INTRODUCTION

Wesley Pines (the "Community") brings to residents of the southern North Carolina area, who are age 62 and over, a way of retirement living known as "continuing care." This concept offers retirees a life style designed to meet their unique needs while allowing them the freedom to pursue their personal interests. Continuing care communities, such as the Community, encompass these important components: a private residence, a wide array of personal services, assisted living services, and the security of long-term care in the on-site Health Center.

The Community is owned and operated by The United Methodist Retirement Homes, Incorporated ("UMRH"), a North Carolina not-for-profit corporation, which is committed to providing a quality adult community that is fiscally sound and genuinely responsive to resident needs. UMRH also owns Croasdaile Village, a continuing care retirement community located in Durham, North Carolina and Cypress Glen Retirement Community, a continuing care retirement community located in Greenville, North Carolina. The financial information attached to this Disclosure Statement includes financial information for UMRH and the consolidated operations of Croasdaile Village, Cypress Glen and Wesley Pines. (See further explanation under the "Financial Information" section of this Disclosure Statement.)

One of the purposes of this Disclosure Statement is to explain to prospective residents, their families, and their advisors who and what is involved in the operation of the Community. This Disclosure Statement was prepared on the basis of information available at the time of its publication and assumptions, which were believed to be realistic as of that date. Such information and assumptions are, of course, subject to change and, in particular, are significantly affected by changes in inflation and interest rates.

Since non-technical language has been used in this Disclosure Statement, the text of this booklet and the language of the Residency Agreement signed by a resident may not be the same. Although this Disclosure Statement details the provisions of the Residency Agreement, the Residency Agreement serves as the sole binding contract between the resident and UMRH.

We are pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity throughout the Nation. We encourage and support an affirmative advertising and marketing program in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, or national origin.

WESLEY PINES

The Community is located at 1000 Wesley Pines Road, Lumberton, North Carolina on 48.64 acres of land. It is a continuing care retirement community designed to accommodate persons 62 years of age or older in a dignified manner. Currently, the Community has 10 cottages and 16 villas, 36 assisted living rooms and suites, and 62 skilled nursing beds. As of September 30, 2021, there were 117 residents residing at the Community.

Presently, the types of residences available include: duplex cottages, duplex villas, free-standing villas, and deluxe villas. All of the residences are equipped with safety features such as grab rails in the bathtubs/showers and a wireless emergency nurse call that works from anywhere on the campus.

In addition to the primary intent of the Community, which is to assure the residents of continuing care throughout their retirement years, the Community is designed to create an environment that will enrich the lives of the people who live and work there. The design of the main commons building provides areas for dining and meetings without detracting from the homelike environment of the Community. Some of the amenities that residents can enjoy include:

- three centrally located dining rooms and a private dining room,
- a fellowship building with a large auditorium and a smaller multi-use room,
- a therapy suite for the provision of physical, occupational, and speech therapies,
- card rooms,
- a library,
- a mail area,
- an arts and crafts workroom,
- several living rooms,
- three enclosed courtyards,
- paved nature walk,
- indoor fitness center, and
- a picnic area.

The Community offers assisted living services in the rooms and suites at the Community for an assisted living fee. Services include assistance with the activities of daily living, such as ambulation, bathing, dressing, eating, personal hygiene, toileting, and the supervision or administration of medications.

The Health Center is licensed by the North Carolina Division of Health Service Regulation and is both Medicare and Medicaid certified. The Health Center offers skilled nursing care to the residents of the Community.

Each continuing care resident at the Community is entitled to receive a total of six days of assisted living or nursing care at the Community at no additional charge, except for the charges for physician services and ancillary health services and supplies. Such six days renews on an annual basis and does not accumulate. After the six days of care each year, the services in assisted living and in the Community Health Center are available for the per diem charge.

SMOKE-FREE CAMPUS

The Community is a “smoke-free” campus. Smoking (including E-Cigarettes) is not allowed by residents, guests, and business invitees on the Wesley Pines campus (inside or outside), except in a designated outside area. No smoking areas include, but are not limited to, the residences, hallways, dining rooms, public restrooms, lounge areas, reception areas, waiting rooms, courtyards, entrances, walking paths, driveways, and any other common areas. Smoking is only permitted at the designated area. Violation of the Smoke-Free Campus Policy can result in cancellation of the Residency Agreement for just cause.

FACILITY DEVELOPMENT/EXPANSION

In 2014, the Community started adding new villas based on market demand, with the total compliment not to exceed 10 percent of the total independent living residences per year. Two villas were built and occupied in 2014 and one was built and occupied in 2015. One villa was built in 2017 and occupied in 2018, and one villa was built in 2019 and was occupied in 2020. Villas will be built as pre-sales occur and the prospective resident has paid the 10 percent Entrance Fee deposit. The Community will use the Entrance Fee deposit to begin construction of the villa, thus eliminating the need for long-term financing for the villa construction.

THE PROPOSAL

11. Criteria for Resident Acceptance and Continued Acceptance. Residency Agreements are subject to acceptance by UMRH. At the time of the execution of a Residency Agreement, the resident must be 62 years of age or older, capable of living in a residence (with or without reasonable accommodation or reasonable modification), and have sufficient financial resources to pay the Entrance Fee, Monthly Fee, and any extra charges incurred as defined in the Residency Agreement.

UMRH uses the FINAID system to financially evaluate a prospective resident’s net worth and monthly income. FINAID projects income for prospective residents based on their financial

assets and income sources, and compares this revenue to projected expenses such as monthly fees, personal expenses, and income taxes. Generally, a prospective resident should have a minimum net worth equal to three (3) times the amount of the Entrance Fee (prior to payment of the Entrance Fee). Generally, a prospective resident should have a minimum monthly income range of two times the Monthly Fee (including second person fees when applicable) in effect at the time of residency. Although the asset and income tests listed above are appropriate tests for financial wherewithal, the FINAID software program will be used for all applicants to measure financial qualification.

An inquiry will be made of all prospective residents regarding the prospective resident's ability to live in a residence, with or without reasonable accommodation or reasonable modification. To determine whether a prospective resident meets the health guidelines, the following information will be gathered: (1) insurance and health information will be obtained on a Confidential Data Application and Resident Health Information Form – to be completed by the prospective resident; (2) a Memory Health Assessment will be administered by the Community; and (3) a Health Information Form will be completed by the prospective resident's physician.

After executing a Residency Agreement but prior to occupancy, UMRH can cancel the Residency Agreement if the resident does not pay his or her Entrance Fee; for non-acceptance based on the residency criteria listed above; or if the resident is unable to occupy the residence because of illness, injury or incapacity.

If the resident encounters financial difficulties after residency at Wesley Pines and is unable to pay the total Monthly Fee, the monthly fee for assisted living care or the per diem charge for care in the Health Center, these charges may be deferred as long as the resident has met all "spend-down" provisions of eligibility for the Medicaid program (if applicable) and any public assistance funds. Financial assistance is not available to a resident if he/she impaired his/her ability to meet financial obligations by transferring assets other than to meet ordinary and customary living expenses or by not maintaining Medicare Part A, Medicare Part B, supplemental insurance, or other health insurance after assuming occupancy. A resident will be permitted to remain at Wesley Pines for reduced fees based on his/her ability to pay for as long as the resident establishes facts to justify the deferment. Financial assistance is only available if it does not impair UMRH's ability to operate Wesley Pines on a sound financial basis for the benefit of all residents.

UMRH has the right to cancel the resident's residency (i) if the resident does not comply with the terms of the Residency Agreement or the published operating procedures, covenants, rules, regulations or policies; or (ii) if the resident misrepresented himself/herself during the residency process; or (iii) for nonpayment of fees or charges; or (iv) if it is determined the resident's health status or behavior constitutes a substantial threat to the health or safety of the resident or others, including refusal to consent to relocation, or behavior that would result in physical damage to the property of others or Wesley Pines; or (v) if the resident's physical or mental condition cannot be cared for in assisted living or the Health Center within the limits of their licenses.

2. Residency Agreement. At the time the resident makes application for residency at the Community, the resident will sign a Residency Agreement to reserve the residence selected and will pay an Entrance Fee deposit to UMRH. For an existing residence, the balance of the Entrance Fee is due upon the earlier of the date the resident occupies the Community or within 90 days after

the resident executes the Residency Agreement. For a villa to be constructed, the resident will pay the Entrance Fee in installments:

- The first is equal to 10% of the total Entrance Fee and is paid upon resident's execution of the Residency Agreement;
- The second and third installments are each equal to 25% of the total Entrance Fee and are paid upon certain dates as written in the Residency Agreement;
- The last installment (the balance of the Entrance Fee) is due on the earlier of (i) the date the resident assumes occupancy at the Community or (ii) within thirty (30) days from the date the resident is notified that the residence is ready for occupancy.

The resident will also pay a non-refundable Application Fee. The Application Fee will be used by UMRH to process resident's application for residency.

The Community offers various types of Residency Agreements for the cottage duplexes, duplex villas, free-standing villas, and deluxe villas: a 90 Percent Return of Capital Plan; a 50 Percent Return of Capital Plan; and a Standard Plan. The difference between these types of Residency Agreements is the amount of the Entrance Fee paid and the refund a resident (or resident's estate) is entitled to after a resident assumes occupancy at the Community as described in Paragraph 3.6 below.

3. Reimbursement of the Entrance Fee.

3.1 Nonacceptance. If the resident is not accepted for residency at the Community, the full amount of the Entrance Fee paid by the resident will be promptly refunded, without interest. If the resident's spouse or second person does not meet the requirements for residency, said person may be admitted directly into assisted living or the Health Center as long as accommodations are available and such person qualifies for the care available in those facilities. He/she will pay the full assisted living fee or per diem charge for such care.

3.2 Right of Rescission. In accordance with North Carolina laws and regulations governing continuing care retirement communities, a resident has the right to rescind the Residency Agreement within thirty (30) days following the later of (i) his/her execution of the Residency Agreement; or (ii) the receipt of a Disclosure Statement. The resident is not required to move into Wesley Pines before the expiration of the 30-day rescission period. If the resident rescinds the Residency Agreement, the full amount of the Entrance Fee paid by the resident will be refunded, without interest, within sixty (60) days of receipt of the written notice of rescission.

3.3 Cancellation Prior to Occupancy Due to Death, Illness, Injury, Incapacity or a Substantial Change in Physical, Mental or Financial Condition. If the resident dies before occupying the residence at Wesley Pines or if, on account of illness, injury or incapacity, a resident is unable to occupy the residence at Wesley Pines, then the Residency Agreement will automatically cancel. The resident may also cancel the Residency Agreement prior to occupancy due to a substantial change in resident's physical, mental or financial condition. In all of these events of cancellation prior to occupancy, the resident or resident's estate will receive a refund of the Entrance Fee paid, without interest, less any costs specifically incurred

by the Community at the resident's request. Said refund will be made within 60 days of receipt of the notice of cancellation.

3.4 Cancellation Prior to Occupancy for Other Reasons. If the resident cancels the Residency Agreement prior to occupancy, but after the right of rescission period, for reasons other than those state in Paragraph 3.3 above, the resident will receive a refund of the Entrance Fee paid, without interest, less a non-refundable portion of the Entrance Fee equal to \$2,000 and less any costs specifically incurred by the Community at resident's request. Said refund will be made within 60 days of receipt of the notice of cancellation. For a villa to be constructed, the refund will be made when the villa is reserved by a new resident and the new resident has paid the appropriate Entrance Fee installments to equal the Entrance Fee installments to be refunded to the resident.

3.5 Cancellation Prior to Occupancy if the Villa to be Constructed is Not Available. If the villa to be constructed is not available to the resident within one year from the date of UMRH's execution of the Residency Agreement, then the resident may cancel the Residency Agreement. Resident will receive a full refund of the amount of the Entrance Fee paid, without interest, within 30 days of resident's notice of cancellation.

3.6 Cancellation or Death After Occupancy. In the event the Residency Agreement is canceled after occupancy or in the event of resident's death after occupancy, refund of the Entrance Fee will be as follows:

3.6.1 90 Percent Return of Capital Residency Agreement: Under the 90 Percent Return of Capital Residency Agreement, resident or resident's estate will receive a refund of the amount of the Entrance Fee previously paid by resident, without interest, less 2% for each month of residency or portion thereof for up to five months. Subject to the Community's right of offset, the refund of the Entrance Fee will not be less than 90%. Said refund will be paid at such time as the residence is reserved by a new resident and said new resident has paid the full amount of the Entrance Fee or within two years from the date of cancellation, whichever occurs first.

3.6.2 50 Percent Return of Capital Residency Agreement: Under the 50 Percent Return of Capital Residency Agreement, resident or resident's estate will receive a refund of the amount of the Entrance Fee previously paid by resident, without interest, less 2% for each month of residency or portion thereof for up to 25 months. Subject to the Community's right of offset, the refund of the Entrance Fee will not be less than 50%. Said refund will be paid at such time as the residence is reserved by a new resident and said new resident has paid the full amount of the Entrance Fee or within two years from the date of cancellation, whichever occurs first.

3.6.3 Standard Residency Agreement: Under the Standard Residency Agreement, resident or resident's estate will receive a refund of the amount of the Entrance Fee previously paid by resident, without interest, less an amount equal to the base Entrance Fee as set forth in the resident's Residency Agreement and less 2% for each month of residency or portion

thereof for up to 50 months. After 50 months of occupancy, no refund of the Entrance Fee will be made. Said refund amount, if any, will be paid at such time as the residence is reserved by a new resident and said new resident has paid the full amount of the Entrance Fee or within two years from the date of cancellation, whichever occurs first.

3.7 Cancellation by UMRH. Upon 30 days written notice to the resident and/or his or her legal representative, UMRH may cancel the Residency Agreement at any time on the following grounds, which shall be determined by UMRH in its sole discretion:

- Resident does not comply with the terms of the Residency Agreement or the Community's procedures, covenants, rules or policies; or
- Resident misrepresents himself or fails to disclose information during the residency process; or
- Resident fails to make payment to UMRH of any fees or charges due UMRH within 60 days of the date when due; or
- Resident's health status or behavior constitutes a substantial threat to the health or safety of resident, other residents, or others including resident's refusal to consent to relocation or would result in physical damage to the property of the Community or others; or
- There is a major change in resident's physical or mental condition and said condition cannot be cared for in the Community Health Center within the limits of the Community's license.

Cancellation by UMRH occurs only as a last resort, after it becomes clear to UMRH that cancellation is necessary, and after the resident and/or the resident's legal representative/ responsible party has an opportunity to be heard. Any refund of the Entrance Fee would be computed on the same basis as stated in Paragraph 3.6 above.

4. Payment of a Monthly Fee. The resident is required to pay a Monthly Fee (or a pro rata portion thereof) to the Community on the date the resident assumes occupancy at the Community or within 90 days from the date the Residency Agreement is executed by the resident, whichever is earlier. For a villa to be constructed, the resident will be required to begin paying the Monthly Fee on the date the resident assumes occupancy at the Community or within 30 days of notification that the villa is available for occupancy, whichever is earlier. Thereafter, the Monthly Fee is due upon receipt of a statement and by no later than the 15th day of each month. If there are two residents, a second person Monthly Fee will also be paid. The Monthly Fees are paid to provide the services and amenities described in the Residency Agreement and to meet the expenses associated with the operation of the Community. UMRH may increase the Monthly Fee upon 30 days written notice to the residents if UMRH deems it necessary in order to meet the financial needs of the Community and to provide the services to the residents.

5. Health Care Services. After occupancy, each resident is eligible to receive a total of six days each year of either assisted living care in an assisted living room or suite at the Community or nursing care in the Community Health Center while a resident of in his/her residence. If there are two residents under a Residency Agreement, each resident will receive six days, but the days cannot be combined and used by only one resident. Such six days renews on an annual basis and does not accumulate. While utilizing the six days, the resident will be required

to continue to pay the Monthly Fee for his/her residence, as well as any charges for physician services and ancillary health services and supplies. Once a resident is permanently relocated to assisted living or the Community Health Center, he/she no longer qualifies for the six free days of assisted living or nursing care and will be required to pay the assisted living fee or the per diem charge for such care. [NOTE: The six days of care is a combined total for assisted living care and nursing care at the Community.]

6. Relocation/Moves. UMRH reserves the right to relocate a resident to a different residence or a higher level of care after consultation with the resident, resident's family and attending physician if it is determined that such a move should be made for the benefit of the resident or for the proper operation of the Community or to meet the requirements of law.

7. Provisions for New Second Resident. No person other than the resident may occupy the residence without UMRH's prior written approval. If a second person, who is not a party to the Residency Agreement, wishes to become a resident of the Community, that person's acceptance will be in accordance with the current residency policy. An Entrance Fee as determined by the Community will be paid upon residency. In addition, each month the then-current Monthly Fee for second persons will be paid. If the second person does not meet the requirements for residency, he or she will not be permitted to occupy the residence for more than 30 days, except with UMRH's written approval.

8. Provisions for Resident Marrying Resident. Should the resident marry a person who is also a resident of the Community and should they decide to occupy one residence, they must declare which residence will be occupied and which residence will be released. The refund due for the released residence will be as described in Paragraph 3.6 above. Each month, the then-current Monthly Fee for second persons shall be paid.

9. Insurance. The Residency Agreement requires that, when age eligible, the resident maintain Medicare Part A, Medicare Part B and one supplemental health insurance policy or equivalent insurance coverage acceptable to UMRH. It is also recommended that resident carry personal property insurance and liability insurance.

10. Financial Assistance. Financial assistance may be available to existing continuing care residents who live at the Community under a continuing care residency agreement. The resident cannot impair his/her ability to meet his/her financial obligations by transfer of assets other than to meet ordinary and customary living expenses or by not maintaining Medicare Part A, Medicare Part B, supplemental insurance or other health insurance as outlined in the Residency Agreement. A resident must have met all "spend-down" provisions established in UMRH's Benevolence Policy. Public assistance funds are available for the assisted living rooms/suites at the community, and the Community Health Center is Medicaid certified. The resident must agree to apply for public assistance funds and/or Medicaid, depending on the level of care required by the resident. Financial assistance funds are available as long as providing financial assistance does not impair UMRH's ability to operate the Community on a sound financial basis for the benefit of all residents.

UMRH does not offer financial assistance to those residents who are admitted directly to assisted living or the Health Center as private pay residents. Private pay residents are individuals who did not execute a continuing care residency agreement.

11. Tax Deductions. In accordance with the Internal Revenue Code of 1954, Section 213 and Revenue Rulings (67-185, 68-625, 76-481, 75-302, 75-303, and 93-72) and a Private Letter Ruling (8213102), residents of Wesley Pines may be entitled to an itemized deduction for medical expenses for that portion of the Monthly Fees and Entrance Fees, which represents medical care in the year paid. The tax regulations do not specifically provide a formal method for computing what this portion is; however, IRS Letter Ruling 8213102 indicates a method of calculating a medical expense percentage by using the ratio of medical expenses to all expenses of the Community. Currently, this methodology is in use, but may be subject to change. Each year, the Community distributes a letter to residents describing the recommended medical expense percentages for tax purposes.

All deductions are, of course, subject to limitations imposed by the Internal Revenue Code. Residents are encouraged to consult with a qualified tax advisor before taking any deductions.

FEES

The fee requirements for living at the Community are as follows:

1. Application Fee. Non-refundable application fee of \$200 for an individual or \$200 for a couple is required to be paid at the time of application.

2. Entrance Fee. Payment of an Entrance Fee assures a resident a place in the Community for life as long as the resident complies with the Residency Agreement. At the time the resident makes application for residency at the Community, the resident will sign a Residency Agreement to reserve the residence selected and will pay an Entrance Fee deposit to the Community. The balance of the Entrance Fee will be paid upon the earlier of (i) occupancy or (ii) 90 days after the Residency Agreement is executed. For residents who enter a Residency Agreement for a villa to be constructed, the balance of the Entrance Fee will be paid in incremental percentages on set dates with the remaining balance paid on the earlier of (i) occupancy or (ii) 30 days from the date that the resident is notified that the residence is ready for occupancy. The amount of the Entrance Fee is determined by single or double occupancy and the size and type of the residence reserved. 4. Explanations of Material Differences. Explanations of the material differences for the Balance Sheet, Statement of Operations, and Statement of Cash Flows for the fiscal year 2021 and the actual results for the fiscal year 2021 are included as part of this Disclosure Statement as Attachment 4.

5. Reserves. In accordance with Section 58-64-33 of the North Carolina General Statutes, UMRH is required to maintain an operating reserve for the Community equal to 25 percent of the total operating costs projected for the 12-month period following the period covered by the most recent annual statement filed with the Department of Insurance. Based on the operating reserve calculation submitted to the Department of Insurance, UMRH meets the operating reserve requirement for the Community.

RESERVES AND INVESTMENTS

1. Reserve Requirement. In accordance with Section 58-64-33, North Carolina General Statutes, UMRH is required to maintain \$2,273,224 in an operating reserve for the Community. As of this Disclosure Statement print date, UMRH meets the operating reserve requirement for the Community. Based on the financial forecasts, management believes that UMRH will continue to possess sufficient reserves to satisfy the operating reserve requirement.

2. Financial Assistance Funds. UMRH attempts to provide benevolent care funds to those individuals who have exhausted their resources. The funds are in the amounts necessary to make up the difference between the financial resources of the individual and the Monthly Fees for the occupancy of the residence. Some of the benevolence is covered through apportionments from the North Carolina Annual Conference of The United Methodist Church, Southeastern

Jurisdiction; benevolent care endowments; The United Methodist Retirement Homes Foundation; special offerings conducted by local churches; and individual gifts. Persons receiving benevolent care funds must be residents who have entered the Community under a continuing care residency agreement and must have met all "spend-down" provisions established in the UMRH Benevolence Policy. UMRH does not offer benevolent care funds to those residents who are admitted directly to assisted living or the Health Center as private pay residents. Private pay residents are individuals who did not execute a continuing care residency agreement. The resident must agree to apply for public assistance funds and/or Medicaid, depending on the level of care required by the resident. Benevolent care funds are available as long as providing such funds does not impair UMRH's ability to operate the Community on a sound financial basis for the benefit of all residents.

The Marketing, Occupancy, and Benevolence Committee of the Board of Trustees reviews each benevolence application, provides a recommendation to the Board of Trustees, monitors the availability of benevolent funds, and projects potential future demands on benevolent funds.

3. Investments. Investment decisions are made by the Finance Committee of the Board of Trustees of UMRH. Committee members include: Lee Harris, Charles Mercer, John Link, Paul Lee, Gray Southern and Susan Ezekiel. Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company as of September 30, 2021 and 2020, and the results of their operations, changes in net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplementary information on pages 28 - 29 is presented for purposes of additional analysis rather than to present the financial position and results of operations of the individual organizations and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Notes to Consolidated Financial Statements

1. Summary of Significant Accounting Policies

Organization

The United Methodist Retirement Homes, Incorporated (“UMRH”) is a not-for-profit corporation, which principally provides housing, health care, and other related services to residents through the ownership and operation of Wesley Pines Retirement Community in Lumberton, North Carolina, Cypress Glen Retirement Community (“Cypress Glen”) in Greenville, North Carolina, and Croasdaile Village Retirement Community (“Croasdaile Village”) in Durham, North Carolina. UMRH was incorporated in North Carolina in 1946. UMRH’s corporate office is located in Durham, North Carolina.

The United Methodist Retirement Homes Foundation, Inc. (the “Foundation”), an affiliate of UMRH, is a not-for-profit corporation which was organized in order to raise endowment funds for the residential facilities operated by UMRH, to support benevolent care for residents who are unable to pay for continuing care at the residential facilities operated by UMRH, and to support special programs at the residential facilities operated by UMRH. The Foundation was incorporated under the laws of the State of North Carolina in 1994.

UMRH Affordable Housing Development, LLC (“UMRH-AHD”), a subsidiary of UMRH, is a limited liability company, which was organized in North Carolina in 2002 to further the charitable purposes of UMRH by developing affordable rental housing for senior citizens. UMRH is the sole member of UMRH-AHD.

The consolidated financial statements include the financial statements of UMRH, the Foundation, and UMRH-AHD. All significant intercompany accounts and transactions have been eliminated. UMRH, the Foundation, and UMRH-AHD are collectively referred to as the “Company”.

Basis of Accounting and Presentation

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Cash and Cash Equivalents

Cash and cash equivalents include short-term, highly liquid investments both readily convertible to known amounts of cash and so near maturity at acquisition (three months or less when purchased) that there is an insignificant risk of change in value because of changes in interest rates. Cash equivalents are stated at cost, which approximates fair value. Throughout the year the Company has bank balances which exceed federal depository limits.

The United Methodist Retirement Homes, Incorporated, Its Affiliate, and Subsidiary

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value in the consolidated balance sheets. Interest and dividend income are included in operating income unless the income or loss is restricted by donor or law. Gains and losses, both realized and unrealized, on investments in debt and equity securities are included in non-operating gains (losses).

Assets Limited as to Use

Assets limited as to use consist of funds held for debt service in accordance with the Company's bond issues, funds reserved by insurance regulation, construction funds, entrance fee escrow funds and funds held for residents. Net assets with donor restrictions are restricted by donors or grantors for a specific purpose.

Insurance regulation assets whose use is limited represents funds reserved to comply with North Carolina Department of Insurance regulations. The amount of this reserve is calculated annually in accordance with the requirements of N.C. General Statute 58, Article 64. These investments consist of cash, cash equivalents, and other short-term investments.

Fair Value of Financial Instruments

The carrying amount of cash and cash equivalents approximates its fair value. The fair value of the Company's investments is presented in Note 3 and is based on quoted market prices. The carrying values of accounts receivable, other receivables, accounts payable, and accrued expenses approximate fair value due to the short-term nature of these instruments. The fair value of the Company's interest rate swaps is presented in Note 8. The Company's long-term debt approximates the fair values of those obligations.

Accounts Receivable, Net

Accounts receivable are reported at estimated net realizable amounts from residents and responsible third-party payers. Amounts owed to the Company are reported net of explicit and implicit price concessions. Specific resident balances are written off at the time they are determined to be uncollectible. The process for estimating the ultimate collection of accounts receivable involves significant assumptions and judgments. In this regard, the Company has implemented a standardized approach to estimate and review the collectability of its receivables based on resident receivable aging trends. Historical collection and payer reimbursement experience are an integral part of the estimation process related to determining the ultimate collectability of accounts. In addition, the Company assesses the current state of its billing functions in order to identify any known collection or reimbursement issues to determine the impact, if any, on its reserve estimates, which involve judgment.

The United Methodist Retirement Homes, Incorporated, Its Affiliate, and Subsidiary
Notes to Consolidated Financial Statements

Revisions in reserve estimates are recorded as adjustments to the explicit and implicit price concessions. Management believes that its collection and reserve processes, along with the monitoring of its billing processes, help to reduce the risk associated with material revisions to reserve estimates resulting from adverse changes in collection, reimbursement experience and billing functions.

Trusts Receivable

Trusts receivable represent the present value of irrevocable charitable remainder unitrusts (“CRUTs”) and charitable gift annuities (“CGAs”). The assets related to these CRUTs and CGAs will become the property of the designated beneficiaries upon the donor’s death. An amount equal to the receivable was recorded as net assets with donor restrictions. Adjustments to the asset to reflect changes in present value are recognized as activity through net assets with donor restrictions.

Assets Held for Resale

Assets held for resale consist of two gifted properties, both of which are stated at net book value, which approximates fair value.

Property and Equipment, Net

Property and equipment are recorded at cost. Donated property is recorded at its estimated fair value at the date of receipt, which is then treated as cost. Interest is capitalized on facilities during the construction period. Depreciation is provided using the straight-line method over the estimated useful lives of the assets shown below:

Land improvements	15 to 30 years
Buildings and improvements	5 to 40 years
Equipment and fixtures	2 to 25 years

Annuity Payable

The Foundation acts as trustee for irrevocable charitable remainder unitrusts (CRUTs), charitable gift annuities (CGAs), and charitable remainder annuity trusts (“CRATs”). The assets in these trusts will remain in trust, paying distributions to the donors during their lifetimes, and the remainder assets will become the property of the designated beneficiaries upon the donors’ deaths. Such amounts received are recorded as “investments – restricted” on the consolidated balance sheets. These trusts require specified distributions to be made to the trusts’ designated beneficiaries over the trusts’ terms. The present value of the expected distributions is recorded as annuity obligations. Adjustments to the annuity obligations to reflect amortization of discounts, revaluations of the present value of the estimated future payments and changes in actuarial assumptions are recorded as a change in the value of split-interest agreements.

Funds Held for Others

This liability represents agency funds held in trust for UMRH residents. The related asset is included in assets limited as to use.

Interest Rate Swaps

The interest rate swap agreements are carried at fair value, estimated using a discounted cash flow method at a rate commensurate with the risk involved. A change in the fair value of the interest rate swap agreements is reported in non-operating gains (losses) in the consolidated statements of operations and changes in net assets.

Liability for Refundable Advance Fees

Optional entrance fee plans available to residents include a standard rate plan, a 50% refundable plan, 80% refundable plan, and a 90% refundable plan. The non-refundable portions of these fees are recorded as deferred revenue. The refundable portion is treated as a long-term liability. Refunds of refundable entrance fees are paid upon termination of the agreement (provided the resident's independent living unit is reoccupied) or within twenty-four months, whichever occurs first. The total amount of contractual refund obligations under existing contracts (that is, if all residents with a refundable balance were to have withdrawn) totaled approximately \$38,730,000 and \$40,685,000 at September 30, 2021 and 2020, respectively.

Deferred Revenue from Non-refundable Advance Fees

Deferred revenue from non-refundable advance fees represent payments made by a resident in exchange for the use and privileges of the community for life or until termination of the residency agreement. These advance fees may be partially refundable upon termination of the agreement and generally decline at a rate of 2% per month of occupancy and are paid after termination of the residency agreement (provided the resident's independent living unit is remarketed) or within twenty-four months, whichever occurs first.

Advance fees are recorded as deferred revenue and recognized as revenue earned on a straight-line basis over the estimated remaining life of each resident, beginning with the date of occupancy. Any unrecognized deferred revenue, less any related refund, at the date of death or termination of the contract is recorded as income in the period the death or termination of the contract occurs.

CARES Act Provider Relief Funding

These relief funds are considered voluntary non-exchange transactions subject to terms and conditions specified by the resource provider distributed by the Health Resources Service Administration section of the U.S. Department of Health and Human Services ("HHS"). These conditions create a restriction that such funds must be used to prevent, prepare or respond to the coronavirus ("COVID-19"), creating purpose restrictions in addition to conditions. This conditional grant revenue is recognized as other non-operating gain to the extent conditions/restrictions for entitlement are met for COVID-19 related expenses or lost revenues. Such funds are subject to recoupment to the extent the conditions for entitlement are not met.

Net Assets

Net assets of the Company and changes therein are classified and reported as follows:

Net Assets without Donor Restrictions - Net assets that are not subject to donor-imposed stipulations.

Net Assets with Donor Restrictions - Include those net assets subject to donor-imposed stipulations that may or will be met either by action of the Company and/or the passage of time or those net assets subject to donor-imposed stipulations that they be maintained permanently by the Company. Generally, the donors of these assets permit the Company to use all or part of the income earned on related investments for general or specific purposes.

Net Assets Released from Restrictions - The Company reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of donated assets. When a donor-imposed restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of operations and changes in net assets as net assets released from restrictions.

Net Resident and Patient Service Revenues

Net resident and patient service revenues are reported at estimated net realizable amounts from patients, third-party payors, and others for services rendered, and includes estimated retroactive revenue adjustments due to future audits, reviews, and investigations. Retroactive adjustments are considered in the recognition of revenue on an estimated basis in the period the related services are rendered, and such amounts are adjusted in future periods as adjustments become known or as years are no longer subject to such audits, reviews, and investigations. Historically, such adjustments for the Company have been immaterial in relation to the consolidated financial statements as a whole.

Revenues under third-party payor agreements are subject to examination and retroactive adjustment. Provisions for estimated third-party payor settlements are provided in the period the related services are rendered. Differences between the amounts accrued and subsequent settlements are recorded in operations in the year of settlement.

Excess of Revenues, Gains and Other Support Over Expenses

The consolidated statements of operations and changes in net assets includes excess of revenues, gains and other support over expenses. Changes in net assets without donor restrictions, which are excluded from excess of revenues, gains and other support over expenses, consistent with industry practice, would include net assets released from restriction for purchase of property and equipment and contributions of long-lived assets (including assets acquired using contributions which by donor restrictions were to be used for the purposes of acquiring such assets).

Benevolent Assistance and Community Benefits

The Company currently maintains a benevolent assistance program and policy for residents holding continuing-care residency agreements in the event the resident(s) should become unable to pay for services. The Company reserves the right to change the program and policy from time to time. The benevolent assistance policy will not apply to residents who have impaired their ability to meet financial obligations by transferring assets other than to meet ordinary and customary living expenses, or by not maintaining Medicare Part A, Medicare Part B, supplemental insurance or other health insurance after assuming occupancy. Upon review of each resident's individual financial situation, the Company may permit the resident to remain at the facility for a lesser fee based on the resident's ability to pay, but only after meeting all of the "spend-down" provisions of eligibility for the Medicaid program and any public assistance funds. The Company may decline new benevolent assistance applications if it is determined that deferment of such charges may impair the Company's ability to operate on a sound financial basis. Since the Company does not expect to collect the normal charges for services provided for those residents who meet the benevolent assistance provisions, charges for such assistance are not included in net patient service revenue.

The Company also contributes certain dollars, volunteer hours, healthcare, and housing services to benefit the surrounding community. Total community benefits and charity care were approximately \$5,189,000 and \$6,142,000 for the year ended September 30, 2021 and 2020, respectively, which was made up of \$4,846,000 and \$5,790,000 in unreimbursed healthcare, housing and services and \$343,000 and \$352,000 in community benefits for the year ended September 30, 2021 and 2020, respectively.

Continuing-Care Contracts

The Company enters into continuing-care contracts with various residents. A continuing-care contract is an agreement between a resident and the Company specifying the services and facilities to be provided to a resident over his or her remaining life. Under the contracts, the Company has the ability to increase fees as deemed necessary. At the end of each fiscal year, the Company calculates the present value of the net cost of future services to be provided to current residents and compares the amount with the deferred revenue from advance fees at that date. If the present value of the net cost of future services and use of facilities exceeds the deferred revenue from

The United Methodist Retirement Homes, Incorporated, Its Affiliate, and Subsidiary
Notes to Consolidated Financial Statements

advance fees, a liability (obligation for future costs) is recorded. No liability has been recorded as of September 30, 2021 or 2020, because the present value of the estimated net costs of future services and use of facilities is less than deferred revenues from advances fees. The present value of the net cost of future services and use of facilities was discounted at 1.89% and 1.49% in 2021 and 2020, respectively.

Concentration of Credit Risk

Concentrations of credit risk with respect to patient accounts receivable are limited due to the formalized agreements with third-party payors. The Company has significant accounts receivable (approximately 32% and 35% in 2021 and 2020, respectively) whose collectability or realizability is dependent upon the performance of certain governmental programs, primarily Medicare and North Carolina Medicaid. Management does not believe there are significant credit risks associated with these governmental programs.

Use of Estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Company is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code; accordingly, the accompanying consolidated financial statements do not reflect a provision or liability for federal and state income taxes. The Company has determined that it does not have any material unrecognized tax benefits or obligations as of September 30, 2021.

Subsequent Events

The Company evaluated the effect subsequent events would have on the consolidated financial statements through January 18, 2022, which is the date the consolidated financial statements were issued. See Note 7.

2. Revenue Recognition

The Company generates revenues, primarily by providing housing and health services to its residents. The following streams of revenue are recognized as follows:

Monthly fees:

The life care contracts that residents select require an advanced fee and monthly fees based upon the type of space they are applying for. Resident fee revenue for recurring and routine monthly services is generally billed monthly in advance. Payment terms are usually due within 30 days. The services provided encompass social, recreational, dining along with assisted living and nursing care and these performance obligations are earned each month. Resident fee revenue for non-routine or additional services are billed monthly in arrears and recognized when the service is provided.

Advanced fees:

The non-refundable advanced fees are recognized as deferred revenue upon receipt of the payment and included in liabilities in the consolidated balance sheets until the performance obligations are satisfied. The refundable portion of an entrance fee is not considered part of the transaction price and as such is recorded as a liability in the consolidated balance sheets. Additionally, management has determined the contracts do not contain a significant financing component as the advanced payment assures residents the access to health care in the

The United Methodist Retirement Homes, Incorporated, Its Affiliate, and Subsidiary
Notes to Consolidated Financial Statements

future. These deferred amounts are then amortized on a straight-line basis into revenue on a monthly basis over the life of the resident as the performance obligation is the material right associated with access to future services as described in FASB ASC 606-10-55 paragraph 42 and 51.

Health care services:

In the facility, the Company provides assisted and nursing care to residents who are covered by government and commercial payers. The Company is paid fixed daily rates from government payers. The fixed daily rates and other fees are billed in arrears monthly. The monthly fees represent the most likely amount to be received from the 3rd party payors. Most rates are predetermined from Medicare and Medicaid. Under ASC Topic 606, management has elected to utilize the portfolio approach in aggregating the revenues under these revenue streams.

The Company disaggregates its revenue from contracts with customers by payor source, as the Company believes it best depicts how the nature, timing and uncertainty of its revenues and cash flows are affected by economic factors. See details on a reportable segment basis in the table below:

5. Fair Value of Assets and Liabilities

Fair value as defined under U.S. GAAP is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. U.S. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

- **Level 1:** Observable inputs such as quoted prices in active markets.
- **Level 2:** Inputs other than quoted prices in active markets that are either directly or indirectly observable.
- **Level 3:** Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

When quoted prices are available in active markets for identical instruments, investment securities are classified within Level 1 of the fair value hierarchy. Level 1 investments include mutual funds, exchange-traded funds, government and agency bond funds, and money market funds which are valued based on prices readily available in active markets in which those securities are traded. Level 2 investments include interest rate swap agreements which are valued on a recurring basis based on inputs that are readily available in public markets or can be derived from information available in publicly quoted markets.

The Company does not have any financial assets or liabilities measured at fair value on a recurring basis categorized as Level 3, and there were no transfers in or out of Level 3 during 2021. There were no changes during 2021 to the Company's valuation techniques used to measure asset and liability fair values on a recurring basis.

The following tables set forth by level the fair value hierarchy the Company's financial assets accounted for at fair value on a recurring basis as of September 30, 2021 and 2020.

In May 2016, the North Carolina Medical Care Commission authorized the issuance of tax-exempt, fixed rate Retirement Facilities First Mortgage Revenue Refunding Bonds, Series 2016A (“2016A Bonds”) in the aggregate principal amount of up to \$34,485,000. The bond funds were used to refund the entirety of the 2005A Bonds due October 1, 2025 and October 1, 2035, and the remaining outstanding amount of \$22,715,000 of the 2005C Bonds due October 1, 2032.

In December 2017, the Company issued \$71,970,000 of rated tax-exempt fixed rate Series 2017A Bonds (“2017A Bonds”), consisting of serial and term maturities from October 1, 2018 to October 1, 2047 and \$31,235,000 of tax-exempt direct purchase bank revenue Series 2017B Bonds (“2017B Bonds”) issued by the North Carolina Medical Care Commission and to be purchased by BB&T Community Holdings Co. The 2017B Bonds consist of \$16,150,000 of Series 2017B-1 Bonds to be redeemed by October 1, 2041. The Series 2017B-2 Bonds of \$15,085,000 were redeemed in full in October 2020 with initial entrance fee proceeds received from the Project’s new independent living units. The interest rate on the 2017B Bonds is variable based on prevailing market rates and is reset monthly based on 82.65% of 1-Month LIBOR plus 0.988%.

Principal repayments on bonds payable, excluding discounts and premiums, for the next five years and thereafter, are summarized as follows:

2022	\$ 4,540,000
2023	4,720,000
2024	4,910,000
2025	5,140,000
2026	5,350,000
Thereafter	<u>111,955,000</u>
	<u>\$ 136,615,000</u>

All series of bonds are subject to annual mandatory sinking fund requirements prior to their due dates. There are certain covenants associated with the bonds that are outlined in the Master Trust indentures. The most restrictive of these covenants requires maintenance of a long-term debt service coverage ratio, as defined, of not less than 1.20.

The Company incurred deferred financing costs in the amount of approximately \$2,963,000 in association with the issuance of the above Series Bonds. Amortization expense of approximately \$88,000 and \$86,000 was recognized during 2021 and 2020, respectively, to the interest expense line item on the consolidated statements of operations and changes in net assets. Accumulated amortization was \$463,000 and \$375,000 for the years ended September 30, 2021 and 2020, respectively.

Subsequent to year end, the Company issued \$49,470,000 of Public Finance Authority Retirement Facilities First Mortgage Revenue and Revenue Refunding 2021A Bonds ("2021A Bonds"). The proceeds of the 2021A Bonds will refund a portion of the outstanding 2016A Bonds, refund the 2017B Bonds and build a 54-unit independent living apartment building at Croasdaile Village. The 2021A Bonds have a final maturity of 30-years with a wrapped debt service structure, resulting in a weighted average maturity of 19.9 years and an overall yield to maturity of 3.18%. In addition, the Company issued \$81,375,000 Direct Bank Bonds issued through the North Carolina Medical Care Commission ("2021B Bonds") and bought by Truist Bank with a 15-year commitment. The proceeds of the 2021B Bonds will refund the outstanding 2013A and 2017A Bonds. The 2021B Bonds are initially taxable at an all-in swap rate of 1.748% until July 2023, at which time the interest rate will convert to an all-in tax-exempt swap rate of 2.47%.

8. Interest Rate Swap

Variable rate long-term debt exposes the Company to variability in interest payments due to changes in interest rates. Management believes it is prudent to limit the variability of a portion of its interest payments. To meet this objective, management entered into interest rate swap agreements to manage fluctuations in cash flows resulting from interest rate risk.

In August 2014, the Company entered into a forward interest rate swap agreement with a financial institution in conjunction with the 2014A Bonds that took effect October 1, 2014. The Company pays a fixed rate of 2.97% while the financial institution pays based on 78% of 1-Month LIBOR plus 1.3925%. The difference between the fixed and floating rates is accrued and recorded in interest expense in the accompanying consolidated statements of operations and changes in net assets. The fair value of this derivative instrument is recorded on the consolidated balance sheets as a long-term liability in 2021 and 2020.

In December 2014, the Company entered into a forward interest rate swap agreement with a financial institution in conjunction with the 2014B Bonds that took effect October 1, 2015. The Company pays a fixed rate of 3.195% while the financial institution pays based on 78% of 1-Month Libor plus 1.3925%. The difference between the fixed and floating rates is accrued and recorded in interest expense in the accompanying consolidated statements of operations and changes in net assets. The fair value of this derivative instrument is recorded on the consolidated balance sheets as a long-term liability in 2021 and 2020.

The following schedule outlines the terms and fair values of the interest rate swap agreement.

The United Methodist Retirement Homes, Incorporated, Its Affiliate, and Subsidiary
Notes to Consolidated Financial Statements

By using an interest rate swap to hedge exposure to change in interest rates, the Company exposes itself to credit risk and market risk. Credit risk is the failure of the counterparty to perform under the terms of the derivative contract. Market risk is the adverse effect on the value of the financial instrument that results from a change in interest rates. The market risk associated with an interest rate swap is managed by establishing and monitoring parameters that limit the types and degrees of market risk that may be undertaken.

9. Benevolent Assistance and Other Contractual Adjustments

UMRH maintains records to identify and monitor the level of benevolent assistance it provides. These records include the amount of charges forgone for services and supplies furnished under its benevolent assistance policy. Amounts of benevolent assistance provided based on the cost to provide was approximately \$830,000 and \$780,000 for the years ended September 30, 2021 and 2020, respectively. The benevolent care amount includes approximately \$7,000 for the year ended September 30, 2020 of services discounted for former Methodist Retirement Community (“MRC”) residents who were moved to Croasdaile Village upon the closure of MRC.

Additionally, residents in the health center and assisted living levels of care may be eligible to participate in the North Carolina Medicaid or federal Medicare programs. Contractual adjustments represent the difference between UMRH’s standard rates and the rates paid by net third party payors. For the years ended September 30, 2021 and 2020, the net reduction to patient service revenue by net third party payor contractual adjustments (primarily Medicaid and Medicare) of approximately \$3,241,000 and \$4,229,000, respectively.

10. Retirement Plans

Effective July 1, 2002, UMRH formed a 403(b) defined-contribution retirement plan covering substantially all its employees. UMRH matches 50% of eligible employee contributions up to eight percent on employees’ annual compensation. Matching contributions begin on the first payroll of the first calendar quarter after the employee’s hire date. The employees are immediately vested in their contributions. UMRH matching contributions are vested after the twelfth consecutive month period beginning with the first day of the plan year and ending with the last day of the plan year in which the employee is credited with at least 1,000 hours of service. At the end of the plan year, UMRH’s matching contributions are vested on a sliding scale from zero to 100% based on years of vesting service where employees are 100% vested after 5 years. Retirement plan expense amounted to approximately \$435,000 and \$366,000 for the years ended September 30, 2021 and 2020, respectively.

12. Commitments and Contingencies

The Company is involved in litigation in the ordinary course of business related to professional liability claims. Management believes these claims, if asserted, would be settled within the limits of coverage, which is on a claims-made basis, with insurance limits of \$1,000,000 per claim and \$3,000,000 in the aggregate.

Should the policies not be renewed or replaced with equivalent insurance, claims based on occurrences during their terms but reported subsequently would be uninsured. Management anticipates that such coverage will be renewed or replaced with equivalent insurance as these policies expire.

13. Contingent Liabilities

The Company is self-insured for its employee health insurance and records an estimate for claims incurred but unpaid at year end. The estimated liability for these claims approximated \$303,000 and \$300,000 for the years ended September 30, 2021 and 2020, respectively. The liability is included in current liabilities. The total self-insurance expenses were approximately \$3,090,000 and \$2,990,000. The self-insured plan has a stop loss coverage of \$125,000 and \$80,000 per individual per plan year ended September 30, 2021 and 2020, respectively, and has an \$1,000,000 annual aggregate.

14. Management Fees

The Company pays management fees to Life Care Services LLC ("LCS") pursuant to a Client Services Agreement dated January 1, 2018. Under this Agreement, LCS is to: (i) provide a qualified Corporate Executive Director, who is an employee of LCS; (ii) perform general, financial, personnel, facility and other management services necessary for operation of UMRH's corporate office and the operation and marketing of the communities. The term of the Client Services Agreement is five years terminable by UMRH, with six months' notice, at the conclusion of the third anniversary without cause or penalty. The Company recognized management fee expenses of approximately \$2,265,000 and \$2,209,000 for the years ended September 30, 2021 and 2020, respectively which are included in administrative expenses on the consolidated statement of operations and changes in net assets.

15. Endowment Funds

The Company's endowments consist of individual funds established for a variety of purposes including support for residents in financial need, plant operations and maintenance and other general obligations. The endowments consist of donor-restricted endowment funds. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Trustees of the Company has interpreted the State Prudent Management of Institutional Funds Act ("SPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Company classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance with SPMIFA, the Company considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
 - The purposes of the Company and the donor-restricted endowment fund
 - General economic conditions
 - The possible effect of inflation and deflation
 - The expected total return from income and the appreciation of investments
 - Other resources of the Company
 - The investment policies of the Company

Return Objectives and Risk Parameters

The Company has adopted investment and spending policies for endowment assets that attempt to emphasize long-term growth of principal while avoiding excessive risk. Short-term volatility will be tolerated in as much as it is consistent with the volatility of a comparable market index. Endowment assets include those assets of donor-restricted funds that the Company must hold in perpetuity.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Company relies on a combination strategy of capital preservation and modest capital growth. The Company targets a diversified asset allocation that places a greater emphasis on fixed income investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Company has a policy of utilizing the interest and dividends earned on these endowments for their restricted purposes. The Company believes the investment policy established will facilitate the growth of these endowed funds and allow for earnings on these endowed funds to be used consistent with the intent of the donors.

16. Liquidity and Availability

As part of its liquidity management, the Company has a policy to structure its financial assets to be available as its general expenses, liabilities, and other obligations come due. In addition, the Company invests cash in excess of daily operating funds in short-term investments such as mutual funds, exchange-traded funds, and, money market funds.

In response to the COVID-19 pandemic, the Coronavirus Aid, Relief and Economic Security (CARES) Act was signed into law on March 27, 2020. One provision of the CARES Act was the establishment of the Provider Relief Funds, administered by the U.S. Department of Health and Human Services (HHS). The Provider Relief Funds are being distributed to healthcare providers throughout the country to support the battle against the COVID-19 outbreak. The Company received approximately \$310,000 and \$2,083,000 in general Provider Relief Funds ("PRF") in fiscal year 2021 and 2020, respectively. These funds are intended to reimburse qualifying expenses and lost revenues attributable to COVID-19 and are subject to the terms, conditions, and regulatory requirements set forth by HHS. If the total distributions received by the Company exceed the cumulative amount of qualifying expenses and lost revenues attributable to COVID-19 through December 31, 2021, any excess funding may be subject recoupment. The Provider Relief Funds are accounted for as voluntary nonexchange transactions and related revenues are recognized as eligibility criteria are met. The company recognized approximately \$1,131,000 and \$664,000 in Non-operating gains for the years ended September 30, 2021 and 2020, respectively.

Summary of Significant Forecasted Assumptions and Accounting Policies

1. Nature of Business

The United Methodist Retirement Homes, Incorporated (“UMRH”) is a not-for-profit corporation, which principally provides housing, health care, and other related services to residents through the ownership and operation of Wesley Pines Retirement Community (“Wesley Pines”) in Lumberton, North Carolina, Cypress Glen Retirement Community (“Cypress Glen”) in Greenville, North Carolina, and Croasdaile Village Retirement Community (“Croasdaile Village”) in Durham, North Carolina. UMRH was incorporated in North Carolina in 1946. UMRH’s corporate office is located in Durham, North Carolina.

The financial forecast presents, to the best of management’s knowledge and belief, the expected financial position, results of operations, and cash flows for the forecast period of UMRH, excluding its two affiliates, UMRH Affordable Housing Development, LLC (“UMRH-AHD”) and The United Methodist Retirement Homes Foundation, Inc. (the “Foundation”). UMRH-AHD is a limited liability company, which was organized in North Carolina in 2002 to further the charitable purposes of UMRH by developing affordable rental housing for senior citizens. UMRH is the sole member of UMRH-AHD. The Foundation is a not-for-profit corporation which was organized in order to raise endowment funds for the residential facilities operated by UMRH, to support benevolent care for those residents who are unable to pay for continuing care at the residential facilities operated by UMRH, and to support special programs at the residential facilities operated by UMRH. Accordingly, this forecast reflects management’s judgment as of February 23, 2022, the date of completion of this forecast, of the expected conditions and its course of action.

The assumptions disclosed herein are those that management believes are significant to the forecasted statements. UMRH recognizes that there will be differences between forecasted and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

2. Significant Accounting Policies

Basis of Presentation

The consolidated financial statements included in the forecast have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) with the exception of excluding its two Affiliates. Significant accounting policies are described in the appropriate assumptions and notes to the forecasted financial statements. The assumptions described are not all-inclusive, however.

Use of Estimates

The preparation of the prospective consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

Short-term investments presented as investments in the consolidated balance sheets are not considered cash equivalents since UMRH considers them part of their investing activities. Throughout the year UMRH has bank balances which exceed federal depository limits.

The United Methodist Retirement Homes, Incorporated
Summary of Significant Forecasted Assumptions and Accounting Policies

Restricted Cash

During 2020 UMRH adopted FASB ASU No. 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash*. The amendment's in this update require that a statement of cash flows explain the cash during the period in the total of cash, cash equivalents and amounts generally described as restricted cash or restricted cash equivalents. Amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents which reconciling the beginning of period and end of period total amounts shown on the statements of cash flows. As of September 30, 2021 and 2020, UMRH had approximately \$23,530,000 and \$26,870,000, respectively, invested in cash, cash equivalents, and restricted cash on the statements of cash flows. For purposes of the forecast, management has not presented restricted cash on the statement of cash flows.

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value in the consolidated balance sheets. Interest and dividend income are included in operating income unless the income or loss is restricted by donor or law. Gains and losses, both realized and unrealized, on investments in debt and equity securities are included in non-operating gains (losses).

Assets Limited as to Use

Assets limited as to use consist of funds held for debt service in accordance with UMRH's bond issues, funds reserved by insurance regulation, entrance fee escrow funds, funds held for future construction, and funds held for residents. Net assets with donor restrictions are restricted by donors or grantors for a specific purpose.

Insurance regulation assets whose use is limited represents funds reserved to comply with North Carolina Department of Insurance regulations. The amount of this reserve is calculated annually in accordance with the requirements of N.C. General Statute 58, Article 64. These investments consist of cash, cash equivalents and other short-term investments.

Accounts Receivable, net

Accounts receivable are reported at estimated net realizable amounts from residents and responsible third-party payers. Amounts owed to UMRH are reported net of explicit and implicit price concessions. Specific resident balances are written off at the time they are determined to be uncollectible. The process for estimating the ultimate collection of receivables involves significant assumptions and judgments. In this regard, UMRH has implemented a standardized approach to estimate and review the collectability of its receivables based on resident receivable aging trends. Historical collection and payer reimbursement experience is an integral part of the estimation process related to determining the ultimate collectability of accounts. In addition, UMRH assesses the current state of its billing functions in order to identify any known collection or reimbursement issues to determine the impact, if any, on its reserve estimates, which involve judgment. Revisions in reserve estimates are recorded as an adjustment to accounts receivable. Management believes that its collection and reserve processes, along with the monitoring of its billing processes, help to reduce the risk associated with material revisions to reserve estimates resulting from adverse changes in collection, reimbursement experience and billing functions.

Inventories

Inventories are stated at average cost (approximately first-in, first-out) not in excess of net realizable value.

Assets Held for Resale

Assets held for resale consist of two gifted properties, both of which are stated at net book value, which approximates fair value.

The United Methodist Retirement Homes, Incorporated
Summary of Significant Forecasted Assumptions and Accounting Policies

Property and Equipment

Property and equipment are recorded at cost. Donated property is recorded at its estimated fair value at the date of receipt, which is then treated as cost. The cost of major renewals and betterments are capitalized and depreciated over their estimated useful lives. Upon disposition of equipment, the asset and related accumulated depreciation accounts are relieved and the related gain or loss is credited or charged to operating gains or losses. Expenditures for repairs and maintenance are charged to expense as incurred.

Depreciation is computed using the straight-line method based on the following estimated useful lives:

Land improvements	8 to 30 years
Buildings and improvements	5 to 40 years
Furniture and equipment	2 to 25 years

Funds Held for Others

The liability balance represents agency funds held in trust for UMRH residents. The related asset is included in assets limited as to use. Activity related to these funds is not recorded in UMRH's statements of forecasted operations and changes in net assets.

Interest Rate Swaps

The interest rate swap agreements are carried at fair value, estimated using a discounted cash flow method at a rate commensurate with the risk involved. A change in the fair value of the interest rate swap agreements is reported in non-operating gains (losses) in the consolidated statements of operations and changes in net assets.

Liability for Refundable Advance Fees

Optional Entrance Fee plans available to residents include a standard rate plan, a 50% refundable, 80% refundable, and a 90% refundable plan. The non-refundable portions of these fees are recorded as deferred revenue for non-refundable advanced fees. The refundable portion is treated as a long-term liability. Refunds of refundable entrance fees are paid upon termination of the agreement (provided the resident's independent living unit is reoccupied) or within twenty-four months, whichever occurs first.

Deferred Revenue for Non-refundable Advance Fees

Deferred revenue from non-refundable advance fees represents payments made by a resident in exchange for the use and privileges of the community for life or until termination of the residency agreement. These advance fees may be partially refundable upon termination of the agreement and generally decline at a rate of 2% per month of occupancy and are paid after termination of the residency agreement (provided the resident's independent living unit is reoccupied) or within twenty-four months, whichever occurs first.

Advance fees are recorded as deferred revenue and recognized as revenue earned on a straight-line basis over the estimated remaining life, actuarially adjusted annually, of each resident beginning with the date of occupancy. Any unrecognized deferred revenue, less any related refund, at the date of death or termination of the contract is recorded as income in the period the death or termination of the contract occurs.

Net Assets

Net assets of UMRH and changes therein are classified and reported as follows:

Net Assets without Donor Restrictions - Net assets that are not subject to donor-imposed stipulations.

The United Methodist Retirement Homes, Incorporated
Summary of Significant Forecasted Assumptions and Accounting Policies

Net Assets with Donor Restrictions - include those net assets subject to donor-imposed stipulations that may or will be met either by action of UMRH and/or the passage of time or those net assets subject to donor-imposed stipulations that they be maintained permanently by UMRH. Generally, the donors of these assets permit UMRH to use all or part of the income earned on related investments for general or specific purposes.

Net Assets Released from Restrictions - UMRH reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of donated assets. When a donor-imposed restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of operations and changes in net assets as net assets released from restrictions.

Net Resident and Patient Service Revenues

Net resident and patient service revenues are reported at estimated net realizable amounts from patients, third-party payors, and others for services rendered, and includes estimated retroactive revenue adjustments due to future audits, reviews, and investigations. Retroactive adjustments are considered in the recognition of revenue on an estimated basis in the period the related services are rendered, and such amounts are adjusted in future periods as adjustments become known or as years are no longer subject to such audits, reviews, and investigations. Historically, such adjustments for UMRH have been immaterial in relation to the consolidated financial statements as a whole.

Revenues under third-party payor agreements are subject to examination and retroactive adjustment. Provisions for estimated third-party payor settlements are provided in the period the related services are rendered. Differences between the amounts accrued and subsequent settlements are recorded in operations in the year of settlement.

Benevolent Assistance

UMRH currently maintains a benevolent assistance program and policy for residents holding continuing care residency agreements in the event the resident(s) should become unable to pay for services. UMRH reserves the right to change the program and policy from time to time. The benevolent assistance policy will not apply to residents who have impaired their ability to meet financial obligations by transferring assets other than to meet ordinary and customary living expenses, or by not maintaining Medicare Part A, Medicare Part B, supplemental insurance or other health insurance after assuming occupancy. Upon review of each resident's individual financial situation, UMRH may permit the resident to remain at the facility for a lesser fee based on the resident's ability to pay, but only after meeting all of the "spend-down" provisions of eligibility for the Medicaid program and any public assistance funds. UMRH may decline new benevolent assistance applications if it is determined that deferment of such charges may impair the UMRH's ability to operate on a sound financial basis. Since UMRH does not expect to collect the normal charges for services provided for those residents who meet the benevolent assistance provisions, charges for such assistance are not included in revenue.

Continuing-Care Contracts

UMRH enters into continuing-care contracts with various residents. A continuing-care contract is an agreement between a resident and UMRH specifying the services and facilities to be provided to a resident over his or her remaining life. Under the contracts, UMRH has the ability to increase fees as deemed necessary. No obligation for future costs associated with these contracts has been provided by UMRH because management believes that future cash inflows will be sufficient to cover such costs.

Revenue Recognition

UMRH generates revenues, primarily by providing housing and health services to its residents. The following streams of revenue are recognized as follows:

The United Methodist Retirement Homes, Incorporated

Summary of Significant Forecasted Assumptions and Accounting Policies

Monthly fees:

The life care contracts that residents select require an advanced fee and monthly fees based upon the type of space they are applying for. Resident fee revenue for recurring and routine monthly services is generally billed monthly in advance. Payment terms are usually due within 30 days. The services provided encompass social, recreational, dining along with assisted living and nursing care and these performance obligations are earned each month. Resident fee revenue for non-routine or additional services are billed monthly in arrears and recognized when the service is provided.

Advanced fees:

The non-refundable advanced fees are recognized as deferred revenue upon receipt of the payment and included in liabilities in the consolidated balance sheets until the performance obligations are satisfied. The refundable portion of an entrance fee is not considered part of the transaction price and as such is recorded as a liability in the consolidated balance sheets. Additionally, management has determined the contracts do not contain a significant financing component as the advanced payment assures residents the access to health care in the future. These deferred amounts are then amortized on a straight-line basis into revenue on a monthly basis over the life of the resident as the performance obligation is the material right associated with access to future services as described in FASB ASC 606-10-55 paragraph 42 and 51.

Health care services:

In the facility, UMRH provides assisted and nursing care to residents who are covered by government and commercial payers. UMRH is paid fixed daily rates from government payers. The fixed daily rates and other fees are billed in arrears monthly. The monthly fees represent the most likely amount to be received from the 3rd party payors. Most rates are predetermined from Medicare and Medicaid. Under ASC Topic 606, management has elected to utilize the portfolio approach in aggregating the revenues under these revenue streams.

Concentration of Credit Risk

Concentrations of credit risk with respect to patient accounts receivable are limited due to the formalized agreements with third-party payors. UMRH has significant accounts receivable whose collectability or realizability is dependent upon the performance of certain governmental programs, primarily Medicare and North Carolina Medicaid. Management does not believe there are significant credit risks associated with these governmental programs.

Income Taxes

UMRH has been recognized by the Internal Revenue Service as a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code ("IRC") and is exempt from federal income taxes pursuant to Section 501(a) of the IRC. Accordingly, no provision for income taxes is included in the accompanying forecasted financial statements.

The interest rate on the 2017B Bonds is variable based on prevailing market rates and is reset monthly based on 82.65% of 1-Month LIBOR plus 0.988%.

In December 2021, the Company issued \$49,470,000 of Public Finance Authority Retirement Facilities First Mortgage Revenue and Revenue Refunding 2021A Bonds (“2021A Bonds”). The proceeds of the 2021A Bonds refunded a portion of the outstanding 2016A Bonds, refunded the 2017B Bonds, and build a 54-unit independent living apartment building at Croasdaile Village. The 2021A Bonds have a final maturity of 30-years with a wrapped debt service structure, resulting in a weighted average maturity of 19.9 years and an overall yield to maturity of 3.18%. In addition, the Company issued \$81,375,000 Direct Bank Bonds issued through the North Carolina Medical Care Commission (“2021B Bonds”) and bought by Truist Bank with a 15-year commitment. Interest Rate Swaps

Variable rate long-term debt exposes UMRH to variability in interest payments due to changes in interest rates. Management believes it is prudent to limit the variability of a portion of its interest payments. To meet this objective, management entered into interest rate swap agreements to manage fluctuations in cash flows resulting from interest rate risk. The 2022 balance is based on the 2022 budget and is forecasted to remain consistent over the forecasted period.

In August 2014, UMRH entered into a forward interest rate swap agreement with a financial institution in conjunction with the 2014A Bonds that took effect October 1, 2014. UMRH pays a fixed rate of 2.97% while the financial institution pays based on 78% of 1-Month LIBOR plus 1.3925%. The difference between the fixed and floating rates is accrued and recorded in interest expense in the accompanying consolidated statements of operations and changes in net assets. The fair value of this derivative instrument is recorded on the consolidated balance sheets as a long-term liability.

In December 2014, UMRH entered into a forward interest rate swap agreement with a financial institution in conjunction with the 2014B Bonds that took effect October 1, 2015. UMRH pays a fixed rate of 3.195% while the financial institution pays based on 78% of 1-Month Libor plus 1.3925%. The difference between the fixed and floating rates is accrued and recorded in interest expense in the accompanying consolidated statements of operations and changes in net assets. The fair value of this derivative instrument is recorded on the consolidated balance sheets as a long-term liability.

By using an interest rate swap to hedge exposure to change in interest rates, UMRH exposes itself to credit risk and market risk. Credit risk is the failure of the counterparty to perform under the terms of the derivative contract. Market risk is the adverse effect on the value of the financial instrument that results from a change in interest rates. The market risk associated with an interest rate swap is managed by establishing and monitoring parameters that limit the types and degrees of market risk that may be undertaken.

Expenses

The 2022 expenses, which include resident care, dietary, housekeeping, plant, and general and administrative expenses are forecasted based on the 2022 budget. Expenses are forecasted to increase approximately 2.3% in years 2023 through 2026.

5. Debt Service Coverage Ratio

Credit analysts and lenders generally consider the debt service coverage ratio to be an important factor in evaluating a continuing care retirement community's ability to fund annual debt service with cash flow from net cash revenues and net entrance fees. The debt service coverage ratio computation is not defined by GAAP and is described as a non-GAAP metric. The lack of standardization in calculating debt service coverage ratios makes it difficult to draw relevant comparisons among companies.

The debt service coverage ratio as calculated below comes from the 2014 Financial Ratios & Trends of CARF-CCAC Accredited Organizations, calculated using annual debt service (the current year's capitalized interest cost plus interest expense and scheduled principal payments) in the denominator as annual debt service. Balance Sheet

Variations of 10% or greater between actual and projected results are considered material variations which are explained below:

1. Cash Excessive funds were moved to short-term investments.
2. Assets limited as to use, current portion Debt service funds available for use on the forecast were underestimated.
3. Contributions receivable from UMRH Foundation, current portion Since the change in this number is dependent upon donations to the UMRH Foundation for the benefit of UMRH, the forecast conservatively assumes no change year over year. The variance is due to greater than anticipated donations.
4. Due from related party, current Since the change in this number is dependent upon donations to the UMRH Foundation for the benefit of UMRH, the forecast conservatively assumes no change year over year. The variance is due to greater than anticipated donations.
5. Other assets limited as to use Debt service funds available for use on the forecast were underestimated.
6. Contributions receivable from UMRH Foundation, current portion Since the change in this number is dependent upon donations to the UMRH Foundation for the benefit of UMRH, the forecast conservatively assumes no change year over year. The variance is due to greater than anticipated donations.
7. Deferred marketing costs, net The forecast had amortization beginning in 2022 when it actually began in 2021.
8. Accounts payable and accrued expenses Accrued interest was underestimated on the forecast. Provider relief advanced funding from COVID was included in long-term liabilities in the forecast.
9. Funds held for others Resident deposits exceeded expectation. The forecast assumes no change for conservatism.
10. Interest rate swap agreement The forecast assumes no change year over year. The variance represents the actual change.

Operating Statement

Variances of 10% or greater between actual and projected results are considered material variances which are explained below:

1. Home care revenue Utilization of Home Care services were less than anticipated on the forecast.
2. Investment income Actual investment returns exceeded what was expected in the forecast.
3. Net assets released from restriction The forecast assumes no change in temporarily restricted net assets for conservatism. The audit reflects the actual use of these funds.
4. Other revenue The forecast included provider relief funds here and the audit has this recorded in non-operating gains/(losses).
5. Home care expense Home Care expenses were more than anticipated on the forecast.
6. Interest expense Some expense was expected to be capitalized on the forecast, but was expensed on the audit.
7. Non-operating gains (losses) Due to the uncertainty and volatility of investment gains or losses, contributions, changes in the fair value of interest rate swap agreements and gains or losses on the disposal of PP&E, the forecast conservatively assumes zero. Also, the audit reflects the actual use of provider relief funds here, whereas the forecast includes this in other revenue.
8. Change in donor restricted net assets For conservatism, the forecast assumes no change in temporarily restricted net assets unless there is certainty in the use of or receipt of funds.

Wesley Pines is a continuing care retirement community located at 1000 Wesley Pines Road; Lumberton, NC 28358 (hereafter the "Community").

We will provide residential housing for seniors along with a wide array of personal services and amenities outlined in this Agreement. Subject to the conditions contained in this Agreement, we agree to make available to you the Residence described as follows:

Residence Number _____
Residence Style _____

You may select certain options and custom features in the Residence at an additional charge, which shall not be subject to any refund provision herein. Any such options and custom features selected and paid for by you will become our property. Such options and custom features must be approved by the Executive Director of the Community prior to adding them to the Residence. The Executive Director of the Community has consented to your request to add the options and custom features set forth on Exhibit A attached to this Agreement. You agree to pay the amount(s) set forth on Exhibit A to cover the charges for such items.

As a Resident of the Community, you are offered lifetime use of your Residence and lifetime access to assisted living services and to nursing care in the Community Health Center, subject to the terms and conditions of this Agreement.

To be accepted for residency, you must meet our residency criteria, which includes: having reached the age of 62 (or sharing your Residence with a Joint Resident who is 62 or older); financial guidelines; and the ability to live in a residence (with or without reasonable accommodation and/or reasonable modification) – all as outlined in our current residency policy.

The purpose of this Agreement is to set forth your rights and duties as a Resident of the Community and to delineate the services to be provided at the Community.

1. CHARGES FOR RESIDENCE AND PRIMARY SERVICES.

1.1 Application Fee. Prior to or upon execution of this Agreement, you will pay to us a non-refundable Application Fee of \$_____. The Application Fee will be used by us to process your application for residency.

1.2 Entrance Fee. In order to reside at the Community for life, subject to this Agreement, and to receive the services and amenities described below, you agree to pay to us (in addition to the Monthly Fee described below) an Entrance Fee in the amount of \$_____ (includes first and second person, if applicable). The total amount of the Entrance Fee shall be payable as follows:

1.2.1 Ten percent (10%) of the total Entrance Fee is \$_____, less any previously paid Future Resident Fee (\$_____), equals \$_____, which amount is due and payable upon your execution of this Agreement.

1.2.2 The balance of \$_____ of the Entrance Fee shall be paid on the date of occupancy at the Community but in no event later than ninety (90) days after your execution of this Agreement.

1.3 Monthly Fee. You are obligated to begin paying a Monthly Fee (or a pro rata portion thereof) on the date you assume occupancy at the Community or within ninety (90) days from the date this Agreement is executed by you, whichever is earlier. Thereafter, the Monthly Fee is due upon receipt of a statement from us and by no later than the fifteenth (15th) of each month. The Monthly Fee is initially set at a specific amount that can be increased as described in Paragraph 1.6 below. A "Second Person Monthly Fee" shall become part of the Monthly Fee and shall be paid if two persons are Joint Residents under this Agreement. If there are Joint Residents under this Agreement and one Joint Resident dies, the Second Person Monthly Fee shall cease and the remaining Resident shall continue to pay the Monthly Fee without the Second Person Monthly Fee component.

1.4 Initial Monthly Fee. The initial Monthly Fee payable by you is \$_____ per month and an additional \$_____ per month as a Second Person Monthly Fee component of the Monthly Fee if two persons reside as Joint Residents pursuant to this Agreement.

1.5 Continuance of Monthly Fee. Payment of the Monthly Fee will continue as follows:

1.5.1 In the event of your death (in the case of Joint Residents, the death of the surviving Resident), until your estate removes all of your personal property from the Residence and from any storage unit.

1.5.2 In the event of your permanent relocation to assisted living, to the Community Health Center or Comparable Facility for Health Center Level Services (see definitions in Paragraphs 6.1 and 6.2), or to another care facility licensed to provide the appropriate care you need, until you or your personal representative removes all of your personal property from the Residence and from any storage unit.

1.5.3 In the event of cancellation of this Agreement as outlined in Section 9 or 10, until expiration of the cancellation period and continues until you remove all of your personal property from the Residence and from any storage unit.

1.6 Increase in Monthly Fee. The Monthly Fee is paid to us to provide the services and amenities described in this Agreement and is intended to meet the expenses associated with the operation of the Community. We may increase the Monthly Fee (which includes the Second Person Monthly Fee where applicable) upon thirty (30) days' written notice if we, in our sole discretion, deem it necessary to meet the financial needs of the Community or to provide quality services to the Residents.

1.7 No Reduction in Monthly Fee Due to Absence. If you are absent from the Community, your Monthly Fee will not be reduced.

1.8 Reserve Funds. The amount of the Monthly Fee also is and will continue to be affected by our policy of maintaining reserve funds for the financial security of the Community.

1.9 Late Payment Charge. We will charge a late payment charge in the amount of twenty-five dollars (\$25.00) if the Monthly Fee or any Extra Charges are not paid by the fifteenth (15th) day of the month. Balances over thirty (30) days old will be assessed a one percent (1%) interest charge per month. If we hire a collection agency or attorney to collect the Monthly Fee and Extra Charges past due from you, you are to pay any and all costs of collection, including reasonable attorney's fees, costs, and expenses associated with such collection efforts.

3. TERMS OF RESIDENCY.

3.1 Use of the Residence. The Residence is for living only and will not be used for carrying on any business or profession, nor in any manner in violation of zoning restrictions. This Agreement is not a lease, and grants you only the right to live in the Residence, access to other facilities of the Community, and to available services and amenities, subject to the terms and conditions of this Agreement.

3.2 Duration of Your Right to Occupy the Residence. You may reside in your Residence for as long as you (or either of you in the case of Joint Residents) live unless you (both of you in the case of Joint Residents) are not capable of occupancy as set forth in our residency policy, or this Agreement is canceled by you or by us. If, in the opinion of your attending physician or the Medical Director, your physical or mental health requires that you need assisted living services or nursing care services, you will be requested to relocate to an assisted living apartment or suite or to the Community Health Center or a Comparable Facility for Health Center Level Services (see definitions in Paragraphs 6.1 and 6.2).

3.3 Occupants of the Residence. Except as hereinafter provided, no person other than you (both of you in the case of Joint Residents) may occupy the Residence. In the event that a second person who is not a party to this Agreement is accepted for residency in the Residence after the date we sign this Agreement (said acceptance to be in accordance with our current residency policy), an Entrance Fee in an amount to be determined by us (which will be no more than one-half of the then-current Entrance Fee for the Residence) shall be paid upon residency,

and each month thereafter, the then-current Second Person Monthly Fee shall be paid as part of the Monthly Fee. If such second person does not meet the requirements for residency, such second person will not be permitted to occupy the Residence for more than thirty (30) days, except with our express written approval.

If the Resident marries a person who is also a resident of the Community, and should they decide to occupy one residence as Joint Residents, they must declare which residence will be occupied and which residence will be released. The refund due for the released residence, if any, will be provided as described in Paragraph 11.5 of this Agreement.

3.4 Guests. Guests are welcome to stay in your Residence for short stays not to exceed ten (10) consecutive days. Such stay shall not, in the opinion of the Executive Director, adversely affect the operation of the Community or be inconsistent with the welfare of our residents.

3.5 Release. We are not responsible for theft, loss of or damage to your personal property, unless such theft, loss or damage is caused by our negligence or the negligence of our agents or employees, and you hereby release us from such liability.

3.6 Insurance. Our insurance does not cover your personal property or your liability. You are required at your own expense to carry personal property insurance and liability insurance. If requested by us, you agree to provide us with proof of such insurance coverage.

3.7 Removal and Storage of Resident's Personal Property. Your personal property must be removed from the Residence and from any storage unit as follows:

3.7.1 Within thirty (30) days following the date of your death (if Joint Residents, the date of death of the surviving Resident). If your personal property is not removed from the Residence and from any storage unit within such thirty (30) days, we will continue to charge your estate the Monthly Fee as outlined in Paragraph 1.5.1 above, or we may remove and store such personal property at the expense and risk of your estate. Your Entrance Fee will continue to amortize, if applicable, until the Residence and any storage unit is completely vacated. We will only allow the executor(s) named in your Will to remove or dispose of your personal property in your living accommodation and any related storage unit at the Community. Members of your family or those to whom you have granted power of attorney will not be allowed access to your personal property after your death, unless they are the executor(s) named in your Will.

3.7.2 Within thirty (30) days following the date notice is delivered to you of your permanent relocation to assisted living, to the Community Health Center or a Comparable Facility for Health Center Level Services (see definitions in Paragraphs 6.1 and 6.2), or to another care facility licensed to provide the appropriate care you need. If your personal property is not removed from the Residence and from any storage unit within such thirty (30) days, we will continue to charge you the Monthly Fee as outlined in Paragraph 1.5.2 above, or we may remove and store such personal property at your expense and risk.

3.7.3 At the end of the cancellation period outlined in Section 9 or 10. If your personal property is not removed from the Residence and from any storage unit by the end of the cancellation period, we will continue to charge you the Monthly Fee as outlined in Paragraph 1.5.3 above, or we may remove and store such personal property at your expense and risk. Your Entrance Fee will continue to amortize, if applicable, until the Residence and any storage unit is completely vacated.

3.8 Furnishings. Furnishings within the Residence will not be provided by us except as stated in Paragraph 2.1. Furnishings provided by you shall not be such as to interfere with your health, safety or general welfare, or that of other residents or others.

3.9 Emergency Entry and Relocation. We may enter your Residence should it be necessary in an emergency to protect your health or safety or the health or safety of other residents. If relocation is recommended by the Medical Director or your attending physician, we will request that you relocate to another residence within the Community, to the Community Health Center or a Comparable Facility (as defined in Paragraph 6.2), or to a hospital or other care facility for the protection of your health or safety or for the health or safety of the other residents of the Community.

3.10 Alterations by You. You may not undertake any alterations to your Residence without our prior written approval. Said alterations will be set forth in a separate addendum to this Agreement, signed by you and us.

3.11 Condition of Residence. Upon vacating the Residence, you agree to leave it in good and clean condition. You shall be liable to us for any charges, which we may incur to restore your Residence to good and clean condition, except for normal wear and tear.

3.12 Rights of Second Single Resident. When two Joint Residents reside in a single Residence under this Agreement, upon the death or permanent relocation of one Resident to a different level of care at the Community, or other inability of that Resident to continue residing in the Residence, the remaining Resident may continue to reside in the Residence under the terms of this Agreement and shall pay the Monthly Fee.

3.13 Smoke-Free Community. The Community is a smoke-free community pursuant to its Smoke-Free Campus Policy (a copy of which is available upon request), wherein the campus and buildings have been designated as "smoke free". Smoking (including E-Cigarettes) is not allowed by residents, guests, and business invitees on the campus (inside or outside), except in a designated outside area. No smoking areas include, but are not limited to, the residences, hallways, dining rooms, public restrooms, lounge areas, reception areas, waiting rooms, courtyards, entrances, walking paths, driveways, and any other common areas. Smoking is only permitted at the designated outdoor area. Violation of the Smoke-Free Campus Policy can result in our cancellation of this Agreement for just cause as outlined in Paragraph 9.1 hereof.

3.14 Firearms Policy. The Community has adopted a policy governing the possession of firearms at the Community. Firearms need to be registered with the Community and properly secured. In the event that you are unable to safely maintain a firearm, we will contact your

designated power of attorney, legal representative or family member to remove any firearms from your Residence.

4. FREE DAYS OF ASSISTED LIVING OR NURSING CARE. You are eligible to receive a total of six (6) days each year of either assisted living care in an assisted living apartment or suite or nursing care in the Community Health Center while you are a resident of your Residence. In the case of Joint Residents, each of you will receive six (6) days, but the days cannot be combined and used by only one of you. Such six (6) days renews on an annual basis and does not accumulate. Once you are permanently relocated to assisted living, the Community Health Center or Comparable Facility, you no longer qualify for the six (6) free days of assisted living or nursing care and will be required to pay the per diem charge for such care. **[NOTE: The six (6) days of care is a combined annual total for assisted living care and nursing care at the Community.]**

5. ASSISTED LIVING SERVICES.

5.1 Description of Assisted Living Services. We offer assisted living services in the apartments and suites of the Community. Assisted living services include assistance with the activities of daily living such as ambulation, bathing, dressing, eating, personal hygiene, toileting, and the supervision or administration of medications. You will be given priority over non-residents for admission to assisted living.

5.2 Transfer to Assisted Living Care. In the event your physical or mental health is determined by us to be appropriate for assisted living care, you agree to relocate to an assisted living apartment or suite at the Community. Such a determination will be made by us after a review by the Director of Nursing, the Medical Director and the Executive Director in consultation with your attending physician, your personal representative, and you to the extent possible.

5.3 Temporary Relocation to Assisted Living. In the event you require temporary assisted living care (beyond the six (6) days of care as outlined in Section 4, if applicable), you will pay the then-current monthly fee applicable to assisted living, as well as the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above.

5.4 Permanent Relocation to Assisted Living Care. In the event you require permanent assisted living care (beyond the six (6) days of care as outlined in Section 4, if applicable), you will pay to us the then-current monthly fee applicable to assisted living. You will be required to release your Residence to us, and remove all of your personal property from the Residence and from any storage unit as outlined in Paragraph 3.7.2. Once the Residence is released, we shall have the right to reassign the Residence for occupancy by others except as provided in Paragraph 3.12. Release of the Residence due to your permanent relocation to assisted living care does not qualify you for a refund of the Entrance Fee, unless this Agreement is canceled. Subject to the terms and conditions of this Agreement, you shall continue to pay the Monthly Fee for the Residence in accordance with Paragraph 1.5.2 above.

5.5 Return to Residence. If we subsequently determine, in consultation with your attending physician, your personal representative and you to the extent possible, that you no longer need assisted living care and you can resume occupancy in a residence equivalent to the

residence you previously occupied, you shall have the right to relocate to such equivalent residence as soon as one is available. Upon your relocation to an equivalent residence, you agree to pay the then-current Monthly Fee for that residence.

5.6 Alternate Accommodations. In the event that the assisted living apartments and suites at the Community are fully occupied when you are determined to need assisted living care, you agree to relocate to another assisted living facility to receive assisted living care at your own expense. We will not be responsible for the charges associated with the alternate assisted living facility. You shall continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above.

5.7 Transfer to Another Level of Care. If we determine after consultation with your attending physician, your personal representative and you to the extent possible, that you need care beyond assisted living, you agree to transfer to the Community Health Center, a Comparable Facility (as defined in Paragraph 6.2), or to another care facility licensed to provide the appropriate care you need. Subject to the terms and conditions of this Agreement, you shall continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above.

5.8 Long-Term Care Insurance. We will use reasonable efforts to assist you in working with your long-term care insurance provider to obtain the benefits to which you may be entitled.

5.9 Assisted Living Residency Agreement. If you require assisted living care at the Community, you agree to enter into a separate Assisted Living Residency Agreement to be signed by you and us.

6. THE COMMUNITY HEALTH CENTER.

6.1 Description. The Community Health Center is the portion of the Community which is licensed to provide two levels of care: intermediate nursing care and skilled nursing care (collectively "Health Center Level Services"). The Community Health Center is staffed by licensed nursing personnel 24 hours a day.

6.2 Alternate Accommodations. You will be given priority over non-residents for admission to the Community Health Center. In the event the Community Health Center is fully occupied when you are determined to need such care, you agree to relocate to an alternate health care facility that provides services similar to the Community Health Center or to another care facility licensed to provide the appropriate care you need (a "Comparable Facility") until an appropriate space becomes available for you at the Community. We will not be responsible for the charges associated with the Comparable Facility. Upon your relocation to a Comparable Facility, you shall continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above.

6.3 Transfer to Health Center Level Services. In the event your physical or mental health is determined by us to be appropriate for Health Center Level Services, you agree to relocate to the Community Health Center or a Comparable Facility. Such a determination will be made by us after a review by the Director of Nursing, the Medical Director and the Executive

Director in consultation with your attending physician, your personal representative, and you to the extent possible.

6.4 Temporary Relocation to the Community Health Center. In the event you require temporary care in the Community Health Center (beyond the six (6) days of care as outlined in Section 4, if applicable), you will pay the per diem charge applicable to the level of care needed by you, as well as the charges for physician services and any additional health services as outlined in Paragraph 6.8. In addition, you will continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above.

6.5 Permanent Relocation to Health Center Level Services. In the event you require permanent care in the Community Health Center (beyond the six (6) days of care as outlined in Section 4, if applicable), you will pay the per diem charge applicable to the level of care needed by you, as well as the charges for physician services and any additional health services as outlined in Paragraph 6.8. If you are determined appropriate for Health Center Level Services, and are permanently relocated to the Community Health Center or a Comparable Facility, you will be required to release your Residence to us, and remove all of your personal property from the Residence and from any storage unit as outlined in Paragraph 3.7.2. We shall have the right to reassign the Residence for occupancy by others except as provided in Paragraph 3.12. Release of the Residence due to your permanent relocation to the Community Health Center or to a Comparable Facility does not qualify you for a refund of the Entrance Fee, unless this Agreement is canceled. You will continue to pay the Monthly Fee in accordance with Paragraph 1.5.2 above.

6.6 Relocation within the Community Health Center. We reserve the right to relocate you to a different level of care within the Community Health Center if you require such care. Such relocation will be made after a review by the Director of Nursing, the Medical Director and the Executive Director in consultation with your attending physician, your personal representative, and you to the extent possible.

6.7 Return to Residence. If we subsequently determine, in consultation with your attending physician, your personal representative and you to the extent possible, that you can resume occupancy in a residence equivalent to the residence you previously occupied, you shall have the right to relocate to such equivalent residence as soon as one is available. Upon reoccupying a residence, your Monthly Fee will be based on the then-current Monthly Fee for that residence.

6.8 Medical Director, Attending Physician, and Additional Health Services. We have designated a licensed physician to serve as Medical Director of the Community Health Center. You are required to have a local attending physician. You may engage the services of the Medical Director at your expense. If your personal physician will be providing you with services in the Community Health Center, he/she may do so upon providing us with his/her credentials and with proof of liability insurance, and he/she agrees to abide by our policies and procedures. We will not be responsible for the charges for medical treatment or services by the Medical Director or your attending physician, nor will we be responsible for the charges for medication, prescribed therapy, nursing supplies, and other medical and miscellaneous supplies and services associated with medical treatment.

6.9 Advanced Payment for Medical Treatment. In the event we incur or advance payments for your medical treatment or for medication, prescribed therapy, nursing supplies, and other medical and miscellaneous supplies and services associated with medical treatment (even in the event such medical care is given at the direction of your attending physician or the Medical Director without your prior approval), you shall promptly reimburse us for such payments. Upon cancellation of this Agreement for any reason, any amounts due to us under this Paragraph 6.9 shall be offset against any refund of the Entrance Fee.

6.10 Long-Term Care Insurance. We will use reasonable efforts to assist you in working with your long-term care insurance provider to obtain the benefits to which you may be entitled.

6.11 Medicare and Health Insurance. The Community Health Center is Medicare-certified. When eligible, you are required to maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to us to assure your ability to fully cover a Medicare-qualified stay in the Community Health Center or a Comparable Facility. You shall furnish to us such evidence of coverage as we may from time to time request. Such supplemental insurance should cover Medicare co-insurance and deductibles. Should your supplemental health insurance or equivalent coverage not fully cover a Medicare-qualified stay in the Community Health Center or a Comparable Facility, or should you fail to purchase supplemental health insurance or equivalent coverage to fully cover a Medicare-qualified stay in the Community Health Center or a Comparable Facility, you shall be financially responsible for paying deductibles, co-insurance amounts, and any other charges for each Medicare-qualified admission and stay in the Community Health Center or a Comparable Facility. If you are eligible to receive the six (6) free days of care in the Community Health Center as provided in Section 4 and your stay in the Community Health Center is a Medicare-qualified stay, such six (6) days will be applied after the expiration of your Medicare-qualified stay providing you have Medicare Part A, Medicare Part B and acceptable supplemental health insurance or equivalent insurance coverage.

If you are not eligible for Medicare, you shall maintain health insurance coverage acceptable to us and shall furnish us with evidence of such coverage upon our request. Should your health insurance not fully cover your stay in the Community Health Center or a Comparable Facility, you shall be financially responsible for paying deductibles, co-insurance amounts, and any other charges for each admission and stay in the Community Health Center or a Comparable Facility.

If failure to maintain Medicare Part A, Medicare Part B, supplemental health insurance or other health insurance coverage causes depletion of your resources and impairs your ability to meet your financial obligations, we need not defer your financial obligations to us as outlined in Paragraph 8.1, and we retain the right to cancel the Residency Agreement as provided in Section 10.

6.12 Managed Care. If you have chosen to participate in a managed care program as an alternative to Medicare Part A, Medicare Part B, and supplemental insurance coverage, the terms of this Agreement governing nursing care will include the following provisions:

6.12.1 Participating Provider. If the Community Health Center is a participating provider with your managed care program and your stay is a Medicare-qualified stay, the Community agrees to be reimbursed at the rate negotiated with your managed care program. Such a managed care stay in the Community Health Center will not reduce the number of days of care you are eligible to receive without additional charge pursuant to Section 4, as applicable. You will continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above, as well as any charges for physician services and any additional health services as outlined in Paragraph 6.8.

6.12.2 Not a Participating Provider. If the Community Health Center is not an approved participating provider with your managed care program and you choose to receive health care services at a managed care participating provider, then you agree that you must relocate for as long as necessary for those services to be provided, and be responsible for all charges for health care services. In addition, while receiving health care services at the managed care participating provider, you will continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above. Such a stay at a managed care participating provider will not reduce the number of days of care you are eligible to receive without additional charge pursuant to Section 4, as applicable.

6.12.3 Negotiated Managed Care Rate. If the Community Health Center is not a participating provider in your managed care program and your stay is a Medicare-qualified stay, we will attempt to negotiate a reimbursement rate with your managed care program. If we are able to negotiate an acceptable rate, we agree to accept as full payment the rate provided by your managed care program. Such a managed care stay in the Community Health Center will not reduce the number of days of care you are eligible to receive without additional charge pursuant to Section 4, as applicable. You will continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above, as well as any charges for physician services and any additional health services as outlined in Paragraph 6.8.

6.12.4 No Negotiated Managed Care Rate. If the Community Health Center is not a participating provider in your managed care program and a negotiated rate is not agreed upon and you would still like to receive care in the Community Health Center during a Medicare-qualified stay, then each day of your stay in the Community Health Center will reduce by one day the number of days of care you are eligible to receive without additional charge pursuant to Section 4, as applicable. During any such Medicare-qualified stay in the Community Health Center, you agree that you will continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above and any charges for physician services and any additional health services as outlined in Paragraph 6.8. If at any time during any such Medicare-qualified stay in the Community Health Center you are no longer eligible to receive any of the days of care provided for in Section 4, then you agree to pay the per diem charge for your care in the Community Health Center, the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above,, and any additional health services as outlined in Paragraph 6.8.

6.12.5 Post Medicare-Qualified Stay. At the conclusion of each such Medicare-qualified stay, you will be entitled to care in the Community Health Center in

accordance with the terms of this Agreement other than as provided in this Paragraph 6.12.

6.13 Transfer to Hospital or Other Care Facility. If we determine after consultation with your attending physician, your personal representative and you to the extent possible, that you need care beyond that which the Community Health Center is licensed to provide, you will be transferred to a hospital or other care facility. Our staff will not accompany you to the hospital or other facility. We shall not be responsible for any charges associated with the transfer and health care expenses or charges incurred by you after such a transfer. You shall continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5 above.

6.14 Community Health Center Admission Agreement. If you require care in the Community Health Center, you agree to enter into a separate admission agreement to be signed by you and us.

6.15 Under Age 62. If you are under the age of 62 when you occupy your Residence under this Agreement, you are not eligible to receive the six (6) days of care as outlined in Section 4 until you attain the age of 62. During this time, you will be entitled to receive such care at the then-current charge being charged to nonresidents until age 62.

7. REPRESENTATIONS.

7.1 Our Representations. We represent and warrant that we are a nonprofit corporation. We are exempt from payment of Federal income tax under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. We are affiliated with the North Carolina Conference of The United Methodist Church of the Southeastern Jurisdiction. The North Carolina Conference of The United Methodist Church of the Southeastern Jurisdiction is not responsible for our financial or contractual obligations.

7.2 Your Representations. You represent and warrant that the representations made in the application for residency, your personal health history, and the confidential financial statement are true and correct and may be relied upon by us as a basis for your acceptance for residency at the Community. You also represent and warrant that you have not made any gift of your property in contemplation of the execution of this Agreement.

8. PROMISES.

8.1 Our Promises. It is and shall be our declared policy to operate as a non-profit organization. We will not cancel this Agreement without just cause as specified in Section 10. Further, we shall not cancel this Agreement solely by reason of your financial inability to pay the full Monthly Fee for your Residence, the monthly fee for assisted living care or the per diem charge for care in the Community Health Center, provided you have met all "spend-down" provisions of eligibility for the Medicaid program and any public assistance funds. This provision shall not apply if you have impaired your ability to meet your financial obligations hereunder by transfer of assets other than to meet ordinary and customary living expenses or by not maintaining Medicare Part A, Medicare Part B, supplemental insurance, or other health insurance after assuming occupancy. You shall be permitted to remain at the Community for a reduced fee based on your ability to pay for as long as you establish facts to justify deferment of

such charges and when deferment of such charges can, in our sole discretion, be granted without impairing our ability to operate the Community on a sound financial basis for the benefit of all residents.

8.2 Your Promises. You agree to comply with all policies and procedures of the Community as now existing or as hereafter amended; to pay the Entrance Fee, Monthly Fee, and any other charges as provided in this Agreement; to not impair your ability to meet the financial obligations under this Agreement by transferring assets, other than to meet ordinary and customary living expenses, or by not maintaining Medicare Part A, Medicare Part B, supplemental insurance or other health insurance, without our consent; to apply for public assistance funds and/or Medicaid if you should need financial assistance as outlined in Paragraph 8.1 above while a resident in assisted living or the Community Health Center; and to abide by all other terms of this Agreement.

9. CANCELLATION BY RESIDENT.

9.1 Right of Rescission. Within thirty (30) days following the later of the execution of this Agreement by you or the receipt of a Disclosure Statement from us, you may rescind this Agreement by giving us written notice. You shall not be required to move into the Residence prior to the expiration of the thirty (30) day rescission period. However, if you occupy the Residence during the rescission period and then rescind this Agreement, you will only be charged a Monthly Fee for the period of time that you actually occupied the Residence. Refund of the amount of the Entrance Fee paid shall be as outlined in Paragraph 11.2.

9.2 Cancellation Prior to Occupancy. You may cancel this Agreement for any reason at any time before you move into the Community by giving us written notice signed by you (both of you in the case of Joint Residents). Refund of the amount of the Entrance Fee paid shall be as outlined in Paragraph 11.3 or 11.4. If you die prior to occupying the Residence or if, on account of illness, injury or incapacity, you are precluded from occupying the Residence under the terms of this Agreement, this Agreement will automatically cancel upon our receipt of notice of your death, illness, injury or incapacity. If you elect to cancel this Agreement because of a substantial change in your physical, mental or financial condition prior to occupancy, then this Agreement will cancel upon written notice from you. Refund of the Entrance Fee shall be as outlined in Paragraph 11.3.

9.3 Cancellation After Occupancy. You may cancel this Agreement for any reason after moving into the Community by giving us thirty (30) days' prior written notice of cancellation, which shall be effective and irrevocable upon delivery. Cancellation shall occur thirty (30) days after written notice is delivered, and you must remove your personal property from the Residence and from any storage unit at the end of the thirty (30) day notice period as outlined in Paragraph 3.7.3. You are obligated to pay the Monthly Fee during the thirty (30) days, and thereafter if the Residence has not been released to us in accordance with Paragraph 1.5.3 above. Refund of the Entrance Fee shall be as outlined in Paragraph 11.5.

9.4 Cancellation Due to Death After Occupancy. This Agreement will automatically cancel upon your death (the death of the surviving Resident in the case of Joint Residents). Your estate must remove your personal property from the Residence and from any storage unit within thirty (30) days after your death as outlined in Paragraph 3.7.1. Your estate

will be obligated to pay the Monthly Fee as outlined in Paragraph 1.5.1 above. Refund of the Entrance Fee shall be as outlined in Paragraph 11.5.

10. CANCELLATION BY UMRH.

10.1 Cancellation Upon Notice. We may, upon notice and opportunity to cure as hereinafter provided, cancel this Agreement for just cause. Just cause shall include the occurrence of any of the following events (hereinafter referred to as a "Default"):

10.1.1 Noncompliance. You do not comply with the terms of this Agreement or the published operating procedures, covenants, rules, regulations, and policies now existing or later amended by us.

10.1.2 Misrepresentation. You misrepresent yourself or fail to disclose information during the residency process.

10.1.3 Nonpayment. You fail to pay any charges to us, subject to the provisions of Paragraph 8.1, within forty-five (45) days of the date when such charges are due.

10.1.4 Threat to Health or Safety. Your health status or behavior constitutes a substantial threat to the health, safety or peace of yourself, other residents, or others including your refusal to consent to relocation, or behavior that would result in physical damage to the property of the Community or others.

10.1.5 Change in Condition. There is a major change in your physical or mental condition and your condition cannot be cared for in the Community Health Center within the limits of our license.

10.2 Default Notice. Prior to cancellation for any Default described in Paragraph 10.1.1, 10.1.2 or 10.1.3 above, we shall give you notice in writing of such Default, and you shall have at least thirty (30) days thereafter within which to correct such Default. No Default shall eliminate your obligation to pay the Monthly Fee. If you correct such Default within such time, this Agreement shall not be canceled. If you fail to correct such Default within such time, this Agreement shall cancel at the expiration of such thirty (30) days.

In the event of the occurrence of a Default described in Paragraph 10.1.4 or 10.1.5 above, if we or the Medical Director determines that either the giving of notice of Default or the lapse of time as above provided might be detrimental to you or others, then such notice and/or waiting period prior to cancellation shall not be required. Also, in the event of the occurrence of a Default described in Paragraph 10.1.4 or 10.1.5, we are expressly authorized by you to transfer you to an appropriate hospital or other facility, and we will promptly notify your personal representative or attending physician.

11. REFUND OF ENTRANCE FEE.

11.1 Nonacceptance by Us. If we do not accept you for residency at the Community, the full amount of the Entrance Fee you have paid will be promptly refunded to you, without interest.

11.2 Right of Rescission. If you rescind this Agreement as provided in Paragraph 9.1, you shall receive a full refund of the portion of the Entrance Fee paid by you, without interest, within sixty (60) days of our receipt of the written notice of rescission.

11.3 Cancellation Prior to Occupancy Due to Death, Illness, Injury, or Incapacity. If, prior to occupancy and after your right of rescission period has expired, you die or you cancel this Agreement because of illness, injury or incapacity, you or your estate will receive a refund in full of the portion of the Entrance Fee you have paid, without interest, less any costs specifically incurred by us at your request and set forth in writing in a separate addendum to this Agreement, signed by you and us. Said refund shall be paid within sixty (60) days following (i) the date of automatic cancellation of this Agreement; or (ii) the date of our receipt of your written notice of cancellation.

11.4 Cancellation Prior to Occupancy for Other Reasons. If you cancel this Agreement for reasons other than those stated in Paragraph 11.2 or 11.3 above, you shall receive a refund of the Entrance Fee paid, less a non-refundable portion of the Entrance Fee equal to Two Thousand Dollars (\$2,000) and less any costs specifically incurred by us at your request and set forth in writing in a separate addendum to this Agreement, signed by you and us. Said refund shall be paid within sixty (60) days after our receipt of the written notice of cancellation.

11.5 Cancellation After Occupancy. In the event you or we cancel this Agreement after occupancy or in the event of your death (the death of the survivor in the case of Joint Residents), you or your estate will be reimbursed the amount of the Entrance Fee previously paid by you, less two percent (2%) for each month of residency or portion thereof, for up to fifty (50) months. After fifty (50) months of occupancy, no refund of the Entrance Fee will be made. Said refund, if any, will be paid, without interest, at such time as your Residence has been reserved by a new resident and our receipt of the full amount of the Entrance Fee paid by such new resident or within two (2) years from the date of cancellation, whichever occurs first.

11.6 Offset Against Entrance Fee Refund. In the event of cancellation of this Agreement as described in Paragraph 11.5 above, we will offset against any Entrance Fee refund due to you or your estate the following:

11.6.1 The amount of any unpaid Monthly Fees, pro-rated Monthly Fees for the period of time the Residence was occupied (which shall include the period of time until you or your personal representative removes all of your personal property from the Residence and from any storage unit) after cancellation of this Agreement, any Extra Charges or other charges deferred by us on your behalf under Paragraph 8.1; and

11.6.2 Any health care expenses incurred on your behalf and other amounts payable to us, which remain unreimbursed; and

11.6.3 Any charges incurred to restore the Residence to good condition, normal wear and tear excepted, as outlined in Paragraph 3.11 and

11.6.4 Any charges incurred as a result of options and custom features added to the Residence at your request as outlined in Exhibit A or in a separate addendum to this Agreement.

12. MISCELLANEOUS.

You understand and agree that (i) this Agreement or your rights (including the use of the Residence) under it may not be assigned, and no rights or benefits under this Agreement shall inure to the benefit of your heirs, legatees, assignees, or representatives, except as to receipt of the amounts described in Section 11; (ii) this Agreement and your contractual right to occupy the Community will exist and continue to exist during your lifetime unless canceled as provided herein; (iii) this Agreement grants you the right to occupy and use space in the Community but does not give you exclusive possession of the Residence against us, and you will not be entitled to any rights of specific performance but will be limited to such remedies as set forth herein and as provided by continuing care law; (iv) this Agreement is not a lease or easement and does not transfer or grant you any interest in real property owned by us; and (v) this Agreement grants to us complete decision-making authority regarding the management and operation of the Community.

12.2 Release. We are not responsible for theft, loss of or damage to your personal property, unless such theft, loss or damage is caused by our negligence or the negligence of our agents or employees, and you hereby release us from any such liability. You may want to obtain insurance, at your own expense, to protect against such losses.

12.3 Force Majeure. Community shall not be liable to Resident for any default, breach or damages arising out of or relating to the suspension or termination of any of its obligations or duties under this Agreement by reason of the occurrence of a Force Majeure Event. 12.7 Monthly Statement. You shall receive a monthly statement from us showing the total amount of fees and other charges owed by you, which shall be paid upon receipt and by no later than the fifteenth (15th) day of each month.

12.10 Nonwaiver. If we fail to insist in any instance upon performance of any of the terms, promises, or conditions of this Agreement, it shall not be construed as a waiver or relinquishment of the future performance of any such terms, promises, or conditions, but your obligation with respect to such future performances shall continue in full force and effect.

12.11 Notices. Any notice required to be given to us under this Agreement shall be in writing and sent certified mail, return receipt requested, with all postage and charges prepaid, or hand-delivered to the Executive Director of the Community at 1000 Wesley Pines Road, Lumberton, North Carolina 28358. Upon request, you agree to execute, acknowledge and deliver to such lender(s) such further written evidence of such subordination as such lender(s) may reasonably require. Except to the extent of your

obligation to pay the Monthly Fee and Second Person Monthly Fee, you shall not be liable for any such indebtedness.

12.18 Charges for Collection. You agree to reimburse us for any charges we incur to collect any unpaid amounts you or your estate owes to us under this Agreement.

12.19 Sale or Transfer of Interest. We may sell or transfer our interest in the Community provided the buyer will agree to assume this Agreement and all other existing Residency Agreements. Upon the assumption of this Agreement by a buyer of the Community and its agreement to perform this Agreement and all other agreements, we will have no further obligation hereunder. 12.20 Private Employee of Resident. If you need additional services, you can obtain these needed services from a private employee, an independent contractor, or through an agency (personal service provider). In such instances, we strongly advise you to obtain these needed services from a licensed and/or certified home health agency. In any event, you must comply with our policy regarding personal service providers, and ensure that your private employee, independent contractor, or person you employ through an agency complies with our policies and rules of conduct set forth in our policy. If you fail to follow or enforce the policies and rules of conduct set forth therein, then we may elect, at our sole option, to cancel this Agreement.

12.21 Tax Considerations. You should consult with your tax advisor regarding the tax considerations associated with this Agreement as more fully explained in our Disclosure Statement.

12.22 Management. We have engaged the services of Life Care Services LLC ("LCS") to manage the Community. We are not affiliated with LCS nor is LCS responsible for our contractual or financial obligations or the contractual or financial obligations of the Community.

12.23 Governing Law. This Agreement will be governed, interpreted and construed according to the laws of the State of North Carolina.

12.24 Survival of Representations and Obligations. Your representations and obligations under this Agreement, including but not limited to, your obligation to pay all sums owed by you to us, and your agreement to indemnify us as set forth in Paragraph 12.11, and our

representations and obligations under this Agreement, will survive any cancellation of your residency in the Community, regardless of the reason for such cancellation and regardless of whether it is initiated by you or by us.

13. MEDIATION AND ARBITRATION.

13.1 Mediation. In the event a dispute, claim or controversy of any kind arises between the parties – except for those disputes, claims or controversies arising under Paragraph 13.3 below – that cannot be resolved by mutual agreement, the parties agree to submit such dispute, claim or controversy to a neutral mediator for possible resolution. The parties will jointly agree on a neutral mediator. Each party shall submit all evidence or information in writing to the mediator in support of its contentions or allegations and any defense either party may have with respect to the dispute, claim or controversy. Each party shall have the right to a hearing before the mediator and to personally present information pertinent to such dispute, claim or controversy. The mediator shall assist each party, in an unbiased manner, in reaching an amicable agreement regarding the dispute, claim or controversy. If an amicable agreement is not reached, or if either party fails or refuses to negotiate or mediate in good faith to resolve the matter, or if a neutral mediator cannot be agreed upon between the parties, then the parties agree to submit such dispute, claim or controversy to an arbitration process as outlined below.

13.2 Arbitration. In the event a dispute, claim or controversy of any kind arising out of or relating to this Agreement – except for those disputes, claims or controversies arising under Paragraph 13.3 below – cannot be resolved through mediation as described in Paragraph 13.1 above, the parties agree that said dispute, claim, or controversy will be submitted to and determined by arbitration in Robeson County, North Carolina in accordance with the Federal Arbitration Act. You and we will jointly agree on an arbitrator and the arbitrator will be selected according to the procedure set forth in state law, if applicable. In reaching a decision, the arbitrator shall prepare findings of fact and conclusions of law. Any direct arbitration costs incurred by you will be borne by you. Costs of arbitration, including our legal costs and attorneys' fees, arbitrators' fees, and similar costs, will be borne by all residents of the Community provided that the arbitrator may choose to award the costs of arbitration against us if the arbitrator determines that the proposed resolution urged by us was not reasonable. If the issue affects more than one (1) resident, we may elect to join all affected residents into a single arbitration proceeding, and you hereby consent to such joinder.

You may withdraw your agreement to arbitrate within thirty (30) days after signing this Agreement by giving written notice of your withdrawal to us. This arbitration clause binds all parties to this Agreement and their spouses, heirs, representatives, executors, administrators, successors, and assigns, as applicable. After cancellation of this Agreement, this arbitration clause shall remain in effect for the resolution of all claims and disputes that are unresolved as of that date.

13.3 Voluntary Arbitration of Negligent Health Care Claims. For all claims for damages in personal injury or wrongful death actions, based on alleged negligence in the provision of health care, the parties may voluntarily elect to submit to arbitration pursuant to the procedures set forth in Article 1H of Chapter 90 of the North Carolina General Statutes. N.C.G.S. §90-21.60(b) prohibits any contract from requiring prior agreement of the parties to arbitrate negligent health care claims. Thus, Paragraphs 13.1 and 13.2 do not apply to personal

injury or wrongful death actions based on alleged negligence in the provision of health care. If the parties agree to arbitrate such actions, said arbitration will be governed in accordance with N.C.G.S. §90-21.60, *et seq.*
