HISTORY AND FACILITY INFORMATION

Whitaker Glen, Inc. opened Whitaker Glen, A Comprehensive Retirement Community, on August 13, 1984. The retirement community was originally intended to complement the services of the adjoining skilled nursing facility, Mayview Convalescent Center, which had opened September 1, 1957. Together, the facilities now known as The Oaks at Whitaker Glen and The Oaks at Whitaker Glen - Mayview, respectively, offer a comprehensive array of services. The facilities are located on a fourteen acre campus inside the Raleigh I-440 Beltline on Whitaker Mill Road. Located approximately halfway between Glenwood Avenue and Wake Forest Road, The Oaks at Whitaker Glen's address is 501 East Whitaker Mill Road, and The Oaks at Whitaker Glen - Mayview's address is 513 East Whitaker Mill Road.

Whitaker Glen was operated as an independent living facility until its licensure as a continuing care retirement community in 2004. In 2005, some organizational changes were made to place Whitaker Glen, Inc. in control of both the independent living and skilled nursing facility components of the continuing care retirement community. In December, 2009, the stock of Whitaker Glen, Inc. was sold by the Tomlinson family to Cumberland Healthcare Properties, Inc., a Georgia corporation registered to do business in North Carolina and an affiliate of PruittHealth, Inc. formerly known as Pruitt Corporation ("PruittHealth"), a fifty (50) year old company whose affiliates care for over 24,000 patients a day and which provides long term care and related services at approximately 150 locations in North Carolina, South Carolina, Georgia and Florida. PruittHealth maintains an office in North Carolina at 4022 Stirrup Creek Drive, Building 3, Suite 325, Durham, NC 27703, to assist with the provision of care offered by its North Carolina-based affiliates in skilled nursing facilities, independent living facility (Whitaker Glen), hospice agencies, home health agencies, and pharmacy throughout North Carolina. The Oaks at Whitaker Glen continues to be operated and services are provided by Whitaker Glen, Inc. In January 2010, Whitaker Glen, Inc. filed its registration with the Wake County, North Carolina Register of Deeds to do business under the name The Oaks at Whitaker Glen. At the same time, Whitaker Glen, Inc. also filed its registration with the Wake County, North Carolina Register of Deeds to do business under the name The Oaks at Mayview. In February 2014, the decision was made to change the name of the skilled nursing facility to The Oaks at Whitaker Glen – Mayview and Whitaker Glen, Inc. filed its registration with the Wake County, North Carolina Register of Deeds to conduct business under this new name. Throughout this Disclosure Statement, the terms "Whitaker Glen, Inc.", "The Oaks at Whitaker Glen" and "Whitaker Glen" are used interchangeably.

The sale of the stock of Whitaker Glen, Inc. left intact its existing licenses and contractual relationships with those persons residing at Whitaker Glen at the time of the sale. Therefore, those residents saw no changes to their Residence and Services Agreement unless mutually agreed upon. An example of the type of change which a resident might have agreed to is a renovation and upgrade of the resident's unit in exchange for a change in the resident's entrance fee refund.

The Oaks at Whitaker Glen is designed to offer security, friends, activities, privacy, transportation, health care, and a caring staff who are referred to as "partners". It is surrounded by some of the best of Raleigh's old neighborhoods, and the nearby commercial areas offer practically any required service such as dry cleaners, groceries, banks, pharmacies, churches, post offices, specialty shops, automobile dealerships, etc.

The independent living component offers spacious one and two-bedroom residential units, complete with full kitchen, dishwasher, self-cleaning oven, garbage disposal, frost-free refrigerator/ freezer with ice-maker, patio or balcony, and a washer and dryer. The 96 residential units offer three different floor plans. The focal point of each of the three residential buildings is a four-story high, sky-lit, climate-controlled atrium, complete with numerous plantings and 20-foot live trees. Each atrium features a 20-foot by 16-foot Coromandel Screen that was handcrafted in Hong Kong and offers a tasteful traditional look.

The activities center contains the offices of the community's capable and caring partners, the central dining room, the private dining room/meeting room, the kitchen, the health room, the library, the recreation room, the arts and crafts room, the exercise room and the woodworking shop. Our full-time food service director and the partners that provide support offer three meals a day, food for special events and can cater private functions. A full time Recreation Director provides a myriad of enjoyable and varied activities.

All of the residential buildings are connected by enclosed walkways; so, when it's freezing outside, it's still easy to move about. The Oaks at Whitaker Glen is surrounded by trees and is built on gently rolling land. The facilities are barrier free, which means residents with handicaps should have no trouble getting around. Additionally, each building has an elevator and adequate parking for residents and visitors.

A full range of health services, with an emphasis on preventive care, is provided for our independent living residents at The Oaks at Whitaker Glen. Annual health assessments, blood pressure checks, diabetic training, assistance with medication administration, nutrition counseling and even weight control assistance, are all available from our nursing partners. Additionally, home visits can be arranged from virtually any health professional, including physicians, licensed nurses, nurses' aides, homemakers, physical therapists, occupational therapists, speech therapists and respiratory therapists.

Though not connected by an enclosed walkway, The Oaks at Whitaker Glen - Mayview, the skilled nursing facility component of The Oaks at Whitaker Glen, is just a few steps away. Mayview is a skilled nursing facility licensed for 139 beds, over half of which are in private rooms with private baths. Our commitment for quality care begins with registered nurses, licensed practical nurses and nursing assistants and extends to the partners who work in dietary, housekeeping and maintenance. Our commitment to training and our unique caring culture have resulted in the staff being one of the most experienced and stable found anywhere.

The Oaks at Whitaker Glen - Mayview is organized around three nursing stations with one of the three certified by both Medicare and Medicaid. Prior to transfer from independent living or admission to The Oaks at Whitaker Glen - Mayview from the greater Raleigh community, we consider the individual's medication, treatment, dietary requirements, social needs and physician's recommendations. At admission and routinely thereafter, each resident is given a comprehensive, multidisciplinary assessment. The assessment and the physician's orders guide the plan of care. Individual food preferences are considered. Special diets, therapy exercise and other individualized services are used to meet each patient's identified needs.

All of the services found at The Oaks at Whitaker Glen are complemented by the Wake County Community Services Center which is located next door and the Wake County Emergency Medical Services Ambulance Station just around the corner on Noble Road.

Entrance Fee Structure

Effective October 1, 2012, Entrance Fees paid by new Residents may be partially refundable. Under those structures, the refundable portion of the Entrance Fee is reduced to either 50% of its original amount, or 0% of its original amount over a 25 month period depending on whether the Resident elects the Traditional Plan or the Equity Plan upon the execution of the Entrance Fee Agreement. Whitaker Glen proposes to add a third plan, the “Conventional Plan,” under

which Residents would have a higher monthly rate in exchange for a lower Entrance Fee, which Entrance Fee is non-refundable upon deposit.

The Residences and Services Agreement and the Entrance Fee Agreement include the following information:

A Resident choosing the **Equity Plan** will have the Entrance Fee Refund reduced according to the following schedule:

Equity Plan Reduction Schedule. Beginning the first day of the month following the month in which the Resident initially occupies the Residential Unit, the amount owed to the Applicant under the Entrance Fee Agreement and the Note will be reduced by two percent (2.0%) of the original Note amount for each month or partial month the unit is occupied by the Resident but not more than twenty-five (25) months and not to exceed a reduction of more than fifty percent (50%) of the original amount owed under the Entrance Fee Agreement. **As an example only to illustrate application of this provision,** if the amount owed a Resident under the Resident's Entrance Fee Agreement is Eighty Thousand Dollars (\$80,000.00), then the reduction each month in the amount owed under the Entrance Fee Agreement would be One Thousand Six Hundred Dollars (\$1,600.00); ($\$80,000.00 \times 2.0\% = \$1,600$). The monthly reduction of \$1,600.00 would continue to be applied for each month or partial month the unit is occupied by the Resident up to a total of 25 months or until the original amount owed under the Entrance Fee Agreement had been reduced 50% or Forty Thousand Dollars (\$40,000.00), whichever occurred first. In the example given above, the twenty-five months would equal exactly Forty Thousand Dollars (\$40,000.00), and would also be equal to 50% of the original amount owed so the monthly reduction would stop after the 25th month. **The remaining balance owed to the Applicant under the Entrance Fee Agreement and the Note would then be \$40,000.**

A Resident choosing the **Traditional Plan** will have the Entrance Fee Refund reduced according to the following schedule:

Traditional Plan Reduction Schedule. Beginning the first day of the month following the month in which the Resident initially occupies the Residential Unit, the amount owed to the Applicant under the Entrance Fee Agreement and the Note will be reduced by four percent (4.0%) of the original Note amount for each month or partial month the unit is occupied by the Resident over a twenty-five (25) month period until the original amount owed under the Entrance Fee Agreement is reduced to 0%. **As an example only to illustrate application of this provision,** if the amount owed a Resident under the Resident's Entrance Fee Agreement is Eighty Thousand Dollars (\$80,000.00), then the reduction each month in the amount owed under the Entrance Fee Agreement would be Three Thousand Two Hundred Dollars (\$3,200.00); ($\$80,000.00 \times 4.0\% = \$3,200$). The monthly reduction of \$3,200.00 would continue to be applied for each month or partial month the unit is occupied by the Resident up to a total of 25 months or until the original amount owed under the Entrance Fee Agreement had been reduced to 0%. **After the 25th month, the remaining balance owed to the Applicant under the Entrance Fee Agreement and the Note would be \$0.**

Whitaker Glen proposes to add the following language following approval of the Conventional Plan:

Conventional Plan. A Resident choosing the **Conventional Plan** shall not be eligible for any Entrance Fee Refund, and the entirety of the Entrance Fee is non-refundable upon deposit.

Whitaker Glen within the later of thirty (30) days of the execution of the Agreement or of the date that the Resident received the Disclosure Statement as required by GS § 58-64-20. The Resident is not required to take occupancy before the expiration of the thirty (30) day period. If the Agreement is rescinded, the Resident will receive all monies or property transferred to Whitaker Glen less applicable periodic charges, nonstandard costs incurred at the request of the resident, and a service charge not to exceed the greater of \$1,000 or 2% of the debenture amount paid by the Resident. The refund will be paid to the Resident within one hundred eighty (180) days of receipt of the written notice to rescind.

Termination

The term of the agreement is "open-ended", and the rights of either party to terminate the agreement are specified in the Residence and Services Agreement and the Entrance Fee Agreement as follows:

Termination Prior to Occupancy. The Resident may terminate this Agreement prior to occupancy by giving notice in writing to Whitaker Glen. If the Resident is unable to occupy the Residential Unit due to death, illness, injury, or incapacity, this Agreement shall terminate and be automatically canceled.

Trial Period. The first ninety (90) days of occupancy will be on a trial basis. During this 90-day period, Whitaker Glen shall have the right to terminate this Agreement and the Resident's occupancy based upon its judgment that either the Resident's physical condition or emotional adjustment will not permit satisfactory residency at Whitaker Glen.

Residence in Excess of Ninety Days. Subsequent to the aforementioned 90-day period, this Agreement shall be terminated only pursuant to the following subparagraphs.

1. Death of Resident. This Agreement shall terminate upon the death of the Resident. In the event that two (2) individuals have executed this Agreement as the Resident, this Agreement shall terminate upon the death of the survivor of such individuals.
2. Termination by Whitaker Glen. Whitaker Glen may terminate this Agreement and the Resident's occupancy if the Resident fails to make a payment to Whitaker Glen required under this Agreement, and Whitaker Glen gives the notice required. In addition, Whitaker Glen may terminate this Agreement upon a determination by the Manager that (i) there has been a change in the physical or mental condition of the Resident which renders the Resident incapable of living independently in the Residential Unit and the Resident does not move to the Health Care Center or an Affiliated Facility, or (ii) the Resident has developed a contagious disease deemed hazardous to others by the Manager. Whitaker Glen may also terminate this Agreement for cause as previously provided or in the event that the Resident fails to comply with any of the terms and provisions of this Agreement.
3. Termination by Resident. The Resident may terminate this Agreement at any time by providing Whitaker Glen with ninety (90) days prior written notice. During the

ninety (90) day notice period, the Resident shall remain responsible for the payment of the Monthly Service Fee as it becomes due.

4. Permanent Transfer to the Health Care Center or an Affiliated Facility. This Agreement shall terminate upon permanent transfer to the Health Care Center or an Affiliated Facility and the removal of all personal belongings from the Residential Unit.

Permanent Transfer. If the Resident's physical or mental condition deteriorates so that it precludes the Resident's ability to live independently or if the Resident cannot live in the Residential Unit without endangering himself or others, Whitaker Glen may require transfer of the Resident at the Resident's expense, to a more protective accommodation which is able to provide for more appropriate safety and care. If a diagnosis is confirmed that in all probability the Resident's condition is irreversible and there is negligible possibility of recovery that would permit independent living, Whitaker Glen may assign the Resident's Residential Unit to another individual. If the Resident should recover to the point that independent living is again possible, the Resident will have priority for accommodations at Whitaker Glen as they become available. The Resident will bear the cost of moving and storing personal belongings in the event of such transfer. Whitaker Glen will consult the Resident or his or her responsible party as well as the Resident's physician regarding transfer decisions.

Refund

The refund of fees upon termination of the Agreement is specified in the Residence and Services Agreement and the Entrance Fee Agreement as follows:

Termination of this Agreement Prior to Occupancy. If the Applicant is unable to take occupancy of the Residential Unit due to death, illness, injury or incapacity, this Agreement shall be automatically canceled. If prior to the Applicant's occupancy at Whitaker Glen, the Applicant should terminate the Residence and Services Agreement, this Agreement shall terminate. In such event all amounts paid under this Agreement shall be refunded to the Applicant. Such refund shall be made within one hundred eighty (180) days following the aforementioned cancellation or termination.

Termination by Resident. If the Resident gives written notice of termination within the initial ninety (90) days of the occupancy at Whitaker Glen, the Initiation Fee shall be refunded.

Termination After Occupancy. Following payment of the Entrance Fee and the Applicant's occupancy at Whitaker Glen, the Entrance Fee Refund shall be payable to the Applicant within thirty (30) days after the Applicant's Residential Unit (as defined in the Residence and Services Agreement) is occupied by another individual following (i) the death of the Applicant or (ii) the termination of the Residence and Services Agreement in accordance with the provisions of such agreement. It is provided, however, that should the Residence and Services Agreement be terminated as a result of the Applicant's Permanent Transfer to the Health Care Center or Affiliated Facility (as such terms are defined in the Residence and Services Agreement), the Applicant will have the option to receive a refund within thirty (30) days after the Applicant's Residential Unit is occupied by another individual, or have the Entrance Fee Refund applied as a credit at the Health Care

Center or Affiliated Facility to be used to pay for occupancy, care and services. If the Entrance Fee is refunded to the Applicant or credited upon transfer to the Health Care Center or Affiliated Facility, the Applicant may again occupy a residential unit at the Retirement Community, when available, upon the payment of all fees required in connection with admission to Whitaker Glen. Whitaker Glen reserves the right at its sole discretion to repay all or any portion of the Entrance Fee Refund to the Applicant at an earlier date than otherwise required hereunder. Refunds of refundable entrance fees are limited to reoccupancy proceeds.

Any refund set forth above may be reduced by charges due and payable to Whitaker Glen.

Once a resident occupies a residence at Whitaker Glen, the Initiation Fee and the Entrance Fee become fixed and will not be adjusted as long as they remain in the same Residential Unit. However, the Monthly Service Fee can be adjusted (generally on an annual basis each October 1) as specified in the Residence and Services Agreement as follows:

Monthly Service Fee. Whitaker Glen will operate consistent with sound financial practices and to maintain quality care and services. It is agreed that the Resident’s Monthly Service Fee may be increased or decreased by Whitaker Glen if required by the costs of operation. In determining any change in the Monthly Service Fee, Whitaker Glen will consider, among other things, changes in operating costs and the cost of living. No increase in the Monthly Service Fee will take effect earlier than thirty (30) days after written notice of the change is given to the Resident, and the Resident agrees to pay the Monthly Service Fee should it be adjusted.

No fee reduction will be made because the Resident is voluntarily absent from the facility.

Past Fee Adjustments

Effective October 1, 2012, the Initiation Fee was adjusted as presented in the following table. Prior to October 1, 2012, the Initiation Fee had remained constant over the previous five years except for an adjustment in June 2011 to differentiate Renovated Units (Whitaker Glen no longer offers non-renovated units).

Resident Financial Difficulties

The Residence and Services Agreement states the following with regard to a Resident's financial difficulties:

Financial Assistance. It is understood by the parties that the Resident has sufficient assets at the present time to meet expected costs of subsistence and services under this Agreement. Without in any way qualifying the right of Whitaker Glen to terminate this Agreement, it is the declared policy of Whitaker Glen that every effort will be made to prevent termination of this Agreement solely because of the Resident's inability to pay the Monthly Service Fee and any other sums due Whitaker Glen because of circumstances beyond the Resident's control. Whitaker Glen at its option may structure an agreement with the Resident addressing that Resident's financial situation but is not obligated to do so.

Financial Statement. If at any time Whitaker Glen feels it necessary to request a financial statement or other financial information from a Resident, the Resident agrees to present such information to Whitaker Glen within twenty (20) calendar days of such request.

FINANCIAL INFORMATION

As required by North Carolina General Statutes Chapter 58, Article 64, Whitaker Glen will maintain an operating reserve adequate to enable it to perform its obligations fully under contracts to provide continuing care. Cash equivalents typically in the form of certificates of deposit or money market funds will be utilized. The Chairman and CEO or his designee will make the investment decisions.

OTHER INFORMATION

Waiting List

The Financial and Application Information form which is part of the marketing packet includes the following information:

- If the desired unit is not available, your name will be placed on a waiting list with the priority based on the date your application was received. A \$5,000 refundable deposit is required at the time of acceptance of your application. The deposit may be refunded if you do not become a resident of Whitaker Glen and will be applied first to your Initiation Fee if you do become a resident and then the balance, if any, to your Entrance Fee Amount.

The Residence and Services Agreement states the following with regard to the waiting list:

- Within five (5) days after the receipt of such notice, the Resident must accept such occupancy date or defer occupancy. Although deferral will not otherwise change the obligations of the Resident or of Whitaker Glen, it will result in surrender of the Residential Unit specifically provided in this Agreement. The Resident will maintain his priority position on the waiting list during the deferral period and will be furnished a similar unit when it becomes available based on waiting list priority.

If the desired residential unit is not available and a prospective resident on the waiting list chooses to occupy an available unit, the person's name will be entered on the "in-house" waiting list based on the date the intra-facility move was requested. These intra-facility moves have priority over new residents and are handled on a "first come, first served" basis. If a Residential Unit is offered to a Resident on the "in-house" waiting list, and is declined, the Resident will maintain their priority on the waiting list.

Recent & Planned Renovations

A renovation project for improvements at Whitaker Glen was completed in 2012. The renovations included the two-story remodel of the activities center and remodel to the atriums

of each of the three residential tower buildings. Renovations to various apartment units have taken place on an ongoing basis.

Several additional renovation projects are in the planning, zoning and early construction phases, they are:

- Renovation of the exterior of the Independent Living Facilities to include painting, stonework, apartment porch upgrades and general modernization of the exterior façade.
 - Work has already begun.
- Plans to construct a new amenity to include inground pool, pool house and outdoor dining.
 - In the design phase.
- Rezoning the property to allow for expansion of the Independent Living Facility, the construction of an Assisted Living Facility and replacement of the current Skilled Nursing Facility.

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Actual results could vary from the estimates that were used.

	<u>Estimated Useful Life</u>
Buildings, leasehold, and land improvements	Up to 40 years
Furniture, computers, and other equipment	3 to 20 years
Transportation equipment	5 years

Investments

Investments in municipal bonds are carried at cost, which approximates fair value. The municipal bonds are classified as available for sale.

Income Tax

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Goodwill

The Company amortizes goodwill on the straight-line method over 10 years and only evaluates goodwill for impairment at the entity level when a triggering event occurs.

Revenue Recognition

Revenue is recognized when control of the promised goods or services is transferred to customers in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Recently Adopted Accounting Pronouncement

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (Topic 606). The new guidance outlines a single comprehensive model for entities to use in accounting for revenues arising from contracts with customers and supersedes most existing revenue recognition guidance issued by the FASB, including industry specific guidance. ASU 2014-09 also requires new qualitative and quantitative disclosures, including disaggregation of revenues and descriptions of performance obligations. The Company adopted the provisions of this guidance on January 1, 2020, using the modified retrospective approach applied to those contracts that were not completed as of January 1, 2020. There was no impact to retained earnings as of January 1, 2020 or to the revenue for the year ended December 31, 2019, after adopting Topic 606, as revenue recognition and timing of revenue did not change as a result of implementing Topic 606.

The Company maintains its cash in financial institutions insured by the Federal Deposit Insurance Corporation. Deposit accounts, at times, may exceed insured limits.

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Under the rules and regulations of the Department of Insurance of North Carolina, which regulates continuing care facilities operating in the state, the Company is required to maintain operating reserves from 25% to 50%, depending on the occupancy percentage, of the total forecasted annual operating costs. The statutory operating reserve is calculated using the forecasted expenses less depreciation and amortization and assuming an occupancy factor of less than 90% in 2020 and 2019. Beginning in 2004, the Company became a continuing care retirement community subject to the rules and regulations requiring a statutory operating reserve.

15. FAIR VALUE MEASUREMENT

The Company's investments are stated at cost, which approximates fair value in the accompanying balance sheets. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair values of investments measured on a recurring basis at December 31, 2020 and 2019 are as follows:

	Fair Value Measurements Using:	
	Level 1	Fair Value
December 31, 2020:		
Municipal Bonds	\$ 2,706,517	\$ 2,706,517
December 31, 2019:		
Municipal Bonds	\$ 2,676,581	\$ 2,676,581

The fair value measurement accounting literature establishes a three level fair value hierarchy that describes the inputs that are used to measure assets and liabilities (from highest to lowest priority). All investments have been valued using a market approach. The Company uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Company measures fair value using one of these levels based on the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Level 1- inputs are unadjusted quoted prices in active markets for identical assets or liabilities. Level 1 assets and liabilities include municipal bonds traded on an exchange or listed market. The fair value of municipal bonds is based on quoted net asset value of the shares held by the Company at year end. The Company holds investments that are measured as Level 1 assets.

Level 2- inputs use observable inputs that include: quoted market prices for similar assets or liabilities in an active market not defined by Level 1; quoted market prices that are not in an active market; or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets or liabilities. There are no Level 2 assets.

Level 3- inputs include significant unobservable inputs (including the Company's own assumptions in determining the fair value of investments). There are no Level 3 assets.

There have been no changes in valuation techniques and related inputs during the year.

16. RISKS AND UNCERTAINTIES

The COVID-19 pandemic has created economic uncertainties which may continue to impact the Company's operations and financial position in future periods. The possible impact of COVID-19 on the Company's operational and financial performance and estimates used in financial reporting may be substantial and will depend on certain developments including the duration and spread of the outbreak.

17. DEBENTURES

Applicants desiring to become residents of the Community agree to purchase a debenture from the Company in principal amounts ranging from \$40,000 to \$151,250. The proceeds from the debentures shall be utilized only for expenses incurred incident to the construction, furnishing, and operation of the Community. The debenture provides that the principal amount does not bear interest. The debentures are secured by a Deed of Trust on the real property leased by the Company (Note 11). The principal is returned to the resident upon the termination of the resident's Residence and Services Agreement. During 2012, a new debenture equity plan was implemented on new debentures issued. New debentures are reduced monthly over a 25 month period down to 50% or 0% of the original debenture amount depending on the debenture plan chosen. The debenture obligation at December 31, 2020 and 2019 was \$3,655,494 and \$3,946,536, respectively.

Debentures consist of the following at December 31:

	2020	2019
Deferred revenue - nonrefundable current	\$ 292,290	\$ 481,472
Refundable	3,290,975	3,373,000
Deferred revenue - nonrefundable noncurrent	72,229	92,064
	3,363,204	3,465,064
	\$ 3,655,494	\$ 3,946,536

18. CONTRACT REVENUES

Performance Obligations and Significant Judgments

A performance obligation is a promise in a contract to transfer a distinct good or service to the customer and is the unit of account in Topic 606. A contract's transaction price is allocated to each distinct performance obligation and recognized as revenue when, or as, the performance obligation is satisfied.

Monthly Service Fees

The Company has the performance obligation to operate consistent with sound financial practices and maintain quality care and services. The Company may increase or decrease the monthly service fee if required by the costs of operations. In determining any change in the monthly service fee, the Company will consider changes in operating costs and the cost of living. No increase in the monthly service fee will take effect earlier than thirty days after written notice of the change is given to the resident and the resident agrees with the monthly service fee adjustment. No fee reduction will be made in the event the resident is voluntarily absent from the Community. Revenue from the monthly service fees is recognized over time as the residence is occupied and the services are provided.

The Company has the performance obligation to provide the resident with a monthly statement showing the amount due for the monthly service fee and any other amounts which are charged to the resident. If the resident fails to pay the monthly service fee or other charges as required, the Company will provide a second statement ten days following the due date of the original monthly statement. The second statement will be accompanied by a written notice that payment of the previously outstanding balance and any new outstanding charges must be made within fifteen days or the Company may terminate the residence and services agreement and the resident's occupancy.

18. CONTRACT REVENUES (continued)

Performance Obligations and Significant Judgments (continued)

Debenture Revenue

Upon execution of the residence and services agreement and under the terms of the entrance fees agreement, the resident agrees to pay an entrance fee in return for a nonnegotiable note, or debenture. The debenture provides that the principal amount does not bear interest. The proceeds from the debenture shall be utilized only for expenses incident to the construction, furnishing, and operation of the Community. The debenture shall be secured by a Deed of Trust upon the grantors' interest in the Community real estate. This Deed of Trust will be a second lien upon the real estate subordinate only to the lien of the first Deed of Trust securing the repayment of additional funds incident to the construction, furnishing, and operation of the Community. Since 2012, all new debentures are either fifty or one hundred percent nonrefundable, therefore the proceeds from the debentures that are nonrefundable are recognized as revenue over a 25-month period from the first day of the month following the month that the residence and services agreement is executed.

If the resident selects a renovated unit, the Company will reduce the refundable portion of the principal balance due to the resident. The debenture will be decreased 2% from the first day of the month following the month in which the renovations are completed. The reduction will be no more than 25 months and not to exceed a reduction of more than 50% of the original balance under the entrance fee agreement.

Following a resident's occupancy at the Community, due to death or termination of their residence and services agreement, the remaining refundable principal balance of the debenture is due and payable to the resident within thirty days. However, if the resident is permanently transferred to the health care center, the principal balance of their debenture will be paid to the resident within sixty days following the termination of the residence and services agreement.

Initiation Revenue

Under the residence and services agreement, a new resident is required to pay an initiation fee that is determined by the resident's chosen unit. The Company has the performance obligation to apply any refundable deposit the resident made during the application process toward payment of the resident's initiation fee. The initiation fee is nonrefundable ninety days after the resident's occupancy. If the resident gives written notice of termination within the initial ninety days of occupancy, the Company is obligated to refund the initiation fee, therefore the recognition of the initiation fee is constrained to the point in time when the fee becomes nonrefundable.

Health Care Income

The Company's health care center personnel have the obligation to respond to "off-hours" emergency needs of the residents of the Community. The Company will admit its residents to the health care center upon determination that inpatient nursing services are required. All admissions as inpatients to the health care center must be requested by a physician and in accordance with the procedures of the health care center. The performance obligations of the health care center personnel are considered satisfied after the emergency needs are met or the resident is transferred out of the health care center. Revenues from the health care center are recognized at the point in time when the services are provided to the resident.

Other Income

The Company provides additional amenities such as additional phone and television services, as well as allowing the residents access to additional services, such as clothing alterations, meals, housekeeping, dry cleaning, and other personal needs. The revenues from these amenities and services are recognized monthly as they are used by the residents.

These amounts are included in “accounts receivable” in the accompanying balance sheets.

Contract liabilities include debentures (Note 17). The nonrefundable portion of this liability is recognized as revenue over a 25-month period. The debentures are included in the accompanying balance sheets as both current and long-term liabilities, with the current portion representing amounts to be recognized as revenue within the next twelve months and the long-term balance representing both refundable and nonrefundable debentures (Note 17).

Deposits – entrance fees are contract liabilities that represent amounts paid by applicants to be put on the waiting list to become a resident of the Community. These amounts are part of initiation revenue transactions and remain liabilities until the deposits are nonrefundable and recognized as revenue.

Financial Considerations

(a) Initiation Fee. An Initiation Fee in the amount of \$_____ shall be payable to Whitaker Glen by the Resident. Any refundable deposit made during the application process shall be applied toward payment of the Initiation Fee and the amount payable by the Resident pursuant to the Entrance Fee Agreement executed simultaneously herewith. The proceeds of the Note, as well as the proceeds of other notes issued by Whitaker Glen in exchange for payment of Entrance Fees, shall be utilized only for expenses incurred incident to the construction, furnishing, and operation of the Retirement Community. Such notes, including that issued to the Resident, shall be secured by a deed of trust upon the interest of the Grantors in the land and improvements comprising the Retirement Community, which shall be a second lien upon such land and improvements subordinate only to the lien of a first deed of trust securing the repayment of additional funds utilized incident to the construction, furnishing and operation of the Retirement Community.

The Note shall be a debt obligation of Whitaker Glen secured as aforementioned, and with the exception of such security, the rights granted thereunder shall not include a proprietary or other interest in the business, assets and properties of Whitaker Glen.

(c) Monthly Service Fee. The Monthly Service Fee for the Residential Unit and the number of occupants covered by this

Agreement is payable prior to occupancy and on the first day of each month thereafter. Whitaker Glen will operate consistent with sound financial practices and maintain quality care and services. It is agreed that the Resident's Monthly Service Fee may be increased or decreased by Whitaker Glen if required by the costs of operation. In determining any change in the Monthly Service Fee, Whitaker Glen will consider, among other things, changes in operating costs and the cost of living. No increase in the Monthly Service Fee will take effect earlier than thirty (30) days after written notice of the change is given to the Resident, and the Resident agrees to pay the Monthly Service Fee should it be adjusted. No fee reduction will be made in the event the Resident is voluntarily absent from the Whitaker Glen facility. The Monthly Service Fee in effect on the date of this Agreement for the Residential Unit and number of occupants covered by this Agreement is _____.

(d) Extra Charges. The Resident will be invoiced by Whitaker Glen for optional services, special services, or supplies obtained for and furnished to the Resident which are not provided pursuant to this Agreement.

(e) Monthly Statements. Whitaker Glen will furnish the Resident with a monthly statement showing the amount due for the

Monthly Service Fee and any other sums which are chargeable to the Resident. The balance shown on the monthly statement is due on the first day of each month and must be paid no later than the fifth day of the respective month.

(f) Failure to Make Payment. If the Resident fails to pay the Monthly Service Fee or other charges as required, Whitaker Glen will provide a second statement ten (10) days following the due date of the original monthly statement. The second statement will be accompanied by written notice that payment of the previously outstanding balance and any new outstanding balance must be made within fifteen (15) days or Whitaker Glen may terminate this Agreement and the Resident's occupancy of the Residential Unit.

(g) Financial Assistance. It is understood by the parties that the Resident has sufficient assets at the present time to meet expected costs of subsistence and services under this Agreement. Without in any way qualifying the right of Whitaker Glen to terminate this Agreement, it is the declared policy of Whitaker Glen that every effort will be made to prevent termination of this Agreement solely because of the Resident's inability to pay the Monthly Service Fee and any other sums due Whitaker Glen due to circumstances beyond the Resident's control. Whitaker Glen, at its

sole option, may structure an agreement with the Resident addressing that individual's financial situation.

(h) Financial Statement. If at any time Whitaker Glen feels it necessary to request a financial statement or other financial information from the Resident, the Resident agrees to provide such information to Whitaker Glen within ten (10) calendar days following such request.

Resident Health

(a) Infirmary. Whitaker Glen agrees to provide an outpatient infirmary capable of meeting the needs of Residents with minor ailments or injuries, counseling, and routine physical evaluations. Each Resident will be required to file certain medical information with the infirmary at occupancy and keep the information current.

(b) Health Care Center. The Oaks at Whitaker Glen - Mayview (the "Health Care Center") will provide personnel to monitor the various call systems available in the residential units during times when Whitaker Glen personnel are not available, and the Health Care Center personnel will respond to the "off-hours" emergency needs of the residents of Whitaker Glen. Should emergency procedures be performed on the Resident, he or she hereby forever absolves, releases, and discharges Whitaker Glen, the Health Care Center and their officers, employees, and directors, and all persons on their

staffs who are in any way directly or indirectly connected with such procedures from any and all liability with respect thereto. Upon determination that inpatient nursing services are required, Whitaker Glen Residents will be admitted to the Health Care Center if they meet the requirements for admission and an appropriate bed is available. All admissions as inpatients to the Health Care Center must be requested by a physician and in accordance with the procedures of the Health Care Center. During inpatient stays in the Health Care Center, the Resident shall pay for occupancy, care and services at rates customarily charged by the Health Care Center. Upon Permanent Transfer (as hereinafter defined) to the Health Care Center, or any other PruittHealth affiliated skilled nursing facility identified on Exhibit A (each an "Affiliated Facility"), the Resident shall no longer be responsible for payment of the Monthly Service Fee and the Agreement shall terminate as hereafter provided.

(c) Medical Director. Whitaker Glen will engage a physician duly licensed in the State of North Carolina (the "Medical Director") who will assist the staff at Whitaker Glen in evaluating a Resident's ability to live independently in accordance with this Agreement.

(d) Comprehensive Health Care Program. A major illness could have a potentially catastrophic financial impact on a Resident. All Residents eligible for Medicare Hospital Insurance (Part A) and Medicare Medical Insurance (Part B) shall be required to maintain such coverage. In addition to such coverage, all Residents must obtain and maintain Medicare Supplemental Insurance satisfactory to Whitaker Glen. Residents not eligible for Medicare and Medicare Supplemental Insurance must obtain other comparable medical insurance coverage satisfactory to Whitaker Glen. The aforementioned insurance coverage constitutes a comprehensive health care program and within applicable limitations should generally cover: physician fees, hospital care, fees of surgeons and other specialists, diagnostic tests and procedures, therapy, durable medical equipment and home health visits. Residents who choose Medicare Supplemental Insurance with coverage more comprehensive than that required by Whitaker Glen may add additional coverage for the cost of outpatient drugs, coverage outside the United States, and other benefits.

(e) Permanent Transfer. If the Resident's physical or mental condition deteriorates so that it precludes the Resident's ability to live independently or if the Resident cannot live in the Residential Unit without endangering himself or others, Whitaker

Glen may, in the sole discretion of its Executive Director, require transfer of the Resident, at the Resident's expense, to a more protective accommodation which is able to provide for the Resident's safety and appropriate care.

If a diagnosis is confirmed that in reasonable medical probability the Resident's condition is irreversible and there is negligible possibility of recovery that would permit independent living, Whitaker Glen may assign the Residential Unit to another individual. If the Resident should recover to the point that independent living is again possible, the Resident will have priority for accommodations at Whitaker Glen as they become available. The Resident will bear the cost of moving and storing personal belongings in the event of such transfer. Whitaker Glen will consult the Resident or his or her responsible party as well as the Resident's physician regarding transfer decisions.

(f) Staff Assistance. Whitaker Glen will assist a Resident in filing Medicare and other insurance claims and in pursuing unpaid claims. The failure of any payor to pay a claim in full shall not relieve the Resident from his responsibilities to make all payments required under this Agreement.

Residence By Two Individuals

(a) Application. If two individuals sign this Agreement as Resident, the accommodations and services will be provided to both of them, and the cost of residence and services shall apply to both. The two individuals will be jointly and severally responsible for the payment of the Monthly Service Fee and additional charges, and the word "Resident" herein applies to both of them, as well as either of them, unless the context clearly requires otherwise. If two individuals execute this Agreement as Resident, a termination of the Agreement by one of them will not affect the continuation of this Agreement with the other.

(b) Sharing Occupancy. If the single occupant of the Residential Unit wishes to invite a non-resident to share the Residential Unit, the non-resident occupant must follow the application procedure then utilized by Whitaker Glen and both must execute a Residence and Services Agreement. With the exception of short-term visitors and guests, no person other than the Resident may occupy the Residential Unit covered by this Agreement.

Obligations of the Resident

(a) Adherence to Policies. Upon occupancy of the Residential Unit, the Resident will abide by the administrative policies and procedures for the operation and management of Whitaker Glen and such amendments, modifications or changes of those policies and procedures, as may be from time to time established by Whitaker Glen. The Resident agrees to follow and abide by these administrative policies, which are designed for the comfort, safety, and security of all the residents of The Oaks at Whitaker Glen. The Resident will be furnished a copy of current administrative policies and procedures upon taking occupancy. Whitaker Glen reserves the right to terminate this Agreement, and the Resident's occupancy hereunder, for cause in the event the Resident fails to follow the aforementioned policies and procedures. Such policies and procedures are incorporated into this Agreement by reference and may be amended by Whitaker Glen from time to time.

(b) Liability for Debts. Whitaker Glen shall not be liable or responsible for any expense, debt, or obligation of any nature or any kind incurred or contracted by the Resident, and it shall not be obligated to furnish, supply, or provide the Resident support, maintenance, board or lodging when the Resident is absent from Whitaker Glen.

(e) Last Will and Testament. Prior to becoming a resident of Whitaker Glen, the Resident agrees to provide in his Last Will and Testament, for the final disposition of all furniture and possessions located at The Oaks at Whitaker Glen and for burial and payment of funeral expenses. The Resident must keep the Will accurate and complete during residency. Upon occupancy, the Resident also agrees to provide Whitaker Glen pertinent data related to the above matters and to keep this information current.

(f) Personal Physician. The Resident agrees to select and maintain a personal physician licensed to practice medicine in North

Carolina. The Resident's physician must be available to discuss the Resident's condition, transfer decisions, and ability to live independently in accordance with this Agreement.

Term of this Agreement

(a) Withdrawal Within the 30 Day Right of Rescission Period.

The Resident may rescind this Agreement within thirty (30) days following the later of the execution of this Agreement or the receipt of a disclosure statement that meets the requirements of North Carolina General Statutes Chapter 58, Article 64. The Resident is not required to move into the facility before the expiration of the thirty (30) day period.

(b) Termination Prior to Occupancy. The Resident may terminate this Agreement prior to occupancy of the Residential Unit by giving notice in writing to Whitaker Glen. If the Resident is unable to occupy the Residential Unit due to death, illness, injury, or incapacity, this Agreement shall terminate and be automatically canceled.

(c) Trial Period. The first ninety (90) days of the Resident's occupancy will be on a trial basis. During this 90-day period, Whitaker Glen shall have the right to terminate this Agreement and the Resident's occupancy based upon its judgment that

either the Resident's physical condition or emotional adjustment will not permit satisfactory residency at Whitaker Glen.

(d) Residence in Excess of Ninety Days. Subsequent to the aforementioned 90-day period, this Agreement shall be terminated only pursuant to the following subparagraphs (e), (f), (g), and (h).

(e) Death of Resident. This Agreement shall terminate upon the death of the Resident. In the event that two (2) individuals have executed this Agreement as the Resident, this Agreement shall terminate upon the death of the survivor of such individuals.

(f) Termination by Whitaker Glen. Whitaker Glen may terminate this Agreement and the Resident's occupancy of the Residential Unit if the Resident fails to make a payment to Whitaker Glen required under this Agreement, and Whitaker Glen gives the notice required. In addition, Whitaker Glen may terminate this Agreement upon a determination by the Executive Director that (i) there has been a change in the physical or mental condition of the Resident which renders the Resident incapable of living independently in the Residential Unit, and the Resident does not move to the Health Care Center or an Affiliated Facility, or (ii) the Resident has developed a contagious disease deemed hazardous to

others by the Executive Director. All such decision by the Executive Director shall be in his or her sole discretion. Whitaker Glen may also terminate this Agreement for cause as previously provided or in the event that the Resident fails to comply with any of the terms and provisions of this Agreement.

(g) Termination by Resident. The Resident may terminate this Agreement at any time by providing Whitaker Glen with ninety (90) days prior written notice. During the ninety (90) day notice period, the Resident shall remain responsible for the payment of the Monthly Service Fee as it becomes due. If the Resident gives written notice of termination within the initial ninety (90) days of occupancy at Whitaker Glen, the Initiation Fee shall be refunded.

(h) Permanent Transfer to the Health Care Center or an Affiliated Facility. This Agreement shall terminate upon the Permanent Transfer to the Health Care Center or an Affiliated Facility and the removal of all personal belongings from the Residential Unit. "Permanent Transfer" shall mean the earlier to occur of (i) the sixty-first (61st) day of occupancy at the Health Care Center or Affiliated Facility or (ii) death or removal from the Health Care Center or Affiliated Facility sooner than the sixty-first (61st) day of occupancy.

(i) Condition of Residential Unit. Upon the termination of this Agreement, the Resident will vacate the Residential Unit and will leave it in good condition excepting only reasonable wear and tear. The Resident shall be liable to Whitaker Glen for any costs incurred in restoring the Residential Unit to such condition.

(j) Obligation of Whitaker Glen. Upon termination of this Agreement and upon compliance with the provisions of the Entrance Fee Agreement executed by the parties simultaneously with this Agreement, Whitaker Glen shall have no further obligation to the Resident, his or her heirs, successors, personal representatives, or assigns, and the Resident shall have no further right to occupy the Residential Unit.

Entrance Fee Refund

(a) Entrance Fee. As evidenced by the execution of the Entrance Fee Agreement, the Resident agrees to pay an Entrance Fee in the total amount specified in the Entrance Fee Agreement. Refunds of refundable entrance fees are limited to reoccupancy proceeds.

(b) Equity Plan. A Resident choosing the Equity Plan will have the Entrance Fee Refund reduced according to the schedule in the following subparagraph (c).

(c) Equity Plan Reduction Schedule. Beginning the first day of the month following the month in which the Resident initially occupies the Residential Unit, the amount owed to the Resident under the Entrance Fee Agreement and the Note will be reduced by two percent (2.0 %) of the original Note amount for each month or partial month the unit is occupied by the Resident but not more than twenty-five (25) months and not to exceed a reduction of more than fifty percent (50%) of the original amount owed under the Entrance Fee Agreement. **As an example only to illustrate application of this provision,** if the amount owed a Resident under the Resident's Entrance Fee Agreement is Eighty Thousand Dollars (\$80,000.00), then the reduction each month in the amount owed under the Entrance Fee Agreement would be One Thousand Six Hundred Dollars (\$1,600.00); $(\$80,000.00 \times 2.0\% = \$1,600)$. The monthly reduction of \$1,600.00 would continue to be applied for each month or partial month the unit is occupied by the Resident up to a total of 25 months or until the original amount owed under the Entrance Fee Agreement had been reduced 50% or Forty Thousand Dollars (\$40,000.00), whichever occurred first. In the example given above, the twenty-five months would equal exactly Forty Thousand Dollars (\$40,000.00), and would also be equal to 50% of the original amount owed so the monthly reduction would stop after the 25th month. **The**

remaining balance owed to the Resident under the Entrance Fee Agreement and the Note would then be \$40,000.

(d) Traditional Plan. A Resident choosing the Traditional Plan will have the Entrance Fee Refund reduced according to the schedule in the following subparagraph (e).

(e) Traditional Plan Reduction Schedule. Beginning the first day of the month following the month in which the Resident initially occupies the Residential Unit, the amount owed to the Resident under the Entrance Fee Agreement and the Note will be reduced by four percent (4.0%) of the original Note amount for each month or partial month the unit is occupied by the Resident over a twenty-five (25) month period until the original amount owed under the Entrance Fee Agreement is reduced to 0%. **As an example only to illustrate application of this provision**, if the amount owed a Resident under the Resident's Entrance Fee Agreement is Eighty Thousand Dollars (\$80,000.00), then the reduction each month in the amount owed under the Entrance Fee Agreement would be Three Thousand Two Hundred Dollars (\$3,200.00); ($\$80,000.00 \times 4.0\% = \$3,200$). The monthly reduction of \$3,200.00 would continue to be applied for each month or partial month the unit is occupied by the Resident up to a total of 25 months or until the original amount owed under the Entrance Fee Agreement had been reduced to 0%. **After the 25th month, the**

remaining balance owed to the Resident under the Entrance Fee Agreement and the Note would be \$0.

(f) Reduction of Refund. In addition to the reduction schedules set forth above, any Entrance Fee Refund due to the Resident shall be subject to the deduction of charges due and payable to Whitaker Glen.

WHITAKER GLEN, INC.

ENTRANCE FEE AGREEMENT

THIS ENTRANCE FEE AGREEMENT (hereinafter referred to as the "Agreement") made and entered into this _____ day of _____, _____ by and between WHITAKER GLEN, INC. (d/b/a The Oaks at Whitaker Glen), a North Carolina corporation, (hereinafter referred to as "Whitaker Glen"), and _____ (hereinafter referred to as the "Applicant").

W I T N E S S E T H:

WHEREAS, Whitaker Glen is engaged in the operation of a continuing care retirement community called "The Oaks at Whitaker Glen " (the "Retirement Community") in Raleigh, North Carolina, and in connection therewith, is entering into Residence and Services Agreements with prospective residents of the Retirement Community;

WHEREAS, the Applicant desires to become a resident of the Retirement Community and to execute a Residence and Services Agreement with Whitaker Glen; and

WHEREAS, the Applicant desires to assist Whitaker Glen in its endeavor to operate the Retirement Community by paying an entrance fee to be evidenced by a Nonnegotiable Note issued by Whitaker Glen;
NOW,

THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth and other good and valuable

consideration, the receipt of which is hereby mutually acknowledged, Whitaker Glen and the Applicant hereby agree as follows:

(1) Acceptance of Applicant. As evidenced by the Residence and Services Agreement executed with this Agreement, Whitaker Glen hereby accepts the Applicant as a prospective resident of the Retirement Community under the terms and conditions set forth in such agreement.

(2) Entrance Fee. Payment of an entrance fee provides a resident with the lifetime use of a residence and the services and amenities available at the Retirement Community. At the time the Applicant makes application for residency at the Retirement Community, the Applicant will receive a copy of the Disclosure Statement and will pay an entrance fee deposit. Fifty (50) percent of the balance of the entrance fee will be paid at the time the Residence and Services Agreement and Entrance Fee Agreement are signed. The remaining fifty (50) percent of the balance shall be paid by Applicant ten (10) days after the sale of Applicant's primary residence located at _____, or sixty (60) days after her occupancy of the unit specified in the Residence and Services Agreement, whichever comes first. The Applicant hereby agrees to pay an entrance fee (hereinafter referred to as the "Entrance Fee") to Whitaker Glen in the total amount of \$_____. The Applicant agrees that the _____

Reduction Schedule will be applied to the refund of the Entrance Fee. The Applicant further agrees that any refundable deposit made during the application process shall be applied toward payment of the Initiation Fee in the Residence and Services Agreement and the Entrance Fee, and agrees to pay the remaining portion of the Initiation Fee to Whitaker Glen thirty (30) days prior to occupancy at the Retirement Community. Upon payment in full of both the Initiation Fee and Entrance Fee, Whitaker Glen shall issue the Nonnegotiable Note (the "Note") to the Applicant.

(3) Provisions of the Note.

(a) The Note shall provide that the principal amount thereof shall not bear interest. Following issuance of the Note and the Applicant's occupancy at Whitaker Glen, such principal amount, less any applicable reduction (hereinafter referred to as the "Entrance Fee Refund"), shall be payable to the Applicant within thirty (30) days after the Applicant's Residential Unit (as defined in the Residence and Services Agreement) is occupied by another individual following (i) the death of the Applicant or (ii) the termination of his Residence and Services Agreement in accordance with the provisions of such agreement. It is provided, however, that should the Residence and Services Agreement be terminated as a result of the Applicant's Permanent Transfer to the Health Care Center or Affiliated Facility (as such terms are defined in the Residence and Services Agreement), the Applicant will have the

option to receive a refund within thirty (30) days after the Applicant's Residential Unit is occupied by another individual, or have the Entrance Fee Refund applied as a credit at the Health Care Center or Affiliated Facility to be used to pay for occupancy, care and services. If the Entrance Fee is refunded to the Applicant or credited upon transfer to the Health Care Center or Affiliated Facility, he can again occupy a residential unit at the Retirement Community, as the same becomes available, upon the payment to Whitaker Glen of the appropriate Entrance Fee for the unit to be occupied. Whitaker Glen reserves the right at its sole discretion to repay all or any portion of the Entrance Fee Refund to the Applicant at an earlier date than otherwise provided herein.

(b) Payment of the Entrance Fee Refund to the Applicant shall be subject to the deduction of charges due and payable to Whitaker Glen under the terms and conditions of the Residence and Services Agreement and further to a reduction in the Entrance Fee applicable to the type of plan chosen by the Applicant according to the following schedules:

(1) Equity Plan Reduction Schedule:

Beginning the first day of the month following the month in which the resident initially occupies the Residential Unit, the amount owed to the Applicant under the Agreement and the Note will be reduced by two percent (2.0 %) of the original Note amount for each month or partial month the unit is occupied by the resident

but not more than twenty-five (25) months and not to exceed a reduction of more than fifty percent (50%) of the original amount owed under the Agreement. **As an example only to illustrate application of this provision,** if the amount owed a resident under the resident's Agreement is Eighty Thousand Dollars (\$80,000.00), then the reduction each month in the amount owed under the Agreement would be One Thousand Six Hundred Dollars (\$1,600.00); ($\$80,000.00 \times 2.0\% = \$1,600$). The monthly reduction of \$1,600.00 would continue to be applied for each month or partial month the unit is occupied by the resident up to a total of 25 months or until the original amount owed under the Agreement had been reduced 50% or Forty Thousand Dollars (\$40,000.00), whichever occurred first. In the example given above, the twenty-five months would equal exactly Forty Thousand Dollars (\$40,000.00), and would also be equal to 50% of the original amount owed so the monthly reduction would stop after the 25th month. **The remaining balance owed to the Applicant under the Agreement and the Note would then be \$40,000.**

(2) Traditional Plan Reduction Schedule:

Beginning the first day of the month following the month in which the resident initially occupies the Residential Unit, the amount owed to the Applicant under the Agreement and the Note will be reduced by four percent (4.0%) of the original Note amount for each month or partial month the unit is occupied by the resident over a twenty-five (25) month period until the original amount owed

under the Agreement is reduced to 0%. **As an example only to illustrate application of this provision,** if the amount owed a resident under the resident's Agreement is Eighty Thousand Dollars (\$80,000.00), then the reduction each month in the amount owed under the Agreement would be Three Thousand Two Hundred Dollars (\$3,200.00); ($\$80,000.00 \times 4.0\% = \$3,200$). The monthly reduction of \$3,200.00 would continue to be applied for each month or partial month the unit is occupied by the resident up to a total of 25 months or until the original amount owed under the Agreement had been reduced to 0%. **After the 25th month, the remaining balance owed to the Applicant under the Agreement and the Note would be \$0.**

(c) The proceeds of the Note, as well as the proceeds of other notes issued by Whitaker Glen in exchange for payment of Entrance Fees, shall be utilized only for expenses incurred incident to the construction, furnishing, and operation of the Retirement Community. Such notes, including that issued to the Applicant, shall be secured by a deed of trust upon the interest of the Grantors in the land and improvements comprising the Retirement Community, which shall be a second lien upon such improvements subordinate only to the lien of a first deed of trust securing the repayment of additional funds utilized incident to the construction, furnishing and operation of the Retirement Community.

(4) Status of the Note. The Note shall be a debt obligation of Whitaker Glen secured as aforementioned, and with the exception

of such security, the rights granted thereunder shall not include a proprietary or other interest in the business, assets, and properties of Whitaker Glen.

(5) Withdrawal within the 30 Day Right of Rescission Period.

The Applicant may rescind this Agreement prior to the date of occupancy, or after occupancy, by giving written notice to Whitaker Glen within the later of thirty (30) days of the execution of the Agreement or of the date that the Applicant received the Disclosure Statement as required by GS § 58-64-20. The Applicant is not required to take occupancy before the expiration of the thirty (30) day period. If the Agreement is rescinded, the Applicant will receive all monies or property transferred to Whitaker Glen less applicable periodic charges, nonstandard costs incurred at the request of the resident, and a service charge not to exceed the greater of \$1,000 or 2% of the debenture amount paid by the Applicant. The refund will be paid to the Applicant within one hundred eighty (180) days of receipt of the written notice to rescind.

(6) Termination of this Agreement Prior to Occupancy.

If the Applicant is unable to take occupancy of the Residential Unit due to death, illness, injury, or incapacity, this Agreement shall be automatically canceled. If prior to the Applicant's occupancy at Whitaker Glen, the Applicant should terminate his

Residence and Services Agreement, this Agreement shall terminate. In such event all amounts paid under this Agreement shall be refunded to the Applicant. Such refund shall be made within one hundred eighty (180) days following the aforementioned cancellation or termination.

(7) Applicant. In the event two (2) individuals have joined in entering into this Agreement with Whitaker Glen, the word "Applicant" herein shall refer to both such people, and they shall be jointly and severally responsible for the obligations of the Applicant hereunder.

(8) Gender. As used herein, the masculine gender shall include the feminine, the feminine shall include the masculine, and the singular shall include the plural.

(9) Binding. This Agreement shall be binding upon the parties hereto, their heirs, personal representatives, successors, and assigns.

IN WITNESS WHEREOF, the Applicant has hereunto affixed his hand and seal, and Whitaker Glen has caused this instrument to be executed by its duly authorized officer and its corporate seal hereunto affixed, all on the day and year first above written.
