INTRODUCTION

Wesley Pines (the "Community") brings to residents of the southern North Carolina area, who are age 62 and over, a way of retirement living known as "continuing care." This concept offers retirees a life style designed to meet their unique needs while allowing them the freedom to pursue their personal interests. Continuing care communities, such as the Community, encompass these important components: a private residence, a wide array of personal services, assisted living services, and the security of long-term care in the on-site Health Center.

The Community is owned and operated by The United Methodist Retirement Homes, Incorporated ("UMRH"), a North Carolina not-for-profit corporation, which is committed to providing a quality adult community that is fiscally sound and genuinely responsive to resident needs. UMRH also owns Croasdaile Village, a continuing care retirement community located in Durham, North Carolina and Cypress Glen Retirement Community, a continuing care retirement community located in Greenville, North Carolina. The financial information attached to this Disclosure Statement includes financial information for UMRH and the consolidated operations of Croasdaile Village, Cypress Glen and Wesley Pines. (See further explanation under the "Financial Information" section of this Disclosure Statement.)

One of the purposes of this Disclosure Statement is to explain to prospective residents, their families, and their advisors who and what is involved in the operation of the Community. This Disclosure Statement was prepared on the basis of information available at the time of its publication and assumptions, which were believed to be realistic as of that date. Such information and assumptions are, of course, subject to change and, in particular, are significantly affected by changes in inflation and interest rates.

Since non-technical language has been used in this Disclosure Statement, the text of this booklet and the language of the Residency Agreement signed by a resident may not be the same. Although this Disclosure Statement details the provisions of the Residency Agreement, the Residency Agreement serves as the sole binding contract between the resident and UMRH.

We are pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity throughout the Nation. We encourage and support an affirmative advertising and marketing program in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, or national origin.

WESLEY PINES

The Community is located at 1000 Wesley Pines Road, Lumberton, North Carolina on 48.64 acres of land. It is a continuing care retirement community designed to accommodate persons 62 years of age or older in a dignified manner. Currently, the Community has 10 cottages and 16 villas with a new villa currently under construction, 36 assisted living rooms and suites, and 62 skilled nursing beds. As of September 30, 2023, there were 124 residents residing at the Community.

Presently, the types of residences available include: duplex cottages, duplex villas, free-standing villas, and deluxe villas. All of the residences are equipped with safety features such as grab rails in the bathtubs/showers and a wireless emergency nurse call that works from anywhere on the campus.

In addition to the primary intent of the Community, which is to assure the residents of continuing care throughout their retirement years, the Community is designed to create an environment that will enrich the lives of the people who live and work there. The design of the main commons building provides areas for dining and meetings without detracting from the homelike environment of the Community. Some of the amenities that residents can enjoy include:

- three centrally located dining rooms,
- a fellowship building with a large auditorium and a smaller multi-use room,
- a therapy suite for the provision of physical, occupational, and speech therapies,
- card room,
- a library,
- a mail area,
- an arts and crafts workroom,
- several living rooms,
- three enclosed courtyards,
- paved nature walk,
- indoor fitness center, and
- a picnic area.

The Community offers assisted living services in the rooms and suites at the Community for an assisted living fee. Services include assistance with the activities of daily living, such as ambulation, bathing, dressing, eating, personal hygiene, toileting, and the supervision or administration of medications.

The Health Center is licensed by the North Carolina Division of Health Service Regulation and is both Medicare and Medicaid certified. The Health Center offers skilled nursing care to the residents of the Community.

Each continuing care resident at the Community is entitled to receive a total of six days of assisted living or nursing care at the Community at no additional charge, except for the charges for physician services and ancillary health services and supplies. Such six days renews on an annual basis and does not accumulate. After the six days of care each year, the services in assisted living and in the Community Health Center are available for the per diem charge.

SMOKE-FREE CAMPUS

The Community is a “smoke-free” campus. Smoking (including E-Cigarettes) is not allowed by residents, guests, and business invitees on the Wesley Pines campus (inside or outside), except in a designated outside area. No smoking areas include, but are not limited to, the residences, hallways, dining rooms, public restrooms, lounge areas, reception areas, waiting rooms, courtyards, entrances, walking paths, driveways, and any other common areas. Smoking is only permitted at the designated area. Violation of the Smoke-Free Campus Policy can result in cancellation of the Residency Agreement for just cause.

FACILITY DEVELOPMENT/EXPANSION

In 2014, the Community started adding new villas based on market demand, with the total compliment not to exceed 10 percent of the total independent living residences per year. A villa is currently under construction with occupancy anticipated in 2024. Villas will be built as pre-sales occur and the prospective resident has paid the 10 percent Entrance Fee deposit. The Community will use the Entrance Fee deposit to begin construction of the villa, thus eliminating the need for long-term financing for the villa construction.

The UMRH Board and management team continually update the strategic master plan with a focus on monitoring opportunities to improve Wesley Pines. Included in the master plan is the renovation and expansion of existing units to create more private rooms and the addition of needed common space. At this time, any possible renovation or expansion is anticipated to be funded by UMRH from the annual capital budget for Wesley Pines. No definitive decisions as to timing, scope or financing have been made or licenses applied for regarding future improvement projects at Wesley Pines.

THE PROPOSAL

1. Criteria for Resident Acceptance and Continued Acceptance. Residency Agreements are subject to acceptance by UMRH. At the time of the execution of a Residency Agreement, the resident must be 62 years of age or older, capable of living in a residence (with or without reasonable accommodation or reasonable modification), and have sufficient financial resources to pay the Entrance Fee, Monthly Fee, and any extra charges incurred as defined in the Residency Agreement.

UMRH uses the FINAID system to financially evaluate a prospective resident's net worth and monthly income. FINAID projects income for prospective residents based on their financial assets and income sources, and compares this revenue to projected expenses such as monthly fees, personal expenses, and income taxes. Generally, a prospective resident should have a minimum net worth equal to three (3) times the amount of the Entrance Fee (prior to payment of the Entrance Fee). Generally, a prospective resident should have a minimum monthly income range of two times the Monthly Fee (including second person fees when applicable) in effect at the time of residency. Although the asset and income tests listed above are appropriate tests for financial wherewithal, the FINAID software program will be used for all applicants to measure financial qualification.

An inquiry will be made of all prospective residents regarding the prospective resident's ability to live in a residence, with or without reasonable accommodation or reasonable modification. To determine whether a prospective resident meets the health guidelines, the following information will be gathered: (1) insurance and health information will be obtained on a Confidential Data Application and Resident Health Information Form – to be completed by the prospective resident; (2) a Memory Health Assessment will be administered by the Community; and (3) a Health Information Form will be completed by the prospective resident's physician.

After executing a Residency Agreement but prior to occupancy, UMRH can cancel the Residency Agreement if the resident does not pay his or her Entrance Fee; for non-acceptance based on the residency criteria listed above; or if the resident is unable to occupy the residence because of illness, injury or incapacity.

If the resident encounters financial difficulties after residency at Wesley Pines and is unable to pay the total Monthly Fee, the monthly fee for assisted living care or the per diem charge for care in the Health Center, these charges may be deferred as long as the resident has met all "spend-down" provisions of eligibility for the Medicaid program (if applicable) and any public assistance funds. Financial assistance is not available to a resident if he/she impaired his/her ability to meet financial obligations by transferring assets other than to meet ordinary and customary living expenses or by not maintaining Medicare Part A, Medicare Part B, supplemental insurance, or other health insurance after assuming occupancy. A resident will be permitted to remain at Wesley Pines for reduced fees based on his/her ability to pay for as long as the resident establishes facts to justify the deferment. Financial assistance is only available if it does not impair UMRH's ability to operate Wesley Pines on a sound financial basis for the benefit of all residents.

UMRH has the right to cancel the resident's residency (i) if the resident does not comply with the terms of the Residency Agreement or the published operating procedures, covenants, rules, regulations or policies; or (ii) if the resident misrepresented himself/herself during the residency process; or (iii) for nonpayment of fees or charges; or (iv) if it is determined the resident's health status or behavior constitutes a substantial threat to the health or safety of the resident or others, including refusal to consent to relocation, or behavior that would result in physical damage to the property of others or Wesley Pines; or (v) if the resident's physical or mental condition cannot be cared for in assisted living or the Health Center within the limits of their licenses.

2. Residency Agreement. At the time the resident makes application for residency at the Community, the resident will sign a Residency Agreement to reserve the residence selected and will pay an Entrance Fee deposit to UMRH. For an existing residence, the balance of the Entrance

Fee is due upon the earlier of the date the resident occupies the Community or within 90 days after the resident executes the Residency Agreement. For a villa to be constructed, the resident will pay the Entrance Fee in installments:

- The first is equal to 10% of the total Entrance Fee and is paid upon resident's execution of the Residency Agreement;
- The second and third installments are each equal to 25% of the total Entrance Fee and are paid upon certain dates as written in the Residency Agreement;
- The last installment (the balance of the Entrance Fee) is due on the earlier of (i) the date the resident assumes occupancy at the Community or (ii) within thirty (30) days from the date the resident is notified that the residence is ready for occupancy.

The resident will also pay a non-refundable Application Fee. The Application Fee will be used by UMRH to process resident's application for residency.

The Community offers various types of Residency Agreements for the cottage duplexes, duplex villas, free-standing villas, and deluxe villas: a 90 Percent Return of Capital Plan; a 50 Percent Return of Capital Plan; and a Standard Plan. The difference between these types of Residency Agreements is the amount of the Entrance Fee paid and the refund a resident (or resident's estate) is entitled to after a resident assumes occupancy at the Community as described in Paragraph 3.6 below.

3. Reimbursement of the Entrance Fee.

3.1 Nonacceptance. If the resident is not accepted for residency at the Community, the full amount of the Entrance Fee paid by the resident will be promptly refunded, without interest. If the resident's spouse or second person does not meet the requirements for residency, said person may be admitted directly into assisted living or the Health Center as long as accommodations are available and such person qualifies for the care available in those facilities. He/she will pay the full assisted living fee or per diem charge for such care.

3.2 Right of Rescission. In accordance with North Carolina laws and regulations governing continuing care retirement communities, a resident has the right to rescind the Residency Agreement within thirty (30) days following the later of (i) his/her execution of the Residency Agreement; or (ii) the receipt of a Disclosure Statement. The resident is not required to move into Wesley Pines before the expiration of the 30-day rescission period. If the resident rescinds the Residency Agreement, the full amount of the Entrance Fee paid by the resident will be refunded, without interest, within sixty (60) days of receipt of the written notice of rescission.

3.3 Cancellation Prior to Occupancy Due to Death, Illness, Injury, Incapacity or a Substantial Change in Physical, Mental or Financial Condition. If the resident dies before occupying the residence at Wesley Pines or if, on account of illness, injury or incapacity, a resident is unable to occupy the residence at Wesley Pines, then the Residency Agreement will automatically cancel. The resident may also cancel the Residency Agreement prior to occupancy due to a substantial change in resident's physical, mental or financial condition. In all of these events of cancellation prior to occupancy, the resident or resident's estate will receive a refund of the Entrance Fee paid, without interest, less any costs specifically incurred

by the Community at the resident's request. Said refund will be made within 60 days of receipt of the notice of cancellation.

3.4 Cancellation Prior to Occupancy for Other Reasons. If the resident cancels the Residency Agreement prior to occupancy, but after the right of rescission period, for reasons other than those state in Paragraph 3.3 above, the resident will receive a refund of the Entrance Fee paid, without interest, less a non-refundable portion of the Entrance Fee equal to \$2,000 and less any costs specifically incurred by the Community at resident's request. Said refund will be made within 60 days of receipt of the notice of cancellation. For a villa to be constructed, the refund will be made when the villa is reserved by a new resident and the new resident has paid the appropriate Entrance Fee installments to equal the Entrance Fee installments to be refunded to the resident.

3.5 Cancellation Prior to Occupancy if the Villa to be Constructed is Not Available. If the villa to be constructed is not available to the resident within one year from the date of UMRH's execution of the Residency Agreement, then the resident may cancel the Residency Agreement. Resident will receive a full refund of the amount of the Entrance Fee paid, without interest, within 30 days of resident's notice of cancellation.

3.6 Cancellation or Death After Occupancy. In the event the Residency Agreement is canceled after occupancy or in the event of resident's death after occupancy, refund of the Entrance Fee will be as follows:

3.6.1 90 Percent Return of Capital Residency Agreement: Under the 90 Percent Return of Capital Residency Agreement, resident or resident's estate will receive a refund of the amount of the Entrance Fee previously paid by resident, without interest, less 2% for each month of residency or portion thereof for up to five months. Subject to the Community's right of offset, the refund of the Entrance Fee will not be less than 90%. Said refund will be paid at such time as the residence is reserved by a new resident and said new resident has paid the full amount of the Entrance Fee or within two years from the date of cancellation, whichever occurs first.

3.6.2 50 Percent Return of Capital Residency Agreement: Under the 50 Percent Return of Capital Residency Agreement, resident or resident's estate will receive a refund of the amount of the Entrance Fee previously paid by resident, without interest, less 2% for each month of residency or portion thereof for up to 25 months. Subject to the Community's right of offset, the refund of the Entrance Fee will not be less than 50%. Said refund will be paid at such time as the residence is reserved by a new resident and said new resident has paid the full amount of the Entrance Fee or within two years from the date of cancellation, whichever occurs first.

3.6.3 Standard Residency Agreement: Under the Standard Residency Agreement, resident or resident's estate will receive a refund of the amount of the Entrance Fee previously paid by resident, without interest, less an amount equal to the base Entrance Fee as set forth in the resident's Residency Agreement and less 2% for each month of residency or portion

thereof for up to 50 months. After 50 months of occupancy, no refund of the Entrance Fee will be made. Said refund amount, if any, will be paid at such time as the residence is reserved by a new resident and said new resident has paid the full amount of the Entrance Fee or within two years from the date of cancellation, whichever occurs first.

3.7 Cancellation by UMRH. Upon 30 days written notice to the resident and/or his or her legal representative, UMRH may cancel the Residency Agreement at any time on the following grounds, which shall be determined by UMRH in its sole discretion:

- Resident does not comply with the terms of the Residency Agreement or the Community's procedures, covenants, rules or policies; or
- Resident misrepresents himself or fails to disclose information during the residency process; or
- Resident fails to make payment to UMRH of any fees or charges due UMRH within 60 days of the date when due; or
- Resident's health status or behavior constitutes a substantial threat to the health or safety of resident, other residents, or others including resident's refusal to consent to relocation or would result in physical damage to the property of the Community or others; or
- There is a major change in resident's physical or mental condition and said condition cannot be cared for in the Community Health Center within the limits of the Community's license.

Cancellation by UMRH occurs only as a last resort, after it becomes clear to UMRH that cancellation is necessary, and after the resident and/or the resident's legal representative/ responsible party has an opportunity to be heard. Any refund of the Entrance Fee would be computed on the same basis as stated in Paragraph 3.6 above.

4. Payment of a Monthly Fee. The resident is required to pay a Monthly Fee (or a pro rata portion thereof) to the Community on the date the resident assumes occupancy at the Community or within 90 days from the date the Residency Agreement is executed by the resident, whichever is earlier. For a villa to be constructed, the resident will be required to begin paying the Monthly Fee on the date the resident assumes occupancy at the Community or within 30 days of notification that the villa is available for occupancy, whichever is earlier. Thereafter, the Monthly Fee is due upon receipt of a statement and by no later than the 15th day of each month. If there are two residents, a second person Monthly Fee will also be paid. The Monthly Fees are paid to provide the services and amenities described in the Residency Agreement and to meet the expenses associated with the operation of the Community. UMRH may increase the Monthly Fee upon 30 days written notice to the residents if UMRH deems it necessary in order to meet the financial needs of the Community and to provide the services to the residents.

5. Health Care Services. After occupancy, each resident is eligible to receive a total of six days each year of either assisted living care in an assisted living room or suite at the Community or nursing care in the Community Health Center while a resident of in his/her residence. If there are two residents under a Residency Agreement, each resident will receive six days, but the days cannot be combined and used by only one resident. Such six days renews on an annual basis and does not accumulate. While utilizing the six days, the resident will be required

to continue to pay the Monthly Fee for his/her residence, as well as any charges for physician services and ancillary health services and supplies. Once a resident is permanently relocated to assisted living or the Community Health Center, he/she no longer qualifies for the six free days of assisted living or nursing care and will be required to pay the assisted living fee or the per diem charge for such care. [NOTE: The six days of care is a combined total for assisted living care and nursing care at the Community.]

6. Relocation/Moves. UMRH reserves the right to relocate a resident to a different residence or a higher level of care after consultation with the resident, resident's family and attending physician if it is determined that such a move should be made for the benefit of the resident or for the proper operation of the Community or to meet the requirements of law.

7. Provisions for New Second Resident. No person other than the resident may occupy the residence without UMRH's prior written approval. If a second person, who is not a party to the Residency Agreement, wishes to become a resident of the Community, that person's acceptance will be in accordance with the current residency policy. An Entrance Fee as determined by the Community will be paid upon residency. In addition, each month the then-current Monthly Fee for second persons will be paid. If the second person does not meet the requirements for residency, he or she will not be permitted to occupy the residence for more than 30 days, except with UMRH's written approval.

8. Provisions for Resident Marrying Resident. Should the resident marry a person who is also a resident of the Community and should they decide to occupy one residence, they must declare which residence will be occupied and which residence will be released. The refund due for the released residence will be as described in Paragraph 3.6 above. Each month, the then-current Monthly Fee for second persons shall be paid.

9. Insurance. The Residency Agreement requires that, when age eligible, the resident maintain Medicare Part A, Medicare Part B and one supplemental health insurance policy or equivalent insurance coverage acceptable to UMRH. It is also recommended that resident carry personal property insurance and liability insurance.

10. Financial Assistance. Financial assistance may be available to existing continuing care residents who live at the Community under a continuing care residency agreement. The resident cannot impair his/her ability to meet his/her financial obligations by transfer of assets other than to meet ordinary and customary living expenses or by not maintaining Medicare Part A, Medicare Part B, supplemental insurance or other health insurance as outlined in the Residency Agreement. A resident must have met all "spend-down" provisions established in UMRH's Benevolence Policy. Public assistance funds are available for the assisted living rooms/suites at the community, and the Community Health Center is Medicaid certified. The resident must agree to apply for public assistance funds and/or Medicaid, depending on the level of care required by the resident. Financial assistance funds are available as long as providing financial assistance does not impair UMRH's ability to operate the Community on a sound financial basis for the benefit of all residents.

UMRH does not offer financial assistance to those residents who are admitted directly to assisted living or the Health Center as private pay residents. Private pay residents are individuals who did not execute a continuing care residency agreement.

11. Tax Deductions. In accordance with the Internal Revenue Code of 1954, Section 213 and Revenue Rulings (67-185, 68-625, 76-481, 75-302, 75-303, and 93-72) and a Private Letter Ruling (8213102), residents of Wesley Pines may be entitled to an itemized deduction for medical expenses for that portion of the Monthly Fees and Entrance Fees, which represents medical care in the year paid. The tax regulations do not specifically provide a formal method for computing what this portion is; however, IRS Letter Ruling 8213102 indicates a method of calculating a medical expense percentage by using the ratio of medical expenses to all expenses of the Community. Currently, this methodology is in use, but may be subject to change. Each year, the Community distributes a letter to residents describing the recommended medical expense percentages for tax purposes.

All deductions are, of course, subject to limitations imposed by the Internal Revenue Code. Residents are encouraged to consult with a qualified tax advisor before taking any deductions.

Based on the financial forecasts, management believes that UMRH will continue to possess sufficient reserves to satisfy the operating reserve requirement.

2. Financial Assistance Funds. UMRH attempts to provide benevolent care funds to those individuals who have exhausted their resources. The funds are in the amounts necessary to make up the difference between the financial resources of the individual and the Monthly Fees for the occupancy of the residence. Some of the benevolence is covered through apportionments from the North Carolina Annual Conference of The United Methodist Church, Southeastern

Jurisdiction; benevolent care endowments; The United Methodist Retirement Homes Foundation; special offerings conducted by local churches; and individual gifts. Persons receiving benevolent care funds must be residents who have entered the Community under a continuing care residency agreement and must have met all "spend-down" provisions established in the UMRH Benevolence Policy. UMRH does not offer benevolent care funds to those residents who are admitted directly to assisted living or the Health Center as private pay residents. Private pay residents are individuals who did not execute a continuing care residency agreement. The resident must agree to apply for public assistance funds and/or Medicaid, depending on the level of care required by the resident. Benevolent care funds are available as long as providing such funds does not impair UMRH's ability to operate the Community on a sound financial basis for the benefit of all residents.

The Marketing, Occupancy, and Benevolence Committee of the Board of Trustees reviews each benevolence application, provides a recommendation to the Board of Trustees, monitors the availability of benevolent funds, and projects potential future demands on benevolent funds.

Independent Auditor's Report

Board of Trustees of
The United Methodist Retirement Homes, Incorporated,
its Affiliate, and Subsidiary
Durham, North Carolina

Opinion

We have audited the accompanying consolidated financial statements of The United Methodist Retirement Homes, Incorporated, its Affiliate, and Subsidiary (the "Company"), which comprise the consolidated balance sheets as of September 30, 2023 and 2022, and the related consolidated statements of operations and changes in net assets, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company as of September 30, 2023 and 2022, and the results of their operations, changes in net assets, and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that these consolidated financial statements are issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements that collectively comprise the Company's basic consolidated financial statements. The consolidating balance sheet information and the consolidating statement of operation and changes in net assets information listed in the table of contents is presented for purposes of additional analysis rather than to present the financial position and results of operations of the individual organizations and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating balance sheet information and the consolidating statement of operation and changes in net assets information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Notes to Consolidated Financial Statements

1. Summary of Significant Accounting Policies

Organization

The United Methodist Retirement Homes, Incorporated (“UMRH”) is a not-for-profit corporation, which principally provides housing, health care, and other related services to residents through the ownership and operation of Wesley Pines Retirement Community in Lumberton, North Carolina, Cypress Glen Retirement Community (“Cypress Glen”) in Greenville, North Carolina, and Croasdaile Village Retirement Community (“Croasdaile Village”) in Durham, North Carolina. UMRH was incorporated in North Carolina in 1946. UMRH’s corporate office is located in Durham, North Carolina.

The United Methodist Retirement Homes Foundation, Inc. (the “Foundation”), an affiliate of UMRH, is a not-for-profit corporation which was organized in order to raise endowment funds for the residential facilities operated by UMRH, to support benevolent care for residents who are unable to pay for continuing care at the residential facilities operated by UMRH, and to support special programs at the residential facilities operated by UMRH. The Foundation was incorporated under the laws of the State of North Carolina in 1994.

UMRH Affordable Housing Development, LLC (“UMRH-AHD”), a subsidiary of UMRH, is a limited liability company, which was organized in North Carolina in 2002 to further the charitable purposes of UMRH by developing affordable rental housing for senior citizens. UMRH is the sole member of UMRH-AHD.

Wesley Ridge of Lumberton, LLC (“Wesley Ridge”) is a non-profit organization that offers affordable housing to senior adults ages 62 and older, and to disabled adults 18 years of age and older. Wesley Ridge was acquired by UMRH on January 31, 2022. As of September 30 2023 and 2022, Wesley Ridge had total assets of approximately \$1,332,000 and \$1,363,000, respectively, and total unrestricted revenues, gains and other support of approximately \$156,000 and \$140,000, respectively, for the years then ended. Due to the limited financial activity, Wesley Ridge was not included in the consolidated financial statements as of September 30, 2023 and 2022.

The consolidated financial statements include the financial statements of UMRH, the Foundation, and UMRH-AHD. All significant intercompany accounts and transactions have been eliminated. UMRH, the Foundation, and UMRH-AHD are collectively referred to as the “Company”.

Basis of Accounting and Presentation

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Cash and Cash Equivalents

Cash and cash equivalents include short-term, highly liquid investments both readily convertible to known amounts of cash and so near maturity at acquisition (three-months or less when purchased) that there is an insignificant risk of change in value because of changes in interest rates. Cash equivalents are stated at cost, which approximates fair value. Throughout the year the Company has bank balances which exceed federal depository limits.

The United Methodist Retirement Homes, Incorporated, Its Affiliate, and Subsidiary
Notes to Consolidated Financial Statements

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported within the consolidated balance sheets that sum to the total amounts shown in the consolidated statements of cash flows:

	<u>2023</u>	<u>2022</u>
Cash	\$ 5,177,988	\$ 5,954,084

Assets limited as to use:		
Construction funds	3,121,841	13,470,453

Held for others	86,572	147,814
Restricted cash for line of credit	234,120	234,120
Net assets with donor restrictions	<u>4,961,830</u>	<u>5,084,501</u>
Total cash, cash equivalents, and restricted cash shown in the consolidated statements of cash flows	<u>\$ 19,237,901</u>	<u>\$ 29,928,446</u>

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value in the consolidated balance sheets. Interest and dividend income are included in operating income unless the income or loss is restricted by donor or law. Gains and losses, both realized and unrealized, on investments in debt and equity securities are included in non-operating gains (losses).

Assets Limited as to Use

Assets limited as to use consist of funds held for debt service in accordance with the Company's bond issues, funds reserved by insurance regulation, construction funds, and funds held for residents. Net assets with donor restrictions are restricted by donors or grantors for a specific purpose.

Insurance regulation assets whose use is limited represents funds reserved to comply with North Carolina Department of Insurance regulations. The amount of this reserve is calculated annually in accordance with the requirements of N.C. General Statute 58, Article 64. These investments consist of cash, cash equivalents, and other short-term investments.

Fair Value of Financial Instruments

The carrying amount of cash and cash equivalents approximates its fair value. The fair value of the Company's investments is presented in Note 3 and Note 5 and is based on quoted market prices. The carrying values of accounts receivable, other receivables, accounts payable, and accrued expenses approximate fair value due to the short-term nature of these instruments. The fair value of the Company's interest rate swaps is presented in Note 8. The Company's long-term debt approximates the fair values of those obligations.

Accounts Receivable, Net

Accounts receivable are reported at estimated net realizable amounts from residents and responsible third-party payers. Amounts owed to the Company are reported net of explicit and implicit price concessions. Specific resident balances are written off at the time they are determined to be uncollectible. The process for estimating the ultimate collection of accounts receivable involves significant assumptions and judgments. In this regard, the Company has implemented a standardized approach to estimate and review the collectability of its receivables based on resident receivable aging trends. Historical collection and payer reimbursement experience are an integral part of the estimation process related to determining the ultimate collectability of accounts. In addition, the Company assesses the current state of its billing functions in order to identify any known collection or

The United Methodist Retirement Homes, Incorporated, Its Affiliate, and Subsidiary
Notes to Consolidated Financial Statements

reimbursement issues to determine the impact, if any, on its reserve estimates, which involve judgment. Revisions in reserve estimates are recorded as adjustments to the explicit and implicit price concessions. Management believes that its collection and reserve processes, along with the monitoring of its billing processes, help to reduce the risk associated with material revisions to reserve estimates resulting from adverse changes in collection, reimbursement experience and billing functions.

Trusts Receivable

Trusts receivable represent the present value of irrevocable charitable remainder unitrusts (“CRUTs”) and charitable gift annuities (“CGAs”). The assets related to these CRUTs and CGAs will become the property of the designated beneficiaries upon the donor’s death. An amount equal to the receivable was recorded as net assets with donor restrictions. Adjustments to the asset to reflect changes in present value are recognized as activity through net assets with donor restrictions.

Asset Held for Resale

Asset held for resale consisted of one gifted property in 2022 which was stated at net book value, that approximated fair value. During 2023, the property was sold.

Property and Equipment, Net

Property and equipment are recorded at cost. Donated property is recorded at its estimated fair value at the date of receipt, which is then treated as cost. Interest is capitalized on facilities during the construction period. Depreciation is provided using the straight-line method over the estimated useful lives of the assets shown below:

Land improvements	15 to 30 years
Buildings and improvements	5 to 40 years
Equipment and fixtures	2 to 25 years

Annuity Payable

The Foundation acts as trustee for irrevocable charitable remainder unitrusts (“CRUTs”), charitable gift annuities (“CGAs”), and charitable remainder annuity trusts (“CRATs”). The assets in these trusts will remain in trust, paying distributions to the donors during their lifetimes, and the remainder assets will become the property of the designated beneficiaries upon the donors’ deaths. Such amounts received are recorded as “investments – restricted” on the consolidated balance sheets. These trusts require specified distributions to be made to the trusts’ designated beneficiaries over the trusts’ terms. The present value of the expected distributions is recorded as annuity obligations. Adjustments to the annuity obligations to reflect amortization of discounts, revaluations of the present value of the estimated future payments and changes in actuarial assumptions are recorded as a change in the value of split-interest agreements.

Funds Held for Others

This liability represents agency funds held for UMRH residents. The related asset is included in assets limited as to use.

Interest Rate Swaps

The interest rate swap agreements are carried at fair value, estimated using a discounted cash flow method at a rate commensurate with the risk involved. A change in the fair value of the interest rate swap agreements is reported in non-operating gains (losses) in the consolidated statements of operations and changes in net assets.

The United Methodist Retirement Homes, Incorporated, Its Affiliate, and Subsidiary
Notes to Consolidated Financial Statements

Liability for Refundable Advance Fees

Entrance fee plans available to residents include a standard rate plan, a 50% refundable plan, 80% refundable plan, and a 90% refundable plan. The non-refundable portions of these fees are recorded as deferred revenue. The refundable portion is treated as a long-term liability. Refunds of refundable entrance fees are paid upon termination of the agreement (provided the resident's independent living unit is reoccupied) or within twenty-four months, whichever occurs first. The total amount of contractual refund obligations under existing contracts (that is, if all residents with a refundable balance were to have withdrawn) totaled approximately \$39,341,000 and \$37,345,000 at September 30, 2023 and 2022, respectively.

Deferred Revenue from Non-refundable Advance Fees

Deferred revenue from non-refundable advance fees represent payments made by a resident in exchange for the use and privileges of the community for life or until termination of the residency agreement. These advance fees may be partially refundable upon termination of the agreement and decline at a rate of 2% per month of occupancy and are paid after termination of the residency agreement (provided the resident's independent living unit is reoccupied) or within twenty-four months, whichever occurs first.

Advance fees are recorded as deferred revenue and recognized as revenue earned on a straight-line basis over the estimated remaining life of each resident, beginning with the date of occupancy. Any unrecognized deferred revenue, less any related refund, at the date of death or termination of the contract is recorded as income in the period the death or termination of the contract occurs.

Net Assets

Net assets of the Company and changes therein are classified and reported as follows:

Net Assets without Donor Restrictions - Net assets that are not subject to donor-imposed stipulations.

Net Assets with Donor Restrictions - Include those net assets subject to donor-imposed stipulations that may or will be met either by action of the Company and/or the passage of time or those net assets subject to donor-imposed stipulations that they be maintained permanently by the Company. Generally, the donors of these assets permit the Company to use all or part of the income earned on related investments for general or specific purposes.

Net Assets Released from Restrictions - The Company reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of donated assets. When a donor-imposed restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of operations and changes in net assets as net assets released from restrictions.

Net Resident and Patient Service Revenues

Net resident and patient service revenues are reported at estimated net realizable amounts from patients, third-party payors, and others for services rendered, and includes estimated retroactive revenue adjustments due to future audits, reviews, and investigations. Retroactive adjustments are considered in the recognition of revenue on an estimated basis in the period the related services are rendered, and such amounts are adjusted in future periods as adjustments become known or as years are no longer subject to such audits, reviews, and investigations. Historically, such adjustments for the Company have been immaterial in relation to the consolidated financial statements as a whole.

The United Methodist Retirement Homes, Incorporated, Its Affiliate, and Subsidiary
Notes to Consolidated Financial Statements

Revenues under third-party payor agreements are subject to examination and retroactive adjustment. Provisions for estimated third-party payor settlements are provided in the period the related services are rendered. Differences between the amounts accrued and subsequent settlements are recorded in operations in the year of settlement.

Excess (Deficit) of Revenues, Gains and Other Support Over Expenses

The consolidated statements of operations and changes in net assets includes excess (deficit) of revenues, gains and other support over expenses. Changes in net assets without donor restrictions, which are excluded from excess (deficit) of revenues, gains and other support over expenses, consistent with industry practice, would include net assets released from restriction for purchase of property and equipment and contributions of long-lived assets (including assets acquired using contributions which by donor restrictions were to be used for the purposes of acquiring such assets).

Benevolent Assistance and Community Benefits

The Company currently maintains a benevolent assistance program and policy for residents holding continuing-care residency agreements in the event the resident(s) should become unable to pay for services. The Company reserves the right to change the program and policy from time to time. The benevolent assistance policy will not apply to residents who have impaired their ability to meet financial obligations by transferring assets other than to meet ordinary and customary living expenses, or by not maintaining Medicare Part A, Medicare Part B, supplemental insurance, or other health insurance after assuming occupancy. Upon review of each resident's individual financial situation, the Company may permit the resident to remain at the facility for a lesser fee based on the resident's ability to pay, but only after meeting all of the "spend-down" provisions of eligibility for the Medicaid program and any public assistance funds. The Company may decline new benevolent assistance applications if it is determined that deferment of such charges may impair the Company's ability to operate on a sound financial basis. Since the Company does not expect to collect the normal charges for services provided for those residents who meet the benevolent assistance provisions, charges for such assistance are not included in net patient service revenue.

The Company also contributes certain dollars, volunteer hours, healthcare, and housing services to benefit the surrounding community. Total community benefits and charity care were approximately \$6,237,000 and \$5,213,000 for the year ended September 30, 2023 and 2022, respectively, which was made up of \$5,424,000 and \$4,825,000 in unreimbursed healthcare, housing and services and \$812,000 and \$388,000 in community benefits for the year ended September 30, 2023 and 2022, respectively.

Continuing-Care Contracts

The Company enters into continuing-care contracts with various residents. A continuing-care contract is an agreement between a resident and the Company specifying the services and facilities to be provided to a resident over his or her remaining life. Under the contracts, the Company has the ability to increase fees as deemed necessary. At the end of each fiscal year, the Company calculates the present value of the net cost of future services to be provided to current residents and compares the amount with the deferred revenue from advance fees at that date. If the present value of the net cost of future services and use of facilities exceeds the deferred revenue from advance fees, a liability (obligation for future costs) is recorded. No liability has been recorded as of September 30, 2023 or 2022, because the present value of the estimated net costs of future services and use of facilities is less than deferred revenues from advances fees. The present value of the net cost of future services and use of facilities was discounted at 4.43% and 3.81% in 2023 and 2022, respectively.

The United Methodist Retirement Homes, Incorporated, Its Affiliate, and Subsidiary
Notes to Consolidated Financial Statements

Concentration of Credit Risk

Concentrations of credit risk with respect to patient accounts receivable are limited due to the formalized agreements with third-party payors. The Company has significant accounts receivable (approximately 46% and 32% in 2023 and 2022, respectively) whose collectability or realizability is dependent upon the performance of certain governmental programs, primarily Medicare and North Carolina Medicaid. Management does not believe there are significant credit risks associated with these governmental programs.

Use of Estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Company is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code; accordingly, the accompanying consolidated financial statements do not reflect a provision or liability for federal and state income taxes. The Company has determined that it does not have any material unrecognized tax benefits or obligations as of September 30, 2023.

Subsequent Events

The Company evaluated the effect subsequent events would have on the consolidated financial statements through January 27, 2024, which is the date the consolidated financial statements were issued.

2. Revenue Recognition

The Company generates revenues, primarily by providing housing and health services to its residents. The following streams of revenue are recognized as follows:

Monthly fees:

The life care contracts that residents select require an advanced fee and monthly fees based upon the type of space they are applying for. Resident fee revenue for recurring and routine monthly services is generally billed monthly in advance. Payment terms are usually due within 30 days. The services provided encompass social, recreational, dining along with assisted living, nursing care, and memory care and these performance obligations are earned each month. Under ASC Topic 606, management has determined that the performance obligation for the standing obligation to provide the appropriate level of care is the predominant component and does not contain a lease component under ASC Topic 842. Resident fee revenue for non-routine or additional services are billed monthly in arrears and recognized when the service is provided.

Advanced fees:

The non-refundable advanced fees are recognized as deferred revenue upon receipt of the payment and included in liabilities in the consolidated balance sheets until the performance obligations are satisfied. The refundable portion of an entrance fee is not considered part of the transaction price and as such is recorded as a liability in the consolidated balance sheets. Additionally, management has determined the contracts do not contain a significant financing component as the advanced payment assures residents the access to health care in the future. These deferred amounts are then amortized on a straight-line basis into revenue on a monthly basis over the life of the resident as the performance obligation is the material right associated with access to future services as described in FASB ASC 606-10-55 paragraph 18, 42 and 51.

The United Methodist Retirement Homes, Incorporated, Its Affiliate, and Subsidiary
Notes to Consolidated Financial Statements

Health care services:

In the facility, the Company provides assisted and nursing care to residents who are covered by government and commercial payers. The Company is paid fixed daily rates from government payers. The fixed daily rates and other fees are billed in arrears monthly. The monthly fees represent the most likely amount to be received from the 3rd party payors. Most rates are predetermined from Medicare and Medicaid. Under ASC Topic 606, management has elected to utilize the portfolio approach in aggregating the revenues under these revenue streams.

The Company disaggregates its revenue from contracts with customers by payor source, as the Company believes it best depicts how the nature, timing and uncertainty of its revenues and cash flows are affected by economic factors. See details on a reportable segment basis in the table below:

5. Fair Value of Assets and Liabilities

Fair value as defined under U.S. GAAP is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. U.S. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

- **Level 1:** Observable inputs such as quoted prices in active markets.
- **Level 2:** Inputs other than quoted prices in active markets that are either directly or indirectly observable.

The United Methodist Retirement Homes, Incorporated, Its Affiliate, and Subsidiary
Notes to Consolidated Financial Statements

- **Level 3:** Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

When quoted prices are available in active markets for identical instruments, investment securities are classified within Level 1 of the fair value hierarchy. Level 1 investments include mutual funds, exchange-traded funds, government and agency bond funds, and money market funds which are valued based on prices readily available in active markets in which those securities are traded. Level 2 investments include interest rate swap agreements which are valued on a recurring basis based on inputs that are readily available in public markets or can be derived from information available in publicly quoted markets.

The Company does not have any financial assets or liabilities measured at fair value on a recurring basis categorized as Level 3, and there were no transfers in or out of Level 3 during 2023. There were no changes during 2023 to the Company's valuation techniques used to measure asset and liability fair values on a recurring basis.

The following tables set forth by level the fair value hierarchy the Company's financial assets accounted for at fair value on a recurring basis as of September 30, 2023 and 2022.

8. Interest Rate Swap

Variable rate long-term debt exposes the Company to variability in interest payments due to changes in interest rates. To meet this objective, management entered into interest rate swap agreements to manage fluctuations in cash flows resulting from interest rate risk.

In August 2014, the Company entered into a forward interest rate swap agreement with a financial institution in conjunction with the 2014A Bonds that took effect October 1, 2014. The Company pays a fixed rate of 2.97% while the financial institution pays based on 78% of 1-Month LIBOR plus 1.3925%. The difference between the fixed and floating rates is accrued and recorded in interest expense in the accompanying consolidated statements of operations and changes in net assets. The fair value of this derivative instrument is recorded on the consolidated balance sheets as a long-term asset in fiscal years 2023 and 2022.

By using an interest rate swap to hedge exposure to change in interest rates, the Company exposes itself to credit risk and market risk. Credit risk is the failure of the counterparty to perform under the terms of the derivative contract. Market risk is the adverse effect on the value of the financial instrument that results from a change in interest rates. The market risk associated with an interest rate swap is managed by establishing and monitoring parameters that limit the types and degrees of market risk that may be undertaken.

12. Commitments and Contingencies

The Company is involved in litigation in the ordinary course of business related to professional liability claims. Management believes these claims, if asserted, would be settled within the limits of coverage, which is on a claims-made basis, with insurance limits of \$1,000,000 per claim and \$3,000,000 in the aggregate.

Should the policies not be renewed or replaced with equivalent insurance, claims based on occurrences during their terms but reported subsequently would be uninsured. Management anticipates that such coverage will be renewed or replaced with equivalent insurance as these policies expire.

13. Contingent Liabilities

The Company is self-insured for its employee health insurance and records an estimate for claims incurred but unpaid at year end. The estimated liability for these claims approximated \$195,000 and \$299,000 as of September 30, 2023 and 2022, respectively. The liability is included in current liabilities on the consolidated balance sheets. The total self-insurance expenses were approximately \$2,620,000 and \$3,110,000, for 2023 and 2022, respectively. Under this Agreement, LCS is to: (i) provide a qualified Corporate Executive Director, who is an employee of LCS; (ii) perform general, financial, personnel, facility and other management services necessary for operation of UMRH’s corporate office and the operation and marketing of the communities. The term of the Client Services Agreement is five years terminable by UMRH, with six months’ notice, at the conclusion of the third anniversary without cause or penalty. The Company recognized management fee expenses of approximately \$2,628,000 and \$2,468,000 for the years ended September 30, 2023 and 2022, respectively which are included in administrative expenses on the consolidated statement of operations and changes in net assets.

15. Endowment Funds

The Company’s endowments consist of individual funds established for a variety of purposes including support for residents in financial need, plant operations and maintenance and other general obligations. The endowments consist of donor-restricted endowment funds. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Trustees of the Company has interpreted the State Prudent Management of Institutional Funds Act (“SPMIFA”) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Company classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance with SPMIFA, the Company considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Company and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Company
- The investment policies of the Company

Return Objectives and Risk Parameters

The Company has adopted investment and spending policies for endowment assets that attempt to emphasize long-term growth of principal while avoiding excessive risk. Short-term volatility will be tolerated in as much as it is consistent with the volatility of a comparable market index. Endowment assets include those assets of donor-restricted funds that the Company must hold in perpetuity.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Company relies on a combination strategy of capital preservation and modest capital growth. The Company targets a diversified asset allocation that places a greater emphasis on fixed income investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Company has a policy of utilizing the interest and dividends earned on these endowments for their restricted purposes. The Company believes the investment policy established will facilitate the growth of these endowed funds and allow for earnings on these endowed funds to be used consistent with the intent of the donors.

18. COVID-19 Pandemic

In response to the COVID-19 pandemic, the Coronavirus Aid, Relief and Economic Security (“CARES”) Act was signed into law on March 27, 2020. One provision of the CARES Act was the establishment of the Provider Relief Funds, administered by HHS. The Provider Relief Funds are being distributed to healthcare providers throughout the country to support the battle against the COVID-19 outbreak. The Company received approximately \$310,000 and \$2,083,000 in general Provider Relief Funds (“PRF”) in fiscal year 2021 and 2020, respectively. These funds are intended to reimburse qualifying expenses and lost revenues attributable to COVID-19 and are subject to the terms, conditions, and regulatory requirements set forth by HHS. If the total distributions received by the Company exceed the cumulative amount of qualifying expenses and lost revenues attributable to COVID-19 through December 31, 2021, any excess funding may be subject recoupment. The Provider Relief Funds are accounted for as voluntary nonexchange transactions and related revenues are recognized as eligibility criteria are met. The company recognized approximately \$485,000 in non-operating gains for the year ended September 30, 2022.

United Methodist Retirement Homes Obligated Group

Summary of Significant Forecast Assumptions and Rationale

General

The accompanying financial forecast presents, to the best of the knowledge and belief of United Methodist Retirement Homes, Incorporated (“UMRH”) and The United Methodist Homes Foundation, Inc. (the “Foundation,” and collectively with UMRH, defined as the “Obligated Group”), the expected financial position, results of operations, and cash flows of the Obligated Group as of and for each of the five years ending September 30, 2028. Accordingly, the financial forecast reflects the judgment of management of the Obligated Group and Life Care Services LLC, dba Life Care Services (“LCS”) (collectively defined as “Management”) as of March 26, 2024, the date of this forecast, based on present circumstances and the expected course of action during the forecast period. There will usually be differences between the forecasted and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Management’s purpose in releasing this financial forecast is for inclusion in the Company’s annual disclosure statement in accordance with Chapter 58, Article 64, of the North Carolina General Statutes. Accordingly, this report should not be used for any other purpose. The assumptions disclosed herein are those that Management believes are significant to the prospective financial statements.

Basis of Presentation – The prospective financial statements included in the forecast have been prepared in accordance with the accounting principles generally accepted in the United States of America. Significant accounting policies are described in the appropriate assumptions and notes to the prospective financial statements. The assumptions described are not all-inclusive.

Background

UMRH is a nonprofit corporation founded in 1946, which principally provides housing, health care, and other related services to residents through the ownership and operation of Croasdaile Village Retirement Community (“Croasdaile Village”) in Durham, North Carolina; Cypress Glen Retirement Community (“Cypress Glen”) in Greenville, North Carolina; and Wesley Pines Retirement Community (“Wesley Pines”) in Lumberton, North Carolina. Croasdaile Village, Cypress Glen, and Wesley Pines are collectively referred to as the “Communities”. UMRH’s corporate office is located in Durham, North Carolina.

UMRH is governed by a board of trustees (the “Board”), currently consisting of 11 trustees. UMRH’s bylaws provide for (1) not fewer than 10 nor more than 16 elected trustees (the “Elected Trustees”), with 60 percent elected by the Board and 40 percent elected by the North Carolina Annual Conference Board of Institutions to staggered four-year terms, and (2) certain ex-officio trustees (the “Ex-Officio Trustees”). Elected Trustees may be elected to two consecutive terms and may be re-elected as trustees again after being off the Board for one year. The current Ex-Officio Trustees consist of the presidents of resident associations, chairs of the local committees at the Communities and the corporate executive director at UMRH. All Ex-Officio Trustees, except for the corporate executive director of UMRH, have voting rights.

The Foundation is a nonprofit corporation which was organized in order to raise endowment funds for the Communities, to support benevolent care for those residents who are unable to pay for continuing care at the residential facilities operated by UMRH, and to support special programs at the residential facilities operated by UMRH. Members of the Board serve as members of the Foundation and elect the members of the Foundation’s board of directors.

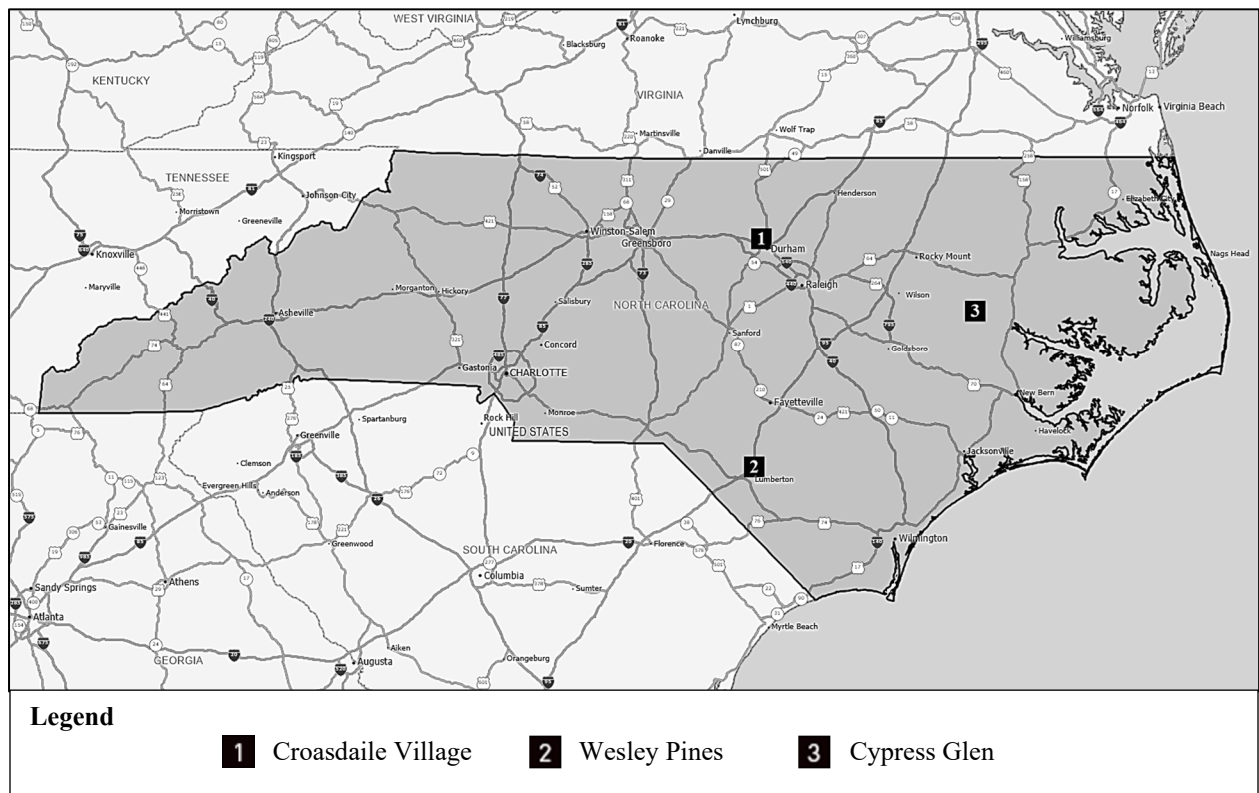

UMRH and the Foundation are exempt from federal income taxation under Section 501(a) of the Internal Revenue Code of 1986, as amended (the “Code”), as organizations described in Section 501(c)(3) of the Code.

UMRH has affiliates related to 24 affordable rental housing units for senior adults and disabled adults 18 and older contiguous to the Wesley Pines campus in Lumberton, NC known as “Wesley Ridge.” Wesley Ridge of Lumberton, LLC, a North Carolina for-profit limited liability company, is the owner of Wesley Ridge, and the members of such entity are UMRH and UMRH Affordable Housing, Inc. UMRH Affordable Housing, Inc. is a North Carolina for-profit corporation in which UMRH is the sole shareholder. UMRH Affordable Housing Development, LLC is a for-profit North Carolina limited liability company created for the development of affordable rental housing. UMRH is the sole member of this entity.

UMRH Affordable Housing, Inc., Wesley Ridge of Lumberton, LLC and UMRH Affordable Housing Development, LLC are not Members of the Obligated Group, and have no obligations with respect to the Series 2024 Bonds (defined hereinafter).

Management of the Communities

UMRH and LCS entered into a client services agreement (the “Management Agreement”) effective January 1, 2023 whereby LCS agrees to act as agent of UMRH, to serve as the manager of the Communities, including the real estate, and in connection therewith, to recommend and regularly evaluate policies and goals of UMRH, implement the policies, budgets, directives and goals for the Communities established by UMRH, to manage the day-to-day operations of the Communities in accordance with UMRH’s policies, directives and goals, to provide UMRH with relevant information as to past operations, and to make recommendations as to the future operations of the Communities. LCS is to maintain a system of financial controls for the Communities using the software provided at other similar communities managed by LCS or its subsidiaries, and provide UMRH with monthly financial statements and annual budgets for operating revenue and expense, capital expenditures and cash flow forecasts for the Communities, and recommend a schedule of resident entrance fees, monthly service fees and other charges. All staff at the Communities are direct employees, with the exception of the corporate executive director and the executive director at Wesley Pines, who are LCS employees.

UMRH is obligated to pay LCS a monthly management fee (the “Monthly Management Fee”) equal to \$190,000 per month (the “Base Fee”), plus the positive difference, if any, between 3.5 percent of monthly operating revenues and the Base Fee (the “Incentive Fee”). The Base Fee increases annually, beginning January 1, 2024, at the same percentage increase as the percentage increase in the index figure for “all items” as shown in the United States Consumer Price Index for All Urban Consumers (“CPI-U”). As described in the Management Agreement, monthly operating revenue equals total operating revenues of the Communities actually received during each calendar month, including monthly service fees, earnings on reserves, additional service payments and healthcare center payments, but does not include any revenue received by UMRH related to the corporate office. In addition to the Monthly Management Fees described above, LCS will be reimbursed for the salary and benefits of the corporate executive director and for certain other expenses.

The Management Agreement commenced on January 1, 2023, and is to continue for 60 months, unless sooner terminated based on terms of the Management Agreement.

Development of the Project

UMRH and LCS Development LLC (“LCS Development”) entered into a Development Agreement effective August 26, 2021, (the “Development Agreement”) to provide certain development and consulting services in connection with planning, financing, constructing, marketing and opening of the units associated with the Project.

The Development Fee

As compensation for services rendered, UMRH is to pay a “Development Fee” equal to 5.0 percent of actual project costs which has been and is to be paid as follows: (a) \$100,000 upon completion of tasks associated with the Project’s development plan (the “Development Plan”); (b) fees to be earned and paid upon achieving certain milestone activities, (i) 10.0 percent of the Development Fee upon completion of design documents for phase B1, (ii) 10.0 percent of the Development Fee upon completion of design documents for phase B2, (iii) 10.0 percent of the Development Fee upon completion of design documents for phase C, (iv) 30.0 percent of the Development Fee upon the earlier of the issuance of a notice to proceed with certain construction activities, or closing of permanent financing, (v) 25.0 percent of the Development fee paid during construction, and (vi) 15.0 percent of the Development Fee upon 90% occupancy of the New Cypress Glen ILUs. Total Development Fees are anticipated to equal approximately \$4,626,000.

UMRH is also expected to reimburse LCS Development for all reasonable out-of-pocket expenses for personnel employed by LCS Development to such extent such expenses are included in the Project-related budget. Out-of-pocket expenses could include, but are not limited to, the cost of reasonable transportation and living expenses, travel, telephone, express delivery, copying, etc. but not including any overhead or administrative expense.

The Marketing and Sales Fee

In addition to the Development Fee, LCS Development is to be paid a marketing and sales commission fee (the “Marketing Fee”), totaling 2.0 percent of the entrance fees to be paid for initial occupancy of the New Cypress Glen ILUs. Fifty percent of the Marketing Fee is to be earned at the time a New Cypress Glen ILU is reserved with a 10 percent deposit (the “Reservation Marketing Fee”) and 50 percent is to be earned and paid upon occupancy of each New Cypress Glen ILU. Payment of the Reservation Marketing Fee is to be deferred until permanent financing, with the exception of the following payments: (i) \$10,000 due upon commencement of priority deposits; (ii) \$10,000 upon achievement of 25 percent reservations of the New Cypress Glen ILUs and (iii) \$10,000 upon achievement of 50 percent reservations of the New Cypress Glen ILUs. Total Marketing Fees are anticipated to equal approximately \$312,000.

Description of the Residency Agreements

To be accepted for admission for an Existing Cypress Glen ILU, a New Cypress Glen ILU, a Croasdaile ILU, a Cypress Glen ILU or a Wesley Pines ILU (collectively defined as the “Independent Living Units”), a prospective resident (the “Resident”) must be at least 62 years of age at the time residency is established and exhibit an ability to live independently and meet their financial obligations as residents of the selected Existing Independent Living Unit.

To reserve an Independent Living Unit, a prospective resident is required to execute a residency agreement (the “Residency Agreement”), provide self-disclosure of his or her health and finances and place a deposit equal to 10 percent of the Entrance Fee (the “Entrance Fee Deposit”) on the selected Independent Living Unit (the “Depositor”). The remaining 90 percent of the Entrance Fee is due on or before the occupancy date (the “Occupancy Date”) of the Independent Living Unit.

The Residency Agreement is a contract which upon payment by the Resident of an Entrance Fee and ongoing payments of Monthly Fee to UMRH, entitles the Resident to occupy the selected Independent Living Unit and UMRH is to provide the following services:

- Weekly housekeeping;
- Limited meal delivery when approved by authorized staff;
- All utilities, except telephone;
- Standard cable television;
- Consultation and preparation of routine special diets;
- Building janitor and maintenance;
- Grounds keeping;
- Planned social, cultural, recreational, educational and spiritual activities;
- Chaplain services;
- Parking;
- Schedule local transportation;
- Limited additional storage space with the exception of the Cypress Glen Cottages;
- Personal emergency transmitter system;
- 24-hour security; and,
- Priority access to a nursing bed or assisted living unit, as necessary, including six days of care in the health center per person per year.

In addition, the frequency of meals and flat linen services included in the Monthly Fee varies for each Community as noted in the following table.

Source: Management

(1) The flexible meal program at Croasdaile Village is equal to 14 units per day or approximately one meal per day.

(2) The a la carte plan is the most popular meal plan at Wesley Pines.

The Resident may purchase additional services for a fee, including, but not limited to, resident and guest meals, preparation of special diets (beyond those which are routine), additional housekeeping services, personal transportation services, wireless Internet, services of the clinic, home care services, and certain ancillary services and supplies.

The Monthly Fee may be revised based on the experience of UMRH and estimates of its future costs, at its sole discretion. UMRH expects to make such adjustments not more than once a year and is required to provide 30 days prior written notice of any such adjustments.

Healthcare Benefit

Residents receive six days of care annually in the applicable Community’s health center while they are a resident in an Existing Independent Living Unit or New Cypress Glen ILU (the “Healthcare Benefit”). In the case of double occupancy, each Resident receives six days of care; however, the days cannot be combined for use by one of the Residents. The Healthcare Benefit renews on an annual basis and does not accumulate. Residents are required to pay the charges for physician services and any additional medical and miscellaneous supplies and services associated with medical treatment.

In the event the Resident requires temporary care beyond the six annual days, the Resident would pay the per diem charge for care in the health center as well as the Monthly Fee of the Resident’s Existing Independent Living Unit or New Cypress Glen ILU.

In the event the Resident requires permanent care in the health center, the Resident would be required to release his or her Existing Independent Living Unit or New Cypress Glen ILU and pay the per diem charge for care in the health center.

Entrance Fees

UMRH offers three Entrance Fee plans for the Existing Independent Living Units including the Standard Entrance Fee Plan, the 50% Refund Plan and the 90% Refund Plan. In addition, the 80% Refund Plan is offered at Cypress Glen. The Entrance Fee options, related amortization schedules and refunds upon termination of the Residency Agreement are as follows:

Entrance Fee Option	Amortization Schedule
Standard Plan	Entrance Fee amortizes two percent per month for up to 50 months from the occupancy date. After 50 months of occupancy, no refund is due to the Resident.
50% Refund Plan	Entrance Fee amortizes two percent per month for up to 25 months from the occupancy date. After 25 months, the Entrance Fee is 50 percent refundable.
80% Refund Plan ⁽¹⁾	Entrance Fee amortizes two percent per month for up to 10 months from the occupancy date. After 10 months, the Entrance Fee is 80 percent refundable.
90% Refund Plan	Entrance Fee amortizes two percent per month for up to five months from the occupancy date. After five months, the Entrance Fee is 90 percent refundable.

(1) The 80% Refund Plan is only offered at Cypress Glen.

The following table summarizes the current percentage of refund plans for the Existing Cypress Glen ILUs and for the New Cypress Glen ILUs as of November 30, 2023 and December 20, 2023, respectively.

Play Type	Existing Cypress Glen ILUs ⁽¹⁾	New Cypress Glen ILUs ⁽¹⁾	Management’s Forecast ⁽²⁾

90% Refund Plan	7.7%	4.0%	–

(1) The utilization of Entrance Fee options for the Existing Cypress Glen ILUs and for the New Cypress Glen ILUs are as of November 30, 2023 and December 20, 2023, respectively.

(2) For purposes of the forecast, Management has assumed 100 percent of New Cypress ILUs utilization to be the Standard Entrance Fee Plan.

Termination by the Resident Prior to Occupancy Date

If the Residency Agreement is terminated prior to occupancy, the Resident would receive a refund of the Entrance Fee paid, less a non-refundable portion of the Entrance Fee equal to \$2,000 and less any costs specifically incurred by UMRH at the Resident’s request. The refund would be paid within 60 days upon receipt of the written notice of cancellation.

Termination by the Resident After the Occupancy Date

After the occupancy date, the Resident may cancel the Residency Agreement for any reason by providing written notification of 30 days. Any refund due to the Resident (if applicable) would be paid, without interest, when the Resident’s Independent Living Unit has been reserved by a new resident and upon receipt of the full Entrance Fee paid by a new resident or within two years from the date of cancellation, whichever occurs first.

Regulatory

Continuing Care Regulatory Requirements

In North Carolina, CCRCs are licensed and regulated by the North Carolina Department of Insurance (“NCDI” or the “Department”) under Chapter 58, Article 64 of the North Carolina General Statutes (the “General Statutes”) and under Title 11 of the North Carolina Administrative Code. The General Statutes define continuing care as “the furnishing to an individual other than an individual related by blood, marriage, or adoption to the person furnishing the care, of lodging together with nursing services, medical services, or other health related services, under an agreement effective for the life of the individual or for a period longer than one year.”

A CCRC is required to obtain a license from the NCDI prior to entering into continuing care contracts. Registration must include a disclosure statement, including financial statements and other information required by the NCDI, which is required to be updated each year subsequent to initial registration (the “Disclosure Statement”). The provider is also required to deliver a Disclosure Statement to prospective residents upon or prior to execution of a residency agreement or collection of a deposit. In addition, CCRCs are required to maintain certain minimum levels of operating reserves to provide security to residents that the community will be able to meet its contractual obligations to provide continuing care.

CCRCs may provide a variety of contracts to residents. Generally, the major distinction in contract types relates to the health care benefit and the payment of an entrance fee. The most common contract types are as follows:

Extensive or Life Care Contract (“Type A”) - Under a Type A contract, a resident typically pays an upfront entrance fee and an ongoing monthly service fee in exchange for the right to lifetime occupancy of an independent living unit with certain services and amenities. Residents of independent living who require assisted living or nursing care may transfer to the appropriate level of care and continue to pay essentially the same monthly fee they had been paying for their residence, or upon permanent transfer, the fee may be adjusted to the weighted average of all monthly fees or to a specified independent living unit monthly fee.

Modified Contract (“Type B”) - Under a Type B contract, the resident also generally pays an upfront entrance fee and an ongoing monthly service fee for the right to lifetime occupancy of an independent living unit with certain services and amenities. However, under a Type B contract, the CCRC typically provides assisted living or nursing care to residents either (a) at a discounted rate on the per diem, e.g., 20 percent discount; (b) a certain number of days per year or per lifetime, e.g., 60-90 days; or, (c) a combination of the two.

Fee-for-Service Contract (“Type C”) - A Type C contract also generally requires an upfront entrance fee and an ongoing monthly service fee for the right to lifetime occupancy of an independent living unit with certain services and amenities. However, under the Type C contract, residents who require assisted living or nursing care do not receive any discount on assisted living or nursing services.

Rental Communities (“Rental”) – Under a Rental contract, a resident signs a residency agreement for the independent living unit selected and pays for various additional services utilized (including assisted living, memory care or nursing) on a monthly basis at prevailing market rates. The resident is not required to pay an entrance fee and the contract term is typically on a month-to-month basis.

Assisted Living Regulatory Requirements

Adult Care Homes and Multi-Unit Assisted Housing with Services (“MAHS”) are regulated by Department of Health and Human Services (“DHHS”), under Chapter 131D, Article 1 of the North Carolina General Statutes and Title 10A, Subchapter 13F of the North Carolina Administrative Code. DHHS defines MAHS as an assisted living residence in which hands-on personal care services and nursing services which are arranged by housing management are provided by a licensed home care or hospice agency through an individualized written care plan. Residents must not be in need of 24-hour supervision. MAHS must register with DHHS and provide a disclosure statement. The North Carolina Medical Care Commission (the “Commission”) also has rulemaking authority over Adult Care Homes (as defined hereinafter). According to DHHS, most assisted living facilities are licensed as Adult Care Homes.

Adult Care Homes, licensed by DHHS, are defined as assisted living residences in which the housing management provides 24-hour scheduled and unscheduled personal care services to two or more residents, either directly or for scheduled needs, through formal written agreement with licensed home care or hospice agencies.

For the purpose of the report, the term “assisted living” is utilized to denote both licensed Adult Care Homes and unlicensed MAHS. Management does not consider foster homes or assisted living facilities with less than 20 beds or lower fee structures to be considered comparable to the assisted living units at the Communities.

For purposes of determining bed need and issuing a Certificate of Need (“CON”) for Adult Care Homes, DHHS reviews each application on a case by case basis and applies a bed need methodology to the corresponding county’s bed need. The following factors are used to determine forecasted bed need by county: bed-to-population ratios, reasonable levels of geographic access for the population, and beds developed as part of a CCRC.

CCRCs may qualify for an exemption from the CON requirement for any new or reconfigured Adult Care Home beds by demonstrating that the proposed assisted living beds would be used exclusively to meet the needs of persons with whom the facility has continuing care contracts (or internal resident transfers through the continuum of care) and who have lived in an independent living unit of the CCRC for a period of at least 30 days.

Nursing Care Regulatory Requirements

DHHS licenses and regulates skilled nursing facilities. Nursing facilities are defined under the North Carolina Nursing Home Licensure Act (Part 1 of Article 6, Chapter 131E of the North Carolina General Statutes) (the “North Carolina Nursing Home Licensure Act”) and Title 10A of the North Carolina Administrative Code as facilities that provide nursing or convalescent care for three or more persons, unrelated to the licensee. According to the North Carolina Nursing Home

Licensure Act, a nursing home provides care for persons who have remedial ailments or other ailments for which medical and nursing care are required, but who are not sick enough to require general hospital care.

There is currently a CON requirement for new nursing beds under the State Medical Facilities Plan. CCRCs may qualify for an exemption from the CON requirements for any new nursing beds that would be used exclusively to meet the needs of persons with whom the facility has continuing care contracts under the sheltered bed policy. The residents under the continuing care contract must have lived in a non-nursing unit for at least 30 days prior to transferring to a nursing bed.

All of the Cypress Glen Nursing Beds are closed beds, 50 of the Croasdaile Nursing Beds are closed beds, and 30 of the Wesley Pines Nursing Beds are closed.

Summary of Significant Accounting Policies

(a) Basis of Accounting

The Obligated Group maintains its accounting and financial records according to the accrual basis of accounting.

(b) Cash and Cash Equivalents

Cash and cash equivalents, excluding those classified as investments and assets whose use is limited, include certain investments in highly liquid instruments, including short-term debt securities and money market funds with original maturities of three months or less when purchased.

(c) Restricted Cash

The Obligated Group has implemented FASB ASU No. 2016-18, Statement of Cash Flows (Topic 230): Restricted Cash, which requires that a statement of cash flows explain the change during the period in the total of cash, cash equivalents and amounts generally described as restricted cash or restricted cash equivalents. Amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end of period total amounts shown on the statement of cash flows. The provisions of FASB ASU No. 2016-18 are effective for the purpose of Management's forecast.

(d) Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value in the statements of financial position. The fair values of investments are determined based upon quoted market prices. Management has not assumed any unrealized gains or losses on investments during the forecast period.

(e) Assets Limited as to Use

Assets limited as to use are assumed to be carried at fair value, which, based on the nature of the underlying securities, is assumed to approximate historical cost. Management assumes no material changes in fair values that result in material net realized or unrealized gains or losses during the forecast period.

(f) Property and Equipment

Property and equipment is stated at cost less accumulated depreciation. Contributed property is recorded at the estimated fair value at the date of receipt. Depreciation is computed under the straight-line method and is based on estimated useful lives of 35 years for buildings, 8 to 10 years for principal equipment, 5 years for minor equipment and 5 years for vehicles. The cost of maintenance and repairs is expensed as incurred.

(g) Costs of Borrowing

Net interest cost incurred on borrowed funds during the period of construction of capital assets is capitalized as a component of the cost of acquiring those assets.

(h) Obligation to Provide Future Services

UMRH enters into continuing care contracts with Residents. A continuing care contract is an agreement between a Resident and UMRH specifying the services and facilities to be provided over the Resident's remaining life. Under each contract, UMRH has the ability to increase fees as deemed necessary. As of the end of each year, UMRH calculates the present value of the estimated net cost of future services to be provided to current Residents, including the cost of facilities, and compares the amount with the balance of deferred revenue from advance fees at that date. If the present value of the net cost of future services and use of facilities exceeds the balance of deferred revenue from advance fees, a liability (obligation to provide future services) is recorded. Management has calculated that the value will not exceed the balance of deferred entrance fees as of September 30, 2023; therefore, no liability for the obligation to provide future services is required to be recorded for the forecast period.

(i) Deferred Marketing Costs

Management has implemented ASU No. 2014-09 "Revenue from Contracts with Customers" and adopted the treatment of deferred marketing costs. Under the standard, UMRH capitalizes marketing sales commissions associated with securing a new Resident as an asset and amortizes these commissions over five (5) years, the estimated term of the respective Residency Agreements.

(j) Deferred Revenue from Entrance Fees

Fees paid by a Resident upon entering into a continuing care contract, net of the portion thereof which is refundable to the Resident, are recorded as deferred revenue and amortized into net resident services revenue using the straight-line method over the estimated remaining life expectancy of the Resident, adjusted on an annual basis.

(k) Refundable Entrance Fees

Refundable Entrance Fees received are deferred and the refundable portion of the Entrance Fee is maintained as a liability, reflecting UMRH's future obligation for repayment.

(l) Tax-Exempt Status

The Obligated Group consists of nonprofit organizations exempt from federal income and excise taxes under section 501(c)3 of the Internal Revenue Code, that are classified as other than a private foundation.

(m) Investment Income

Investment income is reported as operating revenue unless restricted by donor or law. Management assumes no changes in fair values that result in material net realized or unrealized gains or losses during the forecast period.

The Communities participate in Medicare and Medicaid reimbursement programs for certain nursing residents. Nursing service fees for Medicare and Medicaid residents are assumed to increase 3.0 percent on October 1, 2025, 2.0 percent on October 1, 2026, and annually thereafter. Based upon information provided by the Underwriter, Management has assumed an average annual rate of return of 4.5 percent on the Project Fund and the Funded Interest Fund.

Entrance Fees

The assumed turnover of the Existing Cypress Glen ILUs, the Croasdaile ILUs and the Wesley Pines ILUs due to death, withdrawal or transfer to the assisted living, memory care or nursing beds at the respective communities, and double occupancy of the Existing Cypress Glen ILUs, the Croasdaile ILUs and the Wesley Pines ILUs has been estimated by Management. The assumed turnover of the New Cypress Glen ILUs due to death, withdrawal or transfer to the assisted living, memory care or nursing beds at Cypress Glen, and double occupancy of the New Cypress Glen ILUs has been estimated by Management’s actuary, Continuing Care Actuaries (the “Actuary”).

The following table presents the assumed Entrance Fees received and refunded.

Summary of Operating Expense Assumptions

Operating expenses are estimated by Management based on its experience at each Community and with the development and operation of other similar LCS retirement communities. Staff salaries and benefits are based on prevailing local salary and wage rates and for the Communities are assumed to increase 5.0 percent on October 1, 2024, 4.0 percent on October 1, 2025 and 3.0 percent on October 1, 2026 and annually thereafter.

Other non-salary operating expenses are assumed to include ongoing marketing costs, raw food costs, utilities, supplies, maintenance and security contracts, building and general liability insurance, legal and accounting fees and other miscellaneous expenses. The cost of these non-salary operating expenses for the Communities are assumed to increase 5.0 percent on October 1, 2024, 4.0 percent on October 1, 2025 and 3.0 percent on October 1, 2026 and annually thereafter.

Assets Limited as to Use

The following funds and accounts for the Series 2024 Bonds and Existing Bonds (hereinafter defined) are assumed to be maintained:

- (1) Assets Limited as to Use, current – Existing Bonds, which contains the bond principal and interest payments to be used for payment of debt service on the Existing Bonds.
- (2) Assets Limited as to Use, current – Series 2024 Bonds, which, upon financing, contains the bond principal and interest payments to be used for payment of debt service on the Series 2024 Bonds.
- (3) Debt Service Reserve Funds – Existing Bonds, which has been funded with proceeds received from previously issued bonds, including certain of the Existing Bonds.
- (4) Funded Interest Account, net funded from the Series 2024 Bonds proceeds to be used to fund interest on the Series 2024 Bonds for a period of approximately 25 months.
- (5) Construction Account, to be gross funded at the closing from a portion of the Series 2024 Bonds proceeds, to be used to pay for construction and related costs for the Project.
- (6) Entrance Fees Fund, to be funded with initial Entrance Fees from the New Cypress Glen ILUs. For the purposes of the forecast, the Entrance Fees Fund is used for Series 2024B Bond redemptions during the fiscal year ending September 30, 2026.

In addition, the Obligated Group maintains the following funds and accounts based on restrictions of the Boards, outside donors, or other legal requirements (collectively defined as “Other Assets Limited as to Use”) and include the following:

- (1) Operating Reserve for Department of Insurance: North Carolina General Statute § 58-64-33 requires CCRC’s to maintain an operating reserve (the “Statutory Operating Reserve”) equal to 50 percent of the total operating costs in a given year, or 25 percent of such total operating costs if occupancy as of a certain date exceeds 90 percent of the independent living unit capacity.
- (2) Net assets with donor restrictions: Net assets with donor restrictions have been restricted by donors to be maintained in perpetuity.
- (3) Investments – Restricted: Permanently restricted assets have been restricted to be maintained in perpetuity.

For purposes of the forecast, other than increases in the Operating Reserve for Department of Insurance associated with expense changes, Management has assumed no change in the Other Assets Limited as to Use during the forecast period.

Property and Equipment and Depreciation Expense

The Obligated Group is to incur routine capital additions during the forecast period that are to be capitalized as property and equipment. Depreciation expense for all capital assets is computed based on the straight-line method for buildings and equipment over estimated average useful lives of 40 and 20 years, respectively.

The Obligated Group's property and equipment costs, net of accumulated depreciation, during the forecast period are summarized in the table below.

Balance Sheet

Variations of 10% or greater between actual and projected results are considered material variations which are explained below:

1. Cash Excess funds were moved to short-term investments.
2. Accounts receivable, net Collection efforts suffered in the wake of 75% turnover in staff.
3. Assets limited as to use, current portion Construction funds expected to be spent down had not been requested as construction wasn't complete until October 2024.
4. Contributions receivable from UMRH Foundation, current portion Since the change in this number is dependent upon donations to the UMRH Foundation for the benefit of UMRH, the forecast conservatively assumes no change year over year. The variance is due to greater than anticipated donations.
5. Other assets limited as to use The addition of the escrow account for the future construction at Cypress Glen was not anticipated in the forecast.
6. Investment in Wesley Ridge The legal structure of this relationship changed in fiscal 2023 requiring the removal of this asset.
7. Contributions receivable from UMRH Foundation, current portion Since the change in this number is dependent upon donations to the UMRH Foundation for the benefit of UMRH, the forecast conservatively assumes no change year over year. The variance is due to greater than anticipated donations.
8. Interest rate swap agreement The forecast assumes no change year over year. The variance represents the actual change.
9. Current maturities of long-term debt The refinancing of bonds, not included in the forecast, changed the amortization of debt.
10. Funds held for others Resident deposits exceeded expectation. The forecast assumes no change for conservatism.

11. Net assets with donor restriction Since the change in this number is mostly dependent upon donations to the UMRH Foundation for the benefit of UMRH, the forecast conservatively assumes no change year over year. The variance is due to greater than anticipated donations.

Operating Statement

Variances of 10% or greater between actual and projected results are considered material variances which are explained below:

1. Amortization of deferred residence fees A record number of move-ins at Croasdaile Village resulted in a increase in entrance fees.
2. Investment income Actual investment returns exceeded what was expected in the forecast.
3. Net assets released from restriction The forecast assumes no change in temporarily restricted net assets for conservatism. The audit reflects the actual use of these funds.
4. Other revenue The forecast did not include provider relief funds.
5. Home care expense Home Care expenses were more than anticipated on the forecast.
6. (Gain)/loss on disposal of property and equipment The forecast assumes no fixed asset disposals for conservatism. The audit reflects the actual (gain)/loss for disposal of assets.
7. Non-operating gains (losses) Due to the uncertainty and volatility of investment gains or losses, contributions, changes in the fair value of interest rate swap agreements and gains or losses on the disposal of PP&E, the forecast conservatively assumes zero. Also, the audit reflects the actual use of provider relief funds here, whereas the forecast includes this in other revenue.
8. Change in donor restricted net assets For conservatism, the forecast assumes no change in temporarily restricted net assets unless there is certainty in the use of or receipt of funds.

GLOSSARY

The following terms are described as used in the accompanying Residency Agreement. Reference to the Residency Agreement and the context in which the terms are used is recommended to provide a fuller understanding of each of the terms:

"Agreement" means the Residency Agreement, entered into between the Resident and The United Methodist Retirement Homes, Incorporated, which outlines the contractual obligations of both parties.

"Assisted Living" means assistance with the activities of daily living pursuant to Section 5 of this Agreement.

"Community" means the continuing care retirement community known as "Wesley Pines," including all of the residences, common areas, and site amenities.

"Entrance Fee" means payment that assures a resident a place at the Community for life as long as the resident complies with terms of this Agreement. At the time the resident makes application for residency at the Community, the resident will sign a Residency Agreement to reserve the residence selected and will pay an Entrance Fee deposit to the Community. The balance of the Entrance Fee will be paid upon the earlier of (i) occupancy or (ii) 90 days after the Residency Agreement is executed. Specific information is located in Paragraph 1.2 of this Agreement.

"Extra Charges" means the additional fees required to be paid for the additional services and amenities requested by Resident, as set forth in Paragraph 2.2 of this Agreement.

"Health Center" means the portion of the Community, which is licensed to provide two levels of care: intermediate nursing care and skilled nursing care, as described in Section 6 of the Agreement.

"Monthly Fee" means that fee payable each month by the Resident as set forth in Paragraphs 1.3 and 1.4 of the Agreement, in consideration for the services and amenities provided to the residents of the Community described in Paragraph 2.1 of this Agreement. If there are Joint Residents under this Agreement, the Monthly Fee will include a "Second Person Monthly Fee."

"Residence" means the cottage or villa at the Community identified in the introductory paragraph of the Agreement, in which the Resident has the right to live pursuant to this Agreement in exchange for paying the Entrance Fee and the Monthly Fee.

Wesley Pines is a continuing care retirement community located at 1000 Wesley Pines Road; Lumberton, NC 28358 (hereafter the "Community").

We will provide residential housing for seniors along with a wide array of personal services and amenities outlined in this Agreement. Subject to the conditions contained in this Agreement, we agree to make available to you the Residence described as follows:

Residence Number _____
Residence Style _____

You may select certain options and custom features in the Residence at an additional charge, which shall not be subject to any refund provision herein. Any such options and custom features selected and paid for by you will become our property. Such options and custom features must be approved by the Executive Director of the Community prior to adding them to the Residence. The Executive Director of the Community has consented to your request to add the options and custom features set forth on Exhibit A attached to this Agreement. You agree to pay the amount(s) set forth on Exhibit A to cover the charges for such items.

As a Resident of the Community, you are offered lifetime use of your Residence and lifetime access to assisted living services and to nursing care in the Community Health Center, subject to the terms and conditions of this Agreement.

To be accepted for residency, you must meet our residency criteria, which includes: having reached the age of 62 (or sharing your Residence with a Joint Resident who is 62 or older); financial guidelines; and the ability to live in a residence (with or without reasonable accommodation and/or reasonable modification) – all as outlined in our current residency policy.

The purpose of this Agreement is to set forth your rights and duties as a Resident of the Community and to delineate the services to be provided at the Community.

1. CHARGES FOR RESIDENCE AND PRIMARY SERVICES.

1.1 Application Fee. Prior to or upon execution of this Agreement, you will pay to us a non-refundable Application Fee of \$_____. The Application Fee will be used by us to process your application for residency.

1.2 Entrance Fee. In order to reside at the Community for life, subject to this Agreement, and to receive the services and amenities described below, you agree to pay to us (in addition to the Monthly Fee described below) an Entrance Fee in the amount of \$_____ (includes first and second person, if applicable). The total amount of the Entrance Fee shall be payable as follows:

1.2.1 Ten percent (10%) of the total Entrance Fee is \$_____, less any previously paid Future Resident Fee (\$_____), equals \$_____, which amount is due and payable upon your execution of this Agreement.

1.2.2 The balance of \$_____ of the Entrance Fee shall be paid on the date of occupancy at the Community but in no event later than ninety (90) days after your execution of this Agreement.

1.3 Monthly Fee. You are obligated to begin paying a Monthly Fee (or a pro rata portion thereof) on the date you assume occupancy at the Community or within ninety (90) days from the date this Agreement is executed by you, whichever is earlier. Thereafter, the Monthly Fee is due upon receipt of a statement from us and by no later than the fifteenth (15th) of each month. The Monthly Fee is initially set at a specific amount that can be increased as described in Paragraph 1.6 below. A "Second Person Monthly Fee" shall become part of the Monthly Fee and shall be paid if two persons are Joint Residents under this Agreement. If there are Joint Residents under this Agreement and one Joint Resident dies, the Second Person Monthly Fee shall cease and the remaining Resident shall continue to pay the Monthly Fee without the Second Person Monthly Fee component.

1.4 Initial Monthly Fee. The initial Monthly Fee payable by you is \$_____ per month and an additional \$_____ per month as a Second Person Monthly Fee component of the Monthly Fee if two persons reside as Joint Residents pursuant to this Agreement.

1.5 Continuance of Monthly Fee. Payment of the Monthly Fee will continue as follows:

1.5.1 In the event of your death (in the case of Joint Residents, the death of the surviving Resident), until your estate removes all of your personal property from the Residence and from any storage unit.

1.5.2 In the event of your permanent relocation to assisted living, to the Community Health Center or Comparable Facility for Health Center Level Services (see definitions in Paragraphs 6.1 and 6.2), or to another care facility licensed to provide the appropriate care you need, until you or your personal representative removes all of your personal property from the Residence and from any storage unit.

1.5.3 In the event of cancellation of this Agreement as outlined in Section 9 or 10, until expiration of the cancellation period and continues until you remove all of your personal property from the Residence and from any storage unit.

1.6 Increase in Monthly Fee. The Monthly Fee is paid to us to provide the services and amenities described in this Agreement and is intended to meet the expenses associated with the operation of the Community. We may increase the Monthly Fee (which includes the Second Person Monthly Fee where applicable) upon thirty (30) days' written notice if we, in our sole discretion, deem it necessary to meet the financial needs of the Community or to provide quality services to the Residents.

1.7 No Reduction in Monthly Fee Due to Absence. If you are absent from the Community, your Monthly Fee will not be reduced.

1.8 Reserve Funds. The amount of the Monthly Fee also is and will continue to be affected by our policy of maintaining reserve funds for the financial security of the Community.

1.9 Late Payment Charge. We will charge a late payment charge in the amount of twenty-five dollars (\$25.00) if the Monthly Fee or any Extra Charges are not paid by the fifteenth (15th) day of the month. Balances over thirty (30) days old will be assessed a one percent (1%) interest charge per month. If we hire a collection agency or attorney to collect the Monthly Fee and Extra Charges past due from you, you are to pay any and all costs of collection, including reasonable attorney's fees, costs, and expenses associated with such collection efforts.

3. TERMS OF RESIDENCY.

3.1 Use of the Residence. The Residence is for living only and will not be used for carrying on any business or profession, nor in any manner in violation of zoning restrictions. This Agreement is not a lease, and grants you only the right to live in the Residence, access to other facilities of the Community, and to available services and amenities, subject to the terms and conditions of this Agreement.

3.2 Duration of Your Right to Occupy the Residence. You may reside in your Residence for as long as you (or either of you in the case of Joint Residents) live unless you (both of you in the case of Joint Residents) are not capable of occupancy as set forth in our residency policy, or this Agreement is canceled by you or by us. If, in the opinion of your attending physician or the Medical Director, your physical or mental health requires that you need assisted living services or nursing care services, you will be requested to relocate to an assisted living apartment or suite or to the Community Health Center or a Comparable Facility for Health Center Level Services (see definitions in Paragraphs 6.1 and 6.2).

3.3 Occupants of the Residence. Except as hereinafter provided, no person other than you (both of you in the case of Joint Residents) may occupy the Residence. In the event that a second person who is not a party to this Agreement is accepted for residency in the Residence after the date we sign this Agreement (said acceptance to be in accordance with our current residency policy), an Entrance Fee in an amount to be determined by us (which will be no more than one-half of the then-current Entrance Fee for the Residence) shall be paid upon residency,

and each month thereafter, the then-current Second Person Monthly Fee shall be paid as part of the Monthly Fee. If such second person does not meet the requirements for residency, such second person will not be permitted to occupy the Residence for more than thirty (30) days, except with our express written approval.

If the Resident marries a person who is also a resident of the Community, and should they decide to occupy one residence as Joint Residents, they must declare which residence will be occupied and which residence will be released. The refund due for the released residence, if any, will be provided as described in Paragraph 11.5 of this Agreement.

3.4 Guests. Guests are welcome to stay in your Residence for short stays not to exceed ten (10) consecutive days. Such stay shall not, in the opinion of the Executive Director, adversely affect the operation of the Community or be inconsistent with the welfare of our residents.

3.5 Release. We are not responsible for theft, loss of or damage to your personal property, unless such theft, loss or damage is caused by our negligence or the negligence of our agents or employees, and you hereby release us from such liability.

3.6 Insurance. Our insurance does not cover your personal property or your liability. You are required at your own expense to carry personal property insurance and liability insurance. If requested by us, you agree to provide us with proof of such insurance coverage.

3.7 Removal and Storage of Resident's Personal Property. Your personal property must be removed from the Residence and from any storage unit as follows:

3.7.1 Within thirty (30) days following the date of your death (if Joint Residents, the date of death of the surviving Resident). If your personal property is not removed from the Residence and from any storage unit within such thirty (30) days, we will continue to charge your estate the Monthly Fee as outlined in Paragraph 1.5.1 above, or we may remove and store such personal property at the expense and risk of your estate. Your Entrance Fee will continue to amortize, if applicable, until the Residence and any storage unit is completely vacated. We will only allow the executor(s) named in your Will to remove or dispose of your personal property in your living accommodation and any related storage unit at the Community. Members of your family or those to whom you have granted power of attorney will not be allowed access to your personal property after your death, unless they are the executor(s) named in your Will.

3.7.2 Within thirty (30) days following the date notice is delivered to you of your permanent relocation to assisted living, to the Community Health Center or a Comparable Facility for Health Center Level Services (see definitions in Paragraphs 6.1 and 6.2), or to another care facility licensed to provide the appropriate care you need. If your personal property is not removed from the Residence and from any storage unit within such thirty (30) days, we will continue to charge you the Monthly Fee as outlined in Paragraph 1.5.2 above, or we may remove and store such personal property at your expense and risk.

3.7.3 At the end of the cancellation period outlined in Section 9 or 10. If your personal property is not removed from the Residence and from any storage unit by the end of the cancellation period, we will continue to charge you the Monthly Fee as outlined in Paragraph 1.5.3 above, or we may remove and store such personal property at your expense and risk. Your Entrance Fee will continue to amortize, if applicable, until the Residence and any storage unit is completely vacated.

3.8 Furnishings. Furnishings within the Residence will not be provided by us except as stated in Paragraph 2.1. Furnishings provided by you shall not be such as to interfere with your health, safety or general welfare, or that of other residents or others.

3.9 Emergency Entry and Relocation. We may enter your Residence should it be necessary in an emergency to protect your health or safety or the health or safety of other residents. If relocation is recommended by the Medical Director or your attending physician, we will request that you relocate to another residence within the Community, to the Community Health Center or a Comparable Facility (as defined in Paragraph 6.2), or to a hospital or other care facility for the protection of your health or safety or for the health or safety of the other residents of the Community.

3.10 Alterations by You. You may not undertake any alterations to your Residence without our prior written approval. Said alterations will be set forth in a separate addendum to this Agreement, signed by you and us.

3.11 Condition of Residence. Upon vacating the Residence, you agree to leave it in good and clean condition. You shall be liable to us for any charges, which we may incur to restore your Residence to good and clean condition, except for normal wear and tear.

3.12 Rights of Second Single Resident. When two Joint Residents reside in a single Residence under this Agreement, upon the death or permanent relocation of one Resident to a different level of care at the Community, or other inability of that Resident to continue residing in the Residence, the remaining Resident may continue to reside in the Residence under the terms of this Agreement and shall pay the Monthly Fee.

3.13 Smoke-Free Community. The Community is a smoke-free community pursuant to its Smoke-Free Campus Policy (a copy of which is available upon request), wherein the campus and buildings have been designated as "smoke free". Smoking (including E-Cigarettes) is not allowed by residents, guests, and business invitees on the campus (inside or outside), except in a designated outside area. No smoking areas include, but are not limited to, the residences, hallways, dining rooms, public restrooms, lounge areas, reception areas, waiting rooms, courtyards, entrances, walking paths, driveways, and any other common areas. Smoking is only permitted at the designated outdoor area. Violation of the Smoke-Free Campus Policy can result in our cancellation of this Agreement for just cause as outlined in Paragraph 9.1 hereof.

3.14 Firearms Policy. The Community has adopted a policy governing the possession of firearms at the Community. Firearms need to be registered with the Community and properly secured. In the event that you are unable to safely maintain a firearm, we will contact your

designated power of attorney, legal representative or family member to remove any firearms from your Residence.

4. FREE DAYS OF ASSISTED LIVING OR NURSING CARE. You are eligible to receive a total of six (6) days each year of either assisted living care in an assisted living apartment or suite or nursing care in the Community Health Center while you are a resident of your Residence. In the case of Joint Residents, each of you will receive six (6) days, but the days cannot be combined and used by only one of you. Such six (6) days renews on an annual basis and does not accumulate. Once you are permanently relocated to assisted living, the Community Health Center or Comparable Facility, you no longer qualify for the six (6) free days of assisted living or nursing care and will be required to pay the per diem charge for such care. **[NOTE: The six (6) days of care is a combined annual total for assisted living care and nursing care at the Community.]**

5. ASSISTED LIVING SERVICES.

5.1 Description of Assisted Living Services. We offer assisted living services in the apartments and suites of the Community. Assisted living services include assistance with the activities of daily living such as ambulation, bathing, dressing, eating, personal hygiene, toileting, and the supervision or administration of medications. You will be given priority over non-residents for admission to assisted living.

5.2 Transfer to Assisted Living Care. In the event your physical or mental health is determined by us to be appropriate for assisted living care, you agree to relocate to an assisted living apartment or suite at the Community. Such a determination will be made by us after a review by the Director of Nursing, the Medical Director and the Executive Director in consultation with your attending physician, your personal representative, and you to the extent possible.

5.3 Temporary Relocation to Assisted Living. In the event you require temporary assisted living care (beyond the six (6) days of care as outlined in Section 4, if applicable), you will pay the then-current monthly fee applicable to assisted living, as well as the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above.

5.4 Permanent Relocation to Assisted Living Care. In the event you require permanent assisted living care (beyond the six (6) days of care as outlined in Section 4, if applicable), you will pay to us the then-current monthly fee applicable to assisted living. You will be required to release your Residence to us, and remove all of your personal property from the Residence and from any storage unit as outlined in Paragraph 3.7.2. Once the Residence is released, we shall have the right to reassign the Residence for occupancy by others except as provided in Paragraph 3.12. Release of the Residence due to your permanent relocation to assisted living care does not qualify you for a refund of the Entrance Fee, unless this Agreement is canceled. Subject to the terms and conditions of this Agreement, you shall continue to pay the Monthly Fee for the Residence in accordance with Paragraph 1.5.2 above.

5.5 Return to Residence. If we subsequently determine, in consultation with your attending physician, your personal representative and you to the extent possible, that you no longer need assisted living care and you can resume occupancy in a residence equivalent to the

residence you previously occupied, you shall have the right to relocate to such equivalent residence as soon as one is available. Upon your relocation to an equivalent residence, you agree to pay the then-current Monthly Fee for that residence.

5.6 Alternate Accommodations. In the event that the assisted living apartments and suites at the Community are fully occupied when you are determined to need assisted living care, you agree to relocate to another assisted living facility to receive assisted living care at your own expense. We will not be responsible for the charges associated with the alternate assisted living facility. You shall continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above.

5.7 Transfer to Another Level of Care. If we determine after consultation with your attending physician, your personal representative and you to the extent possible, that you need care beyond assisted living, you agree to transfer to the Community Health Center, a Comparable Facility (as defined in Paragraph 6.2), or to another care facility licensed to provide the appropriate care you need. Subject to the terms and conditions of this Agreement, you shall continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above.

5.8 Long-Term Care Insurance. We will use reasonable efforts to assist you in working with your long-term care insurance provider to obtain the benefits to which you may be entitled.

5.9 Assisted Living Residency Agreement. If you require assisted living care at the Community, you agree to enter into a separate Assisted Living Residency Agreement to be signed by you and us.

6. THE COMMUNITY HEALTH CENTER.

6.1 Description. The Community Health Center is the portion of the Community which is licensed to provide two levels of care: intermediate nursing care and skilled nursing care (collectively "Health Center Level Services"). The Community Health Center is staffed by licensed nursing personnel 24 hours a day.

6.2 Alternate Accommodations. You will be given priority over non-residents for admission to the Community Health Center. In the event the Community Health Center is fully occupied when you are determined to need such care, you agree to relocate to an alternate health care facility that provides services similar to the Community Health Center or to another care facility licensed to provide the appropriate care you need (a "Comparable Facility") until an appropriate space becomes available for you at the Community. We will not be responsible for the charges associated with the Comparable Facility. Upon your relocation to a Comparable Facility, you shall continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above.

6.3 Transfer to Health Center Level Services. In the event your physical or mental health is determined by us to be appropriate for Health Center Level Services, you agree to relocate to the Community Health Center or a Comparable Facility. Such a determination will be made by us after a review by the Director of Nursing, the Medical Director and the Executive

Director in consultation with your attending physician, your personal representative, and you to the extent possible.

6.4 Temporary Relocation to the Community Health Center. In the event you require temporary care in the Community Health Center (beyond the six (6) days of care as outlined in Section 4, if applicable), you will pay the per diem charge applicable to the level of care needed by you, as well as the charges for physician services and any additional health services as outlined in Paragraph 6.8. In addition, you will continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above.

6.5 Permanent Relocation to Health Center Level Services. In the event you require permanent care in the Community Health Center (beyond the six (6) days of care as outlined in Section 4, if applicable), you will pay the per diem charge applicable to the level of care needed by you, as well as the charges for physician services and any additional health services as outlined in Paragraph 6.8. If you are determined appropriate for Health Center Level Services, and are permanently relocated to the Community Health Center or a Comparable Facility, you will be required to release your Residence to us, and remove all of your personal property from the Residence and from any storage unit as outlined in Paragraph 3.7.2. We shall have the right to reassign the Residence for occupancy by others except as provided in Paragraph 3.12. Release of the Residence due to your permanent relocation to the Community Health Center or to a Comparable Facility does not qualify you for a refund of the Entrance Fee, unless this Agreement is canceled. You will continue to pay the Monthly Fee in accordance with Paragraph 1.5.2 above.

6.6 Relocation within the Community Health Center. We reserve the right to relocate you to a different level of care within the Community Health Center if you require such care. Such relocation will be made after a review by the Director of Nursing, the Medical Director and the Executive Director in consultation with your attending physician, your personal representative, and you to the extent possible.

6.7 Return to Residence. If we subsequently determine, in consultation with your attending physician, your personal representative and you to the extent possible, that you can resume occupancy in a residence equivalent to the residence you previously occupied, you shall have the right to relocate to such equivalent residence as soon as one is available. Upon reoccupying a residence, your Monthly Fee will be based on the then-current Monthly Fee for that residence.

6.8 Medical Director, Attending Physician, and Additional Health Services. We have designated a licensed physician to serve as Medical Director of the Community Health Center. You are required to have a local attending physician. You may engage the services of the Medical Director at your expense. If your personal physician will be providing you with services in the Community Health Center, he/she may do so upon providing us with his/her credentials and with proof of liability insurance, and he/she agrees to abide by our policies and procedures. We will not be responsible for the charges for medical treatment or services by the Medical Director or your attending physician, nor will we be responsible for the charges for medication, prescribed therapy, nursing supplies, and other medical and miscellaneous supplies and services associated with medical treatment.

6.9 Advanced Payment for Medical Treatment. In the event we incur or advance payments for your medical treatment or for medication, prescribed therapy, nursing supplies, and other medical and miscellaneous supplies and services associated with medical treatment (even in the event such medical care is given at the direction of your attending physician or the Medical Director without your prior approval), you shall promptly reimburse us for such payments. Upon cancellation of this Agreement for any reason, any amounts due to us under this Paragraph 6.9 shall be offset against any refund of the Entrance Fee.

6.10 Long-Term Care Insurance. We will use reasonable efforts to assist you in working with your long-term care insurance provider to obtain the benefits to which you may be entitled.

6.11 Medicare and Health Insurance. The Community Health Center is Medicare-certified. When eligible, you are required to maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to us to assure your ability to fully cover a Medicare-qualified stay in the Community Health Center or a Comparable Facility. You shall furnish to us such evidence of coverage as we may from time to time request. Such supplemental insurance should cover Medicare co-insurance and deductibles. Should your supplemental health insurance or equivalent coverage not fully cover a Medicare-qualified stay in the Community Health Center or a Comparable Facility, or should you fail to purchase supplemental health insurance or equivalent coverage to fully cover a Medicare-qualified stay in the Community Health Center or a Comparable Facility, you shall be financially responsible for paying deductibles, co-insurance amounts, and any other charges for each Medicare-qualified admission and stay in the Community Health Center or a Comparable Facility. If you are eligible to receive the six (6) free days of care in the Community Health Center as provided in Section 4 and your stay in the Community Health Center is a Medicare-qualified stay, such six (6) days will be applied after the expiration of your Medicare-qualified stay providing you have Medicare Part A, Medicare Part B and acceptable supplemental health insurance or equivalent insurance coverage.

If you are not eligible for Medicare, you shall maintain health insurance coverage acceptable to us and shall furnish us with evidence of such coverage upon our request. Should your health insurance not fully cover your stay in the Community Health Center or a Comparable Facility, you shall be financially responsible for paying deductibles, co-insurance amounts, and any other charges for each admission and stay in the Community Health Center or a Comparable Facility.

If failure to maintain Medicare Part A, Medicare Part B, supplemental health insurance or other health insurance coverage causes depletion of your resources and impairs your ability to meet your financial obligations, we need not defer your financial obligations to us as outlined in Paragraph 8.1, and we retain the right to cancel the Residency Agreement as provided in Section 10.

6.12 Managed Care. If you have chosen to participate in a managed care program as an alternative to Medicare Part A, Medicare Part B, and supplemental insurance coverage, the terms of this Agreement governing nursing care will include the following provisions:

6.12.1 Participating Provider. If the Community Health Center is a participating provider with your managed care program and your stay is a Medicare-qualified stay, the Community Health Center agrees to be reimbursed at the rate negotiated with your managed care program. Such a managed care stay in the Community Health Center will not reduce the number of days of care you are eligible to receive without additional charge pursuant to Section 4, as applicable. You will continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above, as well as any charges for physician services and any additional health services as outlined in Paragraph 6.8.

6.12.2 Not a Participating Provider. If the Community Health Center is not an approved participating provider with your managed care program and you choose to receive health care services at a managed care participating provider, then you agree that you must relocate for as long as necessary for those services to be provided, and be responsible for all charges for health care services. In addition, while receiving health care services at the managed care participating provider, you will continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above. Such a stay at a managed care participating provider will not reduce the number of days of care you are eligible to receive without additional charge pursuant to Section 4, as applicable.

6.12.3 Negotiated Managed Care Rate. If the Community Health Center is not a participating provider in your managed care program and your stay is a Medicare-qualified stay, we will attempt to negotiate a reimbursement rate with your managed care program. If we are able to negotiate an acceptable rate, we agree to accept as full payment the rate provided by your managed care program. Such a managed care stay in the Community Health Center will not reduce the number of days of care you are eligible to receive without additional charge pursuant to Section 4, as applicable. You will continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above, as well as any charges for physician services and any additional health services as outlined in Paragraph 6.8.

6.12.4 No Negotiated Managed Care Rate. If the Community Health Center is not a participating provider in your managed care program and a negotiated rate is not agreed upon and you would still like to receive care in the Community Health Center during a Medicare-qualified stay, then each day of your stay in the Community Health Center will reduce by one day the number of days of care you are eligible to receive without additional charge pursuant to Section 4, as applicable. During any such Medicare-qualified stay in the Community Health Center, you agree that you will continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above and any charges for physician services and any additional health services as outlined in Paragraph 6.8. If at any time during any such Medicare-qualified stay in the Community Health Center you are no longer eligible to receive any of the days of care provided for in Section 4, then you agree to pay the per diem charge for your care in the Community Health Center, the Monthly Fee for your Residence in accordance with Paragraph 1.5.2 above,, and any additional health services as outlined in Paragraph 6.8.

6.12.5 Post Medicare-Qualified Stay. At the conclusion of each such Medicare-qualified stay, you will be entitled to care in the Community Health Center in

accordance with the terms of this Agreement other than as provided in this Paragraph 6.12.

6.13 Transfer to Hospital or Other Care Facility. If we determine after consultation with your attending physician, your personal representative and you to the extent possible, that you need care beyond that which the Community Health Center is licensed to provide, you will be transferred to a hospital or other care facility. Our staff will not accompany you to the hospital or other facility. We shall not be responsible for any charges associated with the transfer and health care expenses or charges incurred by you after such a transfer. You shall continue to pay the Monthly Fee for your Residence in accordance with Paragraph 1.5 above.

6.14 Community Health Center Admission Agreement. If you require care in the Community Health Center, you agree to enter into a separate admission agreement to be signed by you and us.

6.15 Under Age 62. If you are under the age of 62 when you occupy your Residence under this Agreement, you are not eligible to receive the six (6) days of care as outlined in Section 4 until you attain the age of 62. During this time, you will be entitled to receive such care at the then-current charge being charged to nonresidents until age 62.

7. REPRESENTATIONS.

7.1 Our Representations. We represent and warrant that we are a nonprofit corporation. We are exempt from payment of Federal income tax under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. We are affiliated with the North Carolina Conference of The United Methodist Church of the Southeastern Jurisdiction. The North Carolina Conference of The United Methodist Church of the Southeastern Jurisdiction is not responsible for our financial or contractual obligations.

7.2 Your Representations. You represent and warrant that the representations made in the application for residency, your personal health history, and the confidential financial statement are true and correct and may be relied upon by us as a basis for your acceptance for residency at the Community. You also represent and warrant that you have not made any gift of your property in contemplation of the execution of this Agreement.

8. PROMISES.

8.1 Our Promises. It is and shall be our declared policy to operate as a non-profit organization. We will not cancel this Agreement without just cause as specified in Section 10. Further, we shall not cancel this Agreement solely by reason of your financial inability to pay the full Monthly Fee for your Residence, the monthly fee for assisted living care or the per diem charge for care in the Community Health Center, provided you have met all "spend-down" provisions of eligibility for the Medicaid program and any public assistance funds. This provision shall not apply if you have impaired your ability to meet your financial obligations hereunder by transfer of assets other than to meet ordinary and customary living expenses or by not maintaining Medicare Part A, Medicare Part B, supplemental insurance, or other health insurance after assuming occupancy. You shall be permitted to remain at the Community for a reduced fee based on your ability to pay for as long as you establish facts to justify deferment of

such charges and when deferment of such charges can, in our sole discretion, be granted without impairing our ability to operate the Community on a sound financial basis for the benefit of all residents.

8.2 Your Promises. You agree to comply with all policies and procedures of the Community as now existing or as hereafter amended; to pay the Entrance Fee, Monthly Fee, and any other charges as provided in this Agreement; to not impair your ability to meet the financial obligations under this Agreement by transferring assets, other than to meet ordinary and customary living expenses, or by not maintaining Medicare Part A, Medicare Part B, supplemental insurance or other health insurance, without our consent; to apply for public assistance funds and/or Medicaid if you should need financial assistance as outlined in Paragraph 8.1 above while a resident in assisted living or the Community Health Center; and to abide by all other terms of this Agreement.

9. CANCELLATION BY RESIDENT.

9.1 Right of Rescission. Within thirty (30) days following the later of the execution of this Agreement by you or the receipt of a Disclosure Statement from us, you may rescind this Agreement by giving us written notice. You shall not be required to move into the Residence prior to the expiration of the thirty (30) day rescission period. However, if you occupy the Residence during the rescission period and then rescind this Agreement, you will only be charged a Monthly Fee for the period of time that you actually occupied the Residence. Refund of the amount of the Entrance Fee paid shall be as outlined in Paragraph 11.2.

9.2 Cancellation Prior to Occupancy. You may cancel this Agreement for any reason at any time before you move into the Community by giving us written notice signed by you (both of you in the case of Joint Residents). Refund of the amount of the Entrance Fee paid shall be as outlined in Paragraph 11.3 or 11.4. If you die prior to occupying the Residence or if, on account of illness, injury or incapacity, you are precluded from occupying the Residence under the terms of this Agreement, this Agreement will automatically cancel upon our receipt of notice of your death, illness, injury or incapacity. If you elect to cancel this Agreement because of a substantial change in your physical, mental or financial condition prior to occupancy, then this Agreement will cancel upon written notice from you. Refund of the Entrance Fee shall be as outlined in Paragraph 11.3.

9.3 Cancellation After Occupancy. You may cancel this Agreement for any reason after moving into the Community by giving us thirty (30) days' prior written notice of cancellation, which shall be effective and irrevocable upon delivery. Cancellation shall occur thirty (30) days after written notice is delivered, and you must remove your personal property from the Residence and from any storage unit at the end of the thirty (30) day notice period as outlined in Paragraph 3.7.3. You are obligated to pay the Monthly Fee during the thirty (30) days, and thereafter if the Residence has not been released to us in accordance with Paragraph 1.5.3 above. Refund of the Entrance Fee shall be as outlined in Paragraph 11.5.

9.4 Cancellation Due to Death After Occupancy. This Agreement will automatically cancel upon your death (the death of the surviving Resident in the case of Joint Residents). Your estate must remove your personal property from the Residence and from any storage unit within thirty (30) days after your death as outlined in Paragraph 3.7.1. Your estate

will be obligated to pay the Monthly Fee as outlined in Paragraph 1.5.1 above. Refund of the Entrance Fee shall be as outlined in Paragraph 11.5.

10. CANCELLATION BY UMRH.

10.1 Cancellation Upon Notice. We may, upon notice and opportunity to cure as hereinafter provided, cancel this Agreement for just cause. Just cause shall include the occurrence of any of the following events (hereinafter referred to as a "Default"):

10.1.1 Noncompliance. You do not comply with the terms of this Agreement or the published operating procedures, covenants, rules, regulations, and policies now existing or later amended by us.

10.1.2 Misrepresentation. You misrepresent yourself or fail to disclose information during the residency process.

10.1.3 Nonpayment. You fail to pay any charges to us, subject to the provisions of Paragraph 8.1, within forty-five (45) days of the date when such charges are due.

10.1.4 Threat to Health or Safety. Your health status or behavior constitutes a substantial threat to the health, safety or peace of yourself, other residents, or others including your refusal to consent to relocation, or behavior that would result in physical damage to the property of the Community or others.

10.1.5 Change in Condition. There is a major change in your physical or mental condition and your condition cannot be cared for in the Community Health Center within the limits of our license.

10.2 Default Notice. Prior to cancellation for any Default described in Paragraph 10.1.1, 10.1.2 or 10.1.3 above, we shall give you notice in writing of such Default, and you shall have at least thirty (30) days thereafter within which to correct such Default. No Default shall eliminate your obligation to pay the Monthly Fee. If you correct such Default within such time, this Agreement shall not be canceled. If you fail to correct such Default within such time, this Agreement shall cancel at the expiration of such thirty (30) days.

In the event of the occurrence of a Default described in Paragraph 10.1.4 or 10.1.5 above, if we or the Medical Director determines that either the giving of notice of Default or the lapse of time as above provided might be detrimental to you or others, then such notice and/or waiting period prior to cancellation shall not be required. Also, in the event of the occurrence of a Default described in Paragraph 10.1.4 or 10.1.5, we are expressly authorized by you to transfer you to an appropriate hospital or other facility, and we will promptly notify your personal representative or attending physician.

11. REFUND OF ENTRANCE FEE.

11.1 Nonacceptance by Us. If we do not accept you for residency at the Community, the full amount of the Entrance Fee you have paid will be promptly refunded to you, without interest.

11.2 Right of Rescission. If you rescind this Agreement as provided in Paragraph 9.1, you shall receive a full refund of the portion of the Entrance Fee paid by you, without interest, within sixty (60) days of our receipt of the written notice of rescission.

11.3 Cancellation Prior to Occupancy Due to Death, Illness, Injury, or Incapacity. If, prior to occupancy and after your right of rescission period has expired, you die or you cancel this Agreement because of illness, injury or incapacity, you or your estate will receive a refund in full of the portion of the Entrance Fee you have paid, without interest, less any costs specifically incurred by us at your request and set forth in writing in a separate addendum to this Agreement, signed by you and us. Said refund shall be paid within sixty (60) days following (i) the date of automatic cancellation of this Agreement; or (ii) the date of our receipt of your written notice of cancellation.

11.4 Cancellation Prior to Occupancy for Other Reasons. If you cancel this Agreement for reasons other than those stated in Paragraph 11.2 or 11.3 above, you shall receive a refund of the Entrance Fee paid, less a non-refundable portion of the Entrance Fee equal to Two Thousand Dollars (\$2,000) and less any costs specifically incurred by us at your request and set forth in writing in a separate addendum to this Agreement, signed by you and us. Said refund shall be paid within sixty (60) days after our receipt of the written notice of cancellation.

11.5 Cancellation After Occupancy. In the event you or we cancel this Agreement after occupancy or in the event of your death (the death of the survivor in the case of Joint Residents), you or your estate will be reimbursed the amount of the Entrance Fee previously paid by you, less two percent (2%) for each month of residency or portion thereof, for up to fifty (50) months. After fifty (50) months of occupancy, no refund of the Entrance Fee will be made. Said refund, if any, will be paid, without interest, at such time as your Residence has been reserved by a new resident and our receipt of the full amount of the Entrance Fee paid by such new resident or within two (2) years from the date of cancellation, whichever occurs first.

11.6 Offset Against Entrance Fee Refund. In the event of cancellation of this Agreement as described in Paragraph 11.5 above, we will offset against any Entrance Fee refund due to you or your estate the following:

11.6.1 The amount of any unpaid Monthly Fees, pro-rated Monthly Fees for the period of time the Residence was occupied (which shall include the period of time until you or your personal representative removes all of your personal property from the Residence and from any storage unit) after cancellation of this Agreement, any Extra Charges or other charges deferred by us on your behalf under Paragraph 8.1; and

11.6.2 Any health care expenses incurred on your behalf and other amounts payable to us, which remain unreimbursed; and

11.6.3 Any charges incurred to restore the Residence to good condition, normal wear and tear excepted, as outlined in Paragraph 3.11 and

11.6.4 Any charges incurred as a result of options and custom features added to the Residence at your request as outlined in Exhibit A or in a separate addendum to this Agreement.

12. MISCELLANEOUS.

12.1 Nature of Rights. You understand and agree that (i) this Agreement or your rights (including the use of the Residence) under it may not be assigned, and no rights or benefits under this Agreement shall inure to the benefit of your heirs, legatees, assignees, or representatives, except as to receipt of the amounts described in Section 11; (ii) this Agreement and your contractual right to occupy the Community will exist and continue to exist during your lifetime unless canceled as provided herein; (iii) this Agreement grants you the right to occupy and use space in the Community but does not give you exclusive possession of the Residence against us, and you will not be entitled to any rights of specific performance but will be limited to such remedies as set forth herein and as provided by continuing care law; (iv) this Agreement is not a lease or easement and does not transfer or grant you any interest in real property owned by us; and (v) this Agreement grants to us complete decision-making authority regarding the management and operation of the Community.

You may want to obtain insurance, at your own expense, to protect against such losses.

12.3 Force Majeure. Community shall not be liable to Resident for any default, breach or damages arising out of or relating to the suspension or termination of any of its obligations or duties under this Agreement by reason of the occurrence of a Force Majeure Event. A "Force Majeure Event" is defined as the occurrence of an event which materially interferes with the ability of Community to perform its obligations or duties hereunder which is not within the reasonable control of Community, and which could not with the exercise of diligent efforts have been avoided, including, but not limited to, war, rebellion, terrorism, government uprising, natural disasters (including floods, earthquake, fire, hurricanes, windstorms, tornadoes), accident, strike, riot, civil commotion, act of God, pandemic, epidemic, outbreak of infectious diseases or other public health crisis, including quarantine or other employee restrictions, acts of authority or change in law. Community shall promptly notify Resident of the occurrence and particulars of such Force Majeure Event and shall provide Resident, from time to time, with its best estimate of the duration of such Force Majeure Event and with notice of the termination thereof. Community shall use diligent efforts to avoid or remove such causes of non-performance as soon as is reasonably practicable .

12.4 Amendment. This Agreement may be amended by agreement of the parties to this Agreement. No amendment of this Agreement shall be valid unless in writing and signed by you and us.

12.5 Law Changes. This Agreement may be modified by us at any time in order to comply with applicable laws or regulations. Further, we may change any part of the Community, including the Residence, to meet the requirements of any applicable law or regulation.

12.6 Entire Agreement. This Agreement and any addenda or amendments thereto contain our entire understanding with respect to your residency at the Community.

12.7 Monthly Statement. You shall receive a monthly statement from us showing the total amount of fees and other charges owed by you, which shall be paid upon receipt and by no later than the fifteenth (15th) day of each month.

12.8 Responsible Party for Business and Financial Decision Making. Prior to assuming residency at the Community, you agree to execute and deliver to us a Durable Power of Attorney, trust documents, or other documentation naming a responsible party for business and financial decision-making. These documents should be drafted to remain effective notwithstanding your incompetence or disability and shall be in a form acceptable to us. You agree to keep such documents in effect as long as this Agreement is in effect. The person(s) named as your responsible party shall not be a person(s) employed by us or any other entity engaged in the management of the Community.

12.9 Disposition of Furniture, Possessions, and Property. You agree to make provision by Will or otherwise for the disposition of all of your furniture, property, and possessions located on the premises of the Community within sixty (60) days after the date of residency.

12.10 Nonwaiver. If we fail to insist in any instance upon performance of any of the terms, promises, or conditions of this Agreement, it shall not be construed as a waiver or relinquishment of the future performance of any such terms, promises, or conditions, but your obligation with respect to such future performances shall continue in full force and effect.

12.11 Notices. Any notice required to be given to us under this Agreement shall be in writing and sent certified mail, return receipt requested, with all postage and charges prepaid, or hand-delivered to the Executive Director of the Community at 1000 Wesley Pines Road, Lumberton, North Carolina 28358. Such notices shall be dated and signed.

Any notice required to be given to you shall be delivered to you at the Community or at such other place as you shall designate to us in writing and sent by certified mail or hand delivered. All notices mailed in accordance with this Paragraph shall be deemed to be given when mailed whether or not they are actually received.

12.12 Indemnity. We will not be liable for and you agree to indemnify, defend and hold us harmless from claims, damages and expenses, including attorneys' fees and court costs, resulting from any injury or death to persons and any damages to property caused by, resulting from, attributable to or in any way connected with your negligent or intentional act or omission or that of your guests.

12.13 Severability. The invalidity of any restriction, condition or other provision of this Agreement, or any part of the same, shall not impair or affect in any way the validity or enforceability of the rest of this Agreement.

12.14 Subordination. You agree that all your rights under this Agreement will always be subordinate and junior to the lien of all mortgages or other documents creating liens encumbering the Community, which have been or will be executed by us. Upon request, you agree to execute, acknowledge and deliver to such lender(s) such further written evidence of such subordination as such lender(s) may reasonably require. Except to the extent of your

obligation to pay the Monthly Fee and Second Person Monthly Fee, you shall not be liable for any such indebtedness.

12.15 Capacity. This Agreement has been executed on our behalf by our duly authorized agent, and no officer, director, agent or employee of ours shall have any personal liability hereunder to you under any circumstances. This Agreement will become effective upon acceptance and signature by us.

12.16 Resident. In the case of Joint Residents, the rights and obligations of each are joint and several except as the context of this Agreement otherwise requires.

12.17 Reimbursement for Loss or Damage. You or your responsible party, if applicable, agree to reimburse us for any loss or damage to the Community caused by your intentional, careless, or negligent acts or omissions or that of your guests.

12.18 Charges for Collection. You agree to reimburse us for any charges we incur to collect any unpaid amounts you or your estate owes to us under this Agreement.

12.19 Sale or Transfer of Interest. We may sell or transfer our interest in the Community provided the buyer will agree to assume this Agreement and all other existing Residency Agreements. Upon the assumption of this Agreement by a buyer of the Community and its agreement to perform this Agreement and all other agreements, we will have no further obligation hereunder. Your signature hereto constitutes your consent and approval of any such future transaction.

12.20 Private Employee of Resident. If you need additional services, you can obtain these needed services from a private employee, an independent contractor, or through an agency (personal service provider). In such instances, we strongly advise you to obtain these needed services from a licensed and/or certified home health agency. In any event, you must comply with our policy regarding personal service providers, and ensure that your private employee, independent contractor, or person you employ through an agency complies with our policies and rules of conduct set forth in our policy. If you fail to follow or enforce the policies and rules of conduct set forth therein, then we may elect, at our sole option, to cancel this Agreement.

12.21 Tax Considerations. You should consult with your tax advisor regarding the tax considerations associated with this Agreement as more fully explained in our Disclosure Statement.

12.22 Management. We have engaged the services of Life Care Services LLC ("LCS") to manage the Community. We are not affiliated with LCS nor is LCS responsible for our contractual or financial obligations or the contractual or financial obligations of the Community.

12.23 Governing Law. This Agreement will be governed, interpreted and construed according to the laws of the State of North Carolina.

12.24 Survival of Representations and Obligations. Your representations and obligations under this Agreement, including but not limited to, your obligation to pay all sums owed by you to us, and your agreement to indemnify us as set forth in Paragraph 12.11, and our

representations and obligations under this Agreement, will survive any cancellation of your residency in the Community, regardless of the reason for such cancellation and regardless of whether it is initiated by you or by us.

13. MEDIATION AND ARBITRATION.

13.1 Mediation. In the event a dispute, claim or controversy of any kind arises between the parties – except for those disputes, claims or controversies arising under Paragraph 13.3 below – that cannot be resolved by mutual agreement, the parties agree to submit such dispute, claim or controversy to a neutral mediator for possible resolution. The parties will jointly agree on a neutral mediator. Each party shall submit all evidence or information in writing to the mediator in support of its contentions or allegations and any defense either party may have with respect to the dispute, claim or controversy. Each party shall have the right to a hearing before the mediator and to personally present information pertinent to such dispute, claim or controversy. The mediator shall assist each party, in an unbiased manner, in reaching an amicable agreement regarding the dispute, claim or controversy. If an amicable agreement is not reached, or if either party fails or refuses to negotiate or mediate in good faith to resolve the matter, or if a neutral mediator cannot be agreed upon between the parties, then the parties agree to submit such dispute, claim or controversy to an arbitration process as outlined below.

13.2 Arbitration. It is understood that any and all disputes between the Resident and Community, its owners, operators, officers, directors, administrators, staff, employees, agents, and any management and administrative services company, and all related entities and individuals, their staff, personnel, employees, owners, officers, directors, members, and agents that provide services to the Community that relates to the provision of care, treatment and services the Community provides to the Resident, including any action for injury or death arising from intentional torts, statutory causes of action, negligence, and medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered shall be determined by submission to binding arbitration and not by lawsuit or resort to court process. This provision shall be binding for any and all disputes arising out of the Resident's Residency Agreement and/or the Resident's residency at the Community, except for disputes pertaining to collections or evictions. This provision is binding on all parties hereto, including the Community, the Resident, the Resident's representatives, agents, responsible party, conservators, executors, family members, successors in interest and heirs, as well as anyone who may have a claim arising out of the Resident's Residency Agreement and/or the Resident's residency at the Community.

If this Agreement is signed by someone other the Resident, including the Resident's representative, agent, responsible party, conservator, executor, family member, successor in interest and heir said person is doing so not only in their representative capacity for the Resident, but also in their individual capacity and thus agree that any and all claims brought individually by any such person(s) are also subject to binding arbitration.

The parties to this Agreement are giving up their Constitutional right to have any and all disputes decided in a court of law before a jury, and instead are accepting the use of binding arbitration. By signing this Agreement, the parties waive their right to commence and/or be a party to any class or collective action in any court against the other party relating in any manner

to the Resident's residency at the Community. Further, the parties waive their right to commence or be a party to any group, class, or collective action claim in arbitration or any other forum.

Submitting to this provision is not a precondition to receiving medical treatment, care, services and/or for admission to the Community and is not a requirement to continue to receive medical treatment, care, and services at the Community. You may rescind your agreement to arbitrate by written notice to the Community within thirty (30) days of signature. This agreement to arbitrate shall not be discharged by the death of any party hereto, nor by the termination of the Residency Agreement, nor by the Resident ceasing to reside at the Community.

This provision shall have retroactive effect. It is agreed by and between the parties hereto that this provision covers services rendered before the date this contract is signed, thus making this provision effective as of the date of the Resident's first admission to the Community.

This Agreement relates to the Resident's admission to the Community and the Community participates in Medicare programs and/or procures supplies from out of state vendors. The parties, therefore, agree that the underlying admission to the Community involves interstate commerce. The parties further agree that this arbitration provision is to be governed by the Federal Arbitration Act and the procedural rules set forth in the Federal Arbitration Act (9 U.S.C. Sections 1-16) shall govern any petition to compel arbitration and shall preempt any inconsistent State law. While the parties agree that this provision shall be governed by the procedural rules set forth in the Federal Arbitration Act, the parties further agree that the substantive law of the State where the Community is located shall apply to any and all claims.

The parties desire to have any and all disputes submitted to binding arbitration and do not want any claims not subject to arbitration to impede any and all other claims from being ordered to binding arbitration.

The parties are to mutually agree on the appointment of a single neutral arbitrator who routinely conducts mediations and/or arbitrations in the State where the Community is located and agree that discovery will be conducted pursuant to the discovery rules set forth by the arbitrator. Should the parties be unable to mutually agree upon the appointment of a single neutral arbitrator the Federal Arbitration Act shall govern the appointment of the arbitrator. The arbitration shall be venued in a location convenient for all parties, normally the county or region where Community is located.

The expenses and fees of the arbitrator shall be apportioned equally among all parties except as otherwise permitted or required by law.

If any portion of this provision is held invalid, such holding shall not impact the validity of the remaining content of this provision. Any such invalid portion shall be severed from this provision.

The Resident and/or the person executing this Agreement certifies that he/she has read this provision, understands this provision, it has been explained to them in a manner he/she understands, has been given a copy of this provision, and affirmatively represents that he/she is duly authorized by virtue of the Resident's consent, instruction and/or durable power of attorney, to execute this Agreement and accept its terms on behalf of the Resident and acknowledges that

the Community is relying on the aforementioned certification. Further, if the person executing this Agreement is someone other than the Resident, you knowingly do so not only in your representative capacity for the Resident, but also in your individual capacity and thus agree that any and all claims brought individually by you are also subject to binding arbitration.

13.3 Voluntary Arbitration of Negligent Health Care Claims. For all claims for damages in personal injury or wrongful death actions, based on alleged negligence in the provision of health care, the parties may voluntarily elect to submit to arbitration pursuant to the procedures set forth in Article 1H of Chapter 90 of the North Carolina General Statutes. N.C.G.S. §90-21.60(b) prohibits any contract from requiring prior agreement of the parties to arbitrate negligent health care claims. Thus, Paragraphs 13.1 and 13.2 do not apply to personal injury or wrongful death actions based on alleged negligence in the provision of health care. If the parties agree to arbitrate such actions, said arbitration will be governed in accordance with N.C.G.S. §90-21.60, *et seq.*
