HISTORY, MISSION and CORE VALUES

Lutheran Retirement Ministries of Alamance County, North Carolina ("LRM"), 3701 Wade Coble Drive, Burlington, NC 27215, was incorporated in North Carolina in 1980 as a non-profit corporation, thanks to a generous bequest from the estate of Wade and Agnes Coble to Macedonia Evangelical Lutheran Church. We operate a Continuing Care Retirement Community known as Twin Lakes Community ("Twin Lakes") in Elon, North Carolina, and our mission statement provides that

"As a non-profit built on Christian values, we celebrate the progression of life and dignity of the individual by empowering all members of our community to live, work and serve to their fullest potential."

In keeping with our Lutheran heritage, we are guided by the following values:

<u>Christ-Centered</u>. Love, compassion, care, stewardship and service are at the heart of all we do.

Financially Stable. To honor our commitments to all members of our community, we must be good stewards of the resources provided to us.

People First. We provide innovative opportunities for personal fulfillment, dignity and wellbeing for all members of our community.

Quality. We are committed to enriching lives by providing superior services with integrity.

Inclusive. We celebrate the diversity of our community and welcome people of all faiths, races, cultures and life experiences.

NON-PROFIT STATUS

As a 501(c)(3) organization, we are exempt from corporate income taxes, and gifts to us are eligible for an income tax deduction for the donor. By complying with the requirements of North Carolina law (G.S.105-278.6A) LRM is exempt from paying property taxes on all property used in its exempt function.

LICENSURE AND CERTIFICATION

LRM is licensed to provide continuing care in North Carolina in accordance with state law. The skilled nursing services we provide in Coble Creek Healthcare are certified by both Medicare and Medicaid. Until November 17, 2021, we also provided skilled nursing services in Moneta Springs Memory Care that were certified by Medicare and Medicaid. Effective November 17, 2021, however, Moneta Springs Memory Care is licensed as an adult care home.

AFFILIATIONS

LRM is an affiliated agency of the Evangelical Lutheran Church in America through the sponsoring congregation, Macedonia Evangelical Lutheran Church. However, church-affiliated status does not cause any Lutheran church body to be subjected to the liabilities or debts of LRM, nor does it enable any Lutheran organization to influence or control the operation of LRM. LRM is fully responsible for the management and fiscal affairs of the corporation and solely responsible for any debts and liabilities

it may incur. LRM is also a member of Lutheran Services in America (LSA), Leading Age and its affiliate, LeadingAge North Carolina.

ACCREDITATION

Twin Lakes Community is accredited by CARF, an independent accrediting commission for CCRC's. In its commitment to provide quality services to the residents, Twin Lakes Community presents itself for additional scrutiny and adherence to the strict standards of CARF.

FINANCIAL RATING

The Fitch rating agency has assessed LRM's investment grade rating at BBB.

ORGANIZATION AND OPERATION

BOARD OF DIRECTORS

The governing body of LRM is the board of directors. There are twenty-one voting members of the board, all of whom serve as volunteers. In addition, there is one non-voting ex-officio member of the board, the pastor of Macedonia Evangelical Lutheran Church. Voting members are nominated by the LRM board and approved by the Church Council of Macedonia. A board member may serve two consecutive three-year terms. Since 1985, there has been resident participation on the board. Currently, there are three residents of Twin Lakes Community who serve as full voting members on the board. Resident board members may serve one three-year term.

There are four officers of the board (Chair, Vice-Chair, Secretary, and Treasurer), and together they comprise the Executive Committee of the board. The Executive Committee has authority to act on the board's behalf when the board is not in session. The board of directors meets six times a year, and the Executive and Finance Committees meet jointly in the months that the board does not meet. Currently, the standing committees of the board are: Executive, Finance, Governance, Nominating, Planning, and Audit. We provide internet access to all of our residents with a state-of-the-art Wi-Fi system anchored by a campus-wide fiber optic cable system. In addition to providing internet access to our residents, this system is designed to support new technologies that enhance the independence and security of our residents. We are also home to an award-winning Synergy Home, in which residents can interact and experiment with devices and technologies designed to enhance independence and security for healthy aging.

Deacon Pointe Assisted living, which is known as a multi-unit housing with services facility under North Carolina law, has 36 apartments, administrative offices, and community spaces that include a salon, an ancillary therapy space, a living room, and a private dining room. Its style of architecture and programming is residential in nature and serves as an extension of the independent living lifestyle. Deacon Pointe also houses the Twin Lakes Home Care Agency, a team of nurses, certified nursing assistants, and support staff serving clients on the Twin Lakes campus and in the broader community.

Coble Creek Healthcare and Rehabilitation encompasses 104 skilled nursing beds in a beautiful, spacious new building completed in late 2021. The building also houses outpatient physical and occupational therapy in a therapy gym outfitted with a full range of therapeutic equipment and a hydrotherapy pool. All resident rooms have private baths and showers, and are organized into five neighborhoods. Each neighborhood has its own activities, living, dining and sunrooms as well as a spacious outdoor garden. Each neighborhood also has its own well-stocked kitchen where meals are finished and served fresh, and where made-to-order items can be prepared for residents throughout the day. For the use and enjoyment of all residents of Twin Lakes, the central common areas of Coble Creek contain dining facilities, a salon, rehabilitation and therapy facilities, the campus chapel, a beautifully appointed family room, and a gift shop.

Moneta Springs Memory Care is home to 32 assisted living (also known as adult care home) suites. The building and programming are uniquely designed to meet the needs of persons living with cognitive declines. The suites are organized into households, each of which opens onto Town Center, the facility's activity center. Staff members in Moneta Springs receive specialized training in providing dementia care. Also housed in this building is The Harbor, a licensed adult day program, which is open six days per week and serves twelve participants each day.

The Boland Community Center is a gathering and activity building for our residents. Various civic and community groups from Alamance County regularly use the space for meetings and special events. This building houses The Terrace restaurant, the Blue Heron Pub, meeting spaces, the library and computer room, resident clubroom, and a resident art exhibit area. Administrative offices for the organization are also located in Boland.

Sullivan Park offers additional indoor activity and meeting space as well as outdoor walking trails, a botanical garden, and a quiet area for meditation and reflection. This area, known as Sullivan Park Botanical Woods, has received official wildlife habitat certification. Harris Park offers outdoor activity space and picnic shelters for our residents and staff to enjoy.

The newly renovated and expanded Fitness Center contains a multi-purpose room for exercise and education, a large gym with state-of-the-art fitness equipment, a saltwater swimming pool designed for therapeutic and recreational use, and a walking track. Through two wellness coordinators and a variety of instructors, we offer a comprehensive wellness program that includes more than 75 classes each week and personal training sessions. RELATED PARTY TRANSACTIONS

Conflict of Interest Provisions

Article XII Sections 1 & 2 of the corporation's by-laws require each board member to disclose to the other members of the board any possible conflicts of interest; these sections of the by-laws also prohibit a board member with a possible conflict of interest in any matter from voting on the matter.

ADMISIONS AND RESIDENCY

North Carolina requires that we specifically address certain policies in this disclosure statement. Those policies include admission criteria; effects of changes in condition prior to entry by a resident, contract cancellation or termination; moves of residents initiated by the facility; marriage of residents to non-residents; and inability to pay.

Admission

Twin Lakes Community evaluates applications with several criteria in mind and usually accepts for residency those who meet the health, financial, and insurance criteria discussed below. Our goal is to create a campus of care and compassion, to foster a sense of community and belonging among our residents and staff, and to welcome to our community people of all faiths, races, cultures, gender identities, veteran status and abilities.

In light of this, Twin Lakes reserves the right to accept for residency certain applicants who clearly do not meet all of the usual standards and criteria for admission and to refuse admission to certain applicants who clearly meet such standards and criteria. We do not discriminate based on an applicant's race, religion, ethnic or national origin, gender or sexual orientation, ability or veteran status.

To be accepted for residency to Twin Lakes Community and to reside in an independent living home, an applicant must have attained a minimum age of 62, and must meet certain health and financial conditions. Payment of an admission fee provides a resident with the lifetime use of a residence and the services and amenities available at the community. When an applicant is ready to reserve a home and move to Twin Lakes Community, the applicant will sign a residency contract and pay an admission fee deposit to Twin Lakes. The balance of the admission fee will be paid upon the earlier of (i) occupancy or (ii) 120 days after the residency agreement is executed. Every resident in an independent living home must ensure that all charges, including the admission fee, occupancy charge (the monthly

fee for basic services payable to the community), and all charges incurred at the option of the resident are satisfied either through direct payment or through waiver or subsidy by Twin Lakes Community.

Health Criteria for Admission

Each independent living resident must have sufficient physical and cognitive capacities to live independently without posing a danger to his or her health or to the health and safety of other Twin Lakes residents and staff.

If, between the date of the residency contract and the scheduled occupancy, an applicant's health should decline to a level that impairs the applicant's ability to live independently, Twin Lakes may exercise its right to terminate the contract, and the applicant will not be allowed to take up residency in an independent living unit. In such case, any fees paid prior to residency would be refunded to the applicant in accordance with the provisions of the contract.

Financial and Insurance Criteria

Twin Lakes Community is committed to providing service to people from all points along the economic spectrum. If an applicant is unable to pay the total cost of his or her stay at Twin Lakes, the applicant may request financial assistance. Assistance with the cost of care is made on a case-by-case basis, and requests for assistance will remain confidential.

An applicant must also have or obtain health insurance that meets the criteria of Twin Lakes Community. Medicare (or an equivalent for those not eligible) is required, and the applicant should be able to produce evidence of such coverage. In order for financial assessment and analysis to be done properly, the applicant must submit a current financial statement to Twin Lakes Community prior to admission.

Cancellation and/or Termination

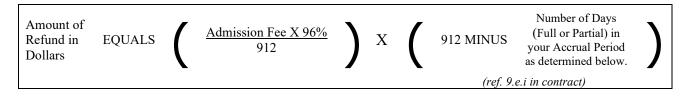

A residency contract creates a binding legal obligation on both the resident and Twin Lakes Community. However, there may be circumstances which necessitate that either the resident or Twin Lakes rescind or terminate the contract.

If a resident dies before occupying a home at Twin Lakes, or if, on account of illness, injury, or incapacity, a resident would be precluded from occupying a home at Twin Lakes under the terms of the contract for residency, the contract is automatically cancelled.

A resident may rescind the residency contract within thirty (30) days from the date on which they execute the contract or receive a disclosure statement from us, whichever later occurs. Upon rescinding, the resident is entitled to receive a full refund of any money transferred to Twin Lakes Community less the following: (1) costs incurred by Twin Lakes at the request of the resident, (2) any monthly occupancy charge or other applicable periodic charges, (3) any charges incurred by the resident until the time of rescission, and (4) a service charge equal to 2% of the resident's admission fee.

If a resident chooses to terminate the contract, the refund will be paid to the resident by Twin Lakes Community within sixty (60) days of the later of 1) the conclusion of the resident's residency at Twin Lakes or 2) after Twin Lakes Community has re-leased the living unit and another resident has paid the admission fee. No interest will be paid on the refundable amount. If within the thirty (30) day rescission period the resident has not taken up occupancy and terminates the contract due to illness, injury, or incapacity which precludes the resident from occupying the living unit, the resident shall receive a refund of all money or property transferred to Twin Lakes less the costs specifically incurred by Twin Lakes at the request of the resident.

<u>Declining Refund:</u> If a resident enters into a contract with a fully-declining refundable admission fee, then after the initial occupancy date, the resident may terminate the contract by giving a written notice to Twin Lakes and shall receive a refund in an amount calculated using the following formula:

In other words, the refund amount declines ratably over a 30-month period that begins on the resident's initial occupancy date. As defined in the residency contract, the "Initial Occupancy Date" is "the date on which you receive keys to your Living Unit or that is 120 days after the date of this contract, whichever occurs first; provided, however, that if your Living Unit is not ready for occupancy on that date, then we will provide you with a Notice of Availability specifying the Initial Occupancy Date; provided further that if you receive your keys during the 30-day rescission period, your initial occupancy date shall be deemed to be the 31st day after the date of this contract." The amount that declines ratably is equal to 96% of the resident's admission fee.

<u>50% Refundable Refund:</u> If a resident enters into a 50% refundable contract, then after the initial occupancy date, the resident may terminate the contract by giving a written notice to Twin Lakes and shall receive a refund in an amount calculated using the following formula.

Amount of Refund in = Dollars	50% of Admission + Fee	[(<u>50% of Admission Fee X 96%</u> 912) \mathbf{x} (912 minus	Number of Days (Full or Partial) in your Accrual Period as determined below (ref. 9.e.i in contract))]
-------------------------------------	------------------------------	---	----------------------------	--	----

In other words, the refund amount is equal to the sum of two components. The first component is a fixed amount equal to 50% of the resident's admission fee. The second component is an amount that declines ratably over a 30-month period equal to 96% of the remaining 50% of the resident's admission fee.

A resident's right to occupy the independent living unit may be terminated by Twin Lakes Community if (a) Twin Lakes determines after consulting with a physician selected by Twin Lakes, the resident is no longer capable of residing in the living unit without posing a danger to his/her own health or that of other residents of Twin Lakes; (b) the resident requires care which Twin Lakes does not or cannot provide; (c) in the sole judgment of the board of directors the resident is not compatible with other residents of Twin Lakes or is disruptive of the Twin Lakes environment; (d) the resident fails to pay the monthly charge for the living unit or charges for other services and facilities provided by Twin Lakes; or (e) the resident requests financial assistance and it has been determined that such financial difficulties are the result of gift giving, imprudent disbursement of financial resources, or intentional sheltering of assets.

After a resident takes up occupancy in a living unit, the resident shall have the exclusive right to occupy the living unit in accordance with the terms of the contract with Twin Lakes, and such living unit shall not be made available by Twin Lakes to any other resident so long as the resident is living and the residency contract has not been breached or terminated. If the residency contract is entered into by two individuals for the joint residency of a single living unit, then the following provisions shall apply:

- a. The right to occupy the living unit shall belong to both residents jointly until the right to occupy has been terminated as to one of them in the manner provided for in the residency contract.
- b. If the right to occupy by one of the joint residents shall be terminated as provided for in the residency contract, then the remaining joint resident shall have the right to continue to occupy the living unit under the terms of the residency contract at the regular monthly occupancy charge as provided in the residency contract.

Moves

Twin Lakes Community may require a resident to move from an independent living unit to an assisted living unit, or to a healthcare or memory care room if it is determined that the resident's physical or mental condition precludes independent living. Such action will normally be taken only after determination that in all probability the condition is irreversible and that there is little possibility of recovery that would permit the resident to live independently.

This type of decision to transfer will normally occur only after appropriate consultation with the resident, the resident's family or representative, or a party responsible for the resident. It is the desire of Twin Lakes that these decisions be reached with the consensus of all parties involved. Twin Lakes retains the right to make the final decision.

Marriages/New Second Occupant

If a resident marries someone who also is a resident of Twin Lakes under a CCRC contract, the couple may surrender one of their living units and choose to occupy one. Any refund of admission fee will be made in accordance with the terms of the residency contract on the surrendered unit. The couple will begin paying the monthly occupancy charge for two occupants when they have surrendered one of the units.

If a resident marries someone who is not a resident of Twin Lakes under a CCRC contract ("New Spouse"), the New Spouse may become a resident of the resident's living unit with all the rights, privileges and duties of a CCRC contract holder if the New Spouse 1) meets all the current requirements for admission to the type of living unit the resident occupies; 2) signs a residency contract and any amendments we deem necessary; and 3) pays an additional admission fee, the amount to be determined by the retirement community. If the New Spouse does not meet Twin Lakes' requirements for admission or chooses not to become a CCRC contract holder with Twin Lakes, the resident may request that the New Spouse be permitted to occupy the resident's living unit. If the New Spouse's occupancy is approved, the resident will pay a second person monthly occupancy charge for the New Spouse, but the New Spouse will have no rights under the residency contract and no claim for care, services or residency from Twin Lakes. In the event the resident predeceases the New Spouse, and the New Spouse thereafter qualifies for admission and wishes to remain at Twin Lakes, the New Spouse must pay, in addition to the applicable monthly occupancy charge, the admission fee then applicable to the unit. Further, if the New Spouse does not wish to remain at Twin Lakes or does not qualify for admission or does not pay the applicable admission fee, then the New Spouse must vacate the unit within sixty (60) days of written notification by Twin Lakes Community.

Inability to Pay

If a resident experiences financial difficulties while living at Twin Lakes Community, the resident may submit a request to Twin Lakes for financial assistance. Each request will be considered on an individual basis. Financial difficulties resulting from a resident's gift giving, imprudent disbursement of financial resources, or intentional sheltering of assets will not be grounds for financial assistance. The resident will be allowed to remain in the unit during the time the President/CEO is evaluating the request and during such periods of time as the President/ CEO approves the resident's request for financial assistance.

Services

A person who enters into a residency contract with Twin Lakes for residency in an independent living unit pays a non-refundable \$250 application fee, a one-time admission fee, and a monthly occupancy charge. Twin Lakes provides a specified apartment, villa or garden home for this resident. The monthly occupancy charge covers the following basic services as noted in these excerpts from the current residency contracts:

- a. <u>Insurance</u>. We carry fire and extended coverage insurance on our buildings and liability coverage for the Retirement Community. You are responsible for the cost of property and casualty and liability insurance for your personal belongings and other personal property located at the Retirement Community. We do not carry insurance on your personal property.
- b. <u>Utilities</u>. We furnish and pay for the cost of heat and electricity, air conditioning, cable television service, internet service, water and sewer services, and trash collection. You are responsible for the cost of installation of telephone service and the monthly charges for that service.
- c. <u>Fixtures</u>. We furnish your home with window blinds, an electric range, a built-in microwave, a refrigerator, and a garbage disposal. Washing machines and clothes dryers are accessible to apartment units; washing machines, clothes dryers and dishwashers are standard in all other floor plans.

- d. <u>General Maintenance of Common Areas and Grounds</u>. We maintain all common areas and grounds.
- e. <u>Parking Spaces</u>. You and your guests are entitled to the nonexclusive use of the parking areas designated on the Retirement Community premises for resident and visitor parking.
- f. <u>Recreational, Social and Religious Activities.</u> We provide recreational, physical, social, spiritual, educational and cultural activities as we determine in our discretion.
- g. <u>Emergency Nursing Assistance</u>. Our nursing staff is on call twenty-four hours a day for emergencies.
- h. <u>Maintenance of Living Unit and Fixtures</u>. We maintain the structural portion of your home and the fixtures described in listing in "c. Fixtures" above. This maintenance does not include housekeeping or maintenance of your personal property.
- i. <u>Group Transportation</u>. We provide regularly scheduled group transportation to selected medical facilities, shopping malls and grocery stores. The schedule and locations may be adjusted, modified, and changed at our discretion.
- j. <u>Annual Cleaning</u>. Our housekeeping staff will perform an annual cleaning of your home at no additional charge to you. Advance notice will be given for annual cleaning dates.
- k. <u>Grace Days</u>. We will use good faith efforts to make available each calendar year up to three days per independent living resident of temporary care in one of our facilities without additional occupancy charge to the resident. These grace days do not renew in the event of a long-term move to healthcare. These grace days shall not be cumulative or transferable to another resident. Please note that fees for services (including, but not limited to, salon, therapy, transportation, and pharmacy) used during a stay in Coble Creek Healthcare will not be waived.

Services Available at Extra Charge

For an additional charge established from time to time by Twin Lakes Community, a resident may have the following optional services provided: meal service, housekeeping and laundry, transportation services to specific places, rehabilitation services, and personal care services.

Personal Services Available

<u>Salon</u>. A salon is provided by Twin Lakes Community in Coble Creek Healthcare. Full services are provided by licensed cosmetologists at competitive rates. Hours are convenient and appointments are encouraged.

<u>Gift Shop</u>. A gift shop sponsored and operated by the Twin Lakes Auxiliary, a volunteer organization is located in Coble Creek Healthcare. Profits from the shop's operation are used by the Auxiliary in its work in support of Twin Lakes Community.

<u>Guest Quarters</u>. Twin Lakes Community has a guest house and guest rooms for guests of Twin Lakes residents. Rates currently are \$65 - \$135 per night. Requests for reservations are made through the independent living department. The guest quarters are also available to prospective residents of Twin Lakes Community on an as-available basis.

Fees

The following table shows the fee schedule for Twin Lakes Community. The monthly occupancy charge for basic services and the periodic charges for supplemental services may be adjusted from time to time at the sole discretion of the board of directors. It is the practice of Twin Lakes not to change the monthly occupancy charge more than once each fiscal year, but we reserve the right to make more frequent changes should we deem it appropriate. A number of financial, economic, program and regulatory factors must be considered in developing the annual operating budget and potential increases in resident service fees. These factors include, but are not limited to: competitive market pressures such as employee wages and benefits, insurance costs, and cost of capital; projected increases from vendors and other providers of goods and services; adjustments in governmental programs such as Medicare and Medicaid; additional resident service programs; repair and maintenance of facilities; and technological advances. A schematic showing the frequency and average dollar amount of increase in monthly and daily occupancy charges over the past five years follows the table of fees.

August 26, 2022

3701 Wade Coble Drive Burlington, NC 27215

Dear Resident Name(s):

At the meeting of our Board of Directors on August 23, 2022, the Twin Lakes Community operating budget and resident fee schedules for the fiscal year October 1, 2022 through September 30, 2023 were reviewed and approved. Effective October 1, 2022, Independent Living resident monthly occupancy charges will increase by 4.25% over current rates.

The monthly occupancy charge for your residence beginning October 1, 2022, including any applicable second person charge, will be <u>\$New Rate</u>. A copy of the entire fee schedule is included with this letter.

The approved budget includes an average 5% wage increase for Twin Lakes Community employees. Employees also have the opportunity to earn an additional 1% wage increase based on offering excellent customer service. Offering competitive salaries and benefits allows us to attract and keep the best employment candidates while ensuring that all our staff earn a living wage.

The Board of Directors and management remain committed to keeping annual rate increases as low as possible while balancing the need to maintain and improve our services and our facilities. The operations and costs of each department are reviewed during the budget process to ensure that we are providing our services as cost effectively as possible. Twin Lakes continues to be a financial leader among North Carolina's continuing care retirement communities. Our financial strength enables us both to invest our reserves in maintaining the beauty of our grounds and facilities and to respond quickly and efficiently to emergencies and uncertainties such as the COVID-19 pandemic and inflation, without these investments affecting your fees.

We have scheduled two meetings to discuss our budget with you and to answer questions you may have. Both meetings will be held in the Club Room in the Boland Community building. The meetings will be conducted in a hybrid meeting approach, by which you may participate either through an online service called Zoom or by attending in person. The first is scheduled for Wednesday, August 31 at 10:00 a.m. The second will be held Tuesday, September 6 at 2:00 p.m. We look forward to seeing you at one of these meetings.

Sincerely,

Jackie S. Cole Chair of the Board of Directors

Pamela S. Fox President / Chief Executive Officer

RESERVES, ESCROWS, AND TRUSTS

Reserves

N.C.G. S. 58-64-33 requires Twin Lakes Community, as a CCRC, to maintain an operating reserve equal to 50 % of total operating costs projected for the subsequent year, or 25% of such total operating costs, if our occupancy level exceeds 90%.

Twin Lakes Community has exceeded the 90% occupancy requirement since its first year of operation (1983) and anticipates the occupancy level to continue to exceed the 90% requirement.

The required reserve is based on a modified annual operating expense and occupancy level. Twin Lakes Community meets required reserve requirements now and is projected to continue in that position.

On September 30, 2022, there was \$8,377,650 in cash and operating reserves and a reserve requirement of \$8,357,200.

2022-2023 Projected Total Operating Costs: Add Payments of Long-Term Debt Minus Depreciation and Amortization	\$ 40,694,300 1,385,000 <u>(8,650,500)</u>
Operating Reserve Requirement: Total Operating Costs for 2022-2023:	\$ 33,428,800
TOTAL Operating Reserve Required as of September 30, 2022 for the	
2022-2023 fiscal year: (25% based on occupancy exceeding 90%)	\$ 8,357,200

The responsibility for maintenance of the reserves and the investing of the reserves rests with the President/CEO and the Chief Financial Officer. All investment decisions are shared with the Executive and Finance Committees of the board of directors and subsequently reported to the board of directors.

As of September 30, 2022, Operating Reserve Investments were as follows:

Twin Lakes has continually developed and renovated its campus throughout its 40-year history. Twin Lakes uses a master campus plan that projects construction projects up to ten years in the future. Our goal is to maintain the soundness of our facilities and the beauty of our campus, both for current residents and for prospective residents. This forecast also projects we will spend approximately \$2,200,000 each year to renovate existing structures and replace existing equipment. This five-year forecast also includes the replacement renovations to the Deacon Pointe/Moneta Springs kitchens as well as renovating an existing space in Deacon Pointe for a Salon. It further includes the construction of a 48-unit Independent Living Apartment building as well as a Community building and Memorial Garden Chapel. Independent Auditors' Report

January 24, 2023

The Board of Directors Lutheran Retirement Ministries of Alamance County, North Carolina Burlington, North Carolina

Opinion

We have audited the accompanying financial statements of Lutheran Retirement Ministries of Alamance County, North Carolina (a nonprofit organization) which comprise the statements of financial position as of September 30, 2022 and 2021, and the related statements of operations, changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lutheran Retirement Ministries of Alamance County, North Carolina as of September 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lutheran Retirement Ministries of Alamance County, North Carolina and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lutheran Retirement Ministries of Alamance County, North Carolina's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lutheran Retirement Ministries of Alamance County, North Carolina 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lutheran Retirement Ministries of Alamance County, North Carolina's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Note 1: Summary of Significant Accounting Policies

Nature of organization - Lutheran Retirement Ministries of Alamance County, North Carolina, doing business as Twin Lakes Community (the "Community"), provides a continuing care retirement community licensed by the State of North Carolina. The Community consists of 104 nursing care beds, 36 assisted living units, 434 apartments, villas, and garden homes, and 32 memory care beds.

Financial statement presentation - The Community is organized by fund for internal accounting purposes. The Operating Fund reflects the general operations of the Community and all other activity not accounted for by the Endowment Fund. The Endowment Fund was established to receive and administer endowed gifts and bequests received by the Community. The resolution by the Board of Directors of the Community establishing the Endowment Fund stipulates that income generated by the Endowment Fund shall be distributed at such times as deemed necessary to enhance the charitable mission of Lutheran Retirement Ministries of Alamance County, North Carolina. The principal amounts of gifts and bequests received are not to be expended.

Use of accounting estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents - Cash and cash equivalents include all cash balances and highly liquid investments with an original maturity of three months or less. The Community maintains its cash balances in Board-designated banks located in North Carolina. There is credit risk exposure for certain cash balances that exceed federally insured limits of \$250,000. The amounts in excess of the FDIC limit totaled \$19,315,729 and \$18,139,762 at September 30, 2022 and 2021, respectively.

Investments - Investments in equity securities with readily determinable fair values and all investments in fixed income securities are reported at their fair value. The fair values of investments are determined based upon quoted market prices. Investment income (including both realized gains and losses, interest and dividends) is included in the change in net assets. Other investments, which consist of a venture capital investment and equity securities of a closely held corporation, are also reported at estimated fair value.

It is the general policy of the Community to invest funds with a sense of stewardship for the sake of carrying out its mission and objectives. The funds include those restricted in perpetuity and by purpose as well as Board-designated reserves. Notwithstanding this policy, all restrictions placed by donors on the interest and investment earnings on donated funds will be honored. Investments authorized by organizational policy include debt and equity securities publicly traded in the United States, highly rated cash equivalents and select Board approved investments which are not publicly traded. Allocation of investments across asset classes are managed to achieve long-term objectives of capital preservation and income generation.

Accounts receivable - Accounts receivable are stated net of an allowance for doubtful accounts. This allowance is based on management's estimate of the amount of current receivables which will prove to be uncollectible. Amounts are written off against the allowance when deemed uncollectible by management. To help mitigate risk associated with trade receivables, management evaluates each customer's risk prior to extending credit. Management does not believe significant credit risk exists at September 30, 2022 and 2021.

Inventory - Inventory consists of operating supplies and is stated at the lower of cost or net realizable value. Cost is determined principally on the first-in, first-out method.

September 30, 2022 and 2021

Note 1: Summary of Significant Accounting Policies (continued)

Property and equipment - It is the policy of the Community to capitalize property and equipment over \$2,500; lesser amounts are expensed. Property and equipment are valued at cost less accumulated depreciation. Maintenance and repair costs are charged to expense as incurred. Gains and losses on disposal are reflected in operating income. Donated assets are recorded at their estimated fair value on the date of the donation.

For the years ended September 30, 2022 and 2021, the Community capitalized \$784,011 and \$2,236,674, respectively, of interest incurred during construction of the new healthcare facility. The facility was placed into service in November 2021. Cost of this project was classified as construction in process as of September 30, 2021. Interest was incurred on loans used to finance the project.

Depreciation is computed using the straight-line method over the following estimated useful lives of the assets:

Buildings	30 Years
Paving	20 Years
Furniture and equipment	5 - 10 Years
Building renovations and refurbishments	10 - 15 Years
Automobiles	5 Years
Land improvements	20 - 30 Years

The Community periodically assesses the realizability of its long-lived assets and evaluates such assets for impairment whenever events or changes in circumstances indicate the carrying amount of any asset may not be recoverable.

Debt issuance costs - Costs associated with obtaining long-term debt are amortized over the debt period. The costs related to the Series 2019A and 2019B bond issuance have been amortized on the effective interest method for the years ended September 30, 2022 and 2021.

HHS Provider Relief - The Health Resources and Services Administration distributed payments to eligible recipients under the Provider Relief Fund, funded through appropriations in the Coronavirus Aid, Relief, and Economic Security Act. As provided by terms and conditions of the agreement, revenue is recognized as funds are expended.

Admission fees - Payment of an admission fee is required before a resident acquires the right to reside in an independent living unit. The Community offers two different types of independent living contracts. One contract type provides for an admission fee of which 50% is fully refundable and 50% is refundable on a declining pro rata basis during the first 30 months of occupancy. The other contract type provides for the entire admission fee to be refundable on a declining pro rata basis during the first 30 months of occupancy. After the 30-month period, no portion of the admission fee is refundable.

Similar to an independent living unit, an assisted living unit requires payment of an admission fee before a resident acquires the right to reside in the unit. For this type of contract, the admission fee is refundable on a declining pro rata basis during the first 6 months of occupancy. After the 6-month period, no portion of the admission fee is refundable.

Any refunds due on a residency contract are payable upon the lease of the unit to a subsequent occupant. The Community has elected to classify refundable admission fees as a long-term liability as the amount to be refunded within one year cannot be reasonably estimated.

September 30, 2022 and 2021

Note 1: Summary of Significant Accounting Policies (continued)

Derivative instruments - The Community uses interest rate swap agreements to reduce the exposure to adverse and unanticipated changes in interest rates. The Community does not use derivative instruments for trading or speculative purposes. The fair value of the interest rate swap is included in the statements of financial position as an asset for the year ended September 30, 2022 and a liability for the year ended September 30, 2021. Cash flows are classified as operating, consistent with classification of the hedged item.

Advertising costs - The Community expenses advertising costs as incurred. Total advertising costs for the years ended September 30, 2022 and 2021 were \$104,865 and \$97,725, respectively.

Functional allocation of expenses - The costs of program and supporting services activities have been summarized on a functional basis in the statements of operations. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Obligation to provide future services - The Community annually calculates the present value of the net cost of future services and use of facilities to be provided to current residents and compares that amount with the balance of deferred revenue from admission fees. If the present value of the net cost of future services and use of facilities exceeds the deferred revenue from admission fees, a liability is recorded (obligation to provide future services and use of facilities) against the corresponding charge to income. As of September 30, 2022 and 2021, no liability was required to be recorded.

Net assets - Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets available for use in general operations and not subject to donor restrictions.

Net assets with donor restrictions - Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (i.e. when a stipulated time restriction ends or a purpose restriction is accomplished) in the year in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When the restrictions expire, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of changes in net assets as net assets are transferred from restrictions.

Revenue recognition - Resident fee revenue is reported in the amount that reflects consideration the Community expects to receive or to have earned in exchange for services provided. Services encompass different levels of care, including Independent Living, Assisted Living, Skilled Nursing and Memory Care. Performance obligations are determined based on the nature of the services provided, and revenue is recognized as performance obligations are satisfied.

Contractual relationships with residents sometimes involve a third-party payor, and transaction prices for these services rendered are dependent upon the terms provided by or negotiated with third-party payors. The Community has agreements with third-party payors that provide for payments to the Community at amounts that are generally less than established rates. The Community determines the transaction price based on its established charges for goods and services less price concessions. Price concessions are contractual adjustments under agreements with third-party payors or residents qualifying for financial assistance.

September 30, 2022 and 2021

Note 1: Summary of Significant Accounting Policies (continued)

Revenue recognition (continued) - Implicit price concessions represent differences between amounts billed and the estimated consideration the Community expects to receive from residents, which are primarily based on historical collection experience. Accordingly, resident fees are reported at the estimated net realizable amounts to be received from residents and third-party payors, including estimated retroactive adjustments under reimbursement agreements with third-party payors. Adjustments are accrued on an estimated basis in the period the related services are rendered and retroactively adjusted in future periods as changes to estimates become known and tentative and final settlement adjustments are identified.

The Community bills residents and third-party payors once a month on the first of the month for services. Resident payments are due the tenth of the month and invoices to third-party payors are due upon receipt. The Community does not adjust revenue for any implicit financing cost associated with credit terms.

The Community requires advance payment for admission fees, which include refundable and nonrefundable amounts. The non-refundable portion of an admission fee creates a contract liability for the Community and is recorded as deferred revenue when received. The liability is amortized into revenue over the estimated remaining life expectancy of the resident, which is adjusted on an annual basis.

Fair value - Certain assets and liabilities are required to be recognized and disclosed at fair value. A fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1: Observable inputs that reflect quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3: Unobservable inputs that are supported by little or no market activity. Level 3 assets are those whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques with significant unobservable inputs, as well as instruments for which the determination of fair value requires significant judgement or estimation.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Community believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at that reporting date.

Level 2 assets at September 30, 2022 consist of an investment in common stock of a private, closely held entity, investment in a venture capital fund and interest rate swaps. Fair value of the closely held security has been estimated based upon net book value as reported in the entity's audited financial statements. Fair value of the venture capital investment is based upon initial acquisition cost and is adjusted for the Community's proportionate share of income or loss. Interest rate swaps, representing an asset as of September 30, 2022 and a liability as of September 30, 2021, have been valued on the "income approach" within the meaning of ASC 820, *Fair Value Measurements and Disclosures*. This involves using (i) quoted prices for economically equivalent swaps, or (ii) valuation methodologies, assumptions and inputs, which in the case of projected future cash flows, discount such cash flows to a single net present value amount.

The Community incurred investment fees in the amount of \$118,320 and \$104,898 during the years ended September 30, 2022 and 2021, respectively.

Note 9: Deferred Gifts

The Community has been designated as the beneficiary of a number of life insurance policies, gift annuities and charitable remainder trusts. As of September 30, 2022 and 2021 the gross amount of gifts made was approximately \$1,270,000, and the estimated present value of the gifts was approximately \$579,000 and \$571,000, respectively. In most cases, donors have the ability to stipulate terms of the giving, thus adding an element of uncertainty regarding present value and beneficiary status. It is management's opinion that these deferred gifts are conditional, and accordingly have not been recorded in the financial statements.

Note 10: Interfund Payable

At September 30, 2022 and 2021 the Community had an interfund payable due to the Operating Fund from the Endowment Fund in the amount of \$35,251 and \$43,341, respectively.

Salaries and wages	280,155	239,689

Accrued expenses	\$ 2,686,802	\$ 2,774,942	

Note 12: Paid Annual Leave

The Community's employees are allowed to accumulate paid annual leave up to a maximum 60 days as of September 30 each year. Paid annual leave is payable when the leave is taken or upon the favorable termination of the employee. The Community recorded a liability of \$1,267,876 and \$1,079,086 for accrued paid annual leave at September 30, 2022 and 2021, respectively.

Note 13: Reserve on Derivative Contracts

The Community has three interest rate swap agreements, measured at fair value in Note 7, to minimize exposure from interest rate changes on its floating rate long-term debt. This enables the Community to maintain a synthetic fixed rate on a significant portion of its overall long-term debt. This type of hedging activity has been recorded as a cash flow hedge with the change in value on the derivative contracts recorded in the statements of changes in net assets. The swap agreements are structured as follows:

Notional	Effective	Maturity	Pay	Receive
Amount	Date	Date	Rate	Rate
\$ 5,950,000	10/10/2007	01/01/2018	3.556%	63% of one-month LIBOR plus 0.3%
\$ 8,175,000	10/09/2019	01/01/2034	1.232%	79% of one-month LIBOR
\$ 5,795,000	06/01/2021	01/01/2034	1.203%	79% of one-month LIBOR

The notional amounts amortize steadily to maturity.

The Community is exposed to credit risk if the counterparty to an interest rate swap fails to meet the terms and obligations of its contracts. The Community mitigates credit risk by entering into transactions with highly rated counterparties.

Note 15: SBA Paycheck Protection Program Loan

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was passed into law. One of the provisions of this law is the Paycheck Protection Program ("PPP"), which guarantees loans from the Small Business Administration ("SBA") for organization payroll and other, qualifying business expenses. If certain requirements are met, these loans can be forgiven.

In April 2020, the Community received an SBA PPP loan totaling \$2,932,300 with an interest rate of 1% and a scheduled maturity of April 2022. Management filed for loan forgiveness and in September 2021, the total loan amount was forgiven. The SBA PPP loan balance was recorded as loan forgiveness income for the year ended September 30, 2021 since the Community was released from repayment obligations and the loan was legally forgiven. The loan forgiveness income has been included as a separate addition to net assets in the statements of changes in net assets.

Note 16: Long-Term Debt

Long-term debt consists of the following:

In October 2019, the North Carolina Medical Care Commission (the "Commission") issued \$42,860,000 of taxexempt revenue bonds and lent the proceeds to the Community. These Series 2019A public fixed rate bonds were issued at a premium of \$6,361,157. Interest is fixed at 5.0% (effective rate of 4.45% after amortization of bond premium and debt issuance costs). Interest is payable monthly at the fixed rate to the Interest Account. Beginning January 2034, monthly payments are due to the Sinking Fund Account for amounts required to retire bonds as they mature between 2038 and 2049. The loan is secured by a deed of trust on property and equipment.

In October 2019, the North Carolina Medical Care Commission issued \$23,025,000 of tax-exempt revenue bonds for the purpose of lending the proceeds to the Community. Note 17: Assets Whose Use is Limited for State Mandated Reserve

North Carolina General Statute 58-64-33 requires the establishment of an operating reserve equal to 50% of the total operating costs projected by the Community for the next twelve-month period. If occupancy is in excess of 90%, the operating reserve requirement decreases to 25% of total operating costs. Total operating costs include debt service and exclude depreciation. If debt service is accounted for by way of another reserve account, it may be excluded from operating costs. The operating reserve cannot be expended without written approval of the State of North Carolina.

The Community's operating reserve requirement as of September 30, 2022 was \$8,377,650, based upon occupancy which exceeded 90% at that time, and projected 2022-2023 operating costs of \$33,510,600. The operating reserve balance at September 30, 2022 was \$8,377,650.

The Community's operating reserve requirement as of September 30, 2021 was \$8,548,825, based upon occupancy which exceeded 90% at that time, and projected 2021-2022 operating costs of \$34,195,300. The operating reserve balance at September 30, 2021 was \$8,548,825.

Note 20: Retirement Plan

The Community maintains a defined contribution retirement plan covering substantially all of its full-time employees. Effective October 1, 2013, the Community adopted Safe Harbor provisions, requiring a three percent annual employer contribution, with additional employer contributions allowed, as approved by the Board of Directors. The Board elected to make contributions of four percent of eligible compensation totaling \$386,364 and \$378,462 for the years ended September 30, 2022 and 2021, respectively.

During the year ended September 30, 2015 the Board of Directors established a supplemental benefit deferred compensation plan under IRS Code Section 457(f). Under terms of the plan, the Board may decide each year to make discretionary contributions for the benefit of select employees. The approved benefits are payable on a specified distribution date selected by the Board. Benefits under the plan generally vest on the specified distribution date to employees still employed on that date. The Board approved contributions to the Plan for the years ended September 30, 2022 and 2021 of \$20,500 and \$19,500, respectively. The amount funded totaled \$19,500 and \$55,000 during the years ended September 30, 2022 and 2021, respectively.

September 30, 2022 and 2021

Note 21: Self-Insured Medical Insurance Plan

The Community maintains an employee benefits plan to provide substantially all employees with medical benefits. The plan obtains insurance from commercial carriers to cover payments under the plan in excess of \$90,000 per individual per plan year, same as in 2021. Self-insured medical claims, net of employee contributions, were \$2,026,402 and \$1,740,837 for the years ended September 30, 2022 and 2021, respectively. Claims accrued at September 30, 2022 and 2021 were \$175,000 and \$150,000, respectively.

Note 22: Risk Management

The Community is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters.

The Community has in place insurance coverage for possible litigation in the ordinary course of business related to professional liability claims. Management believes that claims, if asserted, would be settled within the limits of coverage, which is on an occurrence basis.

As discussed in Note 13, the Community has entered interest rate swap agreements to minimize exposure to changes in interest rates on its long-term debt. The swap agreements have been recorded on the statements of financial position at their fair value, and any changes in fair value have been recorded in the statements of changes in net assets.

Note 23: Contingencies

Contracts between the Community and its residents provide for a refund of a portion of the resident's admission fee if the resident leaves during the first thirty months of occupancy. In addition, contracts between the Community and its independent living residents provide that 50% of the admission fee will be refundable. Contracts provide for the refund to be payable when the dwelling unit is re-leased to another resident. Until November 7, 2019, the 50% refundable contracts provided for the refund to be payable when the resident no longer resided at the Community.

The total amount of contractual refund obligations was \$24,758,213 and \$28,271,145 at September 30, 2022 and 2021, respectively. Of the total amount, \$18,295,400 and \$17,926,925 are for the 50% refundable admission fees at September 30, 2022 and 2021, respectively.

Revenues received under cost reimbursement and prospective payment agreements with Medicare and Medicaid are subject to audit and retroactive adjustment by third-party payors. Such audits can result in the payment to or receipt from the intermediary of additional funds. Management believes that audit adjustments, if any, will be immaterial.

Lutheran Retirement Ministries of Alamance County, North Carolina Notes to Financial Statements September 30, 2022 and 2021

Note 24: Operating Leases

The Community has leases for equipment, which are classified as operating leases. Rent expense for operating leases was \$55,787 and \$53,106 for the years ended September 30, 2022 and 2021, respectively.

Future minimum lease payments under non-cancelable operating leases with initial or remaining terms in excess of one year are as follows:

2023 2024 2025	\$ 36,709 36,709 15,296
Total minimum lease payments	\$ 88,714

Note 25: Concentrations of Credit Risk

The Community grants credit without collateral to its residents. Concentrations of credit risk with respect to resident accounts are limited due to the large number of individual accounts and agreements with third party payors. The Community has certain accounts receivable whose collectability is dependent upon performance of the Medicare and Medicaid programs. Management does not believe there are significant credit risks associated with these governmental programs.

Note 26: Tax Status

The Community is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state laws. Therefore, no income taxes are reflected in the accompanying financial statements. Management is unaware of any uncertain tax position in the financial statements that would jeopardize the Community's tax-exempt status or otherwise requires disclosure.

Note 27: Construction Commitments

The Community has commitments for construction projects in connection with building and improvement additions, including construction of a new healthcare facility. The cost to complete projects at September 30, 2022 and 2021 was \$3,009,510 and \$4,937,422, respectively.

Note 29: Charity Care and Community Benefit

The Community provides nursing care to residents under Medicaid. Reimbursements under the Medicaid program are less than the Community's cost of providing these services. In addition, the Community provides other charitable care through the forgiveness of admission and monthly fees in cases of financial need.

The Community provides additional community benefit through participation in various community outreach and education programs. The Community also donates the volunteer services of its employees to various charitable organizations in the community.

Note 30: Functional Expenses

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. Expenses allocated based on estimates of time and effort include salaries and related benefits, outside consultants, supplies, and other expenses. Expenses allocated based on a calculation of space used by the Community include depreciation, insurance, interest, and utilities.

Note 31: Reclassification of Prior Year Presentation

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported financial position, results of operation or cash flows. Changes in operating assets and liabilities as presented on the statements of cash flow for the year ended September 30, 2021 are shown in greater detail. Additionally, the amount of cash paid for interest presented in the statements of cash flows was updated for the year ended September 30, 2021.

Note 32: Subsequent Events

The Community has evaluated events and transactions that occurred between September 30, 2022 and January 24, 2023, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

In December 2022, the North Carolina Medical Care Commission issued \$58,100,000 in direct bank placement bonds, the proceeds of which will be loaned to the Community to assist with construction financing on a new apartment home development. The Community entered a contract with a general contractor to construct the apartment home development and provided the contractor with notice to proceed on the project in December 2022. The agreed contract sum is in an amount not to exceed \$52,526,670, before change orders. Project completion is anticipated to be July 2024.

Accounts payable are forecast to total 31 days operating expenses excluding depreciation and interest expense. Accrued expenses are forecast to increase by 5% annually.

Long Term Debt:

During the fiscal year ended September 30, 2020, the Ministries, through the North Carolina Medical Care Commission, issued \$42,860,000 of Series 2019A Public Fixed Rate Bonds and received a premium of \$6,361,157. Interest is fixed at 5.0% with an effective rate of 4.45% after consideration of bond premium and debt issuance costs. Interest only payments are required until January 2034. At that time interest and principal payments are required until the bonds are retired in 2049. Series 2019B Bank Placement Bonds in the amount of \$23,025,000 were also issued at this time in order to refinance former bank qualified bonds. Interest is payable on a variable rate equal to 79% of one-month LIBOR plus a 0.77% credit spread. Interest and principal payments are required until the bonds are retired in 2034. Both bond issues are collateralized by revenues and property and equipment. There are various restrictive covenants on the issuance of additional debt, sale of property, and the proper maintenance of financial ratios.

On December 14, 2022, the Ministries, through the North Carolina Medical Care Commission, issued \$45,100,000 of Series 2022A-1 Long-Term Bonds and \$13,000,000 of Series 2022A-2 Intermediate-Term Bonds. Series 2022A-1 is structured as a draw-down loan and bears interest at a variable rate equal to 79% of one-month SOFR plus a credit spread of 1.18%. The bank-bought minimum holding period for Series 2022A-1 will expire December 14, 2037. The Ministries entered into an interest rate swap agreement to fix at 3.68% an initial notional amount of \$2,030,967 for the Series 2022A-1 bonds. Series 2022A-2 is also structured as a draw-down loan and bears interest at 79% of one-month SOFR plus a credit spread of 1.07%.

Operating Fund (continued) III.

Reserve on Derivative Contracts:

The Ministries has interest rate swap agreements in order to minimize exposure to the impact of interest rate changes on its long-term debt. This enables the Ministries to maintain a synthetic fixed rate debt on a significant portion of its overall long-term debt. When the prevailing variable rate differs from the fixed rate covered by the swap agreements, an asset or liability exists. The asset or liability represents the true benefit or cost the Ministries would receive or accrue if the swap agreements were terminated. The Ministries anticipates holding the interest rate swap agreements until the notional amount of debt is retired. This asset has been recorded in the five-year forecast based on the value at September 30, 2022 and has not been adjusted for the periods ended September 30, 2023 through September 30, 2027.

- e. "Rescission Period": The thirty (30) day period in which you may rescind or cancel this Contract.
- f. "Joint Occupancy": Occupancy of the Living Unit by two individuals, one of whom must be at least 62 years of age.

2. <u>ADMISSION FEE</u>.

- a. <u>Amount and Payment</u>. You agree to pay us the Admission Fee in accordance with the following Payment Schedule:
 - Initial deposit in the amount of _____ dollars (\$___) paid on _____.
 - Remaining balance due paid on or before "initial occupancy date" as defined in Section 1d above.

3. CANCELLATION, TERMINATION AND RESCISSION PRIOR TO OCCUPANCY

a. <u>Right to Rescind</u>. You may rescind or cancel this Contract within thirty (30) days after the later of the date of execution of this Contract or the date you receive our disclosure statement that meets the requirements of Chapter 58 of the North Carolina General Statutes ("Rescission Period").

You may move into your Living Unit during the Rescission Period, but are not obligated to do so. You will not be charged a monthly Occupancy Charge during the Rescission Period, unless you move into your Living Unit during such time.

To rescind the Contract, you must within the Rescission Period: (i) deliver written notice to us; (ii) remove all of your personal property from the Living Unit; and (iii) turn over to us your keys to the Living Unit.

If you rescind the Contract during the Rescission Period, we will refund all amounts you have paid to us subject to the provisions of paragraph d of this Section.

b. <u>Cancellation Due to Injury, Death or Incapacity</u>. If prior to the Initial Occupancy Date you die or become unable to live independently because of illness, injury or incapacity, this Contract is automatically canceled and you or your legal representative shall receive a refund of all amounts you have paid to us subject to the provisions of paragraph d of this Section.

- c. <u>Termination by Retirement Community</u>. We may terminate this Contract at any time before the Initial Occupancy Date if we determine, in our sole discretion, that one of the following events has occurred: a) you made a material misrepresentation or omission in your admission application; b) you experienced a change in your health or financial condition such that you no longer satisfy our admissions criteria; or c) you fail to pay the Admission Fee in accordance with the Payment Schedule. If we terminate this Contract, we will refund all amounts you have paid to us, subject to the provisions of paragraph d of this Section.
- d. <u>Amount of Refund</u>. The refund amount will be the amount you have paid us less the following: (i) the costs we specifically incurred at your request for special changes and improvements to your Living Unit and described on Exhibit 1.3 or in any amendment hereto; (ii) the monthly Occupancy Charge or other periodic charges applicable to the period of time since the Initial Occupancy Date; (iii) any other charges, including Occupancy Charges, actually incurred by you since the Initial Occupancy Date; and (iv) a service charge equal to two percent (2%) of your Admission Fee provided for herein.
- e. <u>Timing of Payment of Refund</u>. If this Contract is terminated under the provisions of this Section, we will pay the refund amount to which you are entitled within sixty (60) days after the date of termination.
- f. <u>No Accrual of Interest</u>. No interest shall accrue or be payable on the refund to which you may be entitled under this Contract.

4. <u>MONTHLY OCCUPANCY CHARGES</u>.

- a. <u>Commencement</u>. Beginning on the "start billing" date specified on the Billing Information Form (to be signed by you at closing and attached as an addendum to this contract) and continuing for each month or portion thereof while you occupy your Living Unit, you will pay us a monthly Occupancy Charge. The monthly Occupancy Charge for your first month of occupancy will be payable with your second month's bill. You will pay all subsequent monthly Occupancy Charges in advance on the first day of each calendar month. We reserve the right to charge interest on any past due monthly Occupancy Charges at a rate of one and onehalf percent (1½%) per month. Monthly Occupancy Charges not received by the 10th day of the month for which the charge is payable shall be deemed past due. If you do not pay your monthly Occupancy Charges as agreed, we may terminate this Contract as described in Section 9, below. In addition, we may deduct the unpaid charges plus accrued interest and our reasonable attorneys' fees from any refund of your Admission Fee to which you might subsequently be entitled.
- b. <u>Amount of Monthly Occupancy Charge</u>. The initial Occupancy Charge is the amount shown in Section 1 of this Contract. We reserve the right to change the monthly Occupancy Charge as we deem appropriate. We consider a number of financial, economic, programmatic and regulatory factors in developing our annual operating budget and potential increases in fees for our residents. These factors include, but are not limited to, competitive market pressures such as employee wages and benefits, insurance costs and cost of capital; projected increases from vendors and other providers of goods and services; adjustments in government programs such as Medicare and Medicaid; additional resident service programs; repair and maintenance of facilities; and technological advances.

The amount of your Occupancy Charge may change between the date of this contract and the date your first Occupancy Charge is due; in such event, we will advise you in writing in advance of the change. It is our policy not to change the Occupancy Charge more than twice each calendar year, but we reserve the right to make more frequent changes should we deem it appropriate.

- c. <u>Continuation of Fee During Absence</u>. You agree to pay your monthly Occupancy charges on time and in full during your absence from your Living Unit, whether such absence is voluntary (such as vacation) or involuntary (such as hospitalization), including during any time when you reside in a facility on the Retirement Community campus that provides a level of care other than independent living.
- d. <u>Financial Difficulty.</u> If you experience financial difficulties beyond your control while a resident of Retirement Community, you may submit a request to us for assistance with the cost of your monthly Occupancy Charge. We will evaluate your request based on your individual circumstances, and we may grant or deny financial assistance to you for any reason in our sole discretion. Financial difficulties which in our judgment are the result of your gift giving, imprudent disbursement of financial resources, or intentional sheltering of assets will not be grounds for financial assistance.
- e. <u>Benefit Programs</u>. You agree to make proper application for Medicaid, public assistance, or any other available public benefit programs for which you might be eligible once you have exhausted the financial resources that you disclosed on your application. You agree to notify us of your application and to our communicating with such programs and such programs communicating with us concerning your application and eligibility for assistance. Failure to do so in good faith, or to provide the information necessary for the application for such assistance to be processed, shall constitute a breach of this Contract and may result in termination of this Contract as described in Section 9, below.

5. OCCUPANCY OF LIVING UNIT.

- a. <u>Right to Occupy</u>. You have the right to occupy the Living Unit identified in Section 1 of this Contract, and more specifically identified on attached Exhibit 3.1, from the Initial Occupancy Date until the right to occupy your Living Unit is terminated as herein provided. You agree that no one other than you will occupy your Living Unit without our advance written consent. You do not need to obtain our consent for an occasional overnight guest who stays one week or less with you. No one who resides with you, whether with or without our consent, shall have any rights under this Contract, or any claim for care or services from us.
- b. <u>Joint Occupancy</u>. If this Contract is entered into by two individuals for joint residency of a single living unit, each joint resident is jointly and severally liable for the payment and performance of all obligations under this Contract. If one joint resident dies or abandons the Living Unit, the remaining resident shall continue to be obligated under this Contract, except that we will charge you the monthly Occupancy Fee for only one person.

- c. <u>Marriage during Term of Contract</u>. If you marry during the term of this Contract, the following shall apply:
 - i. <u>Marriage to Another CCRC Contract Holder</u>. If you marry someone who also is a resident of the Retirement Community under a CCRC contract with us, you may surrender either of the living units and choose to occupy one. If you surrender the living unit described in this Contract, refund of your Admission Fee will be governed by this Contract. If you choose to occupy the living unit described in this Contract, you will begin paying the Occupancy Charge for two occupants when your spouse moves into your Living Unit.
 - ii. <u>Marriage to a Person Not a CCRC Contract Holder</u>. If you marry someone who is not a resident of the Retirement Community under a CCRC contract with us, your spouse may become a resident of your Living Unit if your spouse 1) meets all the current requirements for admission to the type of Living Unit you occupy; 2) signs this contract and any amendments we deem necessary; and 3) pays an additional Admission Fee, the amount to be determined by the retirement community. If your spouse does not meet our requirements for admission or chooses not to become a CCRC contract holder with us, you may request that your spouse be permitted to occupy your unit. If we approve your spouse's occupancy, you will pay a second person Occupancy Charge for your spouse, but your spouse will have no rights under this contract and no claim for care, services or residency from us.
- d. <u>Relocation to Another Independent Living Unit</u>. We will consider your request to move from one living unit to another within Independent Living, and we reserve the exclusive right to determine, in our discretion, whether to permit such a move. A move to another living unit does not cause any change to the accrual period used to determine the refund amount to which you may be entitled upon termination of this Contract. Such a move will not entitle you to any part of the accrual portion of your Admission Fee. You may be charged an additional Admission Fee equal to the difference between the then current Admission Fee for the new unit and the Admission Fee you paid for your Living Unit under this Contract. In addition, you may be charged an internal move fee pursuant to our internal move policy. You will be responsible for your cost of moving.

 - vi. To be responsible for all damage to, defacement of or removal of our property and fixtures in your Living Unit, whatever the cause, except when caused by ordinary wear and tear, by an act of one of our agents, by a third party not your guest or invitee, or by natural causes.
- b. <u>Our Responsibilities</u>. We agree:
 - i. To comply with all building codes applicable to your Living Unit;

- ii. Except as stated above, to make all repairs and do whatever is necessary to maintain your Living Unit in a fit and habitable condition; and
- iii. To maintain in good and safe working order and, upon written notification from you of a need for repair, to repair promptly all electrical, plumbing, sanitary, heating, ventilating and other facilities and fixtures provided by us in your Living Unit.

8. <u>RESIDENT ACCESS TO OTHER RETIREMENT COMMUNITY FACILITIES.</u>

- a. <u>Priority</u>. You will have priority access over residents who have not entered into a CCRC contract with us and over nonresidents to available Assisted Living apartments and available beds in our Coble Healthcare and Memory Care Facilities.
- b. <u>Additional Charges</u>. If you temporarily move to another level of care at the Retirement Community, you agree to pay the charges established by us for the increased services and care available at that level of care, and to continue to pay the monthly Occupancy Charges for your Living Unit.
- c. <u>Outside Care</u>. We operate a home care agency for our residents so that you have a convenient source from which to hire additional personal care services to be provided in your home. 9. <u>TERMINATION AFTER INITIAL OCCUPANCY DATE</u>.

- a. <u>Termination by You after Initial Occupancy Date</u>. After the Initial Occupancy Date you have the right to terminate this Contract at any time for any reason, by giving us at least thirty (30) days' written notice. In addition, this Contract will automatically terminate thirty (30) days after your death or abandonment of your Living Unit.
- b. Termination by Retirement Community After Initial Occupancy Date. After the Initial Occupancy Date we may terminate this Contract upon thirty (30) days' written notice to you for any of the following reasons: i) we determine, after consulting with a physician we select, that you pose a threat to yourself or to the health, safety or welfare of our other Residents; ii) you require care that we do not or cannot provide; iii) our Board of Directors determines, in its sole discretion, that you are not compatible with our other residents or that you are disruptive of the Retirement Community's environment; iv) you fail to pay the monthly Occupancy Charge for your Living Unit or charges for other services and facilities provided by us to you; v) you fail to comply with your commitment, under the terms of this Contract, not to shelter assets or otherwise arrange your financial affairs in a manner that would enable you to become eligible for a program or programs of public assistance such as Medicaid without having first obtained the written consent of our Chief Executive Officer; or vi) you fail to comply with the terms of this Contract or with our published rules, regulations and policies as amended from time to time.

- c. <u>Your Obligations upon Termination of this Contract</u>. If this Contract terminates under this Section 9 of the Contract, you agree that, within thirty (30) days after written notice of termination, you will remove (or in the event of your death, your legal representative within thirty days of your death will so remove) all of your personal property from your Living Unit and you will vacate the Living Unit, leaving it in the same condition as on the Initial Occupancy Date, except for normal wear and tear.
- d. <u>Our Right to Remove and Dispose of Your Personal Property</u>. We may remove any personal property that you do not remove from your Living Unit by the end of the thirty-day notice period. We may, but are not obligated to, pack and store any items we choose, and you agree to pay the actual cost for such packing and storage. You also agree that we are not responsible for any damage that occurs to your personal property remaining in your Living Unit after you have vacated the Living Unit. If you do not pay the packing/storage fee and do not retrieve your personal property within three (3) months of your last day of occupancy, we may dispose of the personal property in any manner we deem appropriate, and we shall not be liable to you or your heirs for such personal property or any proceeds from the sale of such personal property.
- e. <u>Payment of Admission Fee Refund upon Termination of this Contract</u>. If this Contract is terminated within two and one-half years (that is, within 912 days) after the Initial Occupancy Date, you shall be entitled to receive a refund of a portion of your admission fee. No part of the amount you paid us to make special changes or improvements to your Living Unit, as described on Exhibit 1.3 or in any amendment hereto, is refundable.

During the first two and one-half years following your Initial Occupancy Date ("912 Day Period"), 96% of your admission fee will decline ratably over that 912 Day Period.

The total amount of your refund will be calculated according to the following formula:

Thus, the refund amount declines ratably over a 30-month period that begins on your initial occupancy date. The amount that declines ratably is equal to 96% of your admission fee.

The refund shall be reduced by (i) any amounts that you owe to us, including but not limited to unpaid Occupancy Charges; (ii) any costs we incur to restore your Living Unit to its original condition, other than for normal wear and tear; (iii) any costs we incur to remove, store or dispose of personal property you leave in your Living Unit; and (iv) the amount of any financial assistance we have provided to you.

- i. <u>Accrual Period</u>. For purposes of calculating the refund payable to you under this provision of the Contract, the first day of your Accrual Period shall be the Initial Occupancy Date; the last day of your Accrual Period shall be the day on which you a) have ceased to be a resident of the Retirement Community in any level of care; b) have removed all of your personal property from the Living Unit (or from such other unit within the facilities of the Retirement Community as you occupied at the time you ceased to be a resident of the Retirement Community); and c) have delivered to us your keys to the Living Unit, thereby relinquishing your free access to the Living Unit. You and we recognize that the first thirty (30) days of your Accrual Period are subject to the provisions of the Section of this Contract entitled "Right to Rescind." Under no circumstances shall the accrual period exceed 912 days.
- ii. <u>No Refund During Your Residency</u>. No refund shall be paid when you continue to be a resident of the Retirement Community, whether in another unit or under a different level of care within the facilities of the Retirement Community.
- iii. <u>No Interest on Refund</u>. No interest shall be payable on the refund.
- iv. <u>Timing of Payment of Refund</u>. We will pay the refund amount to you within sixty (60) days after we collect a new Admission Fee for your Living Unit from a new resident or after you have ceased to be a resident of the Retirement Community, whichever shall later occur.
- 10. <u>AGREEMENT TO SUBMIT DISPUTE TO MEDIATION OR ARBITRATION.</u> You and we agree that in the event a dispute arises regarding your care or treatment or in the event you or we have any other claim or dispute, including any claim or dispute arising under this Contract or relating to the interpretation of this Contract but excluding any pricing disputes such as any dispute over adjustments of monthly or daily rates or other costs associated with resident services or care, any and all such claims or disputes shall first be submitted to a mediator for possible resolution, and if mediation is unsuccessful in resolving all aspects of the dispute, then the same shall be submitted to binding arbitration, as more specifically set forth herein. You and we understand that by agreeing to arbitration, both you and we are waiving the constitutional right to have any claim that we or you might have decided in a court of law before a judge and jury.
 - a. <u>Mediation.</u> You and we agree that if you or your representative has a claim or dispute against us, you or your representative shall notify us in writing of the dispute and shall provide a description and factual details of the nature of the claim or dispute. You and we
 - i. May submit evidence or information in writing to a mediator, to be designated by the mutual agreement of you and us, in support of the claim

or dispute and of any defense either of us may have to the claim. If you and we cannot agree on the designation of a mediator, each party shall select a mediator, and those two mediators shall then select a third mediator who will mediate the dispute. This selection of a mediator shall be binding upon both of us;

- ii. Have the right to a hearing before the mediator, at which you and we may present evidence in support of or in defense of any such claim or dispute to the extent allowed by the mediator. The mediator will set the time and date of the hearing and assist each of us in an unbiased manner in attempting to reach an amicable settlement of the claim or dispute;
- iii. Agree that the mediation shall be scheduled at a time convenient for you and us and shall be held in Alamance County, North Carolina;
- iv. Agree that, if either of us refuses to negotiate or mediate in a good faith attempt to resolve the matter of concern, the mediator shall be required to note that fact in the mediator's conclusion to the mediation attempt;
- v. Agree that, in the event the parties are unable to reach an amicable settlement, we will then submit the dispute to a mandatory, binding arbitration consistent with the North Carolina Uniform Arbitration Act and the rules of the American Arbitration Association, as set forth below.

b. <u>ARBITRATION</u>. You and we agree voluntarily to submit to binding arbitration any controversy, dispute or claim that remains unsettled after mediation in accordance with the following procedure:

- i. Any dispute or controversy not settled through the mediation process outlined above shall be submitted to, and determined and settled by, binding arbitration in Alamance County, North Carolina, in accordance with the North Carolina Uniform Arbitration Act and the rules of the American Arbitration Association.
- ii. You and we shall mutually select and retain the services of an arbitrator or arbitration company (hereinafter "arbitrator"). If you and we are unable to agree to the selection of an arbitrator, then each of us shall choose an arbitrator, and the two arbitrators shall in turn choose an arbitrator mutually agreeable to said two arbitrators. The third arbitrator so chosen shall be the arbitrator that you and we retain to settle our claim or dispute, and the choice of said arbitrator shall be binding upon both of us.
- iii. The costs and expenses (including reasonable attorneys' fees) in connection with the arbitration shall be allocated between you and us in the manner that the Arbitrator decides to be fair and appropriate under the circumstances.

The decision of the Arbitrator shall be final, shall not be appealable and shall not be stayed, and judgment upon such decision may be entered in any court of competent jurisdiction. Application may be made to such court for confirmation of such decision or a judicial acceptance thereof, or for an order of enforcement or other legal remedy which may be necessary to effectuate such decision. This clause goes to the very essence of this stipulation. However, in the event the party against whom the decision is made shall appeal from any such decision or file or cause to be filed a complaint with any state court after the issuance of the arbitrator's findings, then the appellant or claimant agrees, without question, to pay and be responsible for paying any and all court costs, attorney fees, and any other cost incurred by the nonclaimant or appellee (party not initiating the Court action) in participating in such litigation.

BY AGREEING TO THIS PROVISION, YOU WAIVE YOUR CONSTITUTIONAL RIGHT TO A JURY TRIAL. However, this agreement to arbitrate shall not limit your right to file a grievance or complaint, formal or informal, with Retirement Community or any appropriate state or federal agency.

The parties agree that damages awarded, if any, in an arbitration conducted pursuant to this Section 10 shall be determined in accordance with the provisions of the state or federal law applicable to a comparable civil action, including any prerequisites to, credit against, or limitations on, such damages.

It is the intention of the parties to this Contract that the provisions of this Section 10 shall inure to the benefit of and bind the parties, their successors and assigns, including the agents, employees and servants of Retirement Community, and all persons whose claims are derived through or on your behalf, including that of any parent, spouse, child, guardian, executor, administrator, legal representative, or heir.

All claims based in whole or in part on the same incident, transaction, or related course of care or services provided by Retirement Community to you shall be arbitrated in one proceeding. A claim shall be waived and forever barred if it arose prior to the date upon which notice of arbitration is given to Retirement Community or received by you and is not presented in the arbitration proceeding.

11. <u>REPRESENTATIONS AND FURTHER AGREEMENTS BY YOU.</u>

- a. <u>Health and Financial Information Material Part of Contract</u>. Medicaid Planning includes, but is not limited to, the making of gifts; the funding of trusts; the investment in or purchase of assets that are deemed not to count as resources for purposes of determining one's eligibility for government programs such as Medicaid; and engaging in other strategies designed to enable the resident to become eligible for financial assistance from government programs before the resident has exhausted the resident's resources in paying for the resident's normal living expenses and the As a material and express condition of this Contract, resident's medical care. you agree not to engage in Medicaid Planning without having first obtained the written consent of the Chief Executive Officer of Retirement Community. In the event of any material misrepresentation in or omission from your application for admission to the Retirement Community, or in the event that you violate the prohibition against Medicaid Planning, we may terminate this Contract and the termination and refund provisions in this Contract then apply.

 - Remaining balance due paid on or before "initial occupancy date" as defined in Section 1d above.

14. CANCELLATION, TERMINATION AND RESCISSION PRIOR TO OCCUPANCY

a. <u>Right to Rescind</u>. You may rescind or cancel this Contract within thirty (30) days after the later of the date of execution of this Contract or the date you receive our disclosure statement that meets the requirements of Chapter 58 of the North Carolina General Statutes ("Rescission Period").

You may move into your Living Unit during the Rescission Period, but are not obligated to do so. You will not be charged a monthly Occupancy Charge during the Rescission Period, unless you move into your Living Unit during such time.

To rescind the Contract, you must within the Rescission Period: (i) deliver written notice to us; (ii) remove all of your personal property from the Living Unit; and (iii) turn over to us your keys to the Living Unit.

If you rescind the Contract during the Rescission Period, we will refund all amounts you have paid to us subject to the provisions of paragraph d of this Section.

b. <u>Cancellation Due to Injury, Death or Incapacity</u>. If prior to the Initial Occupancy Date you die or become unable to live independently because of illness, injury or

incapacity, this Contract is automatically canceled and you or your legal representative shall receive a refund of all amounts you have paid to us subject to the provisions of paragraph d of this Section.

- c. <u>Termination by Retirement Community</u>. We may terminate this Contract at any time before the Initial Occupancy Date if we determine, in our sole discretion, that one of the following events has occurred: a) you made a material misrepresentation or omission in your admission application; b) you experienced a change in your health or financial condition such that you no longer satisfy our admissions criteria; or c) you fail to pay the Admission Fee in accordance with the Payment Schedule. If we terminate this Contract, we will refund all amounts you have paid to us, subject to the provisions of paragraph d of this Section.
- d. <u>Amount of Refund</u>. The refund amount will be the amount you have paid us less the following: (i) the costs we specifically incurred at your request for special changes and improvements to your Living Unit and described on Exhibit 1.3 or in any amendment hereto; (ii) the monthly Occupancy Charge or other periodic charges applicable to the period of time since the Initial Occupancy Date; (iii) any other charges, including Occupancy Charges, actually incurred by you since the Initial Occupancy Date; and (iv) a service charge equal to two percent (2%) of your Admission Fee provided for herein.
- e. <u>Timing of Payment of Refund</u>. If this Contract is terminated under the provisions of this Section, we will pay the refund amount to which you are entitled within sixty (60) days after we obtain a new resident for your Living Unit and collect an Admission Fee from that new resident.
- f. <u>No Accrual of Interest</u>. No interest shall accrue or be payable on the refund to which you may be entitled under this Contract.

15. <u>MONTHLY OCCUPANCY CHARGES</u>.

- a. <u>Commencement</u>. Beginning on the "start billing" date specified on the Billing Information Form (to be signed by you at closing and attached as an addendum to this contract) and continuing for each month or portion thereof while you occupy your Living Unit, you will pay us a monthly Occupancy Charge. The monthly Occupancy Charge for your first month of occupancy will be payable with your second month's bill. You will pay all subsequent monthly Occupancy Charges in advance on the first day of each calendar month. We reserve the right to charge interest on any past due monthly Occupancy Charges at a rate of one and onehalf percent (1½%) per month. Monthly Occupancy Charges not received by the 10th day of the month for which the charge is payable shall be deemed past due. If you do not pay your monthly Occupancy Charges as agreed, we may terminate this Contract as described in Section 9, below. In addition, we may deduct the unpaid charges plus accrued interest and our reasonable attorneys' fees from any refund of your Admission Fee to which you might subsequently be entitled.
- b. <u>Amount of Monthly Occupancy Charge</u>. The initial Occupancy Charge is the amount shown in Section 1 of this Contract. We reserve the right to change the monthly Occupancy Charge as we deem appropriate. We consider a number of financial, economic, programmatic and regulatory factors in developing our annual operating budget and potential increases in fees for our residents. These factors

include, but are not limited to, competitive market pressures such as employee wages and benefits, insurance costs and cost of capital; projected increases from vendors and other providers of goods and services; adjustments in government programs such as Medicare and Medicaid; additional resident service programs; repair and maintenance of facilities; and technological advances.

The amount of your Occupancy Charge may change between the date of this contract and the date your first Occupancy Charge is due; in such event, we will advise you in writing in advance of the change. It is our policy not to change the Occupancy Charge more than twice each calendar year, but we reserve the right to make more frequent changes should we deem it appropriate.

- c. <u>Continuation of Fee During Absence</u>. You agree to pay your monthly Occupancy charges on time and in full during your absence from your Living Unit, whether such absence is voluntary (such as vacation) or involuntary (such as hospitalization), including during any time when you reside in a facility on the Retirement Community campus that provides a level of care other than independent living.
- d. <u>Financial Difficulty.</u> If you experience financial difficulties beyond your control while a resident of Retirement Community, you may submit a request to us for assistance with the cost of your monthly Occupancy Charge. We will evaluate your request based on your individual circumstances, and we may grant or deny financial assistance to you for any reason in our sole discretion. Financial difficulties which in our judgment are the result of your gift giving, imprudent disbursement of financial resources, or intentional sheltering of assets will not be grounds for financial assistance.
- e. <u>Benefit Programs</u>. You agree to make proper application for Medicaid, public assistance, or any other available public benefit programs for which you might be eligible once you have exhausted the financial resources that you disclosed on your application. You agree to notify us of your application and to our communicating with such programs and such programs communicating with us concerning your application and eligibility for assistance. Failure to do so in good faith, or to provide the information necessary for the application for such assistance to be processed, shall constitute a breach of this Contract and may result in termination of this Contract as described in Section 9, below.

16. OCCUPANCY OF LIVING UNIT.

- a. <u>Right to Occupy</u>. You have the right to occupy the Living Unit identified in Section 1 of this Contract, and more specifically identified on attached Exhibit 3.1, from the Initial Occupancy Date until the right to occupy your Living Unit is terminated as herein provided. You agree that no one other than you will occupy your Living Unit without our advance written consent. You do not need to obtain our consent for an occasional overnight guest who stays one week or less with you. No one who resides with you, whether with or without our consent, shall have any rights under this Contract, or any claim for care or services from us.
- b. <u>Joint Occupancy</u>. If this Contract is entered into by two individuals for joint residency of a single living unit, each joint resident is jointly and severally liable

for the payment and performance of all obligations under this Contract. If one joint resident dies or abandons the Living Unit, the remaining resident shall continue to be obligated under this Contract, except that we will charge you the monthly Occupancy Fee for only one person.

- c. <u>Marriage during Term of Contract</u>. If you marry during the term of this Contract, the following shall apply:
 - i. <u>Marriage to Another CCRC Contract Holder</u>. If you marry someone who also is a resident of the Retirement Community under a CCRC contract with us, you may surrender either of the living units and choose to occupy one. If you surrender the living unit described in this Contract, refund of your Admission Fee will be governed by this Contract. If you choose to occupy the living unit described in this Contract, you will begin paying the Occupancy Charge for two occupants when your spouse moves into your Living Unit.
 - ii. <u>Marriage to a Person Not a CCRC Contract Holder</u>. If you marry someone who is not a resident of the Retirement Community under a CCRC contract with us, your spouse may become a resident of your Living Unit if your spouse 1) meets all the current requirements for admission to the type of Living Unit you occupy; 2) signs this contract and any amendments we deem necessary; and 3) pays an additional Admission Fee, the amount to be determined by the retirement community. If your spouse does not meet our requirements for admission or chooses not to become a CCRC contract holder with us, you may request that your spouse be permitted to occupy your unit. If we approve your spouse's occupancy, you will pay a second person Occupancy Charge for your spouse, but your spouse will have no rights under this contract and no claim for care, services or residency from us.
- d. <u>Relocation to Another Independent Living Unit</u>. We will consider your request to move from one living unit to another within Independent Living, and we reserve the exclusive right to determine, in our discretion, whether to permit such a move. A move to another living unit does not cause any change to the accrual period used to determine the refund amount to which you may be entitled upon termination of this Contract. You may be charged an additional Admission Fee equal to the difference between the then current Admission Fee for the new unit and the accrual portion of the Admission Fee you paid for your Living Unit under this Contract. In addition, you may be charged an internal move fee pursuant to our internal move policy, and the contract on the new unit will continue to be subject to the terms of a 50% refund contract. You will be responsible for your cost of moving.

- b. <u>Our Responsibilities</u>. We agree:
 - i. To comply with all building codes applicable to your Living Unit;
 - ii. Except as stated above, to make all repairs and do whatever is necessary to maintain your Living Unit in a fit and habitable condition; and
 - iii. To maintain in good and safe working order and, upon written notification from you of a need for repair, to repair promptly all electrical, plumbing, sanitary, heating, ventilating and other facilities and fixtures provided by us in your Living Unit.

19. <u>RESIDENT ACCESS TO OTHER RETIREMENT COMMUNITY FACILITIES.</u>

- a. <u>Priority</u>. You will have priority access over residents who have not entered into a CCRC contract with us and over nonresidents to available Assisted Living apartments and available beds in our Coble Healthcare and Memory Care Facilities.
- b. <u>Additional Charges</u>. If you temporarily move to another level of care at the Retirement Community, you agree to pay the charges established by us for the increased services and care available at that level of care, and to continue to pay the monthly Occupancy Charges for your Living Unit.

You may not hire outside assistance with personal care in your home if we are able to meet your needs for such care. If we are not able to meet your needs and you choose to hire outside care through an agency other than ours, you agree to comply with the requirements of our policy on outside employees.

20. TERMINATION AFTER INITIAL OCCUPANCY DATE.

- a. <u>Termination by You after Initial Occupancy Date</u>. After the Initial Occupancy Date you have the right to terminate this Contract at any time for any reason, by giving us at least thirty (30) days' written notice. In addition, this Contract will automatically terminate thirty (30) days after your death or abandonment of your Living Unit.
- b. <u>Termination by Retirement Community After Initial Occupancy Date</u>. After the Initial Occupancy Date we may terminate this Contract upon thirty (30) days' written notice to you for any of the following reasons: i) we determine, after consulting with a physician we select, that you pose a threat to yourself or to the health, safety or welfare of our other Residents; ii) you require care that we do not or cannot provide; iii) our Board of Directors determines, in its sole discretion, that you are not compatible with our other residents or that you are disruptive of the Retirement Community's environment; iv) you fail to pay the monthly Occupancy Charge for your Living Unit or charges for other services and facilities provided by us to you; v) you fail to comply with your commitment, under the terms of this Contract, not to shelter assets or otherwise arrange your financial affairs in a manner that would enable you to become eligible for a program or programs of public assistance such as Medicaid without having first obtained the

written consent of our Chief Executive Officer; or vi) you fail to comply with the terms of this Contract or with our published rules, regulations and policies as amended from time to time.

- c. <u>Your Obligations upon Termination of this Contract</u>. If this Contract terminates under this Section 9 of the Contract, you agree that, within thirty (30) days after written notice of termination, you will remove (or in the event of your death, your legal representative within thirty days of your death will so remove) all of your personal property from your Living Unit and you will vacate the Living Unit, leaving it in the same condition as on the Initial Occupancy Date, except for normal wear and tear.
- d. <u>Our Right to Remove and Dispose of Your Personal Property</u>. We may remove any personal property that you do not remove from your Living Unit by the end of the thirty-day notice period. We may, but are not obligated to, pack and store any items we choose, and you agree to pay the actual cost for such packing and storage. You also agree that we are not responsible for any damage that occurs to your personal property remaining in your Living Unit after you have vacated the Living Unit. If you do not pay the packing/storage fee and do not retrieve your personal property within three (3) months of your last day of occupancy, we may dispose of the personal property in any manner we deem appropriate, and we shall not be liable to you or your heirs for such personal property or any proceeds from the sale of such personal property.
- e. <u>Payment of Admission Fee Refund upon Termination of this Contract</u>. Upon termination of this Contract after the Initial Occupancy Date, you shall be entitled to receive a refund of a portion of your admission fee. No part of the amount you paid us to make special changes or improvements to your Living Unit, as described on Exhibit 1.3 or in any amendment hereto, is refundable.

The refundable amount will consist of one-half of your admission fee. During the first two and one-half years following your Initial Occupancy Date ("912 Day Period"), 96% of the remaining half of your admission fee will decline ratably over that 912 Day Period.

The total amount of your refund will be calculated according to the following formula:

Amount of 50% of Refund Admission + in = Fee Dollars	[(<u>50% of Admission Fee X 96 %</u> 912) X (^{912 MINUS}	Number of Days (Full or Partial) in your Accrual Period as calculated below
--	---	----------------------------	---

Thus, the refund amount is equal to the sum of two components. The first component is a fixed amount equal to 50% of your admission fee. The second component is an amount that declines ratably over a 30-month period equal to 96% of the remaining 50% of your admission fee.

The refund shall be reduced by (i) any amounts that you owe to us, including but not limited to unpaid Occupancy Charges; (ii) any costs we incur to restore your Living Unit to its original condition, other than for normal wear and tear; (iii) any costs we incur to remove, store or dispose of personal property you leave in your Living Unit; and (iv) the amount of any financial assistance we have provided to you.

- i. <u>Accrual Period</u>. For purposes of calculating the refund payable to you under this provision of the Contract, the first day of your Accrual Period shall be the Initial Occupancy Date; the last day of your Accrual Period shall be the day on which you a) have ceased to be a resident of the Retirement Community in any level of care; b) have removed all of your personal property from the Living Unit (or from such other unit within the facilities of the Retirement Community as you occupied at the time you ceased to be a resident of the Retirement Community); and c) have delivered to us your keys to the Living Unit, thereby relinquishing your free access to the Living Unit. You and we recognize that the first thirty (30) days of your Accrual Period are subject to the provisions of the Section of this Contract entitled "Right to Rescind." Under no circumstances shall the accrual period exceed 912 days.
- ii. <u>No Refund During Your Residency</u>. No refund of the Accrual Amount shall be paid when you continue to be a resident of the Retirement Community, whether in another unit or under a different level of care within the facilities of the Retirement Community.
- iii. <u>No Interest on Refund</u>. No interest shall be payable on the refund.
- iv. <u>Timing of Payment of Refund</u>. We will pay the refund amount to you within sixty (60) days after we collect a new Admission Fee for your Living Unit from a new resident or after you have ceased to be a resident of the Retirement Community, whichever shall later occur.
- 21. <u>AGREEMENT TO SUBMIT DISPUTE TO MEDIATION OR ARBITRATION.</u> You and we agree that in the event a dispute arises regarding your care or treatment or in the event you or we have any other claim or dispute, including any claim or dispute arising under this Contract or relating to the interpretation of this Contract but excluding any pricing disputes such as any dispute over adjustments of monthly or daily rates or other costs associated with resident services or care, any and all such claims or disputes shall first be submitted to a mediator for possible resolution, and if mediation is unsuccessful in resolving all aspects of the dispute, then the same shall be submitted to binding arbitration, as more specifically set forth herein. You and we understand that by agreeing to arbitration, both you and we are waiving the constitutional right to have any claim that we or you might have decided in a court of law before a judge and jury.
 - a. <u>Mediation.</u> You and we agree that if you or your representative has a claim or dispute against us, you or your representative shall notify us in writing of the dispute and shall provide a description and factual details of the nature of the claim or dispute. You and we
 - i. May submit evidence or information in writing to a mediator, to be designated by the mutual agreement of you and us, in support of the claim

or dispute and of any defense either of us may have to the claim. If you and we cannot agree on the designation of a mediator, each party shall select a mediator, and those two mediators shall then select a third mediator who will mediate the dispute. This selection of a mediator shall be binding upon both of us;

- ii. Have the right to a hearing before the mediator, at which you and we may present evidence in support of or in defense of any such claim or dispute to the extent allowed by the mediator. The mediator will set the time and date of the hearing and assist each of us in an unbiased manner in attempting to reach an amicable settlement of the claim or dispute;
- iii. Agree that the mediation shall be scheduled at a time convenient for you and us and shall be held in Alamance County, North Carolina;
- iv. Agree that, if either of us refuses to negotiate or mediate in a good faith attempt to resolve the matter of concern, the mediator shall be required to note that fact in the mediator's conclusion to the mediation attempt;
- v. Agree that, in the event the parties are unable to reach an amicable settlement, we will then submit the dispute to a mandatory, binding arbitration consistent with the North Carolina Uniform Arbitration Act and the rules of the American Arbitration Association, as set forth below.

b. <u>ARBITRATION</u>. You and we agree voluntarily to submit to binding arbitration any controversy, dispute or claim that remains unsettled after mediation in accordance with the following procedure:

- i. Any dispute or controversy not settled through the mediation process outlined above shall be submitted to, and determined and settled by, binding arbitration in Alamance County, North Carolina, in accordance with the North Carolina Uniform Arbitration Act and the rules of the American Arbitration Association.
- ii. You and we shall mutually select and retain the services of an arbitrator or arbitration company (hereinafter "arbitrator"). If you and we are unable to agree to the selection of an arbitrator, then each of us shall choose an arbitrator, and the two arbitrators shall in turn choose an arbitrator mutually agreeable to said two arbitrators. The third arbitrator so chosen shall be the arbitrator that you and we retain to settle our claim or dispute, and the choice of said arbitrator shall be binding upon both of us.
- iii. The costs and expenses (including reasonable attorneys' fees) in connection with the arbitration shall be allocated between you and us in the manner that the Arbitrator decides to be fair and appropriate under the circumstances.

The decision of the Arbitrator shall be final, shall not be appealable and shall not be stayed, and judgment upon such decision may be entered in any court of competent jurisdiction. Application may be made to such court for confirmation of such decision or a judicial acceptance thereof, or for an order of enforcement or other legal remedy which may be necessary to effectuate such decision. This clause goes to the very essence of this stipulation. However, in the event the party against whom the decision is made shall appeal from any such decision or file or cause to be filed a complaint with any state court after the issuance of the arbitrator's findings, then the appellant or claimant agrees, without question, to pay and be responsible for paying any and all court costs, attorney fees, and any other cost incurred by the nonclaimant or appellee (party not initiating the Court action) in participating in such litigation.

BY AGREEING TO THIS PROVISION, YOU WAIVE YOUR CONSTITUTIONAL RIGHT TO A JURY TRIAL. However, this agreement to arbitrate shall not limit your right to file a grievance or complaint, formal or informal, with Retirement Community or any appropriate state or federal agency.

The parties agree that damages awarded, if any, in an arbitration conducted pursuant to this Section 10 shall be determined in accordance with the provisions of the state or federal law applicable to a comparable civil action, including any prerequisites to, credit against, or limitations on, such damages.

It is the intention of the parties to this Contract that the provisions of this Section 10 shall inure to the benefit of and bind the parties, their successors and assigns, including the agents, employees and servants of Retirement Community, and all persons whose claims are derived through or on your behalf, including that of any parent, spouse, child, guardian, executor, administrator, legal representative, or heir.

All claims based in whole or in part on the same incident, transaction, or related course of care or services provided by Retirement Community to you shall be arbitrated in one proceeding. A claim shall be waived and forever barred if it arose prior to the date upon which notice of arbitration is given to Retirement Community or received by you and is not presented in the arbitration proceeding.

22. <u>REPRESENTATIONS AND FURTHER AGREEMENTS BY YOU.</u>

- a. <u>Health and Financial Information Material Part of Contract</u>. You acknowledge that the medical, personal, and financial information you submitted as part of your application with us is a material part of this Contract, and that we have relied upon that information in determining your ability to meet the financial obligations of residency in the Retirement Community.
- b. <u>Prohibition against Medicaid Planning and Other Asset Protection Planning</u> <u>Strategies</u>. We must protect ourselves and our residents against the risk to the financial strength of the Retirement Community that could be caused by a resident

engaging in financial planning designed to protect that resident's financial resources against the cost of medical care for that resident or that resident's spouse ("Medicaid Planning"). Medicaid Planning includes, but is not limited to, the making of gifts; the funding of trusts; the investment in or purchase of assets that are deemed not to count as resources for purposes of determining one's eligibility for government programs such as Medicaid; and engaging in other strategies designed to enable the resident to become eligible for financial assistance from government programs before the resident has exhausted the resident's resources in paying for the resident's normal living expenses and the As a material and express condition of this Contract, resident's medical care. you agree not to engage in Medicaid Planning without having first obtained the written consent of the Chief Executive Officer of Retirement Community. Furthermore, pursuant to Section 1396ra(c)(5)(B)(V) of Chapter 42 of the United States Code, a material and express condition of this Contract is your agreement not to seek assistance from Medicaid with the cost of your care until you have exhausted, through payment for your health, maintenance and support, the financial resources set forth on your application for admission to Twin Lakes Community.
