenettes located on each floor. You shall remain entitled to the services described in Paragraph I.F.1 and I.F.3–8, to the extent appropriate for the Health Care Residence You occupy. - c. **Staffing.** Nursing care appropriate to Your needs will be provided by Givens Estates.
- d. **Medical Director.** The overall coordination and supervision of health care services within Givens Estates will be provided by a Medical Director, who will be a licensed physician selected by Givens Estates.

- f. **Health Care Services for an Additional Fee.** Other health services may be available to You at Your expense, including but not limited to pharmacy services, home care services, laboratory tests, physical therapy, occupational therapy, speech therapy, therapeutic activities, rehabilitative treatments, and wheelchairs and other medical equipment and supplies. The costs of such services are in addition to the charges described in Paragraph III. G. 1.
- g. **Personal Physician.** You will choose a personal physician who has admission privileges at a local hospital, in the event that You need to be hospitalized. You are responsible for the cost of physician services and all related medical and non-medical expenses.

II. **DATE OF OCCUPANCY AND OCCUPANCY**

- A. **Date of Occupancy.** The Date of Occupancy will be the date established by Givens Estates based on when the Residence chosen by You is available for occupancy and You pay the 10% Deposit, as described in Paragraph III.B.1, and sign this Agreement. If the unit is ready for occupancy when You pay the 10% Deposit and sign this Agreement, the Date of Occupancy will be no later than thirty (30) days from the date of this Agreement. If the unit is not ready for occupancy when You pay the 10% Deposit and sign this Agreement, then the Date of Occupancy will be no later than thirty (30) days from the date the unit is ready for occupancy. You

will be expected to take Occupancy of the Residence and begin paying the Monthly Fee as of the Date of Occupancy. The Balance of the Entrance Fee is due on or prior to the Date of Occupancy, as described in Paragraph III.B.2.

- B. **Occupancy.** As used in this Agreement, "Occupancy" will have occurred when You have signed this Agreement, have paid the Entrance Fee in full as described in Paragraph III.B.2 and have paid a full month Monthly Fee, as described in Paragraph III. C. Upon Occupancy, Givens Estates will be obligated to provide You with the Residence and services outlined in this Agreement.
- C. **Finish Selections Process.** You will have the opportunity to customize your residence within the guidelines provided by Givens Estates for Your residence. Selection of standard finishes and custom options will be completed by You within thirty (30) days of your 10% Deposit Date. Givens Estates will provide You with quotes for any custom work prior to Your final decision due date. Payment for custom options will be collected in advance of commencing work. Givens reserves the right to complete custom work after the closing date.

III. **FINANCIAL ARRANGEMENTS**

- A. **Entrance Fee.** You agree to pay to Givens Estates an Entrance Fee as set forth in Schedule I, attached. The Entrance Fee assures You a place at Givens Estates for a term of years or for life. The initial Entrance Fee that You pay for the original Residence shall continue to be held as and applied against the Entrance Fee required for any subsequent Residence You may transfer to on the Givens Estates campus.
- B. **Terms of Payment of the Entrance Fee.** The terms of payment of the Entrance Fee shall be as follows:
 - 1. **10 Percent Deposit.** Upon entering this Agreement, You will pay ten percent (10%) of the total Entrance Fee for Your Residence (the "10% Deposit"), less any Wait List Deposit previously paid pursuant to a Future Residency Wait List Agreement between You and Givens Estates.
 - 2. **Balance of the Entrance Fee.** The Balance of the total Entrance Fee for the Residence (being ninety percent (90%) of the total Entrance Fee) will be due and payable on or prior to the Date of Occupancy, unless otherwise agreed to in writing by Givens Estates.
- C. **Monthly Fee.** In addition to the Entrance Fee, You agree to pay a Monthly Fee upon Occupancy for the term of this Agreement, except as provided in Paragraph III.G.1. The Monthly Fee shall be payable in advance by the fifth (5th) business day of each month. Payment of the first month's Monthly Fee is due prior to the Date of Occupancy. cover costs of the expenses associated with the operation and management of Givens Estates. With the approval of its Board of Directors, Givens Estates may increase the Monthly Fee from time to time during the term of this Agreement. The Monthly Fee will be adjusted as required, consistent with operating on a sound financial basis and maintaining quality service. You will receive a thirty (30) day advance notice of increases in the Monthly Fee or other charges.

- E. Away Allowance.** If You are away from Givens Estates for at least thirty (30) consecutive days and complete an “Away Form” in advance, You may be eligible for an Away Allowance, which will be credited to Your Monthly Fee, in accordance with Givens Estates policies, which are subject to change. The amount of any credit shall be established by Givens Estates then-current literature.
- F. Monthly Statements.** Givens Estates will furnish You a Monthly Statement showing the Monthly Fee payable for the month in advance, and any additional charges from the previous month, payable by the fifth (5th) business day of the current month. Givens Estates may charge, and You agree to pay promptly, interest at a rate of one and one-half percent per month on any unpaid balance owed by You thirty (30) days after the monthly statement is dated.
- G. Health Care Charges.**
- 1. Fee for Services.** Upon permanently occupying a Health Care Residence, You will surrender Your prior Residence and will no longer pay the Monthly Fee for the Residence; instead, You will pay the per diem fee for such Health Care Residence, as established by Givens Estates then-current literature. Upon temporarily occupying a Health Care Residence, You will continue to pay the Monthly Fee for the Residence (less any credit that may be given by Givens Estates) and You will pay the per diem fee for such Health Care Residence, as established by Givens Estates then-current literature, for the period of time that You occupy same. Such per diem fee shall cover the cost of services described in Paragraph I. F.11.a–d. You may pay additional charges for ancillary services as described in Paragraph III. G. 4.
 - 2. Level of Care Fee.** If pursuant to Paragraph VI.A Givens Estates determines that You require additional care and services beyond the basic level of care provided at the Health Care Residence You shall pay to Givens Estates a daily Level of Care Fee, as established by Givens Estates then-current literature for such level of care, in addition to the per diem fee described in Paragraph III.G.1.
 - 3. Use of Refundable Portion of the Entrance Fee.** Should You move to Givens Estates Health Center, the remaining refundable portion of the Entrance Fee can be applied to the cost of care upon the receipt of a replacement Entrance Fee for the Residence by a new resident. If You move from another Residence to WAL, no Entrance Fee refund shall be paid to You at that time and no part of the remaining refundable portion of the

Entrance Fee will be applied to the cost of care in WAL. Entrance Fee refunds will not be paid directly to any other health care facility besides Givens Estates.

4. **Additional Charges for Ancillary Health Care Services.** You will be responsible for prompt payment of all additional charges for ancillary health care services provided at Givens Estates. Ancillary services will include all services not provided by the staff of Givens Estates and/or not included in the per diem fee. Examples of additional charges include, but are not limited to, the cost of prescription and non-prescription medications, physical examinations, laboratory tests, physical therapy, home health care, occupational therapy, rehabilitative treatments, wheelchairs and other medical equipment and supplies.
5. **Care in Another Facility.** Should You need a level of care or health services beyond that provided at Givens Estates, as determined by Givens Estates, and require transfer to another facility, You will be responsible for all expenses of such transfer and services.
6. **Terms of Payment.** The per diem fees described in Paragraph III.G.1 and any Level of Care Fees You incur shall be payable in advance by the fifth (5th) business day of each month. Payment of such fees for the first calendar month or partial calendar month of occupancy of a Health Care Residence is due upon occupying a Health Care Residence. Givens Estates will credit Your account for any per diem fee paid pursuant to this Paragraph III.G for any day or days after You cease to occupy the Health Care Residence.

IV. **ADMISSION REQUIREMENTS AND PROCEDURES**

- A. **Age.** If You are single, You must be fifty-five (55) years of age or older at the time of Occupancy. If You are a couple, at least one member of the couple must be fifty-five (55) years of age or older at the time of Occupancy.

Upon receipt of the completed Application Forms and the personal interview with a Marketing Representative, Givens Estates will review Your information and Your Physician's Examination Report as a basis for initial acceptance. Givens Estates will approve or deny the application for initial

admission within thirty (30) days after receiving the completed forms and will provide You with a written decision thereafter.

- E. Health Requirements.** Within thirty (30) days of Your execution of this Agreement, You will provide Givens Estates with a Physician's Examination Report completed by Your personal physician. Such report shall include a statement by the physician that You are able to live independently and undertake ongoing activities of daily living. Givens Estates may now or in the future additionally require a history and physical from Your physician to include physician progress notes. Givens Estates may require You to have another physical examination by a physician approved by Givens Estates if additional information is necessary. You shall be responsible for the cost of such physical examinations. If You do not meet the criteria for independent living established by Givens Estates, You may move to other accommodations within Givens Estates more suitable to Your needs, or terminate this Agreement.
- F. Financial Requirements.** You must have assets and income sufficient to pay Your financial obligations under this Agreement and to meet Your ordinary living expenses. Givens Estates may require You to furnish additional or updated financial information prior to Occupancy. Financial assistance may be available to residents who qualify, as determined by Givens Estates.
- G. Representations.** You affirm that the representations made in all information furnished by You to Givens Estates, including the Application for Admission, Personal Health History, Confidential Financial Statement and Physician's Examination Report, are true and correct and may be relied upon by Givens Estates as a basis for entering into this Agreement.
- H. We are committed to providing an inclusive and welcoming environment for all members of our residents, staff, volunteers, subcontractors and vendors.

V. TERMS OF RESIDENCY

- A. Rights of Resident.** This Agreement is and shall be construed only as a revocable license. Subject to the terms and provisions of this Agreement, You have the right to occupy, use, and enjoy the Residence, common areas, amenities, programs and services of Givens Estates during the term of this Agreement. It is understood that this Agreement does not transfer or grant any right, title or interest in the real or personal property owned or administered by Givens Estates other than the rights and privileges as described in this Agreement. Nothing in this Agreement shall be construed to create a lease or the relationship of landlord and tenant between Givens Estates and You.
- B. Policies and Procedures.** All residents shall abide by Givens Estates policies and procedures, including such amendments, modifications and changes to the Resident

Handbook as may be adopted by Givens Estates. Such Handbook shall be made readily available to You.

- C. **Changes in the Residence and the Agreement.** Givens Estates has the right to change the Residence and/or the Agreement when and to the limited extent required to comply with the requirements of any applicable statutes, laws or regulations. The Residence may not be used in any manner in violation of any zoning ordinances or other governmental law or regulation.
- D. **Visitors.** Short-term visitors and guests may stay in Your Residence for limited stays. No person other than You may reside in the Residence without the approval of Givens Estates.
- E. **Occupancy by Two Residents.** When two (2) Residents occupy a Residence and one of them is no longer domiciled in the Residence, whether as a result of death or otherwise, or in the event of the termination of this Agreement with respect to one of the Residents, this Agreement shall continue in effect for the remaining Resident. The remaining Resident will thereafter pay the Single Person Monthly Fee associated with the Residence. No Entrance Fee refunds shall be paid to the remaining Resident until the Residence is vacated as described in Paragraph VII. B. 6.
- F. **Request by You for Change in Residence.** You may request a change in Residence at any time. Givens Estates carefully considers such requests, including but not limited to such factors as Your health, Your finances, availability of requested type of Residence and waiting lists. You must agree to pay the difference in the Entrance Fee and Monthly Fee between the requested Residence and the current Residence. Givens Estates may require You to enter into a new or amended Residence and Services Agreement for the new Residence. The Entrance Fee refund percentage selected at initial occupancy remains in effect during a change in residence and is applicable to any additional amounts paid as a result of the change.
 - 1. **Move to Another Residence.** Should You be approved by Givens Estates to move to a subsequent Residence, You will pay the Monthly Fee associated with the subsequent Residence. The Entrance Fee paid for Your current Residence will be retained by Givens Estates and be held as part of the Entrance Fee for a subsequent Residence. Even if the Entrance Fee for the original Residence, when You began to occupy it, was greater than the current Entrance Fee for the subsequent Residence, You will not be entitled to a refund as a result of the difference between such Entrance Fees. If, however, the Entrance Fee for the original Residence, when You began to occupy it, was less than the current Entrance Fee for the subsequent Residence, You will pay an amount equal to the difference between the Entrance Fee of the original Residence that You paid and the current Entrance Fee of the subsequent Residence.
- G. **Change in Residence at Option of Givens Estates.** If Givens Estates reasonably

determines that Your Residence needs to be vacated to permit repairs or renovations thereto, or needs to be modified or reconfigured to accommodate a new or different use of the Residence, or as a result of any other circumstances reasonably determined by Givens Estates to justify such transfer, Givens Estates may move You to a new Residence of a similar size provided that Givens Estates (i) advises You prior to undertaking any such move, (ii) gives You reasonable notice of and time to prepare for such move, (iii) incurs all the costs of such move, (iv) arranges for the prompt and convenient moving of Your personal furnishings, and (v) either provides in such new Residence optional custom improvements comparable to those provided in Your original Residence.

H. Loss of Property. Givens Estates shall not be responsible for the loss of any property belonging to You or to any guest due to theft, mysterious disappearance, fire or any other cause. You will be responsible for securing personal property insurance.

I. Medical Insurance. You shall maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to Givens Estates (e.g. Federal Government employees who subscribe to Federal Blue Cross Blue Shield) and shall furnish Givens Estates with evidence of such coverage.

J. Addition of New Occupant.

1. Addition of Resident Occupant. Should You choose to share occupancy of Your Residence with a person who is also a resident of Givens Estates, the two of You may occupy either Residence and shall surrender the unoccupied Residence. You will pay the Double Person Monthly Fee upon Occupancy by both of You in the chosen Residence. No Entrance Fee refund for the unoccupied Residence shall be paid until Givens Estates receives a replacement Entrance Fee for the vacated Residence or twenty-four (24) months after Termination by Resident (whichever occurs first), and removal of all personal belongings from such vacated Residence. However, if neither resident was an original occupant of the selected Residence when the original Residence and Services contract was signed, an additional entrance fee will be required equal to the difference between the then current Entrance Fee and the original Entrance Fee paid at the same refund percentage originally selected.

2. Addition of Non-Resident Occupant. If You should choose to share occupancy of Your Residence with a person who is not already a resident of Givens Estates, the Non-Resident Occupant may become a resident if they meet all the requirements for admission, enter into a Residence and Services Agreement with Givens Estates, and pay an Entrance Fee equal to the then-current Double Person Entrance Fee. You and the Non-Resident occupant shall pay the Double Person Monthly Fee. If the Non-Resident Occupant does not meet the requirements of Givens Estates for admission as a resident, You may terminate this Agreement in the same manner as

provided in Paragraph VII. B. with respect to a voluntary termination, or the Non-Resident Occupant may be approved for admission under special circumstances as agreed to in writing by Givens Estates and You. However, if neither the current resident nor the Non-Resident Occupant were the original occupants of the residence when the original Residence and Services contract was signed, an additional entrance fee will be required equal to the difference between the then current Entrance Fee and the original Entrance Fee paid at the same refund percentage originally selected.

- K. Right of Entry.** You authorize employees or agents of Givens Estates to enter the Residence for the purposes of housekeeping, repairs, maintenance, inspection, and in the event of an emergency. Givens Estates will always endeavor to maintain Your privacy and the privacy of the Residence. For Your safety, You agree not to replace or add any locks to the Residence.
- L. Residents' Organization.** Residents of Givens Estates are members of a Residents' Association that is open to all residents. Such organization elects representatives, officers, and other positions to engage in activities of interest to residents.

VI. TRANSFERS OR CHANGES IN LEVELS OF CARE

- A. Transfer to a Health Care Residence.** Givens Estates recognizes Your right of self-determination and will attempt to involve You or Your representative in all decisions related to transfers and changes in level of care. Givens Estates shall have authority to determine whether You should be transferred from Your Residence to a Health Care Residence, or from one level of care to another within Givens Estates, in cases of potential harm to Yourself or others, to assure the health and wellbeing of You and others, or to provide for the highest quality of life possible. Such determination shall be based on the opinion of the Givens Estates administration and/or the Givens Estates Medical Director and shall be made after consultation with You and Your representative and Your attending physician. Such decisions shall be made only in Your best interest and in the best interest of the larger community as determined by Givens Estates. You will have priority to move to such Health Care Residence as Givens Estates determines to best meet Your needs, as soon as such is available.
- B. Transfer to Other Facility.** If it is determined by Givens Estates that You need care beyond that which can be provided by Givens Estates, You may be transferred to a hospital or institution equipped to give such care at Your expense. Such transfer will be made only after consultation with You and/or Your representative and attending physician.
- C. Surrender of Residence.** If a reasonable determination is made by Givens Estates that any transfer described in Paragraph VI. A. is or is highly likely to be permanent, You agree to surrender Your Residence.

VII. TERMINATION AND REFUND PROVISIONS

A. Termination by Resident Prior to Occupancy.

1. Termination During 30 Day Rescission Period and Before Occupancy.

This Agreement may be terminated by You by a Written Termination Notice for any reason within thirty (30) days following the later of the execution of this Agreement or the receipt of a disclosure statement (the "Rescission Period") and You are not required to move into the Residence during this Rescission Period. The Agreement is automatically cancelled if You die before occupying the Residence, or if, on account of illness, injury, or incapacity, You would be precluded from occupying the Residence under the terms of this Agreement. If this Agreement is terminated within such Rescission Period, any monies paid by You shall be refunded in full less any non-standard costs incurred at Your request described in this Agreement or in amendment to this Agreement signed by You. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of Your Written Termination Notice.

2. Termination After the 30 Day Rescission Period and Before Occupancy.

This Agreement may be terminated by You by a Written Termination Notice for any reason after the Rescission Period and prior to Occupancy. The Agreement is automatically cancelled if You die before occupying the Residence, or if, on account of illness, injury, or incapacity, You would be precluded from occupying the Residence under the terms of this Agreement. In the event of such termination, You will receive a refund of Your 10% Deposit, less (i) a nonrefundable fee equal to the greater of One Thousand Dollars (\$1,000) or two percent (2%) of the total amount of the Entrance Fee for Your Residence, and (ii) any non-standard costs incurred at Your request described in this Agreement or in amendment to this Agreement signed by You. In the event of termination due to any of such causes, the refund of the Entrance Fee paid to You shall be determined according to Paragraph VII. B. 5. below.
5. **Amortization of the Entrance Fee.** Your Entrance Fee may be partially refundable. The portion of the Entrance Fee that is refundable to You will decline over time, at a rate of six percent (6%) upon the date of Occupancy of the Residence and two percent (2%) on the first (1st) day of each calendar month thereafter until Your selected refund percentage remains at zero percent (0%) _____, fifty percent (50%) _____, or ninety percent (90%) _____. Regardless of the reason for termination, You are entitled to Your Entrance Fee refund, less (1) any non-standard costs requested by You and (2) any per diem Health Care Residence fees for Givens Health Center incurred by You during any period of Occupancy of a Health Care Residence in Givens Health Center, except as otherwise provided by this Agreement.
6. **Payment of Refunds.** Unless otherwise provided in this Agreement, Entrance Fee refunds will be paid upon You vacating the then current

Such costs will be deducted from the refundable portion of the Entrance Fee due to You.
8. **Changes to Residence.** After the Date of Occupancy, any structural or physical changes to the Residence directed by You (including alterations such as construction of bookshelves or redecoration such as painting or wallpapering) will require the prior approval of Givens Estates and will be made only under Givens Estates supervision and direction. - E. **Health Requirements.** Within three (3) months before the Date of Occupancy, You will provide Givens Estates with a Physician's Examination Report completed by Your personal physician. Such report shall include a statement by

the physician that You are able to live independently and undertake ongoing activities of daily living. Givens Estates may now or in the future additionally require a history and physical from Your physician to include physician progress notes. Givens Estates may require You to have another physical examination by a physician approved by Givens Estates if additional information is necessary. Subject to the terms and provisions of this Agreement, You have the right to occupy, use, and enjoy the Residence, common areas, amenities, programs and services of Givens Estates during the term of this Agreement. It is understood that this Agreement does not transfer or grant any right, title or interest in the real or personal property owned or administered by Givens Estates other than the rights and privileges as described in this Agreement. Nothing in this Agreement shall be construed to create a lease or the relationship of landlord and tenant between Givens Estates and You.
- B. Policies and Procedures.** All residents shall abide by Givens Estates policies and procedures, including such amendments, modifications and changes to the Resident Handbook as may be adopted by Givens Estates. Such Handbook shall be made readily available to You.
- C. Changes in the Residence and the Agreement.** Givens Estates has the right to change the Residence and/or the Agreement when and to the limited extent required to comply with the requirements of any applicable statutes, laws or regulations. The Residence may not be used in any manner in violation of any zoning ordinances or other governmental law or regulation.

- D. Visitors.** Short-term visitors and guests may stay in Your Residence for limited stays. No person other than You may reside in the Residence without the approval of Givens Estates.
- E. Occupancy by Two Residents.** When two (2) Residents occupy a Residence and one of them is no longer domiciled in the Residence, whether as a result of death or otherwise, or in the event of the termination of this Agreement with respect to one of the Residents, this Agreement shall continue in effect for the remaining Resident. The remaining Resident will thereafter pay the Single Person Monthly Fee associated with the Residence. No Entrance Fee refunds shall be paid to the remaining Resident until the Residence is vacated as described in Paragraph VII. B. 6.
- F. Request by You for Change in Residence.** You may request a change in Residence at any time. Givens Estates carefully considers such requests, including but not limited to such factors as Your health, Your finances, availability of requested type of Residence and waiting lists. You must agree to pay the difference in the Entrance Fee and Monthly Fee between the requested Residence and the current Residence. Givens Estates may require You to enter into a new or amended Residence and Services Agreement for the new Residence. The Entrance Fee refund percentage selected at initial occupancy remains in effect during a change in residence and is applicable to any additional amounts paid as a result of the change.
- 1. Move to Another Residence.** Should You be approved by Givens Estates to move to a subsequent Residence, You will pay the Monthly Fee associated with the subsequent Residence. The Entrance Fee paid for Your current Residence will be retained by Givens Estates and be held as part of the Entrance Fee for a subsequent Residence. Even if the Entrance Fee for the original Residence, when You began to occupy it, was greater than the current Entrance Fee for the subsequent Residence, You will not be entitled to a refund as a result of the difference between such Entrance Fees. If, however, the Entrance Fee for the original Residence, when You began to occupy it, was less than the current Entrance Fee for the subsequent Residence, You will pay an amount equal to the difference between the Entrance Fee of the original Residence that You paid and the current Entrance Fee of the subsequent Residence.
- G. Change in Residence at Option of Givens Estates.** If Givens Estates reasonably determines that Your Residence needs to be vacated to permit repairs or renovations thereto, or needs to be modified or reconfigured to accommodate a new or different use of the Residence, or as a result of any other circumstances reasonably determined by Givens Estates to justify such transfer, Givens Estates may move You to a new Residence of a similar size provided that Givens Estates (i) advises You prior to undertaking any such move, (ii) gives You reasonable notice of and time to prepare for such move, (iii) incurs all the costs of such move, (iv) arranges for the prompt and convenient moving of Your personal furnishings, and (v) provides in such new Residence optional custom

improvements comparable to those provided in Your original Residence.

- H. Loss of Property.** Givens Estates shall not be responsible for the loss of any property belonging to You or to any guest due to theft, mysterious disappearance, fire or any other cause. You will be responsible for securing personal property insurance.
- I. Medical Insurance.** You shall maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to Givens Estates (e.g. Federal Government employees who subscribe to Federal Blue Cross Blue Shield) and shall furnish Givens Estates with evidence of such coverage.
- J. Addition of New Occupant.**
- 1. Addition of Resident Occupant.** Should You choose to share occupancy of Your Residence with a person who is also a resident of Givens Estates, the two of You may occupy either Residence and shall surrender the unoccupied Residence. You will pay the Double Person Monthly Fee upon Occupancy by both of You in the chosen Residence. No Entrance Fee refund for the unoccupied Residence shall be paid until Givens Estates receives a replacement Entrance Fee for the vacated Residence or twenty-four (24) months after Termination by Resident (whichever occurs first), and removal of all personal belongings from such vacated Residence. However, if neither resident was an original occupant of the selected Residence when the original Residence and Services contract was signed, an additional entrance fee will be required equal to the difference between the then current Entrance Fee and the original Entrance Fee paid at the same refund percentage originally selected.
 - 2. Addition of Non-Resident Occupant.** If You should choose to share occupancy of Your Residence with a person who is not already a resident of Givens Estates, the Non-Resident Occupant may become a resident if they meet all the requirements for admission, enter into a Residence and Services Agreement with Givens Estates, and pay an Entrance Fee equal to the then-current Double Person Entrance Fee. You and the Non-Resident occupant shall pay the Double Person Monthly Fee. If the Non-Resident Occupant does not meet the requirements of Givens Estates for admission as a resident, You may terminate this Agreement in the same manner as provided in Paragraph VII. B. with respect to a voluntary termination, or the Non-Resident Occupant may be approved for admission under special circumstances as agreed to in writing by Givens Estates and You. However, if neither the current resident nor the Non-Resident Occupant were the original occupants of the residence when the original Residence and Services contract was signed, an additional entrance fee will be required equal to the difference between the then current Entrance Fee and the original Entrance Fee paid at the same refund percentage originally selected.

- K. **Right of Entry.** You authorize employees or agents of Givens Estates to enter the Residence for the purposes of housekeeping, repairs, maintenance, inspection, and in the event of an emergency. Givens Estates will always endeavor to maintain Your privacy and the privacy of the Residence. For Your safety, You agree not to replace or add any locks to the Residence.

VI. **TRANSFERS OR CHANGES IN LEVELS OF CARE**

- A. **Transfer to a Health Care Residence.** Givens Estates recognizes Your right of self-determination and will attempt to involve You or Your representative in all decisions related to transfers and changes in level of care. Givens Estates shall have authority to determine whether You should be transferred from Your Residence to a Health Care Residence, or from one level of care to another within Givens Estates, in cases of potential harm to Yourself or others, to assure the health and wellbeing of You and others, or to provide for the highest quality of life possible. Such determination shall be based on the opinion of the Givens Estates administration and/or the Givens Estates Medical Director and shall be made after consultation with You and Your representative and Your attending physician. Such decisions shall be made only in Your best interest and in the best interest of the larger community as determined by Givens Estates. You will have priority to move to such Health Care Residence as Givens Estates determines to best meet Your needs, as soon as such is available.
- B. **Transfer to Other Facility.** If it is determined by Givens Estates that You need care beyond that which can be provided by Givens Estates, You may be transferred to a hospital or institution equipped to give such care at Your expense. Such transfer will be made only after consultation with You and/or Your representative and attending physician.
- C. **Surrender of Residence.** If a reasonable determination is made by Givens Estates that any transfer described in Paragraph VI. A. is or is highly likely to be permanent, You agree to surrender Your Residence.

VII. **TERMINATION AND REFUND PROVISIONS**

- A. **Termination by Resident Prior to Occupancy.**
 - 1. **Termination During 30 Day Rescission Period and Before Occupancy.** This Agreement may be terminated by You by a Written Termination Notice for any reason within thirty (30) days following the later of the execution of this Agreement or the receipt of a disclosure statement (the "Rescission Period") and You are not required to move into the Residence

during this Rescission Period. The Agreement is automatically cancelled if You die before occupying the Residence, or if, on account of illness, injury, or incapacity, You would be precluded from occupying the Residence under the terms of this Agreement. If this Agreement is terminated within such Rescission Period, any monies paid by You shall be refunded in full less any non-standard costs incurred at Your request described in this Agreement or in amendment to this Agreement signed by You. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of Your Written Termination Notice.

2. **Termination After the 30 Day Rescission Period and Before Occupancy.** This Agreement may be terminated by You by a Written Termination Notice for any reason after the Rescission Period and prior to Occupancy. The Agreement is automatically cancelled if You die before occupying the Residence, or if, on account of illness, injury, or incapacity, You would be precluded from occupying the Residence under the terms of this Agreement. In the event of such termination, You will receive a refund of Your 10% Deposit, less (i) a nonrefundable fee equal to the greater of One Thousand Dollars (\$1,000) or six percent (6%) of the total amount of the Entrance Fee for Your Residence, and (ii) any non-standard costs incurred at Your request described in this Agreement or in amendment to this Agreement signed by You. The nonrefundable fee will not be charged to You if such termination is due to Your death, death of Your spouse, or because Your physical, mental or financial condition makes You ineligible for admission to Givens Estates. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of Your Written Termination Notice.

B. Termination by Resident After Occupancy.

1. **Termination During the 30 Day Rescission Period and After Occupancy.** This Agreement may be terminated by You by a Written Termination Notice for any reason within the Rescission Period and You are not required to move into the Residence during this Rescission Period. If You do occupy the Residence within the Rescission Period and then terminate this Agreement before the end of the Rescission Period, any monies paid by the Resident shall be refunded in full less (i) periodic charges specified in this Agreement and applicable only to the period You actually occupied the Residence; (ii) nonstandard costs incurred at Your request described in this Agreement or in amendment to this Agreement signed by You; and (iii) a service charge equal to the greater of One Thousand Dollars (\$1,000) or six percent (6%) of the total amount of the Entrance Fee for Your Residence. Any such refund shall be paid by Givens Estates within five (5) business days following its receipt of Your Written Termination Notice.
2. **Termination After the 30 Day Rescission Period and After**

Occupancy. At any time after Occupancy and after the Rescission Period ends, You may terminate this Agreement by a Written Termination Notice. In the event of such termination, You will receive a refund, less (i) periodic charges specified in this Agreement and applicable only to period You actually occupied the Residence; (ii) nonstandard costs incurred at Your request described in this Agreement or in amendment to this Agreement signed by You; and (iii) nonrefundable entrance fees as set out in paragraph VII. B. 5. below.

3. **Termination Upon Death After Occupancy.** In the event of death of a single Resident, or of the survivor of two Residents, at any time after Occupancy, this Agreement shall terminate and the refund of the Entrance Fee shall be determined according to Paragraph VII. B. 5. below.
4. **Termination by Givens Estates After Occupancy.** Givens Estates may terminate this Agreement at any time if there has been a material misrepresentation or omission made by You in Your Application for Admission, Personal Health History, Confidential Financial Statement, or Physician's Examination Report; if You fail to make payment to Givens Estates of any fees or charges due within sixty (60) days of the date when due; or if You do not abide by the rules and regulations adopted by Givens Estates, or breach any of the terms and conditions of this Agreement. In the event of termination due to any of such causes, the refund of the Entrance Fee paid to You shall be determined according to Paragraph VII. B. 5. below.
5. **Amortization of the Entrance Fee.** Your Entrance Fee may be partially refundable. The portion of the Entrance Fee that is refundable to You will decline over time, at a rate of six percent (6%) upon the date of Occupancy of the Residence and two percent (2%) on the first (1st) day of each calendar month thereafter until Your selected refund percentage remains at zero percent (0%) _____, fifty percent (50%) _____, or ninety percent (90%) _____. Regardless of the reason for termination, You are entitled to Your Entrance Fee refund, less (1) any non-standard costs requested by You and (2) any per diem Health Care Residence fees for Givens Health Center incurred by You during any period of Occupancy of a Health Care Residence in Givens Health Center, except as otherwise provided by this Agreement.
6. **Payment of Refunds.** Unless otherwise provided in this Agreement, Entrance Fee refunds will be paid upon You vacating the then current Residence covered by this Agreement or in case of dual occupancy upon both of You vacating the then current Residence, the removal of all personal property, and upon the receipt by Givens Estates of a replacement Entrance Fee for the Residence, or the expiration of twenty-four (24) months after Termination of this Agreement by the Resident (whichever occurs first).

7. **Condition of Residence.** Upon vacating the Residence, You shall leave it in good condition except for normal wear and tear. You or Your estate shall be liable to Givens Estates for costs required to restore the Residence to good condition or standard condition, except for normal wear and tear, and for the removal and disposition of abandoned personal belongings. Such costs will be deducted from the refundable portion of the Entrance Fee due to You.

8. **Changes to Residence.** After the Date of Occupancy, any structural or physical changes to the Residence directed by You (including alterations such as construction of bookshelves or redecoration such as painting or wallpapering) will require the prior approval of Givens Estates and will be made only under Givens Estates supervision and direction. All structural improvements shall belong to Givens Estates.

Givens Estates, Inc. is herein referred to as the "Facility".

Givens Estates, Inc., (the "Facility"), agrees to provide skilled or assisted living care and ancillary services to Resident at Givens Estates' standard charges. A list of the current charges is incorporated into this Agreement by reference.

Resident or, in the event Resident is unable to execute this Agreement, Resident Representative and Givens Estates agree that the following terms, conditions, and policies shall apply with regard to the care provided Resident during Resident's stay at Givens Estates:

I. Consent to Treatment

I hereby authorize my attending physician, Dr. _____, or his/her designee, or in the absence of both, an on call emergency physician to prescribe and administer medical treatment while I am a Resident of this facility. I certify that I and/or my representative have been made aware of my medical condition and authorize this facility to perform necessary nursing and medical care. I understand that I may refuse any medication, treatment or therapy in entirety or partially at any time and release the facility and its employees or agents from any and all responsibility of consequences, which may result from my refusal.

Unless a copy of a properly executed Do Not Resuscitate (DNR) agreement or Living Will/Advance Directive for a Natural Death (LW) is provided to Givens Estates, all parties to

the Agreement represent that the facility has no agreement or understanding which would require the denial or cessation of medical treatment or procedures necessary to prolong the natural life of the Resident. If no such DNR or LW is provided, the Resident and/or Resident Representative hereby hold the facility harmless for any steps taken that prolong the natural life of the Resident.

II. Release of Information

Givens Estates is authorized to release medical or other information concerning the Resident named above to Medicare/Medicaid agencies, private insurance companies and other sources from which payment of services is to be provided. Information may be released to hospitals and other treatment facilities to which the Resident may be transferred for health care services. Medical information will be transmitted to the state and federally approved data bank, which is required for care of Residents within a certified nursing facility. The Resident or Resident Representative may provide written authorization to disclose confidential information to other individuals.

Information released may be submitted verbally, by mail, fax, or electronic transmission. I release Givens Estates from any liability, which may arise from the release of such information. I request the payment of authorized benefits on by behalf be made to Givens Estates.

III. Charges and Fees

The Resident agrees to pay the facility promptly when billed all fees and charges imposed by the Facility hereunder which are not covered under the Medicare or Medicaid program. If part or all of the Resident's stay at the Facility is not covered under the Medicare or Medicaid program, then in consideration of the Facility furnishing adult care or skilled nursing care to the Resident, the Resident shall pay, promptly when billed, for each day during the period set forth in the following sentence, an amount equal to the standard daily rate for such care as shown on the Facility Rate Schedule in effect. Charges and fees are subject to change with (30) days' notice. The period referred to in the preceding sentence shall commence on the date of the Resident's admission to the Facility if no part of the Resident's stay at the Facility is covered under the Medicare or Medicaid program (the "Admission Date"), or the date on which coverage for such stay terminates (the "Coverage

Termination Date”), whichever is applicable, and shall conclude on the day on which the Resident is discharged, but in no event shall such period be less than (3) days. The monthly equivalent of the aforesaid daily rate shall be payable in advance, on the Admission Date or the Coverage Termination Date, whichever is applicable, and by the 20th day of each month thereafter. Givens Estates may charge interest on outstanding accounts not received by the 30th of each month thereafter. The current charge for such care, as shown on Schedule I (a copy of which is attached hereto), is \$_____ per day/month.

The Resident also shall pay, promptly when billed, the daily co-insurance under the Medicare program, or monthly co-pay under the Medicaid program, if applicable and all charges for additional items and services furnished to the Resident which are not covered under the Medicare or Medicaid program. Such additional items and services include but are not limited to clothing, personal dry cleaning, or services furnished while the Resident’s stay at the Facility is not covered under the Medicare and Medicaid program. The charges therefore shall be only those which are permitted pursuant to section 1866 (a) of the Social Security Act and applicable regulations there under, and (b) no such additional item or service shall be furnished hereunder except at specific request of the Resident.

Facility will advise the Resident of the amount of the Charge for Requested Services prior to furnishing those services. Refunds of any amounts paid in excess of the charges under Paragraph 3 above and this Paragraph shall be made by Facility as expeditiously as possible and in no event more than thirty (30) days after all Medicare program and Medicaid program payments as well as co-insurance payments have been collected.

If the Resident has long term care or private insurance policies, the Facility will gladly assist the Resident in filing for reimbursement of such covered charges as long as arrangements are made for payment to come to the Facility. However, these charges are billed and treated as private charges. The Resident agrees to pay the Facility promptly when billed.

In the event the Resident fails to or refuses to pay any fees and charges due the Facility in accordance with this Agreement and it becomes necessary to place the account in the hands of a collection agency or an attorney for collection, the Resident shall pay all collection agency charges and other expenses for collection incurred by the Facility, including reasonable attorney’s fees (not exceeding 15% of the amount due to Facility) and court costs.

The acceptance of a partial payment on any occasion does not constitute any waiver of the payment requirements of this Agreement or otherwise limit the Facility's rights under this Agreement.

Resident and/or Resident Representative agree to pay for any services provided not covered by Medicare including all services provided when and if Medicare coverage should no longer be available.

Initial: _____

Medicare pays all charges for the 1st through 20th day of skilled care when the Resident meets the Medicare eligibility requirements. Beginning with the 21st to 100th day of covered care, Medicare may pay all charges except the co-insurance, (see Charge List for Medicare Co-insurance rate), this is billed to the Resident/Resident Representative. No discount is allowed on co-insurance.

Medicare coverage is determined by a Resident's diagnosis, medication, and/or treatment ordered by the physician. If at any time during the stay it is determined that a Resident's condition does not qualify for covered care under Medicare regulations, notification will be made in writing to the Resident or Resident Representative that Medicare coverage has been terminated. At this time, the Resident or Resident Representative must make satisfactory financial arrangements for continued care at the Facility. Default in payment for one (1) month will result in termination of agreement to provide care.

Ancillary charges will be billed at the end of each month.

Medicaid approved Residents must pay current monthly liability in advance. Medicaid covered residents are allowed 60 days per year for therapeutic leave for which the program will pay to hold their beds.

Therapeutic leaves are arranged on the following basis:

- The leave must be approved by the attending physician.
- Departure and return dates must be pre-arranged.
- The facility staff must coordinate the leave with the family.
- Resident must return at the pre-determined time or notify the facility of any extension.

- The maximum number of days for a therapeutic leave without prior approval from Medicaid is two (2) weeks.

Initial: _____ The medical needs of the above-named Resident do not meet the criteria for Medicare Part A coverage; therefore, Medicare will not cover any portion of the care. Some services, however, may be covered under Medicare Part B.

Initial: _____ The medical needs of the above-named Resident do meet the criteria for Medicare Part A coverage. I also understand if the Resident's condition changes and the medical criteria are no longer met, Medicare Part A coverage will cease.

Unless delivered to the custody of the Administrator of Facility for safekeeping, the Facility shall not be responsible for any money, valuables or personal effects brought into the Facility by the Resident or by relatives or friends of the Resident. Cash is best deposited into the Trust Fund.

VI. Discharge Notice

The Resident shall give the Administrator of the Facility seven (7) days prior written notice of his/her intention to terminate their stay at the Facility, unless such notice would be due when such stay is covered under the Medicare and Medicaid program. All accrued charges shall be paid prior to such termination.

The Facility may involuntarily transfer or discharge the Resident for medical reasons, the Resident's own or other patients' welfare, or nonpayment. Report on Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of The Givens Estates, Inc. and Subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 31, 2020 and 2019, and the related consolidated statements of operations, changes in net assets, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Givens Estates, Inc. and Subsidiaries as of December 31, 2020 and 2019, and the results of operations, changes in net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Consolidating Information

Our audits were conducted for the purpose of forming an opinion on the basic consolidated financial statements as a whole. The supplemental information listed in the foregoing table of contents is presented for purposes of additional analysis rather than to present the financial position and results of operations, and cash flows of the individual organizations, and is not a required part of the basic consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

1. Summary of Significant Accounting Policies

Organization

The Givens Estates, Inc. is a non-profit, North Carolina corporation. The Company owns and operates two continuing care retirement communities ("CCRC") which includes Givens Estates and Givens Highland Farms. Givens Estates consists of 409 independent living units (cottages, villas, houses, duplexes, and apartments), a 47 unit assisted living facility, and an 84 bed health care facility, as well as a wellness center, on a 215 acre campus in Asheville, North Carolina. Givens Highland Farms (Givens Highland Farms, LLC) consists of 271 independent living units (homes and apartments), 30 assisted living beds, and a 60 bed health care facility on 75 acres in Black Mountain, North Carolina. The Company also owns and operates Givens Gerber Park II, LLC, which consists of 82 apartment homes with supportive services for seniors with modest incomes located on Gerber Road in Asheville, North Carolina.

Principles of consolidation

The accompanying consolidated financial statements include the accounts of The Givens Estates, Inc. and its wholly owned subsidiaries: Givens Highland Farms, LLC ("Givens Highland Farms"), LifeMinistries Outreach, LLC, and Givens Gerber Park II, LLC, collectively "The Company." All significant intercompany accounts and transactions have been eliminated in consolidation.

Use of estimates

The preparation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the reporting date. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, amounts on deposit in banks, and highly liquid debt instruments with a maturity of 90 days or less when purchased, excluding amounts whose use is limited.

Assets limited as to use

These assets include resident funds and assets set aside by the board of directors to provide supplemental assistance to residents for payment of the residents' initial contribution and monthly rentals for the life occupancy residential complex, over which the board retains control and may at its discretion subsequently use for other purposes.

Accounts receivable

Accounts receivable arise from the sale of residential and healthcare services and products, for which the Company grants credit on an unsecured basis. Accounts are considered past due after 30 days. The Company estimates allowance for doubtful accounts by evaluating the collectability of accounts greater than 120 days past due. Once a charge has been determined to be uncollectible, it is charged-off.

The Givens Estates, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

Contributions receivable

Unconditional contributions are recorded at net present value as contributions in the consolidated balance sheets or direct additions to net assets with restrictions, if restricted by the donor or time, net of any allowances for uncollectible pledges.

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value based on quoted market prices in the consolidated balance sheets. Investment income or loss (including realized and unrealized gains and losses on investments, interest and dividends) is included in excess of revenues over expenses.

Fair value measurements

Fair value as defined under generally accepted accounting principles (“GAAP”) is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company utilizes market data or assumptions that market participants would use in pricing the asset or liability. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used when measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Property and equipment

Property and equipment is stated at cost or at fair value at date of donation. The Company capitalizes all assets over \$1,000 and depreciates the assets using the straight-line method over their estimated useful lives as follows:

Land improvements	10-20 years
Buildings	15-40 years
Furniture and equipment	3-10 years
Vehicles	3-5 years

Expenditures for repairs and maintenance are charged to expenses as incurred. The costs of major renewals and betterments are capitalized and depreciated over their estimated useful lives. Upon disposition of equipment, the asset and related accumulated depreciation accounts are relieved and any related gain or loss is recorded. Interest cost incurred on borrowed funds during the period of construction of capital assets is capitalized as a component of the cost of acquiring those assets.

Buildings for Givens Highland Farms include condominiums, cluster homes (which are groups of individual residences connected by adjoining walls), houses (collectively referred to as “housing units”), and rental property. Givens Highland Farms’ contracts with the residents provide that either upon death or at the resident’s option, Givens Highland Farms has the option to purchase; and the resident or his estate must sell the housing unit at a specified price. It is the intention of Givens Highland Farms to always choose the option to repurchase the housing units and once repurchased to not resale them. The repurchase price (the “Repurchase Obligation”) is 94% of the resident’s original purchase price, reduced 3% per year for each year beyond the first year that the resident occupies the unit. The minimum repurchase price after seven years of occupancy is 76% of the original purchase price.

Because Givens Highland Farms maintains an active role in the management of housing units, placing significant restrictions on purchasers that limit the privileges of ownership, and has the option to repurchase the units upon relocation or death of the resident, the housing units are recorded in a manner similar to rental property. The units are carried as assets on the Company’s consolidated balance sheet at their historical cost and are depreciated on a 15-year, straight-line basis.

Intangibles

In connection with the recording of the assets and liabilities as part of the purchase of Highland Farms, intangibles of \$15,440,665 were recorded with this transaction. Givens Highland Farms obtained approximately \$14.8 million of deferred revenue and refundable entrance fee contracts. The projected net future cash flows to be generated from these resident contracts are recorded as an intangible asset and are being amortized over the average life expectancy of those residents, or approximately 8 years. The remainder has been recorded as goodwill. In 2019, the Company began amortizing goodwill over the average life expectancy of those residents whose contracts the goodwill was based, or approximately 6.5 years. The Company would analyze goodwill for impairment upon the occurrence of a triggering event. There was no impairment recorded in 2020 and 2019.

Deferred revenue from entrance fees

Givens Estates, Inc. operates two Life Plan communities. In exchange for an entrance fee, which ranges from approximately \$40,500 to \$1,440,000 at Givens Estates and approximately \$36,000 to \$767,000 at Givens Highland Farms, residents are granted a lifetime occupancy interest in the residential unit. The entrance fee will vary due to the size of the residence and the contract option selected by the resident.

The nonrefundable portion of the entrance fee paid by a resident upon entering into a lifetime occupancy contract is recorded as deferred revenue. In 2008, Givens Estates began offering three types of contracts: a 90% refundable option, which the refund declines to 90% over a three month period, a 0% refund option, which the refund declines to 0% over a four year period, and a 50% refundable option, which the refund declines to 50% over a two year period. For contracts signed before 2003, the refundable balance declined to 50% over an eight year period.

Givens Highland Farms offered two types of contracts for the apartments and the lodge: a 50% refundable option, with the refund declining to 50% over a 23 month period, and a 0% refund option, with the refund declining to 0% over a 46 month period. For contracts signed before 2006 for the apartments or the lodge, the 50% refundable option declines to 50% over a 46 month period, and the 0% refundable option declines to 0% over a 60 month period. In 2015, Givens Highland Farms began offering a 65% refundable contract option for the cluster homes, condominiums and homes with the refund declining to 65% over a 16 month period. In 2014, Givens Highland Farms began offering a 75% refundable contract option for the cluster homes, condominiums and homes with the refund declining to 75% over an 11 month period. In addition, the initial contracts for the Meadowmont and Cottage homes are 75% refundable contracts. The refundable portion of contracts signed before 2014 for the cluster homes, condominiums and homes declines to 76% over a seven year period. In 2017, Givens Highland Farms also began offering three types of contracts: a 90% refundable option, which the refund declines to 90% over a three month period, a 50% refundable option, which the refund declines to 50% over a two year period, and a 0% refundable option, which the refund declines to 0% over a four year period.

The nonrefundable portion of the Givens Highland Farms Repurchase Obligation that is not required to be paid back to the resident (of original purchase price) is recorded as part of deferred revenue from entrance fees. Revenue is recognized each year to the extent that Givens Highland Farms' repurchase obligation is reduced over the estimated average life expectancy of the resident.

The non-refundable portion of deferred revenue is amortized to income using the straight-line method over the estimated remaining life expectancy of the resident, adjusted annually.

Resident refunds payable

Resident refunds payable include estimated entrance fee refunds due to residents that have the 50%, 65%, 75%, 76% or 90% refundable contracts. Givens Estates contract stipulates that the entrance fee is refundable within two years or when a replacement occupant has been secured, whichever is sooner. Refunds are made within 30 days for Givens Highland Farms apartment contracts signed before December 1, 2012. Based on historical experience, the estimated amount of the resident refunds that are expected to be refunded in the coming year are \$5,442,000 and \$4,928,000 at December 31, 2020 and 2019, respectively, and are classified as a current liability on the consolidated balance sheet. Total contractual refund obligations in the event of move-out, death, or termination (that is if all residents with a refundable balance were to have withdrawn) at December 31, 2020 and 2019 were approximately \$76,840,000 and \$78,982,000, respectively.

The refundable portion of the Givens Highland Farms Repurchase Obligation required to be paid back to the resident (76% of original purchase price) within 120 days, is recorded as part of resident refunds payable.

Advance admission deposits

The Company collects an initial deposit of \$1,000 as part of the application process. Once the unit becomes occupied, these fees are transferred to deferred revenue.

Net assets

The Company reports its net assets using the following classes; net assets without restrictions and net assets with restrictions depending on the presence and type of donor-imposed restrictions limiting the Company's ability to use or dispose of specific contributed assets or the economic benefits embodied in those assets. Net assets without restrictions include those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by board designation. Net assets with restrictions are those net assets whose use by the Company has been limited by donors (a) to later periods of time or after specified dates or (b) to specified purposes.

Contributions and donor-imposed restrictions

All contributions are considered to be available for use unless specifically restricted by the donor. The Company reports gifts of cash and other assets as restricted contributions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with restrictions are reclassified to net assets without restrictions and reported in the consolidated statement of operations as net assets released from restriction.

CARES Act provider relief funds

These relief funds are considered non-exchange transactions subject to terms and conditions specified by the resource provider distributed by the Health Resources Service Administration section of the U.S. Department of Health and Human Services ("HHS"). These conditions create a restriction that such funds must be used to prevent, prepare or respond to the coronavirus ("COVID-19"), creating purpose restrictions in addition to conditions. This conditional grant revenue is recognized as contributions to the extent conditions/restrictions for entitlement are met for coronavirus related expenses or lost revenues. The Company reports conditional contributions for which the conditions and related restrictions are met in the same reporting period as contributions. Such funds are subject to recoupment to the extent the conditions for entitlement are not met.

Statements of operations

The consolidated statements of operations include excess of revenues over expenses. Changes in net assets which are excluded from excess of revenues over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which by donor restrictions were to be used for the purposes of acquiring such assets). The Company considers excess of revenues over expenses to be its performance indicator.

Interest rate swap

The Company utilizes an interest rate swap to manage the variability in interest rates on certain variable rate debt. The Company accounts for its interest rate swap under GAAP, which requires companies to recognize all derivative instruments as either assets or liabilities in the balance sheet at fair value. The accounting for changes in the fair value (i.e., gains or losses) of a derivative instrument depends on whether it has been designated and qualifies as part of a hedging relationship and, further, on the type of hedging relationship. For those derivative instruments that are designated and qualify as hedging instruments, a company must designate the hedging instrument, based upon the exposure being hedged, as a fair value hedge, cash flow hedge, or a hedge of the foreign currency exposure of a net investment in a foreign operation. For derivative instruments not designated as hedging instruments, the changes in fair value are recognized in excess of revenue over expenses. The Company's interest rate swap is not designated as a hedging instrument and the change in fair value is included in excess of revenue over expenses.

Income taxes

The Company is exempt from federal income taxes under Section 501 (c) (3) of the Internal Revenue code; accordingly, the accompanying consolidated financial statements do not reflect a provision or liability for federal and state income taxes. The Company has determined that it does not have any material unrecognized tax benefits or obligations as of December 31, 2020.

Benevolent assistance

The Company has a policy of providing benevolent assistance to residents who are unable to pay the full cost of care and services. Such residents are identified based on financial information obtained from the resident and subsequent review and analysis. Since the Company does not expect to collect the normal charges for services provided, charges for benevolent assistance are not included in revenue.

Continuing-care contracts

The Company enters into fee-for-service continuing-care contracts with various residents. A fee-for-service continuing-care contract is an agreement between a resident and the Company specifying the services and facilities to be provided to a resident over his or her remaining life. Under the fee-for-service contracts, the Company has the ability to increase fees as deemed necessary. For the year ended December 31, 2020 and 2019, the Company calculated the present value of the net costs of future services and the use of facilities to be provided to current residents and compared that amount with the balance of deferred revenue from entrance fees. If this calculated value exceeds the deferred revenue from entrance fees, a liability is recorded, with a corresponding charge to income. The obligation is discounted at 2.4% for December 31, 2020 and 2.9% at December 31, 2019 based on management's estimate of interest earnings. At December 31, 2020 and 2019, the calculated value did not exceed the balance of deferred revenue from entrance fees; therefore, no liability for the obligation to provide future services is required to be recorded.

Concentration of credit risk

Financial instruments that potentially subject the Company to concentration of credit risk consist principally of cash, accounts receivable and investments. The Company maintains its cash in bank accounts which, at times, may exceed federally depository insurance (FDIC) limits. Management believes the credit risk associated with these deposits is minimal.

Methods used for allocation of expenses among programs and supporting services

The Company has presented a schedule of expenses by both function and nature in Note 20. The Company allocates expenses on a functional basis among its various programs and supporting services. The schedule of expenses in Note 20 reports certain categories of expenses that are attributable to one or more program or supporting services of the retirement community. These expenses include advertising, administration, insurance, and other.

Subsequent events

Subsequent events have been evaluated through April 8, 2021, which is the date the consolidated financial statements were available to be issued.

2. Revenue Recognition

The Company generates revenues, primarily by providing housing and health services to its residents. The following streams of revenue are recognized as follows:

Monthly service fees

The contracts that residents select require an advanced fee and monthly fees based upon the type of accommodation they are applying for. Resident fee revenue for recurring and routine monthly services is generally billed monthly in advance. Payment terms are usually due within 30 days. The services provided encompass social, recreational, dining along with other services and these performance obligations are earned each month. Under Accounting Standards Codification (“ASC”) Topic 606, management has determined that the performance obligation for the standing obligation to provide the appropriate services is the predominate component and does not contain a lease component under ASC Topic 840. Resident fee revenue for non-routine or additional services are billed monthly in arrears and recognized when the service is provided.

Entrance fees

The nonrefundable entrance fees are recognized as deferred revenue upon receipt of the payment and included in liabilities in the consolidated balance sheet until the performance obligations are satisfied. The refundable portion of an entrance fee is not considered part of the transaction price and as such is recorded as a liability in the consolidated balance sheet. Additionally, management has determined the contracts do not contain a significant financing component as the advanced payment assures residents access to services in the future. These deferred amounts are then amortized on a straight-line basis into revenue on a monthly basis over the life of the resident as the performance obligation is the material right associated with access to future services as described in Financial Accounting Standards Board (“FASB”) ASC 606-10-55 paragraph 42 and 51.

Health care services

In the facility, the Company provides assisted and nursing care to residents that are covered by government and commercial payers. Otherwise, these residents pay a per diem rate that is generally billed monthly in advance. The Company is paid fixed daily rates from government and commercial payers. The per diem daily rates and other fees billed to government and commercial payers are billed in arrears monthly. The monthly fees represent the most likely amount to be received from the 3rd party payors. Most rates are predetermined from Medicare and Medicaid.

The Givens Estates, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

Under ASC Topic 606, management has elected to utilize the portfolio approach in aggregating the revenues under these revenue streams. In the table below, residential revenue consists of the monthly service fee charged to each resident. The monthly service fee charge includes an allocated portion of dining and communication charges. The allocated portions of dining and communication charges are included with Residential food service and Other revenue on the Consolidated Statement of Operations. Assisted living revenue consists of the private pay per diem rate charged to each resident. Long-term care revenue consists of the private pay per diem rate charged to each resident, as well as the fixed daily rates from government and commercial payers on behalf of certain residents. Assisted living revenue and Long-term care revenue includes additional revenue from ancillary services that are billed in arrears on the Consolidated Statement of Operations.

3. Fair Value of Financial Assets

Prices for certain investments are readily available in active markets in which those securities are traded, and the resulting fair values are categorized as Level 1. Prices for certain investments are determined on a recurring basis based on inputs readily available in public markets or can be derived from information available in publicly quoted markets and are categorized as Level 2. There is limited or no observable market data for the prices of other funds that are held by the Company and the resulting fair values of these securities are categorized as Level 3. There were no investments valued as Level 3 investments during 2020 or 2019.

The Givens Estates, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

The Company invests in certain investments for which quoted prices are not available in active markets for identical instruments. The Company utilizes the net asset value (NAV) provided by the administrator of the fund as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. These investments are not required to be classified within a level on the fair value hierarchy.

The following tables set forth by level within the fair value hierarchy the Company's financial assets accounted for at fair value on a recurring basis as of December 31, 2020 and 2019. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

Assets at fair value as of December 31, 2020 and 2019 consist of the following:

Notes to Consolidated Financial Statements

The Company has \$3,787,753 and \$6,086,879 of cash and cash equivalents included in investments and assets limited as to use on the consolidated balance sheets at December 31, 2020 and 2019, respectively, which was not classified as a level as prescribed within the provision.

- (a) In accordance with Topic 820, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Consolidated Balance Sheets.

The Company recognizes transfers between the levels as of the beginning of the reporting period. There were no gross transfers between the levels for the years ended December 31, 2020 and 2019.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of:

Givens LifeMinistries is a volunteer and church-based outreach ministry which endeavors to help churches and other non-profit organizations reach out into the community to assist those in need. The program educates low-income seniors on how to access needed medications, food, transportation, housing, clothing, and works alongside agencies that provide health and aging services. Givens LifeMinistries is currently working with the Vanderbilt Apartments, Battery Park Apartments, Council on Aging, Mills River Life Enrichment Center, MY Meds (medication assistance ministry in the Toe River Valley communities), Francis Asbury Welcome Table, Hominy Valley Welcome Table, Haywood Street Congregation Welcome Table, Leicester Community Center Welcome Table, Groce UMC Welcome Table, Hope UMC Welcome Table, Saluda Welcome Table, Selica UMC Welcome Table, Skyland Welcome Table, Swannanoa Welcome Table, Black Mountain Open Table, Rutherford Welcome Table, and Seven Baby Equipment Resources Ministries. LifeMinistries also helped initiate three medical equipment loan closets.

The Company has a supportive relationship with MemoryCare, a 501(c)(3) corporation. By providing for the operational costs of the SECU MemoryCare building, along with a no cost 50-year land lease and for the building, the Company has been able to help retain and strengthen a vital memory disorders health care program in Western North Carolina. The program includes a family care resource center which helps family members cope with the impact of memory diseases.

The services and funds provided to these outreach programs from the Company were \$1,664,051 (\$1,526,950 for the Givens Estates campus and \$137,101 for the Givens Highland Farms campus) and \$1,428,070 for the years ended December 31, 2020 and 2019, respectively.

14. Operating Reserve

In accordance with the requirements of North Carolina General Statute 58, Article 64-33, management computes an annual operating reserve for its continuing care facilities licensed in North Carolina. At December 31, 2020, Givens Estates, Inc. and Subsidiaries were in compliance with this statute. The operating reserve is approximately \$11,893,000 (\$7,693,000 and \$4,200,000 for Givens Estates and Givens Highland Farms, respectively) and \$11,548,000 at December 31, 2020 and 2019, respectively.

15. Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents, receivables, and accounts and notes payables are a reasonable estimate of their fair values. The fair value estimates presented herein are based on pertinent information available to management as of December 31, 2020 and 2019. Although management is not aware of any factors that would significantly affect the estimated fair value amounts, such amounts have not been comprehensively revalued for purposes of the consolidated financial statements since that date, and current estimates of fair value may differ significantly from the amounts presented herein.

The Series 2017 bonds are private placement bonds. Fair value of the private placement bonds approximate carrying value. The fair value of the fixed-rate or adjustable-rate bonds payable is based on quoted market prices.

16. Interest Rate Swap Agreement

In March 2018, the Company entered into an interest rate swap agreement with an original notional amount of \$8,500,000. The swap expires December 2026 and effectively fixes the variable interest rate of the \$8,500,000 loan at 3.88 percent.

The fair value the interest rate swap is reported as a long-term asset or liability in the consolidated balance sheets. The change in fair value of the interest rate swap is included in excess of revenues over expenses in the accompanying consolidated statements of operations and changes in net assets.

Absent an early termination, subsequent changes in the interest rate swap will continue to be reflected in excess of revenues over expenses, which has no cash flow impact to the Company. The cash flow settlements of the interest rate swap agreement are reflected annually in interest expense as the Company pays interest to the swap counterparty at the rate noted above.

17. Liquidity and Availability

As part of its liquidity management, the Company has a policy to structure its financial assets to be available as its general expenses, liabilities, and other obligations come due. In addition, the Company invests cash in excess of daily operating funds in short-term investments such as investment grade corporate bonds and money market funds.

The following schedule reflects the Company's financial assets to meet cash needs for general expenses within one year. The financial assets were derived from the total assets on the consolidated balance sheets by excluding the assets that are unavailable for general expenses in the next 12 months. Board designated amounts have been included in the schedule below as the board could release these funds for liquidity purposes if needed.

The Company seeks to maintain sufficient liquid assets to cover at least three months' operating and capital expenses.

18. COVID-19

In March 2020, the World Health Organization declared the outbreak of COVID-19, a novel strain of Coronavirus, a pandemic. The coronavirus outbreak is disrupting supply chains and affecting production and sales across a range of industries. The extent of the impact of the outbreak on the Company's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on employees and vendors, and governmental, regulatory and private sector responses. The accompanying consolidated financial statements do not reflect any adjustments as a result of the increase in economic uncertainty which continues through the issuance date.

19. Provider Relief Funds

In response to the COVID-19 pandemic, the Coronavirus Aid, Relief and Economic Security (CARES) Act was signed into law on March 27, 2020. One provision of the CARES Act was the establishment of the Provider Relief Fund (PRF), administered by the U.S. Department of Health and Human Services (HHS). The PRF is being distributed to healthcare providers throughout the country to support the battle against the COVID-19 outbreak. During the year ended December 31, 2020, the Company has received approximately \$2,000,000 in distributions from this fund. These funds are intended to reimburse qualifying expenses and lost revenues attributable to COVID-19 and are subject to the terms, conditions, and regulatory requirements set forth by HHS. If the total distributions received by the Company exceed the cumulative amount of qualifying expenses and lost revenues attributable to COVID-19 through June 30, 2021, any excess funding may be subject to recoupment. Related revenues are recognized as contributions if eligibility criteria are met. The Company recognized approximately \$1,600,000 as contributions for the year ended December 31, 2020.

In addition to the terms, conditions, and published regulatory guidance, HHS has published additional guidance related to the nature and allowability of certain qualifying expenses and methods for determining lost revenues attributable to COVID-19 through the publication of Frequently Asked Questions (FAQs). These HHS Provider Relief Fund FAQs have been subject to significant amendment and revision over the course of the program. Additional guidance from HHS and the U.S. Office of Management and Budget (OMB) may be forthcoming, but the nature and extent of such additional forthcoming guidance is uncertain. The Company relied on the available guidance in determining the amounts of qualifying expenses and lost revenues attributed to COVID-19 and the related recognition of revenue during fiscal year 2020. Such determinations required management to make subjective interpretations of the available guidance, and to make assumptions and exercise considerable judgment. Subsequent changes or clarifications in guidance from HHS and OMB could have a material impact on management's estimates and the determination of such amounts. The Provider Relief Funds are subject to audit by HHS which may result in disallowed expenditures which may be subject to recoupment. Such amounts, if any, cannot be determined at this time.

HHS released additional reporting requirements for health care entities that received distributions from the PRF. Also, the Coronavirus Response and Relief Supplemental Appropriations Act of 2021 ("CRRSAA") was signed into law on December 27, 2020. CRRSAA provided on-going assistance to healthcare providers and provided additional clarity around PRF reporting requirements. The Company does not believe the new guidance will result in a material change to amounts recorded in the December 31, 2020 consolidated financial statements related to the PRF. The Company will continue to monitor changes in reporting guidance or additional clarifications that may be issued by HHS, which would affect the accounting for distributions from the PRF.

Independent Accountants' Compilation Report

The Board of Directors
The Givens Estates, Inc. & Subsidiaries
Asheville, North Carolina

Management of The Givens Estates, Inc. & Subsidiaries (the "Corporation") ("Management") is responsible for the accompanying financial projection of the Corporation, which comprises the consolidated projected balance sheets as of and for each of the five years ending December 31, 2025 and the related consolidated projected statements of operations, changes in net assets, and cash flows for each of the years then ending, and the related summaries of significant assumptions and rationale in accordance with guidelines for the presentation of a financial projection established by the American Institute of Certified Public Accountants ("AICPA").

The accompanying projection and this report were prepared to comply with the requirements of North Carolina General Statutes, Chapter 58, Article 64 and should not be used for any other purpose.

We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not examine or review the financial projection nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on this financial projection. The projected results may not be achieved as there will usually be differences between the prospective and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Furthermore, even if the hypothetical assumptions occur during the projection period:

- the Corporation's newly constructed and yet to be constructed independent living units are successfully marketed and achieve and maintain projected occupancy levels;
- Construction, development, marketing, and other related costs for the new independent living units at Givens Estates and the new independent living units and dietary renovation at Givens Highland Farms occur in the assumed timeline and at the assumed costs; and
- the Corporation finances the new independent living units and dietary renovation at Givens Highland Farms at rates and terms as assumed in the projection.

There will usually be differences between the projected and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

We have no responsibility to update this report for events and circumstances occurring after the date of this report.

COVID-19 Pandemic

On March 11, 2020, the World Health Organization declared the highly contagious respiratory disease named “coronavirus disease 2019” (“COVID-19”) to be a pandemic, and on March 13, 2020, a national emergency was declared in the United States. The Centers for Disease Control and Prevention has confirmed the spread of COVID-19 to the United States, including North Carolina. In response, the federal government, and a large number of state governments, including North Carolina, have imposed measures to curtail certain aspects of public life in an effort to contain COVID-19.

In addition to the direct impact to the health care industry, national and global investment and financial markets have experienced substantial volatility attributed to COVID-19 concerns and associated economic impacts of the curtailment of public life described above. In December 2020, the U.S. Food and Drug Administration issued emergency use authorization of vaccines for prevention of COVID-19. Management has implemented a COVID-19 vaccine plan, with essentially all Residents and the majority of employees having been vaccinated.

The Corporation obtained funds under the Paycheck Protection Program (“PPP”) from a participating bank created under the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”), as amended by the Paycheck Protection Program Flexibility Act of 2020 (the “Flexibility Act”). The PPP, a loan program administered by the Small Business Administration provides loans to qualifying businesses for the resources they need to maintain their payroll, hire back employees who may have been laid off, and cover applicable overhead. Additionally, loans originated under this program may be forgiven, in whole or in part, if certain criteria are met. In May 2021, the Corporation was successful in obtaining funding through the PPP for Givens Estates and Givens Highland Farms for approximately \$2,956,000 and \$1,360,000, respectively.

The Corporation believes that it is eligible under the PPP to receive the funds and expects to meet the requirements under the program to have the loan forgiven. Therefore, Management has concluded that the receipt of the PPP represents a government grant (the “PPP Advance”).

For purpose of the projection, Management has assumed the following:

- an increased level of personal protective equipment and other supplies, but believes the future impact of COVID-19 to be negligible on operating revenues and expenses; and
- that funds received under the PPP shall be fully forgiven and recognized as grant revenue during fiscal year 2021.

Under this circumstance, the Resident shall receive a refund of the 10% deposit, less a nonrefundable fee equal to the greater of one thousand dollars (\$1,000) or two percent (2%) of the total amount of the Entrance Fee after the Rescission Period.

See Independent Accountants’ Compilation Report

Termination by the Resident After Occupancy

The Resident may terminate the Residency and Services Agreement after moving into Givens Estates or Givens Highland Farms by giving prior written notice of termination, which shall be effective and irrevocable upon delivery. If the Resident terminates the Residency and Services Agreement during the Rescission Period, but after occupancy then the Resident shall be liable for a service charge equal to the greater of one thousand dollars (\$1,000) or two percent (2%) of the total amount of the Entrance Fee. If the Resident terminates after the Rescission Period, then they will receive a refund less i) periodic charges applicable only to the period the Resident actually occupied the Independent Living Unit; (ii) nonstandard costs incurred at the Resident's request, and (iii) nonrefundable Entrance Fees.

The Residency and Services Agreement shall automatically terminate upon death of the Resident (unless there is a surviving joint Resident).

Termination by the Corporation

The Corporation may terminate the Residency and Services Agreement for just cause to include: (i) breach of agreement; (ii) misrepresenting information in the admission process; (iii) failure to pay any charges; or (iv) violation of any reasonable procedures at Givens Estates or Givens Highland Farms.

Residents may reside in an Independent Living Unit for as long as he or she is capable of meeting the requirements of occupancy, in the opinion of the Corporation, after consultation with the Resident, the Resident's attending physician and/or the Corporation's appointed medical director. If the Resident is no longer able to meet the requirements of residing in the Independent Living Unit, higher levels of health care are provided in assisted living and skilled nursing.

Services Provided for the Assisted Living Beds

Residents of the assisted living beds receive three meals per day; assisted living and care services in accordance with the Resident's written plan of care; laundering of linens and bedding; housekeeping and maintenance; utilities, emergency call service; daily observation of Resident's general health, safety, physical and emotional well-being; scheduled transportation; social services; and planned recreational activities. The Resident is required to pay any additional charges for additional services and supplies that are not covered in the applicable base fees.

Summary of Significant Accounting Policies

Basis of Accounting – The Corporation maintains its accounting and financial records according to the accrual basis of accounting.

Use of Estimates – The preparation of prospective financial statements in accordance with accounting principles generally accepted in the United States of America requires Management to make estimates and assumptions that affect the amounts reported in the prospective financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and Cash Equivalents – Cash and cash equivalents includes cash on hand, amounts on deposit in banks and highly liquid debt instruments with a maturity of 90 days or less when purchased, excluding amounts whose use is limited.

Assets Limited as to Use – These assets include assets set aside by the Board of Directors (the “Board”) to provide supplemental assistance to residents for payment of the residents’ initial contribution and monthly rentals for the life occupancy residential complex, over which the Board retains control and may at its discretion subsequently use for other purposes. Assets limited as to use also include amounts held by a trustee that are limited as to use in accordance with the bond order and resident funds.

North Carolina General Statute Section 58-64-33 requires CCRC’s to maintain an operating reserve equal to 50 percent of the total operating expenses (adjusted for non-cash items) in a given year, or 25 percent of such total operating expenses (adjusted for non-cash items) if independent and assisted living occupancy exceeds 90 percent.

Accounts Receivable – Accounts receivable arise from the sale of residential and healthcare services and products, for which the Corporation grants credit on an unsecured basis. Accounts are considered past due after 30 days. The Corporation estimates allowance for doubtful accounts by evaluating the collectability of accounts greater than 120 days past due. Once a charge has been determined to be uncollectible, it is charged-off.

Contributions Receivable – Contributions receivable include unconditional promises of cash, charitable remainder unitrusts, and charitable gift annuities. The charitable remainder unitrusts and charitable gift annuities are held in trust by another organization. Upon the death of the donors, the remaining investment will be transferred to the Corporation. The balance is net of projected allowances for doubtful accounts and discounts for present value.

Investments – Investments include cash and cash equivalents, common stock, comingled funds, corporate and government bonds, government securities, money market funds and a fixed income fund. Investments in equity securities with readily determinable fair value and all investments in debt securities are measured at fair value based on quoted market prices in the consolidated balance sheet. For purposes of the projection, Management has not projected realized or unrealized gains or losses on investments.

See Independent Accountants’ Compilation Report

Property and Equipment – Property and equipment is stated at cost or at fair value at date of donation. The Corporation capitalizes all assets over \$1,000 and depreciates them using the straight-line method over their estimated useful lives as follows:

Land improvements	10-20 years
Buildings	40 years
Furniture and equipment	5-10 years
Vehicles	3-5 years

Expenditures for repairs and maintenance are charged to expenses as incurred. The costs of major renewals and betterments are capitalized and depreciated over their estimated useful lives. Upon disposition of equipment, the asset and related accumulated depreciation accounts are relieved, and any related gain or loss is credited or charged to non-operating gains or losses. Interest cost incurred on borrowed funds during the period of construction of capital assets is capitalized as a component of the cost of acquiring those assets.

Buildings for Givens Highland Farms include condominiums, cluster homes (which are groups of individual residences connected by adjoining walls), houses (collectively referred to as “housing units”), and rental property. Givens Highland Farms’ contracts with the residents provide that either upon death or at the resident’s option, Givens Highland Farms has the option to purchase; and the resident or his estate must sell the housing unit at a specified price. It is the intention of Givens Highland Farms to always choose the option to repurchase the housing units and once repurchased to not resale them. The repurchase price (the “Repurchase Obligation”) is 94% of the resident’s original purchase price, reduced 3% per year for each year beyond the first year that the resident occupies the unit. The minimum repurchase price after seven years of occupancy is 76% of the original purchase price. There are currently 33 housing units remaining to be repurchased by Givens Highland Farms.

Intangible Asset – In connection with the recording of the assets and liabilities as part of the purchase of Highland Farms, intangibles of \$15,440,665 were recorded with this transaction. Givens Highland Farms obtained approximately \$14,800,000 of deferred revenue and refundable entrance fee contracts. The projected net future cash flows to be generated from these resident contracts are recorded as an intangible asset and are being amortized over the average life expectancy of those residents, or approximately 8 years. The remainder has been recorded as goodwill. In 2019, the Corporation began amortizing goodwill over the average life expectancy of those residents whose contracts the goodwill was based, or approximately 6.5 years. The intangible asset will be fully amortized in 2025.

Deferred Costs – Deferred financing costs associated with the issuance of debt is capitalized and amortized over the expected life of the debt instrument using the effective interest method. The debt issuance costs are netted against the related debt on the consolidated balance sheet and the amortization is included in interest expense on the consolidated statement of operations.

See Independent Accountants’ Compilation Report

Resident Refunds Payable – Resident refunds payable include estimated Entrance Fee refunds due to Residents that have the 50 percent, 75 percent, or 90 percent refundable contracts. The Corporation’s contract stipulates that the Entrance Fee is refundable within two years of vacancy or when a replacement occupant has been secured, whichever is sooner. Refunds are made within 30 days for Givens Highland Farms apartment contracts and within 120 days for Givens Highland Farms cluster homes, condominium units or free-standing homes signed before December 1, 2012. Based on historical experience, the estimated amount of the Resident refunds that are expected to be refunded in a subsequent year are classified as a current liability on the consolidated balance sheet.

Deferred Revenue from Entrance Fees – In exchange for an Entrance Fee, residents are granted a lifetime occupancy interest in the residential unit. The Entrance Fee will vary due to the size of the residence and the contract option selected by the Resident. The nonrefundable portion of the Entrance Fee paid by a Resident upon entering into a lifetime occupancy contract is recorded as deferred revenue. In 2008, Givens Estates began offering three types of contracts: a 90 percent refundable option, under which the refund declines to 90 percent over a three-month period; a zero percent refund option, under which the refund declines to zero percent over a four-year period; and a 50 percent refundable option, under which the refund declines to 50 percent over a two-year period.

In 2017, Givens Highland Farms began offering three types of contracts: a 90 percent refundable option, under which the refund declines to 90 percent over a three-month period; a zero percent refund option, under which the refund declines to zero percent over a four-year period; and a 50 percent refundable option, under which the refund declines to 50 percent over a two-year period. Prior to 2017, Givens Highland Farms offered two types of contracts for the apartments and the lodge: a 50 percent refundable option, with the refund declining to 50 percent over a 23-month period; or a zero percent refund option, with the refund declining to zero percent over a 46-month period. In 2014, Givens Highland Farms began offering a 75 percent refundable contract option for the cluster homes, condominiums and homes with the refund declining to 75 percent over an 11-month period. In addition, the initial contracts for the Meadowmont homes and the Cottages are 75 percent refundable contracts.

The nonrefundable portion of the Givens Highland Farms Repurchase Obligation that is not required to be paid back to the resident (of original purchase price) is recorded as part of deferred revenue from Entrance Fees. Revenue is recognized each year to the extent that Givens Highland Farms’ repurchase obligation is reduced over the estimated average life expectancy of the resident. The non-refundable portion of deferred revenue is amortized to income using the straight-line method over the estimated remaining life expectancy of the resident, adjusted annually.

See Independent Accountants’ Compilation Report

Continuing-Care Contracts – The Corporation enters into continuing-care contracts with various residents. A continuing-care contract is an agreement between a resident and the Corporation specifying the services and facilities to be provided to a resident over his or her remaining life. Under the contracts, the Corporation has the ability to increase fees as deemed necessary. No obligation for future costs associated with these contracts has been provided by the Corporation because Management believes that future cash inflows will be sufficient to cover such costs.

Advance Admission Deposits – For existing units, the Corporation collects an initial deposit on unoccupied units. Once the unit becomes occupied, these fees are transferred to deferred revenue.

Net Assets – The Corporation reports its net assets using the following classes; net assets without donor restrictions and net assets with donor restrictions depending on the presence and type of donor-imposed restrictions limiting the Corporation’s ability to use or dispose of specific contributed assets or the economic benefits embodied in those assets. Net assets without donor restrictions include those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by Board designation. Net assets with donor restrictions are those net assets whose use by the Corporation has been limited by donors (a) to later periods of time or after specified dates or (b) to specified purposes.

Contributions and Donor-Imposed Restrictions – All contributions are considered to be available without restrictions unless specifically restricted by the donor. The Corporation reports gifts of cash and other assets as restricted contributions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of operations as net assets released from restriction.

Concentration of Credit Risk – Financial instruments that potentially subject the Corporation to concentration of credit risk consist principally of cash, accounts receivable and investments. The Corporation maintains its cash in bank accounts which, at times, may exceed federally depository insurance (FDIC) limits. Management believes the credit risk associated with these deposits is minimal.

Long-Term Care and Assisted Living Revenue – Long-term care and assisted living revenue represents the estimated net realizable amounts from residents, third-party payors, and others for services rendered while in the long-term care or assisted living units. It also includes estimated retroactive revenue adjustments due to future audits, review, and investigations. Retroactive adjustments are considered in the recognition of revenue on an estimated basis in the period the related services are rendered, and such amounts are adjusted in future periods as adjustments become known or as years are no longer subject to such audits, reviews, and investigations. Historically such adjustments for the Corporation have been immaterial in relation to the financial statements taken as a whole.

See Independent Accountants’ Compilation Report

Revenues under third-party payor agreements are subject to examination and retroactive adjustment. Provisions for estimated third-party payor settlements are provided in the period the related services are rendered. Differences between the amounts accrued and subsequent settlements are recorded in operations in the year of settlement.

Residential Revenue – In addition to the amortization of deferred revenue as described above, the residents are also subject to a continuing Monthly Service Fee, which varies with the type of unit and with the level of health care the resident receives. The Monthly Service Fee can be changed from time to time, as deemed necessary by the Corporation, with 30 days written notice to residents.

Income Taxes – The Corporation is exempt from federal income taxes under Section 501c(3) of the Internal Revenue Code; accordingly, the accompanying financial statements do not reflect a provision or liability for federal and state income taxes. For purposes of the projection, the Corporation has assumed no material unrecognized tax benefits or obligations during the projection period.

Benevolent Assistance – The Corporation has a policy of providing benevolent assistance to residents who are unable to pay the full cost of care and services. Such residents are identified based on financial information obtained from the resident and subsequent review and analysis. Since the Corporation does not expect to collect the normal charges for services provided, charges for benevolent assistance are not included in revenue.

Revenue from Contracts with Customers – During 2019, the Corporation adopted Financial Accounting Standards Board (“FASB”) Accounting Standard Codification (“ASC”) Topic 606, *Revenue from Contracts with Customers* (“ASC Topic 606”) under the full retrospective approach applied to certain contracts using the practical expedient in paragraph 606-10-10-4 that allows for the use of a portfolio approach, as management determined that the effect of applying the guidance to the Corporation’s portfolios of contracts within the scope of ASC Topic 606 on the consolidated financial statements would not differ materially from applying the guidance to each individual contract within the respective portfolio or the Corporation’s performance obligations within that portfolio. The five-step model defined by ASC Topic 606 requires the Corporation to: (1) identify contracts with customers, (2) identify the Corporation’s performance obligations under those contracts, (3) determine the transaction prices of those contracts, (4) allocate the transaction prices to the Corporation’s performance obligations in those contracts and (5) recognize revenue when each performance obligation under those contracts is satisfied. Revenue is recognized when promised goods or services are transferred to the customer in an amount that reflects the consideration expected in exchange for those goods or services. The adoption of ASC Topic 606 did not have a material impact on the amount and timing of revenue recognition.

See Independent Accountants’ Compilation Report

The promised goods or services in the Residency and Services Agreement are that the entity is standing ready each month to provide a service such that the resident can continue to live in the facility and access the appropriate level of care based on his or her needs. As such, the entity recognizes the nonrefundable Entrance Fee in an equal amount allocated to each month, given the nature of the entity's performance is that of having the various residential, social, or other services available to the Resident on a when-and-if needed basis each month for as long as the Resident resides in the facility.

Revenue Recognition – The Corporation generates revenues, primarily by providing housing and health services to its residents. The following streams of revenue are recognized as follows:

Monthly Service Fees – The contracts that Residents select require an Entrance Fee and Monthly Service Fees based upon the type of accommodation with which the Residents are applying. Resident fee revenue for recurring and routine monthly services is generally billed monthly in advance. Payment terms are usually due within 30 days. The services provided encompass social, recreational, dining along with other services and these performance obligations are earned each month. Under ASU 2015-14, Revenue from Contracts with Customers (Topic 606), Management has determined that the performance obligation for the standing obligation to provide the appropriate services is the predominate component and does not contain a lease component under ASC Topic 840, Leases. Resident fee revenue for non-routine or additional services are billed monthly in arrears and recognized when the service is provided.

Entrance Fees – Non-refundable Entrance Fees are recognized as deferred revenue upon receipt of the payment and included in liabilities in the consolidated balance sheets until the performance obligations are satisfied. The refundable portion of an Entrance Fee is not considered part of the transaction price and as such is recorded as a liability in the consolidated balance sheets. Additionally, Management has determined the contracts do not contain a significant financing component as the advanced payment assures Residents access to services in the future. These deferred amounts are then amortized on a straight-line basis into revenue on a monthly basis over the life of the Resident as the performance obligation is the material right associated with access to future services as described in FASB ASC 606-10-55 paragraph 42 and 51.

Health care services – The Corporation provides assisted and nursing care to Residents that are covered by government and commercial payers. Otherwise, these Residents pay a per diem rate that is generally billed monthly in advance. The Corporation is paid fixed daily rates from government and commercial payers. The per diem daily rates and other fees billed to government and commercial payers are billed in arrears monthly. The monthly fees and daily fees represent the most likely amount to be received from the 3rd party payors. Most rates are predetermined from Medicare and Medicaid.

Bank Loan

On December 1, 2012, the Corporation purchased the assets of Highland Farms, Inc. and Mirafel, LLC, a taxable entity. The purchase and capital additions have been financed with proceeds from a bank loan (the “Bank Loan”). For purposes of the projection, the Bank Loan interest rate is assumed 2.50 percent per annum throughout the projection period. For the Statement of Operations any variances greater than 5% and \$998,000 (which represents .5% of assets) are highlighted on the comparison and explained below. For the Balance Sheet and Statement of Cash Flows, any variances greater than 5% and \$1,996,000 (which represents 1% of assets) are highlighted on the comparison and explained below.

Statement of Operations

1. Unrealized gains on investments – Unrealized gains and losses are unpredictable, and market performance is beyond our control. Consequently, we do not include unrealized gains in the forecast.

Balance Sheet

The balance sheet includes restricted and unrestricted assets for comparison.

2. Cash and cash equivalents are \$19,000,697 above the forecast. The forecast assumes any cash exceeding \$3,000,000 will be invested. We have let cash grow (instead of investing) due to ongoing large capital projects.
3. Property and equipment are \$6,631,727 below the forecast. The variance is due to a delay in beginning construction on the Friendship Park project.
4. Investments ended the year \$15,872,148 below the forecast. The variance was largely due to strategic accumulation of cash for short-term capital needs instead of increasing investments during the year.
5. Accounts payable and other accrued liabilities are \$3,774,516 above the forecast. The variance is due to the large amount of construction payables at year end.
6. Long-term debt is \$14,607,803 below the forecast. The variance is partly due to the delay in beginning construction on the Friendship Park project. In addition, we have also decided to use our accumulated cash to help fund this project in lieu of drawing on the construction loan.

Cash Flows

Some accounts in the investing and financing activities of the Forecast were combined to facilitate comparability to the audit.

7. Realized and unrealized losses on investments – Unrealized gains and losses are unpredictable, and market performance is beyond our control. Consequently, we do not include unrealized gains in the forecast.
8. Proceeds from residential living entrance fees – This is the nonrefundable

- portion of the entrance fee. Most new residents chose the nonrefundable entrance fee option in 2020 and turnover was higher than forecast.
9. Change in accounts payable and other accrued liabilities is \$2,475,945 above forecast. The variance is due to the large amount of construction payables at year end.
 10. Property and equipment purchases is \$9,192,198 below forecast. The variance is due to a delay in beginning construction on the Friendship Park project.
 11. Change in assets limited as to use and investments – The forecast overestimated the actual change, which was primarily due to Givens accumulating cash instead of investing excess funds.
 12. Proceeds from long-term debt is \$14,569,000 below forecast. The variance is partly due to the delay in beginning construction on the Friendship Park project. In addition, we have also decided to use our accumulated cash to fund this project in lieu of drawing on the construction loan.
