No final plans have been decided upon and no decision regarding any financing thereof has been made.

Fees

Salemtowne offers attractive, comfortable Living Accommodations at affordable prices. Salemtowne allows for direct entry into the Assisted Living Center as well as the Health Care Center.

Residents who choose to become a part of the Salemtowne community through entry into independent living are required to pay a one-time Entrance Fee, which is determined by the Living Accommodation selected. Monthly/daily fees are also charged for services provided.

Residents who have paid an Entrance Fee to the community and entered through Independent Living will participate in the Room & Board Discount Program. These Residents, who have a stay in the Health Care Center or the Assisted Living Centers, will receive a discount from published external admission room and board rates. This discount program is subject to change. As of the date of this Disclosure Statement, the discount is 20%.

Residents may request Living Accommodation customizations. Such customizations must be approved by Salemtowne. The costs and maintenance of such features are the responsibility of the resident.

A one-time, non-refundable, Entrance Fee is required for direct admissions to the Babcock Health Care Center long-term care, Assisted Living, and Westerly Place.

Priority Entry. Residents are provided priority entry over non-residents for entry to the Health Care Center or Assisted Living Center. The community will make every effort to accommodate residents in the Health Care Center and/or Assisted Living Center but cannot guarantee availability of accommodations. In the event the Health Care Center and the Assisted Living Center are fully occupied when a Resident needs care, the Resident agrees to relocate to an alternate health care facility that provides services similar ("a Comparable Facility"). In the event of relocation, the community will make every effort to transfer the Resident back to Salemtowne when accommodations become available.

Upon the Resident's relocation to a Comparable Facility, the Resident will continue to be responsible for the Monthly/Daily Fee (unless their Living Accommodation is surrendered). Salemtowne will not be responsible for the charges associated with the alternate accommodations.

Entrance Fee and Deposit. The Entrance Fee balance and unpaid non-standard feature costs will be due and payable 10 days prior to the date of occupancy. Reasonable notice is given prior to the projected date of occupancy. Occupancy is defined as the first day that a Resident either resides in the Living Accommodation or the first day that the Resident's furnishings or belongings occupy the Living Accommodation or a storage area at Salemtowne.

Notwithstanding the foregoing, unless agreed upon in writing, the resident must take occupancy within thirty (30) days after the date the Living Accommodation is available for occupancy in accordance with the Reservation Agreement. If occupancy is not taken by such time, the resident shall accept financial responsibility for the Living Accommodation and pay the balance of the Entrance Fee, balance of any Non-Standard Costs, and begin paying the applicable Monthly / Daily Fees beginning with the 30th day after the date the Living Accommodation is available for occupancy, unless this Agreement is terminated prior to the 30th day after the date the Living Accommodation is available for occupancy.

Adjustments To Fees. The Entrance Fees and Monthly/Daily Fees are usually set annually to provide the facilities, programs and services described in this disclosure statement and are intended to meet the cost of debt service, insurance, maintenance, administration, staffing and other expenses associated with the establishment, operation and management of Salemtowne. The Corporation shall have the authority to adjust the fees from time to time as the Corporation in its discretion deems necessary. Any such increase in the fees or other charges may be made by the Corporation upon thirty (30) days written notice to the Residents.

Ancillary and Additional Fees for services are published by the organization and may be adjusted to meet the current costs of providing those services. The organization

endeavorsto give 30 days' notice on the adjustment of these fees, but reserves the right to adjust themat any time.

If it should be determined that the Corporation is required to pay ad valorem taxes upon itsproperty, the Monthly/Daily Fee may be adjusted to reflect the amount of such taxes.

In the event Salemtowne is assessed sales or use tax on Monthly/Daily Fee and/or fees for other services, Residents are responsible for all such taxes.

Residents are responsible for all taxes assessed on their personal property.

For a partial first month, the Monthly/Daily Fee is pro-rated on a per diem basis. Thereafter, Monthly/Daily Fees are paid in advance.

Entrance Fees, Monthly Fees and Additional Fees in effect at the time of this Disclosure Statement are listed in Appendix C.

Health Insurance

Residents will maintain eligible Medicare coverage and one supplemental health insurance policy or equivalent insurance coverage, which adequately covers hospital, medical, prescription, and skilled nursing deductibles and co-payments required of the primary insurance plan. Both the primary and supplemental health insurance policies must recognize Salemtowne as a health care provider or Residents will assume the financial responsibility for services provided that otherwise could be covered.

Residents will be responsible for ensuring that the health insurance coverage does not lapse and will provide Salemtowne with evidence of such coverage upon request. If health insurance coverage should lapse, Salemtowne may require that Residents reapply for suitable coverage. If Residents are unable to obtain adequate new coverage, Salemtowne will charge Residents for any costs of medical and other health care services provided, that otherwise would have been covered by an approved policy.

Salemtowne reserves the right, in its sole discretion, to eliminate or change its participation with any and all insurance plans.

Financial Assistance

Subsidy. The Corporation declares its policy that the Residence and Services Agreement will not be terminated solely because of a Resident's financial inability to continue to pay the Monthly/Daily Fees or other charges payable to Salemtowne by reason of circumstances beyond the Resident's control, provided, however, this declaration shall not be construed as qualifying the right of the Corporation to terminate the Residence and Services Agreement in accordance with the terms thereof.

In the event that a Resident presents facts which in the opinion of the Corporation justify special financial consideration, the Corporation will give careful consideration to subsidizing in whole or in part the Monthly/Daily Fees and other Salemtowne fees payable by the Resident so long as such subsidy can be made without impairing the ability of the Corporation to attain its objectives while operating on a sound financial basis.

In the event that the Corporation may subsidize in whole or in part the Monthly/Daily Fees and other fees payable by the Resident, the Resident will be required to execute a Financial Assistance Agreement with the Corporation.

In the event that Salemtowne continues to provide the services to a Resident under the terms of the Residence and Services Agreement despite their financial inability to continue to pay the Monthly/Daily Fee or other Salemtowne fees payable under the terms of the Residence and Services Agreement, Salemtowne shall be entitled to require the Resident to move to a smaller or less costly Living Accommodation.

Any determination by the Corporation with regard to the granting of financial assistance shall be within the sole discretion of the Corporation.

Financial Assistance Funds. The Corporation has established funds, which will be used to assist Residents who would otherwise not be able to live at Salemtowne.

at Salemtowne. You agree not to make any gift or other transfer of assets for the purpose of evading your obligations under this Agreement, or if such gift or transfer would render you unable to meet such obligations under this Agreement. Gifts or transfers of assets in this manner, which result in your inability to meet your financial obligations in accordance with this Agreement, will entitle Salemtowne to terminate this Agreement, and you or your responsible parties, as applicable, will be liable for any unpaid amounts.

Cancellations/Termination

Termination Prior to Occupancy. The Residence and Services Agreement may be terminated by you at any time prior to taking occupancy at Salemtowne for any reason by giving written notice to the Corporation. The Agreement will automatically be canceled due to death or physical or mental conditions that would make you ineligible for entry to Salemtowne.

The Agreement may be terminated by the Corporation at any time prior to the date that you take occupancy if the Corporation determines that you do not meet the physical, mental or financial requirements for entry.

In the event of such termination (including death, illness, injury, or incapacity), you shall receive a refund of the Entrance Fee paid, less a non-refundable fee equal to 4% of the total amount of the Entrance Fee, and less amounts paid or due to be paid for non-standard features added to the Living Accommodation. Any such refund shall be paid by the Corporation within sixty (60) days following termination pursuant to this paragraph.

Voluntary Termination. At any time, a Resident may terminate the Residence and Services Agreement by giving the Corporation adequate notice:

- fourteen (14) days prior written notice of such termination for independent Living Accommodations,
- fourteen (14) days prior written notice of such termination for Assisted Living Center accommodations, **or**
- five (5) days prior written notice of such termination for Health Care Center accommodations.

If a Resident does not provide adequate notice, or if no written notice is given, the Resident will be responsible for paying the Monthly/Daily Fee for the applicable Living Accommodation for the full notice period.

A Resident may be deemed to have abandoned the Living Accommodation and terminated the Residence and Services Agreement if they do not occupy a residence at Salemtowne for a period of one continuous year. Occupancy is defined as the last day that a Resident either resides in the Living Accommodation or the last day that the Resident's furnishings or belonging occupy the Living Accommodation or a storage area at Salemtowne.

If such termination shall occur within forty-eight (48) months after the date of occupancy, the Resident will receive a partial refund of the Entrance Fee paid in accordance with the Residence and Services Agreement's Refund section for Voluntary Terminations.

Temporary Absence. Temporary absences because of illness, trips or other will not affect a Resident's rights to retain occupancy of the Living Accommodation, as long as applicable Monthly/Daily Fees are paid.

Termination Upon Death. In the event of a Resident's death and such Resident is not survived by a spouse residing at Salemtowne who has signed the Residence and Services Agreement, the Agreement shall terminate and, subject to their continuing obligations, described in the Residence and Services Agreement, the portion, if any, of the Entrance Fee to be refunded shall be determined in the same manner as a Voluntary Termination paid to the estate of the deceased Resident.

In the event of a Resident's death and such Resident is survived by a spouse residing at Salemtowne who has signed the Residence and Services Agreement, the Agreement shall not terminate, and no refund will be payable.

In the event a refund becomes due, the date that the deceased Resident's responsible party/estate executor removes all personal belongings from the Living Accommodation shall determine the termination date. Any refund due the Resident's estate under this paragraph will be made at such time as such Resident's Living Accommodation shall have been reserved by a prospective Resident and such prospective Resident shall have paid to the Corporation such prospective Resident's full Entrance Fee; provided, however, that the Resident's estate shall continue to be obligated to pay the applicable Monthly/Daily Fee for such Resident's Living Accommodation until such Resident's Living Accommodation is vacated and left in good condition except for normal wear and tear.

Termination by the Corporation. Salemtowne may terminate the Resident and Services Agreement at any time if there has been a material misrepresentation or omission made by a Resident during the application process; if the Resident fails to make payment to the Corporation of any fees or charges due the Corporation within thirty (30) days after receiving written notice of their failure to pay such fees or charges; if Residents do not abide by the rules and regulations adopted by the Corporation or breach any of the terms and conditions of the Agreement; if the health or safety of other individuals in the Corporation is endangered if a Resident remains in Salemtowne, as determined by a physician, physician assistant or nurse practitioner; or the discharge is necessary for a Resident's welfare and the Resident's needs cannot be met by the Corporation as

documented by the Resident's physician, physician assistant or nurse practitioner.

Residents will be responsible for paying the Monthly/Daily Fee for the applicable Living Accommodation for the full notice period and for each day of occupancy. Any refund of the Entrance Fee due to the Resident following voluntary termination of the Agreement by the Corporation will be made in accordance with refund policies. Except in cases of emergency, Residents will receive a notice of the termination by the Corporation at least thirty (30) days prior to the effective date of termination. Residents may be entitled to appeal the Corporation's decision to terminate this Agreement and, except in cases of emergency, the Corporation will not discharge a Resident before the final decision resulting from the appeal has been rendered.

Condition of Living Accommodation. At the effective date of termination of the Residence and Services Agreement, Residents will vacate the Living Accommodation, including any storage areas at Salemtowne, and will leave both in good condition except for normal wear and tear. Residents, or their estates, will be liable to the Corporation for any costs incurred in restoring the Living Accommodation and storage areas to good condition except for normal wear and tear.

Removal of Personal Property. In the event of termination of the Agreement, Residents agree to surrender the Living Accommodation and any storage areas, which were occupied, within thirty (30) days of the determination.

The Corporation reserves the right to remove a Resident's belongings from the Living Accommodation and any storage areas. Residents will pay a Monthly/Daily storage fee equal to 50% of the Monthly/Daily Fee for the previously occupied Living Accommodation or the actual cost of external storage, whichever is applicable. Property will not be stored for longer than 30 days. Unclaimed property will become the property of Salemtowne after 30 days and will be disposed of at the sole discretion of the Corporation.

In the event of a Resident's death, while they are a resident of Salemtowne under the Agreement, only the executor(s) named in their Will will be allowed to remove or dispose of furnishings and belongings in the Living Accommodation and any related storage areas at Salemtowne. Members of the family or those to whom a Resident has granted Power of Attorney will not be allowed access to personal property after a Resident's death, unless they are the executor(s) named in the Resident's Will.

Release from Termination. Upon termination of the Residence and Services Agreement, Salemtowne is released from any further obligations to Residents except for the payment of any refund which may be due under the Residence and Services Agreement.

Right of Rescission

Notwithstanding anything herein to the contrary, the Residence and Services Agreement may be rescinded by giving written notice of such rescission to the Corporation within thirty (30) days following the later of the execution of the Residence and Services Agreement or the receipt of a disclosure statement that meets the requirements of Section 58-64-1, et seq. of the North Carolina General Statutes. In the event of such rescission, Residents will receive a refund of the Entrance Fee paid, less a non-refundable

fee equal to 4% of the total amount of the Entrance Fee, less any Monthly/Daily Fees or portion thereof applicable to any period a Living Accommodation or storage area was actually occupied by the Resident or their belongings less any unpaid non-standard costs and accrued expenses. In the event of such rescission, Residents shall not receive a refund of any amounts paid for non-standard features added to the Living Accommodation. Residents will not be required to move into Salemtowne before the expiration of such thirty (30) day period. Any such refund shall be paid by the Corporation within sixty (60) days following receipt of written notice of rescission pursuant to this paragraph.

Transfers/Moves

Transfer to Another Living Accommodation. Residents may move to a different Living Accommodation at Salemtowne which becomes available upon payment of such fees, consent by the Corporation and compliance with such guidelines regarding transfers as may be adopted by the Corporation. Fees and guidelines may be changed from time to time by the Corporation.

If a Resident transfers to another Living Accommodation, he or she is responsible for paying any difference in the Entrance Fee, if the amount of the Entrance Fee of the new Living Accommodation is greater than the Entrance Fee for the previous Living Accommodation to be vacated. If the Entrance Fee for the new Living Accommodation is less than the Entrance Fee for the previous Living Accommodation to be vacated, no refund will be paid for the difference. Residents who transfer to another Living Accommodation will be responsible for any transfer fees that may be set by the Corporation and the Monthly/Daily fees in effect at the time for the new Living Accommodation.

Moving Costs. Residents are responsible for arranging and paying for all packing and moving costs for moves into, within, and out of Salemtowne. Assistance may be provided by Salemtowne at an additional cost.

Transfer to Health Care Center or the Assisted Living Center. Residents agree that the Corporation shall have authority to determine that the Resident should be transferred from their Living Accommodation to the Skilled Nursing Center and the Memory Support Center within the Health Care Center or the Assisted Living Center or a separate area within either center. Such determinations shall be made solely by Salemtowne and based on the professional opinion of the Resident's physician and the Resident Review Committee. This determination, when possible, shall be made after consultation with the Resident, the Resident's physician, a representative of the Resident's family, or the Resident's responsible party. Residents agree to surrender storage areas when a permanent transfer is made to the Skilled Nursing Center and the Memory Support Center within the Health Care Center or to the Assisted Living Center.

In the event that a Resident is permanently transferred to the Assisted Living Center or the Health Care Center, the Entrance Fee will not be subject to refund.

Transfer to Hospital or Other Facility. If it is determined by a Resident's physician that a resident needs care beyond that which can be provided by Salemtowne, the Resident may be transferred to a hospital, center or institution equipped to give such care, which

care will be at the Resident's expense. Such transfer will be made only after consultation to the extent practical with the Resident, the Resident's physician, a representative of the Resident's family or the Resident's responsible party.

Surrender of Living Accommodation. If a determination is made by the Corporation that a transfer is permanent in nature, the Resident agrees to surrender the Living Accommodation and any storage areas, which were occupied prior to such transfer, within 30 days of the determination.

Residents are responsible for the costs of transfer and moving as well as the Monthly/Daily Fee through the last day of occupancy of the Living Accommodation being vacated. Occupancy is defined as the last day that a Resident either resides in the Living Accommodation or the last day that the Resident's furnishings or belongings occupy the Living Accommodation or a storage area at Salemtowne.

If the Corporation subsequently determines, based upon the opinion of a Resident's physician, that a Resident can resume occupancy in accommodations comparable to those occupied prior to such transfer, the Resident shall have priority to such accommodations as soon as they become available. The Resident will be responsible for applicable fees as determined by the Corporation.

Dual Occupancy

Occupancy by Two Residents. In the event that two Residents (married or unmarried) occupy a Living Accommodation under the terms of the Residence and Services Agreement, upon the permanent transfer to the Health Care Center or the Assisted Living Center or the death of one of such Residents, or in the event of the termination of the Residence and Services Agreement with respect to one of such Residents, the Agreement shall continue in effect as to the remaining or surviving Resident who shall have the option to retain the same Living Accommodation or to move to a smaller Living Accommodation, in which event there will be no refund of the Entrance Fee. The remaining or surviving Resident will thereafter pay the Monthly/Daily Fee for one Resident associated with the Living Accommodation occupied by the Resident.

Sharing Occupancy After Admission/Entry. If a Resident, while occupying a Living Accommodation, marries a person who is also a Resident, or wishes to share a Living Accommodation with a person who is also a Resident, the two Residents may, with the prior written consent of the Corporation, occupy the Living Accommodation of either Resident and shall surrender the Living Accommodation not to be occupied by them. No refund will be payable with respect to the Living Accommodation surrendered. Such Residents will pay the Monthly/Daily Fee for double occupancy associated with the Living Accommodation occupied by them.

In the event that a Resident shall marry a person who is not a Resident of Salemtowne, or wishes to share a Living Accommodation with a person who is not a resident ("Non-Resident"), the Non-Resident may become a Resident if such individual meets all of the then current requirements for entry to Salemtowne, enters into a then current version of the Residence and Services Agreement with the Corporation and pays an Entrance Fee in

an amount determined by the Corporation in its sole discretion. The existing Resident and new Resident shall pay the Monthly/Daily Fees for double occupancy associated with the Living Accommodation occupied by them.

If the Non-Resident shall not meet the requirements of Salemtowne for entry as a Resident, the existing Resident may terminate the Residence and Services Agreement in the same manner as provided in the Residence and Services Agreement with respect to a voluntary termination.

Other

Combination of Living Accommodations. Various circumstances may make it desirable that a Living Accommodation occupied by a Resident be combined with an adjoining Living Accommodation to form one combined Living Accommodation. Residents agree that if a determination is made by the Corporation that it is desirable to combine their Living Accommodation with a Living Accommodation, which adjoins their Living Accommodation, the Resident will surrender occupancy of their Living Accommodation, within a reasonable time after receiving notice of such determination.

In the event that the Corporation makes such determination and notifies the Resident of such, the Resident has the option to (a) transfer into the combined Living Accommodation when such combined Living Accommodation is ready for occupancy, or (b) transfer to another Living Accommodation, when available, of the same type as the Living Accommodation previously occupied.

If a Resident elects to occupy the combined Living Accommodation and the Entrance Fee established for such combined Living Accommodation exceeds the Entrance Fee paid for the previous Living Accommodation, the Resident shall pay the amount of such excess upon taking occupancy. The Resident will pay the monthly/daily fees associated with the combined Living Accommodation as established by the Corporation.

If a Resident elects to transfer to a Living Accommodation of the same type as the Living Accommodation previously occupied, the Corporation will repaint and re-carpet, if needed, such Living Accommodation at its expense prior to occupancy.

Living Accommodations. Residents do not acquire ownership in any property at Salemtowne under the Residence and Services Agreement.

Guests may also stay in a Resident's Independent Living Accommodation for visits of limited duration. At all times, the Resident shall be responsible for any injury to others or damage to the property of others or of Salemtowne caused by a Resident's guest(s). Salemtowne reserves the right and authority to limit or terminate the stay of any guest at any time and for any reason. Except for short-term guests (less than two weeks), no person other than a Resident may reside in the Living Accommodation without the written approval of Salemtowne

Management.

Financial Information

Financial Overview & Statements

An overview of the financial results of Salemtowne's operations is contained at the end of this section:

- the audited financial statements for the most recent fiscal year (as of March 31, 2022)
- summary of calculation of obligation to provide future services (CCRC) as of March 31, 2022
- Financial Projections for the five (5) years following the date of the audited financial statements (for the fiscal years ended March 31, 2023-2027) accompanied by an Independent Accountants' Compilation Report

Reserves and Trusts

Salemtowne continues to develop funds that are to be used for advancing the mission of the organization, the largest portion is for assistance to residents who are approved for financial assistance. As of March 31, 2022, the balance of these funds was approximately \$2,850,195. The income from these funds constitutes several sources of Salemtowne's financial assistance. Other sources of assistance income include annual Salemtowne Offering on Mother's Day solicitations and Giving Tree solicitations at Christmas, as well as ongoing memorial gifts; local church support; and corporate and foundation grants. Salemtowne does not guarantee that the principal of board designated funds will remain committed solely for financial assistance.

As of March 31, 2022, Salemtowne has restricted \$6,763,000 as the operating reserve fund required by N.C. General Statute 58-64-33 and expects to continue to meet the

requirement into the future.

Salemtowne will meet its operating reserve requirements separate and apart from using donor restricted funds. Income from the Financial Assistance Endowment and annual contributions for financial assistance are used to provide charitable assistance to persons who otherwise would not be able to afford residency at Salemtowne.

Investment of funds is currently in interest-bearing checking accounts and professionally managed mutual funds, money market accounts, stocks and bonds. Future investment strategies will, of course, depend upon future market conditions and demands for funds.

Overall policies and decisions relative to reserve funds and investments are under the direction of the Finance Committee of the Board of Trustees.

Trusts. Salemtowne is the beneficiary of several trusts and other split-interest agreements. Upon receipt of a beneficial interest in a trust or other split-interest agreement, the present value of the interest is included in "contributions" on the "Statements of Operations" and "Statements of Changes in Net Assets," and is carried at the asset's present value on the "Balance Sheet." The value of these assets totaled \$919,833 at fiscal year ended March 31, 2022. At this time, all trusts and split-interest agreements are administered by third parties. Additional information related to reserves and trusts is presented in the notes to the audited financial statements included herein.

A1. Cash and Cash Equivalents represents Cash and Assets Whose Use is Limited, consistent with new accounting guidance. Collectively, these decreased \$766 thousand, as represented within the Statement of Cash Flows.

B1. Accounts receivable, net of allowance, had a variance of \$177 thousand or 15%. The allowance for doubtful accounts decreased approximately \$144 thousand during the period, a result of improved collection processes.

C1. Prepaid and other current assets had a variance of (\$146) thousand or 49% due to the timing of payments on various insurance policies.

D1. Incremental costs of acquiring contracts, net, had a variance of (\$205) or 105%, as restated in the audit to reflect accumulated amortization that had previously been included in property and equipment accumulated depreciation.

E1. Accounts payable had a variance of \$265 thousand or 19% related to the timing of the accounts payable cycle.

F1. Accrued expenses had a variance of \$393 thousand or 21%, reflective of increases in accrued paid time off balances for team members, both in hours available and the rate as during the year an un-forecasted increase to minimum hiring rates was done.

G1. Refundable advance fees represent those refunds that are payable to residents that have left campus within the refundable period and will be due a refund once the unit is reoccupied. The variance to forecast is a function of estimates and timing, as there were less estimated to be payable within the forecast than actual as of March 31, 2022.

H1. The Line of Credit varied from the forecast by \$1.1 million, as the forecast did not include utilization of the line during the year. However, the line was utilized during fiscal year 2022 to assist with funding the community benefit obligations of the organization.

I1. Other debt varied from the forecast by \$1.3 million, as the forecast did not anticipate the incurrence of new debt. During the fiscal year, a bridge loan of \$3.5 million was obtained to fund certain project costs related to the expansion of Salemtowne, and the balance as of March 31, 2022, represents draw downs on that loan.

J1. Deposits are \$58 thousand higher than the forecast due to ongoing collections of entrance fees of Independent Living units and vary over time based on timing and availability of units.

K1. See notes on the Statement of Operations for changes to Net Assets.

A2. Net resident services and other income varied from the forecast by a net \$1.5 million. Other income represents mainly dining revenue, which was included in the forecast line Net resident services. A main driver of the variance is due to occupancy within the health care center, as occupancy was forecasted to be 93% while the actual was 84% for the year.

B2. Amortization of Advanced Fees was \$891 thousand or 15.7% below the forecast. Due to strong occupancy within the independent living units, there was lower than expected turnover in units and termination income did not meet expectations.

C2. Contributions and net assets released from restrictions varied from the forecast by a

net \$637. Releases from restriction were impacted during the year by timing of releases as satisfactions on releases were met.

D2. Amortization of Advanced Fees were \$148 thousand more than forecasted, related to the growth of the Navigation program.

E2. Healthcare, assisted living, and clinic expenses were \$1.7 million or 15.2% less than the forecast. This variance was related to open staffing and lower staffing needs related to occupancy variances.

F2. Dining services expenses varied \$841 thousand or 24.5% to the forecast. This variance was driven by higher staffing costs, as the minimum wage was increased to \$15 per hour which affected positions within this area.

G2. Housekeeping, grounds, and maintenance expenses were \$517 thousand or 12.2% higher than the forecast. This was another area impacted by the minimum wage increase mentioned above.

H2. Life enrichment expense was \$231 thousand or 35.4% higher than the forecast. This was another area impacted by the minimum wage increase mentioned above.

I2. Navigation at Home expense varied \$435 thousand to the forecast. The audit represents all costs allocated to the Navigation at Home program, inclusive of marketing, which are not included in the forecast.

J2. Depreciation and amortization varied \$416 thousand to the forecast, attributable to the timing of new purchases of property and equipment throughout the year as compared to the estimate.

K2. Loss on sale of equipment represents the write-off of the net book value of prior assets capitalized in units that are currently being renovated at turnover. This had not been included in the forecast.

L2. Development, community relations and admissions varied to the forecast by \$812 thousand or 46.2%. The current year included several contributions made to other non-profits that had not been included in the forecast to support the community benefit requirements in North Carolina.

M2. Investment income varied to the forecast by (\$112) thousand, as investment return did not meet projections.

N2. Donor Restricted Net Assets decreased \$280 thousand during the year and had not been included in the forecast.

Navigation at Home

(Continuing Care at Home Program)

Background

Moravian Home, Incorporated d/b/a/ Salemtowne ("Salemtowne" or "Corporation") is a private, continuing care retirement community that has received licensure from the North Carolina Department of Insurance to operate a continuing care services program without lodging pursuant to Chapter 64 Article 58 Paragraph 7.

This continuing care program without lodging is marketed and referred to as "Navigation at Home" (or "Program"). The Program is being marketed in Forsyth County, where the Salemtowne continuing care retirement community is located, and in immediate surrounding counties. However, it can be marketed throughout the state of North Carolina.

Mission Statement

Navigation at Home's mission is to provide coordination of care for older adults who wish to remain in their own homes in their later years. Salemtowne's goal is to combine the security of a continuing care retirement community with the freedom and autonomy of living at home. We strive to support older adults to stay healthy and independent throughout their years through education, physical activities and socialization, and the coordination of care when necessary.

Navigation at Home is operated by Salemtowne, a North Carolina non-profit corporation, and is governed by the Corporation's Board of Trustees and managed by the management and staff of the Corporation.

Program Description

SERVICE PROVIDERS

Navigation at Home utilizes industry professionals and service providers to provide services such as home care services, homemaker and companion services, and transportation for its members.

LIMITATION OF PROGRAM PAYMENT

Non-Institutional Health Care Services: The Program may limit payment for home health care, homemaker services, companion services, emergency response system, meals and adult daycare if the cost of such services for any day exceeds the then current private pay daily rate for a long-term care private room in the health care facility at Salemtowne retirement community.

Care in Other Assisted Living or Nursing Care Facilities: If a member chooses care in an assisted living or nursing home facility other than Salemtowne retirement community or a Program participating facility, the member will continue to pay the Monthly Fee for the Program and the Program will pay for charges incurred at the facility for the level of service as defined in the Member Services Agreement. If the cost of such services for any day exceeds the then current private pay daily rate for a private room

in the nursing home facility at Salemtowne retirement community the member will be responsible for paying the difference between the cost of services at the facility and the then current private pay daily rate for a private room in the nursing home facility in Salemtowne retirement community, or transfer to Salemtowne retirement community or other Program participating facility.

Changes in Level of Care

Assisted Living or Nursing Home: A member may be transferred to a Program participating assisted living or nursing home facility temporarily or permanently if it is determined by the Care Coordination team based on a physical and mental assessment that the member is no longer mentally and/or physically able to function safely in his or her home, and shall be made only after consultation to the extent practical with the member or member's representative, and the member's attending physician.

Hospital, Center or Institution: A member diagnosed to be psychotic or mentally ill, or as having a highly contagious or dangerous disease may be transferred to a hospital, center, or institution equipped to give such care, which care will be at the expense of the member and will be made only after consultation to the extent possible with the member or member's representative, and the member's attending physician.

Consultative Care Plan

The Consultative Care Plan is a fee-for-service plan available for couples where one member does not medically qualify for one of the plans above. Consultative Care Plan members must live in the same home as a qualified member who has entered into a separate Member Services Agreement in order to be eligible. There is a one-time non-refundable membership fee based on the current level of fees which provides coordination of care by the Care Navigator, and the establishment of a care plan for the member. In addition, members will be charged an hourly Care Navigator fee based on the current schedule of fees for care coordination and scheduling of any needed home or facility-based services.

Consultative Care Plan members are responsible for all costs associated with home or facility based services including, but not limited to, home care, health care aide services, homemaker, companion, emergency response system, transportation, meals, adult day care, assisted living, and nursing home care. Providers of such services will contract directly with Consultative Care members. The Program shall have no responsibility for payment of any such services.

Adjustment in Fees

Monthly Fees are usually adjusted annually but may be adjusted from time to time in order to continue operating on a sound financial basis and maintain the Program's high standard of services. The Program will provide 30 days written notice to all members of any such increase in the Monthly Fees.

Historic Changes in Major Fees

The following table shows average changes in the monthly service fees over the life of the program which began in 2014. Note that it is the average dollar amount of the CHANGE in fees from year to year that is shown – NOT the fees themselves. All changes during this period occurred once per year on June 1st.

If a Member enters into a Residence and Care Agreement with the Corporation for an independent living unit at Salemtowne, in accordance with this section, the Navigation at Home Membership agreement will automatically terminate.

Independent Auditor's Report

Board of Trustees
Moravian Home, Incorporated (d/b/a Salemtowne)
Winston-Salem, NC

Opinion

We have audited the accompanying financial statements of Moravian Home, Incorporated (d/b/a Salemtowne) (the "Community"), which comprise the balance sheets as of March 31, 2022 and 2021, and the related statements of operations, changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Community as of March 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of Moravian Home, Incorporated (d/b/a Salemtowne) and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Community's ability to continue as a going concern within one year after the date that these financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

FORVIS

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Community's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Community's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

1. Description of Organization and Summary of Significant Accounting Policies

Organization

Moravian Home, Incorporated (d/b/a Salemtowne) (the “Community”) is a non-profit organization located in Winston-Salem, North Carolina, that provides housing, health care, and other related services to residents through the ownership and operation of a retirement community containing independent living cottages and apartments, assisted living apartments, and a health care center. The Community is subject to various laws and regulations enacted by the state of North Carolina regarding its activities.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents

Cash and cash equivalents include certain investments in highly liquid instruments, including short-term debt securities and money market funds with original maturities of three months or less when purchased.

Investments in equity securities

Investments in equity securities with readily determinable fair values are measured at fair value in the balance sheet. The fair values of investments are determined based upon quoted market prices. Investment income or loss (including realized gains and losses on investments, interest and dividends) is included in investment income without donor restrictions and changes in net assets with donor restrictions. All changes in unrealized gains and losses on investments are included in non-operating gains (losses) with the exception of any earnings allocated to donor restricted endowments. Contributed investments are recorded at the fair market value at the date of receipt.

Deferred financing costs and original issue premium/discount

Deferred financing costs for the 2015 Bond series and the 2018 Bond series are being amortized over the term of the related financing. The original issue premium/discount in connection with the 2015 Bond series and 2018 Bond series financing is being amortized over the term of the related financing using the straight-line method, which approximates the effective interest method. Deferred financing costs and the original issue premium/discount for the 2016 Bond series are being amortized over the average life of the bonds of 8.305 years.

Assets limited as to use

Assets limited as to use by Board designation include amounts set aside to meet the operating reserve requirements of N. C. General Statute Chapter 58, Article 64.

Assets limited as to use under bond indenture agreement consist of the proceeds of borrowing available to pay accrued interest as well as funds set aside for debt service and principal fund reserves.

Property and equipment

Property and equipment is stated at cost less accumulated depreciation. Contributed property is recorded at the estimated fair value at the date of receipt. Depreciation is computed under the straight-line method and is based on estimated useful lives of 40 years for buildings, 8 to 10 years for principal equipment, 3 to 5 years for minor equipment and 5 years for vehicles. The cost of maintenance and repairs is expensed as incurred. Interest costs incurred on borrowed funds during the period of construction of capital assets are capitalized as a component of the cost of acquiring and constructing those assets.

The Community periodically assesses the realizability of its long-lived assets and evaluates such assets for impairment whenever events or changes in circumstances indicate the carrying amount of any asset may not be recoverable. For assets to be held, impairment is determined to exist if estimated future cash flows, undiscounted and without interest charges, are less than carrying amount. For assets to be disposed of, impairment is determined to exist if the estimated net realizable value is less than the carrying amount. No impairment was identified and recorded for the year ended March 31, 2022 or 2021.

Deposits on unoccupied units

Deposits for cottage and apartment accommodations to be occupied in the future are deferred when received. A portion of the deposit is refundable if the resident terminates the continuing care contract.

Incremental costs of acquiring contracts

The Community capitalizes incremental costs of acquiring contracts and amortizes such costs over the estimated term of the related contract.

Deferred revenue from advance fees

Fees paid by a resident upon entering into a continuing care contract, net of the portion thereof which is refundable to the resident, are recorded as deferred revenue and amortized into net resident services revenue using the straight-line method over the estimated remaining life expectancy of the resident, adjusted on an annual basis. When a resident terminates occupancy, any unamortized advance fees, net of refundable amounts, are recognized as net resident service revenue.

Obligation to provide future services

The Community enters into continuing care contracts with various residents. A continuing care contract is an agreement between a resident and the Community specifying the services and facilities to be provided over the resident's remaining life. Under the contracts, the Community has the ability to increase fees as deemed necessary. As of the end of each year, the Community calculates the present value of the estimated net cost of future services to be provided, including the cost of facilities to current residents, and compares the amount with the deferred revenue from advance fees at that date. If the present value of the net cost of future services and use of facilities exceeds the deferred revenue from advance fees, a liability (obligation to provide future services) is recorded. No liability has been recorded as of March 31, 2022 or 2021, because the present value of the estimated net costs of future services and use of facilities is less than deferred revenues from advances fees. The present value of the net cost of future services and use of facilities was discounted at 5.5% in both 2022 and 2021.

Nets assets with donor restrictions

Net assets with donor restrictions are those whose use by the Community has been limited by donors to a specific time period, purpose, or have been restricted by donors to be maintained by the Community in perpetuity. Board designated net assets without donor restrictions have been restricted by the Board of Trustees for use for financial assistance and campus expansion, but could later be designated for other purposes by the Board of Trustees.

Net appreciation on endowment funds is reported as an increase in net assets without donor restrictions unless such net appreciation is restricted by the donor or by law. Net realized appreciation on endowment funds is classified in the accompanying financial statements as part of net assets without donor restrictions or net assets with donor restrictions based on restrictions established by donors and state law.

Net resident services revenue

Net resident services revenue represents the estimated net realizable amounts from patients, third-party payors, and others for services rendered, and includes estimated retroactive revenue adjustments due to future audits, reviews, and investigations. Retroactive adjustments are considered in the recognition of revenue on an estimated basis in the period the related services are rendered, and such amounts are adjusted in future periods as adjustments become known or as years are no longer subject to such audits, reviews, and investigations. Historically, such adjustments for the Community have been immaterial in relation to the financial statements as a whole.

Revenues under third-party payor agreements are subject to examination and retroactive adjustments. Provisions for estimated third-party payor settlements are provided in the period the related services are rendered. Differences between the amounts accrued and subsequent settlements are recorded in operations in the year of settlement.

Navigation by Salemtowne

Navigation by Salemtowne's mission is to provide coordination of care for older adults who wish to remain in their own homes in their later years. The Community's goal is to combine the security of a continuing care retirement community with the freedom and autonomy of living at home. The Community supports older adults to stay healthy and independent throughout their years through education, physical activities and socialization, and the coordination of care when necessary. The Community admitted its first member into the Navigation by Salemtowne program in fiscal year 2015.

Donor restrictions

The Community reports contributions of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), donor restricted net assets are reclassified to net assets without donor restrictions and reported in the statements of operations as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period as received are reflected as unrestricted contributions in the accompanying financial statements.

The Community reports contributions of property and equipment (or other long-lived assets) as support without donor restriction unless explicit donor stipulations specify how the donated assets must be used. Contributions of long-lived assets with explicit restrictions that specify how the assets are to be used and contributions of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long these assets must be maintained, the Community reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Benevolent assistance

The Community provides benevolent assistance to residents who are unable to pay. Such residents are identified based on financial information obtained from the resident and subsequent review and analysis. The Community utilizes certain net assets with donor restrictions, as well as earnings from certain net assets with donor restrictions and board designated net assets, to fund the care of such residents.

Excess of revenues under expenses

The statements of operations includes excess of revenues under expenses. Changes in net assets without donor restrictions which are excluded from excess of revenues under expenses, consistent with industry practice, net assets released from restrictions for purchase of property and equipment and contributions of long-lived assets (including assets acquired using contributions which by donor restriction were to be used for purposes of acquiring such assets).

Other income and non-operating gains (losses)

Other income includes dining revenue and ancillary services revenue. Investment income and gains (losses) on investments are recorded as non-operating gains (losses).

Income tax status

The Community is a tax-exempt organization as described in Section 501(c)(3) of the Internal Revenue Code; accordingly, the accompanying financial statements do not reflect a provision or liability for federal and state income taxes. The Community has determined that it does not have any material unrecognized tax benefits or obligations as of March 31, 2022. In addition, the Community qualified for the charitable contribution deduction under Section 170(b)(1)(a) and is classified as an organization that is not a private foundation under Section 509(a)(2).

Subsequent events

The Community evaluated the effect subsequent events would have on the financial statements through July 27, 2022, which is the date the financial statements were issued.

Reclassifications

Certain amounts in the 2021 financial statements were reclassified in order to conform to the 2022 presentation. Such reclassifications include moving interest and dividend income and net realized gains from operating revenues to the nonoperating section on the statement of operations, moving dining revenue from the net patient service revenue to the other revenue line and amounts previously classified as incremental costs of acquiring contracts were determined to be property and equipment instead and were moved to the net property and equipment line.

2. Revenue Recognition

The Community generates revenues, primarily by providing housing and health services to its residents. The following streams of revenue are recognized as follows:

Monthly service fees:

The life care contracts that residents select require an advanced fee and monthly fees based upon the type of space they are applying for. Resident fee revenue for recurring and routine monthly services is generally billed monthly in advance. Payment terms are usually due within 30 days. The services provided encompass social, recreational, dining along with assisted living and nursing care and these performance obligations are earned each month. Under Accounting Standards Codification (“ASC”) Topic 606, management has determined that the performance obligation for the standing obligation to provide the appropriate level of care is the predominate component and does not contain a lease component under ASC Topic 842. Resident fee revenue for non-routine or additional services are billed monthly in arrears and recognized when the service is provided.

Entrance fees:

The nonrefundable entrance fees are recognized as deferred revenue upon receipt of the payment and included as a contract liability in the balance sheet until the performance obligations are satisfied. The refundable portion of an entrance fee is not considered part of the transaction price and as such is recorded as a liability in the balance sheet. Additionally, management has determined the contracts do not contain a significant financing component as the advanced payment assures residents the access to health care in the future. These deferred amounts are then amortized on a straight-line basis into revenue on a monthly basis over the life of the resident as the performance obligation is the material right associated with access to future services as described in ASC 606-10-55 paragraph 42 and 51.

Health care services:

In the facility, the Community provides assisted and nursing care to residents who are covered by government and commercial payers. The Community is paid fixed daily rates from government payers. The fixed daily rates and other fees are billed in arrears monthly. The monthly fees represent the most likely amount to be received from the third party payors. Most rates are predetermined from Medicare and Medicaid. Under ASC Topic 606, management has elected to utilize the portfolio approach in aggregating the revenues under these revenue streams.

The Community disaggregates its revenue from contracts with customers by payor source, as the Community believes it best depicts how the nature, timing and uncertainty of its revenues and cash flows are affected by economic factors. See details on a reportable segment basis in the table below:

3. Fair Values of Assets and Liabilities

Fair value as defined under generally accepted accounting principles is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Generally accepted accounting principles establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

- Level 1: Observable inputs such as quoted prices in active markets.
- Level 2: Inputs other than quoted prices in active markets that are either directly or indirectly observable.
- Level 3: Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Community's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

Asset Measured at Fair Value on a Recurring Basis

When quoted prices are available in active markets for identical instruments, investment securities are classified within Level 1 of the fair value hierarchy. Level 1 investments include common stocks, fixed income mutual funds, and exchange-traded funds which are valued based on prices readily available in active markets in which those securities are traded. Level 1 investments also include money market funds which are valued based on transacted values.

The Community does not have any financial assets or liabilities measured at fair value on a recurring basis categorized as Level 2 or Level 3. There were no transfers in or out of Level 3 during 2022 and 2021. There were no changes during 2022 and 2021 to the Community's valuation techniques used to measure asset and liability fair values on a recurring basis.

The following tables set forth by level within the fair value hierarchy the Community's assets accounted for at fair value on a recurring basis on March 31, 2022 and 2021.

7. Notes Payable

In December 2021, the Community entered into a bridge loan note with a local bank to begin funding Phase IV of their strategic growth plan, which allows for borrowing up to \$3,500,000, collateralized by real estate. Interest accrues at a rate of 3% and is due and payable monthly commencing in January 2022. The outstanding principal and accrued interest will be due in a single payment May 15, 2024. The outstanding balance at March 31, 2022 and 2021 was \$1,300,000 and \$0, respectively. The remaining balance relates to a five year note payable on a van entered into in August 2018.

8. Line of Credit

In February 2020, the Community entered into an unsecured revolving line of credit agreement with a local bank, which allows for borrowing up to \$1,500,000. Interest accrues at a floating rate of prime plus a margin of 1.5% and is due and payable monthly commencing on March 2020. The line of credit originally matured on February 1, 2021 but was extended to October 31, 2022 at which time all outstanding principal and accrued interest will be due. The outstanding balance at March 31, 2022 and 2021 was \$1,100,000 and \$182,164, respectively.

9. Refundable Fees

The Community offers three different continuing care contracts, 1) a standard rate plan, 2) a 50% refundable plan, and 3) a 90% refundable plan. The non-refundable portions of these fees are recorded as deferred revenue. The refundable portion is treated as a long-term liability. Refunds of refundable entrance fees are paid upon termination of the agreement (provided the resident's independent living unit is reoccupied) or within twenty-four months, whichever occurs first.

Moravian Home, Incorporated
(d/b/a Salemtowne)
Notes to Financial Statements

The Community's continuing care contracts provide for reimbursement of a portion of the advance fee upon termination of the agreement in the event of move-out, death, or termination by the Community. For a standard contract, the refundable amount is equal to the entrance fee less a non-refundable fee of 4% of the initial entrance fee. The remaining balance becomes non-refundable at a rate of 2% for each month of occupancy for up to 48 months, at which time there is no refundable amount. For a 50% refundable contract, the refundable amount is equal to the entrance fee less a non-refundable fee of 4% of the initial entrance fee with the remaining balance subject to amortization of 2% percent for each month of occupancy, for up to 23 months at which point the 50% refundable amount remains refundable. For a 90% refundable contract, the refundable amount is equal to the entrance fee less a non-refundable fee of 4% of the initial entrance fee with the remaining balance subject to amortization of 1% for each month of occupancy, for up to 6 months at which point the 90% refundable amount remains refundable.

Based on the status of continuing care contracts in effect at March 31, 2022 and 2021, the actual amount of contractual refund obligations which existed at those dates was approximately \$18,200,000 and \$18,900,000, respectively.

The amount of the contractual refund obligations that is expected to be refunded, based on historical experience, is classified as refundable advance fees.

11. Split Interest Agreements

The Community is a beneficiary of certain split-interest agreements, all of which are held or controlled by various third parties. The estimated present value of the future distributions the Community expects to receive from irrevocable split-interest agreements is recorded as an asset in the financial statements. Changes in the value of irrevocable split-interest agreement are recorded as changes in net assets.

The irrevocable split-interest agreements in which the Community has a beneficial interest are categorized as follows:

Charitable Remainder Trust – A charitable remainder trust provides for the payment of distribution to the grantor or other designated beneficiaries over the trust’s term. The term of all charitable remainder trusts which name the Community as a remainder beneficiary are the lifetimes of the respective distribution recipients. At the end of the respective trust’s terms, the remaining assets in which the Community has an interest will be distributed to the Community.

Upon receipt of a beneficial interest in a charitable remainder trust, the present value of such interest is recorded as contribution income. The annual change in the present value of the beneficial interest is recorded as a change in value of split-interest agreements on the statement of changes in net assets. Such valuations are based on estimated mortality rates, projected investment returns, and other assumptions that could change in the near term. As these are unobservable inputs, the charitable remainder trust is classified within level 3 of the fair value hierarchy.

Beneficial Interest in Perpetual Trust – Beneficial interest in perpetual trust represents assets held in trust and administered by a third party, from which the Community has the irrevocable right to receive a share of income from the trust’s assets in perpetuity. The assets are stated as the fair value of the Community’s share of trust assets, which is an approximation of the present value of the estimated future distributions from this trust. These are classified within level 3 of the fair value hierarchy and valued at the market price of the underlying investments in the trust.

Upon receipt of an irrevocable interest in the income of a perpetual trust administered by a third party, the Community records the fair value of estimated future distributions from the trust as contribution income with donor restrictions. Over the term of the perpetual trust, income distributions to the Community are included in investment income. Annual changes in the fair value of trust assets are recorded as gain or loss on the statement of changes in net assets with donor restrictions. Such valuations are based on estimated mortality rates and other assumptions that could change in the near future.

12. Statutory Operating Reserve Requirements

North Carolina General Statute Chapter 58, Article 64 sets forth minimum operating reserve requirements. Under this legislation, the Community is required to maintain an operating reserve at least equal to 25% or 50% of the upcoming year’s total operating costs as defined by the statute based on whether the occupancy in independent living and assisted living is above or below 90%. At March 31, 2022 and 2021, management estimated that \$6,763,000 and \$6,402,000, respectively, would be required to meet the 25% operating reserve requirement. The Board of Trustees has allocated funds included in assets limited as to use of \$6,763,000 and \$6,402,000 at March 31, 2022 and 2021, respectively.

13. Retirement Savings Plan

The Community maintains a defined contribution retirement savings plan for eligible associates. If associates elect to make contributions to the plan, the Community matched them dollar for dollar up to 3% of gross salary and then at the rate of \$.50 per dollar for the next 2% of gross salary. For the years ended March 31, 2022 and 2021, the Community made contributions totaling approximately \$219,000 and \$190,000, respectively.

14. Benevolent Assistance, Community Outreach and Other Contractual Adjustments

The Community maintains records to identify and monitor benevolent assistance provided. Records include costs to assist Salemtowne residents with entrance and monthly fees, medical expenses, meals, transportation, housekeeping and other programs and activities. The Community also provides financial assistance (Community Outreach) to community not-for-profit organizations who support or provide services to older persons. Benevolent assistance and Community Outreach included in the attached financial statements totals \$1,706,000 and \$1,445,000 for the years ended March 31, 2022 and 2021, respectively.

Residents in the health center and assisted living levels of care may be eligible to participate in the North Carolina Medicaid or federal Medicare programs. Contractual adjustments represent the difference between the Community's standard rates and the rates paid by third party payors. For the years ended March 31, 2022 and 2021, net patient service revenue was reduced by third party payor contractual adjustments (primarily Medicaid and Medicare) of approximately \$4,370,000 and \$3,776,000, respectively.

15. Concentrations of Credit Risk

The Community maintains its cash accounts at commercial banks. The cash balances in each bank are insured by Federal Deposit Insurance Corporation up to \$250,000. The funds on deposit with the brokerage accounts are insured by the Securities Investor Protection Corporation up to \$500,000. At times, amounts on deposit may be in excess of the insured limits.

16. Commitments and Contingencies

The Community has in place insurance coverage for possible litigation in the ordinary course of business related to professional liability claims. Management believes that claims, if asserted, would be settled within the limits of coverage, which is on a claims-made basis, with insurance limits of \$1,000,000 per claim and \$3,000,000 in the aggregate. Should the Community not renew its claims-made policy, or replace it with equivalent insurance, occurrences incurred during its term but asserted after its expiration would be uninsured, unless the Community obtains tail coverage. No claims were outstanding during the year or at year-end, therefore, the Community believes that an accrual for unasserted claims is not necessary.

The healthcare industry is subject to numerous laws and regulations of federal, state and local governments. These laws and regulations include, but are not necessarily limited to, matters such as licensure, accreditation, government health care program participation requirements, reimbursement for patient services and Medicare and Medicaid fraud and abuse. Recently, government activity has increased with respect to investigations and allegations concerning possible violations of fraud and abuse statutes and regulations by health care providers.

Violations of these laws and regulations could result in expulsion from government health care programs together with the imposition of significant fines and penalties, as well as significant repayments for patient services previously billed.

17. Endowment Funds

The Community's endowments consist of individual funds established for a variety of purposes including support for residents in financial need, personnel recruiting, buildings, and other general obligations. The endowments include both donor-restricted endowment funds and funds designated by the Board of Trustees to function as endowments. As required by generally accepted accounting principles ("GAAP"), net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of relevant law

The Board of Trustees of the Community has interpreted the State Prudent Management of Institutional Funds Act ("SPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Community classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance with SPMIFA, the Community considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

The duration and preservation of the fund:

- The purposes of the organization and the donor-restricted endowment fund.
- General economic conditions.
- The possible effect of inflation and deflation.
- The expected total return from income and the appreciation of investments.
- Other resources of the organization.
- The investment policies of the organization.

Return objectives and risk parameters

The Community has adopted investment and spending policies for endowment assets that attempt to emphasize long-term growth of principal while avoiding excessive risk. Short-term volatility will be tolerated in as much as it is consistent with the volatility of a comparable market index. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity as well as board-designated funds.

Strategies employed for achieving objectives

To satisfy its long-term rate-of-return objectives, the Community relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Community targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending policy and how the investment objectives relate to spending policy

The Community has a policy of utilizing the interest and dividends earned on these endowments for their restricted purposes. The Community believes the investment policy established will facilitate the growth of these endowed funds and allow for earnings on these endowed funds to be used consistent with the intent of the donors.

18. Liquidity and Availability

As part of its liquidity management, the Community has a policy to structure its financial assets to be available as its general expenses, liabilities, and other obligations come due. In addition, the Community invests cash in excess of daily operating funds in short-term investments such as stocks, bonds, money market funds, and mutual funds.

The following schedule reflects the Community's' financial assets to meet cash needs for general expenses within one year. The financial assets were derived from the total assets on the balance sheets by excluding the assets that are unavailable for general expenses in the next 12 months. Board designated amounts for projects have been included in the schedule below as the board could release these funds for liquidity purposes if needed.

The Community seeks to maintain sufficient liquid assets to cover three months' operating and capital expenses.

Financial assets available for general expenditure within one year of the balance sheet date, consist of the following:

Asset Categories	2022	2021
Cash and cash equivalents	\$ 1,315,636	\$ 2,487,504
Accounts receivable	1,215,851	1,013,917

19. COVID-19

On March 27, 2020, the federal Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was signed into law, which is intended to provide economic relief and emergency assistance for individuals, families and businesses affected by COVID-19. Various state governments are also taking action to provide economic relief and emergency assistance. These relief funds are considered non-exchange transactions subject to terms and conditions specified by the resource provider distributed by the Health Resources Service Administration section of the U.S. Department of Health and Human Services ("HHS"). These conditions create a restriction that such funds must be used to prevent, prepare or respond to COVID-19, creating purpose restrictions in addition to conditions. Such funds are subject to the recoupment to the extent the conditions for entitlement are not met.

The Community received CARES Act Provider Relief Funds ("PRF") of approximately \$962,000 during the year ended March 31, 2021, all of which has been recognized as other income during the year ended March 31, 2021 in the statements of operations to the extent the eligibility requirements with the terms and conditions for entitlement to such funding for healthcare related expenses or lost revenues to prevent, prepare for or respond to COVID-19, have been met. Additionally, throughout fiscal year 2021, the Community received a total of \$37,000 in funds from the North Carolina Department of Health and Human Services ("NCDHHS") for reimbursements of mandatory COVID-19 testing of state residents residing in medical centers.

20. Payroll Protection Program

The CARES Act also provides for the establishment of the Payroll Protection Program ("PPP"), a new loan program under the Small Business Administration's 7(a) program providing loans to qualifying businesses. Loans originated under this program may be forgiven, in whole or in part, if certain criteria are met.

The Community received a PPP loan of approximately \$2,500,000 and believes that it was eligible under the PPP to receive the funds and expects to meet the requirements under the program to have the loan forgiven. The Community has elected to account for the funds received in accordance with ASC Topic 470, Debt. In order to be forgiven, funds from these loans may only be used to satisfy payroll costs, costs used to continue health care benefits, mortgage payments, rent, utilities, and interest on certain other debt obligations. The Community believes it has used the proceeds of the loan for qualifying expenses under the PPP. The loan accrued interest at a rate of 1% and had an original maturity date of five years. Payments were deferred during the deferral period, which began on the loan origination date and extended for 10 months beyond the last day of the Community's covered period. On December 22, 2020, the Community submitted the loan forgiveness application. The Community has elected to classify the outstanding balance of the loan as a current liability as of March 31, 2021 on the accompanying balance sheet as forgiveness was expected within the next operating cycle. On June 11, 2021, the Small Business Administration approved the application for forgiveness and all outstanding principal and accrued interest was forgiven.

SECTION I - INTRODUCTION & EXECUTIVE SUMMARY

Continuing Care Actuaries, LLC (Continuing Care Actuaries) was retained by the management of Moravian Home Incorporated, d/b/a Salemtowne (Salemtowne), a non-profit continuing care retirement community located in Winston-Salem, North Carolina, to calculate the community's Obligation to Provide Future Services and the Use of Facilities to Current Residents (the Obligation) as defined by the AICPA *Health Care Auditing Guidelines*. This calculation was done as of March 31, 2022. This report includes an actuarial based financial projection that measures Salemtowne's Obligation to provide future services to current residents.

In order to calculate the community's Obligation, we projected existing residents through various levels of care until move-out or death. The population projection uses actual resident data to develop assumptions about demographic characteristics of existing residents. The rates of population movement utilized in these projections were developed based on a review of Salemtowne resident demographic experience for the historical period of April 1, 1990 through March 31, 2022 and the Continuing Care Actuaries demographic database for CCRC residents. The Continuing Care Actuaries database contains demographic transfer and mortality experience of over 600,000 CCRC resident life years. This information was then aggregated to create reasonable assumptions consistent with Salemtowne's operational and administrative practices.

The population assumptions were then used to develop a closed group population projection that reflects only the activity of the current group of Salemtowne's residents. A closed group does not have any new residents entering the community, so as residents die or voluntarily withdraw, the projected group size declines. Closed group projections can be used to anticipate individual revenues and expenses over the life of the group. These calculations can be helpful in setting fees and estimating the present value of future liabilities. The population projection forms the basis of the financial projection that was prepared for the obligation calculation as recommended by the AICPA.

We combined the results of our population projection with projected unit revenue and expense items for Salemtowne to develop the net present value of future cash outflows. This value, together with unamortized deferred revenue, unamortized costs of acquiring the initial continuing-care contracts, and allocable depreciation, produces the Obligation.

Resident data regarding units, age, gender and couples' ratio was provided by Salemtowne management representatives. Assumptions regarding expected mortality and morbidity experience were derived from actual historical resident movements and the Continuing Care Actuaries database. Financial information regarding revenues, expenses and depreciation was provided by Salemtowne management and consisted of the budget for fiscal year 2023. No secondary due diligence was conducted by Continuing Care Actuaries as to the accuracy of these assumptions.

Continuing Care Actuaries has calculated the Obligation for Future Services for Current Residents at Salemtowne as of March 31, 2022 to be (\$16,472,000). Since this is a liability calculation, the negative result represents a surplus.

As the Audit Guide specifies that a CCRC should only include a Future Service Obligation amount in financial statements if such amount is positive, Salemtowne's resulting Future Service Obligation amount for financial statements purposes as of March 31, 2022 is \$0.

It should be noted that this surplus is based on the assumptions that monthly fees and operating expenses, not including interest expense, depreciation and amortization, will increase 3.0% each year throughout the projection period. The surplus pertains only to the Obligation calculation and does not demonstrate the financial feasibility of the entire community since debt principal repayments, general and administrative expenses and some revenues are not included in the Obligation calculation. It should also be noted that the Obligation calculation is based on the assumption that Salemtowne will reach and maintain approximately 95.2% occupancy (212.2 out of 223 available units) in the independent living units.

The results of our study are based on estimates of the demographic and economic assumptions of the most likely outcome. Considerable uncertainty and variability are inherent in such estimates. Accordingly, the subsequent emergence of actual resident movements and of actual revenues and expenses may not conform to the assumptions used in our analysis. Consequently, the subsequent development of these items may vary considerably from expected.

Management should scrutinize future developments that may cause the Obligation to become a liability. These developments include higher apartment vacancy rates, higher expense inflation, and higher nursing care utilization and longer life expectancies at all levels of care than assumed in the current projection.

SECTION II - METHODOLOGY AND ASSUMPTIONS

The first step of our actuarial work was to develop the resident demographic assumptions as input to the population projections. These assumptions, which include mortality rates, morbidity rates, and withdrawal rates, are applied to the current and future resident populations in order to track the resident movements through various levels of care until death or move-out. Note that the Obligation calculation excludes those units and beds occupied by private pay or per diem residents.

Based on the demographic experience of Salemtowne since April 1, 1990, we have incorporated nursing transfer, withdrawal, and death rates by adjusting the expected rates from the Continuing Care Actuaries database to reflect Salemtowne's anticipated experience.

The second step in our actuarial review was to develop open and closed group population projections based on derived demographic assumptions. Existing residents as of March 31, 2022 were projected through the various levels of care until death or move-out. Apartment turnovers due to deaths, transfers, and move-outs were projected, and the derivative new entrants "admitted" into the community. Similar to the existing residents, each generation, or year, of new entrants was tracked through the various levels of care until death or move-out. In addition, apartment turnovers due to deaths, transfers, and move-outs of all generations of new entrants were calculated using our population projection system. Our open group projection assumes that the independent living units at Salemtowne will reach and maintain approximately 94.9% occupancy throughout the foreseeable future. We developed population projections based on the expected scenario, which is based on the most likely outcome.

The final step in our actuarial analysis was to develop the present value of the Future Service Obligation. This calculation is presented in Section III. This calculation is necessary in order to comply with Chapter 14 of the American Institute of Certified Public Accountants (AICPA) Audit and Accounting Guide for Health Care Organizations (the Audit Guide). The Obligation calculation excludes most of the general and administrative expenses and allocates a portion of the depreciation charge based on historical costs to the existing residents.

Salemtowne management supplied Continuing Care Actuaries with revenue and expense information based on their fiscal year 2023 budget. We combined the revenue and expense assumptions with the results of the population projection to develop projected cash in-flows and cash out-flows. We have assumed a constant discount rate of 5.5%. The 3.0% inflation rate and monthly fee increase assumptions were determined to be most appropriate. Exhibit A contains key financial assumptions.

RESULTS

The Obligation to Provide Future Services to Current Residents calculation consists of sixteen pages. The nineteenth and final page summarizes the actual calculation with the Obligation found on the last line. A positive value represents a liability, while a negative value represents an asset or a surplus.

Pages seven through nine contain both the open and closed group population projections from the Continuing Care Actuaries population projection system. Each row represents the average number of residents that occupy the facility throughout each fiscal year.

Pages ten through twelve illustrate the revenue and expense assumptions. The revenue summary represents the amount collected per resident or per unit per year. Similarly, the expense summary represents the expense per resident or per unit per year. The interest summary contains the total interest payments and the amount allocated to the closed group of residents.

Pages thirteen through fifteen summarize the projected cash inflows and cash outflows. These values are obtained from the revenue and expense assumptions applied to the closed group population.

Pages sixteen through eighteen develop the net cash outflows as well as their present value as of March 31, 2022. These pages additionally project each year's facility depreciation charge and the amount allocated to the closed group of residents.

I. INTRODUCTION & EXECUTIVE SUMMARY

Continuing Care Actuaries, LLC ("Continuing Care Actuaries") was engaged by Navigation by Salemtowne to calculate the Obligation to Provide Future Services and the Use of Facilities to current residents (the "Obligation") as defined by the AICPA Health Care Accounting Guide. This calculation was performed as of March 31, 2022. This report includes an actuarial based financial projection that measures Navigation by Salemtowne's obligation to provide future services to current members.

The population projection uses actual member data to develop future assumptions about demographic characteristics of existing members. In order to calculate the liabilities, we projected existing members through the home and various levels of care until lapse or death. The rates of population movement utilized in these population projections were developed based on a review of Navigation by Salemtowne's member demographic experience for the historical period of September 2014 through March 2022 and the Continuing Care Actuaries' demographic database for at Home members. This information was then aggregated to create reasonable assumptions consistent with Navigation by Salemtowne's operational and administrative practices.

The population assumptions were then used to develop a closed group population projection, which reflects only the activity of the current group of Navigation by Salemtowne's members. A closed group does not have any new members entering the program, so as members die or voluntarily withdrawal, the projected group size declines. Closed group projections can be used to anticipate individual revenues and expenses over the life of the group. The population projections form the basis of the financial projection, which was prepared for the obligation calculation as recommended by the AICPA.

We combined the results of our population projection with projected revenues and projected expenses for Navigation by Salemtowne to develop the net present value of future cash outflows. This value, together with unamortized deferred revenue, unamortized costs of acquiring the initial continuing-care contracts, and allocable depreciation, produces the amount of the Obligation.

Navigation by Salemtowne management representatives provided data regarding resident ages and permanent living location. Assumptions regarding expected mortality and morbidity were derived from actual Navigation by Salemtowne historical data and the Continuing Care Actuaries' at Home database. Financial information regarding revenues and expenses was provided by Navigation by Salemtowne management and consisted of the Navigation by Salemtowne budget for fiscal year 2023. No secondary due diligence was conducted by Continuing Care Actuaries as to the accuracy of these assumptions.

RESULTS

Continuing Care Actuaries has calculated the Obligation for Future Services for Current Residents at Navigation by Salemtowne as of March 31, 2022 to be (\$2,944,223) based on AICPA standards. Since this is a liability calculation, the negative result represents a surplus and means that based on current assumptions regarding future population and financial activity, the present value of Navigation by Salemtowne's current and future resources is adequate to cover future contractual obligations for all current members, as defined by the AICPA in the Health Care Audit Guide. For financial statement purposes, the amount to be booked as an obligation is \$0.

It should be noted that this surplus is based on the assumptions that monthly fees and operating expenses, not including interest expense, depreciation and amortization, will increase 3.0% each year throughout the projection period. The surplus pertains only to the Obligation calculation and does not demonstrate the financial feasibility of the entire community since debt principal repayments, general and administrative expenses and some revenues are not included in the Obligation calculation.

The results of our study are based on estimates of the demographic and economic assumptions of the most likely outcome. Considerable uncertainty and variability are inherent in such estimates. Accordingly, the subsequent emergence of actual resident movements and of actual revenues and expenses may not conform to the assumptions used in our analysis. Consequently, the subsequent development of these items may vary considerably from expected results.

Management should scrutinize future developments, which may cause the Obligation liability to increase. These developments include higher program withdrawal rates, higher expense inflation, higher nursing care utilization, and longer life expectancies than assumed in the current projection.

II. METHODOLOGY AND ASSUMPTIONS

The first step of our actuarial review was to develop the demographic assumptions as input to the population projections. These assumptions, which include mortality rates, morbidity rates, and withdrawal rates, are applied to the current and future member populations in order to track the resident movements through various levels of care until death or withdrawal from the program.

In order to develop these demographic assumptions, we collected historical member information relating to deaths, transfers, and voluntary withdrawals. These events were compiled and applied against the number of life years of the member population in order to develop historical decrement rates.

The second step in our actuarial review was to develop a closed group population projection based on the derived demographic assumptions. Existing members as of March 31, 2022 were projected through the various levels of care until death or withdrawal. Lapses due to deaths and voluntary withdrawals were projected.

The final step in our actuarial analysis was to develop the present values of the Future Service Obligation. This calculation will be presented in Section III. This calculation is necessary in order to comply with the Healthcare Accounting Guide promulgated by the AICPA. The AICPA requires that a program recognize future contract losses. The Obligation calculation excludes most of the general and administrative expenses and allocates a portion of the depreciation charge based on historical costs to the existing residents.

Navigation by Salemtowne management supplied Continuing Care Actuaries with revenue and expense information based on their fiscal year 2023 budget. We combined the revenue and expense assumptions with the results of the population projection to develop expected cash flows. We have assumed a constant discount rate of 5.5%. The 3.0% inflation rate and monthly fee increase assumptions were determined to be most appropriate. Exhibit A contains key financial assumptions.

III. FUTURE SERVICE OBLIGATION CALCULATION

The Obligation to Provide Future Services to Current Residents calculation consists of ten pages numbered 6 through 15. The last page summarizes the actual calculation with the Obligation found on the last line. A positive value represents a liability, while a negative value represents an asset or a surplus.

Pages six through eight contain both the open and closed group population projections from the Continuing Care Actuaries' population projection system. Each row represents the average number of members that occupy the community throughout each fiscal year.

Pages nine through eleven illustrate the revenue and expense assumptions. The first four lines represent the amount collected per member each year. Similarly, the expense summary represents the expense per member per year. The interest summary contains the total interest payments and the amount allocated to the closed group of members. The bottom section develops the projected cash inflows and cash outflows. These values are obtained from the revenue and expense assumptions applied to the closed group population.

Pages twelve through fourteen develop the net cash outflows as well as their present value as of the Fiscal Year ending March 31. These pages additionally project each year's community depreciation charge and the amount allocated to the closed group of members.

Summary of Significant Forecast Assumptions and Rationale

For Each of the Five Years Ending March 31, 2027

Basis of Presentation

The accompanying financial forecast presents, to the best knowledge and belief of management of Moravian Home, Incorporated d/b/a Salemtowne (the “Corporation”) (“Management”), the expected financial position, results of operations, and cash flows of the Corporation as of and for each of the five years ending March 31, 2027. Accordingly, the accompanying forecast reflects Management’s judgment as of August 26, 2022, the date of this report, of the expected conditions and its course of action during the forecast period. However, there will usually be differences between the forecasted and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Management’s purpose in releasing this financial forecast is for inclusion in the Corporation’s annual disclosure statement in accordance with Chapter 58, Article 64, of the North Carolina General Statutes. Accordingly, this report should not be used for any other purpose. The assumptions disclosed herein are those that Management believes are significant to the prospective financial statements.

The prospective financial statements included in the forecast have been prepared in accordance with the accounting principles generally accepted in the United States of America. Significant accounting policies are described in the appropriate assumptions and notes to the prospective financial statements. The assumptions described are not all-inclusive.

Background of the Corporation

The Corporation owns and operates a continuing care retirement community (“CCRC”) known as Salemtowne (the “Community”) in Winston-Salem, North Carolina. The mission of the Community is to promote the well-being of its residents by providing a caring environment. Affiliated with the Moravian Church in America, Southern Province, the Community is an ecumenical community that reflects the Moravian values of individual respect, hospitality, life-long learning, and love of the arts.

The Corporation is exempt from income tax as an entity described in Section 501(c)(3) of the Internal Revenue Code. The business and affairs of the Corporation are directed by a self-perpetuating Board of Trustees (the “Board”) composed of not less than 12 and not more than 18 members. The Board currently meets six times per year and at such other times as the Board may determine necessary. No members of the Board are employees of the Community.

The Community

The Community is situated on approximately 117 acres of land located in northwest Winston-Salem near historic Bethabara, the first Moravian settlement in North Carolina. The Community opened in 1972 and consists of the following residential living units available for occupancy:

- 148 independent living apartments (the “Independent Living Apartments”) and 73 independent living cottages (the “Independent Living Cottages” and, collectively with the Independent Living Apartments, the “Independent Living Units”);
- 46 licensed assisted living beds, currently configured in 32 units (the “Assisted Living Units”);
- 20 memory support units (the “Memory Support Units”); and,
- A 100-bed nursing care facility (the “Nursing Care Center” and the “Nursing Beds”).

In addition, the Community includes common areas and amenities such as a community center, fitness center, walking trails, art galleries, computer room, dining rooms, beauty/barber shops, gift shop, libraries, game rooms, and an aquatic center with indoor pool.

The Memory Support Units and the Nursing Beds opened in July 2017. The Assisted Living Units, the Memory Support Units, and the Nursing Care Center are collectively referred to as the “Health Center.” Ten Assisted Living Units, 10 Memory Support Units, and 16 Nursing Beds are sheltered beds and not open for direct admission.

The Community is currently licensed for 46 assisted living beds. In order to meet the needs of assisted living residents desiring more space, Management began joining two adjacent rooms to create larger suites. Suites may accommodate singles, couples, or be reconfigured for two unrelated residents. As of July 2022, the Assisted Living Units were comprised of 18 rooms and 14 larger suites, for a total of 32 units (with 46 licensed beds).

The following table summarizes the type, number, approximate square footage, monthly fees (“Monthly Fees”) and entrance fees (“Entrance Fees”) for the Independent Living Units effective June 1, 2022.

Navigation at Home Program

The Corporation offers a “Continuing Care Services without Lodging” program (“Navigation at Home”), which is designed to provide an option for seniors to age in their homes and access home and community-based services, as needed. Services provided on a capitated basis may include skilled home health care, homemaker, companion, emergency response system, meals, and adult day care. Members of Navigation at Home (“Members”) have access to many of the amenities of the Community. Members must reside in their own home in the program’s designated service area to participate in Navigation at Home. Four plan options, providing varying coverage levels for program services, are offered to potential Members of Navigation at Home as follows: “All Inclusive,” “Enhanced,” “Classic,” and “Access” (collectively, the “Navigation Payment Plans”). The following table shows the percentage of service cost covered for the Navigation Payment Plans.

If the Residency Agreement is terminated during the first 48 months, the Resident, or the Resident's estate, is to receive a refund of the Entrance Fee, less (1) a four percent administration fee, (2) two percent of the Entrance Fee for each month prior to the use of any services (full or partial without prorating) the Residency Agreement remained in effect, and (3) four percent of the Entrance Fee for each month starting with the first month of services used, and (4) any additional fees accrued. If the Residency Agreement is terminated after the first 48 months, the Resident is due no refund of the Entrance Fee. Any refund is due to the Resident no later than 120 days after the effective date of termination, unless the Residency Agreement is terminated by the Community, in which case the refund is to be paid within 60 days.

Entrance Fees are not subject to a refund at the time of the Resident's transfer to the Health Center. Any refund due to the Resident is to be made within 30 days of the date the Resident's Independent Living Unit is reserved by a prospective Resident and such prospective Resident paid the applicable Entrance Fee.

The following table summarizes the Entrance Fee Plans and refund options selected by Residents of the Community and Management's assumed utilization for the forecast.

(2) As of June 1, 2022, the 50% Refundable Plan and the 90% Refundable Plan are no longer offered at the Community.

Termination by the Resident Prior to Occupancy Date

The Residency Agreement can be terminated at any time prior to assuming occupancy at the Community for any reason by giving written notice to the Corporation. The Corporation would issue any refunds due within 60 days of receiving a written termination letter.

Termination by the Resident After the Occupancy Date

After the Occupancy Date, the Resident may terminate the Residency Agreement by providing 14 days written notification. Upon termination, any refund due to the Resident is to be refunded within 30 days from the date the Residence is reserved by a prospective Resident and such prospective Resident paid the applicable Entrance Fee.

- Priority admission to the Health Center; and
- Twenty percent discount on Monthly Fee/Daily Fee for all private pay stays in the Health Center.

Residents who entered the Community prior to May 1, 2014 receive the following benefits:

- Priority admission to the Health Center;
- Reduced Monthly/Daily Fees for services provided in the Assisted Living Units and Memory Support Units; and
- Twenty-four (24) grace healthcare days each fiscal year in the Nursing Beds (“Grace Days”) at no charge for Residents who have paid an Entrance Fee and have a temporary stay. Unused Grace Days cannot be carried forward into future years. Grace Days are not available to permanent residents of the Assisted Living Units or Nursing Beds.

Direct Admissions to the Health Center

Individuals entering directly into the Health Center (“Direct Admit Residents”) from outside the Community are not required to pay an Entrance Fee. Direct Admit Residents may be admitted to the Health Center for short-term respite or rehabilitation stays if beds are available in excess of those needed to satisfy the needs of Residents. Residents of the Community requiring care in the Health Center will have priority access to the Health Center over Direct Admit Residents.

Membership Agreement – Navigation at Home Program

The Corporation has a Membership Services Agreement (the “Membership Agreement”) for individuals wishing to enroll in the Navigation at Home program. The Corporation shall accept persons at least 62 years of age into the Navigation at Home program who are able to meet the financial and medical obligations as a Member in the program. A prospective Member must complete a “Member Application” and sign a medical release form allowing the Corporation to request the past four years of medical records from the Member prospect’s personal physician. Members are expected to obtain and maintain Medicare Parts A and B (or an equivalent substitute policy approved by the Corporation) and suitable supplemental medical insurance.

In exchange for payment of the Membership Fee, the Navigation Monthly Fee, and the payment of certain co-pays, deductibles, fees, costs, and expenses, depending on the type of plan selected by the Member, the Corporation is to provide the Member the following services and programs:

- Access to the Community, including limited select on-campus amenities and common areas;
- Activities and leisure events including but not limited to: social, recreational, spiritual, educational, and cultural activities, and exercise and health programs;
- Care coordination, including a care plan developed by the care coordination team to meet the Member’s particular needs;
- Home inspection, conducted the first year of membership and every other year thereafter (unless required more frequently), to determine if any functional or safety issues exist which could jeopardize the well-being of the Member;
- Transportation to and from outpatient surgery or medical office procedures if the Member is unable to drive. This does not include transportation for regular physician office visits, dialysis, and routine specialist appointments;
- Lifestyle and wellness programs, such as exercise classes, arts and crafts, and wellness seminars; and
- Other services deemed to be appropriate by the care coordination team such as:
 - Home site services, such as skilled home care, homemaker services, and companion services, if the Member requires assistance with one or more activities of daily living;
 - Emergency response system;
 - Delivery of one meal per day for a maximum of one week;
 - Adult day care services;
 - Facility-based assisted living and nursing home services at either the Community or a similar facility approved by the Community. Should the Member move to accommodations other than the Health Center and the cost is higher, the Member would pay the difference between the cost of services at the chosen facility and the current negotiated private pay daily rate for a private room at the Health Center. The Member is to continue to pay the Navigation Monthly Fee.

Other services and programs are available to Members for an additional charge, such as private transportation, catering, and other designated services.

Members who choose to move into an Independent Living Units may cancel their membership and apply their Membership Fee to their Entrance Fee, less an administrative fee of four percent.

If the Membership Agreement is terminated during the first 48 months, the Member, or the Member's estate, is to receive a refund of the Membership Fee, less (1) a four percent administration fee, (2) two percent of the Membership Fee for each month prior to the use of services (full or partial without prorating) the Membership Agreement remained in effect, and (3) four percent of the Membership Fee for each month starting with the first month of services used, and (4) any additional fees accrued. If the Membership Agreement is terminated after the first 48 months, the Member is due no refund of the Membership Fee. Any refund is due to the Member no later than 120 days after the effective date of termination, unless the Membership Agreement is terminated by the Community, in which case the refund is to be paid within 60 days.

In the case of a Member's financial inability to continue to pay the Navigation Monthly Fee because of reasons beyond the Member's control, the Corporation may choose to subsidize all or part of the Navigation Monthly Fee and other costs so long as this subsidy does not impair the Corporation's ability to attain its objectives while operating on a sound financial basis.

Summary of Significant Accounting Policies

- (a) Basis of Accounting - The Corporation maintains its accounting and financial records according to the accrual basis of accounting.
- (b) Cash and Cash Equivalents - Cash and cash equivalents, excluding those classified as investments and assets whose use is limited, include certain investments in highly liquid instruments, including short-term debt securities and money market funds with original maturities of three months or less when purchased.
- (c) Investments - Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value in the balance sheet. The fair values of investments are determined based upon quoted market prices. Investment income or loss (including realized gains and losses on investments, interest, and dividends) is included in investment income without donor restrictions and changes in net assets with donor restrictions. Management has not included any unrealized gains or losses on investments within its forecast.
- (d) Restricted Cash – Restricted cash includes debt service reserve fund and current portion of assets limited as to use held by the trustee under the bond indenture.
- (e) Assets Limited as to Use - Assets limited as to use include an amount set aside to meet the operating reserve requirements of North Carolina General Statute Chapter 58, Article 64. Assets limited as to use under bond indenture agreement consist of the proceeds of borrowing available to pay accrued interest as well as funds set aside for debt service, issuance, and principal fund reserves.

North Carolina General Statute § 58-64-33 requires CCRCs to maintain an operating reserve (the “Statutory Operating Reserve”) equal to 50 percent of the total operating costs in a given year, or 25 percent of such total operating costs if occupancy as of a certain date exceeds 90 percent of the independent and assisted living unit capacity. The Statutory Operating Reserve shall only be released upon the submittal of a detailed request and must be approved by the Department. This law provides security to residents that the Community is able to meet its contractual obligations to provide continuing care.

- (f) Property and Equipment - Property and equipment is stated at cost less accumulated depreciation. Contributed property is recorded at the estimated fair value at the date of receipt. Depreciation is computed under the straight-line method and is based on estimated useful lives of 40 years for buildings, 8 to 10 years for principal equipment, 5 years for minor equipment, and 5 years for vehicles. The cost of maintenance and repairs is expensed as incurred.
- (g) Costs of Borrowing - Net interest costs incurred on borrowed funds related to a project during the construction period are capitalized as components of the costs of acquiring those assets.

- (i) Deferred Marketing Costs - The Corporation capitalizes incremental costs of acquiring contracts and amortizes such costs over the estimated term of the related contract.
- (j) Deferred Financing Costs and Original Issue Premium/Discount - Costs associated with the issuance of the related financing are assumed to be capitalized and amortized over the expected life of the bonds using the straight-line method, which approximates the effective interest method. Debt issuance costs are netted against the related debt on the forecasted balance sheet and the amortization is included in interest expense on the forecasted statement of operations.
- (k) Obligation to Provide Future Services - The Corporation enters into continuing care contracts with residents. A continuing care contract is an agreement between a resident and the Corporation specifying the services and facilities to be provided over the resident's remaining life. Under each contract, the Corporation has the ability to increase fees as deemed necessary. As of the end of each year, the Corporation calculates the present value of the estimated net cost of future services to be provided to current residents, including the cost of facilities, and compares the amount with the balance of deferred revenue from entrance fees at that date. If the present value of the net cost of future services and use of facilities exceeds the balance of deferred revenue from entrance fees, a liability (obligation to provide future services) is recorded. Management has calculated that the value will not exceed the balance of deferred revenue from entrance fees; therefore, no liability for the obligation to provide future services is required to be recorded for the forecast period.
- (l) Income Taxes - The Corporation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, the accompanying forecasted financial statements do not reflect a provision or liability for federal and state income taxes.
- (m) Deferred Revenue from Entrance Fees - Fees paid by a resident upon entering into a continuing care contract, net of the portion thereof which is refundable to the resident, are recorded as deferred revenue and amortized into net resident services revenue using the straight-line method over the estimated remaining life expectancy of the resident, adjusted on an annual basis.
- (n) Refundable Entrance Fees - Refundable Entrance Fees received are deferred and the refundable portion of the Entrance Fee is maintained as a liability, reflecting the Corporation's future obligation for repayment. Refunds of the Refundable Entrance Fees are paid upon termination of the agreement (provided the Resident's Independent Living Unit is reoccupied) or within 24 months, whichever occurs first.

- (o) Benevolent Assistance - The Corporation has a policy of providing benevolent assistance to Residents who are unable to pay. Such residents are identified based on financial information obtained from the Resident and subsequent review and analysis. The Corporation maintains certain net assets with donor restrictions, as well as earnings from net assets with donor restrictions and board designated net assets, to fund the care of such residents. Management has forecasted benevolent assistance based on historical experience at the Community.
- (p) Revenue Recognition - Management has implemented ASU No. 2014-09 “Revenue from Contracts with Customers” and recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance in ASU 2014-09 supersedes the FASB’s prior revenue recognition requirements and most industry-specific guidance. For purposes of the forecast, Management has implemented ASU 2014-09.
- (q) Lease Accounting - The Financial Accounting Standards Board (“FASB”) issued ASU No. 2016-02, Lease Accounting Standard in February 2016. ASU 2016-02 requires all leases with lease terms over twelve months to be capitalized as a right-of-use asset and lease liability on the balance sheet at the date of lease commencement. Leases will be classified as either finance or operating. This distinction will be relevant for the pattern of expense recognition in the statement of operations. The Corporation is currently in the process of evaluating the impact of adoption of this ASU and has not made final determinations. Therefore, for purposes of the forecast ASU 2016-02 has not been implemented by the Corporation.

(1) During fiscal year 2023, Management removed three Independent Living Units from service, for a total of 148 available units.

(2) Year to date occupancy is for the four months ending July 31, 2022.

The assumed number of Independent Living Units becoming available due to resident turnover, the double occupancy rate, the number of annual resident Entrance Fee refunds, and the movement of Residents into the Health Center are provided by the Actuary.

The double occupancy rate for the Independent Living Units is assumed to approximate 45 percent in 2023 and throughout the forecast period.

Entrance Fee and Membership Fee Receipts and Refunds

The assumed turnover for the Independent Living Units due to death, withdrawal, or transfer to assisted living, memory support, or nursing accommodations, and double occupancy of the Independent Living Units has been provided by the Actuary. Refunds of Entrance Fees are generated upon termination of the Residency Agreement and withdrawal from the Community, subject to the re-occupancy of the vacated Independent Living Units. Entrance Fees may be generated from Independent Living Units turning over without a corresponding refund because the Resident has not withdrawn from the Community but has permanently transferred to the Health Center. The assumed number and amount of refunds for the Independent Living Units and Membership Fees are provided by the Actuary. The following table presents the assumed Entrance Fees and Membership Fees received and Entrance Fees and Membership Fees refunded.

Navigation at Home Program

Management began accepting Members into the Navigation at Home program in fiscal year 2015. As of July 31, 2022, there were 114 members in the Navigation at Home program. Management assumes an additional 24 Members annually during the forecast period.

Employee Retention Credit

In response to the economic impact of the COVID-19 pandemic, Congress introduced the Employee Retention Credit (“ERC”). The ERC is a refundable payroll tax credit available to taxpayers who experienced either a full or partial suspension of business operations due to government orders or had a significant drop in gross receipts during 2020 and 2021. In calendar year 2021, the credit is available for 70 percent of qualified wages with a maximum potential credit per qualified employee of \$21,000.

The Corporation qualifies for the ERC based on a partial shutdown and has elected to account for the ERC as a government grant by analogy to ASC 958-605. Under ASC 958-605, the ERC may be recognized once the conditions attached to the grant have been substantially met. An ERC of approximately \$5,104,000 is forecasted to be recorded as revenue and received in fiscal year 2023.

Investment Income

During the forecast period, Management assumes an average annual rate of return of 2.25 percent on the Corporation’s cash, investments, board designated funds and operating reserve accounts; and 1.0 percent on the proceeds of the Series 2015 Bonds, Series 2016 Bonds, and Series 2018 Bonds deposited in the Debt Service Reserve Funds.

Other Income

Other income consists of revenues from additional resident meals and snacks, guest meals, guest apartment rentals, barber and beauty fees, and other miscellaneous sources. These revenues are forecasted by Management to increase 3.0 percent annually throughout the forecast period.

Summary of Expense Assumptions

Operating expenses are estimated by Management based upon the historical experience of the Corporation. Staff salaries and wages are forecasted by Management based on its historical experience and prevailing local salary and wage rates. Salary and wage costs are assumed to increase 5.0 percent on April 1, 2023, 3.0 percent on April 1, 2025, and annually thereafter throughout the forecast period. The cost of employee fringe benefits, consisting primarily of payroll taxes, health insurance and other costs are assumed to approximate 17 percent of salaries and wages throughout the forecast.

The following table summarizes the staffing levels during the forecast period for all departments.

- C. **Adjustments in the Monthly/Daily Fee.** The Corporation usually sets fees annually but shall have the authority to adjust the Monthly/Daily Fee from time to time during the term of this Agreement as it, in its discretion, deems necessary. Any such increase in the Monthly/Daily Fee or other charges may be made by the Corporation upon thirty (30) days written notice to the Resident.

In the event that it should be determined that the Corporation is required to pay ad valorem taxes upon its property, the Monthly/Daily Fee may be adjusted to reflect the amount of such taxes. You will pay all taxes assessed on your personal property.

In the event Salemtowne is assessed sales or use tax on Monthly/Daily fees and/or fees for other services, you agree to pay Salemtowne the amount of such taxes.

- D. **Schedule of Fees.** You have been given a current copy of the Schedule of Fees. Fees and charges may change from time to time, and copies of current fees and charges are available upon request.

- E. **Monthly Statements.** We will furnish you with monthly statements showing the total amount of fees and other charges owed by you, which shall be payable by the 10th of the month. Late payments are subject to an interest charge of one and one-half percent (1.5%) per month from the first of the month. In the event the Corporation initiates any collection actions or legal proceedings to collect payments due from you under this Agreement, you shall be responsible to pay all costs and attorneys' fees incurred by the Corporation in pursuing the enforcement of your financial obligations under this Agreement. The Corporation may terminate this Agreement if you have a past due amount upon thirty (30) days written notice. Termination of this Agreement does not end the obligation of you or your estate to pay all amounts due, no matter when incurred.

You, and your current and future responsible parties (i.e., power(s) of attorney, executor(s)) on your behalf, from your assets and income, agree to pay all costs, expenses, and reasonable attorneys' fees, in the event same must be expended in the collection of any sums due and owed by you to the Corporation.

The Corporation reserves the right, with thirty (30) days' notice, to change the billing date and the payment due date. For a partial first month, the Monthly/Daily Fee is pro-rated on a per diem basis. Thereafter, Monthly/Daily Fees are paid in advance and are pro-rated at termination.

- F. **Assisted Living Center, Health Care Center, and Westerly Place Fees and Charges.**
1. **Priority Entry.** Residents are provided priority over non-residents for entry to the Health Care Center, the Assisted Living Center, and Westerly Place. Salemtowne will make every effort to accommodate residents in the Health Care Center, the Assisted Living Center, and Westerly Place but cannot guarantee the availability of accommodations. In the event the Health Care Center, the Assisted Living Center, or Westerly Place, as applicable, is fully occupied when Resident is in

need of care, Resident agrees to relocate to an alternate health care facility (“a Comparable Facility”). In the event of relocation, Salemtowne will make every effort to transfer Resident back to Salemtowne when accommodations become available.

Upon your relocation to a Comparable Facility, you will continue to be responsible for the Monthly/Daily Fee (unless their Living Accommodation is surrendered). Salemtowne will not be responsible for the charges associated with the alternate health care accommodations.

These benefits may include, but are not limited to: Medicare, Medicaid, prescription, and Veterans benefits.

Residents who receive Medicaid funding and who reside in a Medicaid certified accommodation must have their Social Security, pension, or other monthly income paid directly to Salemtowne in accordance with Medicaid guidelines. Salemtowne will administer and manage these funds, on behalf of Resident in accordance with applicable laws and regulations, to pay for the residence and services provided to Resident.

- H. **Assignment of Benefits.** You will, from time to time, authorize any provider of medical and health services, including Salemtowne, to receive reimbursement as provided under Medicare/Medicaid, any or all Federal, State, and local benefits for which you may be eligible or entitled, and any supplementary insurance programs. If requested by Salemtowne, you will, from time to time, make assignments to the provider of medical and other health services of all benefits otherwise accruing to you under Medicare/Medicaid or other programs and supplementary extended coverage plans to compensate for services rendered. 2. **Not a Participating Provider.** If Salemtowne is not an approved participating provider with your managed care program and you choose to receive health care services at a managed care participating provider, then you agree that you must relocate for as long as necessary for those services to be provided and be responsible for all costs. In addition, while receiving health care services at the managed care participating provider, you agree that unless this Agreement is terminated, you will continue to pay the Monthly/Daily Fee for your Living Accommodation, unless your Living Accommodation has been surrendered.
3. **No Negotiated Managed Care Rate.** If Salemtowne is not a participating provider in your managed care program and a negotiated rate is not agreed upon by Salemtowne, and you would still like to receive health care and services at Salemtowne, then you will be responsible for the full amount of applicable charges not paid by your insurance carrier.
4. **Medicaid.** In the event you receive financial assistance through the Medicaid program while occupying a Medicaid certified bed in the Health Care Center, you will be charged in advance for your liability portion established by the local county department of social services. You will be responsible for all charges for additional items and services requested by you and furnished to you which are not covered under the Medicaid program. Charges shall be made only as permitted under the Social Security Act and applicable regulations.

You agree not to make any gift or other transfer of assets for the purpose of evading your obligations under this Agreement, or if such gift or transfer would render you unable to meet such obligations under this Agreement. Gifts or transfers of assets in this manner, which result in your inability to meet your financial obligations in accordance with this Agreement, will entitle Salemtowne to terminate this Agreement with thirty (30) days' notice, and you or your responsible parties, as applicable, will be liable for any unpaid amounts.
- I. **Power of Attorney.** You agree to execute and maintain in effect a durable power of attorney that is valid under North Carolina law and will survive your incapacity or

disability. This durable power of attorney will designate an attorney-in-fact and an alternate attorney-in-fact who will act for you in managing your financial affairs and in filing for insurance or other benefits under private and public assistance programs as full and complete a manner as you could do if acting personally for yourself. **You will deliver a copy of a fully executed power of attorney to Salemtowne prior to occupancy.** You will not revoke or amend this durable power of attorney except upon execution of a replacement durable power of attorney, a fully executed copy of which will be delivered to Salemtowne. This document also may address at your option, other affairs, such as decisions concerning medical care.

- J. Will.** You agree to execute a Will, and to provide to Salemtowne a copy of such sections of the Will and any revisions, as applicable during the term of this Agreement, to document the name(s) of the person(s) to be contacted in the event of your death (i.e., executor(s)).

In the event of your death, while you are a resident of Salemtowne under this Agreement, only the executor(s) named in your Will (or such person or entity designated by such executor(s)) will be allowed to remove or dispose of your furnishings and belongings in your Living Accommodation and any related storage areas at Salemtowne. Members of your family or those to whom you have granted power of attorney will not be allowed access to your personal property after your death unless they are the executor(s) named in your Will.

The Corporation reserves the right to amend or change its policies, rules, and regulations, including, without limitation, those pertaining to Salemtowne, from time to time at its sole discretion. In any such instance, you shall remain obligated to pay for the full Month/Daily Fee for your Living Accommodation, any extra meals, and any fire alarm charges issued by the fire department.
- L. **Changes in Living Accommodations.** The Corporation has the right to change the Living Accommodation to meet requirements of any applicable statutes, laws, or regulations. The Corporation reserves the right to relocate you to another accommodation when deemed necessary in order for the Corporation to fulfill its strategic, financial or other obligations. Any such decision to relocate you will be discussed thoroughly with you in order to enlist your understanding of the need for and cooperation with the relocation. The Corporation will pay all required packing and moving costs, and all reasonable refurbishing costs necessary to achieve substantial comparability between your accommodation and any new accommodation to which you may be relocated.
- M. **Occupancy by Two Residents.** In the event that two Residents occupy a Living Accommodation under the terms of this Agreement, upon the permanent transfer to the Health Care Center or the Assisted Living Center or the death of one of such Residents, or in the event of the termination of this Agreement with respect to one of such Residents, such as in the case of death or divorce, the Agreement shall continue in effect as to the remaining or surviving Resident who shall have the option to retain the same Living Accommodation or to move to a smaller Living Accommodation, in which event there will be no refund of the Entrance Fee. The remaining or surviving Resident will thereafter pay the Monthly/Daily Fee for one Resident associated with

the Living Accommodation occupied by the Resident. No refund will be payable with respect to the Living Accommodation surrendered, except as provided in the Termination and Refund Provisions of Section VI. Any fees paid for a second Resident are not transferable to a future second Resident, such as in the case of a subsequent marriage.

- N. **Health Insurance.** You will maintain eligible Medicare coverage and one supplemental health insurance policy or equivalent insurance coverage, which adequately covers hospital, medical, prescriptions, and skilled nursing deductibles and co-payments required of your primary insurance plan. Both your primary and supplemental health insurance policies must recognize Salemtowne as a health care provider, or you will assume the financial responsibility for services provided that otherwise could be covered.

You will be responsible for ensuring that the health insurance coverage does not lapse and will provide Salemtowne with evidence of such coverage upon request. If your health insurance coverage should lapse, Salemtowne may require that you reapply for suitable coverage. If you are unable to obtain adequate new coverage, Salemtowne will charge you for any costs of medical and other health care services provided that otherwise would have been covered by an approved policy.

O. **Filing for and Rights to Insurance Benefits.**

- Salemtowne will file claims with your insurance for all covered services. By law, the patient is responsible for payment of the deductible, co-insurance, and any non-covered service. Non-covered services include but are not limited to beauty shop charges.
- As a courtesy, Salemtowne will file claims to your secondary insurance carrier for your Medicare Parts A & B co-insurance unless we are prohibited from filing due to participation requirements of the carrier.
- Deductibles and co-insurance amounts will be billed on your monthly Salemtowne statement. You are responsible for payment of all deductibles and co-insurance billed by Salemtowne upon receipt of the bill. Payments received from your insurance carrier for Medicare Part A co-insurance will be applied to your monthly Salemtowne statement when received.
- Outpatient Services (e.g., therapy) not paid by a Resident's insurance carrier within ninety (90) days of the date of service will become due and payable by Resident unless the claim is subject to Medicare, Medicaid, or an insurance plan in which Salemtowne participates.
- In the event a Resident's health insurance determines a service is "not covered," the Resident will be responsible for payment. Salemtowne tries to inform Residents when services may not be covered; however, it is the Resident's responsibility to understand his/her policy limitations.

- If, for any reason, Salemtowne cannot submit claims directly for benefits payable under insurance required by this Agreement, you agree to make such submissions and to pay Salemtowne the fees, costs or charges for services rendered.
- **Salemtowne reserves the right, in its discretion, to eliminate or change its participation with any and all insurance plans.**

P. Addition of a New Occupant/Sharing Occupancy After Admission/Entry.

1. Addition of a Resident Occupant - If a Resident, while occupying a Living Accommodation, wishes to share a Living Accommodation with a person who is also a Resident, the two Residents may, with the prior written consent of the Corporation, occupy the Living Accommodation of either Resident and shall surrender the Living Accommodation not to be occupied by them. No refund will be payable with respect to the Living Accommodation surrendered, except as provided in the Termination and Refund Provisions of Section VI. Such Residents will pay the Monthly/Daily Fee for double occupancy associated with the Living Accommodation occupied by them.
2. Addition of a Non-Resident Occupant - In the event that a Resident wishes to share a Living Accommodation with a person who is not a Resident (“Non-Resident”), the Non-Resident may become a Resident if such individual meets all of the then current requirements for entry to Salemtowne; enters into a then current version of the Residence and Services Agreement with the Corporation, and pays an Entrance Fee in an amount determined by the Corporation in its sole discretion. The Resident and new Resident shall pay the Monthly/Daily Fee for double occupancy associated with the Living Accommodation occupied by them. If the Non-Resident does not meet the requirements of Salemtowne for entry as a Resident, the Resident may terminate this Agreement in the manner as provided in Section VI. B. with respect to voluntary termination.

Q. Combination of Living Accommodations. Various circumstances may make it desirable that a Living Accommodation occupied by a Resident be combined with an adjoining Living Accommodation to form one combined Living Accommodation. You agree that if a determination is made by the Corporation that it is desirable to combine your Living Accommodation with a Living Accommodation which adjoins your Living Accommodation, you will surrender occupancy of your Living Accommodation, within a reasonable time after receiving notice of such determination. In the event that the Corporation makes such determination and notifies you of such, you have the option to (i) transfer into the combined Living Accommodation when such combined Living Accommodation is ready for occupancy, or (ii) transfer to another Living Accommodation, when available, of the same type as the Living Accommodation previously occupied by you.

If you elect to occupy the combined Living Accommodation and the Entrance Fee established for such combined Living Accommodation exceeds the Entrance Fee paid by you for your previous Living Accommodation, you shall pay the amount of such excess upon taking occupancy. You will pay the Monthly/Daily Fee associated with the combined Living Accommodation as established by the Corporation.

If you elect to transfer to a Living Accommodation of the same type as the Living Accommodation previously occupied, the Corporation will repaint and re-carpet, if needed, such Living Accommodation at our expense prior to occupancy.

- R. **Transfer to Another Living Accommodation.** You may move to a different Living Accommodation at Salemtowne, when it becomes available, upon payment of such fees, consent by the Corporation, and compliance with such guidelines regarding transfers as may be adopted by the Corporation. Salemtowne reserves the right to amend such policies, guidelines, and fees, at its discretion.

If you transfer to another Living Accommodation, you are responsible for paying any difference in the Entrance Fee, if the amount of the Entrance Fee of the new Living Accommodation is greater than the Entrance Fee for the previous Living Accommodation to be vacated. If the Entrance Fee for the new Living Accommodation is smaller than the Entrance Fee for the previous Living Accommodation to be vacated, no refund will be paid for the difference.

- S. **Room or Unit Assignment in Assisted Living Center, Westerly Place, or Health Care Center.** You understand that you acquire no ownership in any property at Salemtowne under this Agreement; also, that no particular room or unit in the Assisted Living Center, Westerly Place, or the Health Care Center is subject to reservation or permanent assignment, and that we may change your room or unit assignment in the Assisted Living Center, Westerly Place or the Health Care Center. Though we retain the right to change your room or unit assignment in the Health Care Center, we agree that we will make changes only as we find such changes to be necessary or advisable.

- T. **Moving Costs.** You are responsible for arranging and paying for all packing and moving costs for moves into, within, and out of Salemtowne. Assistance may be provided by Salemtowne at an additional cost.

Pets must be approved by Salemtowne prior to bringing the pet on campus. Pets may not be a nuisance or pose a health or safety risk to other residents or staff of Salemtowne and must be properly cared for at all times. Failure to comply with the pet policy may necessitate the removal of the pet from the Community. If the pet is not removed after a removal request has been made by the Corporation, Salemtowne reserves the right to terminate this Agreement. You shall be responsible for all damages caused

by your pet, and you agree to have your pet in control at all times when outside of your residence. Salemtowne reserves the right to amend or terminate policies and guidelines related to pets at its discretion.

V. **Smoking, Vaping & Tobacco Products.** Salemtowne is a “Tobacco Free” Community. Smoking, vaping, and use of tobacco products are not permitted anywhere on Salemtowne property including, campus buildings (Babcock Health Care Center, Assisted Living Center, and Community Center, etc.), building entrances, or common areas. The only exceptions are:

- Independent Living Residents and their personal visitors may continue to use these products in their own private residences. In the event concentrated oxygen is required by the Resident, smoking will no longer be permitted in that residence.
- The Health Care Center Administrator may permit smoking for a Resident, if so, a designated smoking area would be created outside. However, the prohibition will remain in effect for a family member or caregiver who may accompany the Resident to the designated area.

W. **Absences.** Monthly/Daily Fees are not subject to change or credit if a Resident is away from the Living Accommodation for any period of time for Assisted Living or the Health Care Center. (For example, vacations, hospital stays, etc.)

You agree to inform Salemtowne (Clinic, Billing Office & Dining Services) when you are going to be away for three (3) days or more and to give us the names of people we can contact in an emergency. In order to provide adequate time for medications to be available, if applicable, you must provide at least 24 hours advance notice of an absence.

You will be entitled to an “away” discount on your Independent Living Monthly/Daily Fee when You (and the 2nd Resident, if applicable) are (both) away from your Independent Living Residence for more than thirty (30) consecutive days in accordance with the program in place at the time of the absence. The “away” discount program is subject to change. No credit or additional carry forward for missed meals will be given during absences. The amount of the “away” discount can be found in the current Schedule of Fees.

V. **TRANSFERS OR CHANGES IN LEVELS OF CARE.** (A change in Living Accommodations within independent living or to the Assisted Living Center, Westerly Place, or the Health Care Center will require no additional residence and services agreement. This Agreement will remain in effect, subject to any applicable amendments referred to in this Agreement.)

A. **Transfer to Health Care Center, Westerly Place or Assisted Living Center.** You agree that the Corporation shall have authority to determine that you should be transferred from your Living Accommodation to the Health Care Center, Westerly

Place or the Assisted Living Center or a separate area within each center. Such determinations shall be made by solely by Salemtowne and based on the professional opinion of the Resident's physician and the Resident Review Committee. This determination, when possible, shall be made after consultation with the Resident, the Resident's physician, a representative of the Resident's family, or the Resident's responsible party.

In the event that you are permanently transferred to the Assisted Living Center, Westerly Place, or the Health Care Center, your Entrance Fee will not be subject to refund at the time of the transfer. Entrance Fees are subject to refund when a resident leaves the community in accordance with section VI.

- B. Transfer to Hospital or Other Facility.** If it is determined by your physician that you need care beyond that which can be provided by Salemtowne you may be transferred to a hospital, center, or institution equipped to give such care, which care will be at your expense. Such transfer will be made only after consultation to the extent practical with the Resident, the Resident's physician, a representative of the Resident's family, or the Resident's responsible party.

In the event it becomes necessary for you to be transferred to a hospital, Salemtowne will provide any information available to meet the provisions of any hospital admissions agreement, and you agree that Salemtowne has the right to provide such information, which may include part or all of your records.

- C. Surrender of Living Accommodation.** If a determination is made by the Corporation that any transfer described in this Section is permanent in nature, you agree to surrender the Living Accommodation and any storage areas, which were occupied by you prior to such transfer, within 30 days of the determination.

You are responsible for the costs of transfer and moving as well as the Monthly/Daily Fee through the last day of occupancy of the Living Accommodation being vacated. For the purposes of this Section V. C., occupancy is defined as the last day that a Resident either resides in the Living Accommodation or the last day that the Resident's furnishings or belongings occupy the Living Accommodation or a storage area at Salemtowne.

If the Corporation subsequently determines based upon the opinion of your physician that you can resume occupancy in accommodations comparable to those occupied by you prior to such transfer you shall have priority to such accommodations as soon as they become available, and you will be responsible for applicable fees as determined by the Corporation.

VI. TERMINATION AND REFUND PROVISIONS

- A. Termination Prior to Occupancy.** This Agreement may be terminated by you at any time prior to taking occupancy at Salemtowne for any reason by giving written notice to the Corporation. This Agreement will automatically be canceled due to death or

physical or mental conditions that would make you ineligible for entry to Salemtowne.

This Agreement may be terminated by the Corporation at any time prior to the date that you take occupancy if the Corporation determines that you do not meet the physical, mental or financial requirements for entry or if it is determined by the Corporation that you have misrepresented or omitted medical, financial, or other information given to the Corporation during the application process.

In the event of such termination (including death, illness, injury, or incapacity), you shall receive a refund of the Entrance Fee paid in accordance with Section II. Any such refund shall be paid by the Corporation within sixty (60) days following termination pursuant to this paragraph.

B. Voluntary Termination. Except as provided in subsection A of this Section VI., you may terminate this Agreement at any time by giving the Corporation written notice of such termination. Fourteen (14) days advance notice is required for independent living, Westerly Place and the Assisted Living Center, and five (5) days advance notice is required for the Health Care Center. If required notice is given, or if no written notice is given, you will be responsible for paying the Monthly/Daily Fee for the applicable Living Accommodation for the full notice period and for each day of occupancy, except you shall only be charged for the days of occupancy when a delay in discharge or transfer would jeopardize your health or safety or that of others at Salemtowne. Any refund of the Entrance Fee due to the Resident following voluntary termination of this Agreement will be made in accordance with Section II A.

C. Abandoned Living Accommodation. You may be deemed to have abandoned the Living Accommodation and terminated this Agreement if you do not occupy a residence at Salemtowne for a period of one continuous year.

In the event of such termination (including death, illness, injury, or incapacity), you shall receive a refund of the Entrance Fee paid in accordance with Section II. Any such refund shall be paid by the Corporation within sixty (60) days following termination pursuant to this paragraph.

D. Temporary Absence. Temporary absence because of illness, trips, or other will not affect your rights to retain occupancy of your Living Accommodation, as long as applicable Monthly/Daily Fees are paid.

E. Termination Upon Death. In the event of your death and you are not survived by a co-Resident residing at Salemtowne, who has signed this Agreement, this Agreement shall terminate and, subject to your continuing obligations described herein, the portion, if any, of the Entrance Fee paid by you to be refunded shall be determined in the same manner described in Section II. herein.

Any refund to which you are entitled shall be paid to your Estate unless you execute a designation and name a trust revocable by you at the time of your death to receive applicable refunds. Should you execute a revocable trust subsequent to signing this Agreement, you or your estate's executor may submit a written beneficiary designation form designating a trust, revocable by you at the time of your death, to receive applicable refunds.

In the event of your death and you are survived by a co-Resident residing at Salemtowne who has signed this Agreement, then this Agreement shall not terminate, and no refund will be payable.

In the event a refund becomes due, the date that the deceased Resident's responsible party/estate executor removes all personal belongings from the Living Accommodation shall determine the termination date. Any refund due to the Resident's estate under this paragraph will be made at such time as such Resident's Living Accommodation shall have been reserved by a prospective Resident and such prospective Resident shall have paid to the Corporation such prospective Resident's full Entrance Fee; provided, however, that the Resident's estate shall continue to be obligated to pay the applicable Monthly/Daily Fee for such Resident's Living Accommodation until such Resident's Living Accommodation is vacated and left in good condition except for normal wear and tear.

- F. Termination by the Corporation.** We may terminate this Agreement at any time (i) if there has been a material misrepresentation or omission made by you during the application process; (ii) if you fail to make payment to the Corporation of any fees or charges due to the Corporation within thirty (30) days after receiving written notice of your failure to pay such fees or charges; (iii) if you do not abide by the rules and regulations adopted by the Corporation or breach any of the terms and conditions of this Agreement; (iv) if the health or safety of other individuals in the Corporation is endangered if you remain in Salemtowne, as determined by a physician, physician assistant or nurse practitioner; (v) the discharge is necessary for your welfare and your needs cannot be met by the Corporation as documented by your physician, physician assistant or nurse practitioner; (vi) if you refuse to relocate as may be required by the Corporation in accordance with this Agreement; or (vii) you engage in activities or conduct disruptive to the Community.

In addition, Resident hereby acknowledges that it is the policy of Salemtowne to conduct sex offender screening for every prospective resident, regardless of independent status or level of care, at the time of application for admission to Salemtowne and again prior to entering into a Residence and Services Agreement. If the screening shows that the prospective resident is identified as a sex offender, Salemtowne will deny admission of the prospective resident on that basis and not execute a Residence and Services Agreement. In addition, Resident hereby acknowledges and agrees that if, after Salemtowne and Resident have entered into a Residence and Services Agreement, Salemtowne becomes aware that Resident is listed on any sex offender registry, Salemtowne may terminate this Agreement with

Resident and remove Resident from Salemtowne. If there is more than one Resident who is a party to this Agreement, the termination of this Agreement in such instance shall only apply to the Resident listed on the sex offender registry.

Following termination of this Agreement pursuant to this Section VI.F., you will be responsible for paying the Monthly/Daily Fee for the applicable Living Accommodation for the full notice period and for each day of occupancy. Any refund of the Entrance Fee due to the Resident following voluntary termination of this Agreement by the Corporation will be made in accordance with this Section VI.

Except in cases of emergency, you will receive a notice of the termination by the Corporation at least thirty (30) days prior to the effective date of termination. You may be entitled to appeal the Corporation's decision to terminate this Agreement, and except in cases of emergency, the Corporation will not discharge you before the final decision resulting from the appeal has been rendered.

G. Condition of Living Accommodation. At the effective date of termination of this Agreement, you will vacate the Living Accommodation, including any storage areas at Salemtowne, and will leave both in good condition except for normal wear and tear. You, or your estate, will be liable to the Corporation for any costs incurred in restoring the Living Accommodation and storage areas to good condition except for normal wear and tear. Such costs may be deducted from any refundable portion of the Entrance Fee due to you or your estate, if any.

H. Removal of Personal Property. In the event of termination of this Agreement, you agree to surrender the Living Accommodation and any storage areas, which were occupied by you within thirty (30) days of the notice of termination.

The Corporation reserves the right to remove your belongings from the Living Accommodation and any storage areas. You will pay a reasonable storage fee or the actual cost of external storage, whichever is applicable. The Corporation is not responsible for any damages incurred to your property if storage becomes necessary. Unclaimed property will become the property of Salemtowne after thirty (30) days following the termination of this Agreement and will be disposed of at the sole discretion of the Corporation.

In the event of your death, while you are a Resident of Salemtowne under this Agreement, only the executor(s) named in your Will (or such person or entity designated by such executor(s)) will be allowed to remove or dispose of your furnishings and belongings in your Living Accommodation and any related storage areas at Salemtowne. Members of your family or those to whom you have granted Power of Attorney will not be allowed access to your personal property after your death, unless they are the executor(s) named in your Will.

I. Refund.

1. **Refund of Entrance Fee.** You or your estate, or a revocable trust designated by you, may be entitled to a refund of the Entrance Fee, provided you or your estate have met all of your obligations under this Agreement. Your refund, if applicable, shall be calculated in accordance with the following:
 - **Standard Refund Entrance Fee.** Your Entrance Fee refund, if applicable, shall be equal to the Entrance Fee less a non-refundable fee of four percent (4%) of the Entrance Fee; the remaining balance is subject to amortization of two percent (2%) for each month of occupancy, as defined herein, for up to forty-eight (48) months, except for any unpaid non-standard costs and accrued expenses that will be deducted. In calculating amortization for purposes of this section, a period of more than fifteen (15) days will be considered as a full month; fifteen (15) days or less will be disregarded for purposes of this calculation. No refund of the Entrance Fee shall be paid after forty-eight (48) months of occupancy. You will not receive a refund of any amounts paid for non-standard features added to the Living Accommodation.
 - **50% Refund Entrance Fee.** Your Entrance Fee refund, if applicable, shall be equal to the Entrance Fee less a non-refundable fee of four percent (4%) of the Entrance Fee; the remaining balance is subject to amortization of two percent (2%) for each month of occupancy, as defined herein, for up to twenty-three (23) months. In calculating amortization for purposes of this section, a period of more than fifteen (15) days will be considered as a full month; fifteen (15) days or less will be disregarded for purposes of this calculation. The refunded Entrance Fee will never be less than 50% of the original Entrance Fee, except for unpaid non-standard costs and accrued expenses that will be deducted. You will not receive a refund of any amounts paid for non-standard features added to the Living Accommodation.
 - **90% Refund Entrance Fee.** Your Entrance Fee refund, if applicable, shall be equal to the Entrance Fee less a non-refundable fee of four percent (4%) of the Entrance Fee; the remaining balance is subject to amortization of one percent (1%) for each month of occupancy, as defined herein, for up to six (6) months. In calculating amortization for purposes of this section, a period of more than fifteen (15) days will be considered as a full month; fifteen (15) days or less will be disregarded for purposes of this calculation. The refunded Entrance Fee will never be less than 90% of the original Entrance Fee, except for unpaid non-standard costs and accrued expenses that will be deducted. You will not receive a refund of any amounts paid for non-standard features added to the Living Accommodation.

The cost to repair damages to the Living Accommodation and storage areas in excess of normal wear and tear, the cost of storage paid by the Corporation and any amounts due and unpaid relating to the cost of care provided by Salemtowne or any third party health care provider, including without limitation, the

Monthly/Daily Fee or other amounts payable to Salemtowne which remain outstanding and the amount of any charges due by Salemtowne on behalf of the Resident, or by the Resident, to the pharmacy, rehabilitation services or any other third party, will be deducted from any applicable refund.

Any refund due you under this paragraph will be made within thirty (30) days from the date that your Living Accommodation shall have been reserved by a prospective Resident, and such prospective Resident shall have paid to the Corporation such prospective Resident's full Entrance Fee.

If, after an extended period of time, a Living Accommodation has not been reoccupied, the Corporation may return, in its sole discretion, the applicable refundable portion of your Entrance Fee, to you or your estate. If a refund is returned prior to a former Living Accommodation being reoccupied, it will be reduced by ten percent (10%) of its original value.

Entrance Fees will not be refunded upon transfer to the Assisted Living Center or the Health Care Center.

2. **Refund of Fee Related to Cost of Care.** You or your estate, or a revocable trust designated by you may be entitled to a refund of that portion of the fee which is related to the cost of health care services provided by Salemtowne or any third party health care provider less any amounts payable to Salemtowne or any third party health care provider through the date the refund is due hereunder. In the case of your death, any refund of the amount of the fee related to the cost of health care services provided by Salemtowne will be made no later than thirty (30) days from the date of your death.

If the Agreement is terminated by the Corporation in an emergency situation (i.e., because the Corporation is no longer able to meet your urgent health care needs, or termination is necessary to protect your health and safety or that of another person at Salemtowne), the refund of the amount of the fee related to the cost of health care services will be made within fourteen (14) days after you leave Salemtowne.

If you terminate this Agreement, any refund shall be made within fourteen (14) days from the date of notice of termination or, if no notice is given, within fourteen (14) days after you leave Salemtowne.

Nothing in this Section shall apply in the event of a transfer to the Assisted Living Center or the Health Care Center.

- J. **Release from Obligations Upon Termination.** Upon termination of this Agreement, Salemtowne is released from any further obligations to you except for the payment of any refund which may be due under this Agreement.

VII. RIGHT OF RESCISSION

Notwithstanding anything herein to the contrary, this Agreement may be rescinded by you giving written notice of such rescission to the Corporation within thirty (30) days following the later of the execution of this Agreement or the receipt of a disclosure statement that meets the requirements of Section 58-64-1, et seq. of the North Carolina General Statutes. In the event of such rescission, you shall receive a refund in an amount equal to the Entrance Fee less a non-refundable fee of four percent 4% of the Entrance Fee less any Monthly/Daily Fees (in accordance with Section II herein) or portion thereof applicable to any period a Living Accommodation or storage area was actually occupied by you or your belongings less any unpaid non-standard costs and accrued expenses. In the event of such rescission, you shall not receive a refund of any amounts paid for non-standard features added to the Living Accommodation. You will not be required to move into Salemtowne before the expiration of such thirty (30) day period. Notwithstanding anything to the contrary in this Agreement, any such refund shall be paid by the Corporation within fourteen (14) days following receipt of written notice of rescission pursuant to this paragraph.

VIII. FINANCIAL ASSISTANCE

A. **Subsidy.** In connection with its charitable mission, it is the desire of the Board of Trustees of Salemtowne that no one leave Salemtowne because of lack of funds. Any disposition of Resident's assets in any way other than for care at Salemtowne or related living/medical expenses to the extent that Resident cannot adequately provide for Resident's expenses or care will nullify this desire on the part of Salemtowne and entitle Salemtowne to terminate Resident's right to reside in Salemtowne.

Salemtowne will make reasonable efforts to acquire the funds necessary to meet Salemtowne's fees for care. However, the resources of Salemtowne to provide care for Residents are not unlimited, and Salemtowne reserves the right to terminate the residency of any person, including Resident, who cannot pay the full cost of Salemtowne's Monthly/Daily Fees and charges, and other costs in connection with such person's stay at Salemtowne.

In the event that a Resident presents facts which in the opinion of the Corporation justify special financial consideration, the Corporation will give careful consideration to subsidizing in whole or in part the Monthly/Daily Fees and other Salemtowne charges payable by the Resident hereunder so long as such subsidy can be made without impairing the ability of the Corporation to attain its objectives while operating on a sound financial basis.

In the event that the Corporation may subsidize in whole or in part the Monthly/Daily Fees and other Salemtowne charges payable by the Resident hereunder, the Resident will be required to execute a separate Financial Assistance Agreement with the Corporation.

In the event that we continue to provide the services to you under the terms of this Agreement despite your financial inability to continue to pay the Monthly/Daily Fee or other Salemtowne charges payable under the terms of this Agreement, Salemtowne shall be entitled to require you to move to a smaller or less costly Living Accommodation.

Any determination by the Corporation with regard to the granting or continuation of financial assistance shall be within the sole discretion of the Corporation, under a separate agreement.

- B. Recovery of Subsidies Provided by Salemtowne.** When a Resident dies or moves out of the community if said Resident's fees have been subsidized wholly or partly by Salemtowne, the Resident or Resident's estate, if any, will be liable to Salemtowne for the full amount of the subsidy the Resident received for the entire time of residency. This paragraph will apply whether or not the Resident is in residence at Salemtowne at the time of death. This Agreement will operate as a lifetime assignment, transfer, and conveyance to Salemtowne of so much of Resident's property as is necessary to cover such liability. Any amount due Salemtowne under this paragraph may be deducted from any refund payable to Resident or to the Resident's estate.
- C. Financial Assistance Funds.** The Corporation has established funds which will be used to assist Residents who would otherwise not be able to live at Salemtowne. Such funds may be used for the purposes of providing financial assistance, but no Resident shall have any claim to or expectation of receiving or continuing to receive any such assistance.

IX. GENERAL

- A. Compliance with Applicable Laws.** Resident and Salemtowne will comply with all laws, rules, regulations, and ordinances promulgated by lawful governmental authorities.
- B. Confidentiality.** The Corporation has the responsibility to keep all of the personal, medical, and financial information you have supplied to it confidential. You consent to the release of any of your personal and medical records maintained by the Corporation (i) to the Corporation's employees, staff, and agents; (ii) to persons and organizations from whom you receive health care services; (iii) to third-party payors of health care services provided by the Corporation or other organizations; and (iv) to others deemed reasonably necessary by the Corporation for purposes of treatment, payment and operations of the Corporation, consistent with applicable state and federal health care privacy laws. You understand and agree that authorized agents of the state or federal government, including the Long Term Care Ombudsman, may obtain your records without your written consent or authorization. Release of your records for other purposes shall be made in accordance with applicable law, with a specific authorization from you or your legal representative where required.

- C. **Assignment.** Your rights and privileges under this Agreement to the facilities, services, and programs of the Corporation are personal to you and may not be transferred or assigned by you or otherwise.
- D. **Resident has no Tenancy Interest or Management Rights in Salemtowne.** The absolute rights of management are reserved by the Corporation, its Board of Trustees, and its administrators as delegated by said Board of Trustees. The Corporation reserves the right to accept or deny any person for residency. Residents do not have the right to determine entry or terms of entry of any other Resident. Salemtowne reserves the right to amend, implement or terminate policies and/or guidelines related to the operation of the community at its sole discretion.

Subject to the terms and conditions of this Agreement, this Agreement gives Resident the right to live in Salemtowne and to receive or have access to the services and amenities described in the Agreement. However, it does not give Resident the rights of a “tenant” as that term is defined by North Carolina state law. Salemtowne retains the exclusive authority to make all management decisions with regard to the management of Salemtowne, including decisions about admission and discharges, setting charges, Salemtowne’s policies and procedures, and the scope of services offered by Salemtowne, consistent with state law and the terms of this Agreement.

- E. **Uncontrollable Interruption of Service.** No breach of Salemtowne’s obligations under this Agreement and no liability for injury to you shall result from an interruption of, or failure to provide, the contracted services under this Agreement due to an act of God or other cause beyond the reasonable control of Salemtowne, specifically including, but not limited to, strikes or other forms of labor disturbances, government regulations and/or embargoes, shortages of labor or materials, fire, flood, earthquake, inclement weather, epidemic or pandemic, or acts of the Resident.
- F. **Moravian Affiliation.** Salemtowne is affiliated with the Moravian Church in America, Southern Province (“Southern Province”). The Southern Province is not responsible for the financial and contractual obligations of Salemtowne.
- G. **Indemnity.** You agree to indemnify, defend and hold us harmless from claims, damages, or expenses, including attorneys’ fees and court costs, resulting from any injury or death to persons and any damages to property caused by, resulting from, attributable to or in any way connected with your negligent or intentional act or omission or those of your guests, including private duty nurses, companions, or other.
- H. **Limitation on Liability.** You understand and agree that the services provided by the Corporation and others within Salemtowne are not designed to protect you from the everyday, normal risks and responsibilities of living, including, but not limited to, such general accidents and situations such as falling, choking on food, and weight loss and/or dehydration resulting from your failure to partake of food and drink. Additionally, you understand and agree that the services provided by the Corporation do not include one-on-one monitoring of you and that your expectations will be consistent with this understanding. The Corporation shall exercise

reasonable care toward you based on your known condition. However, you agree that the Corporation is not an insurer of your welfare and safety. You agree that you will exercise due care to protect yourself from harm.

- I. **Separability.** The invalidity of any restriction, condition or other provision of this Agreement, or any part of the same, shall not impair or affect in any way the validity or enforceability of the rest of this Agreement.
- J. **Resident Contracted Services.** If you wish to privately employ outside assistance, including Salemtowne employed staff, for whatever reason, all Salemtowne policies must be upheld, and prior written approval by Salemtowne management must be obtained. You agree to hold Salemtowne harmless in all situations related to the provisions of such outside services. The Corporation has the right to require termination of such a service at any time.
- K. **Resident Handbook.** You will be given a current copy of the Resident's Handbook as adopted by the Corporation. You understand that these documents will change from time to time.
- L. **Entire Agreement.** This Agreement constitutes the entire contract between the Corporation and Resident. The Corporation shall not be liable or bound in any manner by any statements, representations, or promises made by any person representing or assuming to represent the Corporation, unless such statements, representations, or promises are set forth in this Agreement or in an amendment to this Agreement signed by Salemtowne's President/CEO and by you. Electronic (e.g., pdf) versions of this Agreement shall have the same legal effect as originals, and all of which, when fully executed, shall constitute one and the same instrument.
- M. **Successors and Assigns.** Except as set forth herein, this Agreement shall bind and inure to the benefit of the successors and assigns of the Corporation and the heirs, executors, responsible parties, powers of attorney, administrators, and assigns of you.
- N. **Capacity.** This Agreement has been executed on our behalf by our duly authorized agent, and no officer, trustee, agent, or employee of ours shall have any personal liability hereunder to you under any circumstances. If Resident is, or becomes, unable to understand or communicate his or her health care or financial decision, and is determined by Resident's attending physician to be incapacitated, then in the absence of Resident's prior designation of an authorized legal representative, or upon the unwillingness or inability of a designated legal representative to act, Salemtowne shall have the right to commence a legal proceeding to adjudicate Resident incapacitated and to have a court appoint a guardian for Resident. The cost of the legal proceedings, including attorneys' fees, shall be paid by Resident or Resident's estate.
- O. **Tax Considerations.** You should consult with your tax advisor regarding the tax considerations associated with this Agreement.

- P. Amendments and Partial Invalidation.** Generally, this Agreement can be changed only by mutual written consent. However, the Corporation reserves the right, upon thirty (30) days prior written notice to Resident, to modify or amend this Agreement whenever doing so is necessary to correct errors, omissions, or inconsistencies, to provide clarification of intent, or to conform the documents to the requirements of local, state, or federal laws and regulations applicable to the Corporation, in particular, or to residential life care communities, in general, or whenever doing so is deemed by the Corporation to be in the best interest of the Corporation and the residents in light of changes in health insurance laws and coverages and/or local, state or federal tax laws or regulations.
- Q. Governing Law; Venue; Disputes.** This Agreement shall be governed by, interpreted, construed, and enforced in accordance with the laws of the State of North Carolina, without giving effect to any choice of law or conflict of law rules or provisions that would cause the application of laws or any jurisdiction other than North Carolina. Except to the extent that the parties have agreed to an alternative mechanism for the resolution of a dispute, to the full extent permitted by law, any action, suit, or proceeding arising out of or relating to this Agreement shall be brought and enforced in the courts of the State of North Carolina located in Forsyth County or of the United States District Court for the Middle District of North Carolina, and the parties hereby irrevocably submit to the exclusive jurisdiction of such courts and irrevocably waive any objection that they may now or hereafter have to the laying of venue of any such action or proceeding in such courts.
- R. Behavior Deemed Harmful to Salemtowne.** If Resident is deemed competent and capable of controlling his or her behaviors and engages in behaviors deemed by the President/CEO to be disruptive, hostile, illegal, or otherwise harmful to others or to Salemtowne, Salemtowne reserves the right to terminate this Agreement. If such a circumstance arises, Salemtowne will discuss the matter thoroughly with Resident to provide Resident with knowledge of the behaviors deemed intolerable by Salemtowne. Salemtowne will provide Resident a written warning to desist from the behavior or any similarly disruptive, hostile, illegal, or harmful behavior. Upon determination that Resident is continuing to engage in the behaviors against which Resident has been warned, Salemtowne will have the right to terminate this Agreement.
- S. Gender.** Throughout this Agreement, the use of the masculine gender shall include the feminine, and the use of the singular shall include the plural.
- T. Interpretation.** Headings are for convenience and reference purposes only and shall not affect the interpretation of any provision of this Agreement.
- U. Waivers.** Neither the failure nor any delay on the part of any party to exercise any right, remedy, power, or privilege (“Right”) under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any Right preclude any other or further exercise of the same or of any Right, nor shall any waiver of any Right with

respect to any other occurrence. No waiver shall be effective unless it is in writing and is signed by the party asserted to have granted such waiver.

- V. **Survival.** Those rights and obligations that have accrued as a result of the operation of this Agreement shall survive its termination, as shall those rights and obligations that by their terms survive termination and any provisions that must survive to give effect to their terms, as shall any obligation of Resident to pay costs or expenses of his or her stay at Salemtowne that remain unpaid as of such termination.
- W. **Notice Provisions.** Any notices, consents, or other communications to the Corporation hereunder (collectively “notices”) will be in writing and addressed as follows:
